"Sec. 4. Minnesota Statutes 2012, section 168.12, subdivision 1, is amended to read:

Subdivision 1. Plates; design, visibility, periods of issuance. (a) The commissioner, upon approval and payment, shall issue to the applicant the plates required by this chapter, bearing the state name and an assigned vehicle registration number. The number assigned by the commissioner may be a combination of a letter or sign with figures. The color of the plates and the color of the abbreviation of the state name and the number assigned must be in marked contrast. The plates must be lettered, spaced, or distinguished to suitably indicate the registration of the vehicle according to the rules of the commissioner.

(b) When a vehicle is registered on the basis of total gross weight, the plates issued must clearly indicate by letters or other suitable insignia the maximum gross weight for which the tax has been paid.

(c) Plates issued to a noncommercial vehicle as defined in section 168.002, subdivision 21a, must bear the inscription "noncommercial" unless the vehicle is displaying a special plate authorized and issued under this chapter.

(d) A one-ton pickup truck, as defined in section 168.002, subdivision 21b, that is used for commercial purposes and is subject to section 168.185, is eligible to display special plates as authorized and issued under this chapter.

(e) The plates must be so treated as to be at least 100 times brighter than the conventional painted number plates. When properly mounted on an unlighted vehicle, the plates, when viewed from a vehicle equipped with standard headlights, must be visible for a distance of not less than 1,500 feet and readable for a distance of not less than 110 feet.
(f) The commissioner shall issue plates for the following periods:

(1) New plates issued pursuant to section 168.012, subdivision 1, must be issued to a vehicle for as long as the vehicle is owned by the exempt agency and the plate shall not be transferable from one vehicle to another but the plate may be transferred with the vehicle from one tax-exempt agency to another.

(2) Plates issued for passenger automobiles must be issued for a seven-year period. All plates issued under this paragraph must be replaced if they are seven years old or older at the time of registration renewal or will become so during the registration period.

(3) Plates issued under sections 168.053 and 168.27, subdivisions 16 and 17, must be for a seven-year period.

(5) Plates for any vehicle not specified in clauses (1) to (3) must be issued for the life of the vehicle.

(g) In a year in which plates are not issued, the commissioner shall issue for each registration a sticker to designate the year of registration. This sticker must show the year or years for which the sticker is issued, and is valid only for that period. The plates and stickers issued for a vehicle may not be transferred to another vehicle during the period for which the sticker is issued, except when issued for a vehicle registered under section 168.187.

(h) Despite any other provision of this subdivision, plates issued to a vehicle used for behind-the-wheel instruction in a driver education course in a public school may be transferred to another vehicle used for the same purpose without payment of any additional fee. (5) pays a fee of $10 for each set of special plates and any other fees required by this chapter; and

(6) complies with this chapter and rules governing the registration of motor vehicles and licensing of drivers;

(b) In lieu of the registration number required for identification under subdivision 1, the plates must indicate the official amateur call letters of the applicant, as assigned by the Federal Communications Commission, and the words "AMATEUR RADIO."
(c) This provision for the issue of special plates applies only if the applicant's motor vehicle is already registered in Minnesota so that the applicant has valid regular Minnesota plates issued for that motor vehicle under which to operate it during the time that it will take to have the necessary special plates made.

(d) If owning more than one motor vehicle of the type specified in this subdivision, the applicant may apply for special plates for each motor vehicle and, if each application complies with this subdivision, the commissioner shall furnish the applicant with the special plates, indicating the official amateur call letters and other distinguishing information as the commissioner considers necessary, for each of the motor vehicles.

(e) The commissioner may make reasonable rules governing the use of the special plates as will assure the full compliance by the owner of the special plates, with all existing laws governing the registration of motor vehicles and the transfer and use of the plates.

(f) Despite any contrary provision of subdivision 1, the special plates issued under this subdivision may be transferred by an owner to another motor vehicle listed in paragraph (a) and registered to the same owner, upon the payment of a fee of $5. The commissioner must be notified before the transfer and may prescribe a format for the notification.

Sec. 6. Minnesota Statutes 2012, section 168.12, subdivision 2b, is amended to read:

Subd. 2b. **Firefighters; special plates, rules.** (a) The commissioner shall issue special plates, or a single license plate in the case of a motorcycle plate, to any applicant who:

(2) pays a fee of $10 and any other fees required by this chapter;

(3) pays the registration tax required by this chapter for the motor vehicle; and

(4) complies with this chapter and rules governing the registration of motor vehicles and licensing of drivers.

(b) In lieu of the identification required under subdivision 1, the special plates must bear an emblem of a Maltese Cross together with any numbers or characters prescribed by the commissioner.

(c) Special plates issued under this subdivision may only be used during the period that the owner of the motor vehicle is a member of a fire department as specified in this subdivision. When the individual to whom the special plates were issued is no longer a member of a fire department or when the motor vehicle ownership is transferred, the owner shall remove the special plates from the motor vehicle. If the commissioner receives written notification that an individual is no longer qualified for these special plates, the commissioner shall invalidate the plates and notify the individual of this action. The individual may retain the plate only upon demonstrating compliance with the qualifications of this subdivision. Upon removal or invalidation of the special plates, or special motorcycle plate, either the owner or purchaser of the motor vehicle shall obtain regular plates or a regular motorcycle plate for the proper registration classification for the motor vehicle.

(d) A special motorcycle license plate issued under this subdivision must be the same size as a standard motorcycle license plate.

1. is a regularly enlisted, commissioned, or retired member of the Minnesota National Guard, other than an inactive member who is not a retired member, and is an owner of a passenger automobile as defined in section 168.002, subdivision 24;

2. pays a fee of $10 and any other fees required by this chapter;

3. pays the registration tax required by this chapter; and

4. complies with this chapter and rules governing the registration of motor vehicles and licensing of drivers.

(b) The adjutant general shall design the emblem for these special plates subject to the approval of the commissioner.
