Page 2, after line 19, insert:

"Sec. 4. **REPORT ON LOCAL ECONOMIC IMPACT OF ENERGY SUPPLIES.**

By January 1, 2018, each generation and transmission cooperative that serves a cooperative electric association operating in Minnesota shall collectively submit a report to the chairs and ranking minority members of the senate and house committees with jurisdiction over energy policy that compares the local economic impact of purchasing and generating energy from wind and solar generators with the local economic impact of purchasing and generating energy from fossil fuels. The report must include quantitative and qualitative information on, at a minimum, the following topics:

(1) the proportion of a retail customer's dollar spent for electricity that remains in Minnesota's economy and the proportion that is exported outside the state when that electricity is purchased from and generated by solar and wind generators and is purchased from and generated by fossil fuels; and

(2) the employment impacts, including the number of direct, indirect, and induced jobs in Minnesota associated with an equivalent retail expenditure on electricity generated by wind and solar generators and by fossil fuel generators."

Amend the title accordingly

A roll call was requested and properly seconded.

Page 3, lines 12 and 19, before "Beginning" insert "Except as provided in subdivision 1a,"

Page 4, after line 2, insert:

"(g) Funds in the account may only be expended to support the expansion of:

(1) electric energy generated from solar, wind, or biomass resources;

(2) heat energy from solar thermal or geothermal projects;

(3) energy efficiency;

(4) motor vehicles fueled by sources other than gasoline or diesel fuel; or

(5) energy storage.

Expenditures from the fund must only benefit ratepayers receiving electric service from the utility that owns a nuclear powered electric generating plant in this state."

Page 5, after line 30, insert:

"Sec. 3. Minnesota Statutes 2016, section 116C.779, is amended by adding a subdivision to read:

Subd. 1a. **Payment termination.** (a) The commissioner shall track the cumulative transfers made to the account and its predecessor, the renewable development account, each year since 1999 for each dry cask containing spent fuel that is stored at an independent spent-fuel storage facility at Prairie Island or Monticello. During the time when state law required the public utility to transfer a specific amount of funds to the account for all the casks stored, the per-cask allocation shall be calculated by dividing the total amount transferred by the number of casks stored that year.

(b) When the commissioner determines that the cumulative transfers calculated under paragraph (a) for a specific cask reach \$10,000,000, the commissioner shall notify the public utility that no additional transfers to the account for that cask shall be made.

(c) This subdivision does not affect any provisions of subdivision 1, paragraph (c) or (d), with respect to transfers to the account made after a plant has ceased operation.

EFFECTIVE DATE. This section is effective the day following final enactment."

Renumber the sections in sequence and correct the internal references

Amend the title accordingly

The motion prevailed and the amendment was adopted.

Ward was excused for the remainder of today's session.
