May 15, 2002

The Honorable Don Samuelson
President of the Senate

The Honorable Steve Sviggum
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 3172, report that we have agreed upon the items in dispute and recommend as follows:
That the House recede from its amendments and that S. F. No. 3172 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2000, section 244.052, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] As used in this section:

(1) "confinement" means confinement in a state correctional facility or a state treatment facility;

(2) "immediate household" means any and all individuals who live in the same household as the offender;

(3) "law enforcement agency" means the law enforcement agency having primary jurisdiction over the location where the offender expects to reside upon release;

(4) "residential facility" means a facility that is licensed as a residential program, as defined in section 245A.02, subdivision 14, by the commissioner of human services under chapter 245A, or the commissioner of corrections under section 241.021, whose staff are trained in the supervision of sex offenders; and

(5) "predatory offender" and "offender" mean a person who is required to register as a predatory offender under section 243.166. However, the terms do not include persons required to register based solely on a delinquency adjudication.

Sec. 2. Minnesota Statutes 2000, section 244.052, subdivision 4, is amended to read:

Subd. 4. [LAW ENFORCEMENT AGENCY; DISCLOSURE OF INFORMATION TO PUBLIC.] (a) The law enforcement agency in the area where the predatory offender resides, expects to reside, is employed, or is regularly found, shall disclose to the public any information regarding the offender contained in the report forwarded to the agency under subdivision 3, paragraph (f), that is relevant and necessary to protect the public and to counteract the offender’s dangerousness, consistent with the guidelines in paragraph (b). The extent of the information disclosed and the community to whom disclosure is made must relate to the level of danger posed by the offender, to the offender’s pattern of offending behavior, and to the need of community members for information to enhance their individual and collective safety.

(b) The law enforcement agency shall employ the following guidelines in determining the scope of disclosure made under this subdivision:

(1) if the offender is assigned to risk level I, the agency may maintain information regarding the offender within the agency and may disclose it to other law enforcement agencies. Additionally, the agency may disclose the information to any victims of or witnesses to the offense committed by the offender. The agency shall disclose the information to victims of the offense committed by the offender who have requested disclosure and to adult members of the offender’s immediate household;

(2) if the offender is assigned to risk level II, the agency also may disclose the information to agencies and groups that the offender is likely to encounter for the purpose of securing those institutions and protecting individuals in their care while they are on or near the premises of the institution. These agencies and groups include the staff members of public and private educational institutions, day care establishments, and establishments and organizations that primarily serve individuals likely to be victimized by the offender. The agency also may disclose the information to individuals the agency believes are likely to be victimized by the offender. The agency’s belief shall be based on the offender’s pattern of offending or victim preference as documented in the information provided by the department of corrections or human services;
(3) if the offender is assigned to risk level III, the agency shall disclose the information to the persons and entities described in clauses (1) and (2) and to other members of the community whom the offender is likely to encounter, unless the law enforcement agency determines that public safety would be compromised by the disclosure or that a more limited disclosure is necessary to protect the identity of the victim.

Notwithstanding the assignment of a predatory offender to risk level II or III, a law enforcement agency may not make the disclosures permitted or required by clause (2) or (3), if: the offender is placed or resides in a residential facility. However, if an offender is placed or resides in a residential facility, the offender and the head of the facility shall designate the offender's likely residence upon release from the facility and the head of the facility shall notify the commissioner of corrections or the commissioner of human services of the offender's likely residence at least 14 days before the offender's scheduled release date. The commissioner shall give this information to the law enforcement agency having jurisdiction over the offender's likely residence. The head of the residential facility also shall notify the commissioner of corrections or human services within 48 hours after finalizing the offender's approved relocation plan to a permanent residence. Within five days after receiving this notification, the appropriate commissioner shall give to the appropriate law enforcement agency all relevant information the commissioner has concerning the offender, including information on the risk factors in the offender's history and the risk level to which the offender was assigned. After receiving this information, the law enforcement agency shall make the disclosures permitted or required by clause (2) or (3), as appropriate.

(c) As used in paragraph (b), clauses (2) and (3), "likely to encounter" means that:

(1) the organizations or community members are in a location or in close proximity to a location where the offender lives or is employed, or which the offender visits or is likely to visit on a regular basis, other than the location of the offender's outpatient treatment program; and

(2) the types of interaction which ordinarily occur at that location and other circumstances indicate that contact with the offender is reasonably certain.

(d) A law enforcement agency or official who discloses information under this subdivision shall make a good faith effort to make the notification within 14 days of receipt of a confirmed address from the department of corrections indicating that the offender will be, or has been, released from confinement, or accepted for supervision, or has moved to a new address and will reside at the address indicated. If a change occurs in the release plan, this notification provision does not require an extension of the release date.

(e) A law enforcement agency or official who discloses information under this subdivision shall not disclose the identity or any identifying characteristics of the victims of or witnesses to the offender’s offenses.

