PETITIONS AND COMMUNICATIONS

The following communication was received:

STATE OF MINNESOTA
OFFICE OF THE GOVERNOR
SAINT PAUL 55155

May 16, 2005

The Honorable Steve Sviggum
Speaker of the House of Representatives
The State of Minnesota

Dear Representative Sviggum:

I have vetoed and am returning Chapter Number 57, H. F. No. 68, a bill relating to procedures for public school districts for the nonrenewal of coaching contracts.

This bill would provide a coach whose contract was not renewed the opportunity to respond to the reasons for the nonrenewal at a school board meeting. In relation to this meeting H. F. No. 68 provides, "any portion of that meeting at which educational data are discussed must be disclosed under section 13D.05, subdivision 2." This provision, however, is not consistent with this section of the Open Meeting Law which requires that a school district close any portion of a meeting that would include discussion of educational data about a student.

The context of the bill suggests that the legislature may have intended to use the word "closed" rather than "disclosed." However, if that is the case, the provision is not necessary because existing law already mandates closure of any portion of a meeting in which educational data is discussed. Use of the term "disclosed" in this provision may create confusion about whether the meeting may be closed if student information is discussed.

It is important that we protect the privacy of public school children. Accordingly, I am vetoing this bill to avoid any uncertainty in a school district's obligation to close a meeting to protect the privacy of students.

Sincerely,

TIM PAWLENTY
Governor

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given to them.

(a) "Breach of the security of the data" means unauthorized acquisition of data maintained by a state agency that compromises the security and classification of the data. Good faith acquisition of government data by an employee or agent of a state agency for the purposes of the state agency is not a breach of the security of the data, if the government data is not provided to an unauthorized person.

(b) "Contact information" means either name and mailing address or name and e-mail address for each individual who is the subject of data maintained by the state agency.

(c) "Unauthorized acquisition" means that a person has obtained government data without the informed consent of the individuals who are the subjects of the data or statutory authority and with the intent to use the data for non-governmental purposes.

(d) "Unauthorized person" means any person who accesses government data without permission or without a work assignment that reasonably requires the person to have access to the data.

Subd. 2. [NOTICE TO INDIVIDUALS.] A state agency that collects, creates, receives, maintains or disseminates private or confidential data on individuals must disclose any breach of the security of the data following discovery or notification of the breach. Notification must be made to any individual who is the subject of the data and whose private or confidential data was, or is reasonably believed to have been, acquired by an unauthorized person. The disclosure must be made in the most expedient time possible and without unreasonable delay, consistent with (1) the legitimate needs of a law enforcement agency as provided in subdivision 3; or (2) any measures necessary to determine the scope of the breach and restore the reasonable security of the data.

Subd. 3. [DELAYED NOTICE.] The notification required by this section may be delayed if a law enforcement agency determines that the notification will impede an active criminal investigation. The notification required by this section must be made after the law enforcement agency determines that it will not compromise the investigation.

Subd. 4. [METHOD OF NOTICE.] Notice under this section may be provided by one of the following methods:

(a) written notice by first class mail to each affected individual;

(b) electronic notice to each affected individual, if the notice provided is consistent with the provisions regarding electronic records and signatures as set forth in United States Code, title 15, section 7001; or
(c) substitute notice, if the state agency demonstrates that the cost of providing the written notice required by paragraph (a) would exceed $250,000, or that the affected class of individuals to be notified exceeds 500,000, or the state agency does not have sufficient contact information. Substitute notice consists of all of the following:

(i) e-mail notice if the state agency has an e-mail address for the affected individuals;

(ii) conspicuous posting of the notice on the Web site page of the state agency, if the state agency maintains a Web site; and

(iii) notification to major media outlets that reach the general public.

Subd. 5. [COORDINATION WITH CONSUMER REPORTING AGENCIES.] If the state agency discovers circumstances requiring notification under this section of more than 1,000 individuals at one time, the state agency must also notify, without unreasonable delay, all consumer reporting agencies that compile and maintain files on consumers on a nationwide basis, as defined in United States Code, title 15, section 1681a, of the timing, distribution, and content of the notices.

S. F. No. 917 was reported to the House.

Holberg moved to amend S. F. No. 917 as follows:

Delete everything after the enacting clause and insert the following language of H. F. No. 952, the third engrossment:

"Section 1. [SHORT TITLE.]

