Subd. 6. Fisheries Acquisition and Improvement

To acquire land and interests in land for aquatic management areas and to make public improvements and betterments of a capital nature to aquatic management areas established under Minnesota Statutes, section 86A.05, subdivision 14.

Subd. 7. Water Access Acquisition, Betterment, and Fishing Piers

For public water access acquisition, construction, and renovation to capital projects on lakes and rivers, including water access through the provision of fishing piers and shoreline access under Minnesota Statutes, section 86A.05, subdivision 9.

Subd. 8. Reforestation

To increase reforestation activities to meet the reforestation requirements of Minnesota Statutes, section 89.002, subdivision 2, including planting, seeding, site preparation, and purchasing tree seeds and seedlings.

Subd. 9. Scientific and Natural Area Acquisition and Development

To acquire land for scientific and natural areas and for development, protection, or improvements of a capital nature to scientific and natural areas under Minnesota Statutes, sections 84.033 and 86A.05, subdivision 5.

Subd. 10. State and Local Trail Development and Acquisition

(a) $4,500,000 is for accelerated state trail development. Of this amount: (1) $200,000 is for acquisition and development of the Goodhue Pioneer Trail; (2) $450,000 is for design, acquisition, and construction of the segment of the Shooting Star Trail from Leroy to Rose Creek; (3) $1,500,000 is for extension across Excelsior Road to connect with the Oberstar Tunnel on the Paul Bunyan Trail; (4) $450,000 is for development of the Forestville segment of the Blufflands Trail system; (5) $900,000 is for acquisition and preliminary development of the undeveloped portion of the Paul Bunyan State Trail in the city of Bemidji; and (6) $1,000,000 is for acquisition and development of the Mill Towns State Trail between the existing Cannon Valley Trail and the Sakatah Singing Hills State Trail.

(b) $700,000 is for rehabilitation projects on existing state trails.

(c) $500,000 is for a grant to the city of St. Louis Park to design and construct a grade-separated pedestrian and trail crossing over Hennepin County State-Aid Highway (CSAH) 25 near Belt Line Boulevard in St. Louis Park. The grant is under the program in Minnesota Statutes, section 85.019, subdivision 4c.
(d) $200,000 is for a grant under Minnesota Statutes, section 85.019, subdivision 4c, to the city of Bloomington to remove the old Cedar Avenue bridge in preparation for a hiking and bicycling trail connection.

(e) $300,000 is for a grant to Stearns County under Minnesota Statutes, section 85.019, subdivision 4c, for land acquisition, engineering, and construction of trail connections on the Lake Koronis Trail.

Subd. 11. State Forest Land Acquisition

To acquire, in fee and easement, private lands from willing sellers within established boundaries of state forests established under Minnesota Statutes, section 89.021, and within forest legacy areas.

Subd. 12. State Park and Recreation Area Acquisition

For acquisition of land under Minnesota Statutes, section 86A.05, subdivisions 2 and 3, from willing sellers of private lands within state park and recreation area boundaries established by law.

Subd. 13. Lake Superior Zoo

For a grant to the city of Duluth to design and construct facility improvements at the Lake Superior Zoo. This appropriation is available when matched by $1 of money secured or provided by the city of Duluth for each $1 of state money.

Subd. 14. Local Parks Grants

For local parks grants under Minnesota Statutes, section 85.019, subdivisions 2 and 4a.

$500,000 of this amount is for a grant to the city of South St. Paul for the closure, capping, and remediation of approximately 80 acres of the Port Crosby construction and demolition debris landfill in South St. Paul, as the fourth phase of converting the land into parkland, and to restore approximately 80 acres of riverfront land along the Mississippi River.

$250,000 of this amount is for a grant to the Minneapolis Park and Recreation Board to develop a plan to complete the Grand Rounds National Scenic Byway by providing a link between northeast Minneapolis on Stinson Avenue and southeast Minneapolis at East River Road.
Subd. 15. Regional Parks: Greater Minnesota

For grants to counties and public regional parks organizations located outside the metropolitan area as defined in Minnesota Statutes, section 473.121, subdivision 2, to acquire land, design, and construct and redevelop regional parks and trails, open space, and recreational facilities. The improvements must be of a capital nature. Each $3 of state grants must be matched by $2 of nonstate funds.

Subd. 16. Big Bog State Recreation Area

For development of the Big Bog State Recreation Area, including construction of a visitor’s center.

Sec. 8. POLLUTION CONTROL AGENCY

To the Pollution Control Agency to design and construct remedial systems and acquire land at landfills throughout the state in accordance with the closed landfill program under Minnesota Statutes, section 115B.39.

Sec. 9. OFFICE OF ENVIRONMENTAL ASSISTANCE

To the Office of Environmental Assistance for the solid waste capital assistance grants program under Minnesota Statutes, section 115A.54. Grants from this appropriation must be awarded to applicants whose applications were on file with the office before September 13, 2003.

Sec. 10. BOARD OF WATER AND SOIL RESOURCES

Subdivision 1. To the Board of Water and Soil Resources for the purposes specified in this section

Subd. 2. RIM and CREP Conservation Easements

This appropriation is to acquire conservation easements from landowners on marginal lands to protect soil and water quality and to support fish and wildlife habitat as provided in Minnesota Statutes, section 103F.515.

The board must absorb the administrative costs of this program.

Subd. 3. Wetland Replacement Due to Public Road Projects

To acquire land for wetlands or restore wetlands to be used to replace wetlands drained or filled as a result of the repair, maintenance, or rehabilitation of existing public roads as required by Minnesota Statutes, section 103G.222, subdivision 1, paragraphs (k) and (l).
The purchase price paid for acquisition of land, fee, or perpetual easement must be the fair market value as determined by the board. The board may enter into agreements with the federal government, other state agencies, political subdivisions, and nonprofit organizations or fee owners to acquire land and restore and create wetlands and to acquire existing wetland banking credits with money provided by this appropriation. Acquisition of or the conveyance of land may be in the name of the political subdivision.

Sec. 11. AGRICULTURE

Subdivision 1. To the commissioner of agriculture or other named agencies for the purposes specified in this section

Subd. 2. Rural Finance Authority Loan Participation

For purposes as set forth in the Minnesota Constitution, article XI, section 5, clause (h). To the rural finance authority to purchase participation interests in or to make direct agricultural loans to farmers under Minnesota Statutes, chapter 41B. This appropriation is for the beginning farmer program under Minnesota Statutes, section 41B.039, the loan restructuring program under Minnesota Statutes, section 41B.04, the seller-sponsored program under Minnesota Statutes, section 41B.042, the agricultural improvement loan program under Minnesota Statutes, section 41B.043, and the livestock expansion loan program under Minnesota Statutes, section 41B.045. All debt service on bond proceeds used to finance this appropriation must be repaid by the rural finance authority under Minnesota Statutes, section 16A.643. Loan participations must be priced to provide full interest and principal coverage and a reserve for potential losses.

Subd. 3. Agriculture Water Management Research Partnership

To the Board of Regents of the University of Minnesota to establish or expand agricultural water management projects at the Crookston, Morris, Lamberton, and Waseca Research and Outreach Centers in partnership with the Department of Agriculture.

Sec. 12. MINNESOTA ZOOLOGICAL GARDEN

To the Minnesota Zoological Garden for capital asset preservation improvements and betterments to roofs, mechanical and utility systems, roads and pathways, building envelopes, storm water systems, exhibits, and safety and code compliance upgrades.
Sec. 13. ADMINISTRATION

To the commissioner of administration for the Capital Asset Preservation and Replacement Account (CAPRA), to be spent in accordance with Minnesota Statutes, section 16A.632.