(f) A law enforcement agency shall continue to disclose information on an offender as required by this subdivision for as long as the offender is required to register under section 243.166.

(g) A law enforcement agency that is disclosing information on an offender assigned to risk level III to the public under this subdivision shall inform the commissioner of corrections what information is being disclosed and forward this information to the commissioner within two days of the agency's determination. The commissioner shall post this information on the Internet as required in subdivision 4b.

(h) A city council may adopt a policy that addresses when information disclosed under this subdivision must be presented in languages in addition to English. The policy may address when information must be presented orally, in writing, or both in additional languages by the law enforcement agency disclosing the information. The policy may provide for different approaches based on the prevalence of non-English languages in different neighborhoods.
Sec. 3. Minnesota Statutes 2000, section 244.052, subdivision 4a, is amended to read:

Subd. 4a. [LEVEL III OFFENDERS; LOCATION OF RESIDENCE.] (a) When an offender assigned to risk level III is released from confinement or a residential facility to reside in the community or changes residence while on supervised or conditional release, the agency responsible for the offender's supervision shall take into consideration the proximity of the offender's residence to that of other level III offenders and proximity to schools and, to the greatest extent feasible, shall mitigate the concentration of level III offenders and concentration of level III offenders near schools.

(b) If the owner or property manager of a hotel, motel, lodging establishment, or apartment building has an agreement with an agency that arranges or provides shelter for victims of domestic abuse, the owner or property manager may not knowingly rent rooms to both level III offenders and victims of domestic abuse at the same time. If the owner or property manager has an agreement with an agency to provide housing to domestic abuse victims and discovers or is informed that a tenant is a level III offender after signing a lease or otherwise renting to the offender, the owner or property manager may evict the offender.

Sec. 4. Minnesota Statutes 2000, section 609.109, subdivision 7, is amended to read:

Subd. 7. [CONDITIONAL RELEASE OF SEX OFFENDERS.] (a) Notwithstanding the statutory maximum sentence otherwise applicable to the offense or any provision of the sentencing guidelines, when a court sentences a person to prison for a violation of section 609.342, 609.343, 609.344, or 609.345, the court shall provide that after the person has completed the sentence imposed, the commissioner of corrections shall place the person on conditional release. If the person was convicted for a violation of section 609.342, 609.343, 609.344, or 609.345, the person shall be placed on conditional release for five years, minus the time the person served on supervised release. If the person was convicted for a violation of one of those sections a second or subsequent time after a previous sex offense conviction as defined in subdivision 5, or sentenced under subdivision 6 to a mandatory departure, the person shall be placed on conditional release for ten years, minus the time the person served on supervised release.

(b) The conditions of release may include successful completion of treatment and aftercare in a program approved by the commissioner, satisfaction of the release conditions specified in section 244.05, subdivision 6, and any other conditions the commissioner considers appropriate. If the offender fails to meet any condition of release, the commissioner may revoke the offender's conditional release and order that the offender serve the remaining portion of the conditional release term in prison. The commissioner shall not dismiss the offender from supervision before the conditional release term expires.

Conditional release under this subdivision is governed by provisions relating to supervised release, except as otherwise provided in this subdivision, section 244.04, subdivision 1, or 244.05.

(c) The commissioner shall pay the cost of treatment of a person released under this subdivision. This section does not require the commissioner to accept or retain an offender in a treatment program.

Sec. 5. Minnesota Statutes 2000, section 609.749, subdivision 1a, is amended to read:

Subd. 1a. [NO PROOF OF SPECIFIC INTENT REQUIRED.] In a prosecution under this section, the state is not required to prove that the actor intended to cause the victim to feel frightened, threatened, oppressed, persecuted, or intimidated, or except as otherwise provided in subdivision 3, paragraph (a), clause (4), or paragraph (b), that the actor intended to cause any other result.

Sec. 6. Minnesota Statutes 2000, section 609.749, subdivision 3, is amended to read:

Subd. 3. [AGGRAVATED VIOLATIONS.] (a) A person who commits any of the following acts is guilty of a felony and may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than $10,000, or both:
(1) commits any offense described in subdivision 2 because of the victim's or another's actual or perceived race, color, religion, sex, sexual orientation, disability as defined in section 363.01, age, or national origin;

(2) commits any offense described in subdivision 2 by falsely impersonating another;

(3) commits any offense described in subdivision 2 and possesses a dangerous weapon at the time of the offense;

(4) harasses another, as defined in subdivision 1, with intent to influence or otherwise tamper with a juror or a judicial proceeding or with intent to retaliate against a judicial officer, as defined in section 609.415, or a prosecutor, defense attorney, or officer of the court, because of that person's performance of official duties in connection with a judicial proceeding; or

(5) commits any offense described in subdivision 2 against a victim under the age of 18, if the actor is more than 36 months older than the victim.

