

City LGA under the Senate amendment to H.F. 2268 compared to current law (both updated)

The attached run shows certified LGA for Pay 2007 and projected LGA for Pay 2008 under current law and under the LGA program included in the senate amendment to H.F. 2268.

The bill as amended does the following:

- Includes the volatility fix supported by the city groups and contained in H.F. 1115;
- Removes the taconite aid offset in the current formula;
- Adds additional city aid base for the cities of Newport, Taylors Falls, Rockville, Crookston and Brown's Valley;
- Adds \$80 million to the LGA formula for Pay 2008 and future years
- Adjusts the caps on increases for aids paid in 2008 to 30% of the previous year's levy to allow the new money to be distributed via the formula.
- Reflects the modification to the city of Mahanomen's tax base to immediately recognize the loss of taxes from the casino

Cities that lose money between 2008 under current law and under this bill do so because of the proposed volatility fix. These cities are scheduled to get a large increase in LGA between 2007 and 2008 under current law and the fix delays part of the increase until Pay 2009.

Please know that final information for some of variables in the LGA formula are not yet available; the final certifications will be different.

The columns contain the following information:

- **Column 1:** 2005 Population
- **Column 2:** Certified Pay 2007 LGA
- **Column 3:** Projected Pay 2008 LGA based on current law
- **Column 4:** Projected Pay 2008 LGA under H.F. 2268
- **Column 5:** Increase in 2008 LGA under H.F. 2268 compared to 2008 LGA under current law
- **Column 6:** Per capita Change in projected 2008 LGA under H.F. 2268 compared to under current law
