Run: lga2006cert

Certified 2006 City LGA compared to LGA from 2003 to 2005

The attached run shows LGA payments to individual cities for aids payable in 2003, 2004 and 2005 and compares them to the certified 2006 LGA amounts for each city. The certified amounts are based on the changes made in LGA during the 2005 regular and special sessions. The major changes made were:

- an additional \$48 million in the appropriation;
- a transition mechanism for cities moving from the small city (under 2,500 population) to the large city formula;
- \$6 per capita in city aid base for cities with a population of 5,000 or less; and
- removal of the taconite aid offset for certain taconite aid cities.

The original certified amounts and the actual amounts paid in CY 2003, after budget cuts are both shown. The certified 2004 LGA includes some onetime transition aid. The changes between LGA certified and paid in 2004 and LGA certified for 2005 are shown on a dollar amount and a per capita basis in the last two columns. LGA is paid in two installments over a calendar year – one-half in July and the remainder in December.

The columns contain the following information:

- **Column 1:** 2003 city population
- **Column 2:** Certified Pay 2003 LGA
- **Column 3:** Actual LGA paid in CY 2003
- **Column 4:** Certified Pay 2004 LGA (paid)
- **Column 5:** Certified Pay 2005 LGA (see note)
- **Column 6:** Certified Pay 2006 LGA
- **Column 7:** Change in LGA between certified Pay 2005 and certified Pay 2006

Note: There are some major differences between certified 2006 LGA and the 2006 LGA projections made during the legislative session due to new population, tax base, and accident rate data which became available in July.

For further information contact: Pat Dalton 651-296-7434
