Section

- 1** **Definitions.** Amends § 62J.497, subd. 1. Adds a definition of “backward compatible.” Modifies the definition of “NCPDP SCRIPT Standard,” and “prescriber.”
- 2** **Requirements for electronic prescribing.** Amends § 62J, subd. 2. Modifies the e-prescribing requirements for providers, group purchasers, prescribers, and dispensers by requiring they use an electronic prescription drug program by January 1, 2011, in addition to establishing and maintaining a program. Makes other technical changes.
- 3** **Medication therapy management.** Adds § 62Q.676. Requires pharmacy benefit managers to provide medication therapy management for enrollees taking four or more prescriptions for two or more chronic conditions. Defines “medication therapy management.”