(b) A person who commits any offense described in subdivision 2 against a victim under the age of 18, if the actor is more than 36 months older than the victim, and the act is committed with sexual or aggressive intent, is guilty of a felony and may be sentenced to imprisonment for not more than ten years or to payment of a fine of not more than $20,000, or both.

Sec. 7. Minnesota Statutes 2001 Supplement, section 609.749, subdivision 4, is amended to read:

Subd. 4. [SECOND OR SUBSEQUENT VIOLATIONS; FELONY.] (a) A person is guilty of a felony who violates any provision of subdivision 2 during the time period between a previous qualified domestic violence-related offense conviction or adjudication of delinquency and the end of the ten years following discharge from sentence or disposition for that offense, and may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than $10,000, or both.

(b) A person is guilty of a felony who violates any provision of subdivision 2 during the time period between the first of two or more previous qualified domestic violence-related offense convictions or adjudications of delinquency and the end of ten years following discharge from sentence or disposition for that offense, and may be sentenced to imprisonment for not more than ten years or to payment of a fine of not more than $20,000, or both.

Sec. 8. Minnesota Statutes 2001 Supplement, section 609.749, subdivision 5, is amended to read:

Subd. 5. [PATTERN OF HARASSING CONDUCT.] (a) A person who engages in a pattern of harassing conduct with respect to a single victim or one or more members of a single household which the actor knows or has reason to know would cause the victim under the circumstances to feel terrorized or to fear bodily harm and which does cause this reaction on the part of the victim, is guilty of a felony and may be sentenced to imprisonment for not more than ten years or to payment of a fine of not more than $20,000, or both.

(b) For purposes of this subdivision, a "pattern of harassing conduct" means two or more acts within a five-year period that violate or attempt to violate the provisions of any of the following or a similar law of another state, the United States, the District of Columbia, tribal lands, or United States territories:

(1) this section;
(2) section 609.713;
(3) section 609.224;
(4) section 609.2242;
(5) section 518B.01, subdivision 14;
(6) section 609.748, subdivision 6:

(7) section 609.605, subdivision 1, paragraph (b), clauses (3), (4), and (7);

(8) section 609.79;

(9) section 609.795;

(10) section 609.582;

(11) section 609.595; or

(12) section 609.765;

(13) sections 609.342 to 609.3451.

(c) When acts constituting a violation of this subdivision are committed in two or more counties, the accused may be prosecuted in any county in which one of the acts was committed for all acts constituting the pattern.

Sec. 9. Minnesota Statutes 2000, section 626.556, subdivision 6, is amended to read:

Subd. 6. [FAILURE TO REPORT.] (a) A person mandated by this section to report who knows or has reason to believe that a child is neglected or physically or sexually abused, as defined in subdivision 2, or has been neglected or physically or sexually abused within the preceding three years, and fails to report is guilty of a misdemeanor.

(b) A person mandated by this section to report who knows or has reason to believe that two or more children not related to the perpetrator have been physically or sexually abused, as defined in subdivision 2, by the same perpetrator within the preceding ten years, and fails to report is guilty of a gross misdemeanor.

(c) A parent, guardian, or caretaker who knows or reasonably should know that the child's health is in serious danger and who fails to report as required by subdivision 2, paragraph (c), is guilty of a gross misdemeanor if the child suffers substantial or great bodily harm because of the lack of medical care. If the child dies because of the lack of medical care, the person is guilty of a felony and may be sentenced to imprisonment for not more than two years or to payment of a fine of not more than $4,000, or both. The provision in section 609.378, subdivision 1, paragraph (a), clause (1), providing that a parent, guardian, or caretaker may, in good faith, select and depend on spiritual means or prayer for treatment or care of a child, does not exempt a parent, guardian, or caretaker from the duty to report under this subdivision.

Sec. 10. [REPORT.]

(a) By January 1, 2003, the commissioner of corrections must report to the chairs and ranking minority members of the house and senate committees with jurisdiction over criminal justice policy and finance on the issues outlined in paragraph (b). In developing the report, the commissioner must consult with representatives of local corrections agencies in noncommunity corrections act counties, community corrections act counties, and county probation officer counties. The commissioner may also consult other interested parties.

(b) The commissioner of corrections must report on the following issues involving level III sex offenders:

(1) a detailed explanation of how offenders re-enter the community after being released from prison, specifically focusing on how housing and jobs are found and the role that state and local corrections agents play in helping an offender find housing and jobs, including anecdotal evidence;

(2) the statewide locations and concentrations of the offenders:
(3) the effects of having the offenders living in close proximity to one another, specifically including the effects of offenders living within 1,500 feet of one another, including the effect on offense rates and voluntary relocation of neighborhood residents;

(4) efforts under Minnesota Statutes, section 244.052, subdivision 4a, that have been undertaken by local and state corrections agencies to mitigate the concentration of the offenders, especially with regard to the proximity of the offenders to schools;

(5) the likely effects of a policy requiring that offenders live a certain distance from schools;

(6) the likely effects of a policy requiring that offenders not live within a certain distance of each other;

(7) the restricted zones that would result in the cities of Minneapolis and St. Paul if a 1,500 foot proximity restriction was adopted in relation to schools, parks, and other offenders, with detailed maps; and

(8) policies adopted by other states relating to mitigating the concentration of sex offenders.