This act may be cited as the "Positive Alternatives Act."
Sec. 2. [145.4231] [POSITIVE ABORTION ALTERNATIVES.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given:

(1) "abortion" means the use of any means to terminate the pregnancy of a woman known to be pregnant with knowledge that the termination with those means will, with reasonable likelihood, cause the death of the unborn child. For purposes of this section, abortion does not include an abortion necessary to prevent the death of the mother; and

(2) "unborn child" means an individual organism of the species Homo sapiens from fertilization until birth.

Subd. 2. [ELIGIBILITY FOR GRANTS.] (a) The commissioner of health shall award grants to eligible applicants under paragraph (c) for the reasonable expenses of programs to support, encourage, and assist women in carrying their pregnancies to term by providing information on, referral to, and assistance with securing necessary services that enable women to carry their pregnancies to term. Necessary services include, but are not limited to:

(1) medical care;
(2) nutritional services;
(3) housing assistance;
(4) adoption services;
(5) education and employment assistance;
(6) parenting education and support services; and
(7) child care assistance.

(b) In addition to providing information and referral under paragraph (a), an eligible program may provide one or more of the necessary services under paragraph (a) that assists women in carrying their pregnancies to term. To avoid duplication of efforts, grantees may refer to other public or private programs, rather than provide the care directly, if a woman meets eligibility criteria for the other programs.

(c) To be eligible for a grant, an agency or organization must:

(1) be a private, nonprofit organization;
(2) demonstrate that the program is conducted under appropriate supervision;
(3) not charge women for services provided under the program;
(4) provide each pregnant woman counseled with accurate information on the developmental characteristics of unborn children, including offering the printed information described in section 145.4243;
(5) ensure that the alternatives to abortion program’s sole purposes are to assist and encourage women in carrying their pregnancies to term and to maximize their potentials thereafter;
(6) ensure that none of the funds provided are used to encourage or counsel a woman to have an abortion not necessary to prevent her death, to provide her such an abortion, or to refer her for such an abortion; and
(7) have had the alternatives to abortion program in existence for at least one year as of July 1, 2005.

(d) The provisions, words, phrases, and clauses of paragraph (c) are inseverable from this subdivision, and if any provision, word, phrase, or clause of paragraph (c) or the application thereof to any person or circumstance is held invalid, such invalidity shall apply to all of this subdivision.

(e) An organization that provides abortions, promotes abortions, or directly refers for abortions is ineligible to receive a grant under this program. An affiliate of an organization that provides abortions, promotes abortions, or directly refers for abortions is ineligible to receive a grant under this section unless the organizations are separately incorporated and independent from each other. To be independent, the organizations may not share any of the following:

(1) the same or a similar name;

(2) medical facilities or nonmedical facilities, including, but not limited to, business offices, treatment rooms, consultation rooms, examination rooms, and waiting rooms;

(3) expenses;

(4) employee wages or salaries; or

(5) equipment or supplies, including, but not limited to, computers, telephone systems, telecommunications equipment, and office supplies.

(f) An organization that receives a grant under this section and that is affiliated with an organization that provides abortion services must maintain financial records that demonstrate strict compliance with this subdivision and that demonstrate that its independent affiliate that provides abortion services receives no direct or indirect economic or marketing benefit from the grant under this section.

(g) The following data on participants is private data on individuals under section 13.02, subdivision 12: all data collected, received, maintained, or disseminated by the grantee using grant funds awarded by the commissioner under this section.

Subd. 3. [DUTIES OF COMMISSIONER.] The commissioner of health shall make grants under subdivision 2 beginning no later than July 1, 2006. The commissioner shall monitor and review the programs of each grantee to ensure that the grantee carefully adheres to the purposes and requirements of subdivision 2 and shall cease funding a grantee that fails to do so.

Subd. 4. [SEVERABILITY.] Except as provided in subdivision 2, paragraph (d), if any provision, word, phrase, or clause of this section or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect the provisions, words, phrases, clauses, or applications of this section that can be given effect without the invalid provision, word, phrase, clause, or application and to this end, the provisions, words, phrases, and clauses of this section are declared to be severable.

Subd. 5. [SUPREME COURT JURISDICTION.] The Minnesota Supreme Court has original jurisdiction over an action challenging the constitutionality of this section and shall expedite the resolution of the action.

Sec. 3. [APPROPRIATIONS; DEPARTMENT OF HEALTH.]

$2,500,000 is appropriated from the general fund to the commissioner of health in fiscal year 2007 for positive abortion alternatives under Minnesota Statutes, section 145.4231. Of this amount, $100,000 may be used for administrative costs of implementing the grant program. An additional $50,000 is appropriated from the general fund to the commissioner of health in fiscal year 2006 for administrative costs of program implementation."
