Overview

This a Peace Officers Standards and Training (POST) Board agency bill. The bill is intended to update statutory language so that is reflects current practices and is consistent with the POST Board's rules. Most of the revisions relate to provisions governing peace officer pre-service education.

Section

- 1 Rules required.** Amends the language granting the Board rulemaking authority over pre-service training and education so that the statute reflects the language and standards found in the Board's rules. Makes other technical changes.
- 2 Board authority.** Removes an obsolete reference to peace officer training schools and replaces it with a reference to certified schools that offer the professional peace officer education program.
- 3 Powers and duties.** Removes obsolete language and language that is duplicated in other statutes.
