(b) The following costs are reimbursable for purposes of this chapter:

(1) corrective action costs incurred by the applicant and documented in a form prescribed by the board, except the costs related to the physical removal of a tank; and

(2) costs that the responsible person is legally obligated to pay as damages to third parties for bodily injury, property damage, or corrective action costs incurred by a third party caused by a release where the responsible person’s liability for the costs has been established by a court order or court-approved settlement; and

(3) up to 180 days of interest costs associated with the financing of corrective action and incurred by the applicant in a written extension of credit or loan that has been signed by the applicant and executed after July 1, 2002, provided that the applicant documents that:

   (ii) the board has not considered the application within the applicable time frame specified in section 115C.09, subdivision 2a, paragraph (c).

Interest costs meeting the requirements of this clause are eligible only when they are incurred between the date a complete initial application is received by the board, or the date a complete supplemental application is received by the board, and the date that the board first notifies the applicant of its reimbursement determination. An application is complete when the information reasonably required or requested by the board’s staff from the applicant has been received by the board’s staff. Interest costs are not eligible for reimbursement to the extent they exceed two percentage points above the adjusted prime rate charged by banks, as defined in section 270.75, subdivision 5, at the time the extension of credit or loan was executed.

(c) A cost for liability to a third party is incurred by the responsible person when an order or court-approved settlement is entered that sets forth the specific costs attributed to the liability. Except as provided in this paragraph, reimbursement may not be made for costs of liability to third parties until all eligible corrective action costs have been reimbursed. If a corrective action is expected to continue in operation for more than one year after it has been fully constructed or installed, the board may estimate the future expense of completing the corrective action and, after subtracting this estimate from the total reimbursement available under subdivision 3, reimburse the costs for liability to third parties. The total reimbursement may not exceed the limit set forth in subdivision 3."

PROFESSIONAL SPORTS PRESERVATION
AND STADIUM CONSTRUCTION

Section 1. [16A.88] [STADIUM CONSTRUCTION FUND.]

Subdivision 1. [FUND ESTABLISHED.] A stadium construction fund is established in the special revenue fund in the state treasury, consisting of money paid to the commissioner of finance under subdivision 3, and interest or permitted investments gains thereon. Money held in the account is to be used by the commissioner solely for payments as provided in subdivision 2.

Subd. 2. [USES OF FUND.] (a) The commissioner shall give $330,000,000 to a city, as defined in section 3, to finance the costs of designing, acquiring, constructing, furnishing, and equipping a baseball park for a major league baseball franchise.

(b) Of this amount, $165,000,000 shall be a grant issued to the city for the purposes of paragraph (a). The commissioner shall make an additional $165,000,000 of this amount a loan to the city for the purposes of paragraph (a). This ballpark loan shall be repaid in annual installments to the commissioner of finance at a rate of 6.5 percent, amortized over 30 years. The commissioner shall deposit these payments annually into the general fund.

(c) In addition, any available amounts in the fund may be used, as appropriated by law, to provide financial assistance to construct a football stadium and to make improvements to other sports facilities in the state.

Subd. 3. [FINANCING OF STADIUM CONSTRUCTION FUND.] The stadium construction fund shall be financed by a license fee in the amount of $330,000,000 to be paid by the licensee receiving a license under article 2, section 2. Upon receipt of the license fee payment transfer from the commissioner of public safety, as provided in article 2, section 5, the commissioner of finance shall deposit the payment in the stadium construction fund.
Sec. 2. Minnesota Statutes 2000, section 272.02, is amended by adding a subdivision to read:

Subd. 50. [BASEBALL PARK.] Real or personal property acquired, owned, leased, controlled, used, or occupied as a baseball park by a major league professional baseball team is exempt from taxation but the property is subject to special assessments levied by a political subdivision under chapter 429. The baseball park includes parking facilities and land necessary to and part of the use of the baseball park. A use of the property in any manner different from its use as a baseball park must not be considered in determining the special benefit under chapter 429 received by the properties. Notwithstanding section 272.01, subdivision 2, or 273.19, real or personal property on the premises of the baseball park leased by the local government unit that operates the baseball park to another person or entity for uses directly related to the operation of the baseball park is exempt from taxation regardless of the length of the lease. This subdivision expires one month after repayment of the loan issued to finance the baseball park.

Sec. 3. [SITE SELECTION FOR BASEBALL PARK.]

Subdivision 1. [DEFINITION.] (a) For purposes of this article, the following terms have the meanings given, unless the context indicates otherwise.

(b) "City" means the statutory or home rule charter city, designated by the council as the site for the baseball park.

