Subdivision 1. [ESTABLISHMENT; USE.] (a) The commissioner may establish systems and records to fulfill the requirements of section 245A.04. The commissioner may also use these systems and records to obtain and provide criminal history data from the bureau of criminal apprehension and data about substantiated maltreatment under section 626.556 or 626.557, for other purposes, provided that:

A person making a request under clause (2) must agree in writing not to disclose the data to any other person without the consent of the subject of the data.

(b) The commissioner may recover the cost of obtaining and providing background study data by charging the person requesting the study a fee of no more than $12 per study. The fees collected under this paragraph are appropriated to the commissioner for the purpose of conducting background studies.

Subd. 2. [NATIONAL RECORDS SEARCH.] When specifically required by statute, the commissioner shall also obtain criminal history data from the national criminal records repository. To obtain criminal history data from the national criminal records repository, the commissioner shall require classifiable fingerprints of the data subject and must submit these fingerprint requests through the bureau of criminal apprehension. Subd. 8. [PROFESSIONAL GUARDIAN OR CONSERVATOR.] "Professional guardian or conservator" means a person who acts as a guardian or conservator at the same time for two or more wards or conservatees who are not related to the guardian or conservator by blood or marriage.
Sec. 3. [525.545] [BACKGROUND STUDY.]

Subdivision 1. [WHEN REQUIRED; EXCEPTION.] (a) The court shall require a background study under this section:

(1) before the appointment of a guardian or conservator, unless a background study has been done on the person under this section within the previous five years; and

(2) once every five years after the appointment, if the person continues to serve as a guardian or conservator.

(b) The background study must include criminal history data from the bureau of criminal apprehension and data regarding whether the person has been a perpetrator of substantiated maltreatment of a vulnerable adult.

(c) The court shall request a search of the national criminal records repository if the proposed guardian or conservator has not resided in Minnesota for the previous five years or if the bureau of criminal apprehension information received from the commissioner of human services under subdivision 2, paragraph (b), indicates that the subject is a multistate offender or that the individual’s multistate offender status is undetermined.

(d) If the guardian or conservator is not an individual, the background study must be done on all individuals currently employed by the proposed guardian or conservator who will be responsible for exercising powers and duties under the guardianship or conservatorship.

(e) If the court determines that it would be in the best interests of the ward or conservatee to appoint a guardian or conservator before the background study can be completed, the court may make the appointment pending the results of the study.

(f) The fee for conducting a background study for appointment of a professional guardian or conservator must be paid by the guardian or conservator. In other cases, the fee must be paid as follows:

(1) if the matter is proceeding in forma pauperis, the fee is an expense for purposes of section 563.01;

(g) The requirements of this subdivision do not apply if the guardian or conservator is:

(1) a state agency or county;

(2) a parent or guardian of a proposed ward or conservatee who has mental retardation or a related condition, if the parent or guardian has raised the proposed ward or conservatee in the family home until the time the petition is filed, unless counsel appointed for the proposed ward or conservatee under section 525.5501 recommends a background study; or

(3) a bank with trust powers, bank and trust company, or trust company, organized under the laws of any state or of the United States and which is regulated by the commissioner of commerce or a federal regulator.

The request must be accompanied by the applicable fee and the signed consent of the subject of the study authorizing the release of the data obtained to the court. If the court is requesting a search of the national criminal records repository, the request must be accompanied by a set of classifiable fingerprints of the subject of the study. The fingerprints must be recorded on a fingerprint card provided by the commissioner of human services.
(b) The commissioner of human services shall provide the court with information from the bureau of criminal apprehension’s criminal justice information system and data regarding substantiated maltreatment of vulnerable adults under section 626.557 within 15 working days of receipt of a request. If the subject of the study has been the perpetrator of substantiated maltreatment of a vulnerable adult, the response must include a copy of the public portion of the investigation memorandum under section 626.557, subdivision 12b. If the court did not request a search of the national criminal records repository and information from the bureau of criminal apprehension indicates that the subject is a multistate offender or that multistate offender status is undetermined, the response must include this information. The commissioner shall provide the court with information from the national criminal records repository within three working days of the commissioner’s receipt of the data.

(c) Notwithstanding section 626.557, subdivision 12b, if the commissioner of human services or a county lead agency has information that a person on whom a background study was previously done under this section has been determined to be a perpetrator of maltreatment of a vulnerable adult, the commissioner or the county may provide this information to the court that requested the background study. The commissioner may also provide the court with additional criminal history information that becomes available after the background study is done.

Subd. 3. [FORM.] The commissioner of human services shall develop a form to be used for requesting a background study under this section, which must include:

1. a notification to the subject of the study that the court will request the commissioner to perform a background study under this section;

2. a notification to the subject of the rights in subdivision 4; and

3. a signed consent to conduct the background study.

Subd. 4. [RIGHTS.] The court shall notify the subject of a background study that the subject has the following rights:

If a petition is filed, the resolution may be implemented unless disapproved by a majority of the voters of the county voting on the question at a regular or special election.

(4) game refuges designated by the commissioner of natural resources under section 97A.085; or

(5) transaction fees established by the commissioner of natural resources for electronic or telephone sales of licenses, stamps, permits, registrations, or transfers under section 84.027, subdivision 15, paragraph (a), clause (3).

(e) If a statute provides that a rule is exempt from chapter 14, and section 14.386 does not apply to the rule, the rule has the force of law unless the context of the statute delegating the rulemaking authority makes clear that the rule does not have force of law.

Sec. 20. Minnesota Statutes 2000, section 14.388, is amended to read:

14.388 [GOOD CAUSE EXEMPTION.]

If an agency for good cause finds that the rulemaking provisions of this chapter are unnecessary, impracticable, or contrary to the public interest when adopting, amending, or repealing a rule to:

(1) address a serious and immediate threat to the public health, safety, or welfare;

(2) comply with a court order or a requirement in federal law in a manner that does not allow for compliance with sections 14.14 to 14.28;

(3) incorporate specific changes set forth in applicable statutes when no interpretation of law is required; or

(4) make changes that do not alter the sense, meaning, or effect of a rule,

the agency may adopt, amend, or repeal the rule after satisfying the requirements of section 14.386, paragraph (a), clauses (1) to (3). The agency shall incorporate its findings and a brief statement of its supporting reasons in its order adopting, amending, or repealing the rule.

In review of the rule under section 14.386, the office of administrative hearings shall determine whether the agency has provided adequate justification for its use of this section.

Rules adopted, amended, or repealed under clauses (1) and (2) are effective for a period of two years from the date of publication of the rule in the State Register.

Rules adopted, amended, or repealed under clause (3) or (4) are effective upon publication in the State Register.

Sec. 21. Minnesota Statutes 2000, section 14.389, subdivision 2, is amended to read:

Subd. 2. [NOTICE AND COMMENT.] The agency must publish notice of the proposed rule in the State Register and must mail the notice to persons who have registered with the agency to receive mailed notices. The mailed notice must include either a copy of the proposed rule or a description of the nature and effect of the proposed rule and a statement that a free copy is available from the agency upon request. The notice in the State Register must include the proposed rule or the amended rule in the form required by the revisor under section 14.07, an easily
readable and understandable summary of the overall nature and effect of the proposed rule, and a citation to the most specific statutory authority for the rule, including authority for the rule to be adopted under the process in this section. The agency must allow 30 days after publication in the State Register for comment on the rule.

Sec. 22. [EFFECTIVE DATE.]

This act is effective August 1, 2001, and applies to rules for which a notice under Minnesota Statutes, section 14.14, subdivision 1a; or 14.22, is published in the State Register on or after that date."

Delete the title and insert:

CALL OF THE HOUSE LIFTED

McElroy moved that the call of the House be suspended. The motion prevailed and it was so ordered.

S. F. No. 555 was reported to the House.

Seifert moved to amend S. F. No. 555 as follows:

Delete everything after the enacting clause and insert the following language of H. F. No. 667, the fourth engrossment:

"Section 1. Minnesota Statutes 2000, section 14.05, subdivision 6, is amended to read:

Subd. 6. [VETO OF ADOPTED RULES.] The governor may veto all or a severable portion of a rule of an agency as defined in section 14.02, subdivisions 2 and 4, by submitting notice of the veto to the State Register within 14 days of receiving a copy of the rule from the secretary of state under section 14.16, subdivision 3, 14.26,"
subdivision 3, or 14.386 or the agency under section 14.389, subdivision 3, or section 14.3895. The veto is effective when the veto notice is submitted to the State Register. This authority applies only to the extent that the agency itself would have authority, through rulemaking, to take such action. If the governor vetoes a rule or portion of a rule under this section, the governor shall notify the chairs of the legislative committees having jurisdiction over the agency whose rule was vetoed. The governor may not veto a rule or portion of a rule promulgated by a constitutional officer.

Sec. 2. [14.055] [RULE VARIANCES; STANDARDS.]

Subdivision 1. [AUTHORITY.] A person or entity may petition an agency for a variance from a rule adopted by the agency, as it applies to the circumstances of the petitioner.

Subd. 2. [GENERAL TERMS.] The following general terms apply to variances granted pursuant to this section:

(1) the agency may attach any conditions to the granting of a variance that the agency determines are needed to protect public health, safety, or the environment;

(2) a variance has prospective effect only;

(3) conditions attached to the granting of a variance are an enforceable part of the rule to which the variance applies; and

(4) the agency may not grant a variance from a statute or court order.

Subd. 3. [MANDATORY VARIANCES.] An agency shall grant a variance from a rule as applied to the particular circumstances of the petitioner, if the agency finds that the application of the rule, as applied to the circumstances of that petitioner, would not serve any of the purposes of the rule.

Subd. 4. [DISCRETIONARY VARIANCES.] An agency may grant a variance if the agency finds that:

(1) application of the rule to the petitioner would result in hardship or injustice;

(2) variance from the rule would be consistent with the public interest; and

(3) variance from the rule would not prejudice the economic or substantial legal rights of any person or entity.

Subd. 5. [RULES.] An agency may adopt rules under section 14.389 establishing general standards for granting mandatory or discretionary variances from its rules. Section 14.389, subdivision 5, applies to these rules. An agency also may grant variances based on standards specified in other law.

Sec. 3. [14.056] [RULE VARIANCES; PROCEDURES.]

