STATE BONDS

Section 1. [RURAL FINANCE AUTHORITY.]

Subdivision 1. [APPROPRIATION.] $18,000,000 is appropriated from the bond proceeds fund for the purposes set forth in the Minnesota Constitution, article XI, section 5, clause (h), to the Rural Finance Authority to purchase participation interests in or to make direct agricultural loans to farmers under Minnesota Statutes, chapter 41B. This appropriation is for the beginning farmer program under Minnesota Statutes, section 41B.039; the loan restructuring program under Minnesota Statutes, section 41B.04; the seller-sponsored program under Minnesota Statutes, section 41B.042; the agricultural improvement loan program under Minnesota Statutes, section 41B.043; and the livestock expansion loan program under Minnesota Statutes, section 41B.045. All debt service on bond proceeds used to finance this appropriation must be repaid by the Rural Finance Authority under Minnesota Statutes, section 16A.643. Loan participation must be priced to provide full interest and principal coverage and a reserve for potential losses. Priority for loans must be given first to basic beginning farmer loans; second, to seller-sponsored loans; and third, to agricultural improvement loans.

Subd. 2. [BOND SALE.] To provide the money appropriated in this section from the bond proceeds fund, the commissioner of finance shall sell and issue bonds of the state in an amount up to $18,000,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, sections 16A.631 to 16A.675, and by the Minnesota Constitution, article XI, sections 4 to 7.

[EFFECTIVE DATE.] This section is effective the day following final enactment."

Subd. 3. [ADMINISTRATIVE SUPPORT.] The commissioner of administration must provide office space and administrative support services to the office. The office must reimburse the commissioner for these services.

Sec. 4. Minnesota Statutes 2004, section 16E.03, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For the purposes of sections 16E.03 to 16E.05 chapter 16E, the following terms have the meanings given them.

(a) "Information and telecommunications technology systems and services" means all computing and telecommunications hardware and software, the activities undertaken to secure that hardware and software, and the activities undertaken to acquire, transport, process, analyze, store, and disseminate information electronically. "Information and telecommunications technology systems and services" includes all proposed expenditures for computing and telecommunications hardware and software, security for that hardware and software, and related consulting or other professional services.

(b) "Information and communications telecommunications technology project" means the development or acquisition of information and communications technology devices and systems, but does not include the state information infrastructure or its contractors.

(b) "Data processing device or system" means equipment or computer programs, including computer hardware, firmware, software, and communication protocols, used in connection with the processing of information through electronic data processing means, and includes data communication devices used in connection with computer facilities for the transmission of data an effort to acquire or produce information and telecommunications technology systems and services.

(c) "Telecommunications" means voice, video, and data electronic transmissions transported by wire, wireless, fiber-optic, radio, or other available transport technology.
(d) "Cyber security" means the protection of data and systems in networks connected to the Internet.

(e) "State agency" means an agency in the executive branch of state government and includes the Minnesota Higher Education Services Office. Unless specifically provided elsewhere in this chapter, state agency or agency does not include the Minnesota State Colleges and Universities.

Sec. 5. Minnesota Statutes 2004, section 16E.03, subdivision 2, is amended to read:

Subd. 2. [COMMISSIONER'S CHIEF INFORMATION OFFICER RESPONSIBILITY.] The commissioner chief information officer shall coordinate the state's information and telecommunications technology systems and services to serve the needs of the state government. The commissioner chief information officer shall:

(1) coordinate the design of a master plan for information and communications telecommunications technology systems and services in the state and its political subdivisions and shall report on the plan to the governor and legislature at the beginning of each regular session;

(2) coordinate, review, and approve all information and communications telecommunications technology plans and contracts projects and oversee the state's information and communications telecommunications technology systems and services;

(3) establish and enforce compliance with standards for information and communications telecommunications technology systems and services that encourage competition are cost effective and support open systems environments and that are compatible with state, national, and international standards; and

(4) maintain a library of systems and programs developed by the state and its political subdivisions for use by agencies of government;

(5) direct and manage the shared operations of the state's information and telecommunications technology systems and services; and

(6) establish and enforce standards and ensure acquisition of hardware and software necessary to protect data and systems in state agency networks connected to the Internet.

