Subd. 18. [KINDERGARTEN.] "Kindergarten" means a program designed for pupils five years of age on September 1 of the calendar year in which the school year commences that prepares pupils to enter first grade the following school year. A program designed for pupils younger than five years of age on September 1 of the calendar year in which the school year commences that prepares pupils to enter kindergarten the following school year is a prekindergarten program.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 2. [120B.124] [BASIC SKILLS INTERVENTION.]

Districts and charter schools must provide or contract for summer school classes for all district and charter school students in grades 9 through 12 who have not received a passing score on a basic skills test taken by the student as required for high school graduation under sections 120B.02 and 120B.30. These courses must provide additional instruction in the subject areas where students demonstrate a lack of comprehension of specific subject matter on the basic skills tests.

[EFFECTIVE DATE.] This section is effective the day following final enactment and applies to summer sessions starting after June 1, 2004.
Sec. 3. Minnesota Statutes 2002, section 121A.34, is amended by adding a subdivision to read:

Subd. 5. [BELTS AND OTHER ACCESSORIES.] Notwithstanding any rule of the commissioner of public safety, vests, sashes, ponchos, and Sam Browne belts worn by school safety patrol members may be fluorescent yellow, fluorescent yellow-green, or blaze orange.

Sec. 4. Minnesota Statutes 2002, section 121A.34, is amended by adding a subdivision to read:

Subd. 6. [SCHOOL SAFETY PATROL FLAGS.] Notwithstanding any rule of the commissioner of public safety, school safety patrol flags may be (1) blaze orange with a yellow octagon bearing the word "Stop" in black letters, or (2) fluorescent yellow or fluorescent yellow-green with an octagon of sharply contrasting color bearing the word "Stop" in black letters.

Sec. 5. Minnesota Statutes 2002, section 123B.76, is amended by adding a subdivision to read:

Subd. 3. [EXPENDITURES BY BUILDING.] (a) For the purposes of this section, "building" means education site as defined in section 123B.04, subdivision 1.

(b) Each district shall maintain separate accounts to identify general fund expenditures, excluding capital expenditures and pupil transportation, for each building. All expenditures for regular instruction, secondary vocational instruction, and school administration must be reported to the department separately for each building. All expenditures for special education instruction, instructional support services, and pupil support services provided within a specific building must be reported to the department separately for each building. Salary expenditures reported by building must reflect actual salaries for staff at the building and must not be based on districtwide averages. All other general fund expenditures may be reported on a districtwide basis.

(c) The department must annually report information showing school district general fund expenditures per pupil by program category for each building and estimated school district general fund revenue generated by pupils attending each building on its Web site. For purposes of this report:

(1) expenditures not required to be reported by building shall be allocated among buildings on a uniform per pupil basis;

(2) basic skills revenue shall be allocated according to section 126C.10, subdivision 4;

(3) secondary sparsity revenue and elementary sparsity revenue shall be allocated according to section 126C.10, subdivisions 7 and 8;

[EFFECTIVE DATE.] This section is effective the day following final enactment and applies to reports for fiscal year 2004 and later.
Sec. 6. Minnesota Statutes 2003 Supplement, section 123B.77, subdivision 4, is amended to read:

Subd. 4. [BUDGET APPROVAL.] Prior to July 1 of each year, the board of each district must approve and adopt its revenue and expenditure budgets for the next school year. The budget document so adopted must be considered an expenditure-authorizing or appropriations document. No funds shall be expended by any board or district for any purpose in any school year prior to the adoption of the budget document which authorizes that expenditure, or prior to an amendment to the budget document by the board to authorize the expenditure. Expenditures of funds in violation of this subdivision shall be considered unlawful expenditures. Prior to the appropriation of revenue for the next school year in the initial budget, the board shall calculate the general education revenue, basic skills revenue, and referendum revenue for that year that it estimates will be generated by the pupils in attendance at each site, and shall inform the principal or other responsible administrative authority of each site of that estimate and report this information to the amount of general education and referendum revenue that the Department of Education estimates will be generated by the pupils in attendance at each site. For purposes of this subdivision, a district may adjust the department’s estimates for school building openings, school building closings, changes in attendance area boundaries, or other changes in programs or student demographics not reflected in the department’s calculations. A district must report to the department any adjustments it makes according to this subdivision in the department’s estimates of compensatory revenue generated by the pupils in attendance at each site, and the department must use the adjusted compensatory revenue estimates in preparing the report required under section 123B.76, subdivision 3, paragraph (c).

(ii) an amount equal to one year's depreciation on the district's school bus fleet and mobile units computed on a straight line basis at the rate of 15 percent per year for districts operating a program under section 124D.128 for grades 1 to 12 for all students in the district and 12-1/2 percent per year for other districts of the cost of the fleet, plus

(iii) an amount equal to one year's depreciation on the district's type three school buses, as defined in section 169.01, subdivision 6, clause (5), which must be used a majority of the time for pupil transportation purposes, computed on a straight line basis at the rate of 20 percent per year of the cost of the type three school buses by:

(b) Salaries and fringe benefits of district employees whose primary duties are other than transportation, including central office administrators and staff, building administrators and staff, teachers, social workers, school nurses, and instructional aides, must not be included in a district's transportation expenditures, except that a district may include salaries and benefits according to paragraph (c) for (1) an employee designated as the district transportation director, (2) an employee providing direct support to the transportation director, or (3) an employee providing direct transportation services such as a bus driver or bus aide.

(c) Salaries and fringe benefits of other district employees who work part-time in transportation and part-time in other areas must not be included in a district's transportation expenditures unless the district maintains documentation of the employee's time spent on pupil transportation matters in the form and manner prescribed by the department.

(d) Pupil transportation expenditures, excluding expenditures for capital outlay, leased buses, student board and lodging, crossing guards, and aides on buses, must be allocated among transportation categories based on a cost per mile, cost per student, cost per hour, or cost per route; regardless of whether the transportation services are provided on district-owned or contractor-owned school buses. Expenditures for school bus driver salaries and fringe benefits may either be directly charged to the appropriate transportation category or may be allocated among transportation categories on a cost per mile or cost per student basis. Expenditures by private contractors or individuals who provide transportation exclusively in one transportation category must be charged directly to the appropriate transportation category. Transportation services provided by contractor-owned school bus companies incorporated under different names but owned by the same individual or group of individuals must be treated as the same company for cost allocation purposes.

Sec. 11. Minnesota Statutes 2002, section 125A.51, is amended to read:

125A.51 [Placement of Children Without Disabilities; Education and Transportation.]

The responsibility for providing instruction and transportation for a pupil without a disability who has a short-term or temporary physical or emotional illness or disability, as determined by the standards of the commissioner, and who is temporarily placed for care and treatment for that illness or disability, must be determined as provided in this section.

(a) The school district of residence of the pupil is the district in which the pupil’s parent or guardian resides.

(b) When parental rights have been terminated by court order, the legal residence of a child placed in a residential or foster facility for care and treatment is the district in which the child resides.

(c) Before the placement of a pupil for care and treatment, the district of residence must be notified and provided an opportunity to participate in the placement decision. When an immediate emergency placement is necessary and time does not permit resident district participation in the placement decision, the district in which the pupil is temporarily placed, if different from the district of residence, must notify the district of residence of the emergency placement within 15 days of the placement.

(d) When a pupil without a disability is temporarily placed for care and treatment in a day program and the pupil continues to live within the district of residence during the care and treatment, the district of residence must provide instruction and necessary transportation to and from the treatment facility for the pupil. Transportation shall only be provided by the district during regular operating hours of the district. The district may provide the instruction at a school within the district of residence, at the pupil’s residence, or in the case of a placement outside of the resident district, in the district in which the day treatment program is located by paying tuition to that district. The district of placement may contract with a facility to provide instruction by teachers licensed by the state Board of Teaching.

(e) When a pupil without a disability is temporarily placed in a residential program for care and treatment, the district in which the pupil is placed must provide instruction for the pupil and necessary transportation while the pupil is receiving instruction, and in the case of a placement outside of the district of residence, the nonresident district must bill the district of residence for the actual cost of providing the instruction for the regular school year and for summer school, excluding transportation costs, unless the pupil is homeless and placed in a public or private facility as defined in section 125A.515. Then the district that enrolls the pupil under section 127A.47, subdivision 2, shall provide the transportation, unless the district that enrolls the pupil and the district in which the pupil is
temporarily placed agree that the district in which the pupil is temporarily placed shall provide transportation. When a pupil without a disability is temporarily placed in a residential program outside the district of residence, the administrator of the court placing the pupil must send timely written notice of the placement to the district of residence. The district of placement may contract with a residential facility to provide instruction by teachers licensed by the state Board of Teaching. For purposes of this section, the state correctional facilities operated on a fee-for-service basis are considered to be residential programs for care and treatment.

(f) The district of residence must include the pupil in its residence count of pupil units and pay tuition as provided in section 123A.488 to the district providing the instruction. Transportation costs must be paid by the district providing the transportation and the state must pay transportation aid to that district. For purposes of computing state transportation aid, pupils governed by this subdivision must be included in the disabled transportation category.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 12. Minnesota Statutes 2003 Supplement, section 126C.10, subdivision 3, is amended to read:

Subd. 3. [COMPENSATORY EDUCATION REVENUE.] (a) The compensatory education revenue for each building in the district equals the formula allowance minus $415 times the compensation revenue pupil units computed according to section 126C.05, subdivision 3. Revenue shall be paid to the district and must be allocated according to section 126C.15, subdivision 2.

(b) When the district contracting with an alternative program under section 124D.69 changes prior to the start of a school year, the compensatory revenue generated by pupils attending the program shall be paid to the district contracting with the alternative program for the current school year, and shall not be paid to the district contracting with the alternative program for the prior school year.

(c) When the fiscal agent district for an area learning center changes prior to the start of a school year, the compensatory revenue shall be paid to the fiscal agent district for the current school year, and shall not be paid to the fiscal agent district for the prior school year.

[EFFECTIVE DATE.] This section is effective for revenue for fiscal year 2005.

Sec. 13. Minnesota Statutes 2003 Supplement, section 126C.10, subdivision 31, is amended to read:

Subd. 31. [TRANSITION REVENUE.] (a) A district's transition allowance for fiscal years 2004 through 2008 equals the greater of zero or the product of the ratio of the number of adjusted marginal cost pupil units the district would have counted for fiscal year 2004 under Minnesota Statutes 2002 to the district's adjusted marginal cost pupil units for fiscal year 2004, times the difference between: (1) the lesser of the district's general education revenue per adjusted marginal cost pupil unit for fiscal year 2003 or the amount of general education revenue the district would have received per adjusted marginal cost pupil unit for fiscal year 2004 according to Minnesota Statutes 2002, and (2) the district's general education revenue for fiscal year 2004 excluding transition revenue divided by the number of adjusted marginal cost pupil units the district would have counted for fiscal year 2004 under Minnesota Statutes 2002. A district's transition allowance for fiscal year 2009 and later is zero.

(b) A district's transition revenue for fiscal year 2004 and later equals the product of the district's transition allowance times the district's adjusted marginal cost pupil units.

(c) A district's transition revenue for fiscal year 2005 equals the sum of:

(1) the product of the district's transition allowance times the district's adjusted marginal cost pupil units, plus
(2) the amount of referendum revenue under section 126C.17 and general education revenue, excluding transition revenue, for fiscal year 2004 attributable to pupils four or five years of age on September 1, 2003, enrolled in a prekindergarten program implemented by the district before July 1, 2003, and reported as kindergarten pupils under section 126C.05, subdivision 1, for fiscal year 2004.

(d) A district's transition revenue for fiscal year 2006 and later equals the sum of:

(1) the product of the district's transition allowance times the district's adjusted marginal cost pupil units, plus

(2) the amount of referendum revenue under section 126C.17 and general education revenue, excluding transition revenue, for fiscal year 2004 attributable to pupils four or five years of age on September 1, 2003, enrolled in a prekindergarten program implemented by the district before July 1, 2003, and reported as kindergarten pupils under section 126C.05, subdivision 1, for fiscal year 2004, plus

(3) the amount of compensatory education revenue under subdivision 3 for fiscal year 2005 attributable to pupils four years of age on September 1, 2003, enrolled in a prekindergarten program implemented by the district before July 1, 2003, and reported as kindergarten pupils under section 126C.05, subdivision 1, for fiscal year 2004.