(c) "Commissioner" means the commissioner of finance.

(d) "Council" means the executive council under Minnesota Statutes, section 9.011.

(e) "Ballpark loan" means the loan as provided in section 1, subdivision 2, paragraph (b), to finance the costs of designing, acquiring, constructing, furnishing, and equipping a baseball park for a major league baseball franchise.

Subd. 2. [SITE SELECTION PROCESS.] On or before April 1, 2003, the council shall select a city to provide a site for the new baseball park. The required elements of the selection process are:

1. the council shall accept bids from any city within the metropolitan area, as defined in Minnesota Statutes, section 473.121, subdivision 2;

2. acceptable bids must provide, at a minimum, for the provision of land of a site that is of adequate size for the baseball park and adjacent parking facilities to be made available to the team;

3. the site must be in a condition appropriate for development;

4. the bid must specify the intent of the city to own and operate the baseball park and demonstrate a reasonable capacity to do so;

5. the bid must demonstrate the financial capacity of the city to make the annual payments under and satisfy any other conditions of the loan under this act; and

6. the legislative commission on planning and fiscal policy has reviewed the bids and made a recommendation to the council regarding the proposed host city and site for the baseball park.

Subd. 3. [SELECTION CRITERIA.] In selecting a site, the council shall consider, at least the following:

1. the adequacy of the size of the site relative to preferred design for the baseball park;

2. the adequacy of existing public infrastructure serving the site, including parking and highway, road, and transit access to meet the demands created by events at the baseball park in combination with other uses or events in the area that create traffic, transit or parking demands;
(3) the costs of any likely infrastructure improvements for the facility;

(4) potential development advantages including development of compatible mixed use, commercial, and housing developments in the area surrounding the baseball park;

(5) compatibility of surrounding uses with the baseball park; and

(6) appropriate aesthetic considerations.

Subd. 4. [PRE-CONDITIONS FOR SELECTION.] Before the council may designate a city as the host city for the baseball park, the council must determine that each of the following is met for the proposed baseball park:

(1) all of the requirements of sections 3 to 6 have been met by the city, the team, and major league baseball;

(2) the pledged financial contribution from the team to the city will be sufficient to pay the debt service on the ballpark loan:

(3) the city has established a baseball park district to foster the development and continuing growth of compact, pedestrian-oriented, compatible mixed uses within buildings and blocks around the baseball park;

(4) the requirements of subdivision 5 have been met; and

(5) the legislative commission on planning and fiscal policy has approved the site, in its recommendation to the council.

Subd. 5. [COMMUNITY OWNERSHIP.] (a) The owner of the major league baseball team must agree that before the owner sells a majority ownership interest in the team, the owner will attempt for a reasonable time to comply with the requirements of paragraphs (b) and (c).

(b) The owner of the team must work with the governor, the commissioner, and a community foundation or corporation on a plan to:

(1) transfer by gift to a foundation or corporation all ownership interests in the team;

(2) provide for sale of shares in the team by the foundation or corporation to the community, in a manner such that up to 49 percent of the voting stock may be dispersed so that no person owns more than five percent; and

(3) ensure that the franchise may not move from Minnesota without approval of 75 percent of the shares of voting stock.

(c) The owner of the team must attempt to reach an agreement on the sale of a majority interest in the team to one or more Minnesota buyers before attempting to sell the majority interest to others.

(d) If the owner of the team attempts to sell a majority interest in the team, the commissioner must report to the legislature at the beginning of the next legislative session on efforts to work with the owner of the team to implement this subdivision.

Sec. 4. [PRE-CONDITIONS TO ISSUING LOAN.]

Subdivision 1. [COMMISSIONER TO DETERMINE.] Before making a ballpark loan under this act, the commissioner must determine that:

(1) the team has agreed with the city to make payments on the ballpark loan on behalf of the city at the times and in the amounts provided in the loan agreement;
(2) the team has provided the city with sufficient guarantees for the team's performance in making ballpark loan payments on behalf of the city;

(3) the conditions required under section 6, have been met;

(4) the governing body of the city approves by two-thirds vote a resolution confirming that it will own the baseball park and agree to the terms of the ballpark loan;

(5) the city has executed agreements that provide for the construction of a roof-ready baseball park to be owned by the city for a guaranteed maximum price not to exceed $330,000,000, and that require performance bonds in an amount at least equal to 100 percent of the guaranteed maximum price to cover any costs incurred over and above the guaranteed maximum price, including, but not limited to, costs incurred by the city and loss of revenues resulting from incomplete construction on the substantial completion date; and

(6) the city has entered into a contract with a manager to operate the baseball park for the use of the major league baseball team.

