## REPORTS OF STANDING COMMITTEES AND DIVISIONS

Knoblach from the Committee on Ways and Means to which was referred:

H. F. No. 177, A bill for an act relating to insurance; regulating the sale of self-service storage insurance; proposing coding for new law in Minnesota Statutes, chapter 60K.

Reported the same back with the recommendation that the bill be placed on the General Register.

The report was adopted.

Dean, M., from the Committee on Health and Human Services Finance to which was referred:

H. F. No. 614, A bill for an act relating to long-term care; providing for long-term care workforce needs; providing for employee scholarships and loan forgiveness; modifying nursing facility rate provisions; appropriating money; amending Minnesota Statutes 2014, sections 144.1501, subdivisions 1, 2, 3; 256B.431, subdivision 36; 256B.441, subdivisions 13, 53, by adding a subdivision; proposing coding for new law in Minnesota Statutes, chapter 144.

Reported the same back with the following amendments:

Page 4, delete section 4 and insert:

"Sec. 4. **[144.1503] HOME AND COMMUNITY-BASED SERVICES EMPLOYEE SCHOLARSHIP PROGRAM.**

Subdivision 1. **Creation.** The home and community-based services employee scholarship grant program is established for the purpose of assisting qualified provider applicants to fund employee scholarships for education in nursing and other health care fields.

Subd. 2. **Provision of grants.** The commissioner shall make grants available to qualified providers of older adult services. Grants must be used by home and community-based service providers to recruit and train staff through the establishment of an employee scholarship fund.

Subd. 3. **Eligibility.** (a) Eligible providers must primarily provide services to individuals who are 65 years of age and older in home and community-based settings, including housing with services establishments as defined under section 144D.01, subdivision 4; adult day care as defined in section 245A.02, subdivision 2a; and home care services as defined in section 144A.43, subdivision 3.

(b) Qualifying providers must establish a home and community-based services employee scholarship program, as specified in subdivision 4. Providers that receive funding under this section must use the funds to award scholarships to employees who work an average of at least 16 hours per week for the provider.

Subd. 4. **Home and community-based services employee scholarship program.** Each qualifying provider under this section must propose a home and community-based services employee scholarship program. Providers must establish criteria by which funds are to be distributed among employees. At a minimum, the scholarship program must cover employee costs related to a course of study that is expected to lead to career advancement with the provider or in the field of long-term care, including home care, care of persons with disabilities, or nursing.

Subd. 5. **Participating providers.** The commissioner shall publish a request for proposals in the State Register specifying provider eligibility requirements, criteria for a qualifying employee scholarship program, provider selection criteria, documentation required for program participation, the maximum award amount, and methods of evaluation. The commissioner must publish additional requests for proposals each year in which funding is available for this purpose.

Subd. 6. **Application requirements.** Eligible providers seeking a grant shall submit an application to the commissioner. Applications must contain a complete description of the employee scholarship program being proposed by the applicant, including the need for the organization to enhance the education of its workforce, the process for determining which employees will be eligible for scholarships, any other sources of funding for scholarships, the expected degrees or credentials eligible for scholarships, the amount of funding sought for the scholarship program, a proposed budget detailing how funds will be spent, and plans for retaining eligible employees after completion of their scholarship.

Subd. 7. **Selection process.** The commissioner shall determine a maximum award for grants and make grant selections based on the information provided in the grant application, including the demonstrated need for an applicant provider to enhance the education of its workforce, the proposed employee scholarship selection process, the applicant's proposed budget, and other criteria as determined by the commissioner. Notwithstanding any law or rule to the contrary, funds awarded to grantees in a grant agreement do not lapse until the grant agreement expires.

Subd. 8. **Reporting requirements.** Participating providers shall submit an invoice for reimbursement and a report to the commissioner on a schedule determined by the commissioner and on a form supplied by the commissioner. The report shall include the amount spent on scholarships; the number of employees who received scholarships; and, for each scholarship recipient, the name of the recipient, the current position of the recipient, the amount awarded, the educational institution attended, the nature of the educational program, and the expected or actual program completion date. During the grant period, the commissioner may require and collect from grant recipients other information necessary to evaluate the program.