Sec. 14. CAPITOL AREA ARCHITECTURAL AND PLANNING BOARD

To the commissioner of administration, for repair and restoration of the public corridors, walls, and ceilings of the third floor and the dome of the Capitol Building in St. Paul.

Sec. 15. AMATEUR SPORTS COMMISSION

Subdivision 1. To the Amateur Sports Commission for the purposes specified in this section

Subd. 2. Bemidji Hockey Arena

To design, construct, furnish, and equip a hockey arena on the campus of Bemidji State University. The Amateur Sports Commission must consult with Bemidji State University on the design. The hockey arena is to be owned by the Board of Trustees of the Minnesota State Colleges and Universities and operated by Bemidji State University.

The Board of Trustees of the Minnesota State Colleges and Universities shall pay the debt service according to section 3, subdivision 19, on one-third of the principal amount of state bonds sold to finance the project under this section.

Subd. 3. Bloomington Ski Jump

To pay for costs for unforeseen site conditions in Phase I and for Phase II construction, primarily, of the summer surface on the Hyland K70 ski jump in Bloomington.

Sec. 16. MILITARY AFFAIRS

Subdivision 1. To the adjutant general for the purposes specified in this section

Subd. 2. Asset Preservation

For asset preservation improvements, Americans With Disabilities Act upgrades, and betterments of a capital nature at military affairs facilities statewide.
Subd. 3. Facility Life Safety Improvements

For life/safety improvements and correcting code deficiencies at military affairs facilities statewide.

Sec. 17. VETERANS AFFAIRS

To the commissioner of administration to complete construction of the World War II veterans' memorial on the Capitol mall. This is the final state appropriation for the project and is contingent on sufficient nonstate funds being received and deposited into a segregated account for perpetual maintenance of the memorial.

Sec. 18. TRANSPORTATION

Subdivision 1. To the commissioner of transportation for the purposes specified in this section

Subd. 2. Local Bridge Replacement and Rehabilitation

This appropriation is from the bond proceeds account in the state transportation fund.

The commissioner shall spend this appropriation as grants to political subdivisions for the replacement, rehabilitation, and repair of key bridges on the state transportation system. The commissioner shall make these grants in accordance with and for the purposes of Minnesota Statutes, section 174.50.

Subd. 3. Local Road Improvement Program

The commissioner shall deposit this amount in the local road improvement fund for allocation as follows:

1. $15,000,000 is for deposit in the local road account for routes of regional significance to be spent as grants for the purposes of Minnesota Statutes, section 174.52, subdivision 4; and

2. $8,090,000 is for deposit in the trunk highway corridor projects account to be spent as grants for the purposes of Minnesota Statutes, section 174.52, subdivision 2.

Subd. 4. Port Development Assistance

For the purposes of the port development program under Minnesota Statutes, chapter 457A.
Subd. 5. Small Capital Projects

To design, construct, furnish, and equip statewide building projects, consisting of truck stations, salt storage facilities, cold storage facilities, and Mankato headquarters site work.

This appropriation is from the trunk highway fund.

Subd. 6. Personal Rapid Transit

(a) For a grant to a statutory or home rule charter city, a public postsecondary educational institution, or a public transit authority with the power to issue general obligation bonds, if the grantee is a signatory to an agreement to implement the project funded in this subdivision entered into by at least one statutory or home rule charter city, public postsecondary educational institution, and public transit authority with the power to issue general obligation bonds.

(b) This appropriation is to design, acquire, construct, furnish, and equip a personal rapid transit safety certification and training facility, in order to (1) confirm the safety of the patented personal rapid transit technology for sustainable public transit service, (2) provide an opportunity for engineers to be trained in its design and use, and (3) establish a new and economically self-sustaining, viable technology in Minnesota so that the University of Minnesota may realize royalty benefits from an existing agreement. The grantee may enter into an agreement for operation of the facility, subject to Minnesota Statutes, section 16A.695.

(c) The facility, at a minimum, must consist of a 2,200-foot oval guideway, one off-line station, and a maintenance and control center. The facility must be developed in accord with plans for a future personal rapid transit system serving the area within the jurisdiction of the signatories to the agreement required in paragraph (a).

(d) This appropriation is contingent on (1) a contribution of at least $8,000,000 in private resources from an entity with the licensing and technological capacity to provide at least three personal rapid transit vehicles, training services for engineers, engineering work, and six months of operational testing to confirm the technology’s safety for public use, (2) a contribution of at least $12,000,000 from other nonstate sources to meet the total project cost of $24,000,000, and (3) an agreement by a postsecondary educational institution to provide technical support and training for planning, design, operation, and maintenance of personal rapid transit systems.
Subd. 7. Mankato Headquarters Building

To design, construct, furnish, and equip a new headquarters facility in Mankato. The commissioner shall sell the existing site at fair market value. Any proceeds from the sale are appropriated to the commissioner to pay for costs associated with the sale and to supplement the appropriation for the new facility.

This appropriation is from the trunk highway bond proceeds account.

Sec. 19. METROPOLITAN COUNCIL

Subdivision 1. To the Metropolitan Council for the purposes specified in this section

Subd. 2. Cedar Avenue Bus Rapid Transit (BRT)

For environmental studies, preliminary engineering, bus lane improvements, and transit station construction and improvements for Cedar Avenue bus rapid transit between the Mall of America in Bloomington and the cities of Eagan, Apple Valley, and Lakeville.

Subd. 3. Rush Line Corridor Transitway

To match federal funds and for right-of-way acquisition, planning, and engineering of the Rush Line corridor transitway between St. Paul and Hinckley.

Subd. 4. Metropolitan Regional Parks Capital Improvements

This appropriation must be used to pay the cost of improvements and betterments of a capital nature and acquisition by the council and local government units of regional recreational open-space lands in accordance with the council's policy plan as provided in Minnesota Statutes, section 473.147. Priority should be given to park rehabilitation and land acquisition projects.

Sec. 20. HUMAN SERVICES

Subdivision 1. To the commissioner of administration for the purposes specified in this section
Subd. 2. St. Peter Regional Treatment Center Sex Offender Facility

To design new facilities for up to 150 beds for the treatment of sex offenders in the Minnesota Sexual Offender Program at the St. Peter Regional Treatment Center.

Subd. 3. Systemwide-Campus Redevelopment/Reuse/Demolition

To demolish or improve surplus, nonfunctional, or deteriorated facilities and infrastructure at Department of Human Services campuses statewide.

Of this amount, up to $250,000 in fiscal year 2005 is to the commissioner to provide grants to cities, counties, or towns to purchase and place cemetery grave markers or memorial monuments, that include the available names of individuals, at cemeteries located on the site of former or current regional treatment centers or state hospitals and within the boundaries of the city, county, or town awarded the grant. An individual monument must not be placed if the family of the deceased resident objects to the placement of the monument. A grantee must consult with members of local service or charitable organizations, members of the local business community, and persons with mental illness or developmental disabilities or their representatives, and to the extent possible, consult with family members of deceased residents of the regional treatment center or state hospital, and current or former employees of the regional treatment center or state hospital.

Subd. 4. Systemwide Roof Renovation and Replacement

For renovation and replacement of roofs at Department of Human Services facilities statewide.

Sec. 21. VETERANS HOMES BOARD

Subdivision 1. To the commissioner of administration for the purposes specified in this section

Subd. 2. Minneapolis Veterans Home - Waste Piping Replacement

For design, renovation, and related costs of replacing the sanitary waste piping in Building 17 at the Minneapolis Veterans Home.