[EFFECTIVE DATE.] This section is effective for revenue for fiscal year 2005.

Any of the following may be provided to meet these learners' needs:

The ballot must state the maximum amount of the increased revenue per resident marginal cost pupil unit, the estimated referendum tax rate as a percentage of referendum market value in the first
year it is to be levied, and that the revenue must be used to finance school operations. The ballot may state a schedule, determined by the board, of increased revenue per resident marginal cost pupil unit that differs from year to year over the number of years for which the increased revenue is authorized. If the ballot contains a schedule showing different amounts, it must also indicate the estimated referendum tax rate as a percent of referendum market value for the amount specified for the first year and for the maximum amount specified in the schedule. The ballot may state that existing referendum levy authority is expiring. In this case, the ballot may also compare the proposed levy authority to the existing expiring levy authority, and express the proposed increase as the amount, if any, over the expiring referendum levy authority. The ballot must designate the specific number of years, not to exceed ten, for which the referendum authorization applies. The ballot, including a ballot on the question to revoke or reduce the increased revenue amount under paragraph (c), must abbreviate the term “per resident marginal cost pupil unit” as “per pupil.” The notice required under section 275.60 may be modified to read, in cases of renewing existing levies:

"BY VOTING "YES" ON THIS BALLOT QUESTION, YOU MAY BE VOTING FOR A PROPERTY TAX INCREASE."

The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

"Shall the increase in the revenue proposed by (petition to) the board of .........., School District No. .., be approved?"

If approved, an amount equal to the approved revenue per resident marginal cost pupil units for the school year beginning in the year after the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The board must prepare and deliver by first class mail at least 15 days but no more than 30 days before the day of the referendum to each taxpayer a notice of the referendum and the proposed revenue increase. The board need not mail more than one notice to any taxpayer. For the purpose of giving mailed notice under this subdivision, owners must be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer is deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of tax increase in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice for a referendum may state that an existing referendum levy is expiring and project the anticipated amount of increase over the existing referendum levy in the first year, if any, in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the district.

The notice must include the following statement: "Passage of this referendum will result in an increase in your property taxes." However, in cases of renewing existing levies, the notice may include the following statement: "Passage of this referendum may result in an increase in your property taxes."

(c) A referendum on the question of revoking or reducing the increased revenue amount authorized pursuant to paragraph (a) may be called by the board and shall be called by the board upon the written petition of qualified voters of the district. A referendum to revoke or reduce the revenue amount must state the amount per resident marginal cost pupil unit by which the authority is to be reduced. Revenue authority approved by the voters of the
district pursuant to paragraph (a) must be available to the school district at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction referendum may be held to revoke or reduce referendum revenue for any specific year and for years thereafter.

(d) A petition authorized by paragraph (a) or (c) is effective if signed by a number of qualified voters in excess of 15 percent of the registered voters of the district on the day the petition is filed with the board. A referendum invoked by petition must be held on the date specified in paragraph (a).

(e) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(f) At least 15 days before the day of the referendum, the district must submit a copy of the notice required under paragraph (b) to the commissioner and to the county auditor of each county in which the district is located. Within 15 days after the results of the referendum have been certified by the board, or in the case of a recount, the certification of the results of the recount by the canvassing board, the district must notify the commissioner of the results of the referendum.

[EFFECTIVE DATE.] This section is effective for referenda conducted on or after July 1, 2004.

With the approval of the commissioner, a district may spread this levy over a period not to exceed three years. Upon approval through the adoption of a resolution by each of an intermediate district's member school district boards, a member school district may include its proportionate share of the costs of a judgment against an intermediate school district that became final under section 123B.25 after the date that the earliest member school district certified its proposed levy in the previous year. With the approval of the commissioner, an intermediate school district member school district may spread this levy over a period not to exceed three years.

school district. The district must initially attempt to contract for services to be provided by peace officers or sheriffs
with the police department of each city or the sheriff's department of the county within the district containing the

(c) By August 15, 2004, and each year thereafter, the Board of Regents of the University of Minnesota, the Board of Trustees of the Minnesota State Colleges and Universities, and the governing boards of Minnesota private colleges shall determine the courses offered at each postsecondary institution under the postsecondary enrollment options program that meet the requirements of paragraph (a) and shall notify the commissioner of those courses offered that meet the requirements. The commissioner shall make available a listing of the postsecondary enrollment options courses offered at postsecondary institutions meeting the requirements of this section.

(d) Notwithstanding paragraph (a) or (b), a student who entered ninth grade in the 2003-2004 school year or an earlier school year and satisfactorily completes an advanced placement or international baccalaureate course, or a postsecondary enrollment options course under section 124D.09, satisfies the requirements of the required academic standards corresponding to that specific rigorous course of study.

Sec. 7. [120B.122] [READING RECORD.]

A school must include a reading record in the permanent academic record of each kindergarten through grade 3 student. The reading record must include a detailed screening that identifies at least the reading strengths and weaknesses of the student and progress in phonological awareness and other early reading indicators. A school must record a student’s reading progress in the student’s permanent academic record each year. The reading record must also be included in the student’s permanent academic record that follows the student if the student transfers to a new school or district. The commissioner, with input from school districts, must develop a sample form and content of the reading record.

Sec. 8. [120B.123] [STUDENT ACADEMIC PROGRESS.]

Subdivision 1. [STUDENT RETENTION.] (a) A public school or charter school enrolling students in any grade kindergarten through grade 6 must consider retaining a student without promotion to the next grade level when the student in the current year:

(1) was enrolled in school for at least 120 days and was absent more than 20 percent of the class time during those days;

(2) achieved below grade level test scores on highly reliable statewide or districtwide assessments; and

(3) based on the school’s determination, did not master the academic skills needed to succeed in the next grade.

The school must provide differentiated instruction whether or not the student is retained in that same grade or promoted to the next grade level.
(b) "Differentiated instruction" means an instructional framework that allows classroom teachers to blend whole-class, group, and individual instruction to best meet the individual and diverse needs of the students in the classroom. A school district or charter school must determine the scope of the differentiated instruction.

Subd. 2. [APPEAL OF DECISIONS TO RETAIN A STUDENT.] After meeting with the student, the student's parent or guardian, the student's teacher or teachers, and the school principal or other appropriate administrator to discuss the student's proposed retention under subdivision 1, the principal or other administrator must provide timely written notice to the student and parent or guardian of the school's decision about promoting or retaining the student. The student's parent or guardian has 20 days from the date of receiving the notice to submit a written appeal of the decision to the school superintendent or charter school director and must list the reasons for the appeal. The school superintendent or charter school director must give timely written notice to the student's parent or guardian of the school superintendent's or charter school director's decision regarding the appeal, which is a final decision.

Subd. 3. [EXEMPTION.] A student with an individual education plan under sections 125A.05 and 125A.06 and a pupil of limited English proficiency under section 124D.59, subdivision 2, are exempt from this section.

Subd. 4. [SCHOOL POLICY.] A school board or charter school board of directors must, by August 1, 2005, adopt a student retention policy and procedure that includes the requirements under this section.

(EFFECTIVE DATE.) This section is effective for the 2005-2006 school year and later.

Sec. 9. [120B.131] [GIFTED AND TALENTED PROGRAM DEVELOPMENT AND STUDENT IDENTIFICATION.]

Subdivision 1. [PURPOSE.] The legislature finds that it is critical for gifted and talented students to be identified and appropriately served.

Subd. 2. [STUDENT IDENTIFICATION.] School districts are strongly encouraged to identify and assess students for possible placement in appropriate gifted and talented educational services. Consideration in student identification includes:

1. a balance of multiple objective and subjective criteria, which may include performances as well as test results;
2. an ongoing, comprehensive district assessment system that guides instruction and services offered;
3. use of assessment instruments and procedures that are valid and reliable and based on current theory and research;
4. placement decisions that are fair and consistent, valid, and reliable;
5. provisions for informed consent, retention, reassessment, exiting, and appeals;
6. an open process available to all students; and
7. an identification process and collected information shared with parents, educational staff, and students themselves.
Sec. 10. [120B.135] [SCHOLARS OF DISTINCTION PROGRAM ADMINISTRATION.]

(a) The commissioner shall expand the Minnesota scholars of distinction program to include mathematics, science, leadership, and theater arts in order to nurture and recognize distinguished achievement by highly motivated students in those subjects. The commissioner shall authorize the creation of statewide coordinating boards to oversee the implementation of the mathematics, science, leadership, and theater arts specialty areas for the program. Each statewide coordinating board shall include representatives of kindergarten through grade 12 schools, higher education, businesses, or others familiar with applying complex knowledge and skills to real-world problems in that specialty. Each coordinating board shall manage and implement the program so that as many kindergarten through grade 12 students as possible who are willing to commit time, rigorous study, and dedication to learning the specialty have the opportunity to participate. Each coordinating board must establish a statewide certification panel to determine whether students have met the requirements for the particular specialty. The coordinating boards must provide assistance, if requested, to schools, community organizations, and other entities wishing to establish the program. The coordinating boards are required to seek permanent funding so that the scholars of distinction program may be permanently continued in each specialty area.

(b) For each specialty, student participants must be required to demonstrate mastery of complex subject matter and apply their knowledge and skills on challenging projects. Students who earn the scholar of distinction honor shall be awarded a small scholarship, the amount of which shall be determined by the coordinating board for the particular specialty. A notation identifying the student as a Minnesota scholar of distinction in a particular specialty must be made on the transcript of each student who successfully completes the program.

The objective criteria shall include at least student academic performance, school safety, and staff characteristics, with a value-added growth component added by the 2006-2007 school year.

(b) The commissioner shall develop, annually update, and post on the department Web site school performance report cards. A school's designation must be clearly stated on each school performance report card.

(c) The commissioner must make available the first school designations and school performance report cards by November 2003, and during the beginning of each school year thereafter.

(d) A school or district may appeal in writing a designation under this section to the commissioner within 30 days of receiving the designation. The commissioner's decision to uphold or deny an appeal is final.

(e) School performance report cards are nonpublic data under section 13.02, subdivision 9, until not later than ten days after the appeal procedure described in paragraph (d) concludes. The department shall annually post school performance report cards to its public Web site no later than September 1.

Subd. 2. [ADEQUATE YEARLY PROGRESS DATA.] All data the department receives, collects, or creates for purposes of determining adequate yearly progress designations under Public Law 107-110, section 1116, are nonpublic data under section 13.02, subdivision 9, until not later than ten days after the appeal procedure described in subdivision 1, paragraph (d), concludes. Districts must provide parents sufficiently detailed summary data to permit parents to appeal under Public Law 107-110, section 1116(b)(2). The department shall annually post adequate yearly progress data to its public Web site no later than September 1.

[EFFECTIVE DATE.] This section is effective the day following final enactment.
Sec. 12. [120B.362] [VALUE-ADDED ASSESSMENT PROGRAM.]

(a) The commissioner of education must develop a value added assessment program to assist school districts, public schools, and charter schools in assessing and reporting students' growth in academic achievement under section 120B.30, subdivision 1a. The program must use assessments of students' academic achievement to make longitudinal comparisons of each student's academic growth over time. School districts, public schools, and charter schools may apply to the commissioner to participate in the program using a form and in the manner the commissioner prescribes. The commissioner must select program participants from urban, suburban, and rural areas throughout the state and no more than 125,000 students may participate.

(b) The commissioner may contract with an organization that provides a value-added assessment model that reliably estimates school and school district effects on students' academic achievement over time for different classroom settings where a single teacher teaches multiple subjects to the same group of students, for team teaching arrangements, and for other teaching circumstances. The data on individual teachers generated from a value-added assessment model is private data under section 13.02, subdivision 12. The model the commissioner selects must accommodate diverse data from various test sources and must use each student's test data across grades and subjects even when the data are incomplete.

(c) The contract under paragraph (b) must be consistent with the definition of "best value" under section 16C.02, subdivision 4.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 13. [121A.032] [SCHOOL BOARD POLICY OPPOSING BULLYING.]

