The Honorable Sandra L. Pappas
President of the Senate

The Honorable Kurt L. Daudt
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1265 report that we have agreed upon the items in dispute and recommend as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2014, section 60K.31, is amended by adding a subdivision to read:

Subd. 1a. Agent of record. "Agent of record" means an insurance producer, as defined in subdivision 6, who enters into an agreement with:

1. a policyholder who has individual health insurance coverage from an insurance company that the producer represents; or

2. an applicant for individual health insurance coverage from an insurance company the producer represents.

Sec. 2. Minnesota Statutes 2014, section 60K.31, is amended by adding a subdivision to read:

Subd. 1b. Agent of record agreement. "Agent of record agreement" means an agreement documenting the agreement referenced in subdivision 1a, and that is signed by the agent of record and either a policyholder or applicant for individual health insurance coverage.

Sec. 3. Minnesota Statutes 2014, section 60K.48, is amended by adding a subdivision to read:

Subd. 4. Qualified health plans. (a) If a health carrier pays commissions or service fees to licensed producers who are appointed by the health carrier for sale of a qualified health plan, then, within 30 days of receipt of the agent of record agreement, the health carrier must accommodate a policyholder or applicant for coverage by allowing a policyholder or applicant to select or change the agent of record, effective upon the next premium cycle.

(b) The health carrier's standard commission and service fees must be paid to the policyholder's agent of record or the agent's assignee if any premium rate for a qualified health plan has been approved by the commissioner with costs associated with producer commissions included in the filed rate.

(c) A health carrier is prohibited from offering, renewing, or failing to renew qualified health plans based solely on the commission-paying status of the health plan.
(d) Nothing in this subdivision requires a health carrier to pay any commission or service fee with respect to the sale of a qualified health plan, unless the rate for the qualified health plan has been approved by the commissioner with costs associated with producer commissions included in the filed rate.

Sec. 4. [62V.051] MNsure; Consumer Retroactive Appointment of a Navigator or Producer Permitted.

Notwithstanding any other law or rule to the contrary, for up to six months after the effective date of the qualified health plan, MNsure must permit a qualified health plan policyholder, who has not designated a navigator or an insurance producer, to retroactively appoint a navigator or insurance producer. MNsure must provide notice of the retroactive appointment to the health carrier. The health carrier must retroactively pay commissions to the insurance producer if the producer can demonstrate that they were certified by MNsure at the time of the original enrollment, were appointed by the selected health carrier at the time of the enrollment, and that an agent of record agreement was executed prior to or at the time of the effective date of the policy. MNsure must adopt a standard form of agent of record agreement for purposes of this section.

Sec. 5. MNsure; Consumer Retroactive Appointment of a Navigator or Producer Permitted.

Notwithstanding any other law or rule to the contrary, MNsure must permit a policyholder, who has not yet designated a navigator or an insurance producer, to retroactively appoint a navigator or insurance producer by August 1, 2015, for a qualified health plan purchased by the policyholder through MNsure with a coverage effective date of January 1, 2015, to July 31, 2015. MNsure must provide timely notice of the retroactive appointment to the health carrier. The health carrier must retroactively pay commissions to the insurance producer if the producer can demonstrate that they were certified by MNsure at the time of the original enrollment, were appointed by the selected health carrier at the time of the enrollment, and that the policyholder indicates that the insurance producer advised them at the time of enrollment. This section shall sunset on August 1, 2015.

Sec. 6. EFFECTIVE DATE.

Sections 1 to 3 and 5 are effective the day following final enactment. Section 4 is effective August 1, 2015, and applies with respect to qualified health plans with an effective date on or after that date."

We request the adoption of this report and repassage of the bill.

May 15, 2015

The Honorable Sandra L. Pappas
President of the Senate

The Honorable Kurt L. Daudt
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 997 report that we have agreed upon the items in dispute and recommend as follows:
That the House recede from its amendments and that S. F. No. 997 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [62A.241] DISABILITY INCOME COVERAGE; PROHIBITED PROVISION.

No policy, contract, certificate, or agreement offered or issued in this state providing for disability income protection coverage may contain a provision purporting to reserve discretion to the insurer to interpret the terms of the contract or provide a standard of review that is inconsistent with the laws of this state, or less favorable to the enrollee when a claim is denied than a preponderance of the evidence standard.

EFFECTIVE DATE. This section is effective January 1, 2016, and applies to policies issued or renewed on or after that date.

Sec. 2. Minnesota Statutes 2014, section 62S.23, subdivision 1, is amended to read:

Subdivision 1. Inflation protection feature. (a) No insurer may offer a long-term care insurance policy unless the insurer also offers to the policyholder, in addition to any other inflation protection, the option to purchase a policy that provides for benefit levels to increase with benefit maximums or reasonable durations which are meaningful to account for reasonably anticipated increases in the costs of long-term care services covered by the policy. In addition to other options that may be offered, insurers must offer to each policyholder, at the time of purchase, the option to purchase a policy with an inflation protection feature no less favorable than one of the following:

(1) increases benefit levels annually in a manner so that the increases are compounded annually at a rate not less than five percent;

(2) guarantees the insured individual the right to periodically increase benefit levels without providing evidence of insurability or health status so long as the option for the previous period has not been declined. The amount of the additional benefit shall be no less than the difference between the existing policy benefit and that benefit compounded annually at a rate of at least five percent for the period beginning with the purchase of the existing benefit and extending until the year in which the offer is made; or

(3) covers a specified percentage of actual or reasonable charges and does not include a maximum specified indemnity amount or limit.