Sec. 11. [EFFECTIVE DATE.]

The Honorable Don Samuelson
President of the Senate

The Honorable Steve Svigum
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 3024, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 3024 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2000, section 62A.02, subdivision 2, as amended by Laws 2002, chapter 330, section 8, is amended to read:
Subd. 2. [APPROVAL.] (a) The health plan form shall not be issued, nor shall any application, rider, endorsement, or rate be used in connection with it, until the expiration of 60 days after it has been filed unless the commissioner approves it before that time.

(b) Notwithstanding paragraph (a), a rate filed with respect to a policy of accident and sickness insurance as defined in section 62A.01 by an insurer licensed under chapter 60A, may be used on or after the date of filing with the commissioner. Rates that are not approved or disapproved within the 60-day time period are deemed approved. This paragraph does not apply to medicare-related coverage as defined in section 62A.31, subdivision 3, paragraph (q).

Sec. 2. Minnesota Statutes 2000, section 62D.02, subdivision 8, is amended to read:

Subd. 8. [HEALTH MAINTENANCE CONTRACT.] "Health maintenance contract" means any contract whereby a health maintenance organization agrees to provide to enrollees comprehensive health maintenance services to enrollees, provided that and any other health care service set forth in the contract. The contract may contain reasonable enrollee copayment cost-sharing provisions if the provisions meet the requirements of section 62D.095. An individual or group health maintenance contract may contain the copayment and deductible provisions specified in this subdivision. Copayment and deductible provisions in group contracts shall not discriminate on the basis of age, sex, race, length of enrollment in the plan, or economic status, and during every open enrollment period in which all offered health benefit plans, including those subject to the jurisdiction of the commissioners of commerce or health, fully participate without any underwriting restrictions, copayment and deductible provisions shall not discriminate on the basis of preexisting health status. In no event shall the sum of the annual copayments and deductible exceed the maximum out-of-pocket expenses allowable for a number three qualified plan under section 62E.06, nor shall that sum exceed $5,000 per family. The annual deductible must not exceed $1,000 per person. The annual deductible must not apply to preventive health services as described in Minnesota Rules, part 4685.0801, subpart 8. Where sections 62D.01 to 62D.30 permit a health maintenance organization to contain reasonable copayment provisions for preexisting health status, these provisions may vary with respect to length of enrollment in the plan. Any contract may provide for health care services in addition to those set forth in subdivision 7.

Sec. 3. [62D.095] [ENROLLEE COST SHARING.]

Subdivision 1. [GENERAL APPLICATION.] A health maintenance contract may contain enrollee cost-sharing provisions as specified in this section. Copayment and deductible provisions in a group contract must not discriminate on the basis of age, sex, race, disability, economic status, or length of enrollment in the health plan. During an open enrollment period in which all offered health plans fully participate without any underwriting restrictions, co-payment and deductible provisions must not discriminate on the basis of preexisting health status.

Subd. 2. [CO-PAYMENTS.] (a) A health maintenance contract may impose a co-payment as authorized under Minnesota Rules, part 4685.0801.

(b) If a health maintenance contract is permitted to impose a co-payment for preexisting health status under sections 62D.01 to 62D.30, these provisions may vary with respect to length of enrollment in the health plan.

Subd. 3. [DEDUCTIBLES.] (a) A health maintenance contract issued by a health maintenance organization that is assessed less than three percent of the total annual amount assessed by the Minnesota comprehensive health association may impose deductibles not to exceed $3,000 per person, per year and $6,000 per family, per year. For purposes of the percentage calculation, a health maintenance organization’s assessments include those of its affiliates.

(b) All other health maintenance contracts may impose deductibles not to exceed $2,250 per person, per year and $4,500 per family, per year.
Subd. 4. [ANNUAL OUT-OF-POCKET MAXIMUMS.] (a) A health maintenance contract issued by a health maintenance organization that is assessed less than three percent of the total annual amount assessed by the Minnesota comprehensive health association must include a limitation not to exceed $4,500 per person and $7,500 per family on total annual out-of-pocket enrollee cost-sharing expenses. For purposes of the percentage calculation, a health maintenance organization’s assessments include those of its affiliates.

(b) All other health maintenance contracts must include a limitation not to exceed $3,000 per person and $6,000 per family on total annual out-of-pocket enrollee cost-sharing expenses.

Subd. 5. [EXCEPTIONS.] No co-payments or deductibles may be imposed on preventive health care services as described in Minnesota Rules, part 4685.0801, subpart 8.