If a district charges fees for transportation of pupils, it must establish guidelines for that transportation to ensure that no pupil is denied transportation solely because of inability to pay;

(12) motorcycle classroom education courses conducted outside of regular school hours; provided the charge must not exceed the actual cost of these courses to the school district;

(13) courses, programs, and other activities directed, conducted, or supervised by school staff that are unrelated to high school graduation, summer school classes under section 120B.122, or other necessary education-related goods and services and are provided at times other than during the school year;

Sec. 55. [RULEMAKING AUTHORITY.]

Subd. 2. [STATEWIDE TESTING.] The commissioner of education shall adopt rules under Minnesota Statutes, chapter 14, for the administration of statewide accountability tests under Minnesota Statutes, section 120B.30, to ensure security and integrity of the tests and test results.

[EFFECTIVE DATE.] This section is effective the day following final enactment.
Sec. 56. [SCHOOL INNOVATION AND COOPERATIVE PLANNING GRANTS.]

Subdivision 1. [GRANT PROGRAMS.] The commissioner of education shall award planning grants to service cooperatives, two or more school districts cooperating for a particular purpose, or cooperating charter schools that work together to improve the delivery and cost-effectiveness of instructional and noninstructional programs and instruction-related expenditures. Service cooperatives, cooperating districts, or cooperating charter schools may coordinate or merge any noninstructional program or service of a participating district or charter school. The service cooperatives, cooperating districts, or cooperating charter schools may use the grant to determine:

1. the district or charter school that is the primary service provider;

2. the districts or charter schools that provide supplemental support;

3. collaborative purchasing arrangements for goods and services; and

4. how the districts or charter schools may coordinate or merge school functions such as payroll, human resources, food services, facility maintenance, community education programming, and student transportation.

Service cooperatives, cooperating districts, or cooperating charter schools must apply for a grant in a form and manner determined by the commissioner.

Subd. 2. [REPORT.] The service cooperatives, cooperating districts, and charter schools must report by August 1 to the commissioner on coordinating noninstructional programs and services and any estimates of cost savings realized by providing coordinated or merged programs and services during the preceding school year.

Sec. 57. [PILOT PROJECT RECOGNIZING TEACHERS' CRITICAL ROLE IN IMPROVING STUDENT ACHIEVEMENT AND SCHOOL PERFORMANCE.]

Subdivision 1. [PROJECT GOAL DEFINED; APPLICATION PROCESS ESTABLISHED; RECOGNITION CONFERRED.] (a) A five-year pilot project beginning in the 2005-2006 school year is established to recognize teachers' critical role in improving student achievement and school performance in those district elementary schools and charter elementary schools that have consistently failed to demonstrate adequate yearly progress under Minnesota Statutes, section 120B.35, and where at least 28 percent of the student population is eligible to receive a free or reduced-price meal in the school year in which an application under this section is submitted to the education commissioner. In order to measure teachers' critical role in improving student achievement and school performance, elementary schools that participate in the project, among other measures, must use assessments of students' academic achievement, to the extent available, to make longitudinal comparisons of each student's academic growth over time. Districts, on behalf of a district elementary school, and charter elementary schools may apply to the commissioner to participate in the project in the form and manner the commissioner prescribes. A plan described under paragraph (c) must accompany the district or charter elementary school application. The commissioner must consider selecting project participants from urban, suburban, and rural areas throughout the state and must select no more than three elementary schools to participate.

(b) "Principal" for purposes of this section means the school principal or other person having administrative control of the school. The principal may receive compensation under this subdivision in addition to the principal's current salary, consistent with the plan submitted to the commissioner under paragraph (c).

(c) To participate in the project, the teachers and principal at an elementary school, in consultation with the district where applicable, and subject to the commissioner's approval, must develop a plan consistent with subdivision 2 or 3, as appropriate, that:
(1) delegates specific powers and duties, allows the principal to decide how to allocate financial and personnel resources and from whom to purchase goods and services, and allocates revenue to the school, where applicable;

(2) includes a design for implementing a value-added assessment model that reliably estimates teacher and school effects on students' academic achievement over time for different classroom settings, for team teaching arrangements, and for other teaching circumstances, and provides staff development opportunities that address the impact of the value-added assessment model on curriculum, instruction and student progress, teacher performance measures, classroom assessment practices, and students' critical thinking skills and their ability to complete cognitively complex work;

(3) records student attendance; and

(4) parent involvement activities to enhance students' educational development, consistent with Minnesota Statutes, section 124D.895.

The plan the elementary school implements must accommodate diverse data from various test sources and must use each student's test data across grades and subjects even when the data are incomplete. The data on teachers generated under the value-added assessment model are private data under Minnesota Statutes, section 13.02, subdivision 12.

d) The principal, using the data acquired under paragraph (c), clause (2), to measure improvements in student achievement and school performance, must identify and recognize those classroom teachers who have successfully fostered educational improvement and are therefore eligible to receive compensation under this subdivision in addition to their current salary. The principal must determine the amount of added compensation each eligible teacher receives and the payment schedule, consistent with the plan submitted to the commissioner under paragraph (c). A teacher's total annual salary under this section must not exceed $100,000.

Subd. 2. [PARTICIPATING CHARTER ELEMENTARY SCHOOLS.] All provisions of Minnesota Statutes, sections 124D.10 and 124D.11, apply to a charter elementary school participating in the project under this section, consistent with the plan developed and approved under subdivision 1, paragraph (c), except that, for purposes of this section:

(1) a charter elementary school contract must be entered into or extended for a five-year term beginning in the first school year of participation unless the school board or the commissioner terminates the school's participation; and

(2) a charter elementary school must report information required by the commissioner under this section and consistent with Minnesota Statutes, chapter 13.

The charter school sponsor or the commissioner may terminate the school's participation during the project term for any ground listed in Minnesota Statutes, section 124D.10, subdivision 23, paragraph (b).

Subd. 3. [PARTICIPATING DISTRICT ELEMENTARY SCHOOLS.] (a) The provisions of Minnesota Statutes, section 124D.10, governing charter elementary schools apply to a participating district elementary school during the term of the pilot project to the extent described in this subdivision, and consistent with the plan developed and approved under subdivision 1, paragraph (c). The words "participating school" must be substituted for "charter school," the words "school district" must be substituted for "sponsor," and the word "plan" must be substituted for "contract" under Minnesota Statutes, section 124D.10.
(b) Minnesota Statutes, section 124D.10, subdivisions 1, 2, 2a, 3, 4 except as provided in paragraph (c), 6a, 9, 10, 15, 16 except as provided in paragraph (i), 17, 18, 19, 21, 23a, and 24, do not apply to a participating school under this section.

(c) Under Minnesota Statutes, section 124D.10, subdivision 4, governing the formation of a school, a participating school must select a board of directors composed of at least five members, one of whom must be the principal.

(d) Under Minnesota Statutes, section 124D.10, subdivision 5, governing the conversion of existing schools, a participating school must initiate its participation in the project at the beginning of a school year and must agree to continue participating for five school years unless the school board or the commissioner terminates the school's participation under paragraph (k).

(e) Under Minnesota Statutes, section 124D.10, subdivisions 6 and 8, governing contracts and state and local requirements, the plan of a participating school developed and approved under subdivision 1, paragraph (c), must establish how the school will be managed and administered and how it will comply with:

(1) state human rights laws under Minnesota Statutes, chapter 363;

(2) requirements for gender equity in athletic programs under Minnesota Statutes, section 121A.04;

(3) the Pupil Fair Dismissal Act under Minnesota Statutes, sections 121A.40 to 121A.56;

(4) the public school fee law under Minnesota Statutes, sections 123B.34 to 123B.39;

(5) audit-related requirements and procedures under Minnesota Statutes, section 124D.10, subdivision 8, paragraph (i);

(6) data practices laws governing access to student records under Minnesota Statutes, section 124D.10, subdivision 8, paragraph (k);

(7) the requirement to recite the pledge of allegiance under Minnesota Statutes, section 124D.10, subdivision 8, paragraph (l);

(8) academic standards, assessments, and accountability measures under Minnesota Statutes, sections 120B.02 to 120B.04 and 120B.30 to 120B.36; and

(9) the length of the school year.

(f) Under Minnesota Statutes, section 124D.10, subdivision 7, governing a school's public status, a participating school is a public school and is part of the district in which it is located. Except as provided in this section, a participating school, after consulting with the district superintendent, may elect to be exempt from any statute or rule applicable to a school, a school board, or a school district.

(g) Under Minnesota Statutes, section 124D.10, subdivision 11, governing employment and other operating matters, the plan of a participating school developed and approved under subdivision 1, paragraph (c), must enable the principal to determine who is hired into licensed and nonlicensed positions in the school.
(h) Under Minnesota Statutes, section 124D.10, subdivision 14, governing annual public reports, a participating school must report at least annually to the school board of the district the information required by the district, and the district's school board must report at least annually to the commissioner the information required by the commissioner. The reports are public data, consistent with Minnesota Statutes, chapter 13.

(i) Under Minnesota Statutes, section 124D.10, subdivision 16, governing transportation, the school district in which the participating school is located must provide transportation within the district to the students enrolled in the participating school.

(j) Minnesota Statutes, section 124D.10, subdivision 20, governing leave to teach in a charter elementary school, applies to a participating school except the provision allowing a school board to extend a leave of absence does not apply.

(k) Under Minnesota Statutes, section 124D.10, subdivision 23, governing causes for nonrenewal or termination of a charter elementary school contract, the plan developed and approved under subdivision 1, paragraph (c), must be for a five-year term. A school district may unilaterally terminate a school's participation during the project term for any ground listed in Minnesota Statutes, section 124D.10, subdivision 23, paragraph (b); provisions governing the nonrenewal of a charter elementary school contract do not apply to a participating school. If a district terminates the participation of a school, the school reverts to the status it held immediately preceding its participation in this project. The commissioner may terminate the participation of a participating school if the school or the school district in which the school is located has a history of financial mismanagement, repeated violations of law, or for other good cause.

(l) Under Minnesota Statutes, section 124D.10, subdivision 25, governing the extent of specific legal authority, the school district in which the school is located, and not the school, must obtain the requisite insurance on the school's behalf.

Subd. 4. [ADDITIONAL PARTICIPATING SCHOOLS.] The commissioner may seek and select another applicant to participate in this project, consistent with this section, if a participating school is terminated in the 2005-2006 or 2006-2007 school year.

Subd. 5. [REPORTS.] The commissioner, by each March 1 during the term of the pilot project, must submit progress reports to the legislative committees having jurisdiction over education policy and finance and must prepare a final written report to submit to the legislature by January 1, 2011. The reports, among other things, must use data acquired from a value-added assessment model to analyze teachers' critical role in improving student achievement and school performance and reliably estimate teacher and school effects on students' academic achievement over time.

Subd. 6. [COMMISSIONER'S ROLE.] The commissioner, in consultation with a school district or charter school sponsor, and at the request of a participating school, must provide technical support to the participating school.

Subd. 7. [APPROPRIATIONS BASE.] The base appropriation for this program is $500,000 for fiscal year 2006 and $500,000 for fiscal year 2007.

[EFFECTIVE DATE.] This section is effective the day following final enactment and applies to the 2005-2006 through 2009-2010 school years.
Sec. 58. [MODEL POLICY.]

The education commissioner, in consultation with representatives of local school boards, school administrators, teachers, parents, students, and other individuals and organizations the commissioner determines are appropriate, must develop and transmit to school boards a model bullying policy, consistent with Minnesota Statutes, section 121A.032. The policy must encourage school boards to provide information, training, programs, and other initiatives consistent with the model policy.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

ARTICLE 3
SPECIAL PROGRAMS

Section 1. Minnesota Statutes 2003 Supplement, section 124D.095, subdivision 4, is amended to read:

Subd. 4. [ON-LINE LEARNING PARAMETERS.] (a) An on-line learning student must receive academic credit for completing the requirements of an on-line learning course or program. Secondary credits granted to an on-line learning student must be counted toward the graduation and credit requirements of the enrolling district. The enrolling district must apply the same graduation requirements to all students, including on-line learning students, and must continue to provide nonacademic services to on-line learning students. If a student completes an on-line learning course or program that meets or exceeds a graduation standard or grade progression requirement at the enrolling district, that standard or requirement is met. The enrolling district must use the same criteria for accepting on-line learning credits or courses as it does for accepting credits or courses for transfer students under section 124D.03, subdivision 9. The enrolling district may reduce the teacher contact time of an on-line learning student in proportion to the number of on-line learning courses the student takes from an on-line learning provider that is not the enrolling district.