Subd. 3. Asset Preservation

For asset preservation improvements and betterments of a capital nature at veterans homes statewide.
Sec. 22. CORRECTIONS

Subdivision 1. To the commissioner of administration for the purposes specified in this section 65,433,000

Subd. 2. Minnesota Correctional Facility - Faribault Asset Preservation 34,891,000

For asset preservation of existing facilities at the Minnesota Correctional Facility - Faribault.

Subd. 3. Minnesota Correctional Facility - Stillwater 19,192,000

To design, construct, furnish, and equip a new 150-bed high security segregation unit to improve staff safety and accommodate increased inmate population, including the remodeling of the discipline and psychology/psychiatry unit, the demolition of the former health services building, and the removal of walls dividing Cell Hall A/West and Cell Hall A/Segregation.

Subd. 4. Asset Preservation 11,000,000

For improvements and betterments of a capital nature at Minnesota correctional facilities statewide, including, but not limited to, emergency lighting projects, roof and window replacement, tuckpointing, and asbestos abatement.

Subd. 5. Minnesota Correctional Facility - Willow River 350,000

To purchase, furnish, equip, and prepare foundation and utilities for a new 24-bed prefabricated building.

The commissioner of corrections shall fund, from existing resources, a study of inmate population growth, increased demand for prison and jail beds, and alternative sentencing models. The commissioner shall contract with an entity outside of state government to perform the study. The commissioner and the executive director of the sentencing guidelines commission must cooperate fully with the entity selected to perform the study.

The study must analyze, at a minimum, the following topics:

1. Projected growth in Minnesota's inmate population over the next ten years for both state and local correctional facilities;
(2) specific inmate growth projections over the next ten years based on anticipated severity level distribution of future inmates;

(3) projected need for additional prison and jail beds over the next ten years, including a specific breakdown by state prison versus local jail and by severity levels within state prisons;

(4) a cost/benefit analysis and evaluation of whether inmates should be housed in private prisons or jails and an assessment of which class or classes of inmates are best suited for incarceration in private prisons; and

(5) alternatives to Minnesota's current system of determinate sentencing guidelines, specifically addressing the use of indeterminate sentencing and a parole board for certain classes of offenders including drug offenders, and an assessment of whether alternative sentencing approaches would improve the operation, effectiveness, and outcomes of Minnesota's criminal justice system.

The report containing the findings and recommendations from this study is due to the chairs and ranking minority members of the senate and house committees having jurisdiction over criminal justice policy by February 15, 2005.

Sec. 23. EMPLOYMENT AND ECONOMIC DEVELOPMENT

Subdivision 1. To the commissioner of employment and economic development or other named agency for the purposes specified in this section 61,280,000

Subd. 2. State Match for Federal Grants 16,280,000

(a) To the public facilities authority:

(1) to match federal grants to the water pollution control revolving fund under Minnesota Statutes, section 446A.07; and

(2) to match federal grants to the drinking water revolving fund under Minnesota Statutes, section 446A.081.

(b) The expenditure and allocation of state matching money between funds described in paragraph (a), clauses (1) and (2), must be based on the amount of federal money appropriated to the funds.

(c) This appropriation must be used for qualified capital projects.
Subd. 3. Minnesota Redevelopment Account

For transfer to the Minnesota redevelopment account created in Minnesota Statutes, section 116J.571. This appropriation may be used for grants for eligible projects within the biotechnology and health science zone designated under Minnesota Statutes, section 469.334.

Subd. 4. Wastewater Infrastructure Funding Program

To the Public Facilities Authority for the purposes specified in this subdivision. $10,000,000 of this appropriation is for grants to eligible municipalities under the wastewater infrastructure program established in Minnesota Statutes, section 446A.072.

To the greatest practical extent, the authority must use the funds for projects on the 2004 project priority list in priority order to qualified applicants that submit plans and specifications to the Pollution Control Agency or receive a funding commitment from USDA rural development before December 1, 2005.

The authority must absorb the costs for administration of the wastewater infrastructure program.

Subd. 5. University of Minnesota - Mayo Clinic Biotechnology Research Facility

To the Board of Regents of the University of Minnesota to purchase three floors in the Stabile Building on the Mayo Clinic campus in Rochester. The floors are to be used for scientific research beneficial to collaborative research efforts between the University of Minnesota and the Mayo Clinic. The three floors will be owned by the University of Minnesota and operated by the Mayo Clinic through a use agreement approved by the commissioner of finance subject to Minnesota Statutes, section 16A.695.

Sec. 24. MINNESOTA HISTORICAL SOCIETY

Subdivision 1. To the Minnesota Historical Society for the purposes specified in this section

Subd. 2. Historic Sites Asset Preservation

For capital improvements and betterments at state historic sites, buildings, landscaping at historic buildings, exhibits, markers, and monuments. The society shall determine project priorities as appropriate based on need.
APPROPRIATIONS

Subd. 3. County and Local Preservation Grants

To be allocated to county and local jurisdictions as matching money for historic preservation projects of a capital nature. Grant recipients must be public entities and must match state funds on at least an equal basis. The facilities must be publicly owned.

Sec. 25. GRANTS TO-political subdivisions

Subdivision 1. To the commissioner of employment and economic development or other named agency for the purposes specified in this section

Subd. 2. Buffalo Lake Maintenance Garage and Street Repair

For a grant to the city of Buffalo Lake to design, construct, furnish, and equip a municipal maintenance garage and reconstruct city streets damaged by a tornado.

Subd. 3. Roseau Infrastructure Repair and Municipal Complex Relocation

(a)(1) $4,615,000 to the public facilities authority for a grant to the city of Roseau to assist with the cost of rehabilitation and replacement of publicly owned infrastructure, including storm sewers, wastewater and municipal utility service, drinking water systems, and other infrastructure damaged by flooding in the area included in DR-1419. For the purposes of this appropriation, criteria, limitations, and repayment requirements in Minnesota Statutes, sections 446A.07, 446A.072, and 446A.081, are waived.

(2) $5,385,000 is for a grant to the city of Roseau to relocate the flood damaged city hall, auditorium, library, museum, and police department out of the Roseau River floodway as a result of flooding as declared in DR-1419, and in accordance with Minnesota Statutes, section 16A.86.

(b) Capital costs for the projects in paragraph (a), incurred in calendar year 2004 after the effective date of this act are eligible for reimbursement from the grants authorized in paragraph (a).

Subd. 4. Lewis and Clark Rural Water System

(a) To the public facilities authority for grants to counties, rural water systems, or municipalities served by the Lewis and Clark Rural Water System to acquire land, predesign, design, construct, furnish, and equip one or more rural water facilities that serve southwestern Minnesota. The grants must be awarded to projects approved by the Lewis and Clark Joint Powers Board.
(b) This appropriation is only available when matched by:

(1) $8 of federal money; and

(2) at least $1 of local money to the system for each $1 of state money to the grant projects under paragraph (a).

Subd. 5. North Central Regional Correctional Facility  
6,000,000

For a grant to Cass County to construct, furnish, and equip a publicly owned and operated regional jail on surplus land of the state-operated nursing home, Ah Gwah Ching, in the city of Walker.

The state shall own 75 percent of the beds and Cass County shall own 25 percent of the beds. The state must contract with Cass County to operate the facility.

The appropriation is not available until the commissioner determines that at least $6,000,000 has been committed to the project from nonstate sources.

Subd. 6. Rochester Regional Public Safety Training Center  
627,000

To the commissioner of administration for Phase I of the Rochester Regional Public Safety Training Center to develop a live burn training simulator adjacent to the existing National Guard facility in Rochester.

The appropriation is not available until the commissioner determines that an equal amount has been committed to the project from nonstate sources.

Subd. 7. Blue Earth Police and Fire Station  
642,000

To the commissioner of public safety for a grant to the city of Blue Earth to acquire land for and to predesign, design, construct, furnish, and equip a fire and police station. This appropriation is not available until the commissioner of finance has determined that at least an equal amount has been committed to the project from nonstate sources.