Subdivision 1. [CONTENTS OF VARIANCE PETITION.] A petition for a variance under section 14.055 must include the following information:

(1) the name and address of the person or entity for whom a variance is being requested;

(2) a description of and, if known, a citation to the specific rule for which a variance is requested;

(3) the variance requested, including the scope and duration of the variance;

(4) the reasons that the petitioner believes justify a variance, including a signed statement attesting to the accuracy of the facts asserted in the petition;
(5) a history of the agency's action relative to the petitioner, as relates to the variance request;

(6) information regarding the agency's treatment of similar cases, if known; and

(7) the name, address, and telephone number of any person the petitioner knows would be adversely affected by the grant of the petition.

Subd. 2. [FEES.] (a) An agency may charge a petitioner a variance fee. The fee is:

(1) $10, which must be submitted with the petition, and is not refundable; or

(2) the estimated cost for the agency to process the variance petition, if the agency estimates that the cost will be more than $20.

(b) If an agency intends to charge costs to the petitioner under paragraph (a), clause (2):

(1) the agency and the petitioner must agree on the costs and the timing and manner of payment;

(2) for purposes of the 60-day limit in subdivision 5, the petition is not complete until there is agreement with the petitioner on the costs and timing and manner of payment; and

(3) if the payment made by the petitioner exceeds the agency's actual costs, the agency must refund the overpayment to the petitioner. The payment is not otherwise refundable.

(c) Proceeds from fees charged under this subdivision must be deposited in the fund that supports the program that is the subject of the variance petition.

Subd. 3. [NOTICE.] In addition to any notice required by other law, an agency shall make reasonable efforts to ensure that persons or entities who may be affected by the variance have timely notice of the request for a variance. The agency may require the petitioner to serve notice on any other person or entity in the manner specified by the agency.

Subd. 4. [ADDITIONAL INFORMATION.] Before granting or denying a variance petition, an agency may request additional information from the petitioner.

Subd. 5. [ORDER; TIMING.] An agency must issue a written order granting or denying a variance and specifying the scope and period of any variance granted. The order must contain an agency statement of the relevant facts and the reasons for the agency's action. The agency shall grant or deny a variance petition as soon as practicable, and within 60 days of receipt of the completed petition, unless the petitioner agrees to a later date. Failure of the agency to act on a petition within 60 days constitutes approval of the petition.

Subd. 6. [ORDER; DELIVERY.] Within five days of issuing a variance order, the agency shall send the order to the petitioner and to any other person entitled to notice under other law.

Subd. 7. [RECORD.] An agency shall maintain a record of all orders granting and denying variances under section 14.055. The records must be indexed by rule and be available for public inspection to the extent provided in chapter 13.

Sec. 4. [14.057] [RELATION TO OTHER LAW.]

Sections 14.055 and 14.056 create variance standards and procedures that apply when there is not another state or federal law or rule authorizing variances. Sections 14.055 and 14.056 do not apply to the extent another state or federal law or rule authorizes or requires the granting of variances.
Sec. 5. Minnesota Statutes 2000, section 14.116, is amended to read:

14.116 [NOTICE TO LEGISLATURE.]

When an agency mails notice of intent to adopt rules under section 14.14 or 14.22, the agency must make reasonable efforts to send a copy of the same notice and a copy of the statement of need and reasonableness to the following:

1. all people who are still legislators and who were main authors, or supporting authors, of the law granting the agency the statutory authority the agency relies upon as authority to adopt the proposed rule; and

2. the chairs and ranking minority party members of the legislative policy and budget committees with jurisdiction over the subject matter of the proposed rules.

In addition, if the mailing of the notice is within two years of the effective date of the law granting the agency authority to adopt the proposed rules, the agency must make reasonable efforts to send a copy of the notice and the statement to all sitting legislators who were chief house and senate authors of the bill granting the rulemaking authority. If the bill was amended to include this rulemaking authority, the agency must make reasonable efforts to send the notice and the statement to the chief house and senate authors of the amendment granting rulemaking authority, rather than to the chief authors of the bill.

Sec. 6. [14.126] [COMMITTEE AUTHORITY OVER RULE ADOPTION.]

Subdivision 1. [DELAY ACTION.] If the standing committee of the house of representatives and the standing committee of the senate with jurisdiction over the subject matter of a proposed rule both vote to advise an agency that a proposed rule should not be adopted as proposed, the agency may not adopt the rule until May 30 after the first March 1 following the vote of the committees. The speaker of the house of representatives and the president of the senate must determine if a standing committee has jurisdiction over a rule before a committee may act under this section.

Subd. 2. [VOTE.] A committee vote under this section must be by a majority of the committee. The vote may occur any time after the publication of the rulemaking notice under section 14.14, subdivision 1a, 14.22, 14.389, subdivision 2, or 14.3895, subdivision 3, and before notice of adoption is published in the State Register under section 14.18, 14.27, 14.389, subdivision 3, or 14.3895, subdivision 3. A committee voting under this section must notify the agency, the revisor of statutes, and the chief administrative law judge of the vote as soon as possible. The committee must publish notice of the vote in the State Register as soon as possible.

Sec. 7. Minnesota Statutes 2000, section 14.18, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] A rule is effective after it has been subjected to all requirements described in sections 14.131 to 14.20 and five working days after the notice of adoption is published in the State Register unless a later date is required by section 14.126 or other law or specified in the rule. If the rule adopted is the same as the proposed rule, publication may be made by publishing notice in the State Register that the rule has been adopted as proposed and by citing the prior publication. If the rule adopted differs from the proposed rule, the portions of the adopted rule that differ from the proposed rule must be included in the notice of adoption together with a citation to the prior State Register publication of the remainder of the proposed rule. The nature of the modifications must be clear to a reasonable person when the notice of adoption is considered together with the State Register publication of the proposed rule, except that modifications may also be made that comply with the form requirements of section 14.07, subdivision 7.

If the agency omitted from the notice of proposed rule adoption the text of the proposed rule, as permitted by section 14.14, subdivision 1a, paragraph (b), the chief administrative law judge may provide that the notice of the adopted rule need not include the text of any changes from the proposed rule. However, the notice of adoption must
state in detail the substance of the changes made from the proposed rule, and must state that a free copy of the portion of the adopted rule that was the subject of the rulemaking proceeding, not including any material adopted by reference as permitted by section 14.07, is available upon request to the agency.

Sec. 8. Minnesota Statutes 2000, section 14.19, is amended to read:

**14.19 [DEADLINE TO COMPLETE RULEMAKING.]**

Within 180 days after issuance of the administrative law judge's report, the agency shall submit its notice of adoption, amendment, or repeal to the State Register for publication. If the agency has not submitted its notice to the State Register within 180 days, the rule is automatically withdrawn. The agency may not adopt the withdrawn rules without again following the procedures of sections 14.05 to 14.28. It shall report to the legislative coordinating commission, other appropriate committees of the legislature, and the governor its failure to adopt rules and the reasons for that failure. The 180-day time limit of this section does not include: (1) any days used for review by the chief administrative law judge or the commission if the review is required by law; or (2) days during which the rule cannot be adopted, because of votes by legislative committees under section 14.126.

Sec. 9. [14.381] [UNADOPTED RULES.]

Subdivision 1. [PETITION.] A person may petition the office of administrative hearings seeking an order of an administrative law judge determining that an agency is enforcing or attempting to enforce a policy, guideline, bulletin, criterion, manual standard, or similar pronouncement as though it were a duly adopted rule. The petition must be supported by affidavit and must be served upon the agency. The agency must respond in writing to the petition within ten working days. The administrative law judge may order oral argument on the petition, but only if necessary to a decision.

Subd. 2. [ORDER.] The order of the administrative law judge must direct the agency to cease enforcement of the unadopted rule that is the subject of the petition. The order must be served upon the parties and the legislative coordinating commission by first class mail and must be published by the agency in the State Register. The decision of the administrative law judge may be appealed under sections 14.44 and 14.45.

Subd. 3. [COSTS.] (a) Except as provided in paragraphs (b) and (c), the agency must pay all office of administrative hearings costs associated with review of the petition.

(b) The petitioner must pay office of administrative hearings costs if the administrative law judge rules in favor of the agency, unless the administrative law judge determines that the petition was brought in good faith and that an assessment of costs would constitute an undue hardship for the petitioner.

(c) A person filing a petition under this section must provide a bond to the office of administrative hearings in an amount that the administrative law judge estimates is the cost for the office of administrative hearings to review the petition. As an alternative to a bond, the petitioner may deposit cash, or another form of guarantee approved by the chief administrative law judge. If the petitioner is required under paragraph (b) to pay office of administrative hearings costs, the agency must recover these costs directly from the petitioner, or from the bond or other guarantee provided under this paragraph.

(d) A petitioner entitled to proceed in forma pauperis under section 563.01 is not required to pay office of administrative hearings costs under this subdivision, and is not required to provide a bond or other form of guarantee under paragraph (c).

Sec. 10. [14.3895] [PROCESS FOR REPEALING OBSOLETE RULES.]

Subdivision 1. [APPLICATION.] An agency may use this section to repeal rules identified in the agency's annual obsolete rules report under section 14.05, subdivision 5, unless a law specifically requires another process or unless 25 requests are received under subdivision 4. Sections 14.19, 14.20, 14.365, and 14.366 apply to rules repealed under this section.
Subd. 2. [NOTICE PLAN; PRIOR APPROVAL.] The agency must draft a notice plan under which the agency will make reasonable efforts to notify persons or classes of persons who may be significantly affected by the rule repeal by giving notice of its intention in newsletters, newspapers, or other publications, or through other means of communication. Before publishing the notice in the State Register and implementing the notice plan, the agency must obtain prior approval of the notice plan by the chief administrative law judge.

Subd. 3. [NOTICE AND COMMENT.] The agency must publish notice of the proposed rule repeal in the State Register. The agency must also mail the notice to persons who have registered with the agency to receive mailed notices and to the chairs and ranking minority party members of the legislative policy and budget committees with jurisdiction over the subject matter of the proposed rule repeal. The agency must also give notice according to the notice plan approved under subdivision 2. The mailed notice must include either a copy of the rule proposed for repeal or a description of the nature and effect of the proposed rule repeal and a statement that a free copy is available from the agency upon request. The notice must include a statement that, if 25 or more people submit a written request, the agency will have to meet the requirements of sections 14.131 to 14.20 for rules adopted after a hearing or the requirements of sections 14.22 to 14.28 for rules adopted without a hearing, including the preparation of a statement of need and reasonableness and the opportunity for a hearing. The agency must allow 60 days after publication in the State Register for comment on the proposed rule repeal.