(b) An on-line learning student may:

(1) enroll during a single school year in a maximum of 12 semester-long courses or their equivalent delivered by an on-line learning provider or the enrolling district;

(2) complete course work at a grade level that is different from the student’s current grade level; and

(3) enroll in additional courses with the on-line learning provider under a separate agreement that includes terms for payment of any tuition or course fees.

(c) A student with a disability may enroll in an on-line learning course or program if the student’s IEP team determines that on-line learning is appropriate education for the student. The student’s IEP must then be adapted to reflect the on-line learning option.

(d) An on-line learning student has the same access to the computer hardware and education software available in a school as all other students in the enrolling district. An on-line learning provider must assist an on-line learning student whose family qualifies for the education tax credit under section 290.0674 to acquire computer hardware and educational software for on-line learning purposes.
(e) An enrolling district may offer on-line learning to its enrolled students. Such on-line learning does not generate on-line learning funds under this section. An enrolling district that offers on-line learning only to its enrolled students is not subject to the reporting requirements or review criteria under subdivision 7. A teacher with a Minnesota license must assemble and deliver instruction to enrolled students receiving on-line learning from an enrolling district. The instruction may include curriculum developed by persons other than a teacher with a Minnesota license.

(f) An on-line learning provider that is not the enrolling district is subject to the reporting requirements and review criteria under subdivision 7. A teacher with a Minnesota license must assemble and deliver instruction to on-line learning students. The instruction may include curriculum developed by persons other than a teacher with a Minnesota license. Unless the commissioner grants a waiver, a teacher providing on-line learning instruction must not instruct more than 40 students in any one on-line learning course or program.

Sec. 2. Minnesota Statutes 2002, section 125A.023, subdivision 3, is amended to read:

Costs eligible for reimbursement under this program are limited to the following:

(1) ongoing or recurring telecommunications/Internet access costs associated with Internet access, data lines, and video links providing:

(5) costs associated with wiring school or school district buildings;

(6) costs associated with purchase and/or installation of Internet filtering; and

(7) costs associated with digital content, including on-line learning or distance learning programming, and information databases.

Subd. 2. [E-RATES.] To be eligible for aid under this section, a district or charter school is required to file an e-rate application either separately or through its telecommunications access cluster and to have a current technology plan on file with the Department of Education. Discounts received on telecommunications expenditures shall be reflected in the costs submitted to the department for aid under this section.

Subd. 3. [REIMBURSEMENT CRITERIA.] The commissioner shall develop criteria for approving costs submitted by school districts and charter schools under subdivision 1.

Subd. 4. [DISTRICT AID.] For fiscal year 2005 and later, a district or charter school’s Internet access equity aid equals 90 percent of the district or charter school’s approved cost for the previous fiscal year according to subdivision 1 exceeding $15 times the district’s adjusted marginal cost pupil units for the previous fiscal year.

Subd. 5. [TELECOMMUNICATIONS/INTERNET ACCESS SERVICES FOR NONPUBLIC SCHOOLS.] (a) Districts shall provide each year upon formal request by or on behalf of a nonpublic school, not including home schools, located in that district or area, ongoing or recurring telecommunications access services to the nonpublic school either through existing district providers or through separate providers.

(d) Each year, a district providing services under paragraph (a) may claim up to five percent of the aid determined in paragraph (b) for costs of administering this subdivision. No district may expend an amount for these telecommunications access services which exceeds the amount allocated under this subdivision. The nonpublic school is responsible for the Internet access costs not covered by this section.
(e) At the request of a nonpublic school, districts may allocate the amount determined in paragraph (b) directly to the nonpublic school to pay for or offset the nonpublic school’s costs for telecommunications access services. However, the amount allocated directly to the nonpublic school may not exceed the actual amount of the school’s ongoing or recurring telecommunications access costs.

Subd. 6. [SEVERABILITY.] If any portion of this section is found by a court to be unconstitutional, the remaining portions of the section shall remain in effect.

[EFFECTIVE DATE.] This section is effective for revenue for fiscal year 2005.

Sec. 6. Minnesota Statutes 2003 Supplement, section 126C.40, subdivision 1, is amended to read:

Subdivision 1. [TO LEASE BUILDING OR LAND.] (a) When an independent or a special school district or a group of independent or special school districts finds it economically advantageous to rent or lease a building or land for any instructional purposes or for school storage or furniture repair, and it determines that the operating capital revenue authorized under section 126C.10, subdivision 13, is insufficient for this purpose, it may apply to the commissioner for permission to make an additional capital expenditure levy for this purpose. An application for permission to levy under this subdivision must contain financial justification for the proposed levy, the terms and conditions of the proposed lease, and a description of the space to be leased and its proposed use.

(b) The criteria for approval of applications to levy under this subdivision must include: the reasonableness of the price, the appropriateness of the space to the proposed activity, the feasibility of transporting pupils to the leased building or land, conformity of the lease to the laws and rules of the state of Minnesota, and the appropriateness of the proposed lease to the space needs and the financial condition of the district. The commissioner must not authorize a levy under this subdivision in an amount greater than 90 percent of the cost to the district of renting or leasing a building or land for approved purposes. The proceeds of this levy must not be used for custodial or other maintenance services. A district may not levy under this subdivision for the purpose of leasing or renting a district-owned building or site to itself.

(c) For agreements finalized after July 1, 1997, a district may not levy under this subdivision for the purpose of leasing: (1) a newly constructed building used primarily for regular kindergarten, elementary, or secondary instruction; or (2) a newly constructed building addition or additions used primarily for regular kindergarten, elementary, or secondary instruction that contains more than 20 percent of the square footage of the previously existing building.

(d) Notwithstanding paragraph (b), a district may levy under this subdivision for the purpose of leasing or renting a district-owned building or site to itself only if the amount is needed by the district to make payments required by a lease purchase agreement, installment purchase agreement, or other deferred payments agreement authorized by law, and the levy meets the requirements of paragraph (c). A levy authorized for a district by the commissioner under this paragraph may be in the amount needed by the district to make payments required by a lease purchase agreement, installment purchase agreement, or other deferred payments agreement authorized by law, provided that any agreement include a provision giving the school districts the right to terminate the agreement annually without penalty.

(e) The total levy under this subdivision for a district for any year must not exceed 100 times the resident pupil units for the fiscal year to which the levy is attributable.

(f) For agreements for which a review and comment have been submitted to the Department of Education after April 1, 1998, the term "instructional purpose" as used in this subdivision excludes expenditures on stadiums.
(g) The commissioner of education may authorize a school district to exceed the limit in paragraph (e) if the school district petitions the commissioner for approval. The commissioner shall grant approval to a school district to exceed the limit in paragraph (e) for not more than five years if the district meets the following criteria:

1. The school district has been experiencing pupil enrollment growth in the preceding five years;
2. The purpose of the increased levy is in the long-term public interest;
3. The purpose of the increased levy promotes colocation of government services; and
4. The purpose of the increased levy is in the long-term interest of the district by avoiding over construction of school facilities.

(h) A school district that is a member of an intermediate school district may include in its authority under this section 90 percent of the costs associated with leases of administrative and classroom space for intermediate school district programs. This authority must not exceed $22.50 times the adjusted marginal cost pupil units of the member districts. This authority is in addition to any other authority authorized under this section.

(i) In addition to the allowable capital levies in paragraph (a), a district that is a member of the "Technology and Information Education Systems" data processing joint board, that finds it economically advantageous to enter into a lease purchase agreement for a building for a group of school districts or special school districts for staff development purposes, may levy for its portion of lease costs attributed to the district within the total levy limit in paragraph (e).

[EFFECTIVE DATE.] This section is effective for taxes payable in 2005.

Sec. 7. Minnesota Statutes 2003 Supplement, section 126C.63, subdivision 8, is amended to read:

Subd. 8. [MAXIMUM EFFORT DEBT SERVICE LEVY.] (a) "Maximum effort debt service levy" means the lesser of:

1. A levy in whichever of the following amounts is applicable:
   
   i. In any district receiving a debt service loan for a debt service levy payable in 2002 and thereafter, or granted a capital loan after January 1, 2002, a levy in total dollar amount computed at a rate of 40 percent of adjusted net tax capacity for taxes payable in 2002 and thereafter;
   
   ii. In any district receiving a debt service loan for a debt service levy payable in 2001 or earlier, or granted a capital loan before January 2, 2001, a levy in a total dollar amount computed at a rate of $22.50 times the adjusted marginal cost pupil units of the member districts.

2. A levy in a total dollar amount equal to the sum of the amount of the required debt service levy and an amount which when levied annually will in the opinion of the commissioner be sufficient to retire the remaining interest and principal on any outstanding loans from the state within 30 years of the original date when the capital loan was granted.

(b) The board in any district affected by the provisions of paragraph (a), clause (2), may elect instead to determine the amount of its levy according to the provisions of paragraph (a), clause (1). If a district's capital loan is not paid within 30 years because it elects to determine the amount of its levy according to the provisions of paragraph (a), clause (2), the liability of the district for the amount of the difference between the amount it levied
under paragraph (a), clause (2), and the amount it would have levied under paragraph (a), clause (1), and for interest on the amount of that difference, must not be satisfied and discharged pursuant to Minnesota Statutes 1988, or an earlier edition of Minnesota Statutes if applicable, section 124.43, subdivision 4.

[EFFECTIVE DATE.] This section is effective for taxes payable in 2005.

Sec. 8. Minnesota Statutes 2002, section 127A.45, subdivision 11, is amended to read:

Subd. 4. [SURPLUS FUNDS.] (a) All such taxes shall be collected and remitted to the municipality by the county treasurer as other taxes are collected and remitted, and shall be used only for payment of the obligations on account of which levied or to repay advances from other funds used for such payments, except that any surplus remaining in the debt service fund when the obligations and interest thereon are paid may be appropriated to any other general purpose by the municipality. However, the amount of any surplus remaining in the debt service fund of a school district when the obligations and interest thereon are paid shall be used to reduce the general fund levy authorized pursuant to chapters 122A, 123A, 123B, 124D, and 126C and the state aids authorized pursuant to chapters 122A, 123A, 123B, 124D, 125A, 126C, and 127A.

(b) If the district qualified for second tier debt service equalization aid in the last year that it qualified for debt service equalization aid, the reduction to state aids equals the lesser of (1) the amount of the surplus times the ratio of the district's second tier debt service equalization aid to the district's second tier debt service equalization revenue for the last year that the district qualified for debt service equalization aid; or (2) the district's cumulative amount of debt service equalization aid.

(c) If the district did not qualify for second tier debt service equalization aid in the last year that it qualified for debt service equalization aid, the reduction to state aids equals the lesser of (1) the amount of the surplus times the ratio of the district's debt service equalization aid to the district's debt service equalization revenue for the last year that the district qualified for debt service equalization aid; or (2) the district's cumulative amount of debt service equalization aid.

(3) The reduction to the general fund levy equals the total amount of the surplus minus the reduction to state aids.

(c) To the extent that a positive unrestricted budgetary general fund balance is projected, appropriations under this section must be made before any transfer is made under section 16A.1522.

(d) The commissioner of finance shall certify the total dollar amount of the reductions under paragraph (a), clauses (3) and (4), to the commissioner of education. Subd. 7. [DEPARTMENT OF EDUCATION.] (a) The department must review and certify on-line learning providers. The on-line learning courses and programs must be rigorous, aligned with state academic standards, and contribute to grade progression in a single subject. On-line learning providers must affirm to the commissioner that on-line learning courses have equivalent standards or instruction, curriculum, and assessment requirements as other courses offered to enrolled students. The on-line learning provider must also demonstrate expectations for actual teacher contact time or other student-to-teacher communication. Once an on-line learning provider is approved under this paragraph, all of its on-line learning course offerings are eligible for payment under this section unless a course is successfully challenged by an enrolling district or the department under paragraph (b).

