"ARTICLE 1
USED OF TOBACCO SETTLEMENT PROCEEDS;
REPEAL OF MINNESOTACARE TAXES

Section 1. Minnesota Statutes 1998, section 60A.15, subdivision 1, is amended to read:

Subdivision 1. [DOMESTIC AND FOREIGN COMPANIES.] (a) On or before April 1, June 1, and December 1 of each year, every domestic and foreign company, including town and farmers' mutual insurance companies, domestic mutual insurance companies, and marine insurance companies, health maintenance organizations,
community integrated service networks, and nonprofit health service plan corporations, shall pay to the commissioner of revenue installments equal to one-third of the insurer's total estimated tax for the current year. Except as provided in paragraphs (d), (e), (h), and (i), installments must be based on a sum equal to one-third of the premiums described in paragraph (b).

(b) Installments under paragraph (a), or (d), or (e) are percentages of gross premiums less return premiums on all direct business received by the insurer in this state, or by its agents for it, in cash or otherwise, during such year, except that the tax does not apply to premiums received for health plans as defined in section 62A.011, subdivision 3, or to premiums received for coverage described in section 62A.011, subdivision 3, clause (10).

(c) Failure of a company to make payments of at least one-third of either (1) the total tax paid during the previous calendar year or (2) 80 percent of the actual tax for the current calendar year shall subject the company to the penalty and interest provided in this section, unless the total tax for the current tax year is $500 or less.

(d) For health maintenance organizations, nonprofit health service plan corporations, and community integrated service networks, the installments must be based on an amount determined under paragraph (h) or (i).

(e) For purposes of computing installments for town and farmers' mutual insurance companies and for mutual property casualty companies with total assets on December 31, 1989, of $1,600,000,000 or less, the following rates apply:

(1) for all life insurance, two percent;

(2) for town and farmers' mutual insurance companies and for mutual property and casualty companies with total assets of $5,000,000 or less, on all other coverages, one percent; and

(3) for mutual property and casualty companies with total assets on December 31, 1989, of $1,600,000,000 or less, on all other coverages, 1.26 percent.

(f) If the aggregate amount of premium tax payments under this section and the fire marshal tax payments under section 299F.21 made during a calendar year is equal to or exceeds $120,000, all tax payments in the subsequent calendar year must be paid by means of a funds transfer as defined in section 336.4A-104, paragraph (a). The funds transfer payment date, as defined in section 336.4A-401, must be on or before the date the payment is due. If the date the payment is due is not a funds transfer business day, as defined in section 336.4A-105, paragraph (a), clause (4), the payment date must be on or before the funds transfer business day next following the date the payment is due.

(g) Premiums under medical assistance, general assistance medical care, the MinnesotaCare program, and the Minnesota comprehensive health insurance plan and all payments, revenues, and reimbursements received from the federal government for Medicare-related coverage as defined in section 62A.31, subdivision 3, paragraph (e), are not subject to tax under this section.

(h) For calendar years 1997, 1998, and 1999, the installments for health maintenance organizations, community integrated service networks, and nonprofit health service plan corporations must be based on an amount equal to one percent of premiums described under paragraph (b). Health maintenance organizations, community integrated service networks, and nonprofit health service plan corporations that have met the cost containment goals established under section 62J.04 in the individual and small employer market for calendar year 1996 are exempt from payment of the tax imposed under this section for premiums paid after March 30, 1997, and before April 1, 1998. Health maintenance organizations, community integrated service networks, and nonprofit health service plan corporations that have met the cost containment goals established under section 62J.04 in the individual and small employer market for calendar year 1997 are exempt from payment of the tax imposed under this section for premiums paid after March 30, 1998, and before April 1, 1999. Health maintenance organizations, community integrated service networks, and nonprofit health service plan corporations that have met the cost containment goals established under section 62J.04 in the individual and small employer market for calendar year 1998 are exempt from payment of the tax imposed under this section for premiums paid after March 30, 1999, and before January 1, 2000.
(i) For calendar years after 1999, the commissioner of finance shall determine the balance of the health care access fund on September 1 of each year beginning September 1, 1999. If the commissioner determines that there is no structural deficit for the next fiscal year, no tax shall be imposed under paragraph (d) for the following calendar year. If the commissioner determines that there will be a structural deficit in the fund for the following fiscal year, then the commissioner, in consultation with the commissioner of revenue, shall determine the amount needed to eliminate the structural deficit and a tax shall be imposed under paragraph (d) for the following calendar year. The commissioner shall determine the rate of the tax as either one-quarter of one percent, one-half of one percent, three-quarters of one percent, or one percent of premiums described in paragraph (b), whichever is the lowest of those rates that the commissioner determines will produce sufficient revenue to eliminate the projected structural deficit. The commissioner of finance shall publish in the State Register by October 1 of each year the amount of tax to be imposed for the following calendar year. In determining the structural balance of the health care access fund for fiscal years 2000 and 2001, the commissioner shall disregard the transfer amount from the health care access fund to the general fund for expenditures associated with the services provided to pregnant women and children under the age of two enrolled in the MinnesotaCare program.

