Authorizes \$2.524 million in state general obligation bonds and appropriations the proceeds to MnDOT for the state share of the East Two Rivers project near Tower, including replacement of one bridge, demolition of another bridge, and rerouting of a trunk highway.

Provides that the department is to undertake the project only if it determines that the project is essential to restoration of deepwater access between Tower and Lake Vermillion, and that all other steps to restore that access have been or will be undertaken.
