question raised by or on behalf of the office relating to the subject of the investigation, whether tape recorded or not; providing copies of client records, as reasonably requested by the office, to assist the office in its investigation; and appearing at conferences or hearings scheduled by the commissioner. If the office does not have a written consent from a client permitting access to the client's records, the unlicensed complementary and alternative health care practitioner shall delete in the record any data that identifies the client before providing it to the office. If an unlicensed complementary and alternative health care practitioner refuses to give testimony or produce any documents, books, records, or correspondence on the basis of the fifth amendment to the Constitution of the United States, the commissioner may compel the unlicensed complementary and alternative health care practitioner to provide the testimony or information; however, the testimony or evidence may not be used against the practitioner in any criminal proceeding. Challenges to requests of the office may be brought before the appropriate agency or court.

Subd. 2. [DATA.] (a) Data relating to investigations of complaints and disciplinary actions involving unlicensed complementary and alternative health care practitioners are governed by this subdivision and section 13.41 does not apply. (d) Engaging in sexual contact with a complementary and alternative health care client or former client, engaging in contact that may be reasonably interpreted by a client as sexual, engaging in any verbal behavior that is seductive or sexually demeaning to the patient, or engaging in sexual exploitation of a client or former client. For purposes of this clause, "former client" means a person who has obtained services from the unlicensed complementary and alternative health care practitioner within the past two years.

(e) Advertising that is false, fraudulent, deceptive, or misleading.

(f) Conduct likely to deceive, defraud, or harm the public or demonstrating a willful or careless disregard for the health, welfare, or safety of a complementary and alternative health care client; or any other practice that may create danger to any client's life, health, or safety, in any of which cases, proof of actual injury need not be established.

(g) Adjudication as mentally incompetent or as a person who is dangerous to self or adjudication pursuant to chapter 253B as chemically dependent, mentally ill, mentally retarded, mentally ill and dangerous to the public, or as a sexual psychopathic personality or sexually dangerous person.

(h) Inability to engage in complementary and alternative health care practices with reasonable safety to complementary and alternative health care clients.

(o) Failure to make reports as required by section 146A.03 or cooperate with an investigation of the office.

(q) Undertaking or continuing a professional relationship with a complementary and alternative health care client in which the objectivity of the unlicensed complementary and alternative health care practitioner would be impaired.

(r) Failure to provide a complementary and alternative health care client with a copy of the client bill of rights or violation of any provision of the client bill of rights.

(t) Failure to comply with any provision of sections 146A.01 to 146A.11 and the rules adopted under those sections.

(u) Failure to comply with any additional disciplinary grounds established by the commissioner by rule.

(v) Revocation, suspension, restriction, limitation, or other disciplinary action against any health care license, certificate, registration, or right to practice of the unlicensed complementary and alternative health care practitioner in this or another state or jurisdiction for offenses that would be subject to disciplinary action in this state or failure to report to the office that charges regarding the practitioner's license, certificate, registration, or right of practice have been brought in this or another state or jurisdiction.

(w) Use of the title "doctor," "Dr.," or "physician" alone or in combination with any other words, letters, or insignia to describe the complementary and alternative health care practices the practitioner provides.

(x) Failure to provide a complementary and alternative health care client with a recommendation that the client see a health care provider who is licensed or registered by a health-related licensing board or the commissioner of health, if there is a reasonable likelihood that the client needs to be seen by a licensed or registered health care provider.

Subd. 2. [LESS CUSTOMARY APPROACH.] The fact that a complementary and alternative health care practice may be a less customary approach to health care shall not constitute the basis of a disciplinary action per se.

