Section

1 Hennepin and Ramsey Counties pilot program. Amends § 256B.0756. Modifies the criteria governing a pilot program operated by Hennepin County to test alternative and innovative health care delivery networks, by:

- (1) allowing the program to serve MA enrollees beyond those who are adults without children;
- (2) removing the enrollment cap of 7,000 enrollees; and
- (3) striking language that allows the county to transfer funds necessary to support the nonfederal share of payments for integrated health care delivery networks.

This section also allows the commissioner to identify individuals to be enrolled in the pilot program, based on Hennepin County zip code or whether individuals would benefit from an integrated health care delivery network.