Sec. 4. Minnesota Statutes 2000, section 62D.30, subdivision 8, as added by Laws 2002, chapter 346, section 1, is amended to read:

Subd. 8. [RURAL DEMONSTRATION PROJECT.] (a) The commissioner may permit demonstration projects to allow health maintenance organizations to extend coverage to a health improvement and purchasing coalition located in rural Minnesota, comprised of the health maintenance organization and members from a geographic area. For purposes of this subdivision, rural is defined as greater Minnesota excluding the seven-county metropolitan area of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington. The coalition must be designed in such a way that members will:

1. become better informed about health care trends and cost increases;
2. be actively engaged in the design of health benefit options that will meet the needs of their community;
3. pool their insurance risk;
4. purchase these products from the health maintenance organization involved in the demonstration project; and
5. actively participate in health improvement decisions for their community.

(b) The commissioner must consider the following when approving applications for rural demonstration projects:

1. the extent of consumer involvement in development of the project;
2. the degree to which the project is likely to reduce the number of uninsured or to maintain existing coverage; and
3. a plan to evaluate and report to the commissioner and legislature as prescribed by paragraph (e).

(c) For purposes of this subdivision, the commissioner must waive compliance with the following statutes and rules: the cost-sharing restrictions under section 62D.02, subdivision 8, which for purposes of this subdivision is the sum of the annual copayments and deductible which is prohibited from exceeding the maximum out of pocket expenses allowable for a number three qualified plan under section 62E.06 or $5,000 per family and an annual deductible of $1,000 per person; 62D.095, subdivisions 2, 3, and 4; and Minnesota Rules, part 4685.0801, subparts 1 to 7; for a period of at least two years, participation in government programs under section 62D.04, subdivision 5, in the counties of the demonstration project if that compliance would have been required solely due to participation in the demonstration project and shall continue to waive this requirement beyond two years if the enrollment in the demonstration project is less than 10,000 enrollees; small employer marketing under section 62L.05, subventions 1 to 3; and small employer geographic premium variations under section 62L.08, subdivision 4. The commissioner shall approve enrollee cost-sharing features desired by the coalition that appropriately share costs between employers, individuals, and the health maintenance organization.
(d) The health maintenance organization may make the starting date of the project contingent upon a minimum number of enrollees as cited in the application, provide for an initial term of contract with the purchasers of a minimum of three years, and impose a reasonable penalty for employers who withdraw early from the project. For purposes of this subdivision, loss ratios are to be determined as if the policies issued under this section are considered individual or small employer policies pursuant to section 62A.021, subdivision 1, paragraph (f). The health maintenance organization may consider businesses of one to be a small employer under section 62L.02, subdivision 26. The health maintenance organization may limit enrollment and establish enrollment criteria for businesses of one. Health improvement and purchasing coalitions under this subdivision are not associations under section 62L.045, subdivision 1, paragraph (a).

(e) The health improvement and purchasing coalition must report to the commissioner and legislature annually on the progress of the demonstration project and, to the extent possible, any significant findings in the criteria listed in clauses (1), (2), and (3) for the final report. The coalition must submit a final report five years from the starting date of the project. The final report must detail significant findings from the project and must include, to the extent available, but should not be limited to, information on the following:

(1) the extent to which the project had an impact on the number of uninsured in the project area;

(2) the effect on health coverage premiums for groups in the project's geographic area, including those purchasing health coverage outside the health improvement and purchasing coalition; and

(3) the degree to which health care consumers were involved in the development and implementation of the demonstration project.

(f) The commissioner must limit the number of demonstration projects under this subdivision to five projects.

(g) Approval of the application for the demonstration project is deemed to be in compliance with sections 62E.03 and 62E.06, subdivisions 1, paragraph (a), 2, and 3.

(h) Subdivisions 2 to 7 apply to demonstration projects under this subdivision. Waivers permitted under subdivision 1 do not apply to demonstration projects under this subdivision.

(i) If a demonstration project under this subdivision works in conjunction with a purchasing alliance formed under chapter 62T, that chapter will apply to the purchasing alliance except to the extent that chapter 62T is inconsistent with this subdivision.

Sec. 5. Minnesota Statutes 2000, section 79.251, subdivision 1, is amended to read:

Subdivision 1. [ASSIGNED RISK PLAN REVIEW BOARD GENERAL DUTIES OF COMMISSIONER.] (1) An assigned risk plan review board is created for the purposes of review of the operation of section 79.252 and this section. The board commissioner shall have all the usual powers and authorities necessary for the discharge of its duties under this section and may contract with individuals in discharge of those duties.

(2) The board shall consist of six members to be appointed by the commissioner of commerce. Three members shall be insured holding policies or contracts of coverage issued pursuant to subdivision 4. Two members shall be insurers licensed pursuant to section 60A.06, subdivision 1, clause (5), paragraph (b). The commissioner shall be the sixth member and shall vote.