(b) An enrolling district may challenge the validity of a course offered by an on-line learning provider. Subdivision 1. [GENERAL EDUCATION REVENUE.] (a) General education revenue must be paid to a charter school as though it were a district. The general education revenue for each adjusted marginal cost pupil unit is the state average general education revenue per pupil unit, plus the referendum equalization aid allowance in the pupil’s district of residence, minus an amount equal to the product of the formula allowance according to section 126C.10, subdivision 2, times .0485, calculated without basic skills revenue, extended time revenue, transition revenue, and transportation sparsity revenue, plus basic skills revenue and transition revenue as though the school were a school district. The general education revenue for each extended time marginal cost pupil unit equals $4,378.

(b) Notwithstanding paragraph (a), for charter schools in the first year of operation, general education revenue shall be computed using the number of adjusted pupil units in the current fiscal year.

Sec. 6. Minnesota Statutes 2003 Supplement, section 124D.11, subdivision 2, is amended to read:

Subd. 2. [TRANSPORTATION REVENUE.] Transportation revenue must be paid to a charter school that provides transportation services according to section 124D.10, subdivision 16, according to this subdivision. Transportation aid shall equal transportation revenue.

In addition to the revenue under subdivision 1, a charter school providing transportation services must receive (1) general education aid for each adjusted marginal cost pupil unit equal to the sum of an amount equal to the product of the formula allowance according to section 126C.10, subdivision 2, times .0485, plus the transportation sparsity allowance for the school district in which the charter school is located and (2) general education aid for each extended time marginal cost pupil unit equal to the product of $223 times the school’s extended time marginal cost pupil units.

For a pupil attending an eligible program part time, revenue, excluding compensatory revenue, shall be reduced proportionately, according to the amount of time the pupil attends the program, and the payments to the eligible program and the contracting district shall be reduced accordingly. A pupil for whom payment is made according to this section may not be counted by any district for any purpose other than computation of general education revenue. If payment is made for a pupil under this subdivision, a district shall not reimburse a program under section 124D.69 for the same pupil. The basic skills revenue shall be paid generated by pupils attending the eligible program according to section 126C.10, subdivision 4, shall be paid to the eligible program.

(c) Notwithstanding paragraphs (a) and (b), for an eligible program that provides chemical treatment services to students, the department must pay 100 percent of the revenue to the eligible program.

Sec. 8. Minnesota Statutes 2002, section 124D.69, subdivision 1, is amended to read:

Subd. 8. [TESTING AND EVALUATION.] (a) Testing of the environment is not necessary by swab teams whose work is assigned by the commissioner of health or a designated board of health under section 144.9504. The commissioner of health or designated board of health must share the analytical testing data collected on each residence for purposes of secondary prevention under section 144.9504 with the swab team workers in order to provide constructive feedback on their work and to the commissioner for the purposes set forth in paragraph (c).

(b) For purposes of primary prevention evaluation, the following samples must be collected: pretesting and posttesting of one noncarpeted floor dust lead sample and a notation of the extent and location of bare soil and of deteriorated lead-based paint. The analytical testing data collected on each residence for purposes of primary prevention under section 144.9503 must be shared with the swab team workers in order to provide constructive feedback on their work and to the commissioner for the purposes set forth in paragraph (c).

(c) The commissioner of health must establish a program in cooperation with the commissioner to collect appropriate data as required under paragraphs (a) and (b), in order to conduct an ongoing evaluation of swab team services for primary and secondary prevention. Within the limits of available appropriations, the commissioner of health must conduct or contract with the commissioner, on up to 1,000 residences which have received primary or secondary prevention swab team services, a postremediation evaluation, on at least a quarterly basis for a period of at least two years for each residence. The evaluation must note the condition of the paint within the residence, the extent of bare soil on the grounds, and collect and analyze one noncarpeted floor dust lead sample. The data collected must be evaluated to determine the efficacy of providing swab team services as a method of reducing lead exposure in young children. In evaluating this data, the commissioner of health must consider city size, community location, historic traffic flow, soil lead level of the property by area or census tract, distance to industrial point sources that emit lead, season of the year, age of the housing, age and number of children living at the residence, the presence of pets that move in and out of the residence, and other relevant factors as the commissioner of health may determine. This evaluation of the swab team program may be paid from amounts appropriated to the Department of Economic Security for providing swab team services.

Section 1. Minnesota Statutes 2003 Supplement, section 120B.021, subdivision 3, is amended to read:
Subd. 3. [RULEMAKING.] (a) The commissioner, consistent with the requirements of this section and section 120B.022, must adopt statewide rules under section 14.389 for implementing statewide rigorous core academic standards in language arts, mathematics, and the arts. After the rules authorized under this paragraph are initially adopted, the commissioner may not amend or repeal these rules nor adopt new rules on the same topic without specific legislative authorization. These academic standards must be implemented for all students beginning in the 2003-2004 school year.

(b) The rules authorized under this section are not subject to section 14.427.

Sec. 2. Minnesota Statutes 2002, section 120B.35, is amended by adding a subdivision to read:

Subd. 5. [IMPROVING GRADUATION RATES FOR STUDENTS WITH EMOTIONAL OR BEHAVIORAL DISORDERS.] (a) A district must develop strategies in conjunction with parents of students with emotional or behavioral disorders and the county board responsible for implementing sections 245.487 to 245.4888 to keep students with emotional or behavioral disorders in school, when the district has a drop-out rate for students with an emotional or behavioral disorder in grades 9 through 12 exceeding 25 percent.

(b) A district must develop a plan in conjunction with parents of students with emotional or behavioral disorders and the local mental health authority to increase the graduation rates of students with emotional or behavioral disorders. A district with a drop-out rate for children with an emotional or behavioral disturbance in grades 9 through 12 that is in the top 25 percent of all districts shall submit a plan for review and oversight to the commissioner.

Sec. 3. Minnesota Statutes 2002, section 123A.442, subdivision 2, is amended to read:

Subd. 2. [COOPERATION AND COMBINATION.] Districts that receive a cooperative secondary facilities grant after May 1, 1991, shall:

Subd. 4. [DISTRICT PROCEDURES.] A joint powers board of a secondary district established under subdivision 2 or a school board of a reorganized district that intends to apply for a grant must adopt a resolution stating the proposed costs of the project, the purpose for which the costs are to be incurred, and an estimate of the dates when the facilities for which the grant is requested will be contracted for and completed. Applications for the state grants must be accompanied by (a) a copy of the resolution, (b) a certificate by the clerk and treasurer of the joint powers board showing the current outstanding indebtedness of each member district, and (c) a certificate by the county auditor of each county in which a portion of the joint powers district lies showing the information in the auditor’s official records that is required to be used in computing the debt limit of the district under section 475.53, subdivision 4. The clerk's and treasurer's certificate must show, as to each outstanding bond issue of each member district, the amount originally issued, the purpose for which issued, the date of issue, the amount remaining unpaid as of the date of the resolution, and the interest rates and due dates and amounts of principal thereon. Subd. 2. [FIRE SAFETY MODIFICATIONS.] If a district has insufficient money in its capital expenditure fund to make modifications to a school building required by a fire inspection conducted according to section 123B.73 299F.47, the district may submit an application to the commissioner containing information required by the commissioner. The commissioner shall approve or disapprove of the application according to criteria established by the commissioner. The criteria shall take into consideration the cost-effectiveness of making modifications to older buildings.

Sec. 7. Minnesota Statutes 2002, section 124D.19, subdivision 11, is amended to read:

Subd. 11. [SCHOOL-AGE CARE PROGRAMS.] (a) A school board may offer, as part of a community education program, a school-age care program for children from kindergarten through grade 6 for the purpose of expanding students’ learning opportunities. If the school board chooses not to offer a school-age care program, it may allow an appropriate insured community group, for profit entity or nonprofit organization to use available school facilities for the purpose of offering a school-age care program.

(b) A school-age care program must include the following:

(1) adult supervised programs while school is not in session;

(2) parental involvement in program design and direction;

(3) partnerships with the kindergarten through grade 12 system, and other public, private, or nonprofit entities;

(4) opportunities for trained secondary school pupils to work with younger children in a supervised setting as part of a community service program; and

(5) access to available school facilities, including the gymnasium, sports equipment, computer labs, and media centers, when not otherwise in use as part of the operation of the school. The school district may establish reasonable rules relating to access to these facilities and may require that:

(i) the organization request access to the facilities and prepare and maintain a schedule of proposed use;

(ii) the organization provide evidence of adequate insurance to cover the activities to be conducted in the facilities; and
(iii) the organization prepare and maintain a plan demonstrating the adequacy and training of staff to supervise the use of the facilities.

(c) The district may charge a sliding fee based upon family income for school-age care programs. The district may receive money from other public or private sources for the school-age care program. The board of the district must develop standards for school-age child care programs. The State Board commissioner of education may not adopt rules for school-age care programs.

(d) The district shall maintain a separate account within the community services fund for all funds related to the school-age care program.

(e) A district is encouraged to coordinate the school-age care program with its special education, vocational education, adult basic education, early childhood family education programs, kindergarten through grade 12 instruction and curriculum services, youth development and youth service agencies, and with related services provided by other governmental agencies and nonprofit agencies.

Sec. 8. Minnesota Statutes 2003 Supplement, section 124D.20, subdivision 11, is amended to read:

Subd. 11. [RESERVE ACCOUNT LIMIT.] (a) Under this section, the sum of the average balances during the most recent three-year period in a district's community education reserve account and unreserved/undesignated community service fund account on June 30 of each year, adjusted for any prior reductions under this subdivision, must not be greater than 25 percent of the sum of the district's maximum total community education revenue under subdivision 1, excluding adjustments under this subdivision, plus the district's additional community education levy under section 124D.21, plus any fees, grants, or other revenue received by the district for community education programs for the prior year. For purposes of this paragraph, "community education programs" means programs according to subdivisions 8, paragraph (a), and 9, and section 124D.19, subdivision 12, excluding early childhood family education programs under section 124D.13, school readiness programs under sections section 124D.15 and 124D.17, and adult basic education programs under section 124D.52.

(b) If the sum of the average balances during the most recent three-year period in a district's community education reserve account and unreserved/undesignated community service fund account on June 30 of each year, adjusted for any prior reductions under this subdivision, is in excess of the limit under paragraph (a), the district's community education state aid and levy authority for the current school year must be reduced by the lesser of the current year revenue under subdivision 1 or the excess reserve amount. The aid reduction equals the product of the lesser of the excess reserve amount or the current year revenue under subdivision 1 times the ratio of the district's aid for the current year under subdivision 7 to the district's revenue for the current year under subdivision 1. The levy reduction equals the excess reserve amount minus the aid reduction. For purposes of this paragraph, if a district does not levy the entire amount permitted under subdivision 5 or 6, the revenue under subdivision 1 must be reduced in proportion to the actual amount levied.

(c) Notwithstanding paragraph (a), for fiscal year 2003, the excess reserve amount shall be computed using the balances in a district's community education reserve account and unreserved/undesignated community service fund account on June 30, 2002. For fiscal year 2004, the excess reserve amount shall be computed using the adjusted average balances in a district's community education reserve account and unreserved/undesignated community service fund account on June 30, 2002, and June 30, 2003.

Sec. 9. Minnesota Statutes 2002, section 124D.68, subdivision 3, is amended to read:

Subd. 3. [ELIGIBLE PROGRAMS.] (a) A pupil who is eligible according to subdivision 2 may enroll in area learning centers under sections 123A.05 to 123A.08, or according to section 122A.164.
(b) A pupil who is eligible according to subdivision 2 and who is between the ages of 16 and 21 may enroll in postsecondary courses under section 124D.09.

(c) A pupil who is eligible under subdivision 2, may enroll in any public elementary or secondary education program. However, a person who is eligible according to subdivision 2, clause (b), may enroll only if the school board has adopted a resolution approving the enrollment.

(d) A pupil who is eligible under subdivision 2, may enroll in any nonpublic, nonsectarian school that has contracted with the serving school district to provide educational services.

(e) A pupil who is between the ages of 16 and 21 may enroll in any adult basic education programs approved under section 124D.52 and operated under the community education program contained in section 124D.19.

Sec. 10. Minnesota Statutes 2002, section 125A.07, is amended to read:

125A.07 [RULES OF COMMISSIONER.]