Sec. 5. Minnesota Statutes 2014, section 144A.611, is amended by adding a subdivision to read:

Subd. 4. **Training program reimbursement.** Nursing facilities shall reimburse adult training programs that provide nursing assistant training programs at no cost to the participant for costs related to tuition, competency evaluation, and reasonable expenses for providing the program, not to exceed 30 percent of the tuition and competency evaluation costs. Reimbursement shall be required only for those nursing assistants who meet the requirements of subdivision 2. Costs under this subdivision shall be allowable costs for the nursing facility under section 256B.441.

Sec. 6. Minnesota Statutes 2014, section 147.091, subdivision 1, is amended to read:

Subdivision 1. **Grounds listed.** The board may refuse to grant a license, may refuse to grant registration to perform interstate telemedicine services, or may impose disciplinary action as described in section 147.141 against any physician. The following conduct is prohibited and is grounds for disciplinary action:

(a) Failure to demonstrate the qualifications or satisfy the requirements for a license contained in this chapter or rules of the board. The burden of proof shall be upon the applicant to demonstrate such qualifications or satisfaction of such requirements.

(b) Obtaining a license by fraud or cheating, or attempting to subvert the licensing examination process. Conduct which subverts or attempts to subvert the licensing examination process includes, but is not limited to: (1) conduct which violates the security of the examination materials, such as removing examination materials from the examination room or having unauthorized possession of any portion of a future, current, or previously administered

licensing examination; (2) conduct which violates the standard of test administration, such as communicating with another examinee during administration of the examination, copying another examinee's answers, permitting another examinee to copy one's answers, or possessing unauthorized materials; or (3) impersonating an examinee or permitting an impersonator to take the examination on one's own behalf.

(c) Conviction, during the previous five years, of a felony reasonably related to the practice of medicine or osteopathy. Conviction as used in this subdivision shall include a conviction of an offense which if committed in this state would be deemed a felony without regard to its designation elsewhere, or a criminal proceeding where a finding or verdict of guilt is made or returned but the adjudication of guilt is either withheld or not entered thereon.

(d) Revocation, suspension, restriction, limitation, or other disciplinary action against the person's medical license in another state or jurisdiction, failure to report to the board that charges regarding the person's license have been brought in another state or jurisdiction, or having been refused a license by any other state or jurisdiction.

(e) Advertising which is false or misleading, which violates any rule of the board, or which claims without substantiation the positive cure of any disease, or professional superiority to or greater skill than that possessed by another physician.

(f) Violating a rule promulgated by the board or an order of the board, a state, or federal law which relates to the practice of medicine, or in part regulates the practice of medicine including without limitation sections 604.201, 609.344, and 609.345, or a state or federal narcotics or controlled substance law.

(g) Engaging in any unethical conduct; conduct likely to deceive, defraud, or harm the public, or demonstrating a willful or careless disregard for the health, welfare or safety of a patient; or medical practice which is professionally incompetent, in that it may create unnecessary danger to any patient's life, health, or safety, in any of which cases, proof of actual injury need not be established.

(h) Failure to supervise a physician assistant or failure to supervise a physician under any agreement with the board.

(i) Aiding or abetting an unlicensed person in the practice of medicine, except that it is not a violation of this paragraph for a physician to employ, supervise, or delegate functions to a qualified person who may or may not be required to obtain a license or registration to provide health services if that person is practicing within the scope of that person's license or registration or delegated authority.

(j) Adjudication as mentally incompetent, mentally ill or developmentally disabled, or as a chemically dependent person, a person dangerous to the public, a sexually dangerous person, or a person who has a sexual psychopathic personality by a court of competent jurisdiction, within or without this state. Such adjudication shall automatically suspend a license for the duration thereof unless the board orders otherwise.

(k) Engaging in unprofessional conduct. Unprofessional conduct shall include any departure from or the failure to conform to the minimal standards of acceptable and prevailing medical practice in which proceeding actual injury to a patient need not be established.

(l) Inability to practice medicine with reasonable skill and safety to patients by reason of illness, drunkenness, use of drugs, narcotics, chemicals or any other type of material or as a result of any mental or physical condition, including deterioration through the aging process or loss of motor skills.

(m) Revealing a privileged communication from or relating to a patient except when otherwise required or permitted by law.

(n) Failure by a doctor of osteopathy to identify the school of healing in the professional use of the doctor's name by one of the following terms: osteopathic physician and surgeon, doctor of osteopathy, or D.O.

(o) Improper management of medical records, including failure to maintain adequate medical records, to comply with a patient's request made pursuant to sections 144.291 to 144.298 or to furnish a medical record or report required by law.