(j) In approving the premium rates as required in sections 62L.08, subdivision 8, and 62A.65, subdivision 3, the commissioners of health and commerce shall ensure that any exemption from the tax as described in paragraphs (h) and (i) is reflected in the premium rate.

Sec. 2. [62Q.68] [PASS-THROUGH OF SAVINGS TO CONSUMERS.]

Subdivision 1. [REDUCED PREMIUMS.] All health plan companies shall pass on to consumers, in the form of reduced premium rates, all savings resulting from:

(1) the phase-out and repeal of the MinnesotaCare provider taxes imposed under Minnesota Statutes 1998, section 295.52, and the resulting reduction in the transfer of additional expenses generated by Minnesota Statutes 1998, section 295.52, obligations to third party contracts under Minnesota Statutes 1998, section 295.582; and

(2) the repeal of the one percent premium tax for health maintenance organizations, nonprofit health service plan corporations, and community integrated service networks imposed under Minnesota Statutes 1998, section 60A.15, subdivision 1.

Subd. 2. [DOCUMENTING COMPLIANCE.] Each health plan company shall include with its annual renewal for certification of authority or licensure documentation indicating compliance with subdivision 1.

Subd. 3. [ENFORCEMENT.] If the appropriate commissioner finds that a health plan company has not complied with subdivision 1, the commissioner may take enforcement action against that health plan company. The commissioner may, by order, fine or censure the health plan company or revoke or suspend the certificate of authority or license of the health plan company to do business in this state if the commissioner finds that the health plan company has not complied with this section. The health plan company may appeal the commissioner’s order through a contested case hearing in accordance with chapter 14.

Sec. 3. [256L.021] [USE OF TOBACCO SETTLEMENT PROCEEDS.]

(a) The commissioner of finance, beginning with the annual payment due December 31, 1999, shall deposit the annual payments due under the terms of the tobacco settlement on December 31 of each year into the health care access fund established under section 16A.724.

Subdivision 1. [FORECASTING FUNDS.] The MinnesotaCare program is not an entitlement. The commissioner of human services shall not expend more funds than the appropriations made available by the legislature. Appropriations made available must include the state-appropriated funds and federal funds specified for this purpose and other available funds transferred from other accounts as allowed by Minnesota law. Regardless of this limitation on expenditures, the total projected costs of this program must be forecasted and recognized in the fund balance.

Subd. 2. [DETERMINATION BY COMMISSIONER.] As part of each state revenue and expenditure forecast, the commissioner shall make an assessment of expected MinnesotaCare program expenditures for the remainder of the current biennium and for the following biennium. If the commissioner determines that projected MinnesotaCare expenditures during a biennium will exceed the total of: (1) the funds projected to be available in the health care access fund; and (2) projected annual payments from the tobacco settlement required to be deposited in the health care access fund under section 256L.021 for that biennium, the commissioner of human services and the commissioner of finance shall implement subdivision 1, effective on the first day of the biennium for which the commissioner of human services makes the determination.