Sec. 6. Minnesota Statutes 2004, section 16E.03, subdivision 3, is amended to read:

Subd. 3. [EVALUATION AND APPROVAL.] A state agency may not undertake an information and communications telecommunications technology project until it has been evaluated according to the procedures developed under subdivision 4. The governor or governor's designee chief information officer shall give written approval of the proposed project. If the proposed project is When notified by the chief information officer that a project has not been approved, the commissioner of finance shall cancel the unencumbered balance of any appropriation allotted for the project. This subdivision does not apply to acquisitions or development of information and communications systems that have anticipated total cost of less than $100,000. The Minnesota State Colleges and Universities shall submit for approval any project related to acquisitions or development of information and communications systems that has a total anticipated cost of more than $250,000.

Sec. 7. Minnesota Statutes 2004, section 16E.03, subdivision 7, is amended to read:

Subd. 7. [DATA CYBER SECURITY SYSTEMS.] In consultation with the attorney general and appropriate agency heads, the commissioner chief information officer shall develop data cyber security policies, guidelines, and standards, and the commissioner of administration shall install and administer state data security systems on the
state's centralized computer facility consistent with these policies, guidelines, standards, and state law to ensure the integrity of computer-based and other data and to ensure applicable limitations on access to data, consistent with the public's right to know as defined in chapter 13. The chief information officer is responsible for overall security of state agency networks connected to the Internet. Each department or agency head is responsible for the security of the department's or agency's data within the guidelines of established enterprise policy.

Sec. 8. Minnesota Statutes 2004, section 16E.04, is amended to read:

16E.04 [INFORMATION AND COMMUNICATIONS TELECOMMUNICATIONS TECHNOLOGY POLICY.]

Subdivision 1. [DEVELOPMENT.] The office shall coordinate with state agencies in developing and establishing policies and standards for state agencies to follow in developing and purchasing information and communications technology systems and services and training appropriate persons in their use. The office shall develop, promote, and coordinate state technology, architecture, standards and guidelines, information needs analysis techniques, contracts for the purchase of equipment and services, and training of state agency personnel on these issues.

Subd. 2. [RESPONSIBILITIES.] (a) In addition to other activities prescribed by law, the office shall carry out the duties set out in this subdivision.

(b) The office shall develop and establish a state information architecture to ensure that further state agency development and purchase of information and communications systems, equipment, and services is designed to ensure that individual agency information systems complement and do not needlessly duplicate or conflict with the systems of other agencies. When state agencies have need for the same or similar public data, the commissioner, in coordination with the affected agencies, shall promote the most efficient and cost-effective method of producing and storing data for or sharing data between those agencies. The development of this information architecture must include the establishment of standards and guidelines to be followed by state agencies. The office shall ensure compliance with the architecture.

(c) The office shall assist state agencies in the planning and management of information systems so that an individual information system reflects and supports the state agency's mission and the state's requirements and functions. The office shall review and approve agency technology plans to ensure consistency with enterprise information and telecommunications technology strategy.

(d) The office shall review and approve agency requests for legislative appropriations funding for the development or purchase of information systems equipment or software prior to their inclusion in the governor's budget.

(e) The office shall review major purchases of information systems equipment to:

(1) ensure that the equipment follows the standards and guidelines of the state information architecture;

(2) ensure that the equipment is consistent with the information management principles adopted by the Information Policy Council;

(3) evaluate whether the agency's proposed purchase reflects a cost-effective policy regarding volume purchasing; and
(4) ensure that the equipment is consistent with other systems in other state agencies so that data can be shared among agencies, unless the office determines that the agency purchasing the equipment has special needs justifying the inconsistency.