(b) A long-term care partnership policy must provide the inflation protection described in this subdivision. If the policy is sold to an individual who:

(1) has not attained age 61 as of the date of purchase, the policy must provide compound annual inflation protection;

(2) has attained age 61, but has not attained age 76 as of such date, the policy must provide some level of inflation protection; and

(3) has attained the age of 76 as of such date, the policy may, but is not required to, provide some level of inflation protection.

Inflation protection for a long-term care partnership policy may not be less than three one percent per year or a rate based on changes in the Consumer Price Index. The commissioner, however, may approve other types of inflation protection that comply with this section and further the goals of the partnership program.

EFFECTIVE DATE. This section is effective July 1, 2015, and applies to coverage sold on or after that date.
Sec. 3. Minnesota Statutes 2014, section 62S.24, is amended by adding a subdivision to read:

**Subd. 9. Certain pre-July 1, 2006 policies.** (a) Notwithstanding section 256B.0571, subdivision 6, a long-term care insurance policy issued before July 1, 2006, that otherwise meets all requirements for partnership policy status shall be qualified as a partnership policy, provided that benefits have not yet been paid out on the policy.

(b) An insured may make written inquiry to the issuer of the long-term care insurance policy as to whether the policy meets the requirements for partnership policy status. The issuer of the policy must reply to the inquiry within 30 days, and if the policy does so qualify, must add a rider, amendment, or disclosure statement to the policy as documentation of the partnership policy status.

**EFFECTIVE DATE.** This section is effective July 1, 2015.

Sec. 4. **RATE APPROVAL; RECOMMENDATIONS.**

(a) The commissioner of commerce may make recommendations to the chairs and ranking minority members of the house and senate committees having jurisdiction over commerce for standards governing the approval of actuarially justified rate increases for long-term care insurance policies issued prior to January 1, 2002. The recommendations may include rate-increase mitigation options, including contingent nonforfeiture benefits and optional benefit changes to protect policy holders that may receive rate increases.

(b) In developing these recommendations, the commissioner may consult with the National Association of Insurance Commissioners, the Society of Actuaries and the Academy of Actuaries, representatives of the long-term insurance industry, and the house and senate committee chairs and ranking minority members for the committees having jurisdiction over commerce. The commissioner may submit progress reports to the chairs and ranking minority members of the house and senate committees having jurisdiction over commerce on October 15, 2015, and February 1, 2016."

Delete the title and insert:

"A bill for an act relating to insurance; regulating disability income coverage; reducing the minimum permitted inflation protection for a long-term care insurance partnership policy; continuing to permit other types of inflation protection for long-term care policies; authorizing the commissioner of commerce to make certain long-term care policy rate recommendations; amending Minnesota Statutes 2014, sections 62S.23, subdivision 1; 62S.24, by adding a subdivision; proposing coding for new law in Minnesota Statutes, chapter 62A."

The Honorable Kurt L. Daudt
Speaker of the House of Representatives

The Honorable Sandra L. Pappas
President of the Senate

We, the undersigned conferees for H. F. No. 1725 report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 1725 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2014, section 14.05, is amended by adding a subdivision to read:
Subd. 7. Electronic documents permitted. An agency may file rule-related documents with the Office of Administrative Hearings by electronic transmission in the manner approved by that office and the Office of the Revisor of Statutes by electronic transmission in the manner approved by that office.

Sec. 2. Minnesota Statutes 2014, section 14.08, is amended to read:

14.08 APPROVAL OF RULE AND RULE FORM; COSTS.

(a) One copy of a rule adopted under section 14.26 must be submitted by the agency to the chief administrative law judge. The chief administrative law judge shall request from the revisor certified copies of the rule when it is submitted by the agency under section 14.26. Within five days after the request for certification of the rule is received by the revisor, excluding weekends and holidays, the revisor shall either return the rule with a certificate of approval of the form of the rule to the chief administrative law judge or notify the chief administrative law judge and the agency that the form of the rule will not be approved.

If the chief administrative law judge disapproves a rule, the agency may modify it and the agency shall submit one copy of the modified rule, approved as to form by the revisor, to the chief administrative law judge.

(b) One copy of a rule adopted after a public hearing must be submitted by the agency to the chief administrative law judge. The chief administrative law judge shall request from the revisor certified copies of the rule when it is submitted by the agency. Within five working days after receipt of the request, the revisor shall either return the rule with a certificate of approval to the chief administrative law judge or notify the chief administrative law judge and the agency that the form of the rule will not be approved.