Subd. 3. [CONTINGENT APPLICABILITY.] This section is effective only if the commissioner of human services makes a determination under subdivision 2 that projected MinnesotaCare program expenditures will exceed available funding during a biennium. If the commissioner makes this determination, this section is effective on the first day of the biennium for which the commissioner makes the determination.

Subdivision 1. [REPEALER.] Minnesota Statutes 1998, section 16A.724, is repealed, effective as provided under subdivision 3.

Subd. 2. [TRANSFER TO GENERAL FUND.] Upon repeal of the health care access fund under subdivision 1, the commissioner of finance shall transfer any funds in the health care access fund to the general fund and the health care access fund is combined with and becomes part of the general fund.

Subd. 3. [CONTINGENT EFFECTIVE DATE.] This section is effective only if the commissioner of human services makes a determination under Minnesota Statutes, section 256L.022, that projected MinnesotaCare program expenditures will exceed available funding during a biennium. If the commissioner makes this determination, this section is effective on the first day of the biennium for which the commissioner makes the determination.

Sec. 7. [EFFECTIVE DATE.]

Section 1 is effective April 1, 1999, and applies to tax periods beginning on or after that date, except that the amendment to Minnesota Statutes, section 60A.15, subdivision 1, paragraph (b), is effective January 1, 2000, and applies to tax years beginning on or after that date.

Private duty nursing may be provided by a spouse who is a licensed nurse employed by a Medicare certified home health agency, in cases where there is a lack of a sufficient number of qualified providers or private duty nurses and to prevent the hospitalization of the recipient. Private duty nursing services provided by a spouse cannot be used in lieu of nursing services covered and available under liable third-party payers including Medicare and medical assistance not paid by the waiver. The private duty nursing provided by a spouse must be included in the plan of care and must be scheduled by the home health agency, and may be covered for up to 24 hours per week. Nothing in this subdivision precludes the spouse's obligation of assuming the nonreimbursed family responsibilities of emergency backup caregiver and primary caregiver. The waiver interdisciplinary team shall recommend to the commissioner whether the provision of private duty nursing care by a spouse is appropriate. In no case shall a spouse be paid to provide private duty nursing care if the spouse fails to pass a criminal background check according to Minnesota Rules, part 4668.0020, or if it has been determined by the home health agency or the waiver case manager that the private duty nursing care provided by the spouse is unsafe. "Minnesota Statutes .........., section .........."

Bills shall refer to the session laws as follows:

"Laws .........., chapter .........., section .........."

The words and characters constituting the amending matter shall be inserted in the proper place in the text and underscored. The words and characters to be eliminated by the amendment shall be stricken by drawing a line through them. The text of a new section or subdivision shall also be underscored when a bill amends an existing chapter or section by adding a new section or subdivision. When a bill is printed in the Journal, the new matter shall be in italics or
underscored and the matter to be eliminated shall be capitalized and in parentheses or stricken by drawing a line through it. If the bill is for an original law and not for an amendment of an existing law, the sections and subdivisions shall be arranged, subdivided, and numbered in like manner as Minnesota Statutes. If such a bill assigns to the sections thereof headnotes or identification by the decimal system of numbering used in Minnesota Statutes, such headnotes and decimal identification may be submitted by standing committee chairs to the Revisor of Statutes for examination. Any such headnotes shall be capital letters enclosed in brackets, and shall be subject to the provisions of Minnesota Statutes, section 648.36.

All numbers in titles shall be expressed in figures. All numbers of section or chapter of law shall be in figures. Referral is not required when a committee after the earlier date and by the later date set by this paragraph acts on a bill that is a companion to a bill that has met the earlier deadline in the other house:

(b) Committee reports on bills containing an appropriation that are favorably acted upon by a committee in either house after the third Friday before the last Friday the Legislature can meet in regular session, shall be referred in the Senate to the Committee on Rules and Administration, and in the House of Representatives to the Committee on Rules and Legislative Administration for disposition. This rule does not apply to the Senate Committees on Finance and on Taxes and Tax Laws, and the House Committees on Ways and Means and on Taxes.