Subd. 2. [AGREEMENT; TEAM.] Before the commissioner may provide a loan under this act, the city must have entered into a use agreement with the major league baseball team that provides:

(1) the major league baseball team is responsible for and must pay for all cost overruns incurred in construction of the baseball park;

(2) the major league baseball team will use the baseball park for all scheduled home preseason, regular season, and postseason games that the major league baseball team is entitled to play at home for not less than 30 years without an escape clause for the major league baseball team;

(3) that transfer of any portion of ownership or equity in the major league baseball team does not change any obligations, responsibilities, or privileges under the agreement or this article;

(4) the major league baseball team will ensure that a portion of the tickets for its games are accessible and affordable;

(5) the major league baseball team will receive all revenue generated at the stadium except as otherwise specifically provided in this act;

(6) a listing of all revenue streams generated from use of the baseball park with a specification of what revenues are available to cover the major league baseball team operations, which accrue to the city and which are available to the team for repayment of the ballpark loan;

(7) the major league baseball team must operate and maintain the stadium in excellent condition during the duration of the agreement. The city must verify that the team complies with this requirement;

(8) delineation of the responsibility for repair, maintenance, and replacement of equipment or property in the baseball park, including inspections by the city and a representative of the state;

(9) the major league baseball team shall provide a letter of credit in an amount that protects the public interest in the event of a default by the major league baseball team or a disruption in the season due to a player strike or lockout;

(10) the agreement must afford to the city the rights and remedies at law and equity that are deemed necessary and appropriate to provide reasonable assurance that the baseball team and the owner will comply with the agreements through the 30-year term. The remedies must include, but not be limited to, specific performance and injunctive relief, and may include any other equitable remedies, and any additional remedies or ownership, voting.
or other security arrangements the city reasonably determines to be effective in ensuring the baseball team will play the required games in the baseball park throughout the 30-year term. The legislature intends that a material breach of an agreement between the city and professional athletic teams that commit to the long-term playing of professional baseball games at public facilities is deemed to cause irreparable harm for which no adequate remedy at law is available and that the grant of equitable relief to remedy the breach is in the public interest and shall be liberally so construed:

(11) that the major league baseball team has the following obligations during the period of construction of a major league baseball stadium:

(i) the payment of the prevailing wage rate as defined in Minnesota Statutes, section 177.42, to all construction workers;

(ii) the provision to the city of a signed agreement between the major league baseball team and the construction unions that will work on the new stadium that mandates a no-strike and no-lockout period during construction of a baseball park;

(iii) all construction materials for the baseball park produced from or containing steel, so far as practicable, must use steel produced in the United States from taconite produced in Minnesota; and

(12) if there is a sale or transfer of ownership of the major league baseball team, the owner of the team shall pay to the state an amount equal to the state’s share of the appreciated value of the team. The state’s share must be based on the value of the state investment in the baseball park and must be determined according to a formula included in the use agreement.

Subd. 3. [AMATEUR SPORTS.] Before the commissioner may provide a loan under this act, the city must provide that the baseball park will be available for use by the state high school and amateur sports leagues when practicable.

Subd. 4. [MAJOR LEAGUE BASEBALL GUARANTY.] Before the loan is provided, with the advice of the attorney general, the city must execute an agreement with the major league of which the baseball team is a member and with major league baseball that guarantees the continuance of a major league franchise in the metropolitan area for the greater of (i) 30 years or (ii) the term of the loan provided to finance the baseball park.

Sec. 5. [FINANCING; ROOF CONSTRUCTION.]

Subdivision 1. [OWNERSHIP; TAX AUTHORITY.] The city shall own the baseball park and, subject to the restrictions in this section, may impose one or more of the taxes under this section to provide financing for construction of a roof for the stadium, not to exceed $75,000,000.

Subd. 2. [BASEBALL PARK ADMISSIONS TAX.] Notwithstanding any other law, the city may impose an admissions tax of up to ten percent of the sale price upon the granting, issuance, sales, or distribution, by any private or public person, association, or corporation, of the privilege of admission to activities at the baseball park. No other tax, surcharge, or governmental imposition, except the taxes collected under Minnesota Statutes, chapter 297A, may be levied by any other unit of government upon any such sale or distribution.