(c) If the revisor refuses to approve the form of the rule, the revisor's notice must revise the rule so it is in the correct form.

(d) After the agency has notified the chief administrative law judge that it has adopted the rule, the chief administrative law judge shall promptly file four paper copies or an electronic copy of the adopted rule in the Office of the Secretary of State. The secretary of state shall forward one copy of each rule filed to the agency, to the revisor of statutes, and to the governor.

(e) The chief administrative law judge shall assess an agency for the actual cost of processing rules under this section. Each agency shall include in its budget money to pay the assessments. Receipts from the assessment must be deposited in the administrative hearings account established in section 14.54.

Sec. 3. Minnesota Statutes 2014, section 14.16, subdivision 3, is amended to read:

Subd. 3. Filing. After the agency has adopted provided the chief administrative law judge with a signed order adopting the rule, the agency chief administrative law judge shall promptly file three four paper copies or an electronic copy of it the adopted rule in the Office of the Secretary of State. The secretary of state shall forward one copy of each rule filed to the agency, to the revisor of statutes, and to the governor.

Sec. 4. Minnesota Statutes 2014, section 14.26, subdivision 3, is amended to read:

Subd. 3. Review. (a) Within 14 days, the administrative law judge shall approve or disapprove the rule as to its legality and its form to the extent that the form relates to legality, including the issues of whether the rule if modified is substantially different, as determined under section 14.05, subdivision 2, from the rule as originally proposed, whether the agency has the authority to adopt the rule, and whether the record demonstrates a rational basis for the need for and reasonableness of the proposed rule. If the rule is approved, the administrative law judge shall promptly file four paper copies or an electronic copy of it the adopted rule in the Office of the Secretary of State.
The secretary of state shall forward one copy of each rule to the revisor of statutes, one to the agency, and one to the governor. If the rule is disapproved, the administrative law judge shall state in writing the reasons for the disapproval and make recommendations to overcome the defects.

(b) The written disapproval must be submitted to the chief administrative law judge for approval. If the chief administrative law judge approves of the findings of the administrative law judge, the chief administrative law judge shall send the statement of the reasons for disapproval of the rule to the agency, the Legislative Coordinating Commission, the house of representatives and senate policy committees with primary jurisdiction over state governmental operations, and the revisor of statutes and advise the agency and the revisor of statutes of actions that will correct the defects. The rule may not be filed in the Office of the Secretary of State, nor be published, until the chief administrative law judge determines that the defects have been corrected or, if applicable, that the agency has satisfied the rule requirements for the adoption of a substantially different rule.

(c) If the chief administrative law judge determines that the need for or reasonableness of the rule has not been established, and if the agency does not elect to follow the suggested actions of the chief administrative law judge to correct that defect, then the agency shall submit the proposed rule to the Legislative Coordinating Commission and to the house of representatives and senate policy committees with primary jurisdiction over state governmental operations for advice and comment. The agency may not adopt the rule until it has received and considered the advice of the commission and committees. However, the agency need not wait for advice for more than 60 days after the commission and committees have received the agency's submission.

(d) The administrative law judge shall disregard any error or defect in the proceeding due to the agency's failure to satisfy any procedural requirements imposed by law or rule if the administrative law judge finds:

(1) that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process; or

(2) that the agency has taken corrective action to cure the error or defect so that the failure did not deprive any person or entity of an opportunity to participate meaningfully in the rulemaking process.

Sec. 5. Minnesota Statutes 2014, section 14.26, is amended by adding a subdivision to read:

The secretary of state shall forward one copy of each rule to the revisor of statutes, to the agency, and to the governor.

Sec. 6. Minnesota Statutes 2014, section 14.386, is amended to read:

**14.386 PROCEDURE FOR ADOPTING EXEMPT RULES; DURATION.**

(a) A rule adopted, amended, or repealed by an agency, under a statute enacted after January 1, 1997, authorizing or requiring rules to be adopted but excluded from the rulemaking provisions of chapter 14 or from the definition of a rule, has the force and effect of law only if:

(1) the revisor of statutes approves the form of the rule by certificate;

(2) the person authorized to adopt the rule on behalf of the agency signs an order adopting the rule;

(e) If a statute provides that a rule is exempt from chapter 14, and section 14.386 does not apply to the rule, the rule has the force of law unless the context of the statute delegating the rulemaking authority makes clear that the rule does not have force of law.

Sec. 7. Minnesota Statutes 2014, section 14.58, is amended to read:

14.58 NOTICE AND HEARING.

In any contested case all parties shall be afforded an opportunity for hearing after reasonable notice. The notice shall state the time, place and issues involved, but if, by reason of the nature of the case, the issues cannot be fully stated in advance of the hearing, or if subsequent amendment of the issues is necessary, they shall be fully stated as soon as practicable, and opportunity shall be afforded all parties to present evidence and argument with respect thereto. Prior to assignment of a case to an administrative law judge as provided by sections 14.48 to 14.56, all papers shall be filed with the agency.