Initial appointments shall be made by September 1, 1981, and terms shall be for three years duration. Removal, the filling of vacancies and compensation of the members other than the commissioner shall be as provided in section 15.059.

(3) The assigned risk plan review board commissioner shall audit the reserves established (a) for individual cases arising under policies and contracts of coverage issued under subdivision 4 and (b) for the total book of business issued under subdivision 4.
(4) (2) The assigned risk plan review board commissioner shall monitor the operations of section 79.252 and this section and shall periodically make recommendations to the commissioner, and to the governor and legislature when appropriate, for improvement in the operation of those sections.

No salesperson may be licensed to act on behalf of an individual holding a limited broker's license. An officer of a corporation or partner of a partnership licensed as a limited broker may act on behalf of that corporation or partnership without being subject to the licensing requirements.

Every applicant for a salesperson's license shall be required to successfully complete an additional course of study in the real estate field consisting of 60 hours of instruction approved by the commissioner, of which three hours shall consist of training in state and federal fair housing laws, regulations, and rules, and of which two hours must consist of training in laws and regulations on agency representation and disclosure, before filing an application for the license. Every salesperson shall, within one year of licensure, be required to successfully complete a course of study in the real estate field consisting of 30 hours of instruction approved by the commissioner.

(b) The commissioner may approve courses of study in the real estate field offered in educational institutions of higher learning in this state or courses of study in the real estate field developed by and offered under the auspices of the national association of realtors, its affiliates, or private real estate schools. The commissioner shall not approve any course offered by, sponsored by, or affiliated with any person or company licensed to engage in the real estate business. The commissioner may by rule prescribe the curriculum and qualification of those employed as instructors.

Subd. 13. [CONTINUING EDUCATION.] (a) After their first renewal date, all real estate salespersons and all real estate brokers shall be required to successfully complete 30 hours of real estate continuing education, either as a student or a lecturer, in courses of study approved by the commissioner, during the initial license period and during each succeeding 24-month license period. At least 15 of the 30 credit hours must be completed during the first 12 months of the 24-month licensing period. Salespersons and brokers whose initial license period extends more than 12 months are required to complete 15 hours of real estate continuing education during the initial license period. Those licensees who will receive a 12-month license on July 1, 1995, because of the staggered implementation schedule must complete 15 hours of real estate continuing education as a requirement for renewal on July 1, 1996. Licensees may not claim credit for continuing education not actually completed as of the date their report of continuing education compliance is filed.

(b) The commissioner shall adopt rules defining the standards for course and instructor approval, and may adopt rules for the proper administration of this subdivision. The commissioner may not approve a course which can be completed by the student at home or outside the classroom without the supervision of an instructor except accredited courses using new delivery technology, including interactive technology, and the Internet. Courses in motivation, salesmanship, psychology, or time management shall not be approved by the commissioner for continuing education credit.

(c) Any program approved by Minnesota continuing legal education shall be approved by the commissioner of commerce for continuing education for real estate brokers and salespeople if the program or any part thereof relates to real estate.

(d) As part of the continuing education requirements of this section, the commissioner shall require that all real estate brokers and salespersons receive:

(1) at least one hour of training during each license period in courses in laws or regulations on agency representation and disclosure; and

(2) at least one hour of training during each license period in courses in state and federal fair housing laws, regulations, and rules, other antidiscrimination laws, or courses designed to help licensees to meet the housing needs of immigrant and other underserved populations.

Clauses (1) and (2) do not apply to real estate salespersons and real estate brokers engaged solely in the commercial real estate business who file with the commissioner a verification of this status along with the continuing education report required under paragraph (a).

(e) The commissioner is authorized to establish a procedure for renewal of course accreditation.

(f) Approved courses may be sponsored or offered by a broker of a real estate company and may be held on the premises of a company licensed under this chapter. All course offerings must be open to any interested individuals. Access may be restricted by the sponsor based on class size only. Courses must not be approved if attendance is restricted to any particular group of people. A broker must comply with all continuing education rules prescribed by the commissioner.
(g) No more than one-half of the credit hours per licensing period, including continuing education required under subdivision 6, may be credited to a person for attending any combination of courses either:

(1) sponsored by, offered by, or affiliated with a real estate company or its agents; or

(2) offered using new delivery technology, including interactive technology, and the Internet.

Sec. 10. Minnesota Statutes 2000, section 82B.19, subdivision 1, is amended to read:

Subdivision 1. [LICENSE RENEWALS.] A licensed real estate appraiser shall present evidence satisfactory to the commissioner of having met the continuing education requirements of this chapter before the commissioner renews a license.

The basic continuing education requirement for renewal of a license is the completion by the applicant either as a student or as an instructor, during the immediately preceding term of licensing, of at least 30 classroom hours of instruction in courses or seminars that have received the approval of the commissioner. As part of the continuing education requirements of this section, the commissioner shall require that all real estate appraisers receive at least four seven hours of training each license period in courses in laws or regulations on standards of professional practice. If the applicant's immediately preceding term of licensing consisted of 12 or more months, but fewer than 24 months, the applicant must provide evidence of completion of 15 hours of instruction during the license period. If the immediately preceding term of licensing consisted of fewer than 12 months, no continuing education need be reported.

