The elected governing body of a statutory or home rule city, township, county, school district, or sanitary district may request the commissioner of finance to prepare a local fiscal impact and fiscal benefit note on a rule proposed by a state agency. The request must be made by submitting a resolution of the governing body to the commissioner of finance at least ten days before a public hearing on a proposed rule is held or, if the agency intends to adopt the rule without a public hearing, at least ten days before the deadline for requesting a public hearing. Upon receipt of a request, the commissioner of finance must prepare an estimate of the fiscal impact and fiscal benefit of the rule on each category of political subdivision requesting a local impact note. The commissioner may require any political subdivision or state agency to supply information necessary for the commissioner to determine fiscal impact and fiscal benefit. Relevant information submitted by a political subdivision, whether or not requested by the commissioner, must be considered by the commissioner and commented on in the local fiscal impact and fiscal benefit note.