Subd. 3. [EVIDENCE.] In disciplinary actions alleging a violation of subdivision 1, paragraph (a), (b), (c), or (g), a copy of the judgment or proceeding under the seal of the court administrator or of the administrative agency that entered the same is admissible into evidence without further authentication and constitutes prima facie evidence of its contents.
Subd. 4. [EXAMINATION; ACCESS TO MEDICAL DATA.] (a) If the commissioner has probable cause to believe that an unlicensed complementary and alternative health care practitioner has engaged in conduct prohibited by subdivision 1, paragraph (g), (h), (i), or (j), the commissioner may issue an order directing the practitioner to submit to a mental or physical examination or chemical dependency evaluation. For the purpose of this subdivision, every unlicensed complementary and alternative health care practitioner is deemed to have consented to submit to a mental or physical examination or chemical dependency evaluation when ordered to do so in writing by the commissioner and further to have waived all objections to the admissibility of the testimony or examination reports of the health care provider performing the examination or evaluation on the grounds that the same constitute a privileged communication. Failure of an unlicensed complementary and alternative health care practitioner to submit to an examination or evaluation when ordered, unless the failure was due to circumstances beyond the practitioner’s control, constitutes an admission that the unlicensed complementary and alternative health care practitioner violated subdivision 1, paragraph (g), (h), (i), or (j), based on the factual specifications in the examination or evaluation order and may result in a default and final disciplinary order being entered after a contested case hearing. An unlicensed complementary and alternative health care practitioner affected under this paragraph shall at reasonable intervals be given an opportunity to demonstrate that the practitioner can resume the provision of complementary and alternative health care practices with reasonable safety to clients. In any proceeding under this paragraph, neither the record of proceedings nor the orders entered by the commissioner shall be used against an unlicensed complementary and alternative health care practitioner in any other proceeding.

(b) In addition to ordering a physical or mental examination or chemical dependency evaluation, the commissioner may, notwithstanding section 13.42; 144.651; 595.02; or any other law limiting access to medical or other health data, obtain medical data and health records relating to an unlicensed complementary and alternative health care practitioner without the practitioner’s consent if the commissioner has probable cause to believe that a practitioner has engaged in conduct prohibited by subdivision 1, paragraph (g), (h), (i), or (j). The medical data may be obtained from a provider as defined in section 144.335, subdivision 1, paragraph (b), an insurance company, or a government agency, including the department of human services. A provider, insurance company, or government agency shall comply with any written request of the commissioner under this subdivision and is not liable in any action for damages for releasing the data requested by the commissioner if the data are released pursuant to a written request under this subdivision, unless the information is false and the person or organization giving the information knew or had reason to believe the information was false. Information obtained under this subdivision is private data under section 13.41.

Sec. 18. [146A.09] [DISCIPLINARY ACTIONS.]

Subdivision 1. [FORMS OF DISCIPLINARY ACTION.] When the commissioner finds that an unlicensed complementary and alternative health care practitioner has violated any provision of this chapter, the commissioner may take one or more of the following actions, only against the individual practitioner:

1. revoke the right to practice;

2. suspend the right to practice;

3. impose limitations or conditions on the practitioner’s provision of complementary and alternative health care practices, impose rehabilitation requirements, or require practice under supervision;

4. impose a civil penalty not exceeding $10,000 for each separate violation, the amount of the civil penalty to be fixed so as to deprive the practitioner of any economic advantage gained by reason of the violation charged or to reimburse the office for all costs of the investigation and proceeding;

5. censure or reprimand the practitioner;
(6) impose a fee on the practitioner to reimburse the office for all or part of the cost of the proceedings resulting in disciplinary action including, but not limited to, the amount paid by the office for services from the office of administrative hearings, attorney fees, court reports, witnesses, reproduction of records, staff time, and expense incurred by the staff of the office of unlicensed complementary and alternative health care practice; or

(7) any other action justified by the case.

Subd. 2. [DISCOVERY; SUBPOENAS.] In all matters relating to the lawful activities of the office, the commissioner may issue subpoenas and compel the attendance of witnesses and the production of all necessary papers, books, records, documents, and other evidentiary material. Any person failing or refusing to appear or testify regarding any matter about which the person may be lawfully questioned or failing to produce any papers, books, records, documents, or other evidentiary materials in the matter to be heard, after having been required by order of the commissioner or by a subpoena of the commissioner to do so may, upon application to the district court in any district, be ordered to comply with the order or subpoena. The commissioner may administer oaths to witnesses or take their affirmation. Depositions may be taken within or without the state in the manner provided by law for the taking of depositions in civil actions. A subpoena or other process may be served upon a person it names anywhere within the state by any officer authorized to serve subpoenas or other process in civil actions in the same manner as prescribed by law for service of process issued out of the district court of this state.