Subd. 8. Hopkins Haz-mat Training Center  
250,000

To the commissioner of administration for a grant to the city of Hopkins for construction of a regional hazardous materials training facility.

    Subd. 18. City of Duluth 4,950,000

To the commissioner of the Minnesota Pollution Control Agency for a grant to the city of Duluth for design and construction of sanitary sewer overflow storage facilities at selected locations in the city of Duluth. This appropriation is available when matched by $1 of money secured or provided by the city of Duluth for each $1 of state money.

    Subd. 19. Bruentrup Farm Restoration 100,000

For a grant to the city of Maplewood to complete restoration of the Bruentrup farm in Maplewood.

This appropriation is not available until the commissioner of finance has determined that at least an equal amount has been committed to the project from nonstate sources.

    Subd. 20. Burnsville Water Treatment 2,000,000

To the public facilities authority for a grant to the city of Burnsville to design, construct, furnish, and equip a water treatment facility that will provide an additional potable water source for the city of Burnsville using water from the Burnsville quarry. This appropriation is not available until the commissioner of finance has determined that at least $6,000,000 is available in matching funds from nonstate sources. Amounts spent since January 1, 2002, to plan, design, and construct this project may be counted as part of the nonstate match.
Subd. 21. Como Park Zoo
For a grant to the city of St. Paul for the predesign and design for renovation to the Como Park Zoo.

Subd. 22. Western Mesabi Mine Planning Board
For a grant to the Western Mesabi Mine Planning Board, a joint powers agency under Minnesota Statutes, section 471.59, for engineering design to alleviate otherwise certain flooding emanating from the abandoned Canisteo Mine in Itasca County to determine which proposal is most appropriate to drain the mine and serve as a model for inevitable future flooding problems from other abandoned mines.

Subd. 23. Mesabi Trail Head Station
For a grant to the St. Louis and Lake counties regional railroad authority to complete construction of Mesabi Station along the 132-mile recreational trail known as Mesabi Trail and located on Lake Mesabi at the intersection of marked U.S. highway Nos. 53 and 169 and marked trunk highway No. 135. This appropriation is contingent upon a contribution of $800,000 from other sources, public or private.

Subd. 24. Minneapolis Park and Recreation Board
To the commissioner of natural resources to make a grant to the Minneapolis Park and Recreation Board to mitigate flooding at Lake of the Isles in the city of Minneapolis. This appropriation must be used for shoreline stabilization and restoration, dredging, wetland replacement, and other infrastructure improvements necessary to deal with the 1997 flood damage and to prevent future flooding.

Subd. 25. Waseca Job Incubator
For a grant to the city of Waseca for acquisition and renovation of, and infrastructure for, an existing facility for a job incubator.

Subd. 26. Richmond Wastewater Treatment
To the Public Facilities Authority for a grant to the city of Richmond to design, construct, furnish, and equip a wastewater treatment facility.
Sec. 26. BOND SALE EXPENSES

To the commissioner of finance for bond sale expenses under Minnesota Statutes, section 16A.641, subdivision 8.

Of this amount, $667,000 is appropriated from the bond proceeds fund and $15,000 is appropriated from the bond proceeds account in the trunk highway fund.

Sec. 27. Laws 2003, First Special Session chapter 20, article 1, section 15, is amended to read:

Sec. 15. BOND SALE SCHEDULE

The commissioner of finance shall schedule the sale of state general obligation bonds so that, during the biennium ending June 30, 2005, no more than $673,625,000 \$653,206,000 will need to be transferred from the general fund to the state bond fund to pay principal and interest due and to become due on outstanding state general obligation bonds. During the biennium, before each sale of state general obligation bonds, the commissioner of finance shall calculate the amount of debt service payments needed on bonds previously issued and shall estimate the amount of debt service payments that will be needed on the bonds scheduled to be sold. The commissioner shall adjust the amount of bonds scheduled to be sold so as to remain within the limit set by this section. The amount needed to make the debt service payments is appropriated from the general fund as provided in Minnesota Statutes, section 16A.641.

Sec. 28. [BOND SALE AUTHORIZATION.]

Subdivision 1. [BOND PROCEEDS FUND.] To provide the money appropriated in this act from the bond proceeds fund, the commissioner of finance shall sell and issue bonds of the state in an amount up to $627,647,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, sections 16A.631 to 16A.675, and by the Minnesota Constitution, article XI, sections 4 to 7.

Subd. 2. [TRANSPORTATION FUND BOND PROCEEDS ACCOUNT.] To provide the money appropriated in this act from the state transportation fund, the commissioner of finance shall sell and issue bonds of the state in an amount up to $31,118,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, sections 16A.631 to 16A.675, and by the Minnesota Constitution, article XI, sections 4 to 7. The proceeds of the bonds, except accrued interest and any premium received on the sale of the bonds, must be credited to a bond proceeds account in the state transportation fund.

Subd. 3. [TRUNK HIGHWAY FUND BOND PROCEEDS ACCOUNT.] To provide the money appropriated in this act from the trunk highway bond proceeds account in the trunk highway fund, the commissioner of finance shall sell and issue bonds of the state in an amount up to $15,015,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, sections 167.50 to 167.52, and by the Minnesota Constitution, article XIV, section 11, at the times and in the amount requested by the commissioner of transportation. The proceeds of the bonds, except accrued interest and any premium received on the sale of the bonds, must be credited to the trunk highway bond proceeds account in the trunk highway fund.
Sec. 29. [CANCELLATION.]

The remaining $435,000 of the appropriation in Laws 2000, chapter 492, article 1, section 12, subdivision 8, for 717 Delaware Street Health Building, is canceled. The bond sale authorization in Laws 2000, chapter 492, article 1, section 26, subdivision 1, is reduced by $435,000.

Sec. 30. [16A.502] [NONSTATE COMMITMENTS TO CAPITAL PROJECTS.]

(a) A state appropriation or grant for a capital project may require a commitment from nonstate sources.

(1) The commitment must be in the amount that when added to the appropriation or grant is sufficient to complete the project;

(2) the appropriation or grant is not available until the commitment is determined to be sufficient; and

(3) the commissioner must determine the sufficiency of the commitment.

(b) In making the determination, the commissioner must apply generally accepted governmental accounting standards and principles, including those that are particularly applicable to capital projects.

Sec. 31. [16A.503] [REFERENDUM REQUIRED FOR LOCAL MATCH OVER $1,000,000.]

(a) The commissioner must not release state bond funds for a project that requires a local government to commit $1,000,000 or more in local public funds unless (1) all members of the governing body have voted in favor of a resolution supporting the use of the local funds and identifying the source of the local funds, or (2) if the governing body of the local government has not adopted such a resolution or if the resolution is rescinded within 60 days of adoption, the voters have approved the project by referendum. If more than one local government is required to contribute $1,000,000 or more of local public funds to a state bond funded project, then the governing body of each local government must meet the requirements of this paragraph.

(b) The governing body of a local government may choose to submit the question directly to the local voters without consideration of a resolution by the governing body.

(c) Any entity, except a state agency as defined in section 13.02, subdivision 17, that is required to contribute nonstate money to a project funded in this act, must certify to the commissioner of finance that at least 80 percent of the required amount of nonstate money has been spent before the commissioner of finance may release state funds appropriated to the project.

Sec. 32. [16A.504] [COMMISSIONER, ARCHITECT ASSURANCES.]

Before releasing state bond proceeds or entering into a grant agreement for construction grants for projects funded with general obligation bonds, the commissioner of finance must work with the state architect to be assured that the project can be delivered for the lowest cost possible and that the project will follow applicable state or local laws.

