"Sec. 151.  [275.615] [COUNTY LEVY FOR UNDERPAYMENT OF NATURAL RESOURCE PAYMENTS IN LIEU.]  

(a) For taxes levied in 2005, a county may levy an amount up to the projected underpayment of payments in lieu calculated in section 477A.146, paragraph (a). For taxes levied in 2006, a county may levy an amount up to the underpayment of payments in lieu calculated in section 477A.146, paragraph (b), for payments in the same calendar year. Any amount levied under this section must be certified separately to the county auditor under section 275.07. Notwithstanding any other provision of law, a levy under this section is not subject to any limitations on levies.

(b) A levy under this section shall only apply to properties classified as residential nonhomestead, noncommercial seasonal residential recreational, unmined ore and low-grade iron-bearing formations, or timberland under section 273.13.

(c) By December 1 of the year in which the levy is paid, the county treasurer shall distribute a portion of the levy to the organized townships located in the county that receive a payment under section 477A.14, subdivision 1, paragraph (b). The amount distributed to each town shall be equal to the levy under this section multiplied by the ratio of (1) the townships payment under section 477A.14, subdivision 1, to (2) the total payment made to the county under sections 477A.11 to 477A.145.

[EFFECTIVE DATE.] This section is effective for taxes levied in 2005 and 2006, payable in 2006 and 2007.
Sec. 152. Minnesota Statutes 2004, section 275.70, subdivision 5, is amended to read:

Subd. 5. [SPECIAL LEVIES.] "Special levies" means those portions of ad valorem taxes levied by a local governmental unit for the following purposes or in the following manner:

(1) to pay the costs of the principal and interest on bonded indebtedness or to reimburse for the amount of liquor store revenues used to pay the principal and interest due on municipal liquor store bonds in the year preceding the year for which the levy limit is calculated;

(2) to pay the costs of principal and interest on certificates of indebtedness issued for any corporate purpose except for the following:

(i) tax anticipation or aid anticipation certificates of indebtedness;

(ii) certificates of indebtedness issued under sections 298.28 and 298.282;

(iii) certificates of indebtedness used to fund current expenses or to pay the costs of extraordinary expenditures that result from a public emergency; or

(iv) certificates of indebtedness used to fund an insufficiency in tax receipts or an insufficiency in other revenue sources;

(3) to provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(4) to fund payments made to the Minnesota State Armory Building Commission under section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(5) property taxes approved by voters which are levied against the referendum market value as provided under section 275.61;

(6) to fund matching requirements needed to qualify for federal or state grants or programs to the extent that either (i) the matching requirement exceeds the matching requirement in calendar year 2001, or (ii) it is a new matching requirement that did not exist prior to 2002;

(7) to pay the expenses reasonably and necessarily incurred in preparing for or repairing the effects of natural disaster including the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from natural causes, in accordance with standards formulated by the Emergency Services Division of the state Department of Public Safety, as allowed by the commissioner of revenue under section 275.74, subdivision 2;

(8) pay amounts required to correct an error in the levy certified to the county auditor by a city or county in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.70 to 275.74 in the preceding levy year;

(9) to pay an abatement under section 469.1815;

(10) to pay any costs attributable to increases in the employer contribution rates under chapter 353 that are effective after June 30, 2001;
(11) to pay the operating or maintenance costs of a county jail as authorized in section 641.01 or 641.262, or of a correctional facility as defined in section 241.021, subdivision 1, paragraph (f), to the extent that the county can demonstrate to the commissioner of revenue that the amount has been included in the county budget as a direct result of a rule, minimum requirement, minimum standard, or directive of the Department of Corrections, or to pay the operating or maintenance costs of a regional jail as authorized in section 641.262. For purposes of this clause, a district court order is not a rule, minimum requirement, minimum standard, or directive of the Department of Corrections. If the county utilizes this special levy, except to pay operating or maintenance costs of a new regional jail facility under sections 641.262 to 641.264 which will not replace an existing jail facility, any amount levied by the county in the previous levy year for the purposes specified under this clause and included in the county's previous year's levy limitation computed under section 275.71, shall be deducted from the levy limit base under section 275.71, subdivision 2, when determining the county's current year levy limitation. The county shall provide the necessary information to the commissioner of revenue for making this determination;