Subd. 3. [HEARINGS.] If the commissioner proposes to take action against the practitioner as described in subdivision 1, the commissioner must first notify the practitioner against whom the action is proposed to be taken and provide the practitioner with an opportunity to request a hearing under the contested case provisions of chapter 14. If the practitioner does not request a hearing by notifying the commissioner within 30 days after service of the notice of the proposed action, the commissioner may proceed with the action without a hearing.

Subd. 4. [REINSTATEMENT.] The commissioner may at the commissioner's discretion reinstate the right to practice and may impose any disciplinary measure listed under subdivision 1.

Subd. 5. [TEMPORARY SUSPENSION.] In addition to any other remedy provided by law, the commissioner may, acting through a person to whom the commissioner has delegated this authority and without a hearing, temporarily suspend the right of an unlicensed complementary and alternative health care practitioner to practice if the commissioner's delegate finds that the practitioner has violated a statute or rule that the commissioner is empowered to enforce and continued practice by the practitioner would create a serious risk of harm to others. The suspension is in effect upon service of a written order on the practitioner specifying the statute or rule violated. The order remains in effect until the commissioner issues a final order in the matter after a hearing or upon agreement between the commissioner and the practitioner. Service of the order is effective if the order is served on the practitioner or counsel of record personally or by first class mail. Within ten days of service of the order, the commissioner shall hold a hearing on the sole issue of whether there is a reasonable basis to continue, modify, or lift the suspension. Evidence presented by the office or practitioner shall be in affidavit form only. The practitioner or the counsel of record may appear for oral argument. Within five working days after the hearing, the commissioner shall issue the commissioner's order and, if the suspension is continued, schedule a contested case hearing within 45 days after issuance of the order. The administrative law judge shall issue a report within 30 days after closing of the contested case hearing record. The commissioner shall issue a final order within 30 days after receipt of that report.

Subd. 6. [AUTOMATIC SUSPENSION.] The right of an unlicensed complementary and alternative health care practitioner to practice is automatically suspended if (1) a guardian of an unlicensed complementary and alternative health care practitioner is appointed by order of a court under sections 525.54 to 525.61, or (2) the practitioner is committed by order of a court pursuant to chapter 253B. The right to practice remains suspended until the practitioner is restored to capacity by a court and, upon petition by the practitioner, the suspension is terminated by the commissioner after a hearing or upon agreement between the commissioner and the practitioner.
Subd. 7. [LICENSED OR REGULATED PRACTITIONERS.] If a practitioner investigated under this section is licensed or registered by the commissioner of health or a health-related licensing board, is subject to the jurisdiction of the commissioner under section 146A.01, subdivision 6, paragraph (a), clause (1), item (ii), and the commissioner determines that the practitioner has violated any provision of this chapter, the commissioner, in addition to taking disciplinary action under this section:

(1) may, if the practitioner is licensed or registered in another capacity by the commissioner, take further disciplinary action against the practitioner in that capacity; or

(2) shall, if the practitioner is licensed or registered in another capacity by a health-related licensing board, report the commissioner's findings under this section, and may make a nonbinding recommendation that the board take further action against the practitioner in that capacity.

Sec. 19. [146A.10] [ADDITIONAL REMEDIES.]

Subdivision 1. [CEASE AND DESIST.] (a) The commissioner may issue a cease and desist order to stop a person from violating or threatening to violate a statute, rule, or order which the office has issued or is empowered to enforce. The cease and desist order must state the reason for its issuance and give notice of the person's right to request a hearing under sections 14.57 to 14.62. If, within 15 days of service of the order, the subject of the order fails to request a hearing in writing, the order is the final order of the commissioner and is not reviewable by a court or agency.