Sec. 33. Minnesota Statutes 2002, section 16A.671, subdivision 3, is amended to read:

Subd. 3. [DEFINITIONS.] As used in this section, the terms defined in this subdivision have the meanings given them:
(a) "General fund" means all cash and investments from time to time received and held in the treasury, except proceeds of state bonds and amounts received and held in special or dedicated funds created by the Constitution, or by or pursuant to federal laws or regulations, or by bond or trust instruments, pension contracts, or other agreements of the state or its agencies with private persons, entered into under state law.

(b) "Maximum current cash flow requirement" means the commissioner's written estimate of the largest of the amounts by which, on a particular designated date in each month of the term for which certificates are to be issued, the sum of (1) the warrants then outstanding against the general fund plus (2) those that must be drawn on the fund before the same date in the following month, in payment of claims due under any appropriations and allotments, will exceed the amount of cash or cash equivalent assets held in the general fund on the first of those dates an amount equal to five percent of the actual working capital expenditures from the general fund in the fiscal year immediately preceding the date of the largest of such amounts, will exceed the amount of cash or cash equivalent assets held in the general fund, excluding the proceeds of the certificates to be issued.

Sec. 34. [16A.693] [ATTENDANCE, SERVICE DATA POSTED.]

(a) Except as provided in paragraph (b), a state-bond financed project that receives bond funds after January 1, 2004, and also receives any public funds for operations and is open to or used by the public must post attendance or use data, if any, on its Web site each month. If available, the attendance or use data that must be posted includes the total number of persons, and the fare or entrance fees paid. This paragraph applies to commuter rail, light rail transit, museums, state or county historical sites, zoos, parks and recreation lands and facilities, conservatories, aquariums, civic centers, convention centers, and sports or entertainment facilities.

(b) Paragraph (a) does not apply to state bond financed facilities that provide general government services or education, including offices, laboratories, school buildings, city halls, county courthouses, or the State Capitol.

Sec. 35. Minnesota Statutes 2002, section 16A.695, is amended by adding a subdivision to read:

Subd. 2a. [NONPROFIT OPERATOR OF STATE BOND FINANCED FACILITY: BUDGET DATA TO BE POSTED ON WEB.] An entity that has entered into an agreement under this section after January 1, 2004, to manage or operate a state-bond financed facility must provide complete financial information to the governmental entity with which it has contracted. Financial information includes annual budget and financial data related to the project, and operating and capital revenue, expenditures, and debt of the entity and the project. The governmental entity must make the information available on the governmental entity's Web site.

Sec. 36. Minnesota Statutes 2002, section 16A.695, subdivision 3, is amended to read:

Subd. 3. [SALE OF PROPERTY.] A public officer or agency shall not sell any state bond financed property unless the public officer or agency determines by official action that the property is no longer usable or needed by the public officer or agency to carry out the governmental program for which it was acquired or constructed, the sale is made as authorized by law, the sale is made for fair market value, and the sale is approved by the commissioner. If any state bonds issued to purchase or better the state bond financed property that is sold remain outstanding on the date of sale, the net proceeds of sale must be applied as follows:

(1) if the state bond financed property was acquired and bettered solely with state bond proceeds, the net proceeds of sale must be paid to the commissioner, deposited in the state bond fund, and used to pay or redeem or defease the outstanding state bonds in accordance with the commissioner's order authorizing their issuance, and the proceeds are appropriated for this purpose; or

(2) if the state bond financed property was acquired or bettered partly with state bond proceeds and partly with other money, the net proceeds of sale must be used: first, to pay to the state the amount of state bond proceeds used to acquire or better the property; second, to pay in full any outstanding public or private debt incurred to acquire or better the property; and third, any excess over the amount needed for those purposes must be divided in proportion...
to the shares contributed to the acquisition or betterment of the property and paid to the interested public and private entities, other than any private lender already paid in full, and the proceeds are appropriated for this purpose. In calculating the share contributed by each entity, the amount to be attributed to the owner of the property shall be the fair market value of the property that was bettered by state bond proceeds at the time the betterment began.

When all of the net proceeds of sale have been applied as provided in this subdivision, this section no longer applies to the property.

Sec. 37. Minnesota Statutes 2002, section 41B.03, subdivision 3, is amended to read:

Subd. 3. [ELIGIBILITY FOR BEGINNING FARMER LOANS.] (a) In addition to the requirements under subdivision 1, a prospective borrower for a beginning farm loan in which the authority holds an interest, must:

(1) have sufficient education, training, or experience in the type of farming for which the loan is desired;

(2) have a total net worth, including assets and liabilities of the borrower's spouse and dependents, of less than $200,000 in 1991 and $350,000 in 2004 and an amount in subsequent years which is adjusted for inflation by multiplying that amount by the cumulative inflation rate as determined by the United States All-Items Consumer Price Index;

(3) demonstrate a need for the loan;

(4) demonstrate an ability to repay the loan;

(5) certify that the agricultural land to be purchased will be used by the borrower for agricultural purposes;

(6) certify that farming will be the principal occupation of the borrower;

(7) agree to participate in a farm management program approved by the commissioner of agriculture for at least the first three years of the loan, if an approved program is available within 45 miles from the borrower's residence. The commissioner may waive this requirement for any of the programs administered by the authority if the participant requests a waiver and has either a four-year degree in an agricultural program or certification as an adult farm management instructor; and

(8) agree to file an approved soil and water conservation plan with the Soil Conservation Service office in the county where the land is located.

(b) If a borrower fails to participate under paragraph (a), clause (7), the borrower is subject to penalty as determined by the authority.

Sec. 38. Minnesota Statutes 2002, section 41B.039, subdivision 2, is amended to read:

Subd. 2. [STATE PARTICIPATION.] The state may participate in a new real estate loan with an eligible lender to a beginning farmer to the extent of 45 percent of the principal amount of the loan or $125,000, whichever is less. The interest rates and repayment terms of the authority's participation interest may be different than the interest rates and repayment terms of the lender's retained portion of the loan.

Sec. 39. Minnesota Statutes 2002, section 41B.04, subdivision 8, is amended to read:

Subd. 8. [STATE'S PARTICIPATION.] With respect to loans that are eligible for restructuring under sections 41B.01 to 41B.23 and upon acceptance by the authority, the authority shall enter into a participation agreement or other financial arrangement whereby it shall participate in a restructured loan to the extent of 45 percent of the
primary principal or $150,000 $225,000, whichever is less. The authority's portion of the loan must be protected
during the authority's participation by the first mortgage held by the eligible lender to the extent of its participation
in the loan.

Sec. 40. Minnesota Statutes 2002, section 41B.042, subdivision 4, is amended to read:

Subd. 4. [PARTICIPATION LIMIT; INTEREST.] The authority may participate in new seller-sponsored loans
to the extent of 45 percent of the principal amount of the loan or $125,000 $200,000, whichever is less. The interest
rates and repayment terms of the authority's participation interest may be different than the interest rates and
repayment terms of the seller's retained portion of the loan.

Sec. 41. Minnesota Statutes 2002, section 41B.043, subdivision 1b, is amended to read:

Subd. 1b. [LOAN PARTICIPATION.] The authority may participate in an agricultural improvement loan with
an eligible lender to a farmer who meets the requirements of section 41B.03, subdivision 1, clauses (1) and (2), and
who is actively engaged in farming. Participation is limited to 45 percent of the principal amount of the loan or
$125,000 $200,000, whichever is less. The interest rates and repayment terms of the authority's participation
interest may be different than the interest rates and repayment terms of the lender's retained portion of the loan.