A client or employer may also retain or employ a licensed real estate appraiser to provide a market analysis to facilitate the client's or employer's objectives; or to perform a limited appraisal. In either case, the appraisal and the appraisal report must comply with the provisions of this chapter and the uniform standards of professional appraisal practice.

Sec. 16. Minnesota Statutes 2000, section 326.975, is amended by adding a subdivision to read:

Subd. 1b. [CONDOMINIUMS OR TOWNHOUSES.] For purposes of this section, the owner or lessee of a condominium or townhouse is considered an owner or lessee of residential property regardless of the number of residential units per building.

The Honorable Steve Sviggum
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 2572, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 2572 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2000, section 117.075, is amended to read:

117.075 [COURT TO APPOINT COMMISSIONERS.]

Upon proof being filed of the service of such notice, the court, at the time and place therein fixed or to which the hearing may be adjourned, shall hear all competent evidence offered for or against the granting of the petition, regulating the order of proof as it may deem best. If the proposed taking shall appear to be necessary and such as is authorized by law, the court by an order shall appoint three disinterested commissioners, and at least two alternates, residents of the county, to ascertain and report the amount of damages that will be sustained by the several owners on account of such taking.

Before appointing a commissioner, the court shall inquire whether each prospective commissioner has any relationship, business or otherwise, to any of the parties in the proceeding, or any interest in the proceeding which may constitute a conflict of interest, or which may create the appearance of impropriety should that person be appointed. Responses to this inquiry must be either written or on the record and made available by the court to any party in the proceeding before and after appointment. No person who might have difficulty in rendering an unbiased decision may be appointed to serve. The court, in its discretion, may appoint one registered, practicing attorney to the commission who is knowledgeable in eminent domain matters. All other commissioners appointed must be persons actively engaged in the occupation of real estate sales or real estate appraising or persons knowledgeable in real estate values. The order shall fix the time and place of the first meeting of the three commissioners and prescribe their compensation. At the first meeting at the office of the court administrator of district court the appointees must be sworn by the court administrator or an authorized deputy and shall take and sign the following oath before assuming their duties as commissioners:

(TITLE OF PROCEEDING)

....................... does swear under penalty of perjury as follows:

I will faithfully and justly perform to the best of my ability, all the duties of the office and trust which I now assume as commissioner in the above entitled proceeding. I further swear that, except as disclosed in writing or on the record, I have no interest in any of the lands in the above proceeding or any present or past relationship, business or personal, with any of the parties to the above proceeding or any other actual or potential conflict of interest, and that I will render fair and impartial decisions, so help me God.
The order may, in the discretion of the court, limit the title or easement to be acquired by the petitioner by defining the rights and privileges which the owner of any of the lands may exercise therein in subordination to the public uses to which it is appropriated. In case any commissioner fails to act or fails to meet the qualifications required by this section, the court without further notice may appoint another in that commissioner's place.

The court administrator of court in each county shall post in the courthouse in a prominent place a notice that a qualified person may apply to have the person's name placed upon a list of potential commission appointees for eminent domain proceedings. The notice must contain the language of the oath which the commissioners are required to take upon appointment and shall list the other qualifications set forth in this section. The court shall give due consideration to the names appearing on the list, but is not bound to make appointments from the list.

Sec. 2. Minnesota Statutes 2001 Supplement, section 275.065, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority proposes to collect for taxes payable the following year. In the case of a town, or in the case of the state determined portion of the school district levy, the final tax amount will be its proposed tax. In the case of taxing authorities required to hold a public meeting under subdivision 6, the notice must clearly state that each taxing authority, including regional library districts established under section 134.201, and including the metropolitan taxing districts as defined in paragraph (i), but excluding all other special taxing districts and towns, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting, a telephone number for the taxing authority that taxpayers may call if they have questions related to the notice, and an address where comments will be received by mail.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year as each appears in the records of the county assessor on November 1 of the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;

(2) the items listed below, shown separately by county, city or town, state determined school tax net of the education homestead credit under section 273.1382, voter approved school levy, other local school levy, and the sum of the special taxing districts, and as a total of all taxing authorities:

(i) the actual tax for taxes payable in the current year;

(ii) the tax change due to spending factors, defined as the proposed tax minus the constant spending tax amount;

(iii) the tax change due to other factors, defined as the constant spending tax amount minus the actual current year tax; and

(iv) the proposed tax amount.