(b) A hearing must be initiated by the office not later than 30 days from the date of the office's receipt of a written hearing request. Within 30 days of receipt of the administrative law judge's report, the commissioner shall issue a final order modifying, vacating, or making permanent the cease and desist order as the facts require. The final order remains in effect until modified or vacated by the commissioner.

(c) When a request for a stay accompanies a timely hearing request, the commissioner may, in the commissioner's discretion, grant the stay. If the commissioner does not grant a requested stay, the commissioner shall refer the request to the office of administrative hearings within three working days of receipt of the request. Within ten days after receiving the request from the commissioner, an administrative law judge shall issue a recommendation to grant or deny the stay. The commissioner shall grant or deny the stay within five days of receiving the administrative law judge's recommendation.

(d) In the event of noncompliance with a cease and desist order, the commissioner may institute a proceeding in Hennepin county district court to obtain injunctive relief or other appropriate relief, including a civil penalty payable to the office not exceeding $10,000 for each separate violation.

Subd. 2. [INJUNCTIVE RELIEF.] In addition to any other remedy provided by law, including the issuance of a cease and desist order under subdivision 1, the commissioner may in the commissioner's own name bring an action in Hennepin county district court for injunctive relief to restrain an unlicensed complementary and alternative health care practitioner from a violation or threatened violation of any statute, rule, or order which the commissioner is empowered to regulate, enforce, or issue. A temporary restraining order must be granted in the proceeding if continued activity by a practitioner would create a serious risk of harm to others. The commissioner need not show irreparable harm.

Subd. 3. [ADDITIONAL POWERS.] The issuance of a cease and desist order or injunctive relief granted under this section does not relieve a practitioner from criminal prosecution by a competent authority or from disciplinary action by the commissioner.

Sec. 20. [146A.11] [COMPLEMENTARY AND ALTERNATIVE HEALTH CARE CLIENT BILL OF RIGHTS.]

This charge applies to juveniles committed to the commissioner of corrections and juveniles admitted to the Minnesota correctional facility-Red Wing under established admissions criteria. This charge applies to both counties that participate in the Community Corrections Act and those that do not. The commissioner shall annually determine costs, making necessary adjustments to reflect the actual costs of confinement based on projected population, pricing incentives, market conditions, and the requirement that expense and revenue balance out over a period of two years. All money received under this section must be deposited in the state treasury and credited to the general fund.

(b) Until June 30, 2001, the department of corrections shall be responsible for 40 percent of the per diem cost of confinement described in this section.

Sec. 2. [242.193] [JUVENILE RESIDENTIAL TREATMENT GRANTS.]

Subdivision 1. [GRANTS.] Within the limits of available appropriations, the commissioner of corrections shall make juvenile residential treatment grants to counties to defray the cost of juvenile residential treatment. The
commissioner shall distribute 80 percent of the money appropriated for these purposes to noncommunity corrections counties and 20 percent to community corrections act counties. The commissioner shall distribute the money according to the formula contained in section 401.10.

Subd. 2. [REPORT.] By January 15 of each year, each county that received a grant shall submit a report to the commissioner describing the purposes for which the grants were used. By March 15 of each year, the commissioner shall summarize this information and report it to the chairs and ranking minority members of the senate and house of representatives committees and divisions having jurisdiction over criminal justice funding.

Sec. 3. Minnesota Statutes 1998, section 242.41, is amended to read:

242.41 [THE MINNESOTA CORRECTIONAL FACILITY-RED WING.]

There is established the Minnesota correctional facility-Red Wing at Red Wing, Minnesota, in which may be placed persons committed to the commissioner of corrections by the courts of this state who, in the opinion of the commissioner, may benefit from the programs available thereat or admitted consistent with established admissions criteria. When reviewing placement requests from counties, the commissioner shall take into consideration the purpose of the Minnesota correctional facility-Red Wing which is to educate and provide treatment for serious and chronic juvenile offenders for which the county has exhausted local resources. The general control and management of the facility shall be under the commissioner of corrections.

Sec. 4. Minnesota Statutes 1998, section 242.43, is amended to read:

242.43 [COMMISSIONER, DUTIES.]