(12) to pay for operation of a lake improvement district, as authorized under section 103B.555. If the county utilizes this special levy, any amount levied by the county in the previous levy year for the purposes specified under this clause and included in the county's previous year's levy limitation computed under section 275.71 shall be deducted from the levy limit base under section 275.71, subdivision 2, when determining the county's current year levy limitation. The county shall provide the necessary information to the commissioner of revenue for making this determination;

(13) to repay a state or federal loan used to fund the direct or indirect required spending by the local government due to a state or federal transportation project or other state or federal capital project. This authority may only be used if the project is not a local government initiative;

(14) to pay for court administration costs as required under section 273.1398, subdivision 4b, less the (i) county's share of transferred fines and fees collected by the district courts in the county for calendar year 2001 and (ii) the aid amount certified to be paid to the county in 2004 under section 273.1398, subdivision 4c; however, for taxes levied to pay for these costs in the year in which the court financing is transferred to the state, the amount under this clause is limited to the amount of aid the county is certified to receive under section 273.1398, subdivision 4a; and

(15) to fund a police or firefighters relief association as required under section 69.77 to the extent that the required amount exceeds the amount levied for this purpose in 2001; and

(16) to fund underpayment of natural resource payments in lieu under section 275.615.

[EFFECTIVE DATE.] This section is effective for property taxes levied in 2005 and thereafter.
(b) Beginning in calendar year 2006, the commissioner of revenue shall, by August 1, certify to the commissioner of revenue an underpayment amount for each county for the current calendar year. The underpayment amount is equal to the difference between:

(1) the total aids that a county would have received in the current calendar year under Minnesota Statutes 2004, sections 477A.11 to 477A.145; and

(2) the total aid the county is certified to receive by March 1 of the current calendar year under sections 477A.11 to 477A.145.

Subd. 3. [PAYMENTS TO CERTAIN SAFETY NET PROVIDERS.] (a) Effective July 15, 2001, the commissioner shall make the following payments to the hospitals indicated after noon on the 15th of each month:
(1) to Hennepin County Medical Center, any federal matching funds available to match the payments received by the medical center under subdivision 2, to increase payments for medical assistance admissions and to recognize higher medical assistance costs in institutions that provide high levels of charity care; and

(2) to Regions Hospital, any federal matching funds available to match the payments received by the hospital under subdivision 2, to increase payments for medical assistance admissions and to recognize higher medical assistance costs in institutions that provide high levels of charity care.

(b) Effective July 15, 2001, the following percentages of the transfers under subdivision 2 shall be retained by the commissioner for deposit each month into the general fund:

(1) 18 percent, plus any federal matching funds, shall be allocated for the following purposes:

(i) during the fiscal year beginning July 1, 2001, of the amount available under this clause, 39.7 percent shall be allocated to make increased hospital payments under section 256.969, subdivision 26; 34.2 percent shall be allocated to fund the amounts due from small rural hospitals, as defined in section 144.148, for overpayments under section 256.969, subdivision 5a, resulting from a determination that medical assistance and general assistance payments exceeded the charge limit during the period from 1994 to 1997; and 26.1 percent shall be allocated to the commissioner of health for rural hospital capital improvement grants under section 144.148; and

(ii) during fiscal years beginning on or after July 1, 2002, of the amount available under this clause, 55 percent shall be allocated to make increased hospital payments under section 256.969, subdivision 26, and 45 percent shall be allocated to the commissioner of health for rural hospital capital improvement grants under section 144.148; and

(d) Medical assistance rate or payment changes, including those required to obtain federal financial participation under section 62J.692, subdivision 8, shall precede the determination of intergovernmental transfer amounts determined in this subdivision. Participation in the intergovernmental transfer program shall not result in the offset of any health care provider’s receipt of medical assistance payment increases other than limits resulting from hospital-specific charge limits and limits on disproportionate share hospital payments.