The admission tax must be stated and charged separately from the sales price so far as practicable and must be collected by the grantor, seller, or distributor from the person admitted. The admission tax collected must be used for payment of the roof construction. The tax is a debt from that person to the grantor, issuer, seller, or distributor, and the tax required to be collected is a debt owed by the grantor, issuer, seller, or distributor to the local government unit, recoverable at law in the same manner as other debts. Every person granting, issuing, selling, or distributing tickets for admissions to the ballpark may be required to secure a permit, to file returns, to deposit security for the payment of the tax, and to pay the penalties for nonpayment and interest on late payments, as deemed necessary or expedient to assure the prompt and uniform collection of the tax.
Subd. 3. [FOOD AND BEVERAGE TAXES.] Notwithstanding Minnesota Statutes, section 477A.016, or any other limitation of law or charter, and in addition to other taxes previously authorized by law, the city may by ordinance impose liquor and food taxes not to exceed five percent at a retail level on any business within the city. The ordinance must provide for dedication of the taxes or fees, after payment of collection and administrative expenses and refunds, to payment of the roof construction cost.

Subd. 4. [LODGING TAX.] Notwithstanding Minnesota Statutes, section 477A.016, or any other limitation of law or charter to the contrary, the city may impose, by ordinance, a lodging tax at a rate of no more than five percent on the gross receipts from the furnishing for consideration of lodging as described in Minnesota Statutes, section 469.190, subdivision 1. The city may impose this tax on all or part of the city, as provided in the ordinance and may provide for exempting hotels or motels based on the number of rooms they have available. The ordinance must provide for dedication of the taxes and other income from the tax, after payment of collection and administrative expenses and refunds, to payment of the roof construction costs.

Subd. 5. [PARKING TAX, SURCHARGE, OR BOTH.] The city may, by ordinance, impose a parking tax or surcharge or both of not less than $2 per vehicle per event at the baseball park. The parking tax and surcharge apply to public and privately owned parking facilities in the area that the city determines in its ordinance provide event parking for the baseball park. The ordinance must provide for dedication of the taxes and other income from the tax, after payment of collection and administrative expenses and refunds, to payment of the roof construction costs.

Subd. 6. [REFERENDUM.] (a) Before any city imposes a tax under subdivisions 3 to 5, the imposition of the tax must be approved by the voters of the city at an election.

(b) Notwithstanding any statute, charter provision, or other law to the contrary, if the tax is approved in a referendum under this subdivision, an ordinance enacting the tax is not subject to another vote of the electorate by referendum, initiative, charter amendment, or in any other manner.

Subd. 7. [EXPIRATION; LOCAL OPTION TAXES.] When the costs of roof construction have been repaid, subdivisions 3 to 5 and the taxes authorized by them expire.

Sec. 6. [OBLIGATIONS; MAJOR LEAGUE PROFESSIONAL BASEBALL TEAM.]

Subdivision 1. [OBLIGATIONS FOR LOAN.] (a) The major league professional baseball team must fully and completely do its part to accomplish the requirements of paragraphs (b), (c), and (d) before the commissioner may provide a ballpark loan to finance the baseball park.

(b) The requirements are that:

(1) a signed lease for not less than 30 years between the city and the major league professional baseball team must be completed with no escape clauses;

(2) the major league professional baseball team has signed an agreement with the city agreeing to allow the baseball park to be available on nongame days for potential use by the University of Minnesota, Minnesota state colleges and universities, private colleges and universities, the state high school league, the city for community events, and the Minnesota amateur sports commission;

(3) the major league of which the baseball team is a member and major league baseball have both executed an agreement with the city that guarantees the continuance of a major league franchise in the metropolitan area for the greater of (i) 30 years from the date of the agreement or (ii) the term of the loan under section 1;

(4) the major league professional baseball team and major league baseball have signed an agreement with the city to cooperate in maintaining the facility as a smoke-free facility; and
(5) the major league professional baseball team has agreed to make all reasonable efforts to ensure that businesses owned by socially disadvantaged persons are awarded contracts for construction and operation of the baseball park in proportion to the number of qualified businesses owned by socially disadvantaged persons in the metropolitan area. In addition, the team has agreed to make all reasonable efforts to ensure that employment of socially disadvantaged persons for the construction or operation of the baseball park will be proportionate to the number of qualified workers who are socially disadvantaged persons in the metropolitan area. For the purposes of this clause, "socially disadvantaged persons" is as defined in Minnesota Rules, part 1230.0150, subpart 24. The city must report to the legislature annually on the implementation of this clause.

(c) The major league baseball team must sign, as a condition of receiving any public assistance, a contract with the city under which the city would obtain from the team the rights to the control and use of the team name and logo in the event that the team relocates to another state. Under such a contract, the team must notify the city within 24 hours of signing an agreement to relocate, and at midnight immediately following notification, all income from existing contracts for the use of the team name and logo and all team property with the team name and logo, other than personal property of team members and principals, will become the property of the city. This agreement and the requirement that it be entered may not be construed as authorizing or permitting the team to relocate before the end of the lease and use agreements with the city.

