Summary

This bill makes several technical and minor language additions and clarifications to the workplace cannabis testing provisions, consistent with the requirements established in [Laws 2023, chapter 63, article 6, sections 26 to 38](#) - the legalization and regulation of cannabis act. Updates and clarifies the definitions, limitations, exceptions, and work rules that apply to cannabis and cannabis testing to reflect the changes made for cannabis and cannabis testing in the drug and alcohol testing in the workplace statutes, specifically sections 181.950, 181.951, 181.952, and 181.954. The House Research Department Act summary for cannabis testing in the workplace provisions in chapter 63 can be found on pages 46 and 47 [here](#).
