### Overview

This bill requires the commissioner of revenue to undertake compliance and collection activities sufficient to increase net general fund collections by \$200 million for the FY2008 and FY2009 biennium. It appropriates a blank amount of money to finance these efforts.

#### Section

**1** **Tax compliance.** Directs the commissioner of revenue to undertake tax compliance and collection activities sufficient to collect an additional \$200 million in net general fund revenues for the FY2008-09 biennium (after taking into account the appropriation).

The commissioner is to periodically report to the legislative committees with jurisdiction over government operations and taxes on this effort. The commissioner may make recommendations to the legislature for changes to improve compliance, such as expanded information reporting or withholding.

A blank amount is appropriated from the general fund for the FY2008-09 biennium to finance these efforts.

**Effective date :** Day following final enactment.