(p) Fee splitting, including without limitation:

(1) paying, offering to pay, receiving, or agreeing to receive, a commission, rebate, or remuneration, directly or indirectly, primarily for the referral of patients or the prescription of drugs or devices;

(2) dividing fees with another physician or a professional corporation, unless the division is in proportion to the services provided and the responsibility assumed by each professional and the physician has disclosed the terms of the division;

(3) referring a patient to any health care provider as defined in sections 144.291 to 144.298 in which the referring physician has a "financial or economic interest," as defined in section 144.6521, subdivision 3, unless the physician has disclosed the physician's financial or economic interest in accordance with section 144.6521; and

(4) dispensing for profit any drug or device, unless the physician has disclosed the physician's own profit interest.

The physician must make the disclosures required in this clause in advance and in writing to the patient and must include in the disclosure a statement that the patient is free to choose a different health care provider. This clause does not apply to the distribution of revenues from a partnership, group practice, nonprofit corporation, or professional corporation to its partners, shareholders, members, or employees if the revenues consist only of fees for services performed by the physician or under a physician's direct supervision, or to the division or distribution of prepaid or capitated health care premiums, or fee-for-service withhold amounts paid under contracts established under other state law.

(q) Engaging in abusive or fraudulent billing practices, including violations of the federal Medicare and Medicaid laws or state medical assistance laws.

(r) Becoming addicted or habituated to a drug or intoxicant.

(s) Prescribing a drug or device for other than medically accepted therapeutic or experimental or investigative purposes authorized by a state or federal agency or referring a patient to any health care provider as defined in sections 144.291 to 144.298 for services or tests not medically indicated at the time of referral.

(t) Engaging in conduct with a patient which is sexual or may reasonably be interpreted by the patient as sexual, or in any verbal behavior which is seductive or sexually demeaning to a patient.

(u) Failure to make reports as required by section 147.111 or to cooperate with an investigation of the board as required by section 147.131.

(v) Knowingly providing false or misleading information that is directly related to the care of that patient unless done for an accepted therapeutic purpose such as the administration of a placebo.

(w) Aiding suicide or aiding attempted suicide in violation of section 609.215 as established by any of the following:

(1) a copy of the record of criminal conviction or plea of guilty for a felony in violation of section 609.215, subdivision 1 or 2;

(2) a copy of the record of a judgment of contempt of court for violating an injunction issued under section 609.215, subdivision 4;

(3) a copy of the record of a judgment assessing damages under section 609.215, subdivision 5; or

(4) a finding by the board that the person violated section 609.215, subdivision 1 or 2. The board shall investigate any complaint of a violation of section 609.215, subdivision 1 or 2.

(x) Practice of a board-regulated profession under lapsed or nonrenewed credentials.

~~(y) Failure to repay a state or federally secured student loan in accordance with the provisions of the loan.~~

~~(z)~~ (y) Providing interstate telemedicine services other than according to section 147.032."

"Sec. 10. Minnesota Statutes 2014, section 103A.206, is amended to read:

**103A.206 SOIL AND WATER CONSERVATION POLICY.**

Maintaining and enhancing the quality of soil and water for the environmental and economic benefits they produce, preventing degradation, and restoring degraded soil and water resources of this state contribute greatly to the health, safety, economic well-being, and general welfare of this state and its citizens. Land occupiers have the responsibility to implement practices that conserve the soil and water resources of the state. Soil and water conservation measures implemented on private lands in this state provide benefits to the general public by reducing erosion, sedimentation, siltation, water pollution, and damages caused by floods. The soil and water conservation policy of the state is to encourage land occupiers to conserve soil, water, and the natural resources they support through the implementation of practices that:

(1) control or prevent erosion, sedimentation, siltation, and related pollution in order to preserve natural resources;

(2) ensure continued soil health, as defined under section 103C.101, subdivision 10a, and soil productivity;

(3) protect water quality;

(4) prevent impairment of dams and reservoirs;

(5) reduce damages caused by floods;

(6) preserve wildlife;

(7) protect the tax base; and

(8) protect public lands and waters.

Sec. 11. Minnesota Statutes 2014, section 103B.101, is amended by adding a subdivision to read:

Subd. 16. **Water quality practices; standardized specifications.** The Board of Water and Soil Resources shall work with state and federal agencies, academic institutions, local governments, practitioners, and stakeholders to foster mutual understanding and provide recommendations for standardized specifications for water quality and soil conservation protection and improvement practices and projects. The board may convene working groups or work teams to develop information, education, and recommendations.

