Overview

School districts are subject to levy limits established by the state. The only exceptions to the limits are when voters pass either an operating levy (referendum levy) or a bond issue approving new school construction.

This bill authorizes school districts to levy up to \$30 per pupil per year for technology expenses and another \$30 per pupil per year for pupil transportation expenses.

Section

- 1 Technology levy.** Authorizes school districts to levy up to \$30 per pupil unit for district technology needs.
- 2 Transportation levy.** Authorizes a school district to levy up to \$30 per pupil unit for pupil transportation expenses.
