REPORTS OF STANDING COMMITTEES

Erhardt from the Committee on Transportation Policy to which was referred:

H. F. No. 259, A bill for an act relating to drivers' licenses; removing sunset provisions to allow certain school buses to continue to be operated by licensed child care providers and by holders of Class D drivers' licenses under limited conditions; amending Laws 2001, chapter 97, section 5.

Reported the same back with the following amendments:

Page 1, after line 7, insert:

"Section 1. Minnesota Statutes 2002, section 169.448, subdivision 1, is amended to read:

Subdivision 1. [RESTRICTIONS ON APPEARANCE; MISDEMEANOR.] (a) A bus that is not used as a school bus may not be operated on a street or highway unless it is painted a color significantly different than national school bus glossy yellow.

(b) A bus that is not used as a school bus or Head Start bus may not be operated if it is equipped with school bus or Head Start bus-related equipment and printing.

(c) A violation of this subdivision is a misdemeanor.

(d) This subdivision does not apply to a school bus owned by or under contract to a school district operated as a charter or leased bus.

(e) This subdivision does not apply to a school bus operated by a licensed child care provider if:

(1) the stop arm is removed;

(2) the eight-light system is deactivated;
(3) the school bus is identified as a "child care bus" in letters at least eight inches high on the front and rear top of the bus; and

(4) the name, address, and telephone number of the owner or operator of the bus is identified on each front door of the bus in letters not less than three inches high; and

(5) the conditions under section 171.02, subdivision 2a, paragraph (b), clauses (1) through (9), (11), and (13), have been met.

[EFFECTIVE DATE.] This section is effective July 1, 2003.

Sec. 2. Minnesota Statutes 2002, section 171.02, subdivision 2a, is amended to read:

Subd. 2a. [EXCEPTIONS.] (a) Notwithstanding subdivision 2, (1) a hazardous materials endorsement is not required to operate a vehicle having a gross vehicle weight of 26,000 pounds or less while carrying in bulk tanks a total of not more than 200 gallons of petroleum products and (2) a class C license or hazardous materials endorsement is not required to operate a farm vehicle as defined in Code of Federal Regulations, title 49, section 390.5, having a gross vehicle weight of 26,000 pounds or less while carrying in bulk tanks a total of not more than 1,500 gallons of liquid fertilizer.

(b) Notwithstanding subdivision 2, paragraph (c), the holder of a class D driver's license, without a school bus endorsement, may operate a type A school bus described in subdivision 2, paragraph (b), under the following conditions:

(1) The operator is an employee of the entity that owns, leases, or contracts for the school bus and is not solely hired to provide transportation services under this paragraph.

(2) The operator drives the school bus only from points of origin to points of destination, not including home-to-school trips to pick up or drop off students.

(3) The operator is prohibited from using the eight-light system. Violation of this clause is a misdemeanor.

(4) The operator's employer has adopted and implemented a policy that provides for annual training and certification of the operator in:

(i) safe operation of the type of school bus the operator will be driving;

(ii) understanding student behavior, including issues relating to students with disabilities;

(iii) encouraging orderly conduct of students on the bus and handling incidents of misconduct appropriately;

(iv) knowing and understanding relevant laws, rules of the road, and local school bus safety policies;

(v) handling emergency situations; and

(vi) safe loading and unloading of students.

(5) A background check or background investigation of the operator has been conducted that meets the requirements under section 122A.18, subdivision 8, or 123B.03 for teachers; section 144.057 or 245A.04 for day care employees; or section 171.321, subdivision 3, for all other persons operating a type A school bus under this paragraph.
(6) Operators shall submit to a physical examination as required by section 171.321, subdivision 2.

(7) The operator's driver's license is verified annually by the entity that owns, leases, or contracts for the school bus.

(8) A person who sustains a conviction, as defined under section 609.02, of violating section 169A.25, 169A.26, 169A.27, 169A.31, 169A.51, or 169A.52, or a similar statute or ordinance of another state is precluded from operating a school bus for five years from the date of conviction.

(9) A person who has ever been convicted of a disqualifying offense as defined in section 171.3215, subdivision 1, paragraph (c), may not operate a school bus under this paragraph.

(10) A person who sustains a conviction, as defined under section 609.02, of a fourth moving offense in violation of chapter 169 is precluded from operating a school bus for one year from the date of the last conviction.

(11) Students riding the school bus must have training required under section 123B.90, subdivision 2.

(12) An operator must be trained in the proper use of child safety restraints as set forth in the National Highway Traffic Safety Administration's "Guideline for the Safe Transportation of Pre-school Age Children in School Buses."