(c) Conference committees on the major appropriation bills specified in Joint Rule 2.02 shall have their reports on the members’ desks by the last Thursday on which the Legislature can meet in regular session. After the last Friday on which the Legislature can meet in regular session, neither house shall act on bills other than those contained in:

AMENDING BILLS ORIGINATING IN OTHER HOUSE

Rule 2.04. Either house shall have the power to amend any bill, memorial, or resolution passed by the other house.

RECEDING FROM POSITION

Rule 2.05. Prior to a Conference Committee on any matter, either house may recede from its position on any difference existing between the two houses. In order to recede, and if the matter is not in the possession of a house, that house shall request return of the matter from the other house. To recede, a majority of a house shall govern, except in cases otherwise provided in the Constitution. If the question is put and lost, it shall not be put again on the same day. A reconsideration of the question shall in all respects be regulated by the rules of that house.
CONFERENCE COMMITTEES

Rule 2.06. In all cases of disagreement between the Senate and House on amendments adopted by either house to a bill, memorial or resolution passed by the other house, a Conference Committee consisting of not less than three members nor more than five members from each house may be requested by either house. The other house shall appoint a similar committee.

The manner of procedure shall be as follows: The house of origin passes a bill and transmits it to the other body. If the other body adopts an amendment to the bill and passes it as amended, it shall return the bill with a record of its actions to the house of origin. If the house of origin refuses to concur in the amendment, it shall ask for a Conference Committee, appoint such a committee on its part, and transmit the bill with a record of its action to the other house. If the other house adheres to its amendment, it shall appoint a like committee and return the bill to the house of origin.

All Conference Committees shall be open to the public. As much as practical, meetings of Conference Committees shall be announced as far in advance as possible and actions taken shall be agreed upon in an open meeting. At an agreed upon hour the Conference Committee shall meet. The members from each house shall state to the members from the other house, orally or in writing, the reason for their respective positions. The members shall confer thereon and. A conference committee may not meet between the hours of midnight and 7:00 a.m., except that a committee may extend a meeting for up to one hour past midnight by a vote of two-thirds of the members appointed to the committee by each house. The conferees shall report to their respective houses the agreement they have reached, or, if none, the fact of a disagreement.

If an agreement is reported, the house of origin shall act first upon the report. A Conference Committee report must be limited to provisions that are germane to the bill and amendments that were referred to the Conference Committee. A provision is not germane if it relates to a substantially different subject or is intended to accomplish a substantially different purpose from that of the bill and amendment that were referred to the Conference Committee.

A Conference Committee report may not appropriate a larger sum of money than the larger of the bill or the amendments that were referred to the Conference Committee unless the additional appropriation is authorized by the Speaker of the House of Representatives and the Majority Leader of the Senate.

A Conference Committee report may not delegate rulemaking to a department or agency of state government or exempt a department or agency of state government from rulemaking unless the delegation or exemption was included in either the bill or the amendment that was referred to the Conference Committee.

A Conference Committee report may not create a new commission, council, task force, board, or other body to which a member of the legislature may be appointed unless the body was created in either the bill or the amendment that was referred to the Conference Committee.

If the report is adopted and repassed as amended by the Conference Committee by the house of origin, the report, the bill and a record of its action shall be transmitted to the other house.

Except after the last Thursday on which the Legislature can meet in regular session in odd-numbered years, and after the last Thursday on which the Legislature intended, when it adopted the concurrent resolution required by Rule 2.03, paragraph (b), to meet in regular session in even-numbered years, a written copy of a report of a Conference Committee shall be placed on the desk of each member of a house twelve hours before action on the report by that house. If the report has been reprinted in the Journal of either house for a preceding day and is available to the members, the Journal copy shall serve as the written report. The member presenting the Conference Committee report to the body shall disclose, either in writing or orally, the substantial changes from the bill or the amendment as they were last before the body.
ENROLLMENT AND SIGNATURE

Rule 2.07. After a bill or memorial or joint resolution has been passed by both houses, it shall be carefully and properly enrolled by the Revisor of Statutes under the direction of the Secretary of the Senate for a matter originating in the Senate or the Chief Clerk of the House for a matter originating in the House. The Revisor of Statutes shall obtain the signatures and certificates of the proper officers to the enrolled copy of the bill or memorial and present it to the Governor for his approval.

