This publication can be made available in alternative formats upon request. Please call 651-296-6753 (voice); or the Minnesota State Relay Service at 1-800-627-3529 (TTY) for assistance. Summaries are also available on our website at: www.house.mn/hrd.

Overview

This bill appropriates funds in FY07 from the general fund to an organization for implementation of a pilot project that focuses on offender reentry programs. The project must develop a comprehensive statewide model for transitioning offenders from incarceration to the community. The organization must be licensed by DHS to provide chemical dependency treatment and aftercare. A report to the legislature is required by November 1, 2007.
