Overview

This bill increases the frequency of nursing facility resident assessments used to determine case mix classifications for purposes of reimbursement.

Section

- 1 Resident assessment schedule.** Amends § 144.0724, subd. 4. Requires the first and third quarterly assessments (as well as the second assessment as already required under current law) following either a new admission assessment, an annual assessment, or a significant change assessment to be used to determine resident case mix classifications for reimbursement. Provides an October 1, 2007 effective date.
- 2 Resident assessment schedule.** Amends § 256B.438, subd. 4. Makes a conforming change related to the use of all quarterly assessments to determine resident case mix classifications for reimbursement. Provides an October 1, 2007 effective date.
