Overview

This bill appropriates funds for a collaborative biotechnology and medical genomics research project between the University of Minnesota and the Mayo Foundation.

Section

- 1 Appropriation.** Appropriates \$18,000,000 from the general fund to the commissioner of employment and economic development for a collaborative research partnership between the University of Minnesota and the Mayo Foundation for research in biotechnology and medical genomics. Requires an annual report on the expenditure of the funds due June 30 of each fiscal year until the appropriation runs out.