(a) As defined in this paragraph, the commissioner must adopt rules relative to qualifications of essential personnel, courses of study, methods of instruction, pupil eligibility, size of classes, rooms, equipment, supervision, parent consultation, and other necessary rules for instruction of children with a disability. These rules must provide standards and procedures appropriate for the implementation of and within the limitations of sections 125A.08 and 125A.091. These rules must also provide standards for the discipline, control, management, and protection of children with a disability. The commissioner must not adopt rules for pupils served primarily in the regular classroom establishing either case loads or the maximum number of pupils that may be assigned to special education teachers. The commissioner, in consultation with the Departments of Health and Human Services, must adopt permanent rules for instruction and services for children under age five and their families. These rules are binding on state and local education, health, and human services agencies. The commissioner must adopt rules to determine eligibility for special education services. The rules must include procedures and standards by which to grant variances for experimental eligibility criteria. The commissioner must, according to section 14.05, subdivision 4, notify a district applying for a variance from the rules within 45 calendar days of receiving the request whether the request for the variance has been granted or denied. If a request is denied, the commissioner must specify the program standards used to evaluate the request and the reasons for denying the request.

(b) As provided in this paragraph, the state’s regulatory scheme should support schools by assuring that all state special education rules adopted by the commissioner result in one or more of the following outcomes:

(1) increased time available to teachers and, where appropriate, to support staff including school nurses for educating students through direct and indirect instruction;

(2) consistent and uniform access to effective education programs for students with disabilities throughout the state;

(3) reduced inequalities and conflict, appropriate due process hearing procedures and reduced court actions related to the delivery of special education instruction and services for students with disabilities;

(4) clear expectations for service providers and for students with disabilities;

(5) increased accountability for all individuals and agencies that provide instruction and other services to students with disabilities;

(6) greater focus for the state and local resources dedicated to educating students with disabilities; and
(7) clearer standards for evaluating the effectiveness of education and support services for students with disabilities.

Sec. 11. Minnesota Statutes 2003 Supplement, section 125A.091, subdivision 5, is amended to read:

Subd. 5. [INITIAL ACTION; PARENT CONSENT.] (a) The district must not proceed with the initial evaluation of a child, the initial placement of a child in a special education program, or the initial provision of special education services for a child without the prior written consent of the child's parent. A district may not override the written refusal of a parent to consent to an initial evaluation or reevaluation.

(b) A parent, after consulting with health care, education, or other professional providers, may agree or disagree to provide the parent's child with sympathomimetic medications unless section 144.344 applies.

Sec. 12. Minnesota Statutes 2002, section 125A.46, is amended to read:

125A.46 [DUE PROCESS HEARINGS.]

The procedures for due process hearings and appeals must be the same as those in section 125A.091. The responsibility for payment of costs and conducting due process hearings and appeals shall be allocated to the appropriate agency in accordance with sections 125A.30, 125A.39, and 125A.42.

Sec. 13. Minnesota Statutes 2003 Supplement, section 125A.75, subdivision 8, is amended to read:

Subd. 8. [LITIGATION AND HEARING COSTS.] (a) For fiscal year 1999 and thereafter, the commissioner of education, or the commissioner's designee, shall use state funds to pay school districts for the administrative costs of a due process hearing incurred under section 125A.091, subdivisions 6, 10, 12, 13, and 14, including hearing officer fees, court reporter fees, mileage costs, transcript costs, interpreter and transliterator fees, independent evaluations ordered by the hearing officer, and rental of hearing rooms, but not including district attorney fees. To receive state aid under this paragraph, a school district shall submit to the commissioner by August 1 an itemized list of unreimbursed actual costs for fees and other expenses under this paragraph incurred after June 30, 1998, for hearings completed during the previous fiscal year. State funds used for aid to school districts under this paragraph shall be based on the unreimbursed actual costs and fees submitted by a district.

(b) The commissioner shall provide districts with a form on which to annually report litigation costs under this section and shall base aid estimates on preliminary reports submitted by the district during the current fiscal year.

Sec. 14. Minnesota Statutes 2003 Supplement, section 126C.457, is amended to read:

126C.457 [CAREER AND TECHNICAL LEVY.]

A school district may levy an amount equal to the greater of (1) $10,000, or (2) the district's fiscal year 2001 entitlement for career and technical aid under Minnesota Statutes 2000, section 124D.453. The district must recognize the full amount of this levy as revenue for the fiscal year in which it is certified. Revenue received under this section must be reserved and used only for career and technical programs.

Sec. 15. Minnesota Statutes 2003 Supplement, section 127A.41, subdivision 9, is amended to read:

Subd. 9. [APPROPRIATION TRANSFERS FOR COMMUNITY EDUCATION PROGRAMS.] If a direct appropriation from the general fund to the Department of Education for an education aid or grant authorized under section 124D.135, 124D.16, 124D.20, 124D.21, 124D.22, 124D.52, 124D.531, 124D.54, 124D.55, or 124D.56 exceeds the amount required, the commissioner of education may transfer the excess to any education aid or grant
appropriation that is insufficiently funded under these sections. Excess appropriations shall be allocated proportionately among aids or grants that have insufficient appropriations. The commissioner of finance shall make the necessary transfers among appropriations according to the determinations of the commissioner of education. If the amount of the direct appropriation for the aid or grant plus the amount transferred according to this subdivision is insufficient, the commissioner shall prorate the available amount among eligible districts. The state is not obligated for any additional amounts.

**[EFFECTIVE DATE.]** This section is effective July 1, 2004.

Sec. 16. Minnesota Statutes 2002, section 260A.01, is amended to read:

**260A.01 [TRUANCY PROGRAMS AND SERVICES.]**

(a) The programs in this chapter are designed to provide a continuum of intervention and services to support families and children in keeping children in school and combating truancy and educational neglect. School districts, county attorneys, and law enforcement may establish the programs and coordinate them with other community-based truancy services in order to provide the necessary and most effective intervention for children and their families. This continuum of intervention and services involves progressively intrusive intervention, beginning with strong service-oriented efforts at the school and community level and involving the court's authority only when necessary.

(b) Consistent with section 125A.091, subdivision 3, a parent's refusal to provide the parent's child with sympathomimetic medications does not constitute educational neglect.

Sec. 17. Minnesota Statutes 2002, section 260C.163, subdivision 11, is amended to read:

Subd. 11. [PRESUMPTIONS REGARDING TRUANCY OR EDUCATIONAL NEGLECT.] (a) A child's absence from school is presumed to be due to the parent's, guardian's, or custodian's failure to comply with compulsory instruction laws if the child is under 12 years old and the school has made appropriate efforts to resolve the child's attendance problems; this presumption may be rebutted based on a showing by clear and convincing evidence that the child is habitually truant. A child's absence from school without lawful excuse, when the child is 12 years old or older, is presumed to be due to the child's intent to be absent from school; this presumption may be rebutted based on a showing by clear and convincing evidence that the child's absence is due to the failure of the child's parent, guardian, or custodian to comply with compulsory instruction laws, sections 120A.22 and 120A.24.

(b) Consistent with section 125A.091, subdivision 3, a parent's refusal to provide the parent's child with sympathomimetic medications does not constitute educational neglect.

Sec. 18. Minnesota Statutes 2003 Supplement, section 626.556, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

Sexual abuse also includes any act which involves a minor which constitutes a violation of prostitution offenses under sections 609.321 to 609.324 or 617.246. Sexual abuse includes threatened sexual abuse.

(c) "Neglect" means:

(1) failure by a person responsible for a child's care to supply a child with necessary food, clothing, shelter, health, medical, or other care required for the child's physical or mental health when reasonably able to do so;

(2) failure to protect a child from conditions or actions that seriously endanger the child's physical or mental health when reasonably able to do so;

(3) failure to provide for necessary supervision or child care arrangements appropriate for a child after considering factors as the child's age, mental ability, physical condition, length of absence, or environment, when the child is unable to care for the child's own basic needs or safety, or the basic needs or safety of another child in their care;

(4) failure to ensure that the child is educated as defined in sections 120A.22 and 260C.163, subdivision 11, which does not include a parent's refusal to provide the parent's child with sympathomimetic medications, consistent with section 125A.091, subdivision 5;

(5) nothing in this section shall be construed to mean that a child is neglected solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child in lieu of medical care; except that a parent, guardian, or caretaker, or a person mandated to report pursuant to subdivision 3, has a duty to report if a lack of medical care may cause serious danger to the child's health. This section does not impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter, education, or medical care, a duty to provide that care;

(6) prenatal exposure to a controlled substance, as defined in section 253B.02, subdivision 2, used by the mother for a nonmedical purpose, as evidenced by withdrawal symptoms in the child at birth, results of a toxicology test performed on the mother at delivery or the child at birth, or medical effects or developmental delays during the child's first year of life that medically indicate prenatal exposure to a controlled substance;

(7) "medical neglect" as defined in section 260C.007, subdivision 6, clause (5);

(8) chronic and severe use of alcohol or a controlled substance by a parent or person responsible for the care of the child that adversely affects the child's basic needs and safety; or

(9) emotional harm from a pattern of behavior which contributes to impaired emotional functioning of the child which may be demonstrated by a substantial and observable effect in the child's behavior, emotional response, or cognition that is not within the normal range for the child's age and stage of development, with due regard to the child's culture.

(d) "Physical abuse" means any physical injury, mental injury, or threatened injury, inflicted by a person responsible for the child's care on a child other than by accidental means, or any physical or mental injury that cannot reasonably be explained by the child's history of injuries, or any aversive or deprivation procedures, or regulated interventions, that have not been authorized under section 121A.67 or 245.825. Abuse does not include
reasonable and moderate physical discipline of a child administered by a parent or legal guardian which does not result in an injury. Abuse does not include the use of reasonable force by a teacher, principal, or school employee as allowed by section 121A.582. Actions which are not reasonable and moderate include, but are not limited to, any of the following that are done in anger or without regard to the safety of the child:

(1) throwing, kicking, burning, biting, or cutting a child;

(2) striking a child with a closed fist;

(3) shaking a child under age three;

(4) striking or other actions which result in any nonaccidental injury to a child under 18 months of age;

(5) unreasonable interference with a child's breathing;

H. F. No. 1913, A bill for an act relating to highways; providing for county board approval of certain preliminary plats and initial plat filings; amending Minnesota Statutes 2002, section 505.03, subdivision 2.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2002, section 462.352, is amended by adding a subdivision to read:

Subd. 19. [PLAT ROADWAY ELEMENTS.] "Plat roadway elements" means the elements or portions of a plat relating to right-of-way land dedicated to highway purposes, drainage, highway access control, and congestion management and traffic flow.

Sec. 2. Minnesota Statutes 2002, section 462.358, subdivision 3b, is amended to read:

Subd. 3b. [REVIEW PROCEDURES.] The regulations shall include provisions regarding the content of applications for proposed subdivisions, the preliminary and final review and approval or disapproval of applications, and the coordination of such reviews with affected political subdivisions and state agencies. As provided in subdivision 3d, the regulations must require an applicant to include in the application proof that the proposed plat roadway elements were submitted to the county engineer if the proposed subdivision abuts an existing or proposed county highway, or to the commissioner of transportation if the proposed subdivision abuts an existing or proposed trunk highway. Subdivisions including lands abutting upon any existing or proposed trunk highway, county road or highway, or county state-aid highway shall also be subject to review. The regulations may provide for the consolidation of the preliminary and final review and approval or disapproval of subdivisions. Preliminary or final approval may be granted or denied for parts of subdivision applications. The regulations may delegate the authority to review proposals to the planning commission, but final approval or disapproval shall be the decision of the governing body of the municipality unless otherwise provided by law or charter. The regulations shall require that a public hearing shall be held on all subdivision applications prior to preliminary approval, unless otherwise provided by law or charter. The hearing shall be held following publication of notice of the time and place thereof in the official newspaper at least ten days before the day of the hearing. At the hearing, all persons interested shall be given an opportunity to make presentations. The county engineer's or commissioner of transportation's comments made as authorized by section 505.03, subdivision 2, if any, must be entered on the record at the public hearing and considered by the municipality. A subdivision application shall be preliminarily approved or disapproved within 120 days following delivery of an application completed in compliance with the municipal ordinance by the applicant to the municipality, unless an extension of the review period has been agreed to by the applicant, provided that the time for review includes the review required under subdivision 3d. When a division or subdivision to which the regulations of the municipality do not apply is presented to the city, the clerk of the municipality shall within ten days certify that the subdivision regulations of the municipality do not apply to the particular division.