(f) The office shall review the operation of information systems by state agencies and provide advice and assistance to ensure that these systems are operated efficiently and securely, and continually meet the standards and guidelines established by the office. The standards and guidelines must emphasize uniformity that is cost-effective for the enterprise, that encourages information interchange, open systems environments, and portability of information whenever practicable and consistent with an agency’s authority and chapter 13.

(g) The office shall conduct a comprehensive review at least every three years of the information systems investments that have been made by state agencies and higher education institutions. The review must include recommendations on any information systems applications that could be provided in a more cost-beneficial manner by an outside source. The office must report the results of its review to the legislature and the governor.

Subd. 3. [RISK ASSESSMENT AND MITIGATION.] (a) A risk assessment and risk mitigation plan are required for all information systems development project estimated to cost more than $1,000,000 that is undertaken by a state agency in the executive or judicial branch or by a constitutional officer. The commissioner of administration chief information officer must contract with an entity outside of state government to conduct the initial assessment and prepare the mitigation plan for a project estimated to cost more than $5,000,000. The outside entity conducting the risk assessment and preparing the mitigation plan must not have any other direct or indirect financial interest in the project. The risk assessment and risk mitigation plan must provide for periodic monitoring by the commissioner until the project is completed.

(b) The risk assessment and risk mitigation plan must be paid for with money appropriated for the information systems development and telecommunications technology project. The chief information officer must notify the commissioner of finance when a project is underway and must identify the proposed budget for the project. The commissioner of finance shall ensure that no more than ten percent of the amount anticipated proposed budget to be spent on the project, other than the money spent on the risk assessment and risk mitigation plan, may be spent until the risk assessment and mitigation plan are reported to the commissioner of administration chief information officer and the commissioner chief information officer has approved the risk mitigation plan.

Sec. 9. Minnesota Statutes 2004, section 16E.0465, subdivision 1, is amended to read:

Subdivision 1. [APPLICATION.] This section applies to an appropriation of more than $1,000,000 of state or federal funds to a state agency for any information and communications telecommunications technology project or data processing device or system or for any phase of such a project, device, or system. For purposes of this section, an appropriation of state or federal funds to a state agency includes an appropriation:

(1) to the Minnesota State Colleges and Universities;

(2) to a constitutional officer;

(3) for a project that includes both a state agency and units of local government; and

(4) to a state agency for grants to be made to other entities.
Sec. 10. Minnesota Statutes 2004, section 16E.0465, subdivision 2, is amended to read:

Subd. 2. [REQUIRED REVIEW AND APPROVAL.] (a) A state agency receiving an appropriation for an information and communications technology project or data processing device or system subject to this section must divide the project into phases.

(b) The commissioner of finance may not authorize the encumbrance or expenditure of an appropriation of state funds to a state agency for any phase of a project, device, or system subject to this section unless the Office of Technology has reviewed each phase of the project, device, or system, and based on this review, the commissioner of administration has determined for each phase that:

(1) the project is compatible with the state information architecture and other policies and standards established by the commissioner of administration; and

(2) the agency is able to accomplish the goals of the phase of the project with the funds appropriated; and

(3) the project supports the enterprise information technology strategy.

Sec. 11. Minnesota Statutes 2004, section 16E.055, is amended to read:

16E.055 [COMMON WEB FORMAT ELECTRONIC GOVERNMENT SERVICES.] A state agency that implements electronic government services for fees, licenses, sales, or other purposes must use a common Web page format approved by the commissioner of administration for those electronic government services. The commissioner may create a single entry site for all agencies to use for electronic government services.

Sec. 12. Minnesota Statutes 2004, section 16E.07, subdivision 8, is amended to read:

Subd. 8. [SECURE TRANSACTION SYSTEM.] The office shall plan and develop a secure transaction system to support delivery of government services electronically. A state agency that implements electronic government services for fees, licenses, sales, or other purposes must use the secure transaction system developed in accordance with this section.

Sec. 13. [16E.14] [TECHNOLOGY REVOLVING FUND.]

Subdivision 1. [CREATION.] The technology revolving fund is created in the state treasury.

Subd. 2. [FUND.] Money in the technology revolving fund is appropriated annually to the chief information officer to operate information and telecommunications services, including management, consultation, and design services.

Subd. 3. [REIMBURSEMENTS.] Except as specifically provided otherwise by law, each agency shall reimburse the technology revolving fund for the cost of all services, supplies, materials, labor, and depreciation of equipment, including reasonable overhead costs, which the chief information officer is authorized and directed to furnish an agency. The chief information officer shall report the rates to be charged for the revolving fund no later than July 1 each year to the chair of the committee or division in the senate and house of representatives with primary jurisdiction over the budget of the Office of Technology.
Subd. 4. [CASH FLOW.] The commissioner of finance shall make appropriate transfers to the revolving fund when requested by the chief information officer. The chief information officer may make allotments and encumbrances in anticipation of such transfers. In addition, the chief information officer, with the approval of the commissioner of finance, may require an agency to make advance payments to the revolving fund sufficient to cover the office’s estimated obligation for a period of at least 60 days. All reimbursements and other money received by the chief information officer under this section must be deposited in the technology revolving fund.

Subd. 5. [LIQUIDATION.] If the technology revolving fund is abolished or liquidated, the total net profit from the operation of the fund must be distributed to the various funds from which purchases were made. The amount to be distributed to each fund must bear to the net profit the same ratio as the total purchases from each fund bears to the total purchases from all the funds during the same period of time.

Sec. 14. [EFFECTIVE DATE.] Sections 1 to 13 are effective July 1, 2005.

Section 1. Minnesota Statutes 2004, section 15.06, subdivision 1, is amended to read:

Subdivision 1. [APPLICABILITY.] This section applies to the following departments or agencies: the Departments of Administration, Agriculture, Commerce, Corrections, Education, Employee Relations, Employment and Economic Development, Finance, Health, Human Rights, Labor and Industry, Natural Resources, Public Safety, Human Services, Revenue, Transportation, and Veterans Affairs; the Housing Finance and Pollution Control Agencies; the Office of Commissioner of Iron Range Resources and Rehabilitation; the Bureau of Mediation Services; the Office of Technology; and their successor departments and agencies. The heads of the foregoing departments or agencies are "commissioners."

Sec. 2. Minnesota Statutes 2004, section 16B.04, subdivision 2, is amended to read:

Subd. 2. [POWERS AND DUTIES, GENERAL.] Subject to other provisions of this chapter, the commissioner is authorized to:

(1) supervise, control, review, and approve all state contracts and purchasing;

(2) provide agencies with supplies and equipment and operate all central store or supply rooms serving more than one agency;

(3) approve all computer plans and contracts, and oversee the state's data processing system;

(4) investigate and study the management and organization of agencies, and reorganize them when necessary to ensure their effective and efficient operation;

(5) manage and control state property, real and personal;

(6) maintain and operate all state buildings, as described in section 16B.24, subdivision 1;

(7) supervise, control, review, and approve all capital improvements to state buildings and the capitol building and grounds;

(8) provide central duplicating, printing, and mail facilities;
(9) (8) oversee publication of official documents and provide for their sale;

(10) (9) manage and operate parking facilities for state employees and a central motor pool for travel on state business;

(11) (10) establish and administer a State Building Code; and

(12) (11) provide rental space within the capitol complex for a private day care center for children of state employees. The commissioner shall contract for services as provided in this chapter. The commissioner shall report back to the legislature by October 1, 1984, with the recommendation to implement the private day care operation.

Sec. 3. Minnesota Statutes 2004, section 16B.48, subdivision 4, is amended to read:

Subd. 4. [REIMBURSEMENTS.] Except as specifically provided otherwise by law, each agency shall reimburse intertechnologies and the general services revolving funds for the cost of all services, supplies, materials, labor, and depreciation of equipment, including reasonable overhead costs, which the commissioner is authorized and directed to furnish an agency. The cost of all publications or other materials produced by the commissioner and financed from the general services revolving fund must include reasonable overhead costs. The commissioner of administration shall report the rates to be charged for each the general services revolving fund no later than July 1 each year to the chair of the committee or division in the senate and house of representatives with primary jurisdiction over the budget of the Department of Administration. The commissioner of finance shall make appropriate transfers to the revolving funds described in this section when requested by the commissioner of administration. The commissioner of administration may make allotments, encumbrances, and, with the approval of the commissioner of finance, disbursements in anticipation of such transfers. In addition, the commissioner of administration, with the approval of the commissioner of finance, may require an agency to make advance payments to the revolving funds in this section sufficient to cover the agency's estimated obligation for a period of at least 60 days. All reimbursements and other money received by the commissioner of administration under this section must be deposited in the appropriate revolving fund. Any earnings remaining in the fund established to account for the documents service prescribed by section 16B.51 at the end of each fiscal year not otherwise needed for present or future operations, as determined by the commissioners of administration and finance, must be transferred to the general fund.

Sec. 4. Minnesota Statutes 2004, section 16B.48, subdivision 5, is amended to read:

Subd. 5. [LIQUIDATION.] If the intertechnologies or general services revolving fund is abolished or liquidated, the total net profit from the operation of each fund must be distributed to the various funds from which purchases were made. The amount to be distributed to each fund must bear to the net profit the same ratio as the total purchases from each fund bears to the total purchases from all the funds during the same period of time.

Sec. 5. Minnesota Statutes 2004, section 43A.08, subdivision 1a, is amended to read:

Subd. 1a. [ADDITIONAL UNCLASSIFIED POSITIONS.] Appointing authorities for the following agencies may designate additional unclassified positions according to this subdivision: the Departments of Administration; Agriculture; Commerce; Corrections; Education; Employee Relations; Employment and Economic Development; Finance; Health; Human Rights; Labor and Industry; Natural Resources; Public Safety; Human Services; Revenue; Transportation; and Veterans Affairs; the Housing Finance and Pollution Control Agencies; the State Lottery; the state Board of Investment; the Office of Administrative Hearings; the Office of Technology; the Office of Environmental Assistance; the Offices of the Attorney General, Secretary of State, and State Auditor; the Minnesota State Colleges and Universities; the Higher Education Services Office; the Perpich Center for Arts Education; and the Minnesota Zoological Board.
A position designated by an appointing authority according to this subdivision must meet the following standards and criteria:

(1) the designation of the position would not be contrary to other law relating specifically to that agency;

(2) the person occupying the position would report directly to the agency head or deputy agency head and would be designated as part of the agency head's management team;

(3) the duties of the position would involve significant discretion and substantial involvement in the development, interpretation, and implementation of agency policy;

(4) the duties of the position would not require primarily personnel, accounting, or other technical expertise where continuity in the position would be important;

(5) there would be a need for the person occupying the position to be accountable to, loyal to, and compatible with, the governor and the agency head, the employing statutory board or commission, or the employing constitutional officer;

(6) the position would be at the level of division or bureau director or assistant to the agency head; and

(7) the commissioner has approved the designation as being consistent with the standards and criteria in this subdivision.

Sec. 6. Minnesota Statutes 2004, section 299C.65, subdivision 1, is amended to read:

Subdivision 1. [MEMBERSHIP, DUTIES.] (a) The Criminal and Juvenile Justice Information Policy Group consists of the commissioner of corrections, the commissioner of public safety, the commissioner of administration chief information officer, the commissioner of finance, and four members of the judicial branch appointed by the chief justice of the Supreme Court. The policy group may appoint additional, nonvoting members as necessary from time to time.

(b) The commissioner of public safety is designated as the chair of the policy group. The commissioner and the policy group have overall responsibility for the successful completion of statewide criminal justice information system integration (CriMNet). The policy group may hire a program manager to manage the CriMNet projects and to be responsible for the day-to-day operations of CriMNet. The policy group must ensure that generally accepted project management techniques are utilized for each CriMNet project, including:

(1) clear sponsorship;

(2) scope management;

(3) project planning, control, and execution;

(4) continuous risk assessment and mitigation;

(5) cost management;

(6) quality management reviews;

(7) communications management; and
(8) proven methodology.

(c) Products and services for CriMNet project management, system design, implementation, and application hosting must be acquired using an appropriate procurement process, which includes:

(1) a determination of required products and services;

(2) a request for proposal development and identification of potential sources;

(3) competitive bid solicitation, evaluation, and selection; and

(4) contract administration and close-out.

(d) The policy group shall study and make recommendations to the governor, the Supreme Court, and the legislature on:

(1) a framework for integrated criminal justice information systems, including the development and maintenance of a community data model for state, county, and local criminal justice information;

(2) the responsibilities of each entity within the criminal and juvenile justice systems concerning the collection, maintenance, dissemination, and sharing of criminal justice information with one another;

(3) actions necessary to ensure that information maintained in the criminal justice information systems is accurate and up-to-date;

(4) the development of an information system containing criminal justice information on gross misdemeanor-level and felony-level juvenile offenders that is part of the integrated criminal justice information system framework;

(5) the development of an information system containing criminal justice information on misdemeanor arrests, prosecutions, and convictions that is part of the integrated criminal justice information system framework;

(6) comprehensive training programs and requirements for all individuals in criminal justice agencies to ensure the quality and accuracy of information in those systems;

(7) continuing education requirements for individuals in criminal justice agencies who are responsible for the collection, maintenance, dissemination, and sharing of criminal justice data;

(8) a periodic audit process to ensure the quality and accuracy of information contained in the criminal justice information systems;

(9) the equipment, training, and funding needs of the state and local agencies that participate in the criminal justice information systems;

(10) the impact of integrated criminal justice information systems on individual privacy rights;

(11) the impact of proposed legislation on the criminal justice system, including any fiscal impact, need for training, changes in information systems, and changes in processes;

(12) the collection of data on race and ethnicity in criminal justice information systems;
(13) the development of a tracking system for domestic abuse orders for protection;

(14) processes for expungement, correction of inaccurate records, destruction of records, and other matters relating to the privacy interests of individuals; and

(15) the development of a database for extended jurisdiction juvenile records and whether the records should be public or private and how long they should be retained.

Sec. 7. Minnesota Statutes 2004, section 299C.65, subdivision 2, is amended to read:

Subd. 2. [REPORT, TASK FORCE.] (a) The policy group shall file an annual report with the governor, Supreme Court, and chairs and ranking minority members of the senate and house committees and divisions with jurisdiction over criminal justice funding and policy by December 1 of each year.

(b) The report must make recommendations concerning any legislative changes or appropriations that are needed to ensure that the criminal justice information systems operate accurately and efficiently. To assist them in developing their recommendations, the policy group shall appoint a task force consisting of its members or their designees and the following additional members:

(1) the director of the Office of Strategic and Long-Range Planning;

(2) two sheriffs recommended by the Minnesota Sheriffs Association;

(3) two police chiefs recommended by the Minnesota Chiefs of Police Association;

(4) two county attorneys recommended by the Minnesota County Attorneys Association;

(5) two city attorneys recommended by the Minnesota League of Cities;

(6) two public defenders appointed by the Board of Public Defense;

(7) two district judges appointed by the Conference of Chief Judges, one of whom is currently assigned to the juvenile court;

(8) two community corrections administrators recommended by the Minnesota Association of Counties, one of whom represents a community corrections act county;

(9) two probation officers;

(10) four public members, one of whom has been a victim of crime, and two who are representatives of the private business community who have expertise in integrated information systems;

(11) two court administrators;

(12) one member of the house of representatives appointed by the speaker of the house;

(13) one member of the senate appointed by the majority leader;

(14) the attorney general or a designee;

(15) the commissioner of administration or a designee;
In making these appointments, the appointing authority shall select members with expertise in integrated data systems or best practices.