(e) Effective July 1, 2003, if the amount available for allocation under paragraph (b) is greater than the amounts available during March 2003, after any increase in intergovernmental transfers and payments that result from section 256.969, subdivision 3a, paragraph (c), are paid to the general fund, any additional amounts available under this subdivision after reimbursement of the transfers under subdivision 2 shall be allocated to increase medical assistance payments, subject to hospital-specific charge limits and limits on disproportionate share hospital payments, as follows:

(1) if the payments under subdivision 5 are approved, the amount shall be paid to the largest ten percent of hospitals as measured by 2001 payments for medical assistance, general assistance medical care, and MinnesotaCare in the nonstate government hospital category. Payments shall be allocated according to each hospital's proportionate share of the 2001 payments; or
(2) if the payments under subdivision 5 are not approved, the amount shall be paid to the largest ten percent of hospitals as measured by 2001 payments for medical assistance, general assistance medical care, and MinnesotaCare in the nonstate government category and to the largest ten percent of hospitals as measured by payments for medical assistance, general assistance medical care, and MinnesotaCare in the nongovernment hospital category. Subd. 2. [SENTENCE OF CASTRATION.] Any person who commits a sex crime may be punished by asexualization or chemical castration in addition to any other penalty allowed by law for the offense. Any person having been convicted of a sex crime prior to August 1, 2005, may voluntarily consent to be asexualized as provided in subdivision 6. Except when a deferred or suspended sentence is prohibited by law, the court may require chemical castration as a condition of a deferred judgment or suspended sentence for a sex crime, and chemical castration may be ordered as a condition of postimprisonment supervision according to the procedures established in subdivision 9. The offender must pay for the cost of his asexualization or chemical castration.

Subd. 3. [HEARING.] (a) Upon conviction and before final sentencing of a defendant for a sex crime, the court shall conduct a hearing to determine whether or not the defendant should be ordered asexualized or chemically castrated in addition to any punishment allowable for the offense. The hearing shall be conducted by the trial judge before the trial jury as soon as practicable without any additional presentence investigation. If the defendant waived his right to a jury or if the defendant pleaded guilty or nolo contendere, the hearing shall be conducted before the judge.

(b) In the hearing, evidence may be presented as to any aggravating or mitigating circumstances. Aggravating circumstances must be proved beyond a reasonable doubt. Only evidence in aggravation as the state has presented at trial or made known to the defendant prior to the hearing shall be admissible. The state and the defendant or counsel for the defendant shall be permitted to present their arguments for or against asexualization or chemical castration. If the prosecuting attorney fails to present any evidence of aggravating circumstances at the hearing, the judge shall terminate the hearing and proceed to final sentencing.

(c) At the conclusion of the hearing, the trial judge shall:

(1) if the hearing was conducted before the trial jury, give the jury written instructions on aggravating circumstances as warranted by the evidence. The jury shall designate in writing, signed by the foreman of the jury, the statutory aggravating circumstances which the jury unanimously found to exist beyond a reasonable doubt and whether the aggravating circumstances were outweighed by any mitigating circumstances as determined by the jury; or

(2) enumerate for the record the aggravating circumstances the judge found to exist beyond a reasonable doubt and whether the aggravating circumstances were outweighed by any mitigating circumstances as determined by the judge.

(d) When the judge or jury finds at least one aggravating circumstance, then the judge may order the defendant chemically castrated or asexualized. Chemical castration or asexualization may not be ordered when the judge or jury concludes that any aggravating circumstances are outweighed by mitigating circumstances. Before asexualization may be ordered there must have been a deoxyribonucleic acid (DNA) test submitted as evidence for the purpose of determining guilt with a positive identification made against the defendant by means of the test, unless the defendant voluntarily waives this requirement.

Subd. 4. [AUTOMATIC APPELLATE REVIEW.] (a) If the penalty of asexualization is imposed, and upon the judgment becoming final in the trial court, the sentence shall be reviewed on the record by the Court of Appeals. The clerk of the trial court, within ten days after receiving the judgment, shall transmit the entire record with the transcript of the hearing required by subdivision 3 to the Court of Appeals, together with a notice prepared by the clerk and a report prepared by the trial judge. The notice shall set forth the title and docket number of the case; the name of the defendant; the name and address of the attorney of record; and a narrative statement of the judgment, the offense, and the punishment imposed, including asexualization and any other provisions.
(b) The Court of Appeals shall consider the asexualization order as well as any errors in the hearing required under subdivision 3 without the necessity of the defendant or counsel for the defendant enumerating any errors from the trial proceeding or making a direct appeal.