Subd. 4. [REQUESTS.] If 25 or more people submit a written request, the agency may repeal the rule only after complying with sections 14.131 to 14.20 or the requirements of sections 14.22 to 14.28. The requests must be in the manner specified in section 14.25.

Subd. 5. [ADOPTION.] If the final repeal is identical to the action originally published in the State Register, the agency must publish a notice of repealers in the State Register. If the final action is different from the action originally published in the State Register, the agency must publish a copy of the changes in the State Register. The agency must also file a copy of the repealed rule with the governor. The repeal is effective after it has been subjected to all requirements described in this section or sections 14.131 to 14.20 or 14.22 to 14.28 and five working days after the notice of repeal is published in the State Register unless a later date is required by law or specified in the rule repeal proposal.

Subd. 6. [LEGAL REVIEW.] Before publication of the final rule in the State Register, the agency must submit the rule to the chief administrative law judge in the office of administrative hearings. The chief administrative law judge shall within 14 days approve or disapprove the rule as to its legality and its form to the extent the form relates to legality.

Sec. 11. [REPEALER.]

(a) Minnesota Statutes 2000, section 14.05, subdivision 4, is repealed. Variances granted and rules adopted under Minnesota Statutes, section 14.05, subdivision 4, remain in effect, however, and the rules may be amended.

(b) Laws 1999, chapter 129, section 6, is repealed.

Sec. 12. [EFFECTIVE DATE.]

Sections 1 and 5 to 11 are effective July 1, 2001. Sections 2 to 4 are effective July 1, 2002, except that the authority to adopt rules under Minnesota Statutes, section 14.055, subdivision 5, is effective the day following final enactment.

"ARTICLE 1

REGULATION OF ACCOUNTANCY

Section 1. [TITLE.]

This act may be cited as the "Accountancy Act of 2001."

Sec. 2. [PURPOSE.]

It is the policy of this state, and the purpose of this act, to promote the reliability of information that is used for guidance in financial transactions or for accounting for, or assessing the financial status or performance of, commercial, noncommercial, and governmental enterprises. The public interest requires that persons professing special competence in accountancy or offering assurance as to the reliability or fairness of presentation of such information must have demonstrated their qualifications to do so, and that persons who have not demonstrated and maintained such qualifications, not be permitted to represent themselves as having such special competence or to offer such assurance; that the conduct of persons licensed or registered as having special competence in accountancy be regulated in all aspects of their professional work; that a public authority competent to prescribe and assess the qualifications and to regulate the conduct of licensees and registrants be established; and that the use of titles that have a capacity or tendency to deceive the public as to the status or competence of the persons using such titles be prohibited.

Sec. 4. [326A.02] [STATE BOARD OF ACCOUNTANCY.]

Subdivision 1. [BOARD.] A board of accountancy is created to carry out the purposes and enforce the provisions of this chapter. It consists of nine citizens of this state appointed by the governor. Two must be public members as defined by section 214.02, and seven must be certified public accountants under the provisions of this chapter. Effective January 1, 2003, no fewer than five of the certified public accountants must be owners or employees of a CPA firm that holds a current permit and provides professional services at the time of appointment and reappointment. At least two of the seven certified public accountants at the time of appointment and reappointment must be owners or employees of a CPA firm that:

(1) holds a current permit:
(2) provides professional services; and

(3) consists of ten or fewer certified public accountants.

Subd. 2. [MEMBERSHIP CONDITIONS.] Membership terms, compensation of members, removal of members, the filling of membership vacancies, and fiscal year and reporting requirements are as provided in sections 214.07 to 214.09. The provision of staff, administrative services, and office space; the review and processing of complaints; the setting of board fees; and other provisions relating to board operations shall be as provided in this chapter and chapter 214.

Any member of the board whose certificate under section 326A.04 is revoked or suspended automatically ceases to be a member of the board.

Subd. 3. [OFFICERS; PROCEEDINGS.] The board shall elect one of its number as chair, another as vice-chair, and another as secretary and treasurer. The officers shall hold their respective offices for a term of one year and until their successors are elected. The affirmative vote of a majority of the qualified members of the board is considered the action of the board. The board shall meet at such times and places as may be fixed by the board. Meetings of the board are subject to chapter 13D. A majority of the board members then in office constitutes a quorum at any meeting duly called. The board shall have a seal, which must be judicially noticed. The board shall retain or arrange for the retention of all applications and all documents under oath that are filed with the board and also records of its proceedings, and it shall maintain a registry of the names and addresses of all licensees and registrants under this chapter. In any proceeding in court, civil or criminal, arising out of or founded upon any provision of this chapter, copies of records of the proceeding certified as true copies under the seal of the boards shall be admissible in evidence as tending to prove the contents of the records.

Subd. 4. [POWERS.] The board may issue subpoenas to compel the attendance of witnesses and the production of documents, to administer oaths, to take testimony, to cooperate with the appropriate authorities in other states in investigation and enforcement concerning violations of this chapter and comparable acts of other states, and to receive evidence concerning all matters within the scope of this chapter. In case of disobedience of a subpoena, the board may invoke the aid of any court in requiring the attendance and testimony of witnesses and the production of documentary evidence. The board, its members, and its agents are immune from personal liability for actions taken in good faith in the discharge of the board’s responsibilities, and the state shall hold the board, its members, and its agents harmless from all costs, damages, and attorneys’ fees arising from claims and suits against them with respect to matters to which such immunity applies. The board shall enforce the standard of general education, the standard of special education in the science and art of accounting, and the standard of good character and general experience, as prescribed in this chapter.

Subd. 5. [RULES.] The board may adopt rules governing its administration and enforcement of this chapter and the conduct of licensees and persons registered under section 326A.06, paragraph (b), including:

1. rules governing the board’s meetings and the conduct of its business;

2. rules of procedure governing the conduct of investigations and hearings and discipline by the board;

3. rules specifying the educational and experience qualifications required for the issuance of certificates and the continuing professional education required for renewal of certificates;

4. rules of professional conduct directed to controlling the quality and probity of services by licensees, and dealing among other things with independence, integrity, and objectivity; competence and technical standards; and responsibilities to the public and to clients;

5. rules governing the professional standards applicable to licensees including adoption of the statements on standards specified in section 326A.01, subdivision 2, and as developed for general application by recognized national accountancy organizations such as the American Institute of Certified Public Accountants;
(6) rules governing the manner and circumstances of use of the titles "certified public accountant," "CPA," "registered accounting practitioner," and "RAP;"

(7) rules regarding peer review that may be required to be performed under provisions of this chapter;

(8) rules on substantial equivalence to implement section 326A.14;

(9) rules regarding the conduct of the certified public accountant examination;

(10) rules regarding the issuance and renewals of certificates, permits, and registrations;

(11) rules regarding transition provisions to implement this chapter;

(12) rules specifying the educational and experience qualifications for registration, rules of professional conduct, rules regarding peer review, rules governing standards for providing services, and rules regarding the conduct and content of examination for those persons registered under section 326A.06, paragraph (b); and

(13) rules regarding fees for examinations, certificate issuance and renewal, firm permits, registrations under section 326A.06, paragraph (b), notifications made under section 326A.14, and late processing fees.

Subd. 6. [COMPLAINT COMMITTEE.] The board shall establish a complaint committee to investigate, mediate, or initiate administrative or legal proceedings on behalf of the board with respect to complaints filed with or information received by the board alleging or indicating violations of this chapter. The complaint committee shall consist of three members of the board.

Subd. 7. [EXPENSES OF ADMINISTRATION.] The expenses of administering this chapter must be paid from appropriations made to the board.

Sec. 5. [326A.03] [QUALIFICATIONS FOR A CERTIFICATE AS A CERTIFIED PUBLIC ACCOUNTANT.]

Subdivision 1. [QUALIFICATIONS.] The certificate of certified public accountant shall be granted to persons of good moral character who meet the education, experience, and examination requirements of this section and rules adopted under it and who apply under section 326A.04.

Good moral character for purposes of this section means lack of a history of dishonest or felonious acts. The board may refuse to grant a certificate on the ground of failure to satisfy this requirement only if there is a substantial connection between the lack of good moral character of the applicant and the professional responsibilities of a licensee and if the finding by the board of lack of good moral character is supported by clear and convincing evidence. When an applicant is found to be unqualified for a certificate because of a lack of good moral character, the board shall furnish the applicant a statement containing the findings of the board, a complete record of the evidence upon which the determination was based, and a notice of the applicant's right of appeal.

Subd. 2. [EDUCATIONAL AND EXPERIENCE REQUIREMENTS TO TAKE EXAMINATION BEFORE JULY 1, 2006.] Until July 1, 2006, the examination must be administered by the board only to a candidate who:

(1) holds a master's degree with a major in accounting from a college or university that is fully accredited by a recognized accrediting agency listed with the United States Department of Education;

(2) holds a baccalaureate degree, with a major in accounting, from a college or university that is fully accredited by a recognized accrediting agency listed with the United States Department of Education or who has in the opinion of the board at least an equivalent education:
(3) holds a baccalaureate degree from a college or university that is fully accredited by a recognized accrediting agency listed with the United States Department of Education, or who has in the opinion of the board at least an equivalent education, provided that at least one year of experience of the type specified in subdivision 8 has been completed;

(4) provides evidence of having completed two or more years of study with a passing grade average or above from a college, university, technical college, or a Minnesota licensed private school that is fully accredited by a recognized accrediting agency listed with the United States Department of Education, or who has in the opinion of the board at least an equivalent education, provided that at least three years experience of the type specified in subdivision 8 has been completed; or

(5) holds a diploma as a graduate of an accredited high school, or who has in the opinion of the board at least an equivalent education, provided that at least five years experience of the type specified in subdivision 8 has been completed.

Subd. 3. [EDUCATIONAL REQUIREMENTS TO TAKE EXAMINATION ON OR AFTER JULY 1, 2006.] On or after July 1, 2006, the examination must be administered by the board only to a candidate who has a baccalaureate or higher degree, with a major in accounting or a major in business with accounting emphasis, or an equivalent education, from a college or university that is fully accredited by a recognized accrediting agency listed with the United States Department of Education or an equivalent accrediting association.

