An identification label or tag shall consist of paper, plastic, metal, or another durable material that is not easily damaged or destroyed. Identification labels used may contain a nonpermanent adhesive material in order to apply the label directly to an outside surface of a beer keg at the time of sale. Identification tags shall be attached to beer kegs at the time of sale with nylon ties or cording, wire ties or other metal attachment devices, or another durable means of tying or attachment of the tag to the beer keg. The identification information contained on the label or tag shall include the licensed off-sale retailer’s name, address, and telephone number; a unique beer keg number assigned by the retailer; and a prominently visible warning that intentional removal or defacement of the label or tag is a criminal offense. Upon return of a beer keg to the off-sale retailer that sold the beer keg and attached the identification label or tag, the off-sale retailer shall be responsible for the complete and thorough removal of the entire identification label or tag, and any adhesive or attachment devices of the label or tag. The identification label or tag must be kept on file with the retailer for not less than 90 days from the date of return.

Subd. 6. [VIOLATIONS.] (a) A person required to record information under subdivision 4 may not knowingly make a materially false entry in the book or register required under subdivision 4. In a prosecution under this subdivision, it is a defense for the defendant to prove by a preponderance of the evidence that the defendant reasonably and in good faith relied upon the identification provided by the purchaser of a beer keg.
(b) No person other than an off-sale retailer, a licensed wholesaler of malt beverages, a peace officer, the commissioner, or an agent of the commissioner may intentionally remove identification placed on a beer keg in compliance with subdivision 3.
