"Sec. 2. [216B.0991] DEFINITIONS.

Subdivision 1. Scope. For the purposes of sections 216B.0991 to 216B.0995, the terms defined in this section have the meanings given them.

Subd. 2. Customer. "Customer" means a person who has an established relationship with a propane distributor and whose propane system meets the safety guidelines established by the propane distributor for residential heating service.

Subd. 3. LIHEAP. "LIHEAP" means the low-income home energy assistance program.

Subd. 4. Propane distributor. "Propane distributor" means a person who sells propane at retail to customers as their primary residential heat source; propane distributors are not public utilities.

Subd. 5. Residential heating service. "Residential heating service" means the provision of the primary source of heat for the interior of a residential structure.

Sec. 3. [216B.0992] PRICE AND FEE DISCLOSURE.

A propane distributor must provide a document listing the current per-gallon price of propane and all additional charges, fees, and discounts that pertain to residential heating service. The document must be:
(1) made available to the general public upon request; and

(2) provided to new customers before residential heating service is initiated.

Sec. 4. [216B.0993] BUDGET PAYMENT PLAN.

(a) A propane distributor who offers customers a budget payment plan must make that same plan available to all customers, including those who participate in the LIHEAP program.

(b) A budget payment plan must equalize a customer's estimated annual propane bill by dividing it into equal monthly payments. Any budget plan started after the propane distributor's traditional budget plan start date will be divided by the remaining months in the budget plan year. Any positive balance remaining at the end of a year may, at the customer's discretion, be provided to the customer as a cash payment or carried over as a credit on the customer's bill for the next year.

(c) A propane distributor must notify a customer on a budget payment plan of a price or fee change that may affect the monthly amount due under the budget payment plan by more than 20 percent.

(d) A propane distributor may alter or terminate the plan if a customer has failed to pay two monthly payments during the period of the budget payment plan. In lieu of the requirements of this section, the parties may enter into a mutually agreeable plan.

Sec. 5. [216B.0994] PROPANE PURCHASE CONTRACTS.

A propane distributor is prohibited from adding any service, distribution, transportation, or similar fees to customer billings for those customers who have entered into a contract for prepurchasing or capitated pricing of propane for the period of the contract provided that:

(1) the customer has met all obligations of that contract; and

(2) the propane distributor can receive product from its contracted supply points and a force majeure has not been declared by the propane distributor's supplier.

Sec. 6. [216B.0995] TERMS OF SALE.

Subdivision 1. Cash sales. A propane distributor with an available supply of propane must not refuse to sell propane to a customer who:

(1) pays the distributor's established price upon delivery in cash, by certified or cashier's check, or by commercial money order or its equivalent; or

(2) receives energy assistance from LIHEAP or a governmental or private agency that has funds available to pay for a delivery.

Subd. 2. LIHEAP participation; delivery. A propane distributor who accepts LIHEAP payments must, upon request, make available to its customers information regarding LIHEAP, including income eligibility and contact information for organizations accepting LIHEAP applications.

Subd. 3. Third-party credit disclosure. A propane distributor must not make known the names of past or present delinquent customers to other propane distributors, except in the course of a routine credit check performed when a prospective customer applies for credit privileges."

For the purpose of restricting petroleum product blending, this definition includes all refineries and terminals within and outside of Minnesota, but does not include a licensed distributor's bulk storage facility that is used to store petroleum products for which the petroleum inspection fee charged under this chapter is either not due or has been paid.

Sec. 13. Minnesota Statutes 2012, section 239.785, is amended by adding a subdivision to read:

Subd. 7. **Notification of product unavailability; terminal operators.** A person who operates a terminal where liquefied petroleum gas is loaded into transport trucks for subsequent distribution shall notify the commissioner within 24 hours when liquefied petroleum gas is physically not available for sale to licensed distributors.

Sec. 14. Minnesota Statutes 2012, section 325E.027, is amended to read:

**325E.027 DISCRIMINATION PROHIBITION.**

(a) No dealer or distributor of liquid propane gas or number 1 or number 2 fuel oil who has signed a low-income home energy assistance program vendor agreement with the Department of Commerce may refuse to deliver liquid propane gas or number 1 or number 2 fuel oil to any person located within the dealer's or distributor's normal delivery area who receives direct grants under the low-income home energy assistance program if:

(1) the person has requested delivery;

(2) the dealer or distributor has product available;

(3) the person requesting delivery is capable of making full payment at the time of delivery; and

(4) the person is not in arrears regarding any previous fuel purchase from that dealer or distributor.

(b) A dealer or distributor making delivery to a person receiving direct grants under the low-income home energy assistance program may not charge that person any additional costs or fees that would not be charged to any other customer and must make available to that person any discount program on the same basis as the dealer or distributor makes available to any other customer.

(c) The commissioner of commerce may enforce this section using any of the authority granted to the commissioner under section 45.027."

Subdivision 1. Political campaign signs. (a) Any provision of any homeowners association document that limits the right of an owner of a townhome or single-family dwelling to display a political campaign sign during the calendar dates specified in section 211B.045 is void and unenforceable.

Subd. 2. Exceptions. (a) This section does not prohibit limitations narrowly tailored to protect health or safety.

(b) This section does not prohibit limitations that restrict:

(1) the size of a sign to be displayed to a size customarily used on residential property;

(2) the installation and display of a sign to a portion of the residential property to which the person who displays the sign has exclusive use; or

(3) illuminating a sign.

(c) This section does not prohibit a requirement that a sign be displayed in a legal manner under Minnesota law, that the sign be in good condition and not altered or defaced, or that the sign not be affixed in a permanent manner to that portion of property to be maintained by another person or in a way that causes more than inconsequential damage to another person's property. A person who causes damage is liable for the repair costs.

Subd. 3. Applicability. (a) This section applies to all homeowners association documents executed on or after August 1, 2014.

(b) An association governed by a homeowners association document executed before August 1, 2014 may retain existing restrictions that conflict with this section by affirmative vote of the association, conducted no later than July 30, 2015. If a vote to retain the existing restrictions is unsuccessful or is not conducted by that date, the prohibitions contained in this section apply to the association's homeowners association document effective August 1, 2015."