In the case of a town or the state determined school tax, the final tax shall also be its proposed tax unless the town changes its levy at a special town meeting under section 365.52. If a school district has certified under section 126C.17, subdivision 9, that a referendum will be held in the school district at the November general election,
the county auditor must note next to the school district's proposed amount that a referendum is pending and that, if approved by the voters, the tax amount may be higher than shown on the notice. In the case of the city of Minneapolis, the levy for the Minneapolis library board and the levy for Minneapolis park and recreation shall be listed separately from the remaining amount of the city's levy. In the case of the city of St. Paul, the levy for the St. Paul library agency must be listed separately from the remaining amount of the city's levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax under chapter 276A or 473F applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease between the total taxes payable in the current year and the total proposed taxes, expressed as a percentage.

For purposes of this section, the amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under chapter 290B is the total amount of property tax before subtraction of the deferred property tax amount.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda, school district levy referenda, and levy limit increase referenda;

(3) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;

(4) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; and

(5) the contamination tax imposed on properties which received market value reductions for contamination.

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead, and satisfactory documentation is provided to the county assessor by the applicable deadline, and the property qualifies for the homestead classification in that assessment year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

(i) For purposes of this subdivision, subdivisions 5a and 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:
(1) metropolitan council under section 473.132, 473.167, 473.249, 473.325, 473.446, 473.521, 473.547, or 473.834;

(2) metropolitan airports commission under section 473.667, 473.671, or 473.672; and

(3) metropolitan mosquito control commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy and shall be discussed at that county's public hearing.

(j) If a statutory or home rule charter city or a town has exercised the local levy option provided by section 473.388, subdivision 7, it may include in the notice of its proposed taxes the amount of its proposed taxes attributable to its exercise of the option. In the first year of the city or town's exercise of this option, the statement shall include an estimate of the reduction of the metropolitan council's tax on the parcel due to exercise of that option. The metropolitan council's levy shall be adjusted accordingly.

[EFFECTIVE DATE.] This section is effective for notices prepared after the day following final enactment.

The authority must find that the pledged revenues will equal or exceed 110 percent of the principal and interest due on the bonds for each year. The proceeds of the bonds must be used for a qualified housing development project or projects. The obligations must be issued and sold in the manner and following the procedures provided by chapter 475, except the obligations are not subject to approval by the electors and the maturities may extend to not more than 30 years from the estimated date of completion of the project. The authority is the municipality for purposes of chapter 475.

(b) The principal amount of the issue must be approved by the governing body of the general jurisdiction governmental unit whose general obligation is pledged. Public hearings must be held on issuance of the obligations by both the authority and the general jurisdiction governmental unit. In the case of a county or multicounty authority, the county or counties may act as the general jurisdiction governmental unit. (2) the authority finds the project is experiencing unanticipated vacancies resulting in insufficient revenues, because of changes in population or other unforeseen circumstances that occurred after the initial finding of adequate revenues; and

(3) the authority finds a tax levy or payment from general assets of the general jurisdiction governmental unit will be necessary to pay debt service on the bonds if higher income individuals or families are not admitted.

Subd. 2. [DETAIL; MATURITY.] The authority with the consent of its city's council shall set the date, denominations, place of payment, form, and details of the bonds. The bonds must mature serially. The proceeds of bonds issued to purchase obligations as provided under this paragraph may be disbursed or otherwise used to pay underwriter's or placement fees, expenses, or other costs of issuance and sale for the bonds only on a pro rata basis determined with respect to the portion of the proceeds that are used to purchase the obligations. The municipality may not pay the underwriter's or placement fees, expenses, or other costs of issuance and sale out of other money.

Sec. 11. Minnesota Statutes 2000, section 469.155, subdivision 4, is amended to read:

Subd. 4. Except as otherwise provided in this section, the issuance of the bonds is governed by Minnesota Statutes, chapter 475. The library agency when issuing the bonds is a municipality under Minnesota Statutes, chapter 475. Notwithstanding any city charter provision or any general or special law to the contrary, the bonds may be issued and sold without submission of the question to the electors of the city, provided that the ordinance of the city council authorizing issuance of the bonds by the library agency is subject to provisions in the city charter pertaining to the procedure for referendum on ordinances enacted by the city council.

Subd. 2. [OUTSIDE DEBT LIMIT.] Bonds issued by the library agency must not be included in the net debt of the city of St. Paul. Money received under this section must not be included in a per capita limit on taxing or spending in the city charter. The library agency is also exempt from the limit.

Subd. 3. [PLEDGE.] The bonds must be secured by the pledge of the full faith, credit, and resources of the city of St. Paul. The city council must first decide whether the issuance of the bonds by the library agency is proper in each case and, if so, the amount of bonds to issue. The city council shall give specific consent in an ordinance to the pledge of the city's full faith, credit, and resources. The city shall pay the principal amount of the bonds and the interest on them from taxes levied under this section to make the payment or from library board income from any source.

[EFFECTIVE DATE.] This section is effective the day after the governing body of St. Paul and its chief clerical officer timely complete their compliance with Minnesota Statutes, section 645.021, subdivisions 2 and 3.