Sec. 12. **[103B.801] COMPREHENSIVE WATERSHED MANAGEMENT PLANNING PROGRAM.**

Subdivision 1. **Definitions.** The definitions under section 103B.3363, subdivisions 2 to 4, apply to this section.

Subd. 2. **Program purposes.** The purposes of the comprehensive watershed management plan program under section 103B.101, subdivision 14, paragraph (a), are to:

(1) align local water planning purposes and procedures under chapters 103B, 103C, and 103D on watershed boundaries to create a systematic, watershed-wide, science-based approach to watershed management;

(2) acknowledge and build off existing local government structure, water plan services, and local capacity;

(3) incorporate and make use of data and information, including watershed restoration and protection strategies under section 114D.26;

(4) solicit input and engage experts from agencies, citizens, and stakeholder groups;

(5) focus on implementation of prioritized and targeted actions capable of achieving measurable progress; and

(6) serve as a substitute for a comprehensive plan, local water management plan, or watershed management plan developed or amended, approved, and adopted, according to chapter 103B, 103C, or 103D.

Subd. 3. **Coordination.** The board shall develop policies for coordination and development of comprehensive watershed management plans. To ensure effectiveness and accountability in meeting the purposes of subdivision 2, these policies must address, at a minimum:

(1) a boundary framework consistent with section 103B.101, subdivision 14, paragraph (a), and procedures, requirements, and criteria for establishing or modifying the framework consistent with the goals of section 103A.212. The metropolitan area, as defined under section 473.121, subdivision 2, may be considered for inclusion in the boundary framework. If included, the metropolitan area is not excluded from the water management programs under sections 103B.201 to 103B.255;

(2) requirements for coordination, participation, and commitment between local government units in the development, approval, adoption, and implementation of comprehensive watershed management plans within planning boundaries identified according to this subdivision;

(3) requirements for consistency with state agency-adopted water and natural resources-related plans and documents required by chapters 103A, 103B, 103C, 103D, 103E, 103F, 103G, and 114D; and

(4) procedures for plan development, review, and approval consistent with the intent of sections 103B.201, 103B.255, 103B.311, 103B.321, 103D.401, and 103D.405. If the procedures in these sections are contradictory as applied to a specific proceeding, the board must establish a forum where the public interest conflicts involved can be presented and, by consideration of the whole body of water law, the controlling policy can be determined and apparent inconsistencies resolved.

Subd. 4. **Plan content.** (a) The board shall develop policies for required comprehensive watershed management plan content consistent with comprehensive local water management planning. To ensure effectiveness and accountability in meeting the purposes of subdivision 2, plan content must include, at a minimum:

(1) an analysis and prioritization of issues and resource concerns;

(2) measurable goals to address the issues and concerns, including but not limited to:

(i) restoration, protection, and preservation of natural surface water and groundwater storage and retention systems;

(ii) minimization of public capital expenditures needed to correct flooding and water quality problems;

(iii) restoration, protection, and improvement of surface water and groundwater quality;

(iv) establishment of more uniform local policies and official controls for surface water and groundwater management;

(v) identification of priority areas for wetland enhancement, restoration, and establishment;

(vi) identification of priority areas for riparian zone management and buffers;

(vii) prevention of erosion and soil transport into surface water systems;

(viii) promotion of groundwater recharge;

(ix) protection and enhancement of fish and wildlife habitat and water recreational facilities; and

(x) securing other benefits associated with the proper management of surface water and groundwater;

(3) a targeted implementation schedule describing at a minimum the actions, locations, timeline, estimated costs, method of measurement, and identification of roles and responsible government units;

(4) a description of implementation programs, including how the implementation schedule will be achieved and how the plan will be administered and coordinated between local water management responsibilities; and

(5) a land and water resource inventory.

**Subd. 5. Timelines; administration.** (a) The board shall develop and adopt, by June 30, 2016, a transition plan for development, approval, adoption, and coordination of plans consistent with section 103A.212. The transition plan must include a goal of completing statewide transition to comprehensive watershed management plans by 2025. The metropolitan area may be considered for inclusion in the transition plan.

(b) The board may use the authority under section 103B.3369, subdivision 9, to support development or implementation of a comprehensive watershed management plan under this section.