(13) Annual certification of the requirements listed in this paragraph must be maintained under separate file at the business location for each operator licensed under this paragraph and subdivision 2, paragraph (b), clause (5). The business manager, school board, governing body of a nonpublic school, or any other entity that owns, leases, or contracts for the school bus operating under this paragraph is responsible for maintaining these files for inspection.

(14) The school bus must bear a current certificate of inspection issued under section 169.451.

(15) The word "School" on the front and rear of the bus must be covered by a sign that reads "Activities" when the bus is being operated under authority of this paragraph.

Dempsey from the Committee on Local Government and Metropolitan Affairs to which was referred:

H. F. No. 327, A bill for an act relating to local government; shooting ranges; defining generally accepted operation practices; providing for relation to ordinances, closing and relocation, and nuisance liability; proposing coding for new law as Minnesota Statutes, chapter 87A.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [87A.01] [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] The definitions in this section apply to sections 87A.01 to 87A.08.

Subd. 2. [PERSON.] "Person" means an individual, association, proprietorship, partnership, corporation, club, political subdivision, or other legal entity.

Subd. 3. [SHOOTING RANGE OR RANGE.] "Shooting range" or "range" means an area or facility designated or operated for the use of firearms as defined in section 97A.015, subdivision 19, or archery, and includes shooting preserves as described in section 97A.115 or any other Minnesota law.

Subd. 4. [GENERALLY ACCEPTED OPERATION PRACTICES.] "Generally accepted operation practices" means those voluntary guidelines adopted by the commissioner of natural resources under section 87A.02, paragraph (d), for the safe operation of shooting ranges.

Subd. 5. [UNIT OF GOVERNMENT.] "Unit of government" means a home rule charter or statutory city, county, town, municipal corporation, or other political subdivision, or any of their instrumentalities.

Sec. 2. [87A.02] [LOCAL ORDINANCES; EXISTING OPERATIONS.]

(a) A shooting range that is in operation and is in material compliance with existing law at the time of the enactment of an ordinance of a unit of government affecting, directly or indirectly, operation or use of a shooting range must be permitted to continue in operation even if the operation of the shooting range at a later date does not conform to the new ordinance or an amendment to an existing ordinance.

(b) A shooting range that operates in material compliance with generally accepted operation practices, even if not in compliance with an ordinance of a unit of government affecting, directly or indirectly, operation or use of a shooting range, must be permitted to do all of the following within its geographic boundaries if done in accordance with generally accepted operation practices:

(1) repair, remodel, improve, replace, construct, or reinforce any conforming or nonconforming building or structure as may be necessary or desirable in the interest of safety or to secure the continued use of the range, building, or structure;

(2) reconstruct, repair, restore, remodel, improve, replace, or resume the use of any conforming or nonconforming building or structure damaged by fire, collapse, erosion, wear and tear, obsolescence, explosion, act of God, or act of war; and

(3) do anything not prohibited by generally accepted operation practices, including:

(i) expand or increase its membership or opportunities for public participation;
(ii) make those repairs or improvements necessary or desirable under generally accepted operation practices;

(iii) expand or increase events, facilities, and activities; and

(iv) conduct shooting activities and discharge firearms during the daytime, as defined in Minnesota Rules, part 7030.0200, subpart 3, in effect on March 1, 1999.

(c) Nothing in sections 87A.01 to 87A.08 exempts any newly constructed or remodeled building on a shooting range from compliance with fire safety, handicapped accessibility, elevator safety, bleacher safety, or other provisions of the State Building Code that have mandatory statewide application.

(d) In developing generally accepted operation practices, the commissioner of natural resources shall consult with range operators and any consultants the range operators provide. The guidelines shall provide for operation of shooting preserves within their boundaries notwithstanding any discharge distance limitations provided by rule otherwise concerning hunting on other land. The generally accepted operation practices shall be reviewed at least every five years by the commissioner and revised as the commissioner considers necessary for safe operation of a shooting range. The commissioner shall adopt initial guidelines by July 1, 2003.

Sec. 3. [87A.03] [CLOSING OR RELOCATING SHOOTING RANGES; PAYMENT OF CERTAIN COSTS.]

Subd. 1. [CLOSURE OR RELOCATION CRITERIA.] A shooting range may be closed under subdivision 3, or relocated under subdivision 4, by a state agency or unit of government only if, because of new, permitted development of adjacent land, the range becomes a clear, immediate, and proven safety hazard to the adjacent population and it cannot be brought into material compliance with generally accepted operation practices with range or operation improvements.