Sec. 42. Minnesota Statutes 2002, section 41B.043, is amended by adding a subdivision to read:

Subd. 5. [TOTAL NET WORTH LIMIT.] A prospective borrower for an agricultural improvement loan in
which the authority holds an interest must have a total net worth, including assets and liabilities of the borrower's
spouse and dependents, of less than $350,000 in 2004 and an amount in subsequent years which is adjusted for
inflation by multiplying that amount by the cumulative inflation rate as determined by the United States All-Items
Consumer Price Index.

Sec. 43. Minnesota Statutes 2002, section 41B.045, subdivision 2, is amended to read:

Subd. 2. [LOAN PARTICIPATION.] The authority may participate in a livestock expansion loan with an
eligible lender to a livestock farmer who meets the requirements of section 41B.03, subdivision 1, clauses (1) and
(2), and who are actively engaged in a livestock operation. A prospective borrower must have a total net worth,
including assets and liabilities of the borrower's spouse and dependents, of less than $400,000 in 1999 and an
amount in subsequent years which is adjusted for inflation by multiplying $400,000 by the cumulative inflation rate
as determined by the United States All-Items Consumer Price Index.

Participation is limited to 45 percent of the principal amount of the loan or $250,000 $275,000, whichever is
less. The interest rates and repayment terms of the authority's participation interest may be different from the
interest rates and repayment terms of the lender's retained portion of the loan.

Sec. 44. Minnesota Statutes 2002, section 41B.046, subdivision 5, is amended to read:

Subd. 5. [LOANS.] (a) The authority may participate in a stock loan with an eligible lender to a farmer who is
eligible under subdivision 4. Participation is limited to 45 percent of the principal amount of the loan or $24,000
$40,000, whichever is less. The interest rates and repayment terms of the authority's participation interest may differ
from the interest rates and repayment terms of the lender's retained portion of the loan, but the authority's interest
rate must not exceed 50 percent of the lender's interest rate.

(b) No more than 95 percent of the purchase price of the stock may be financed under this program.
(c) Security for stock loans must be the stock purchased, a personal note executed by the borrower, and whatever other security is required by the eligible lender or the authority.

(d) The authority may impose a reasonable nonrefundable application fee for each application for a stock loan. The authority may review the fee annually and make adjustments as necessary. The application fee is initially $50. Application fees received by the authority must be deposited in the value-added agricultural product revolving fund.

(e) Stock loans under this program will be made using money in the value-added agricultural product revolving fund established under subdivision 3.

(f) The authority may not grant stock loans in a cumulative amount exceeding $2,000,000 for the financing of stock purchases in any one cooperative.

Sec. 45. Minnesota Statutes 2002, section 41C.02, subdivision 12, is amended to read:

Subd. 12. [LOW OR MODERATE NET WORTH.] "Low or moderate net worth" means:

(1) for an individual, an aggregate net worth of the individual and the individual's spouse and minor children of less than $200,000 in 1991 $350,000 in 2004 and an amount in subsequent years which is adjusted for inflation by multiplying $200,000 that amount by the cumulative inflation rate as determined by the United States All-Items Consumer Price Index; or

(2) for a partnership, an aggregate net worth of all partners, including each partner's net capital in the partnership, and each partner's spouse and minor children of less than $400,000 in 1991 and an amount in subsequent years which is adjusted for inflation by multiplying $400,000 by the cumulative inflation rate as determined by the United States All-Items Consumer Price Index twice the amount set for an individual in clause (1). However, the aggregate net worth of each partner and that partner's spouse and minor children may not exceed $200,000 in 1991 and an amount in subsequent years which is adjusted for inflation by multiplying $200,000 by the cumulative inflation rate as determined by the United States All-Items Consumer Price Index the amount set for an individual in clause (1).

Sec. 46. Minnesota Statutes 2002, section 116J.571, is amended to read:

116J.571 [CREATION OF ACCOUNTS.]

Two greater Minnesota redevelopment accounts are created, one in the general fund and one in the bond proceeds fund. Money in the accounts may be used to make grants as provided in section 116J.575. Money in the bond proceeds fund may only be used for eligible costs for publicly owned property. Money in the general fund may be used to pay for the commissioner's costs in reviewing the applications.

Sec. 47. Minnesota Statutes 2002, section 116J.572, subdivision 2, is amended to read:

Subd. 2. [DEVELOPMENT AUTHORITY.] "Development authority" includes a statutory or home rule charter city, county, housing and redevelopment authority, economic development authority, or port authority located outside the seven-county metropolitan area, as defined in section 473.121, subdivision 2.

Sec. 48. Minnesota Statutes 2002, section 116J.573, subdivision 1, is amended to read:

Subdivision 1. [ACCOUNTS.] Criteria for use of the accounts created in section 116J.571 must be consistent with and promote the purposes of sections 116J.571 to 116J.575. They include, but are not limited to:

(1) creating and preserving living wage jobs in greater Minnesota;
(2) creating incentives for communities to include a full range of housing opportunities;

(3) creating incentives for all communities to implement compact, efficient, and mixed-use development; and

(4) creating incentives to assist communities in maintaining a unique sense of place by preserving local, cultural assets.

Sec. 49. Minnesota Statutes 2002, section 116J.573, subdivision 2, is amended to read:

Subd. 2. [PROJECTS.] To be eligible for funding by the greater Minnesota redevelopment account, a project must:

(1) interrelate redevelopment with other public investments in transportation, housing, schools, energy, utilities information infrastructure, and other public services;

(2) interrelate affordable housing and employment growth areas;

(3) intensify land use that leads to more compact redevelopment;

(4) involve redevelopment that mixes incomes of residents in housing, including introducing or reintroducing higher value housing in lower income areas to achieve a mix of housing opportunities;

(5) involve participation from citizens and the business community in the planning and development of the proposed redevelopment plan;

(6) encourage public infrastructure investments which attract private sector redevelopment investment in commercial, industrial, and residential properties adjacent to public improvements, and provide project area residents with expanded opportunities for private sector employment; or

(7) be sustainable at the local level and reduce the probability of future requests for state development, maintenance, or replacement assistance.

Sec. 50. Minnesota Statutes 2002, section 116J.573, subdivision 4, is amended to read:

Subd. 4. [PARTNERSHIPS.] The commissioner shall give priority to proposals using innovative financial partnerships between government, private for-profit, and nonprofit sectors as well as to proposals that meet current tax increment financing requirements for a redevelopment district and contribute tax increment financing towards the project.

Sec. 51. Minnesota Statutes 2002, section 116J.573, subdivision 5, is amended to read:

Subd. 5. [ANNUAL REPORT.] The commissioner shall prepare and submit to the legislature an annual report on the greater Minnesota redevelopment account. The report must include information on the amount of money in the account, the amount distributed, to whom the grants were distributed and for what purposes, and an evaluation of the effectiveness of the projects funded in meeting the policies and goals of the program.

Sec. 52. Minnesota Statutes 2002, section 116J.575, subdivision 1, is amended to read:

Subdivision 1. [COMMISSIONER DISCRETION.] The commissioner may make a grant for up to 50 percent of the eligible costs of a project. The commissioner shall, in each grant cycle, make grants so that 50 percent of the dollar value of grants for that cycle are for projects located outside of the seven-county metropolitan area as defined
in section 473.121, subdivision 2, and 50 percent are for projects located within the seven-county metropolitan area. This allocation of grant funds does not apply for any grant cycle in which the applications received by the application deadline are insufficient to permit the equal division of grants between metropolitan and nonmetropolitan projects. The determination of whether to make a grant for a site is within the discretion of the commissioner, subject to this section and sections 116J.571 to 116J.574 and available unencumbered money in the greater Minnesota redevelopment account. The commissioner's decisions and application of the priorities under this section are not subject to judicial review, except for abuse of discretion.