(c) The commissioner of public safety may appoint additional, nonvoting members to the task force as necessary from time to time.

Sec. 8. Minnesota Statutes 2004, section 403.36, subdivision 1, is amended to read:

Subdivision 1. [MEMBERSHIP.] (a) The commissioner of public safety shall convene and chair the Statewide Radio Board to develop a project plan for a statewide, shared, trunked public safety radio communication system. The system may be referred to as "Allied Radio Matrix for Emergency Response," or "ARMER."

(b) The board consists of the following members or their designees:

(1) the commissioner of public safety;

(2) the commissioner of transportation;

(3) the commissioner of administration, state chief information officer;

(4) the commissioner of natural resources;

(5) the chief of the Minnesota State Patrol;

(6) the commissioner of health;

(7) the commissioner of finance;

(8) two elected city officials, one from the nine-county metropolitan area and one from Greater Minnesota, appointed by the governing body of the League of Minnesota Cities;

(9) two elected county officials, one from the nine-county metropolitan area and one from Greater Minnesota, appointed by the governing body of the Association of Minnesota Counties;

(10) two sheriffs, one from the nine-county metropolitan area and one from Greater Minnesota, appointed by the governing body of the Minnesota Sheriffs' Association;

(11) two chiefs of police, one from the nine-county metropolitan area and one from Greater Minnesota, appointed by the governor after considering recommendations made by the Minnesota Chiefs' of Police Association;

(12) two fire chiefs, one from the nine-county metropolitan area and one from Greater Minnesota, appointed by the governor after considering recommendations made by the Minnesota Fire Chiefs' Association;

(13) two representatives of emergency medical service providers, one from the nine-county metropolitan area and one from Greater Minnesota, appointed by the governor after considering recommendations made by the Minnesota Ambulance Association;
(14) the chair of the Metropolitan Radio Board; and

(15) a representative of Greater Minnesota elected by those units of government in phase three and any subsequent phase of development as defined in the statewide, shared radio and communication plan, who have submitted a plan to the Statewide Radio Board and where development has been initiated.

c) The Statewide Radio Board shall coordinate the appointment of board members representing Greater Minnesota with the appointing authorities and may designate the geographic region or regions from which an appointed board member is selected where necessary to provide representation from throughout the state.

Sec. 9. [TRANSFER OF DUTIES.]

Responsibilities of the commissioner of administration for state telecommunications systems, state information infrastructure, and electronic conduct of state business under Minnesota Statutes, sections 16B.405; 16B.44; 16B.46; 16B.465; 16B.466; and 16B.467, are transferred to the Office of Technology. All positions in the Office of Technology and the Intertechnologies Group are transferred to the Office of Technology.

Sec. 10. [REVISOR INSTRUCTION.]

In the next and subsequent editions of Minnesota Statutes, the revisor of statutes shall:

(1) substitute the term "chief information officer" for "commissioner" and "commissioner of administration" in the following sections of Minnesota Statutes: 16B.405; 16B.44; 16B.46; 16B.465; 16B.466; 16B.467; 16E.03, subdivisions 4, 5, 6, and 8; 16E.035; and 16E.07, subdivision 4;

(2) recodify the following sections of Minnesota Statutes into Minnesota Statutes, chapter 16E: 16B.405; 16B.44; 16B.46; 16B.465; 16B.466; and 16B.467.

Sec. 11. [REPEALER.]

Minnesota Statutes 2004, sections 16B.48, subdivision 3; and 16E.0465, subdivision 3, are repealed.