If the municipality or the responsible agency of the municipality fails to preliminarily approve or disapprove an application within the review period, the application shall be deemed preliminarily approved, and upon demand the municipality shall execute a certificate to that effect. Following preliminary approval the applicant may request final approval by the municipality, and upon such request the municipality shall certify final approval within 60 days if the applicant has complied with all conditions and requirements of applicable regulations and all conditions and requirements upon which the preliminary approval is expressly conditioned either through performance or the execution of appropriate agreements assuring performance. If the municipality fails to certify final approval as so required, and if the applicant has complied with all conditions and requirements, the application shall be deemed finally approved, and upon demand the municipality shall execute a certificate to that effect. After final approval a subdivision may be filed or recorded.
Sec. 3. Minnesota Statutes 2002, section 462.358, is amended by adding a subdivision to read:

Subd. 3d. [REVIEW OF PROPOSED PRELIMINARY PLATS ABUTTING TRUNK HIGHWAYS OR COUNTY ROADS.] At least 30 days before filing the subdivision application with the municipality, and without extending the time for review under subdivision 3b, an applicant must submit the proposed plat roadway elements to the county engineer if the proposed preliminary plat abuts an existing or proposed county road or to the commissioner of transportation if the proposed preliminary plat abuts an existing or proposed trunk highway. The subdivision application to the municipality must include proof that the proposed plat roadway elements were submitted timely to the county engineer or commissioner of transportation.

Sec. 4. Minnesota Statutes 2002, section 505.03, subdivision 2, is amended to read:

Subd. 2. [PLAT APPROVAL; ROAD REVIEW.] (a) Any proposed preliminary plat in a city, town, or county, which includes lands abutting upon any existing or established trunk highway or proposed highway which has been designated by a centerline order filed in the office of the county recorder shall first be presented by the city, town, or county to the commissioner of transportation for written comments and recommendations. Preliminary plats in a city or town involving both a trunk highway and a highway under county jurisdiction shall be submitted by the city or town to the county highway engineer as provided in paragraphs (b) and (c) and to the commissioner of transportation. Plats shall be submitted by the city, town, or county to the commissioner of transportation for written comments and recommendations at least 30 days prior to the home rule charter or statutory city, town or county taking final action on the preliminary plat under section 462.358, subdivision 3b. The commissioner of transportation shall submit the written comments and recommendations to the city, town, or county within 30 days after receipt by the commissioner of such a plat. Final action on such plat by the city, town, or county shall not be taken until after these required comments and recommendations have been received or until the 30-day period has elapsed.

(b) Any proposed preliminary plat or initial plat filing that includes land located in a city or town bordering a trunk highway and a highway under county jurisdiction shall be submitted by the city or town to the county highway engineer within five business days after receipt by the city or town of the preliminary plat or initial plat filing for written comments and recommendations. The county engineer's review shall be limited to factors of county significance in conformance with adopted county guidelines developed through a public hearing or a comprehensive planning process with comment by the cities and towns. The guidelines must provide for development and redevelopment scenarios, allow for variances, and reflect consideration of city or town adopted guidelines.

(c) Within 30 days after county receipt from the city or town of the preliminary plat or initial plat filing, the county engineer shall provide to the city or town written comments stating whether the plat meets county guidelines and describing any modifications necessary to bring the plat into conformity with the county guidelines. No city or town may approve a preliminary plat until it has received the county engineer's written comments and recommendations or until the county engineer's comment period has expired, whichever occurs first. Within ten business days following a city's or town's approval of a preliminary plat, the city or town shall submit to the county board notice of its approval, along with a statement addressing the disposition of any written comments or recommendations made by the county engineer. In the event the city or town does not amend the plat to conform to the recommendations made by the county engineer, representatives from the county and city or town shall meet to discuss the differences and determine whether changes to the plat are appropriate prior to final approval. This requirement shall not extend the time deadlines for preliminary or final approval as required under this section, section 15.69 or 462.358, or any other law, nor shall this requirement prohibit final approval as required by this section.
(d) A legible preliminary drawing or print of a proposed preliminary plat shall be acceptable for purposes of review by the commissioner of transportation or the county highway engineer. To such drawing or print there shall be attached a written statement describing: (1) the outlet for and means of disposal of surface waters from the proposed platted area, (2) the land use designation or zoning category of the proposed platted area, (3) the locations of ingress and egress to the proposed platted area, and (4) a preliminary site plan for the proposed platted area, with dimensions to scale, authenticated by a registered engineer or land surveyor, showing the existing or proposed state highway, county road, or county highway and all existing and proposed rights-of-way, easements, general lot layouts, and lot dimensions. Failure to obtain the written comments and recommendations of the commissioner of transportation or the county highway engineer shall in no manner affect the title to the lands included in the plat or the plating of said lands. A city, town, or county shall file with the plat, in the office of the county recorder or registrar of titles, a certificate or other evidence showing submission of the preliminary plat to the commissioner or county highway engineer in compliance with this subdivision."

RIGHTS OF VICTIMS OF SEXUAL ASSAULT

Section 1. Minnesota Statutes 2002, section 253B.02, is amended by adding a subdivision to read:

Subd. 24. [VICTIM.] "Victim" means a natural person who incurs loss or harm as a result of harmful sexual conduct committed by a sexual psychopathic personality, sexually dangerous person, or person who is mentally ill and dangerous to the public. If the victim is deceased, "victim" means the deceased's surviving spouse or next of kin.

Sec. 2. Minnesota Statutes 2002, section 253B.07, subdivision 1, is amended to read:

Subdivision 1. [PREPETITION SCREENING.] (a) Prior to filing a petition for commitment of or early intervention for a proposed patient, an interested person shall apply to the designated agency in the county of the proposed patient's residence or presence for conduct of a preliminary investigation, except when the proposed patient has been acquitted of a crime under section 611.026 and the county attorney is required to file a petition for commitment. The designated agency shall appoint a screening team to conduct an investigation. The petitioner may not be a member of the screening team. The investigation must include:

(i) a personal interview with the proposed patient and other individuals who appear to have knowledge of the condition of the proposed patient. If the proposed patient is not interviewed, specific reasons must be documented;

(ii) identification and investigation of specific alleged conduct which is the basis for application;

(iii) identification, exploration, and listing of the specific reasons for rejecting or recommending alternatives to involuntary placement;

(iv) in the case of a commitment based on mental illness, the following information, if it is known or available, that may be relevant to the administration of neuroleptic medications, including the existence of a declaration under section 253B.03, subdivision 6d, or a health care directive under chapter 145C or a guardian, conservator, proxy, or agent with authority to make health care decisions for the proposed patient; information regarding the capacity of the proposed patient to make decisions regarding administration of neuroleptic medication; and whether the proposed patient is likely to consent or refuse consent to administration of the medication;

(v) seeking input from the proposed patient's health plan company to provide the court with information about services the enrollee needs and the least restrictive alternatives; and

(vi) in the case of a commitment based on mental illness, information listed in clause (iv) for other purposes relevant to treatment.

(b) In conducting the investigation required by this subdivision, the screening team shall have access to all relevant medical records of proposed patients currently in treatment facilities. The interviewer shall inform the proposed patient that any information provided by the proposed patient may be included in the prepetition screening report and may be considered in the commitment proceedings. Data collected pursuant to this clause shall be considered private data on individuals. The prepetition screening report is not admissible as evidence except by agreement of counsel or as permitted by this chapter or the rules of court and is not admissible in any court proceedings unrelated to the commitment proceedings.
(c) The prepetition screening team shall provide a notice, written in easily understood language, to the proposed patient, the petitioner, any victims, persons named in a declaration under chapter 145C or section 253B.03, subdivision 6d, and, with the proposed patient's consent, other interested parties. The team shall ask the patient if the patient wants the notice read and shall read the notice to the patient upon request. The notice must contain information regarding the process, purpose, and legal effects of civil commitment and early intervention. The notice must inform the proposed patient that:

(1) if a petition is filed, the patient has certain rights, including the right to a court-appointed attorney, the right to request a second examiner, the right to attend hearings, and the right to oppose the proceeding and to present and contest evidence; and

(2) if the proposed patient is committed to a state regional treatment center or group home, the patient may be billed for the cost of care and the state has the right to make a claim against the patient's estate for this cost.

The ombudsman for mental health and mental retardation shall develop a form for the notice which includes the requirements of this paragraph.

(d) When the prepetition screening team recommends commitment, a written report shall be sent to the county attorney for the county in which the petition is to be filed. The statement of facts contained in the written report must meet the requirements of subdivision 2, paragraph (b). A copy of the report must be sent to any victims.

(e) The prepetition screening team shall refuse to support a petition if the investigation does not disclose evidence sufficient to support commitment. Notice of the prepetition screening team's decision shall be provided to the prospective petitioner and to the proposed patient.

(f) If the interested person wishes to proceed with a petition contrary to the recommendation of the prepetition screening team, application may be made directly to the county attorney, who shall determine whether or not to proceed with the petition. Notice of the county attorney's determination shall be provided to any victims and to the interested party.

(g) If the proposed patient has been acquitted of a crime under section 611.026, the county attorney shall apply to the designated county agency in the county in which the acquittal took place for a preliminary investigation unless substantially the same information relevant to the proposed patient's current mental condition, as could be obtained by a preliminary investigation, is part of the court record in the criminal proceeding or is contained in the report of a mental examination conducted in connection with the criminal proceeding. If a court petitions for commitment pursuant to the Rules of Criminal or Juvenile Procedure or a county attorney petitions pursuant to acquittal of a criminal charge under section 611.026, the prepetition investigation, if required by this section, shall be completed within seven days after the filing of the petition.

Sec. 3. Minnesota Statutes 2002, section 253B.07, subdivision 4, is amended to read:

Subd. 4. [PREHEARING EXAMINATION; NOTICE AND SUMMONS PROCEDURE.] (a) A summons to appear for a prehearing examination and the commitment hearing shall be served upon the proposed patient. A plain language notice of the proceedings and notice of the filing of the petition shall be given to the proposed patient, patient's counsel, the petitioner, any victims, any interested person, and any other persons as the court directs.

(b) The prepetition screening report, the petition, and the examiner's supporting statement shall be distributed to the petitioner, the proposed patient, the patient's counsel, the county attorney, any victims, any person authorized by the patient, and any other person as the court directs.
(c) All papers shall be served personally on the proposed patient. Unless otherwise ordered by the court, the notice shall be served on the proposed patient by a nonuniformed person.

Sec. 4. Minnesota Statutes 2002, section 253B.08, subdivision 2, is amended to read:

Subd. 2. [NOTICE OF HEARING.] The proposed patient, patient's counsel, the petitioner, the county attorney, any victims, and any other persons as the court directs shall be given at least five days' notice that a hearing will be held and at least two days' notice of the time and date of the hearing, except that any person may waive notice. Notice to the proposed patient may be waived by patient's counsel.

Sec. 5. Minnesota Statutes 2002, section 253B.08, subdivision 5a, is amended to read:

Subd. 5a. [WITNESSES.] The proposed patient or the patient's counsel and the county attorney may present and cross-examine witnesses, including examiners and any victims, at the hearing. The court may in its discretion receive the testimony of any other person. Opinions of court-appointed examiners may not be admitted into evidence unless the examiner is present to testify, except by agreement of the parties.

Sec. 6. Minnesota Statutes 2002, section 253B.16, subdivision 2, is amended to read:

Subd. 2. [NOTIFICATION OF DISCHARGE.] Prior to the discharge or provisional discharge of any committed person, the head of the treatment facility shall notify the designated agency, the victim, and the patient's spouse, or if there is no spouse, then an adult child, or if there is none, the next of kin of the patient, of the proposed discharge. The notice shall be sent to the last known address of the person to be notified by certified mail with return receipt. The notice shall include the following: (1) the proposed date of discharge or provisional discharge; (2) the date, time and place of the meeting of the staff who have been treating the patient to discuss discharge and discharge planning; (3) the fact that the patient will be present at the meeting; (4) the fact that any victim may attend that staff meeting and present any information relevant to the discharge of the patient, and (4) the fact that the next of kin may attend that staff meeting and present any information relevant to the discharge of the patient. The notice shall be sent at least one week prior to the date set for the meeting.