The commissioner of corrections shall receive, clothe, maintain, and instruct, at the expense of the state, all children duly committed to the corrections department and placed in a state correctional facility for juveniles and keep them in custody until placed on probation, paroled, or discharged. The commissioner may place any of these children in suitable foster care facilities or cause them to be instructed in such trades or employment as in the commissioner's judgment will be most conducive to their reformation and tend to the future benefit and advantage of these children. The commissioner may discharge any child so committed, or may recall to the facility at any time any child paroled, placed on probation, or transferred; and, upon recall, may resume the care and control thereof. The discharge of a child by the commissioner shall be a complete release from all penalties and disabilities created by reason of the commitment.

Upon the parole or discharge of any inmate of any state juvenile correctional facility, the commissioner of corrections may pay to each inmate released an amount of money not exceeding the sum of $10. All payments shall be made from the current expense fund of the facility.

Sec. 5. Minnesota Statutes 1998, section 242.44, is amended to read:

The commissioner's housing of these individuals must be consistent with federal and state law, including established admissions criteria for Minnesota correctional facility-Red Wing. The commissioner may place these youths at employment, may provide education suitable to their years and capacity, and may place them in suitable homes. Under rules prescribed by the commissioner, when deemed best for these youths, they persons committed to the commissioner's care and custody by a juvenile court may be paroled or discharged from the facility by the commissioner. All pupils in the facility shall be clothed, instructed, and maintained at the expense of the state by the commissioner of corrections.
Sec. 6. [260B.199] [PLACEMENT OF JUVENILE OFFENDERS AT MCF-RED WING.]

Subdivision 1. [WHEN COURT MUST CONSIDER; PROHIBITION ON PLACEMENT AT OUT-OF-STATE FACILITY.] The admissions criteria for the Minnesota correctional facility-Red Wing shall include a requirement that the county of referral must have considered all appropriate local or regional placements and have exhausted potential in-state placements in the geographic region. The court must state on the record that this effort was made and placements rejected before ordering a placement or commitment to the Minnesota correctional facility-Red Wing. Before a court orders a disposition under section 260B.198 or 260B.130, subdivision 4, for a child, the court shall determine whether the child meets the established admissions criteria for the Minnesota correctional facility-Red Wing. If the child meets the admissions criteria, the court shall place the child at the facility and may not place the child in an out-of-state facility, unless the court makes a finding on the record that the safety of the child or the safety of the community can be best met by placement in an out-of-state facility or that the out-of-state facility is located closer to the child’s home.

Subd. 2. [REPORT REQUIRED.] (a) A court that places a child in an out-of-state facility shall report the following information to the sentencing guidelines commission:

(1) the out-of-state facility the child was placed at and the reasons for this placement;

(2) the in-state facilities at which placement was considered;

(3) the reasons for not choosing an in-state facility;

(4) the reasons why the child did not meet the established admissions criteria for the Minnesota correctional facility-Red Wing, if applicable; and

(5) if the child met the admissions criteria, the reasons why the safety of the child or the safety of the community could not be met at the Minnesota correctional facility-Red Wing.

(b) By February 15 of each year, the commission shall forward a summary of the reports received from courts under this subdivision for the preceding year to the chairs and ranking minority members of the senate and house of representatives committees and divisions having jurisdiction over criminal justice policy and funding.

Sec. 7. [260B.1991] [MANDATORY COMMITMENT TO COMMISSIONER OF CORRECTIONS.]

Subdivision 1. [DEFINITIONS.] (a) As used in this section, the following terms have the meanings given them.

(b) "Chemical dependency treatment" means a comprehensive set of planned and organized services, therapeutic experiences, and interventions that are intended to improve the prognosis, function, or outcome of patients by reducing the risk of the use of alcohol, drugs, or other mind-altering substances and assist the patient to adjust to, and deal more effectively with, life situations.

(c) An offender has "failed or refused to successfully complete" treatment when based on factors within the offender's control, the offender is not able to substantially achieve the program's goals and the program's director determines that based on the offender's prior placement or treatment history, further participation in the program would not result in its successful completion.