Sec. 53. Minnesota Statutes 2002, section 116P.08, subdivision 2, is amended to read:

Subd. 2. [EXCEPTIONS.] Money from the trust fund may not be spent for:

(1) purposes of environmental compensation and liability under chapter 115B and response actions under chapter 115C;

(2) purposes of municipal water pollution control under the authority of chapters 115 and 116;

(3) costs associated with the decommissioning of nuclear power plants;

(4) hazardous waste disposal facilities;

(5) solid waste disposal facilities; or

(6) projects or purposes inconsistent with the strategic plan.

Sec. 54. Minnesota Statutes 2002, section 136F.60, is amended by adding a subdivision to read:

Subd. 5. [DISPOSITION OF SURPLUS PROPERTY.] (a) The board may declare state lands under its control that are no longer needed by the Minnesota State Colleges and Universities system to be surplus and may offer them for public sale in a manner consistent with the procedures set forth in sections 94.10 to 94.14 for disposition of state lands by the commissioner of administration. The parcels must not be exchanged or transferred for no or nominal consideration.

(b) Proceeds from the sale or disposition of land under this subdivision, after paying all expenses incurred in selling or disposing of the land and then paying any amounts due under section 16A.695, shall be appropriated to the board for use for capital projects at the institution which was responsible for management of the land.

Sec. 55. Minnesota Statutes 2002, section 446A.12, subdivision 1, is amended to read:

Subdivision 1. [BONDING AUTHORITY.] The authority may issue negotiable bonds in a principal amount that the authority determines necessary to provide sufficient funds for achieving its purposes, including the making of loans and purchase of securities, the payment of interest on bonds of the authority, the establishment of reserves to secure its bonds, the payment of fees to a third party providing credit enhancement, and the payment of all other expenditures of the authority incident to and necessary or convenient to carry out its corporate purposes and powers, but not including the making of grants. Bonds of the authority may be issued as bonds or notes or in any other form authorized by law. The principal amount of bonds issued and outstanding under this section at any time may not exceed $1,000,000,000 $1,250,000,000, excluding bonds for which refunding bonds or crossover refunding bonds have been issued.
Sec. 56. Minnesota Statutes 2002, section 446A.14, is amended to read:

446A.14 [INTEREST EXCHANGES RATE SWAPS AND OTHER AGREEMENTS.]

The authority may enter into an agreement with a third party for an exchange of interest rates under this subdivision. With respect to outstanding obligations bearing interest at a variable rate, the authority may agree to pay sums equal to interest at a fixed rate or at a different variable rate determined in accordance with a formula set out in the agreement on an amount not exceeding the outstanding principal amount of the obligations, in exchange for an agreement by the third party to pay sums equal to interest on a similar amount at a variable rate determined according to a formula set out in the agreement. With respect to outstanding obligations bearing interest at a fixed rate or rates, the authority may agree to pay sums equal to interest at a variable rate determined according to a formula set out in the agreement on an amount not exceeding the outstanding principal amount of the obligations in exchange for an agreement by the third party to pay sums equal to interest on a similar amount at a fixed rate or rates set out in the agreement. Subject to any applicable bonds covenants, payments required to be made by the municipality under the swap agreement may be made from amounts secured to pay debt service on the obligations with respect to which the swap agreement was made from any other available source of the authority. Subdivision 1. [AGREEMENTS.] (a) The authority may enter into interest rate exchange or swap agreements, hedges, forward purchase or sale agreements, loan sale or pooling agreements or trusts, or other similar agreements in connection with:

1. the issuance or proposed issuance of bonds;
2. the making, proposed making, or sale of loans or other financial assistance or investments;
3. outstanding bonds, loans, or other financial assistance; or
4. existing similar agreements.

(b) The agreements authorized by this subdivision include, without limitation, master agreements, options or contracts to enter into such agreements in the future and related agreements, including, without limitation, agreements to provide credit enhancement, liquidity, or remarketing; valuation; monitoring; or administrative services currently or in the future. However, the term of an option to enter into an interest rate swap, exchange, hedge, or other similar agreement and the term of a contract to sell, buy, or refund bonds in the future must not exceed five years and the authorization of the authority to enter into option agreements with respect to interest rate swap agreements expires on December 31, 2008; provided that such option agreements entered into prior to that date remain valid agreements of the authority after that date.

(c) The agreements authorized by this subdivision or supplements to master agreements may be entered into on the basis of negotiation with a qualified third party or through a competitive proposal process on terms and conditions and with covenants and provisions approved by the authority and may include, without limitation:

1. provisions establishing reserves;
2. pledging assets or revenues of the authority for current or other payments or termination payments;
3. contracting with the other parties to such agreements as to the custody, collection, securing, investment, and payment of money of the authority or money held in trust; or
4. requiring the issuance of bonds or entering into loans or other agreements authorized by this subdivision in the future.
(d) Subject to the terms of the agreement and other agreements of the authority with bondholders or other third parties, the agreements authorized by this subdivision may be general or limited obligations of the authority payable from all available or certain specified funds appropriated to the authority. The agreements authorized by this subdivision do not constitute debt of the authority for the purposes of the limits on bonds or notes of the authority set forth in section 446A.12, subdivision 1.

(e) The authority may issue bonds to provide funds to make payments, including, without limitation, termination payments pursuant to an agreement authorized by this subdivision.

(f) The aggregate notional amount of interest rate swap or exchange agreements in effect at any time must not exceed an amount equal to ten percent of the aggregate principal amount of bonds the authority is authorized to have outstanding pursuant to section 446A.12, subdivision 1, including the notional amount of interest rate swap or exchange agreements with respect to which a reversing agreement has been entered into, the effect of which is to terminate the original agreement or a portion thereof, and reversing agreements with respect to all or a portion of existing agreements.

(g) For the purposes of this section, the following terms have the following meanings unless the context clearly requires otherwise:

1. "agreement to provide remarketing" means an agreement with a third party to provide the service, as agent of the authority, of marketing bonds or other outstanding obligations where the bonds are subject to tender to the authority for purchase by the authority;

2. "credit enhancement" means additional third-party security or sources of repayment for obligations of another party, and may include, without limitation, guaranties, insurance, letters of credit, lines of credit, standby bond purchase agreements, or agreements pledging collateral;

3. "hedge" means an agreement entered into with a third party for the purpose of trying to limit, offset, or compensate for possible losses, expenses, or outcomes, in whole or in part, from particular actions, agreements, or obligations;

4. "interest rate swap agreement" or "interest rate exchange agreement" means an agreement between two or more parties where two or more parties agree to pay to each other, for a stated period of time, interest on a stated amount at different rates, or rates calculated on a different basis, which agreement does not include the borrowing of money or the obligation to pay the stated amount, and may include, without limitation, agreements where one party agrees to pay a fixed rate and the other agrees to pay a variable rate, or where one party agrees to pay a variable rate determined in one manner and the other party agrees to pay a variable rate determined in another manner;

5. "liquidity" means a form of credit enhancement entered into for the purpose of providing money on demand or within a specified period of time to meet obligations which may arise and be payable, for which a party determines that it is not desirable, practicable, or possible to keep funds or readily saleable short-term investments available at all times such obligations to pay may arise or in the full amount of the potential obligation; and

6. "master agreement" means any agreement pursuant to which one or more separate interest rate swaps, transactions, or other agreements may be entered into from time to time or pursuant to which separately stated terms and conditions intended to cover multiple transactions or agreements are set forth.