Sec. 12. [EFFECTIVE DATE.]

Sections 1 to 11 are effective July 1, 2005.

ARTICLE 3

Section 1. Minnesota Statutes 2004, section 204B.14, subdivision 5, is amended to read:

Subd. 5. [PRECINCT BOUNDARIES; DESCRIPTION; MAPS.] When if a precinct boundary has been changed or an annexation has occurred affecting a precinct boundary, the municipal clerk shall immediately notify the county auditor and secretary of state. The municipal clerk shall file a corrected base map with the secretary of state and county auditor within 30 days after the boundary change was made or, in the case of an annexation, the later of: (1) 30 days after the approval of the annexation order; or (2) the effective date of the annexation order. Upon request, the secretary of state and county auditor shall provide a base map and precinct finder to the municipal clerk. The secretary of state shall update the precinct boundary database, prepare a corrected precinct map, and provide the corrected precinct map to the county auditor and the municipal clerk who shall make them available for public inspection. The municipal clerk shall prepare a corrected precinct map and provide the corrected map to the county auditor, who shall correct the precinct finder in the statewide voter registration system and make the
corrected map and precinct finder available for public inspection, and to the secretary of state, who shall update the precinct boundary database. The county auditor shall prepare and file precinct boundary maps for precincts in unorganized territories in the same manner as provided for precincts in municipalities. For every election held in the municipality the election judges shall be furnished precinct maps as provided in section 201.061, subdivision 6. If a municipality changes the boundary of an election precinct, or if an annexation affecting a precinct boundary occurs, the county auditor shall notify each school district with territory affected by the boundary change at least 30 days before the effective date of the change.

Sec. 2. Minnesota Statutes 2004, section 414.01, is amended by adding a subdivision to read:

Subd. 18. [ANNEXATIONS NOT PERMITTED AT CERTAIN TIMES.] Notwithstanding the provisions of this chapter, no annexation shall become effective between the opening of filing for a previously scheduled municipal election of the municipality which is annexing the unincorporated land and the issuance of the certificates of election to the candidates elected at that election.

Sec. 3. [414.0305] [MUNICIPAL ANNEXATION.]

Notwithstanding the provisions of this chapter, no annexation by a municipality shall be effective during the period from the opening of filing for any previously scheduled municipal election until after the end of the contest period for that election.

Gunther moved to amend S. F. No. 3, the unofficial engrossment, as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2004, section 177.24, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT.] (a) For purposes of this subdivision, the terms defined in this paragraph have the meanings given them.

(1) "Large employer" means an enterprise whose annual gross volume of sales made or business done is not less than $500,000 (exclusive of excise taxes at the retail level that are separately stated) and covered by the Minnesota Fair Labor Standards Act, sections 177.21 to 177.35.

(2) "Small employer" means an enterprise whose annual gross volume of sales made or business done is less than $500,000 (exclusive of excise taxes at the retail level that are separately stated) and covered by the Minnesota Fair Labor Standards Act, sections 177.21 to 177.35.

(b) Except as otherwise provided in sections 177.21 to 177.35, every large employer must pay each employee wages at a rate of at least $5.15 an hour beginning September 1, 1997, and at a rate of at least $6.15 an hour beginning July 1, 2005. Every small employer must pay each employee at a rate of at least $4.90 an hour beginning January 1, 1998, and at a rate of at least $5.65 an hour beginning July 1, 2005.

(c) Notwithstanding paragraph (b), every employer must pay each employee employed to provide waiter or waitress service at a rate of at least $5.25 an hour.

(d) Notwithstanding paragraph (b), during the first 90 consecutive days of employment, an employer may pay an employee under the age of 20 years a wage of $4.25 an hour. No employer may take any action to displace any employee, including a partial displacement through a reduction in hours, wages, or employment benefits, in order to hire an employee at the wage authorized in this paragraph.

[EFFECTIVE DATE.] This section is effective July 1, 2005."