**Subd. 6. Authority.** Notwithstanding any laws to the contrary, the authorities granted to local government through chapters 103B, 103C, and 103D are retained when a comprehensive watershed management plan is adopted as a substitute for a watershed management plan required under section 103B.231, a county groundwater plan authorized under section 103B.255, a county water plan authorized under section 103B.311, a comprehensive plan authorized under section 103C.331, or a watershed management plan required under section 103D.401 or 103D.405.

Sec. 13. Minnesota Statutes 2014, section 103C.101, is amended by adding a subdivision to read:

**Subd. 10a. Soil health.** "Soil health" means the continued capacity of soil to function as a vital living system that sustains plants, animals, and humans. Indicators of soil health include water infiltration capacity; organic matter content; water holding capacity; biological capacity to break down plant residue and other substances and to maintain soil aggregation; nutrient sequestration and cycling capacity; carbon sequestration; and soil resistance.

Sec. 14. Minnesota Statutes 2014, section 103C.401, subdivision 1, is amended to read:

Subdivision 1. **Powers and duties.** In addition to the powers and duties of the state board provided by other law, the state board shall:

(1) offer to assist the district boards to implement their programs;

(2) keep the district boards of the state informed of the activities and experience of other districts and facilitate cooperation and an interchange of advice and experience among the districts;

- (3) coordinate the programs and activities of the districts with appropriate agencies by advice and consultation;
- (4) approve or disapprove the plans or programs of districts relating to the use of state funds administered by the state board;
- (5) secure the cooperation and assistance of agencies in the work of the districts and develop a program to advise and assist appropriate agencies in obtaining state and federal funds for erosion, sedimentation, flooding, and agriculturally related pollution control programs;
- (6) develop and implement a public information program concerning the districts' activities and programs, the problems and preventive practices relating to erosion control, sedimentation, agriculturally related pollution, flood prevention, and the advantages of formation of districts in areas where their organization is desirable;
- (7) consolidate districts without a hearing or a referendum;
- (8) assist the statewide program to inventory and classify the types of soils in the state as determined by the Minnesota Cooperative Soil Survey;
- (9) identify research needs and cooperate with other public agencies in research concerning the nature and extent of erosion, sedimentation, flooding and agriculturally related pollution, the amounts and sources of sediment and pollutants delivered to the waters of the state, and long-term soil productivity;
- (10) develop structural, land use management practice, and other programs to reduce or prevent soil erosion, sedimentation, flooding, and agriculturally related pollution;
- (11) develop a system of priorities to identify the erosion, flooding, sediment, and agriculturally related pollution problem areas that most need control systems;
- (12) ensure compliance with statewide programs and policies established by the state board by advice, consultation, and approval of grant agreements with the districts; ~~and~~
- (13) service requests from districts to consolidate districts across county boundaries and facilitate other agreed-to reorganizations of districts with other districts or other local units of government, including making grants, within the limits of available funds, to offset the cost of consolidation or reorganization; and
- (14) develop and implement a state-led technical training and certification program.

Sec. 15. Minnesota Statutes 2014, section 103C.501, subdivision 5, is amended to read:

Subd. 5. **Contracts by districts.** (a) A district board may contract on a cost-share basis to furnish financial aid to a land occupier or to a state agency for permanent systems for erosion or sedimentation control or water quality or water quantity improvements that are consistent with the district's comprehensive and annual work plans.

(b) A district board, with approval from the state board and consistent with state board rules and policies, may contract on a cost-share basis to furnish financial aid to a land occupier for nonstructural land management practices that are part of a planned erosion control or water quality improvement plan.

~~(b)~~ (c) The duration of the contract must, at a minimum, be the time required to complete the planned systems. A contract must specify that the land occupier is liable for monetary damages and penalties in an amount up to 150 percent of the financial assistance received from the district, for failure to complete the systems or practices in a timely manner or maintain the systems or practices as specified in the contract.

~~(e)~~ (d) A contract may provide for cooperation or funding with federal agencies. A land occupier or state agency may provide the cost-sharing portion of the contract through services in kind.

~~(d)~~ (e) The state board or the district board may not furnish any financial aid for practices designed only to increase land productivity.

~~(e)~~ (f) When a district board determines that long-term maintenance of a system or practice is desirable, the board may require that maintenance be made a covenant upon the land for the effective life of the practice. A covenant under this subdivision shall be construed in the same manner as a conservation restriction under section 84.65."