(c) With regard to the review of the sentence for asexualization, the Court of Appeals shall determine whether:

(1) the defendant was eligible for the punishment of asexualization;

(2) the sentence of asexualization was imposed under the influence of prejudice or other arbitrary factor;

(3) the evidence supports the findings of one or more statutory aggravating circumstances; and

(4) the evidence supports the findings that mitigating circumstances did not outweigh the findings of the statutory aggravating circumstances.

(d) Both the defendant and the state shall have the right to submit briefs within the time provided by the court, and to present oral argument to the court.

(e) The Court of Appeals shall include in its decision relating to the asexualization proceeding and order a reference to the factors taken into consideration. In addition to the court's authority to review enumerated errors in the trial proceeding pursuant to direct appeal, the Court of Appeals, with regard to the review of an asexualization order, is authorized to:

(1) affirm the sentence of asexualization; or

(2) set the sentence of asexualization aside and remand the case for modification of the sentence.

(f) The review of an asexualization order by the Court of Appeals shall be in addition to direct appeal, if taken. If a direct appeal is made, the review of an asexualization order shall be consolidated with the direct appeal for consideration. If a review of an asexualization order has been consolidated with a direct appeal, the Court of Appeals shall render its decision on legal errors enumerated, the factual substantiation of the verdict, and the provisions of the sentence.

Subd. 5. [ENFORCEMENT OF SENTENCE.] If a defendant is ordered asexualized, the Department of Corrections shall secure the services of a licensed physician for the asexualization procedure, which shall be completed prior to release of the person from confinement to a suspended sentence, or to a period of postimprisonment supervision. An asexualization procedure may be scheduled to be performed 30 days following the date of the Court of Appeals’ decision or any time thereafter, but before release from custody.

Subd. 6. [VOLUNTARY ASEXUALIZATION.] (a) Any person incarcerated in the Department of Corrections who desires to be asexualized may voluntarily request the procedure from the Department of Corrections. The department shall not be required to file a petition for a court order on behalf of the inmate requesting asexualization, but the department shall perform the procedure only if:

(1) the inmate is 21 years of age or older;

(2) the inmate requests the procedure in writing;

(3) the inmate has signed a statement admitting the offense for which he was convicted and the offense is a sex crime;
(4) A psychiatrist and a psychologist who are appointed by the department and have experience in the treatment of sex offenders have evaluated the inmate and have determined that the inmate is a suitable candidate for the procedure, the inmate is free from coercion in the decision to have the asexualization procedure, and the inmate has received counseling prior to undergoing the procedure:

(5) The inmate has not previously requested the procedure and subsequently withdrawn the request; and

(6) The physician performing the procedure has obtained the informed written consent of the inmate to undergo the procedure.

(b) An inmate voluntarily requesting asexualization may withdraw the request any time before the physician performs the procedure. An inmate who withdraws a request for asexualization is ineligible to apply to have the procedure performed by the department at any other time.

(c) An inmate voluntarily requesting asexualization may select a physician to perform the procedure.

(d) An inmate voluntarily requesting asexualization must pay the cost of the procedure and surgeon.

Subd. 7. [TREATING PHYSICIAN.] A licensed physician selected to perform an asexualization procedure shall be responsible for examination of the person, scheduling suitable surgical facilities where the surgery will be performed, and surgically removing the male testicles of the person as required by court order or voluntary consent.

Subd. 8. [IMMUNITY.] (a) The Department of Corrections shall be immune from liability for scheduling the surgical procedure and facilities and selecting the licensed physician to perform the procedure.

(b) A licensed physician who performs an asexualization procedure is not liable for an act or omission relating to the procedure, unless the act or omission constitutes negligence.

Subd. 9. [CHEMICAL CASTRATION.] If a defendant is ordered chemically castrated or if chemical castration is ordered as a condition of a deferred or suspended sentence or as a condition of postimprisonment supervision, the Department of Corrections shall require the defendant to submit to the prescribed treatment to effect chemical castration. The department shall bear the cost of the treatment, unless it is determined by the department that the defendant has the ability to pay all or part of the treatment. Failure of the defendant to submit to chemical castration when ordered as a condition of release is grounds for revocation of the sentence or postimprisonment supervision.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to crimes committed on or after that date.

"[CORRECTIONS BOARD.] Of this appropriation, $401,000 each year is to fund a corrections board."
"ARTICLE 20
CORRECTIONS BOARD

Section 1. [244A.01] [CORRECTIONS BOARD.]

