

House Research Department
3/25/04
Run: 2005LGAbase

Projected Change in city LGA between 2004 and 2005

The attached run compares the projected 2005 LGA amounts under current law¹ with the certified 2004 LGA amounts. The 2005 projected amounts are the baseline preliminary estimates made jointly by House and Senate tax staff. The factors used in calculating the 2005 amounts were updated from 2004 factors to the extent possible, based on the most recently available information from the Department of Revenue, survey information from local assessors, and some historical trends.

It should be noted that these are estimates. Final certified amounts will change as actual data replaces estimated data in the formula calculation. Final data will not be ready until July and certified 2005 LGA amounts will be available at the beginning of August.

The columns contain the following information:

- **Column 1:** 2002 population estimates (most recent available estimates)
- **Column 2:** Certified 2004 LGA
- **Column 3:** Baseline projected 2005 LGA
- **Column 4:** The change in LGA from certified 2004 to projected 2005
- **Column 5:** Certified 2004 per capita
- **Column 6:** Baseline projected 2005 LGA per capita
- **Column 7:** Change in LGA on a per capita basis from certified 2004 to projected 2005 amounts

For further information contact: Pat Dalton 651-296-7434

¹ As of March 15, 2004.
