Overview

Makes a concurrent enrollment course offered at a high school subject to the same requirements as the course offered at a public or private postsecondary institution participating in the postsecondary enrollment options program.

Section

- 1 Courses according to agreements.** Requires a concurrent enrollment course offered in a high school to use the same syllabus, final exam, and grading scale as the equivalent course offered at an eligible public or private postsecondary institution.

Makes this section effective for the 2015-2016 school year and later.