Subd. 4. [EXAMINATION REQUIREMENTS.] (a) The examination required to be passed as a condition for the granting of a certificate must be held as often as convenient, in the opinion of the board, and must test the applicant’s knowledge of the subjects of accounting and auditing, and other related subjects that the board may specify by rule, including but not limited to business law and taxation. The time for holding the examination must be determined by the board and may be changed from time to time. The board shall prescribe by rule the methods of applying for and conducting the examination, including methods for grading and determining a passing grade required of an applicant for a certificate. However, the board shall to the extent possible ensure that the examination itself, grading of the examination, and the passing grades, are uniform with those applicable in all other states. The board may make such use of all or any part of the Uniform Certified Public Accountant Examination and Advisory Grading Service of the American Institute of Certified Public Accountants and may contract with third parties to perform administrative services with respect to the examination that it considers appropriate to assist it in performing its duties under this paragraph.

(b) The board may charge, or provide for a third party administering the examination to charge, each applicant a fee.

Subd. 5. [EXPERIENCE REQUIREMENTS FOR CERTIFICATE BEFORE JULY 1, 2006.] Until July 1, 2006, those persons who have passed the examination required by this section and who meet all other requirements for a certificate, including payment of required fees, must be granted certificates as certified public accountants, providing that they have completed the following experience requirements of the type specified in subdivision 8 in addition to any experience already required in subdivision 2:

(1) for those whose educational qualifications meet the requirements of subdivision 2, clause (1), the experience requirement is one year;

(2) for those whose educational qualifications meet the requirements of subdivision 2, clause (2), the experience requirement is two years;

(3) for those whose educational and experience qualifications meet the requirements of subdivision 2, clause (3), the additional required experience is two years;

(4) for those whose educational and experience qualifications meet the requirements of subdivision 2, clause (4), the additional required experience is two years; and
(5) for those whose educational and experience qualifications meet the requirements of subdivision 2, clause (5), the additional required experience is one year.

Subd. 6. [EXPERIENCE AND EDUCATIONAL REQUIREMENTS FOR CERTIFICATE ON OR AFTER JULY 1, 2006.] (a) On or after July 1, 2006, those persons who have passed the examination required in this section must be granted certificates as certified public accountants provided they certify to the board that they have completed at least 150 semester or 225 quarter hours at a college or university that is fully accredited by a recognized accrediting agency listed with the United States Department of Education, or an equivalent accrediting association, and have completed at least one year of experience of the type specified in paragraph (b).

(b) An applicant for initial issuance of a certificate under this subdivision shall show that the applicant has had one year of experience. Acceptable experience includes providing any type of service or advice involving the use of accounting, attest, compilation, management advisory, financial advisory, tax, or consulting skills, as verified by a licensee and meeting requirements prescribed by the board by rule. Acceptable experience may be gained through employment in government, industry, academia, or public practice. Experience as an auditor in the office of the legislative auditor or state auditor, as verified by a licensee, shall be acceptable experience.

Subd. 7. [EQUIVALENT EDUCATION CRITERIA.] The board, in consultation with the University of Minnesota, the Minnesota state colleges and universities, private colleges, and private career schools regulated under chapter 141, shall establish criteria to assess equivalent education for purposes of subdivision 3.

Subd. 8. [QUALIFYING EXPERIENCE UNTIL JULY 1, 2006.] Until July 1, 2006, qualifying experience includes public accounting experience:

(1) as a staff employee of a certified public accountant, or a firm;

(2) as an auditor in the office of the legislative auditor or state auditor, or as an auditor of examiner with any other agency of government, if the experience, in the opinion of the board, is equally comprehensive and diversified;

(3) as a self-employed public accountant or as a partner in a firm; or

(4) in any combination of the foregoing capacities.

Sec. 6. [326A.04] [ISSUANCE AND RENEWAL OF CERTIFICATES, AND MAINTENANCE OF COMPETENCY.]

Subdivision 1. [ELIGIBILITY.] The board shall grant or renew certificates to persons who make application and demonstrate:

(1) that their qualifications, including where applicable the qualifications prescribed by section 326A.03, are in accordance with this section; or

(2) that they are eligible under the substantial equivalency standard in section 326A.14, subdivision 1, paragraph (b), which requires licensure for those certified public accountants who establish their principal places of business in another state. The holder of a certificate issued under this section may only provide attest services in a CPA firm that holds a permit issued under section 326A.05.

Subd. 2. [TIMING.] (a) Certificates must be initially issued and renewed for periods of not more than one year but in any event must expire on the December 31 following issuance or renewal. Applications for certificates must be made in the form, and in the case of applications for renewal between the dates, specified by the board in rule. The board shall grant or deny an application no later than 90 days after the application is filed in proper form. If the applicant seeks the opportunity to show that issuance or renewal of a certificate was mistakenly denied, or if the
board is unable to determine whether it should be granted or denied, the board may issue to the applicant a provisional certificate that expires 90 days after its issuance, or when the board determines whether or not to issue or renew the certificate for which application was made, whichever occurs first.

(b) Certificate holders who do not provide professional services and do not use the certified public accountant designation in any manner are not required to renew their certificates provided they have notified the board as provided in board rule and comply with the requirements for nonrenewal as specified in board rule.

Subd. 3. [RESIDENTS OF OTHER STATES.] (a) With regard to applicants who do not qualify for reciprocity under the substantial equivalency standard in section 326A.14, subdivision 1, paragraph (b), the board shall issue a certificate to a holder of a certificate, license, or permit issued by another state upon a showing that:

(1) the applicant passed the examination required for issuance of the applicant's certificate with grades that would have been passing grades at the time in this state;

(2) the applicant had four years of experience outside of this state of the type described in section 326A.03, subdivision 6, paragraph (b), if application is made on or after July 1, 2006, or section 326A.03, subdivision 8, if application is made before July 1, 2006; or the applicant meets equivalent requirements prescribed by the board by rule, after passing the examination upon which the applicant's certificate was based and within the ten years immediately preceding the application; and

(3) if the applicant's certificate, license, or permit was issued more than four years prior to the application for issuance of an initial certificate under this subdivision, that the applicant has fulfilled the requirements of continuing professional education that would have been applicable under subdivision 4.

(b) As an alternative to the requirements of paragraph (a), a certificate holder licensed by another state who establishes a principal place of business in this state shall request the issuance of a certificate from the board prior to establishing the principal place of business. The board shall issue a certificate to the person if the person's individual certified public accountant qualifications, upon verification, are substantially equivalent to the certified public accountant licensure requirements of this chapter.

Subd. 4. [PROGRAM OF LEARNING.] For renewal of a certificate under this section, each licensee shall participate in a program of learning designed to maintain professional competency. The program of learning must comply with rules adopted by the board. The board may by rule create an exception to this requirement for licensees who do not perform or offer to perform for the public one or more kinds of services involving the use of accounting or auditing skills, including issuance of reports on financial statements or of one or more kinds of management advisory, financial advisory or consulting services, or the preparation of tax returns or the furnishing of advice on tax matters. A licensee granted such an exception by the board must place the word "inactive" adjacent to the CPA title on any business card, letterhead, or any other document or device, with the exception of the licensee's certificate on which the CPA title appears.

Subd. 5. [FEE.] The board shall charge a fee for each application for initial issuance or renewal of a certificate under this section.

Subd. 6. [OTHER STATE LICENSES.] Applicants for initial issuance or renewal of certificates under this section shall in their applications list all states in which they have applied for or hold certificates, licenses, or permits and list any past denial, revocation, or suspension of a certificate, license, or permit. Each holder of or applicant for a certificate under this section shall notify the board in writing, within 30 days after its occurrence, of any issuance, denial, revocation, or suspension of a certificate, license, or permit by another state.

Subd. 7. [CERTIFICATES ISSUED BY FOREIGN COUNTRIES.] The board shall issue a certificate to a holder of a substantially equivalent foreign country designation, provided that:
(1) the foreign authority that granted the designation makes similar provision to allow a person who holds a valid certificate issued by this state to obtain the foreign authority's comparable designation;

(2) the foreign designation:

   (i) was duly issued by a foreign authority that regulates the practice of public accountancy and the foreign designation has not expired or been revoked or suspended;

   (ii) entitles the holder to issue reports upon financial statements; and

   (iii) was issued upon the basis of educational, examination, and experience requirements established by the foreign authority or by law; and

(3) the applicant:

   (i) received the designation, based on educational and examination standards substantially equivalent to those in effect in this state, at the time the foreign designation was granted;

   (ii) has, within the ten years immediately preceding the application, completed an experience requirement that is substantially equivalent to the requirement in section 326A.03, subdivision 6, paragraph (b), if application is made on or after July 1, 2006, or section 326A.03, subdivision 8, if application is made before July 1, 2006, in the jurisdiction that granted the foreign designation; completed four years of professional experience in this state; or met equivalent requirements prescribed by the board by rule; and

   (iii) passed a uniform qualifying examination in national standards and an examination on the laws, regulations, and code of ethical conduct in effect in this state acceptable to the board.

Subd. 8. [OTHER JURISDICTIONS IN WHICH FOREIGN APPLICANT IS LICENSED.] An applicant under subdivision 7 shall in the application list all jurisdictions, foreign and domestic, in which the applicant has applied for or holds a designation to practice public accountancy. Each holder of a certificate issued under subdivision 7 shall notify the board in writing, within 30 days after its occurrence, of any issuance, denial, revocation, or suspension of a designation or commencement of a disciplinary or enforcement action by any jurisdiction.

Subd. 9. [APPLICATION BY FOREIGN CERTIFICATE HOLDER.] The board has the sole authority to interpret the application of the provisions of subdivisions 7 and 8.

Subd. 10. [PEER REVIEW.] The board shall by rule require as a condition for renewal of a certificate under this section by any certificate holder who performs compilation services for the public other than through a CPA firm, that the individual undergo, no more frequently than once every three years, a peer review conducted in a manner specified by the board in rule. The review shall include verification that the individual has met the competency requirements set out in professional standards for the services described in this subdivision as set forth by rule.

