H. F. No. 2728 was reported to the House.

Kiel and Scott moved to amend H. F. No. 2728 as follows:

Page 3, after line 24, insert:

"Section 1. Minnesota Statutes 2012, section 171.13, subdivision 1, is amended to read:

Subdivision 1. Examination subjects and locations; provisions for color blindness, disabled veterans. (a) Except as otherwise provided in this section, the commissioner shall examine each applicant for a driver's license by such agency as the commissioner directs. This examination must include:

(1) a test of the applicant's eyesight;

(2) a test of the applicant's ability to read and understand highway signs regulating, warning, and directing traffic;

(3) a test of the applicant's knowledge of (i) traffic laws; (ii) the effects of alcohol and drugs on a driver's ability to operate a motor vehicle safely and legally, and of the legal penalties and financial consequences resulting from violations of laws prohibiting the operation of a motor vehicle while under the influence of alcohol or drugs; (iii) railroad grade crossing safety; (iv) slow-moving vehicle safety; (v) laws relating to pupil transportation safety, including the significance of school bus lights, signals, stop arm, and passing a school bus; (vi) traffic laws related to bicycles; and (vii) the circumstances and dangers of carbon monoxide poisoning;

(4) an actual demonstration of ability to exercise ordinary and reasonable control in the operation of a motor vehicle; and

(5) other physical and mental examinations as the commissioner finds necessary to determine the applicant's fitness to operate a motor vehicle safely upon the highways.

(b) Notwithstanding paragraph (a), no driver's license may be denied an applicant on the exclusive grounds that the applicant's eyesight is deficient in color perception. War veterans operating motor vehicles especially equipped for disabled persons, if otherwise entitled to a license, must be granted such license.

(c) The commissioner shall make provision for giving the examinations under this subdivision either in the county where the applicant resides or at a place adjacent thereto reasonably convenient to the applicant."
(d) The commissioner shall ensure that an examination to demonstrate ability under paragraph (a), clause (4), is available within 14 days of the day an exam appointment is requested or made, at the exam location nearest to the home address of the applicant. The commissioner may not reduce the number of examination locations as a result of this requirement.

**EFFECTIVE DATE.** This section is effective July 1, 2014."

H. F. No. 2925 was reported to the House.

Lesch moved to amend H. F. No. 2925, the second engrossment, as follows:

Page 1, delete section 1 and insert:

```
Section 1. [590.11] ORDER DETERMINING ELIGIBILITY FOR COMPENSATION BASED ON EXONERATION.

Subdivision 1. Definition. For purposes of this section, "exonerated" means that:

(1) a court of this state:

   (i) vacated or reversed a judgment of conviction on grounds consistent with innocence and the prosecutor dismissed the charges; or

   (ii) ordered a new trial on grounds consistent with innocence and the prosecutor dismissed the charges or the petitioner was found not guilty at the new trial; and

(2) the time for appeal of the order resulting in exoneration has expired or the order has been affirmed and is final.

Subd. 2. Procedure. A petition for an order declaring eligibility for compensation based on exoneration under sections 611.362 to 611.368 must be brought before the district court where the original conviction was obtained. The state must be represented by the office of the prosecutor that obtained the conviction or the prosecutor's successor. Within 60 days after the filing of the petition, the prosecutor must respond to the petition. A petition must be brought within two years, but no less than 60 days after the petitioner is exonerated. Persons released from custody after being exonerated before the effective date of this section must commence an action under this section within two years of the effective date.

Subd. 3. Compensation based on exoneration and innocence. An individual who is exonerated is eligible for compensation based on the establishment of innocence if the petitioner establishes by clear and convincing evidence that a crime was not committed or that the crime was not committed by the petitioner.

Subd. 4. Compensation in the interests of justice based on exoneration. An individual who is exonerated is eligible for compensation without establishing innocence pursuant to subdivision 3, if the prosecutor, within 60 days of the filing of the petition, joins in the petition and indicates that it is likely that the original complaint would not have been filed or would have been dismissed with knowledge of all the circumstances. Joiner by the prosecutor
```
shall establish eligibility for compensation, precluding any further proceedings pursuant to subdivision 3. Upon receipt of the prosecutor's joinder, the court may issue an order, as described in subdivision 8, granting petitioner's eligibility for compensation under this subdivision.

Subd. 5. Evidence. Court records related to the conviction and the exoneration are admissible in a proceeding under this section. A written or oral statement by the office of the prosecutor that obtained the conviction is admissible to support or refute the petition. The prosecutor may address the prosecutor's decision to dismiss the charges or other information that may not be fully reflected in the proceedings resulting in exoneration. The court may consider acts by the petitioner that may have contributed to bringing about the conviction and any other offenses that may have been committed by the petitioner in the same behavioral incident, except for those acts contained in subdivision 6, paragraph (c). The victim of the offense has a right to submit an oral or written statement before the court issues its order. The statement may summarize the harm suffered by the victim as a result of the crime and give the victim's recommendation on whether the petition should be granted or denied.

Subd. 6. Elements. (a) A claim for compensation arises if a person is eligible for compensation under subdivision 3 or 4 and:

1. the person was convicted of a felony and served any part of the imposed sentence in prison;
2. in cases where the person was convicted of multiple charges arising out of the same behavioral incident, the person was exonerated for all of those charges;
3. the person did not commit or induce another person to commit perjury or fabricate evidence to cause or bring about the conviction; and
4. the person was not serving a term of imprisonment for another crime at the same time, provided that if the person served additional time in prison due to the conviction that is the basis of the claim, the person may make a claim for that portion of time served in prison during which the person was serving no other sentence.

(b) A claimant may make a claim only for that portion of time served in prison during which the claimant was serving no other sentence.

(c) A confession or admission later found to be false or a guilty plea to a crime the claimant did not commit does not constitute bringing about the claimant's conviction for purposes of paragraph (a), clause (3).

Subd. 7. Hearing. Unless the petition and the files and records of the proceeding conclusively show that the petitioner is not eligible for compensation, the court shall set a hearing on the petition and response.

Subd. 8. Order. If, after considering all the files and records admitted under subdivision 5, the court determines that the petitioner is eligible for compensation, the court shall issue an order containing its findings and, if applicable, indicate the portion of the term of imprisonment for which the petitioner is entitled to make a claim. The court shall notify the petitioner of the right to file a claim for compensation under sections 611.362 to 611.368 and provide the petitioner with a copy of those sections. The petitioner must acknowledge receipt of the notice and a copy of those sections in writing or on the record before the court.

Subd. 9. Appeal. An order issued pursuant to subdivision 3 may be appealed as provided for under section 590.06. The petitioner may not appeal a decision of the prosecutor or order granting eligibility pursuant to subdivision 4."
