(This notice is incorporated by reference and is included as a part of this statutory short form power of attorney.)

READ THIS NOTICE CAREFULLY. The power of attorney form that you will be signing is a legal document. It is governed by Minnesota Statutes, chapter 523. If there is anything about this form that you do not understand, you should seek legal advice.

PURPOSE: The purpose of the power of attorney is for you, the principal, to give broad and sweeping powers to your attorney(s)-in-fact, who is the person or authorized corporation you designate to handle your financial affairs. Any action taken by your attorney(s)-in-fact pursuant to the powers you designate to them in the power of attorney form binds you, your heirs and assigns, and the representative of your estate in the same manner as though you took the action yourself.

POWERS GIVEN: You will be granting the attorney(s)-in-fact power to enter into transactions relating to any of your real or personal property, even without your consent or any advance notice to you. The powers granted to the attorney(s)-in-fact are broad and not supervised. This power of attorney does not grant any of the powers designated by a health care directive which are governed by Minnesota Statutes, chapter 145C.

DUTIES OF YOUR ATTORNEY(S)-IN-FACT: Your attorney(s)-in-fact must keep complete records of all transactions entered into on your behalf. You may request that your attorney(s)-in-fact provide you or someone else that you designate a periodic accounting, which is a written statement that gives reasonable notice of all transactions entered into on your behalf. Your attorney(s)-in-fact must also render an accounting if the attorney(s)-in-fact reimburses himself or herself for any expenditure made on behalf of you.

An attorney-in-fact is personally liable to any person, including you, who is injured by an action taken by the attorney-in-fact in bad faith under the power of attorney or by the failure of an attorney-in-fact to account when the attorney-in-fact has a duty to account under this section. The attorney(s)-in-fact must act with your interest utmost in mind.

TERMINATION: If you choose, your attorney(s)-in-fact may exercise these powers throughout your lifetime, both before and after you become incapacitated. However, a court can take away the powers of your attorney(s)-in-fact because of improper acts. You may also revoke this power of attorney if you wish. This power of attorney is automatically terminated if the power is granted to your spouse and proceedings are commenced for dissolution, legal separation, or annulment of your marriage.

This power of attorney authorizes, but does not require, the attorney(s)-in-fact to act for you. You are not required to sign this power of attorney, but it will not take effect without your signature. You should not sign this power of attorney if you do not understand everything in it, and what your attorney(s)-in-fact will be able to do if you do sign it.
Please place your initials on the following line indicating you have read this IMPORTANT NOTICE TO THE PRINCIPAL: .......

Sec. 4. Minnesota Statutes 2012, section 523.23, is amended by adding a subdivision to read:

Subd. 1b. **Notice to attorney(s)-in-fact.** The following verbatim notice must be included as a part of this statutory short form power of attorney:

**STATUTORY SHORT FORM POWER OF ATTORNEY**
**MINNESOTA STATUTES, SECTION 523.23**
**IMPORTANT NOTICE TO THE ATTORNEY(S)-IN-FACT**

(This notice is incorporated by reference and is included as part of the statutory short form power of attorney.)

You have been nominated by the principal to act as attorney-in-fact. You are under no duty to exercise the authority granted by the power of attorney. However, when you do exercise any power conferred by the power of attorney, you must:

1. act with the interests of the principal utmost in mind;
2. exercise the power in the same manner as an ordinarily prudent person of discretion and intelligence would exercise in the management of the person's own affairs;
3. render accountings as directed by the principal or whenever you reimburse yourself for expenditures made on behalf of the principal;
4. act in good faith for the best interests of the principal, using due care, competence, and diligence;
5. cease acting on behalf of the principal if you learn of any event that terminates this power of attorney or your authority under this power of attorney, such as revocation by the principal of the power of attorney, the death of the principal, your legal separation from the principal, or the dissolution of your marriage to the principal;
6. disclose your identity as an attorney-in-fact whenever you act for the principal by signing in the following manner:
   
   Signature by a person as "attorney-in-fact for (name of the principal)" or "(name of the principal) by (name of the attorney-in-fact) the principal's attorney-in-fact"

7. acknowledge you have read and understood this IMPORTANT NOTICE TO THE ATTORNEY(S)-IN-FACT by signing the power of attorney form.

