management services from the Department of Natural Resources (DNR), administrative expenses of the council, and other expenses.

Subd. 7. Availability of appropriation. States that money appropriated may not be spent on activities unless they are directly related to and necessary for a specific appropriation and are specified in the accomplishment plan and may not be spent on indirect costs or other institutional overhead charges that are not directly related to a specific appropriation. Provides for the availability of funding depending on the use of the funds and whether or not federal funds are also used.

Subd. 8. Payment conditions and capital equipment expenditures. Requires all agreements to be administered on a reimbursement basis unless otherwise provided. Allows reasonable amounts to be advanced in some circumstances if approved as part of an accomplishment plan. Requires capital expenditures that exceed \$10,000 to be itemized and approved as part of an accomplishment plan.

Subd. 9. Mapping. Requires recipients of an appropriation to submit geographic information on lands acquired in fee with the appropriation that are open to the public for hunting and fishing to the DNR for mapping.

Subd. 10. Carryforwards. Extends the availability of three previous appropriations.

3 Prairies.

Modifies a previous appropriation for conservation easements on important bird areas to allow restoration and enhancement work as originally intended and provides an expiration date of June 30, 2021, for the appropriation. Provides a retroactive effective date.

4 Prairies.

Modifies a previous appropriation for conservation easements in the Anoka Sand Plain to expand the work to all areas of the ecoregion and intersecting watersheds rather than specific counties. Provides a retroactive effective date.

Article 2: Clean Water Fund

This article appropriates money in fiscal years 2020 and 2021 from the clean water fund for various projects and programs as well as updates, and modifies the state's Clean Water Legacy Act.