(d) "Probation" has the meaning given in section 609.02, subdivision 15.

(e) "Sex offender treatment" means a comprehensive set of planned and organized services, therapeutic experiences, and interventions that are intended to improve the prognosis, function, or outcome of patients by reducing the risk of sexual reoffense and other aggressive behavior and assist the patient to adjust to, and deal more effectively with, life situations.
Subd. 2. [WHEN COMMITMENT REQUIRED.] (a) A court having jurisdiction over a child shall commit the child to the custody of the commissioner of corrections or place the child at the Minnesota correctional facility-Red Wing if the child:

(1) was previously adjudicated delinquent or convicted as an extended jurisdiction juvenile for an offense for which registration under section 243.166 was required;

(2) was placed on probation for the offense and ordered to complete a sex offender or chemical dependency treatment program; and

(3) subsequently failed or refused to successfully complete the program.

(b) If the child was initially convicted as an extended jurisdiction juvenile, the court may execute the child's adult sentence under section 260B.130, subdivision 4. Notwithstanding paragraph (c), if the court does not do this, it shall comply with paragraph (a).

(c) A court may place a child in an out-of-state facility if the court makes a finding on the record that the safety of the child or the safety of the community can best be met by placement in an out-of-state facility or that the out-of-state facility is located closer to the child's home.

Subd. 3. [REPORT REQUIRED.] A court ordering an alternative placement under subdivision 2, paragraph (c), shall report to the sentencing guidelines commission on the placement ordered and the reasons for not committing the child to the custody of the commissioner of corrections. If the alternative placement is to an out-of-state facility, the report must include specific information that the safety of the child or the safety of the community can best be met by placement in an out-of-state facility or that the out-of-state facility is located closer to the child's home. By February 15 of each year, the commission shall summarize the reports received from courts under this paragraph for the preceding year and forward this summary to the chairs and ranking minority members of the senate and house of representatives committees and divisions having jurisdiction over criminal justice policy and funding.

Sec. 8. [LEGISLATIVE INTENT.] It is the intent of the legislature that this article encourage courts to place juvenile offenders at the Minnesota correctional facility-Red Wing who would otherwise be placed in out-of-state facilities. Except as provided in section 7, it is not the legislature's intent to discourage the placement of juvenile offenders at nonstate-operated facilities within Minnesota.

Sec. 9. [STUDY; REPORT.] (a) The commissioner of corrections in consultation with the counties shall study the state's juvenile correctional system as it relates to serious and chronic offenders. The study must analyze and make proposals regarding:

(2) the funding of these services;

(3) the extent to which research-based best practices exist and are accessible to counties;

(4) the method and process used to administer the juvenile commitment and parole systems;

(5) the degree to which existing practice reflects the legislature's intent in enacting juvenile justice laws; and

(6) other related issues deemed relevant by the commissioner or the counties.
(b) By January 15, 2001, the commissioner shall report the study's findings and proposals to the chairs and ranking minority members of the senate and house of representatives committees and divisions having jurisdiction over criminal justice policy funding.

Sec. 10. [REPORT.]

The commissioner shall report information relating to changes in per diem charges to counties for juveniles placed at the Minnesota correctional facility-Red Wing and the resulting reduction in juvenile residential treatment grants to the chairs and ranking minority members of the senate and house committees and divisions having jurisdiction over criminal justice funding by January 15, 2001. This report shall specifically address any impact on the populations at other state, public, or private juvenile residential facilities and shall specifically include any effect on the population of the Thistledew Camp caused by the per diem reduction at Red Wing. The report shall also recommend approaches, based on consultation with and input from counties, to achieve financial stability at MCF-Red Wing.

Sec. 11. [CORRECTIONS; APPROPRIATION REDUCTION.]

The fiscal year 2001 general fund appropriation for juvenile residential treatment grants in Laws 1999, chapter 216, article 1, section 13, subdivision 4, is reduced by $4,000,000. This is a one-time reduction."