Subd. 2. [PROCEDURE.] The clear and immediate safety hazard must be proven at a contested case hearing. The hearing must be held after the commissioner of natural resources provides notice to the owner and operator of the shooting range that includes a clear and precise statement of the factual basis for alleging a safety hazard. The owner and operator of the shooting range must be given an opportunity to be heard and meet the allegation. The commissioner must make written findings and conclusions as to the hazard and whether range improvements can bring the range into material compliance with the generally accepted operation practices. If the commissioner concludes that there is a clear and immediate safety hazard and the operation of the shooting range can be brought into material compliance with the generally accepted operation practices with range or operation improvements, the state agency or unit of government that permitted the development must pay for the range or operation improvements.

Subd. 3. [CLOSURE.] If a clear and immediate safety hazard is proven as required under subdivisions 1 and 2, a shooting range may be closed by the state agency or the unit of government if the agency or unit of government closing the shooting range pays the fair market value of the range operation as a going concern to the operators and the fair market value of the land, including improvements, to the owner of the land.

Subd. 4. [RELOCATION.] Upon request by the operator of the shooting range, the agency or unit of government must relocate the shooting range to a suitable new location if available. The agency or unit of government may use its power of eminent domain to acquire the new location.

Subd. 5. [TRANSFER OF TITLE.] The shooting range owner and operator shall transfer their interests in the property to the agency or unit of government after full and final payment under subdivision 3 or after the relocation is completed under subdivision 4.
Sec. 4. [87A.04] [PREEXISTING OUTDOOR SHOOTING RANGES; NOISE BUFFERING OR ATTENUATION.]

(a) If a shooting range is operated in material compliance with generally accepted operation practices and if property located within one mile of the exterior property boundary of the range is rezoned for residential use or any other use, the zoning authority must provide for noise buffers, attenuation devices, safety improvements, or equivalent measures that are:

1. within the new development as a condition for developing the property or as supplied by the zoning authority; or

2. supplied or funded by the zoning authority for location in the range.

(b) Property owners, developers, zoning authorities, and ranges may negotiate and provide for noise buffers or attenuation devices located on or off the range.

(c) Any noise buffering or attenuation under this section must comply with the noise standards prescribed by section 87A.06.

Sec. 5. [87A.05] [IRREBUTTABLE PRESUMPTION; NUISANCE LIABILITY.]

In all relevant actions, there shall exist an irrebuttable presumption that a shooting range that is conducted in material compliance with generally accepted operation practices is not a public or private nuisance and does not otherwise invade or interfere with the use and enjoyment of any other land or property.

Sec. 6. [87A.06] [SHOOTING RANGES; NOISE STANDARDS.]

Subd. 1. [NOISE STANDARDS.] (a) A person who owns or operates or uses a shooting range in this state is subject only to the noise standards and procedures in Minnesota Rules, parts 7030.0010 to 7030.0080, in effect on March 1, 1999. The noise area classifications shall be utilized as well as the provisions for daytime and nighttime standards within those classifications. The steady state noise L10 and L50 standards for each period of the day or night within each noise area classification shall be replaced by a single Leq(h) standard for impulsive noise that is two dBA lower than that of the L10 level for steady state noise.

(b) This section and the standards in paragraph (a) shall be applied in the same manner as a generally accepted operation practice for all of the provisions of this chapter.

Subd. 2. [ACTIONS BASED ON NOISE.] Any action brought against a range on the basis of noise, nuisance, or disturbance by impulsive noise from a shooting range shall be dismissed unless such action is initially supported by affidavit of a qualified or licensed noise consultant stating that noise measurements were taken by proper instruments, which were calibrated properly, and according to the procedures and standards in Minnesota Rules, parts 7030.0010 to 7030.0080. Upon the dismissal of any actions brought using noise as a basis, in whole or in part, or upon a finding by the court that any such action is unsupported, the court must award the defendant range or person its reasonable attorney fees and expert costs, in addition to its costs and disbursements.

Sec. 7. [87A.07] [NUISANCE ACTIONS; SUBSTANTIAL COMPLIANCE WITH GENERALLY ACCEPTED OPERATION PRACTICES.]

A person who owns, operates, or uses a shooting range in this state that is in material compliance with generally accepted operation practices is not subject to any action for nuisance and no court of this state may enjoin or restrain the use or operation of such a range. This section does not prohibit an action for personal injury caused by recklessness or negligence in the operation of the range or by a person using the range in a reckless or negligent manner.
Sec. 8. [87A.08] [PUBLIC ACCESS TO SHOOTING RANGES.]

Shooting ranges maintained or operated, in whole or in part, with public funds must be reasonably available for public use. A reasonable fee in an amount not to exceed the actual additional direct costs caused by public use may be charged.

Sec. 9. [EFFECTIVE DATE.]

Sections 1 to 8 are effective the day following final enactment.