Subd. 11. [AUTOMATIC REVOCATION.] The certificates of persons who fail to renew their certificates for more than two years after expiration shall be automatically revoked by order of the board. The orders may be issued by the board without following the procedures of chapter 14, provided the board notifies each such person by mail at the person’s last known address on file with the board at least three days prior to the issuance of any such order. No notice is required if the last communication sent by the board to a licensee was returned to the board by the United States Postal Service as undeliverable and with no forwarding address. Certificates so revoked by the board may be reinstated, if at all, under section 326A.09. This subdivision does not apply to certified public accountants who have notified the board that they will not use the CPA designation in any manner and will not provide professional services.
Sec. 7. [326A.05] CPA FIRM PERMITS TO PRACTICE, ATTEST AND COMPILATION COMPETENCY, AND PEER REVIEW.

Subdivision 1. [GENERAL.] The board shall grant or renew permits to practice as a CPA firm to entities that make application and demonstrate their qualifications in accordance with this section. A firm must hold a permit issued under this section in order to provide attest services or to use the title "CPAs" or "CPA firm."

Subd. 2. [TIMING.] Permits must be initially issued and renewed for periods of not more than one year but in any event must expire on December 31 following issuance or renewal. Applications for permits shall be made in the form, and in the case of applications for renewal between the dates, as the board specifies in rule. The board shall grant or deny an application no later than 90 days after the application is filed in proper form. If the applicant seeks the opportunity to show that issuance or renewal of a permit was mistakenly denied or if the board is not able to determine whether it should be granted or denied, the board may issue to the applicant a provisional permit, which expires 90 days after its issuance, or when the board determines whether or not to issue or renew the permit for which application was made, whichever occurs first.

Subd. 3. [QUALIFICATIONS.] (a) An applicant for initial issuance or renewal of a permit to practice under this section shall comply with the requirements in this subdivision.

(b) Notwithstanding chapter 319B or any other provision of law, a simple majority of the ownership of the firm, in terms of financial interests and voting rights of all partners, officers, shareholders, members, or managers, must belong to holders of certificates who are licensed in some state, and the partners, officers, shareholders, members, or managers, whose principal place of business is in this state, and who perform professional services in this state, must hold valid certificates issued under section 326A.04 or the corresponding provision of prior law. Although firms may include nonlicensee owners, the firm and its ownership must comply with rules adopted by the board. The firm shall register all nonlicensee owners with the state board as set forth by rule.

(c) A CPA firm may include nonlicensee owners provided that:

(1) the firm designates a licensee of this state, who is responsible for the proper registration of the firm and identifies that individual to the board;

(2) all nonlicensee owners are active individual participants in the CPA firm or affiliated entities; and

(3) the firm complies with other requirements imposed by the board in rule.

(d) An individual licensee who is responsible for supervising attest or compilation services and signs or authorizes someone to sign the accountant’s report on the financial statements on behalf of the firm, shall meet the competency requirements set out in the professional standards for such services.

(e) An individual licensee who signs or authorizes someone to sign the accountants’ report on the financial statements on behalf of the firm shall meet the competency requirement of paragraph (d).

Subd. 4. [INITIAL ISSUANCE OR RENEWAL.] An applicant for initial issuance or renewal of a permit to practice under this section shall register each office of the firm within this state with the board and to show that all attest and compilation services rendered in this state are under the charge of a person holding a valid certificate, or the corresponding provision of prior law.

Subd. 5. [FEES.] The board shall charge a fee for each application for initial issuance or renewal of a permit under this section.

Subd. 6. [OTHER JURISDICTIONS IN WHICH APPLICANT HOLDS A PERMIT.] An applicant for initial issuance or renewal of permits under this section shall in the applicant’s application list all states in which the applicant has applied for or holds permits as a CPA firm and list any past denial, revocation, or suspension of a
permit by any other state. Each holder of or applicant for a permit under this section shall notify the board in writing, within 30 days after its occurrence, of any change in the identities of partners, officers, shareholders, members, or managers whose principal place of business is in this state, any change in the number or location of offices within this state, any change in the identity of the persons in charge of such offices, and any issuance, denial, revocation, or suspension of a permit by any other state.

Subd. 7. [CORRECTIVE ACTIONS, REVOCATION.] Firms that fall out of compliance with the provisions of the section due to changes in firm ownership or personnel, after receiving or renewing a permit, shall take corrective action to bring the firm back in to compliance as quickly as possible. Failure to bring the firm back into compliance within a reasonable period as defined by the board rule shall result in the suspension or revocation of the firm permit.

Subd. 8. [PEER REVIEW: RULES.] (a) The board shall by rule require as a condition to renewal of permits under this section, that applicants undergo, no more frequently than once every three years, peer reviews conducted in a manner specified by the board. The review must include a verification that individuals in the firm who are responsible for supervising attest and compilation services and who sign or authorize someone to sign the accountant’s report on the financial statements on behalf of the firm meet the competency requirements set out in the professional standards for such services. In addition, the rules must meet the requirements in paragraphs (b) to (d).

(b) The rules must be adopted reasonably in advance of the time when they first become effective.

(c) The rules must include reasonable provision for compliance by an applicant showing that it has, within the preceding three years, undergone a peer review that is a satisfactory equivalent to peer review generally required pursuant to this subdivision.

(d) The rules must require, with respect to peer reviews contemplated by paragraph (c), that they be subject to oversight by an oversight body established or sanctioned by board rule. This body shall periodically report to the board on the effectiveness of the review program under its charge, and provide to the board a listing of firms that have participated in a peer review program that is satisfactory to the board.

(e) The rules must require, with respect to peer reviews contemplated by paragraph (c), that the peer review processes be operated and documents maintained in a manner designed to preserve confidentiality, and that neither the board nor any third party, other than the oversight body, has access to documents furnished or generated in the course of the review. The applicant shall submit to the board reports and letters received at the conclusion of the peer review process as provided for in board rule.

Subd. 9. [COOPERATIVE AUDITING ORGANIZATION.] Any cooperative auditing organization organized under chapter 308A is qualified for a cooperative auditing service license and may style itself as a licensed cooperative auditing service if:

1. for a minimum of one year prior to July 1, 1979, it rendered auditing or accounting of business analysis services to its members only; and

2. its managers in charge of offices maintained in this state are certified public accountants of this state.

Cooperative auditing services shall comply with all requirements imposed on CPA firms and the board’s rules governing firms.

Sec. 8. [326A.06] [LICENSED PUBLIC ACCOUNTANTS AND REGISTERED ACCOUNTING PRACTITIONERS.]

(a) All licensed public accountants (LPA) who are actively licensed by the state board on December 31, 2002, shall be issued a certified public accountant certificate. LPA’s are those accountants who were eligible for licensure on July 1, 1979, under the law in effect on that date and who were issued a license as a licensed public accountant by the board at that time.
(b) By July 1, 2004, the board shall implement a voluntary registration of accounting practitioners. The board shall prescribe by rule the limitations of practice, educational preparation, examination, registration, fees, peer review, and continuing education requirements for the registration. The board shall consult with the University of Minnesota, the Minnesota state colleges and universities, the Minnesota association of private post-secondary schools, the private college council, the Minnesota association of public accountants, and other organizations as appropriate in the implementation of this section.

Sec. 9. [326A.07] [APPOINTMENT OF SECRETARY OF STATE AS AGENT.]

Application by a person or a firm not a resident of this state for a certificate or a permit shall constitute appointment of the secretary of state as the applicant's agent upon whom process may be served in any action or proceeding against the applicant arising out of any transaction or operation connected with or incidental to services performed by the applicant while a licensee within this state.

Sec. 10. [326A.08] [ENFORCEMENT.]

Subd. 1. [BASIS FOR CONDUCTING INVESTIGATIONS.] If the board, or the complaint committee if authorized by the board, has a reasonable basis to believe that a person or firm has engaged in or is about to engage in a violation of a statute, rule, or order that the board has issued or is empowered to enforce, the board, or the complaint committee if authorized by the board, may proceed as described in this section. The board may, upon receipt of a complaint or other information suggesting violations of this chapter or of the rules of the board, conduct investigations to determine whether there is reasonable basis to institute proceedings under this section against any person or firm for such violations. The investigation is not a prerequisite to such proceedings in the event that a determination can be made without investigation.

Subd. 2. [HEARINGS CONDUCTED UNDER CHAPTER 14.] Except as otherwise described in this section, all hearings shall be conducted in accordance with chapter 14.

Subd. 3. [LEGAL ACTION.] (a) When necessary to prevent an imminent violation of a statute, rule, or order that the board has issued or is empowered to enforce, the board, or the complaint committee if authorized by the board, may bring an action in the name of the state in the district court in Ramsey county, when necessary to prevent imminent harm to the public, or in any county in which the jurisdiction is proper to enjoin the act or practice and to enforce compliance with the statute, rule, or order. Upon a showing that a person or firm has engaged in or is about to engage in an act or practice constituting a violation of a statute, rule, or order that the board has issued or is empowered to enforce, a permanent or temporary injunction, restraining order, or other appropriate relief shall be granted.

(b) For purposes of injunctive relief under this subdivision, irreparable harm exists when the board shows that a person or firm has engaged in or is about to engage in an act or practice constituting a violation of a statute, rule, or order that the board has issued or is empowered to enforce.

(c) Injunctive relief granted under paragraph (a) does not relieve an enjoined person or firm from criminal prosecution from a competent authority or from action by the board pursuant to subdivisions 4 to 7 with respect to the person’s or firm’s certificate, permit, registration, or practice privileges granted under section 326A.14 or application for examination, certificate, registration, permit, or renewal or notification for practice privileges granted under section 326A.14.

Subd. 4. [CEASE AND DESIST ORDERS.] (a) The board, or the complaint committee if authorized by the board, may issue and have served upon a certificate holder, a permit holder, a registration holder, a person with practice privileges granted under section 326A.14 who has previously been subject to a disciplinary order by the board, or an unlicensed firm or person an order requiring the person or firm to cease and desist from the act or practice constituting a violation of the statute, rule, or order. The order must be calculated to give reasonable notice of the rights of the person or firm to request a hearing and must state the reasons for the entry of the order. No order may be issued until an investigation of the facts has been conducted pursuant to section 214.10.
(b) Service of the order is effective when the order is served on the person, firm, or counsel of record personally, or by certified mail to the most recent address provided to the board for the person, firm, or counsel of record.

(c) Unless otherwise agreed by the board, or the complaint committee if authorized by the board, and the person or firm requesting the hearing, the hearing must be held no later than 30 days after the request for the hearing is received by the board.