Subdivision 1. [CREATION.] There is created a Corrections Board consisting of three full-time members appointed by the governor, with the advice and consent of the senate. No more than two members appointed by the governor shall belong to the same political party. An appointment to a vacancy shall be made in the same manner as other appointments and shall be for the unexpired term.

Subd. 2. [QUALIFICATIONS.] A candidate for appointment to the Corrections Board is not required to have specific academic or professional attainment, but shall have knowledge or experience in corrections or related fields and be selected on the basis of sound judgment and the ability to consider both the needs of individuals over whom the board has jurisdiction and the safety of the public. Among the members appointed by the governor, at least one shall be a woman and one a man.

Subd. 3. [TERMS OF OFFICE; REAPPOINTMENT.] Members of the board shall serve six year staggered terms. A member is eligible for reappointment. Removal of members is governed by section 15.0575, subdivision 3.

Subd. 4. [COMPENSATION; EXPENSES.] Each member of the board other than the chair shall receive as compensation 85 percent of a district court judge's salary per year, payable in the same manner as other employees of the state. In addition to the compensation provided in this subdivision, each member of the board shall be reimbursed for expenses paid or incurred in the performance of official duties in the same manner as other employees of the state. This compensation and these expenses shall be paid out of the general fund in the same manner as the salaries and expenses of other state officers.

Subd. 5. [QUORUM.] (a) The board may sit in units of two as designated by the chair under rules prescribed by the board, and such a unit constitutes a quorum.

(b) The chair may, with the approval of the commissioner of corrections, appoint employees of the Department of Corrections to perform administrative duties as assigned by the chair.

Sec. 2. [244A.02] [BOARD POWERS; LIMITATIONS.]

Subdivision 1. [POWERS.] (a) Except as provided in subdivision 2, the Corrections Board, giving due consideration to public safety, may parole an individual sentenced to confinement in an adult correctional facility:

(1) if the person was not convicted of a violent crime, as that term is defined in paragraph (c);

(2) if the person has not previously been convicted of a felony anywhere in the United States; and

(3) if there has been a profound change in the individual's character and conduct since the time of the offense.

(b) If the Corrections Board determines an individual is in need of drug treatment to become eligible for parole, the board may send the individual to the challenge incarceration program provided for in section 244.17 or a long-term secure drug treatment facility. If the individual successfully completes drug treatment, the board shall reconsider the individual's petition for parole.
(c) "Violent crime" means a violation of or an attempt or conspiracy to violate any of the following laws of this state or any similar laws of the United States or any other state: sections 152.021, subdivisions 1 and 2; 152.022, subdivision 1; 152.023, subdivision 1; 152.024, subdivision 1; 152.108; 609.165; 609.185; 609.195; 609.20; 609.205; 609.21; 609.221; 609.222; 609.223; 609.228; 609.229; 609.235; 609.24; 609.245; 609.25; 609.255; 609.265; 609.2661; 609.2662; 609.2663; 609.2664; 609.2665; 609.267; 609.2671; 609.268; 609.342; 609.343; 609.344; 609.345; 609.3451; 609.377; 609.378; 609.385; 609.498, subdivision 1; 609.561; 609.562; 609.563; 609.582, subdivisions 1, 1a, and 2; 609.66, subdivision 1e; 609.697; 609.71; subdivisions 1 and 2; 609.712; 609.713; 609.714; 609.749; and 609.855, subdivision 5.

Subd. 2. [LIMITATIONS.] An individual sentenced under the sentencing guidelines is not eligible for parole until the individual has served one-half of his or her sentence-to-serve. "Sentence-to-serve," as applied to individuals whose crimes were committed before August 1, 1993, is the period of time for which the individual was committed to the custody of the commissioner of corrections minus good time allowed. Sentence-to-serve as applied to individuals whose crimes were committed on or after August 1, 1993, is the period of time equal to two-thirds of the individual's executed sentence. Parole is not authorized if proscribed by United States Code, title 42, section 13704.