Sec. 7. Minnesota Statutes 2002, section 253B.18, subdivision 4a, is amended to read:

Subd. 4a. [RELEASE ON PASS; NOTIFICATION.] A patient who has been committed as a person who is mentally ill and dangerous and who is confined at a secure treatment facility shall not be released on a pass unless the pass is part of a pass plan that has been approved by the medical director of the secure treatment facility. The pass plan must have a specific therapeutic purpose consistent with the treatment plan, must be established for a specific period of time, and must have specific levels of liberty delineated. The county case manager must be invited to participate in the development of the pass plan. At least ten days prior to a determination on the plan, the medical director shall notify the designated agency, the committing court, the county attorney of the county of commitment, any victims, an interested person, the local law enforcement agency in the location where the pass is to occur, the petitioner, and the petitioner's counsel of the plan, the nature of the passes proposed, and their right to object to the plan. If any notified person objects prior to the proposed date of implementation, the person shall have an opportunity to appear, personally or in writing, before the medical director, within ten days of the objection, to present grounds for opposing the plan. The pass plan shall not be implemented until the objecting person has been furnished that opportunity. Nothing in this subdivision shall be construed to give a patient an affirmative right to a pass plan.
Sec. 8.  Minnesota Statutes 2002, section 253B.18, subdivision 4b, is amended to read:

Subd. 4b.  [PASS-ELIGIBLE STATUS; NOTIFICATION.] The following patients committed to a secure treatment facility shall not be placed on pass-eligible status unless that status has been approved by the medical director of the secure treatment facility:

(a) a patient who has been committed as a person who is mentally ill and dangerous and who:

(1) was found incompetent to proceed to trial for a felony or was found not guilty by reason of mental illness of a felony immediately prior to the filing of the commitment petition;

(2) was convicted of a felony immediately prior to or during commitment as a person who is mentally ill and dangerous; or

(3) is subject to a commitment to the commissioner of corrections; and

(b) a patient who has been committed as a psychopathic personality, a sexually psychopathic personality, or a sexually dangerous person.

At least ten days prior to a determination on the status, the medical director shall notify the committing court, the county attorney of the county of commitment, the designated agency, any victims, an interested person, the petitioner, and the petitioner’s counsel of the proposed status, and their right to request review by the special review board.  If within ten days of receiving notice any notified person requests review by filing a notice of objection with the commissioner and the head of the treatment facility, a hearing shall be held before the special review board.  The proposed status shall not be implemented unless it receives a favorable recommendation by a majority of the board and approval by the commissioner.  The order of the commissioner is appealable as provided in section 253B.19.

Nothing in this subdivision shall be construed to give a patient an affirmative right to seek pass-eligible status from the special review board.

Sec. 9.  Minnesota Statutes 2002, section 253B.18, subdivision 4c, is amended to read:

Subd. 4c.  [SPECIAL REVIEW BOARD.] (a) The commissioner shall establish one or more panels of a special review board for persons committed as mentally ill and dangerous to the public.  The board shall consist of three members experienced in the field of mental illness.  One member of each special review board panel shall be a psychiatrist and one member shall be an attorney.  No member shall be affiliated with the Department of Human Services.  The special review board shall meet at least every six months and at the call of the commissioner.  It shall hear and consider all petitions for transfer from a secure treatment facility; all petitions for discharge, provisional discharge, and revocation of provisional discharge; written statements from victims, if any; and make recommendations to the commissioner concerning them the petitions and statements.  Patients may be transferred by the commissioner between secure treatment facilities without a special review board hearing.

(b) Members of the special review board shall receive compensation and reimbursement for expenses as established by the commissioner.

Sec. 10.  Minnesota Statutes 2002, section 253B.18, subdivision 5, is amended to read:

Subd. 5.  [PETITION; NOTICE OF HEARING; ATTENDANCE; ORDER.] (a) A petition for an order of transfer, discharge, provisional discharge, or revocation of provisional discharge shall be filed with the commissioner and may be filed by the patient or by the head of the treatment facility.  A patient may not petition the special review board for six months following commitment under subdivision 3 or following the final disposition of any previous petition and subsequent appeal by the patient.  The medical director may petition at any time.
(b) Fourteen days prior to the hearing, the committing court, the county attorney of the county of commitment, the designated agency, any victims, an interested person, the petitioner, and the petitioner's counsel shall be given written notice by the commissioner of the time and place of the hearing before the special review board. Only those entitled to statutory notice of the hearing or those administratively required to attend may be present at the hearing. The patient may designate interested persons to receive notice by providing the names and addresses to the commissioner at least 21 days before the hearing. The board shall provide the commissioner with written findings of fact and recommendations within 21 days of the hearing. The commissioner shall issue an order no later than 14 days after receiving the recommendation of the special review board. A copy of the order shall be sent by certified mail to every person entitled to statutory notice of the hearing within five days after it is signed. No order by the commissioner shall be effective sooner than 30 days after the order is signed, unless the county attorney, the patient, and the commissioner agree that it may become effective sooner.

(c) The special review board shall hold a hearing on each petition prior to making its recommendation to the commissioner. The special review board proceedings are not contested cases as defined in chapter 14. Any person or agency receiving notice that submits documentary evidence to the special review board prior to the hearing shall also provide copies to the patient, the patient's counsel, the county attorney of the county of commitment, any victims, the case manager, and the commissioner.

(d) Prior to the final decision by the commissioner, the special review board may be reconvened to consider events or circumstances that occurred subsequent to the hearing.

Sec. 11. Minnesota Statutes 2002, section 253B.19, subdivision 2, is amended to read:

Subd. 2. [PETITION; HEARING.] The committed person or the county attorney of the county from which a patient was committed as a person who is mentally ill and dangerous to the public, or as a sexual psychopathic personality or as a sexually dangerous person may petition the appeal panel for a rehearing and reconsideration of a decision by the commissioner. The petition shall be filed with the Supreme Court within 30 days after the decision of the commissioner is signed. The Supreme Court shall refer the petition to the chief judge of the appeal panel. The chief judge shall notify the patient, the county attorney of the county of commitment, the designated agency, the commissioner, the head of the treatment facility, any victims, any interested person, and other persons the chief judge designates, of the time and place of the hearing on the petition. The notice shall be given at least 14 days prior to the date of the hearing. The hearing shall be within 45 days of the filing of the petition unless an extension is granted for good cause. Any person may oppose the petition. The appeal panel may appoint examiners and may adjourn the hearing from time to time. It shall hear and receive all relevant testimony and evidence and make a record of all proceedings. The patient, patient's counsel, and the county attorney of the committing county may be present and cross-examine all witnesses. The petitioning party bears the burden of going forward with the evidence. The party opposing discharge bears the burden of proof by clear and convincing evidence that the respondent is in need of commitment.

117.036 [APPRaisal AND NEGOTIATION REQUIREMENTS APPLICABLE TO ACQUISITION OF PROPERTY FOR TRANSPORTATION PURPOSES.]

Subdivision 1. [APPLICATION.] This section applies to the acquisition of property for public highways, streets, roads, alleys, airports, mass transit facilities, or for other transportation facilities or purposes.

Subd. 2. [APPRaisal.] (a) Before commencing an eminent domain proceeding under this chapter acquiring an interest in real property, the acquiring authority must obtain at least one appraisal for the property proposed to be acquired. In making the appraisal, the appraiser must confer with one or more of the fee owners or contract purchasers of the property, if reasonably possible. Notwithstanding section 13.44 or any other law to the contrary, the acquiring authority must provide the fee owner or contract purchaser with a copy of the appraisal at least 20 days before presenting a petition under section 117.055, the acquiring authority must provide the owner with a copy of the appraisal and inform the owner of the owner's right to obtain an appraisal under this section. Upon request, the acquiring authority must make available to the fee owner or contract purchaser all appraisals of the property.

(b) The fee owner or contract purchaser may obtain an appraisal by a qualified appraiser of the property proposed to be acquired. The fee owner or contract purchaser is entitled to reimbursement for the reasonable costs of the appraisal from the acquiring authority up to a maximum of $1,500 within 30 days after the owner if the fee owner or contract purchaser submits to the acquiring authority the information necessary for reimbursement, provided that the owner does so within 60 days after the owner receives the appraisal from the authority under paragraph (a). Upon agreement between the fee owner or contract purchaser and the acquiring authority, the acquiring authority may pay the reimbursement up to $1,500 directly to the appraiser.

Subd. 3. [NEGOTIATION.] In addition to the appraisal requirements under subdivision 2, before commencing an eminent domain proceeding, the acquiring authority must make a good faith attempt to negotiate personally with the fee owner or contract purchaser of the property in order to acquire the property by direct purchase instead of the use of eminent domain proceedings. Subd. 4. Sec. 3. Minnesota Statutes 2002, section 117.075, is amended to read:

117.075 [COURT TO APPOINT COMMISSIONERS.]

Subdivision 1. [HEARING ON NECESSITY, PURPOSE.] Upon proof being filed of the service of such notice, the court, at the time and place therein fixed or to which the hearing may be adjourned, shall hear all competent evidence offered for or against the granting of the petition, regulating the order of proof as it may deem best.

Subd. 2. [EVIDENCE.] Except as provided in subdivision 3, if the proposed taking shall appear to be necessary and such as is authorized by law, the court by an order shall appoint three disinterested commissioners, and at least two alternates, to ascertain and report the amount of damages that will be sustained by the several owners on account of such taking.

Subd. 3. [EVIDENCE; PROPERTY TAKEN FOR TRANSFER TO ENTITY WITHOUT TAKING AUTHORITY.] (a) If all or a portion of the property proposed to be taken may be sold, leased, licensed, transferred, or otherwise conveyed to a person or entity without the power of eminent domain, the court shall not authorize the taking unless the petitioner proves by a preponderance of the evidence that the taking is reasonably necessary, the taking is authorized by law and is for a public, not private, purpose. In the event that the court determines that a taking is not reasonably necessary, is not authorized by law, or is not for a public purpose, the owner may recover from the petitioner reasonable costs and expenses including attorney fees.

(b) This subdivision does not apply to the Metropolitan Council Environmental Services Division, public service corporations, public utilities, gas, electric, telephone or cable communication companies, cooperative associations, natural gas pipelines, and crude oil or petroleum products pipelines that have the right of eminent domain under federal or Minnesota law. Subd. 4. [COMMISSIONER QUALIFICATIONS.] Before appointing a commissioner, the court shall inquire whether each prospective commissioner has any relationship, business or otherwise, to any of the parties in the proceeding, or any interest in the proceeding which may constitute a conflict of interest, or which may create the appearance of impropriety should that person be appointed. Responses to this inquiry must be either written or on the record and made available by the court to any party in the proceeding before and after appointment. No person who might have difficulty in rendering an unbiased decision may be appointed to serve. I further swear that, except as disclosed in writing or on the record, I have no interest in any of the lands in the above proceeding or any present or past relationship, business or personal, with any of the parties to the above proceeding or any other actual or potential conflict of interest, and that I will render fair and impartial decisions, so help me God.

Subd. 6. [COURT ORDER MAY LIMIT ACQUISITION.] The order may, in the discretion of the court, limit the title or easement to be acquired by the petitioner by defining the rights and privileges which the owner of any of the lands may exercise therein in subordination to the public uses to which it is appropriated.

Subd. 7. [REPLACEMENT OF COMMISSIONER.] In case any commissioner fails to act or fails to meet the qualifications required by this section, the court without further notice may appoint another in that commissioner's place.

Subd. 8. [APPLICATION TO BE A COMMISSIONER.] The court administrator of court in each county shall post in the courthouse in a prominent place a notice that a qualified person may apply to have the person's name placed upon a list of potential commission appointees for eminent domain proceedings. The notice must contain the language of the oath which the commissioners are required to take upon appointment and shall list the other qualifications set forth in this section. The court shall give due consideration to the names appearing on the list, but is not bound to make appointments from the list.
