### Section

**1**        **Constitutional amendment.** Proposes an amendment that would allocate all sales tax on new and used vehicles beginning in fiscal year 2008, as follows:

(1)        revenue from the sale of vehicles not previously registered in Minnesota or elsewhere must go into a fund to assist public transit systems; and

(2)        all other revenue must go into the highway user tax distribution fund.

**2**        **Submission to voters.** The question at the 2004 general election would be:

*"Shall the Minnesota Constitution be amended to dedicate, beginning FY 2008, all motor vehicle sales tax to transportation, with tax on new vehicles dedicated to public transit and other revenue dedicated to highway purposes?"*