Subd. 3. [LEGAL CUSTODY OF PAROLEES.] Upon being paroled and released, an individual remains in the legal custody and under the control of the Corrections Board, subject to be returned at any time to a facility of the Department of Corrections. If the individual is returned, the legal custody of the individual reverts to the commissioner of corrections. A written order of the Corrections Board, certified by the chair of the board, is sufficient to authorize a peace officer or state parole or probation agent to retake and place in the custody of the Corrections Board any parolee, but a state parole or probation agent may, without order of warrant, when it appears necessary to prevent escape or enforce discipline, take and detain a parolee to the custody of the Corrections Board for its action. A written order of the commissioner of corrections is sufficient for a peace officer or state parole or probation agent to retake and place in actual custody an individual on probation under the supervision of the commissioner pursuant to section 609.135, but any state parole or probation agent may, when it appears necessary to prevent escape or enforce discipline, retake and detain such probationer without such an order and bring a paroled individual before the court for further proceedings under section 609.14. Paroled individuals, and those on probation under the supervision of the commissioner of corrections pursuant to section 609.135 may be placed within or without the boundaries of the state at the discretion of the board or of the commissioner of corrections, and the limits fixed for such individuals may be enlarged or reduced according to their conduct.

Subd. 4. [PAROLE HEARINGS.] (a) In considering applications for parole or final release, the board is not required to hear oral argument from any attorney or other person not connected with a facility of the Department of Corrections, but it may institute inquiries by correspondence, taking testimony or otherwise, as to the previous history, physical or mental condition, and character of an applicant, and to that end it has authority to require the attendance of the chief executive officer of the relevant Minnesota correctional facility and the production of the records of the facility, and to compel the attendance of witnesses. Each member of the board is authorized to administer oaths to witnesses.

(b) A victim, or if the victim is deceased, the victim's next of kin, of a crime for which the parole applicant was convicted has the right to testify in person or in writing before the board. Testimony may include the victim's reaction to the applicant's release and a summary of reasons supporting the victim's statement. The board must consider the victim's statement in its decision.

Subd. 5. [REPORT.] On or before January 1 of each year, the board shall submit a written report to the committees of the senate and the house of representatives with jurisdiction over criminal justice policy that identifies the persons granted parole in the preceding year and the cost savings, if any, to the Department of Corrections that resulted from the parole of these offenders. In addition, the report must address the cost to counties of supervising and providing services to parolees. The report shall also include the board's recommendations for policy modifications that influence the board's duties.
Sec. 3. [244A.03] [CREDITS FOR PRISONERS.]

Each inmate shall be credited for good prison demeanor, diligence in labor and study and results accomplished, and be charged for derelictions, negligences, and offenses under a uniform system of marks or other methods prescribed by the commissioner of corrections. The commissioner of corrections shall inform the Corrections Board of the work progress, derelictions, negligences, demeanor, and future program of each inmate a month before the inmate's appearance before the Corrections Board.

Sec. 4. [244A.04] [DUTY OF BOARD; FINAL DISCHARGE.]

The Corrections Board shall keep in communication with all those on parole and also with their employers, and when any parolee has kept the conditions of parole in a manner and for a period of time that satisfies the board that the parolee is rehabilitated, trustworthy, will remain at liberty without violating the law, and that final release is not incompatible with the welfare of society, then the board has power in its discretion to grant to such individual a final discharge from confinement. If final discharge is granted, the board shall issue to the individual a certificate of final discharge, and shall also cause a record of the acts of the individual to be made showing the date of commitment, record while in prison, the date of parole, record while on parole, and its reasons for determining final discharge, together with any other facts that the board deems relevant. Nothing in sections 244A.01 to 244A.08 impairs the power of the Board of Pardons to grant a pardon or commutation in any case.

Sec. 5. [244A.05] [SUPERVISION BY COMMISSIONER OF CORRECTIONS; AGENTS.]

Subdivision 1. [PAROLE SUPERVISION.] Other than in Community Corrections Act counties, the commissioner of corrections shall exercise supervision over individuals released on parole or probation pursuant to sections 244A.01 to 244A.08. The responsibilities and powers granted to the commissioner of corrections under sections 241.26, 242.10, 242.19, 242.46, 243.05, and 244.05, shall be exercised with regard to an individual paroled by the board under sections 244A.01 to 244A.08.