A bill or memorial may be enrolled for presentation to the Governor on good archival quality paper approximately 8 1/2” x 14” in size and may be produced by means of a copying machine. An enrolled bill shall be labeled “An Act” and it shall be identical to the bill passed by the Legislature. An enrolled bill which is amendatory of any existing law or constitutional provision shall indicate deletions and additions in the manner provided in Rule 2.01 for printed bills. Other enrollments shall be identical to the memorial or joint resolution passed by the legislature.

The Revisor of Statutes shall obtain the signatures and certificates of the proper officers to the enrollment. A joint resolution applying to the Congress of the United States to call a convention for proposing amendments to the Constitution of the United States, ratifying an amendment to the Constitution of the United States, proposing an amendment to the Minnesota Constitution, or prescribing the compensation of judges shall not be presented to the Governor for approval but shall be deposited by the Revisor of Statutes with the Secretary of State. All other enrollments shall be presented to the Governor for approval.

(a) Any bill being considered by a Conference Committee shall be returned to the house of origin, laid on the table, and the Conference Committee shall be discharged;

(b) Any bill referred to the Committee on Rules and Administration in the Senate or the Committee on Rules and Legislative Administration in the House pursuant to Joint Rule 2.03 shall be returned to the standing committee to which it was last previously referred; and

(c) Any bill returned by the Governor to the house of origin with his objections following such adjournment shall be laid on the table.

INTERIM COMMITTEE AND COMMISSION REPORTS

Rule 3.03. Except as otherwise provided by law, the report of any interim committee or commission to the Legislature shall be submitted on paper 8 1/2” x 11” in size, spiral bound, stapled, or punched on the left edge to fit a standard size three ring binder intended for that size paper. A brief summary of the recommendations of the commission or committee shall appear first and be clearly separated from its findings, discussions, and exhibits. If the report contains legislative recommendations, a copy of any proposed legislation, particularly if extensive in character, shall if possible be attached as an exhibit at the end of the report.
ARTICLE IV: ELECTION OF REGENTS

JOINT COMMITTEE

Rule 4.01. By May 7 of each odd-numbered year, or at a date agreed to by concurrent resolution, a joint committee shall meet to recommend nominees for regent of the University of Minnesota to be presented to a Joint Convention of the legislature. The members of the joint committee are the members of the senate and house committees on education. A majority of the members from each house is a quorum of the joint committee.

The joint committee shall determine the number of persons, and the person or persons to be recommended for each open seat.

Each person recommended by the regent candidate advisory council is considered to be nominated. Other persons may be nominated by a member of the committee at the meeting. Nominations may be made by committee members only. Nominations must be made for a specified congressional or student seat, or for any at-large seat.

The roll shall be called viva voce on the recommendation of regents. A majority vote of the members of the joint committee is required for a candidate to be recommended.

JOINT CONVENTION

Rule 4.02. At the Joint Convention of the Senate and House of Representatives called to elect regents, the joint committee shall report the name of the person or persons recommended for each seat. These persons are considered to be nominated. Any member of the legislature may submit additional nominations. If there is more than one at-large seat to be filled, all candidates nominated for an at-large seat are candidates for any of the at-large seats.

The roll shall be called viva voce on the election of regents. The roll must be called first on congressional district seats until they are filled, then on the student seat, and then on the at-large seats.

Each member may cast one vote for each seat to be filled, but no more than one vote for a candidate.

The candidate for each seat receiving a majority of the votes cast must be declared elected. If there is more than one at-large seat to be filled and more than one candidate who receives a majority of the votes cast, the candidates receiving the highest number of votes must be declared elected; in case of a tie for the highest number of votes, the votes must be cast again. If no candidate receives a majority of the votes cast for a seat, on each succeeding ballot the candidate with the fewest votes must be dropped from consideration and the votes cast again until a majority vote is achieved. Any candidate with fewer than 20 votes on any ballot shall also be dropped on succeeding ballots.