(d) The administrative law judge shall issue a report within 30 days of the close of the contested case hearing record, notwithstanding Minnesota Rules, part 1400.8100, subpart 3. Within 30 days after receiving the report and any exceptions to it, the board shall issue a further order vacating, modifying, or making permanent the cease and desist orders as the facts require.

(e) If no hearing is requested within 30 days of service of the order, the order becomes final and remains in effect until it is modified or vacated by the board.

(f) If the person or firm to whom a cease and desist order is issued fails to appear at the hearing after being duly notified, the person or firm is in default and the proceeding may be determined against that person or firm upon consideration of the cease and desist order, the allegations of which may be considered to be true.

(g) In lieu of or in addition to the order provided in paragraph (a), the board may require the person or firm to provide to the board a true and complete list of the person’s or firm’s clientele so that they can, if deemed necessary, be notified of the board’s action. Failure to do so, or to provide an incomplete or inaccurate list, is an act discreditable.

Subd. 5. [ACTIONS AGAINST PERSONS OR FIRMS.] (a) The board may, by order, deny, refuse to renew, suspend, temporarily suspend, or revoke the application, or practice privileges, registration or certificate of a person or firm; censure or reprimand the person or firm; prohibit the person or firm from preparing tax returns or reporting on financial statements; refuse to permit a person to sit for examination; or refuse to release the person’s examination grades if the board finds that the order is in the public interest and that, based on a preponderance of the evidence presented, the person or firm:

(1) has violated a statute, rule, or order that the board has issued or is empowered to enforce;

(2) has engaged in conduct or acts that are fraudulent, deceptive, or dishonest whether or not the conduct or acts relate to performing or offering to perform professional services, providing that the fraudulent, deceptive, or dishonest conduct or acts reflect adversely on the person’s or firm’s ability or fitness to provide professional services;

(3) has engaged in conduct or acts that are negligent or otherwise in violation of the standards established by board rule, where the conduct or acts relate to providing professional services;

(4) has been convicted of, has pled guilty or nolo contendere to or has been sentenced as a result of the commission of a felony or crime, an element of which is dishonesty or fraud; has been shown to have or admitted to having engaged in acts or practices tending to show that the person or firm is incompetent; or has engaged in conduct reflecting adversely on the person’s or firm’s ability or fitness to provide professional services, whether or not a plea was entered or withheld;

(5) employed fraud or deception in obtaining a certificate, permit, registration, practice privileges, renewal, or reinstatement or in passing all or a portion of the examination;

(6) has had the person’s or firm’s permit, registration, practice privileges, certificate, right to examine, or other similar authority revoked, suspended, canceled, limited, or not renewed for cause, or has committed unprofessional acts for which the person or firm was otherwise disciplined or sanctioned, including, but not limited to, being ordered to or agreeing to cease and desist from prescribed conduct, in any state or any foreign country:
(7) has had the person’s or firm’s right to practice before any federal, state, or other government agency revoked, suspended, canceled, limited, or not renewed for cause, or has committed unprofessional acts for which the person or firm was otherwise disciplined or sanctioned, including, but not limited to, being ordered to or agreeing to cease and desist from prescribed conduct.

(8) failed to meet any requirement for the issuance or renewal of the person’s or firm’s certificate, registration or permit, or for practice privileges;

(9) with respect to temporary suspension orders, has committed an act, engaged in conduct, or committed practices that may result or may have resulted, in the opinion of the board or the complaint committee if authorized by the board, in an immediate threat to the public; or

(10) has engaged in any conduct reflecting adversely upon the person’s or firm’s fitness to perform services while a licensee, individual granted privileges under section 326A.14, or a person registered under section 326A.06, paragraph (b).

(b) In lieu of or in addition to any remedy provided in paragraph (a), the board may require, as a condition of continued possession of a certificate, a registration or practice privileges, termination of suspension, reinstatement of permit, registration of a person or firm or of practice privileges under section 326A.14, a certificate, an examination, or release of examination grades, that the person or firm:

(1) submit to a peer review of the person’s or firm’s ability, skills, or quality of work, conducted in a fashion and by persons, entity, or entities as required by the board; and

(2) complete to the satisfaction of the board continuing professional education courses specified by the board.

(c) Service of the order is effective if the order is served on the person, firm, or counsel of record personally or by certified mail to the most recent address provided to the board for the person, firm, or counsel of record. The order shall state the reasons for the entry of the order.

(d) All hearings required by this subdivision must be conducted in accordance with chapter 14 except with respect to temporary suspension orders as provided for in subdivision 6.

(e) In addition to the remedies authorized by this subdivision, the board may enter into an agreement with the person or firm for corrective action and may unilaterally issue a warning to a person or firm.

(f) The board shall not use agreements for corrective action or warnings in any situation where the person or firm has been convicted of or pled guilty or nolo contendere to a felony or crime and the felony or crime is the basis of the board’s action against the person or firm, where the conduct of the person or firm indicates a pattern of related violations of paragraph (a) or the rules of the board, or where the board concludes that the conduct of the person or firm will not be deterred other than by disciplinary action under this subdivision or subdivision 4 or 6.

(g) Agreements for corrective action may be used by the board, or the complaint committee if authorized by the board, where the violation committed by the person or firm does not warrant disciplinary action pursuant to this subdivision or subdivision 4 or 6, but where the board, or the complaint committee if authorized by the board, determines that corrective action is required to prevent further such violations and to otherwise protect the public. Warnings may be used by the board, or the complaint committee if authorized by the board, where the violation of the person or firm is de minimus, does not warrant disciplinary action under this subdivision or subdivision 4 or 6, and does not require corrective action to protect the public.

(h) Agreements for corrective action must not be considered disciplinary action against the person’s or firm’s application, permit, registration or certificate, or practice privileges under section 326A.14. However, agreements for corrective action are public data. Warnings must not be considered disciplinary action against the person’s or firm’s application, permit, registration, or certificate or person’s practice privileges and are private data.
Subd. 6. [PROCEDURE FOR TEMPORARY SUSPENSION OF PERMIT, REGISTRATION, OR CERTIFICATE OR PRACTICE PRIVILEGES.] (a) When the board, or the complaint committee if authorized by the board, issues a temporary suspension order, the suspension is in effect upon service of a written order on the person, firm, or counsel of record, specifying the statute, rule, or order violated. The order remains in effect until the board issues a final order in the matter after a hearing or upon agreement between the board and the person or firm.

(b) The order may prohibit the person or firm from providing professional services in whole or in part, as the facts may require, and may condition the end of such suspension on compliance with a statute, rule, or order that the board has issued or is empowered to enforce.

(c) The order must set forth the rights to hearing contained in this section and must state the reasons for the entry of order.

(d) Within ten days after service of the order, the person or firm may request a hearing in writing. The board shall hold a hearing before its own members within five working days of a receipt of a request for hearing or within five working days of receipt of a request for hearing on the sole issue of whether there is a reasonable basis to continue, modify, or lift the temporary suspension. This hearing is not subject to chapter 14. Evidence presented by the board or the person or firm shall be in affidavit form only. The person, firm, or counsel of record may appear for oral argument.

(e) Within five working days after the hearing, the board shall issue its order and, if the suspension is continued, schedule a contested case hearing within 30 days after issuance of the order. The administrative law judge shall issue a report within 30 days after closing of the contested case hearing record, notwithstanding the provisions of Minnesota Rules, part 1400.8100, subpart 3. The board shall issue a final order within 30 days after receipt of that report.

Subd. 7. [VIOLATION; PENALTIES; COSTS OF PROCEEDING.] (a) The board may impose a civil penalty not to exceed $2,000 per violation upon a person or firm that violates an order, statute, or rule that the board has issued or is empowered to enforce.

(b) The board may, in addition, impose a fee to reimburse the board for all or part of the cost of the proceedings, including reasonable investigative costs, resulting in disciplinary or corrective action authorized by this section, the imposition of civil penalties, or the issuance of a cease and desist order. The fee may be imposed when the board shows that the position of the person or firm that violates a statute, rule, or order that the board has issued or is empowered to enforce is not substantially justified, unless special circumstances make an award unjust, notwithstanding the provisions of Minnesota Rules, part 1400.8401. The costs include, but are not limited to, the amount paid by the board for services of the office of administrative hearings, attorney and reasonable investigative fees, court reporters, witnesses, reproduction of records, board members’ per diem compensation, board staff time, and expense incurred by board members and staff.

(c) All hearings required by this subdivision must be conducted in accordance with chapter 14.

Subd. 8. [PERSONS AND ENTITIES SUBJECT TO DISCIPLINE.] Any person or entity who prepares or reports on financial statements or schedules for a client for a fee is subject to this section and the practice of the person or entity may be disciplined by the boards as provided for in this section. The board may discipline a person or entity based on violations of this chapter, the board’s rules, or misrepresentations made by the person or entity regarding the work the person or entity performed.

Subd. 9. [NOTIFICATION OF OTHER STATES.] In any case where the board renders a decision imposing discipline against a person or firm, the board shall examine its records to determine whether the person or firm holds a certificate or a permit in any other state. If so, the board shall notify the board of accountancy of the other state of its decision, by mail, within 45 days of the decision becoming final.
Sec. 11. [326A.09] [REINSTATEMENT.]

The board may reinstate a suspended, revoked, or surrendered certificate, registration, or permit or suspended, revoked, or surrendered practice privileges upon petition of the person or firm holding or formerly holding the registration, permit, or certificate, or practice privileges. The board may, in its sole discretion, require that the person or firm submit to the board evidence of having obtained up to 120 hours of continuing professional education credits that would have been required had the person or firm held a registration, certificate, permit, or practice privileges continuously. The board may, in its sole discretion, place any other conditions upon reinstatement of a suspended, revoked, or surrendered certificate, permit, registration, or of practice privileges that it finds appropriate and necessary to ensure that the purposes of this chapter are met. No suspended certificate, registration, permit, or practice privileges may be reinstated until the former holder, or person with practice privileges has completed one-half of the suspension.

Sec. 12. [326A.10] [UNLAWFUL ACTS.]

