Overview

Makes Minnesota state high school league rules, excluding rules governing competition, subject to the administrative procedures act (APA) under chapter 14.

Section

- 1 Rules are subject to APA.** (a) Makes league rules subject to the administrative procedures act (APA) under chapter 14 instead of exempting it from the APA.

(b) Excludes from this subdivision a league rule that was adopted before the effective date of this section. Requires the league to readopt under chapter 14 any already-adopted rule if 100 people submit a written request. Limits to one year the effectiveness of an already-adopted rule that is the subject of a re-adoption request unless the rule is re-adopted under chapter 14.

(c) Exempts from this section the league rules governing competition.
- 2 Repealer.** Repeals MS, section 128C.03, governing procedures for the league to adopt its eligibility rules.
