RE: Cities impacted by transition change in H.F. 849

Only two cities are transitioning between the medium city and the large city revenue need formulas under current law—Fairmont and North Branch. Expanding the transition range from 10,000-10,500 to 10,000-11,000 adds one city—Big Lake. The extra LGA that would go to these cities under H.F. 849 is:

Big Lake - \$0

North Branch - \$1,328

Fairmont - \$107,787

This is in addition to the 24 cities impacted by the LGA error correction for Pay 2018, which is also in the bill. Those cities are listed in the memo regarding the LGA error.