(a) Only a licensee may issue a report on financial statements of any person, firm, organization, or governmental unit that results from providing attest services, or offer to render or render any attest service. Only a certified public accountant, a CPA firm, or, to the extent permitted by board rule, a person registered under section 326A.06, paragraph (b), may issue a report on financial statements of any person, firm, organization, or governmental unit that results from providing compilation services or offer to render or render any compilation service. These restrictions do not prohibit any act of a public official or public employee in the performance of that person’s duties or prohibit the performance by any nonlicensee of other services involving the use of accounting skills, including the preparation of tax returns, management advisory services, and the preparation of financial statements without the issuance of reports on them. Nonlicensees may prepare financial statements and issue nonattest transmittals or information on them which do not purport to be in compliance with the Statements on Standards for Accounting and Review Services (SSARS). Nonlicensees registered under section 326A.06, paragraph (b), may, to the extent permitted by board rule, prepare financial statements and issue nonattest transmittals or information on them.

(b) licensees performing attest or compilation services must provide those services in accordance with professional standards. To the extent permitted by board rule, registered accounting practitioners performing compilation services must provide those services in accordance with standards specified in board rule.

(c) a person who does not hold a valid certificate issued under section 326A.04 shall not use or assume the title "certified public accountant," the abbreviation "CPA," or any other title, designation, words, letters, abbreviation, sign, card, or device tending to indicate that the person is a certified public accountant.

(d) a firm shall not provide attest services or assume or use the title "certified public accountants," the abbreviation "CPAs," or any other title, designation, words, letters, abbreviation, sign, card, or device tending to indicate that the firm is a CPA firm unless (1) the firm holds a valid permit issued under section 326A.05, and (2) ownership of the firm is in accordance with this chapter and rules adopted by the board.

(e) A person or firm that does not hold a valid certificate or permit issued under section 326A.04 or 326A.05 shall not assume or use the title "certified accountant," "chartered accountant," "enrolled accountant," "licensed accountant," "registered accountant," "accredited accountant," "accounting practitioner," "public accountant," "licensed public accountant," or any other title or designation likely to be confused with the title "certified public accountant," or use any of the abbreviations "CA," "LA," "RA," "AA," "PA," "AP," "LPA," or similar abbreviation likely to be confused with the abbreviation "CPA." The title "enrolled agent" or 'EA' may only be used by individuals so designated by the Internal Revenue Service.

(f) Persons registered under section 326A.06, paragraph (b), may use the title "registered accounting practitioner" or the abbreviation "RAP." A person who does not hold a valid registration under section 326A.06, paragraph (b), shall not assume or use such title or abbreviation.
(g) Except to the extent permitted in paragraph (a), nonlicensees may not use language in any statement relating to the financial affairs of a person or entity that is conventionally used by licensees in reports on financial statements. In this regard, the board shall issue by rule safe harbor language that nonlicensees may use in connection with such financial information. A person or firm that does not hold a valid certificate or permit, or a registration issued under section 326A.04, 326A.05, or 326A.06, paragraph (b), shall not assume or use any title or designation that includes the word “accountant” or “accounting” in connection with any other language, including the language of a report, that implies that the person or firm holds such a certificate, permit, or registration or has special competence as an accountant. A person or firm that does not hold a valid certificate or permit issued under section 326A.04 or 326A.05 shall not assume or use any title or designation that includes the word “auditor” in connection with any other language, including the language of a report, that implies that the person or firm holds such a certificate or permit or has special competence as an auditor. However, this paragraph does not prohibit any officer, partner, member, manager, or employee of any firm or organization from affixing that person’s own signature to any statement in reference to the financial affairs of such firm or organization with any wording designating the position, title, or office that the person holds, nor prohibit any act of a public official or employee in the performance of the person’s duties as such.

(h) No person holding a certificate or registration or firm holding a permit under this chapter shall use a professional or firm name or designation that is misleading about the legal form of the firm, or about the persons who are partners, officers, members, managers, or shareholders of the firm, or about any other matter. However, names of one or more former partners, members, managers, or shareholders may be included in the name of a firm or its successor.

(i) Paragraphs (a) to (h) do not apply to a person or firm holding a certification, designation, degree, or license granted in a foreign country entitling the holder to engage in the practice of public accountancy or its equivalent in that country, if:

1. the activities of the person or firm in this state are limited to the provision of professional services to persons or firms who are residents of, governments of, or business entities of the country in which the person holds the entitlement;

2. the person or firm performs no attest or compilation services and issues no reports with respect to the financial statements of any other persons, firms, or governmental units in this state; and

3. the person or firm does not use in this state any title or designation other than the one under which the person practices in the foreign country, followed by a translation of the title or designation into English, if it is in a different language, and by the name of the country.

(j) No holder of a certificate issued under section 326A.04 may perform attest services through any business form that does not hold a valid permit issued under section 326A.05.

(k) No individual licensee may issue a report in standard form upon a compilation of financial information through any form of business that does not hold a valid permit issued under section 326A.05, unless the report discloses the name of the business through which the individual is issuing the report, and the individual:

1. signs the compilation report identifying the individual as a certified public accountant;

2. meets the competency requirement provided in applicable standards; and

3. undergoes no less frequently than once every three years, a peer review conducted in a manner specified by the board in rule, and the review includes verification that the individual has met the competency requirements set out in professional standards for such services.
(l) No person registered under section 326A.06, paragraph (b), may issue a report in standard form upon a compilation of financial information unless the board by rule permits the report and the person:

(1) signs the compilation report identifying the individual as a registered accounting practitioner;

(2) meets the competency requirements in board rule; and

(3) undergoes no less frequently than once every three years a peer review conducted in a manner specified by the board in rule, and the review includes verification that the individual has met the competency requirements in board rule.

(n) Nothing in this section prohibits a practicing attorney or firm of attorneys from preparing or presenting records or documents customarily prepared by an attorney or firm of attorneys in connection with the attorney’s professional work in the practice of law.

(n) Notwithstanding other provisions of this section, persons preparing unaudited financial statements under corresponding provisions of prior law shall be permitted to perform compilation services until six months after the board adopts rules under section 326A.06.

Sec. 13. [326A.11] [SINGLE ACT EVIDENCE OF PRACTICE.]

In any action brought under section 326A.08, evidence of the commission of a single act prohibited by this chapter is sufficient to justify a penalty, injunction, restraining order, or conviction, respectively, without evidence of a general course of conduct.

Sec. 14. [326A.12] [CONFIDENTIAL COMMUNICATIONS.]

(a) Except by permission of the client for whom a licensee performs services or the heirs, successors, or personal representatives of the client, a licensee shall not voluntarily disclose information communicated to the licensee by the client relating to and in connection with services rendered to the client by the licensee. Nothing in this section may be construed to prohibit:

(1) the disclosure of information required to be disclosed by the standards of the public accounting profession in reporting on the examination of financial statements; or

(2) disclosures in court proceedings, in investigations or proceedings under section 326A.08, in ethical investigations conducted by private professional organizations, in the course of peer reviews, to other persons active in the organization performing services for that client on a need-to-know basis, or to persons in the entity who need this information for the sole purpose of assuring quality control.

(b) This section also applies to persons registered under section 326A.06, paragraph (b).

Sec. 15. [326A.13] [WORKING PAPERS; CLIENTS’ RECORDS.]

(a) Subject to the provisions of section 326A.12, all statements, records, schedules, working papers, and memoranda made by a licensee or a partner, shareholder, officer, director, member, manager, or employee of a licensee, incident to, or in the course of, rendering services to a client while a licensee, except the reports submitted by the licensee to the client and except for records that are part of the client’s records, remain the property of the licensee in the absence of an express agreement between the licensee and the client to the contrary. No statement, record, schedule, working paper, or memorandum may be sold, transferred, or bequeathed, without the consent of the client or the client’s personal representative or assignee, to anyone other than one or more surviving partners, stockholders, members or new partners, new stockholders, new members of the licensee, or any combined or merged
firm or successor in interest to the licensee. Nothing in this section may be construed as prohibiting any temporary transfer of workpapers or other material necessary in the course of carrying out peer reviews or as otherwise interfering with the disclosure of information pursuant to section 326A.12.

(b) A licensee shall furnish to a client or former client, upon request and reasonable notice:

(1) a copy of the licensee's working papers, to the extent that the working papers include records that would ordinarily constitute part of the client's records and are not otherwise available to the client; and

(2) any accounting or other records belonging to, or obtained from or on behalf of, the client that the licensee removed from the client's premises or received for the client's account. The licensee may make and retain copies of such documents of the client when they form the basis for work done by the licensee.

(c) Nothing in this section requires a licensee to keep any work paper beyond the period prescribed in any other applicable statute.

(d) This section also applies to persons registered under section 326A.06, paragraph (b).

Sec. 16. [326A.14] [SUBSTANTIAL EQUIVALENCY.]

Subdivision 1. [REQUIREMENTS.] (a) An individual whose principal place of business is not in this state and who has a valid certificate or license as a certified public accountant from any state which, upon verification, is in substantial equivalence with the certified public accountant licensure requirements of this chapter shall be presumed to have qualifications substantially equivalent to this state's requirements and shall have all the privileges of certificate holders and licensees of this state without the need to obtain a certificate or permit. However, such individuals shall notify the board of their intent to enter the state under this provision as provided for in board rule and pay the required fee.

(b) An individual whose principal place of business is not in this state and who has a valid certificate or license as a certified public accountant from any state whose certified public accountant licensure qualifications, upon verification, are not substantially equivalent with the licensure requirements of this chapter shall be presumed to have qualifications substantially equivalent to this state's requirements and shall have all the privileges of certificate holders and licensees of this state without the need to obtain a certificate or permit if the individual obtains verification, as specified in board rule, that the individual's qualifications are substantially equivalent to the licensure requirements of this chapter. Such individuals shall notify the board of their intent to enter the state under this provision as provided for in board rule and pay the required fee.

(c) Any licensee of another state exercising the privilege afforded under this section consents, as a condition of the grant of this privilege:

(1) to the personal and subject matter jurisdiction and disciplinary authority of the board;

(2) to comply with this chapter and the board's rules; and

(3) to the appointment of the state board that issued the license as the licensee's agent upon whom process may be served in any action or proceeding by this board against the licensee.

Subd. 2. [USE OF TITLE IN ANOTHER STATE.] A licensee of this state offering or rendering services or using the CPA title in another state is subject to the same disciplinary action in this state for which the licensee would be subject to discipline for an act committed in the other state. The board shall investigate any complaint made by the board of accountancy of another state.
Sec. 17. [TRANSITIONAL PROVISIONS FOR BOARD MEMBERS.]

