Section

- 1** **Data preparation.** Technical changes.
- 2** **Employment and economic development data coded elsewhere.** Amends a section of the Data Practices Act that lists statutes outside the act that classify employment and economic development data. Adds references to existing laws that are not currently included in this section.
- 3** **Use of data.** Amends a provision of the employment and economic development statute on unemployment insurance law that allows release of private data pursuant to a court order. States that a subpoena is not a court order.

Makes technical changes.
- 4** **Employer information; absolute privilege.** Lets the commissioner disseminate to an unemployment insurance applicant an employer's name and address and other information from an employer necessary to administer unemployment insurance.
- 5** **Disclosure.** Corrects the name of the Department of Employment and Economic Development in a section of law on data on individuals.
- 6** **Repealer.** Repeals a cross-reference section that is replaced by a section of the bill.
