## Overview

This bill requires the executive director of the POST Board to appoint a critical incident review team after each peace officer shooting and officer-involved death.

## Summary

Section	Description
---------	-------------

- |   |   |
|---|---|
| 1 | <b>Discharge firearm; kill animal.</b><br>Contains a technical conforming amendment.  |
| 2 | <b>Critical incident review team.</b><br>Directs the executive director of the POST Board to appoint a critical incident review team (CIRT) after each peace officer shooting and officer-involved death. Each CIRT is charged with identifying and analyzing the causes of the incident under investigation. The CIRT shall prepare a report and make recommendations on necessary corrective actions. The POST Board must file a report with the legislature every other year summarizing the work of CIRT teams. |
| 3 | <b>Definitions.</b><br>Defines terms contained in section 626.553.  |
