#### Section

- 1 **Sales and use tax.** Allows Proctor to increase the rate of its existing local sales tax from 0.5 percent to 1 percent, subject to voter approval at the next general election. The revenue from the increased tax would pay for the \$10 million in improvements to public utilities, sidewalks, bike paths and trails, and park and recreation facilities authorized in the 2008 and 2010 special laws. No additional spending is authorized.
- 2 **Effective date; validation of prior act.** Retroactively approves the extension of the existing sales tax and new uses for the sales tax revenue authorized in the 2008 and 2010 special laws, based on the voter approval at the 2010 general election and the filing of local approval with the secretary of state by January 1, 2015.
