"Sec. 3. [16A.6702] [REVENUE BONDS; BASEBALL PARK.]

Subdivision 1. [AUTHORIZATION.] The commissioner of finance is authorized to sell and issue state revenue bonds to fund a loan to a local government unit in the metropolitan area to finance up to one-half of the costs to design, acquire, construct, furnish, and equip a baseball park to be owned by the local government unit and leased to a major league professional baseball team, as provided in sections 116J.425 to 116J.4292, and to pay costs of issuance of the bonds. The proceeds of the bonds are appropriated for these purposes. The principal amount of the bonds shall not exceed \$140,500,000. The bonds shall be sold and issued upon such terms and in such manner as the commissioner shall determine to be in the best interests of the state. The final maturity of the bonds shall be not later than June 30, 2034.

Subd. 2. [SECURITY; BONDS NOT PUBLIC DEBT.] The bonds and the interest thereon shall be payable solely from repayments by the local government unit in which the baseball park is located, as provided in section 116J.426, and secured by the revenues appropriated and transferred to the debt service fund established for this purpose in subdivision 4 and investment income thereon, and any bond reserve established for the bonds. The bonds are not public debt, and the full faith, credit, and taxing powers of the state are not pledged for their payment. The bonds and the interest thereon shall not be paid, directly or indirectly, in whole or in part, from a tax of statewide application on any class of property, income, transaction, or privilege.

Subd. 3. [SPECIAL REVENUE FUND.] There is established in the state treasury a separate and special revenue fund for deposit of revenues from net proceeds of the lottery in accordance with section 349A.10, subdivision 5, money received for payment or reimbursement of health care costs in accordance with section 246.18, subdivision 7a, state license and service fees as defined in section 16A.6703, and investment income thereon.

Subd. 4. [DEBT SERVICE FUND.] There is established in the state treasury a separate and special debt service fund. Money transferred or appropriated to the fund and investment income thereon on hand or required to be transferred to the fund shall be used and are irrevocably appropriated for the payment of the principal of and interest on the bonds authorized in this section when due.

Subd. 5. [COVENANTS; AGREEMENTS.] The commissioner may, for and on behalf of the state, enter into such covenants and agreements not inconsistent with subdivisions 1 to 4 and sections 246.18, subdivisions 4 and 6; and 349A.10, subdivision 5, as may be necessary or desirable to facilitate the sale and issuance of the bonds on terms favorable to the state, including, but not limited to, covenants and agreements relating to the payment of and security for the bonds, tax-exemption, and disclosure of information required by federal and state securities laws. Such covenants and agreements of the commissioner constitute an enforceable contract of the state and the state pledges and agrees with the holders of any bonds that the state will not limit or alter the rights vested in the commissioner to fulfill the terms of any such covenants or agreements made with the holders of the bonds, or in any way impair the rights and remedies of the holders until the bonds, together with the interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged. The commissioner is authorized to include this pledge and agreement of the state in any covenant or agreement with the holders of such bonds. Such covenants may not include covenants to continue to operate the state lottery but may include covenants to continue to seek payment by and reimbursement from nonstate sources of health care costs so long as any bonds issued pursuant to this section are outstanding. The provisions of sections 16A.672 and 16A.675 are applicable to the bonds.

MINORITY REPORT

May 18, 2001

We, the undersigned, being a minority of the Committee on Capital Investment, recommend that H. F. No. 2513 do pass with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [PURPOSE; FINDINGS.]

The legislature finds that major league professional sports have value to the citizens and the economy of this state. The legislature further finds that this value can and should be protected to ensure the successful continuation of major league professional sports in Minnesota. The legislature believes this goal can be accomplished through public/private partnerships. It is therefore the desire of the legislature to support major league professional sports substantially with private support.

Sec. 2. [CONDITIONS.]

The legislature further finds that while major league professional sports are a key community asset, state revenues should not be diverted to build and operate stadiums or sports facilities used primarily by professional sports teams until the legislature has fully funded the needs of the K-12 education, health care, transportation, higher education, state agency operations, early childhood education, and state pensions.

Sec. 3. [16A.1395] [COMMISSIONER DETERMINATION OF STATE FUND; PROHIBITION.]

Based on information contained in the requirements of section 16A.103, the commissioner shall determine if the legislature has fully funded the needs of K-12 education, health care, transportation, higher education, state agency operations, early childhood education, and state pensions. Until the commissioner so determines, state dollars or appropriations may not be used to fund construction of stadiums or sport facilities used by a privately owned professional sports team. For purposes of this section, "state dollars" includes but is not limited to general tax revenues, fees, loans, "tax free" zones, general obligation bonds, and revenue bonds.

Sec. 4. [16A.1396] [PRIVATELY FINANCED STADIUM PLANS; DEVELOPMENT AND OR REVIEW.]

Subdivision 1. [PRIVATELY FINANCED STADIUM REVIEW TASK FORCE.] The commissioner of trade and economic development, the commissioner of commerce, or the commissioner of finance shall, pursuant to section 15.014, subdivision 2, appoint up to 15 persons to serve on a task force on development and review of privately financed stadium or sports facilities proposals. The director of the strategic and long-range planning may also exercise the power in section 15.014 to create the task force.

Subd. 2. [DEVELOPMENT AND OR REVIEW.] The task force may review and or develop privately financed stadium or sports facility proposals. The task force may consider any offers of local government assistance that have actually been adopted by the local government resolution or referendum. The task force may report to the governor, legislature, and the Metropolitan Sports Facilities Commission recommendations on the preferred method of privately financing a sports facility and on a suggested location for such a facility."

Delete the title and insert:
