Subdivision 1. **Credit allowed.** (a) An individual who is a resident of Minnesota is allowed a credit against the tax imposed by this chapter equal to a percentage of earned income. To receive a credit, a taxpayer must be eligible for a credit under section 32 of the Internal Revenue Code.

(b) For individuals with no qualifying children, the credit equals 2.10 percent of the first \$6,180 of earned income. The credit is reduced by 2.01 percent of earned income or adjusted gross income, whichever is greater, in excess of \$8,130, but in no case is the credit less than zero.

(e) For a part-year resident, the credit must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).

(f) For a person who was a resident for the entire tax year and has earned income not subject to tax under this chapter, including income excluded under section 290.0132, subdivision 10, the credit must be allocated based on the ratio of federal adjusted gross income reduced by the earned income not subject to tax under this chapter over federal adjusted gross income.