You are personally liable to any person, including the principal, who is injured by an action taken by you in bad faith under the power of attorney or by your failure to account when the duty to account has arisen.

The meaning of the powers granted to you is contained in Minnesota Statutes, chapter 523. If there is anything about this document or your duties that you do not understand, you should seek legal advice from an attorney.

Sec. 5. Minnesota Statutes 2012, section 523.24, subdivision 8, is amended to read:

Subd. 8. **Gift transactions.** In the statutory short form power of attorney, the language conferring general authority with respect to gift transactions, means that the principal authorizes the attorney-in-fact:
(1) to make gifts to organizations, whether charitable or otherwise, to which the principal has made gifts, and to satisfy pledges made to organizations by the principal;

(2) to make gifts on behalf of the principal to the principal's spouse, children, and other descendants or the spouse of any child or other descendant, and, if authorized by the principal in part Third, to the attorney-in-fact, either outright or in trust, for purposes which the attorney-in-fact deems to be in the best interest of the principal, specifically including minimization of income, estate, inheritance, or gift taxes, provided that, notwithstanding that the principal in part Third may have authorized the attorney-in-fact to transfer the principal's property to the attorney-in-fact, no attorney-in-fact nor anyone the attorney-in-fact has a legal obligation to support may be the recipient of any gifts in any one calendar year which, in the aggregate, exceed $10,000 in value the then applicable federal annual gift exclusion amount to each recipient;

(3) to prepare, execute, consent to on behalf of the principal, and file any return, report, declaration, or other document required by the laws of the United States, any state or subdivision of a state, or any foreign government, which the attorney-in-fact deems to be desirable or necessary with respect to any gift made under the authority of this subdivision;

(4) to execute, acknowledge, seal, and deliver any deed, assignment, agreement, authorization, check, or other instrument which the attorney-in-fact deems useful for the accomplishment of any of the purposes enumerated in this subdivision;

(5) to prosecute, defend, submit to arbitration, settle, and propose or accept a compromise with respect to any claim existing in favor of or against the principal based on or involving any gift transaction or to intervene in any related action or proceeding;

(6) to hire, discharge, and compensate any attorney, accountant, expert witness, or other assistant when the attorney-in-fact deems that action to be desirable for the proper execution by the attorney-in-fact of any of the powers described in this subdivision, and for the keeping of needed records; and

(7) in general, and in addition to but not in contravention of all the specific acts listed in this subdivision, to do any other acts which the attorney-in-fact deems desirable or necessary to complete any gift on behalf of the principal.

All powers described in this subdivision are exercisable equally with respect to a gift of any property in which the principal is interested at the giving of the power of attorney or becomes interested after that time, and whether located in the state of Minnesota or elsewhere.

Sec. 6. Minnesota Statutes 2012, section 523.24, subdivision 14, is amended to read:

Subd. 14. All other financial matters. In a statutory short form power of attorney, the language conferring general authority with respect to all other matters, means that the principal authorizes the attorney-in-fact to act as an alter ego of the principal with respect to any and all possible matters affecting the financial affairs of the principal which are not enumerated in subdivisions 1 to 13, and which the principal can do through an agent.

Sec. 7. [523.26] JUDICIAL RELIEF.

The principal or any interested person, as defined in section 524.5-102, subdivision 7, may petition the court for a protective order directing the attorney(s)-in-fact to provide an accounting, on a schedule directed by the court, or for any other relief as provided in sections 524.5-401 to 524.5-502. The principal or a person named by the principal in the power of attorney to receive accountings is entitled to recover reasonable attorney fees and costs if the court finds that the attorney(s)-in-fact failed to render an accounting to the principal or any person named by the principal in the power of attorney form to receive accountings after the principal had requested an accounting.
Sec. 8. **EFFECTIVE DATE.**

Sections 1 to 6 are effective August 1, 2013, and apply to powers of attorney executed on or after that date. Section 7 is effective August 1, 2013, and applies to powers of attorney executed before, on, or after that date."