Subd. 2. [AGENTS.] For the purposes of subdivisions 1 and 2, and sections 609.115 and 609.135, subdivision 1, the commissioner shall appoint state agents who shall be in the classified service of the state civil service. The commissioner may also appoint suitable persons in any part of the state or enter into agreements with individuals and public or private agencies, for the same purposes, and pay the costs incurred under the agreements. Every agent shall perform the duties the commissioner prescribes on behalf of or in the supervision of individuals released on parole or probation. In addition, every agent or person shall act under the orders of the Corrections Board or the commissioner in the supervision of individuals conditionally released. Agents shall provide assistance to conditionally released individuals in obtaining employment, and shall conduct relevant investigations and studies of individuals under supervision upon the request of the commissioner or the board. Regional supervisors may also supervise state parole or probation agents as directed by the commissioner of corrections. This duty shall not interfere with the supervisor's responsibility under the County Probation Act, Laws 1959, chapter 698.

Subd. 3. [ADMINISTRATIVE SERVICES.] The commissioner of corrections shall provide the board with all other personnel, supplies, equipment, office space, and other administrative services necessary and incident to the discharge of the functions of the board.

Sec. 6. [244A.06] [DEPUTIZATION OF OUT-OF-STATE AGENTS.]

Subdivision 1. [OUT-OF-STATE DEPUTIES.] The Corrections Board may deputize a person regularly employed by another state to act as an agent of this state in effecting the return of an individual who has violated the terms and conditions of parole or probation granted by this state. In any matter relating to the return of an individual, an agent so deputized has the powers of a police officer of this state.
Subd. 2.  [IN WRITING.] A deputization pursuant to subdivision 1 shall be in writing and a person so authorized to act as an agent of this state shall carry formal evidence of the deputization and shall produce the same upon demand.

Subd. 3.  [SHARING COSTS.] Subject to the approval of the commissioner of finance, the Corrections Board may enter into contracts with similar officials of another state for the purpose of sharing an equitable portion of the cost of effecting the return of an individual who has violated the terms and conditions of parole or probation granted by this state.

Sec. 7.  [244A.08] [RULES GOVERNING PAROLES.]

Subdivision 1.  [RULES.] The Corrections Board has power to make, amend, and publish rules governing the granting of paroles and final discharges and the procedure relating thereto, and the conditions of parole and the conduct and employment of individuals on parole, and other matters touching the exercise of the powers and duties conferred upon the board by sections 244A.01 to 244A.08.

Subd. 2.  [PROSPECTIVE EFFECT.] Any new rule or policy adopted by the board that has the effect of postponing eligibility for parole has prospective effect only and applies only with respect to individuals committing offenses after the effective date of the new rule or policy.

Sec. 8.  [INITIAL TERMS FOR BOARD MEMBERS.]

One of the three members shall serve an initial term of six years. One of the members shall serve an initial term of four years. One of the members shall serve an initial term of two years.

Sec. 9.  [EFFECTIVE DATE.]

Sections 1 to 8 are effective the day following final enactment."

HOUSE RESOLUTION NO. 11

Whereas, currently, Take Our Daughters and Sons To Work Day is celebrated nationwide on the fourth Thursday in April; and

Whereas, in 2005, this day happens to fall within Minnesota's statewide testing window, and the mandatory tests make it difficult for students to participate in the day; and

Whereas, children's visits to the workplace are important educational experiences, as well as important components of career development; and

Whereas, there is a trend for businesses to host their own celebrations during summer months, so as not to conflict with school and other school-related activities; and

Whereas, the official day is an important event to help develop the future workforce; and

Whereas, WomenVenture is spearheading a statewide effort to move Minnesota's celebration of Take Our Kids to Work Day into the summer months or other nonschool time; and

Whereas, this movement would encourage business, government, and schools to work together to support the educational value of a child visiting a parent or caring adult's place of work; and

Whereas, moving the day would benefit schools because the day would no longer disrupt the educational demands on students, nor would it interfere with attendance goals of schools; and

Whereas, the movement would also be advantageous for businesses and corporations because they could customize the event to a summer date that is optimal in their own planning schedule; Now, Therefore,

Be It Resolved by the House of Representatives of the State of Minnesota that it endorses a statewide effort to establish Minnesota's own summer celebration of Minnesota Take Our Daughters and Sons to Work Day.

Be It Further Resolved that the Chief Clerk of the House of Representatives is directed to prepare an enrolled copy of this resolution, to be authenticated by his signature and that of the Speaker, and transmit it to WomenVenture.

Sykora moved that House Resolution No. 11 be now adopted. The motion prevailed and House Resolution No. 11 was adopted.