Notwithstanding Minnesota Statutes, section 326A.02, members of the board of accountancy who were appointed to the board prior to January 1, 2003, may complete their terms. Appointments made on or after January 1, 2003, are governed by Minnesota Statutes, section 326A.02.

CONFORMING CHANGES

Section 1. Minnesota Statutes 2000, section 3.972, subdivision 1, is amended to read:

Subdivision 1. [PUBLIC ACCOUNTANT.] For the purposes of this section, "public accountant" means a certified public accountant, or certified public accounting firm, or a licensed public accountant licensed by the board of accountancy under sections 326.17 to 326.229 chapter 326A.

Sec. 2. Minnesota Statutes 2000, section 116J.70, subdivision 2a, is amended to read:

Subd. 2a. [LICENSE; EXCEPTIONS.] "Business license" or "license" does not include the following:

Once the bids are opened, the name of the bidder and the dollar amount specified in the response are read and become public. All other data in a bidder's response to a bid are private or nonpublic data until completion of the selection process. For purposes of this section, "completion of the selection process" means that the government entity has completed its evaluation and has ranked the responses. After a government entity has completed the selection process, all remaining data submitted by all bidders are public with the exception of trade secret data as defined and classified in section 13.37. A statement by a bidder that submitted data are copyrighted or otherwise protected does not prevent public access to the data contained in the bid.

If all responses to a request for bids are rejected prior to completion of the selection process, all data, other than that made public at the bid opening, remain private or nonpublic until a resolicitation of bids results in completion of the selection process or a determination is made to abandon the purchase. If the rejection occurs after the completion of the selection process, the data remain public. If a resolicitation of bids does not occur within one year of the bid opening date, the remaining data become public.
(b) Data submitted by a business to a government entity in response to a request for proposal, as defined in section 16C.02, subdivision 12, are private or nonpublic until the responses are opened. Once the responses are opened, the name of the responder is read and becomes public. All other data in a responder’s response to a request for proposal are private or nonpublic until completion of the evaluation process. For purposes of this section, “completion of the evaluation process” means that the government entity has completed negotiating the contract with the selected vendor. After a government entity has completed the evaluation process, all remaining data submitted by all responders are public with the exception of trade secret data as defined and classified in section 13.37. A statement by a responder that submitted data are copyrighted or otherwise protected does not prevent public access to the data contained in the response.

If all responses to a request for proposal are rejected prior to completion of the evaluation process, all data, other than that made public at the response opening, remain private or nonpublic until a resolicitation of the requests for proposal results in completion of the evaluation process or a determination is made to abandon the purchase. If the rejection occurs after the completion of the evaluation process, the data remain public. If a resolicitation of proposals does not occur within one year of the proposal opening date, the remaining data become public.

The governor then may declare an emergency under this section for purposes of allowing the board to establish quarantine zones of control to protect the health of domestic animals from animal diseases of potentially disastrous proportions. The governor may declare an emergency under this section without declaring a peacetime emergency under section 12.31. A declaration under this section may specify that it applies to all or certain units of state or local government, must specify the time period for which it applies, and must be filed with the secretary of state. This section is in addition to and does not limit authority granted to the governor or local government officials by chapter 12 or other law.

Subd. 2. [QUARANTINE ZONES.] Upon an emergency declaration by the governor under subdivision 1, the board or any licensed veterinarian designated by the board may establish quarantine zones of control in any area where a specific animal is deemed by a licensed veterinarian as likely to be infected with the disease based on an actual veterinary examination or laboratory testing. Quarantine zones of control must be the smallest size practicable to prevent the spread of disease and must exist for the shortest duration consistent with effective disease control. A quarantine zone of control must not extend beyond a radius of three miles from an animal deemed as likely to be infected with the disease, unless the board has adopted a rule regarding a specific disease requiring a larger quarantine zone of control.

Subd. 3. [RESTRICTIONS ON MOVEMENT OUT OF QUARANTINE ZONES.] (a) The board may issue orders restricting the movement of persons, livestock, machinery, and personal property out of zones designated by the board as quarantined under subdivision 1. The executive director of the board or any licensed veterinarian designated by the board may issue the orders. An order may be issued upon a determination that reasonable cause exists to believe that the movement of persons or personal property out of a quarantine zone will reasonably threaten to transport a dangerous, infectious, or communicable disease outside of the quarantine zone.

(b) The order must be served upon any person subject to the order. The restrictions sought by the board on movement out of a quarantine zone must be limited to the greatest extent possible consistent with the paramount disease control objectives as determined by the board. An order under this section may be served on any day at any time.
(c) No person may be restricted by an order under this subdivision for longer than 72 hours, exclusive of Saturdays, Sundays, and legal holidays, so long as the person agrees to abide by the disease control measures established by the board. The person shall sign an acknowledgment form prepared by the board evidencing the person's agreement to abide by the disease control measures established by the board.

(d) A person whose movements are restricted by an order under this subdivision may seek a district court hearing on the order at any time after it is served on the person. The hearing may be held by telephone as soon as possible. The subject of the order may:

1. contest imposition of the order on grounds that it is an abuse of the board's discretion under this section; or
2. seek a variance from it to allow movement of a person inconsistent with the order, upon a showing that the person would otherwise suffer irreparable harm.

Sec. 2. [35.0662] [TEMPORARY EMERGENCY RESTRICTIONS HEARING.]

Subdivision 1. [GROUNDS.] If the board determines that a person is not reasonably likely to abide by the disease control measures established by the board, the board may request a court hearing to determine if the emergency temporary restrictions should continue. The court shall schedule the hearing as expeditiously as possible. When the board requests a court hearing under this section, restrictions under section 35.0661, subdivision 3, continue to apply to the person until the court has held the temporary emergency restrictions hearing and issues an order.

Subd. 2. [TIME OF NOTICE.] If the board requests a court hearing pursuant to this section, notice of the hearing must be served upon the person or persons to be restricted at least 24 hours before the hearing.

Subd. 3. [CONTENTS OF NOTICE.] The notice must contain the following information:

1. the time, date, and place of the hearing;
2. the grounds and underlying facts upon which continued restrictions are sought;
3. the person's right to appear telephonically at the hearing and the right to have a representative appear in person at the hearing;
4. the person's right to present and cross-examine witnesses; and
5. the person's right to counsel, including the right, if the person is indigent, to representation by counsel designated by the court or county of venue.

Subd. 4. [ORDER FOR CONTINUED TEMPORARY RESTRICTIONS.] The court may order the continued restriction on the movement of the person if it finds, by a preponderance of the evidence, that travel outside of the quarantine zone by the person would pose an imminent threat of transporting a dangerous, infectious, or communicable disease outside of the boundaries of the quarantine zone. Unless the person refuses to sign and comply with the acknowledgment form referred to in section 35.0661, subdivision 3, the temporary restrictions must not continue longer than 30 days. Refusal by the person to sign and comply with the acknowledgment form constitutes a knowing violation of section 35.0661 and subjects the person to the penalties specified in section 35.96.

Sec. 3. Minnesota Statutes 2000, section 35.09, subdivision 3, is amended to read:

Subd. 3. [EMERGENCIES.] (a) When it is determined by the board that it is necessary to eradicate any dangerous, infectious, communicable disease among domestic animals in the state, the presence of which constitutes an emergency declared by resolution of the board, order of the governor, or by the United States Department of Agriculture, the board may take reasonable and necessary steps to suppress and eradicate the disease. If the emergency is declared by the United States Department of Agriculture, the board may cooperate with the animal
and plant health inspection service of the United States Department of Agriculture, federally recognized Indian tribes, state or local government agencies, or any other private or public entity in the suppression and eradication of the disease.

(b) When an emergency has been declared, the board may appraise and destroy animals affected with, or which have been exposed to, the disease, and which are highly susceptible to exposure to the disease because of proximity to diseased animals, appraise and destroy personal property in order to remove the infection and complete the cleaning and disinfection of the premises, condemn real property for the purpose of disposing of animals, and do any act and incur any other expense reasonably necessary to suppress the disease. The board may accept, on behalf of the state, the rules adopted by the animal and plant health inspection service of the United States Department of Agriculture pertaining to the disease, authorized under an act of Congress, or the portion of the regulations deemed necessary, suitable, or applicable, and cooperate with the animal and plant health inspection service of the United States Department of Agriculture, in the enforcement of those rules. Alternatively, the board may follow the procedure only as to quarantine, inspection, condemnation, appraisal, compensation, destruction, burial of animals, disinfection, or other acts the board considers reasonably necessary for the suppression of the disease, as agreed upon and adopted by the board and representatives or authorized agents of the animal and plant health inspection service of the United States Department of Agriculture. If the procedures have been followed under an emergency declared by the United States Department of Agriculture, the total expense must be shared equally between the state and federal governments.

(c) Appraisals of animals affected with, or exposed to, the disease, or contact animals; or personal property destroyed in order to remove the infection and complete the cleaning and disinfection of premises where the animals are found, must be made by an appraisal board consisting of a representative of the board, a representative of the animal and plant health inspection service of the United States Department of Agriculture, and the owner of the animals or the owner's representative. Notwithstanding any law to the contrary, when, in the judgment of the board, physical appraisal of the animals to be killed or personal property to be destroyed poses a disease threat, appraisals may be conducted after the animals are killed based on documents, testimony, or other relevant evidence. Appraisals must be in writing and signed by the appraisers, and must be made at the true market value of all animals and personal property appraised, unless otherwise provided by applicable federal law or regulation when compensation is paid by federal funds.

(d) Upon destruction of animals or personal property, or both or condemnation of real property, and burial or other disposition of the carcasses of the animals in accordance with the law and rules of the board and the animal and plant health inspection service of the United States Department of Agriculture, and the completion of the cleaning and disinfection of the premises, the board shall certify the appraisal to the commissioner of finance, who shall draw a warrant on the state treasurer for the proper amount payable to the owner from appropriations made available for this purpose. If the appraisal is made in respect to animals or other property destroyed under an emergency declared by the United States Department of Agriculture, the commissioner of finance shall draw a warrant on the state treasurer for one-half of the amount of the appraisal payable to the owner, and the remaining one-half of the appraisal must be paid by the federal government under the cooperative arrangement. If the disease is of a nature that any part of the carcasses of the diseased or exposed animals may be salvaged for human food or other purposes, the net amount of the salvage paid to the owner must be deducted from the appraisal; and the remainder must be paid to the owner by the state or by the state and federal government pursuant to this section.