(d) The team has signed an agreement with the city obligating the team to make payments on the ballpark loan on behalf of the city on the times and in the amounts required, and to provide the city with sufficient guarantees for the team's performance in making ballpark loan payments on behalf of the city.

Subd. 2. [DESIGN AND CONSTRUCTION.] (a) The major league professional baseball team shall design and construct the baseball park. Before the design process is complete and construction begins, the city and the team must hold at least one public hearing on the proposed design. All funds provided to the city under this act must be managed by the city and made available to the team as the team deems necessary for construction purposes.

(b) All construction materials for the baseball park produced from or containing steel, so far as practicable, must use steel produced in the United States from taconite produced in Minnesota. The city shall establish and impose on the major league professional baseball team appropriate compliance procedures.

Subd. 3. [OBLIGATIONS DURING CONSTRUCTION.] The major league professional baseball team during the period of construction of a baseball park must:

(1) pay the prevailing wage rate as defined in Minnesota Statutes, section 177.42, to all construction workers;

(2) provide to the city a signed agreement between the major league professional baseball team and the construction unions that will work on the new baseball park that mandates a no-strike and no-lockout period during construction of the baseball park; and

(3) pay any cost overruns that occur during the construction period.

Sec. 7. [BASEBALL PARK; LIQUOR LICENSE.] The city in which the baseball park is located may issue an intoxicating liquor license for the premises of the baseball park. This license is in addition to the number authorized by law. All provisions of Minnesota Statutes, chapter 340A, not inconsistent with this section apply to the license authorized under this section.

Sec. 8. [CONDOMINIUM.] The city selected to be the location of the baseball park may, by itself or together with another owner, and any other public or private person or entity, as to real or personal property comprising or appurtenant or ancillary to the baseball park, act as a declarant and establish a condominium or leasehold condominium under Minnesota Statutes, chapter 515A, or as a common interest community or leasehold common interest community under Minnesota
Statutes, chapter 515B, and may grant, establish, create, or join in other or related easements, agreements, and similar benefits and burdens that the city may deem necessary or appropriate, and may exercise any and all rights and privileges, and assume obligations under them as a declarant, unit owner, or otherwise, insofar as practical and consistent with this act. The city may be a member of an association and the chair, any members of its governing body, and any officers and employees of the city may serve on the board of an association under Minnesota Statutes, chapter 515A or 515B.

Sec. 9. [OLYMPIC BID; FACILITY CONSTRUCTION.]

The governor must evaluate: (1) the feasibility of Minnesota preparing a bid to host the 2012 or future summer Olympics; and (2) the possibility that hosting the 2012 or future summer Olympics may result in sources other than the state or a local governmental unit constructing facilities that could be used by Minnesota professional sports teams after completion of the Olympics.

If the governor determines that preparation of a bid to host the 2012 or future Olympics could be cost beneficial to the state, the governor, in consultation with appropriate persons in the public and private sector, must take steps necessary to begin bid preparation.

This subdivision applies to messages to a recipient who did not request the document or with whom the initiator did not have a prior or current business or personal relationship.

Subd. 4. [TOLL-FREE NUMBER.] (a) A sender initiating the transmission of a commercial electronic mail message must establish a toll-free telephone number or valid sender-operated return e-mail address that the recipient of the documents may call or access by e-mail to notify the sender not to transmit by e-mail any further unsolicited documents.

(b) A commercial electronic mail message must include a statement informing the recipient of the toll-free telephone number that the recipient may call, or a valid return address to which the recipient may write or access by e-mail, notifying the sender not to transmit to the recipient by e-mail any further unsolicited documents to the e-mail address, or addresses, specified by the recipient.

Subd. 5. [BLOCKING RECEIPT OR TRANSMISSION.] (a) An interactive computer service, upon its own initiative, may block the receipt or transmission through its service of any commercial electronic mail that it reasonably believes is, or will be, sent in violation of this section.

(b) No interactive computer service may be held liable for any action voluntarily taken in good faith to block the receipt or transmission through its service of any commercial electronic mail that it reasonably believes is, or will be, sent in violation of this section.

Subd. 6. [DAMAGES.] In addition to remedies available under section 8.31, 325F.70, or other law:

(1) a recipient of a commercial electronic mail message sent in violation of this section is entitled to damages of $500, or actual damages, whichever is greater; and