Subd. 2. [POWERS OF AUTHORITY.] For the purposes of this section, the authority may exercise all powers provided in this chapter. The authority may consent, whenever it considers it necessary or desirable in connection with agreements entered into under this subdivision, to modifications, amendments, or waivers of the terms of such
agreements. The proceeds of any agreements entered into pursuant to this subdivision are appropriated to the authority pursuant to section 446A.11, subdivision 13. The agreements entered into pursuant to this subdivision are not subject to sections 16C.03, subdivision 4, and 16C.05.

Sec. 57. Minnesota Statutes 2002, section 446A.17, is amended to read:

446A.17 [NONLIABILITY.]

Subdivision 1. [NONLIABILITY OF INDIVIDUALS.] No member of the authority or other person executing the bonds, loans, interest rate swaps, or other agreements or contracts of the authority is liable personally on the bonds, such bonds, loans, interest rate swaps, or other agreements or contracts of the authority or is subject to any personal liability or accountability by reason of their issuance, execution, delivery, or performance.

Subd. 2. [NONLIABILITY OF STATE.] The state is not liable on bonds, loans, interest rate swaps, or other agreements or contracts of the authority issued or entered into under this chapter and those bonds, such bonds, loans, interest rate swaps, or other agreements or contracts of the authority are not a debt of the state. The bonds, such bonds, loans, interest rate swaps, or other agreements or contracts of the authority must contain on their face a statement to that effect.

Sec. 58. Minnesota Statutes 2002, section 446A.19, is amended to read:

446A.19 [STATE PLEDGE AGAINST IMPAIRMENT OF CONTRACTS.]

The state pledges and agrees with the holders of bonds issued under sections 446A.051, and 446A.12 to 446A.20 or other parties to any loans, interest rate swaps, or other agreements or contracts of the authority that the state will not limit or alter the rights vested in the authority to fulfill the terms of any agreements made with the bondholders or parties to any loans, interest rate swaps, or other agreements or contracts of the authority or in any way impair the rights and remedies of the holders until the bonds, together with interest on them, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of the bondholders, are fully met and discharged or, with respect to any loans, interest rate swaps, or other agreements or contracts of the authority, such agreements have been fully performed by the authority or otherwise terminated or discharged. The authority may include this pledge and agreement of the state in any agreement with the holders of bonds issued under sections 446A.051, and 446A.12 to 446A.20 or in any loans, interest rate swaps, or other agreements or contracts of the authority.

Sec. 59. Laws 1998, chapter 404, section 23, subdivision 17, as amended by Laws 1999, chapter 20, section 1, is amended to read:

Subd. 17. Paramount Arts District Regional Arts Center

(a) To the commissioner of administration for a grant to the city of St. Cloud Housing and Redevelopment Authority to construct, furnish, and equip the Paramount Arts District Regional Arts Center, subject to Minnesota Statutes, section 16A.695. This appropriation is not available until the commissioner has determined that the necessary additional financing to complete at least a $5,400,000 project has been committed by nonstate sources.

(b) The Housing and Redevelopment Authority must effect the transfer as otherwise required or permitted by law. Once the transfer is effected, the city is the successor to the Housing and Redevelopment Authority for the purposes of the grant and Minnesota Statutes, section 16A.695.
Sec. 60. Laws 2002, chapter 393, section 19, subdivision 2, is amended to read:

Subd. 2. Northwest Busway

To design and construct a portion of a busway in the northwest metropolitan area between downtown Minneapolis and Rogers. Funds may be used to design all or a portion of the busway from downtown Minneapolis to Rogers along CSAH 81; to design, construct, and equip up to 19 stations, including 36 passenger shelters in Minneapolis, Robbinsdale, and Crystal as well as at Hennepin Technical College and North Hennepin Community College located in Brooklyn Park; to acquire necessary rights-of-way in Minneapolis, Robbinsdale, Crystal, and Brooklyn Park to accommodate station and park and ride locations, and adjacent to CSAH 81 between Highway 100 and Brooklyn Boulevard to accommodate queue jump lanes for buses; to design and construct two park and ride facilities adjacent to CSAH 81 at its intersections with 63rd Avenue North and with Brooklyn Boulevard; and to design and construct queue jump lanes between Highway 100 and Brooklyn Boulevard. This appropriation is contingent on $12,000,000 from Hennepin County for roadway design, property acquisition, and road construction between Lowry Avenue in Minneapolis and Bass Lake Road in Crystal and $5,000,000 from the Metropolitan Council for the project fleet acquisition and station equipment. Total funding from all sources may be used for roadway design, reconstruction, acquisition of land and right-of-way, and to design, construct, furnish, and equip transit stations and park and rides. To implement this project, the Metropolitan Council has the powers that Hennepin County has to use design-build under new Minnesota Statutes, sections 383B.158 to 383B.1586, may be used for implementing this project.

Sec. 61. [MAXIMUM EFFORT CAPITAL LOAN FORGIVEN; EAST CENTRAL.]

Subdivision 1. [SALE REQUIREMENTS.] Independent School District No. 2580, East Central, may sell its middle school building in accordance with Minnesota Statutes, section 16A.695. The net proceeds from the sale of the property must be paid to the commissioner of finance and deposited in the state bond fund.

Subd. 2. [OUTSTANDING LOAN BALANCE FORGIVEN.] Any remaining outstanding balance on the maximum effort capital loan issued in January 1982 to former Independent School District No. 566, Askov, after the application of the sale proceeds according to subdivision 1, is forgiven.

Sec. 62. [DNR; PLAN FOR LAND MANAGEMENT.]

The commissioner of natural resources must prepare a plan for development of a comprehensive land management plan by January 15, 2005, and submit it to the chairs of the committees in the house and senate with jurisdiction over environmental policy and finance, and capital investment.
Sec. 63. [STILLWATER LEVEE FLOOD CONTROL PROJECT.]

Notwithstanding the grant expiration date of June 30, 2002, the commissioner of natural resources shall extend until June 30, 2006, the expiration date of a grant made to the city of Stillwater under Minnesota Statutes, section 103F.161, and matching certain federal appropriations for flood hazard mitigation.

Sec. 64. [RELEASE FUNDS FOR RICE STREET BRIDGE OVER I-694.]

The commissioner of transportation must release by December 31, 2004, the $7,500,000 for the Rice Street bridge over I-694 in Ramsey County, committed by the Department of Transportation in a memorandum of understanding between the department and Ramsey County.

Sec. 65. [OUTDOOR LIGHTING PURCHASE.]

All purchasing of outdoor lighting fixtures using funds appropriated under this act must give consideration to maximizing energy conservation and savings, reducing glare, minimizing light pollution, and preserving the natural night environment.

Sec. 66. [MINNESOTA ZOO MARINE CENTER DEBT SERVICE.]

Beginning in fiscal year 2005, the Minnesota Zoological Garden is not required to pay any of the debt service costs on bonds sold for the Marine Education Center authorized in Laws 1994, chapter 643, section 27, subdivision 2, as amended by Laws 1996, chapter 463, section 54.

Sec. 67. [UNIVERSITY OF MINNESOTA; DULUTH PARKING.]

The Board of Regents of the University of Minnesota is encouraged to expand the parking facilities at the University of Minnesota, Duluth campus through the purchase of land and property from willing sellers.

Sec. 68. [REPEALER.]

Minnesota Statutes 2002, section 16B.325, is repealed.

Sec. 69. [EFFECTIVE DATE.]

Except as otherwise provided, this article is effective the day following final enactment.

ARTICLE 2

ADJUSTMENT OF GENERAL OBLIGATION BOND AUTHORIZATIONS

Section 1. [TABLE OF ORIGINAL AND ADJUSTED AUTHORIZATIONS.]

Column A lists the citation to each law authorizing general obligation bonds since Laws 1983, chapter 323, section 6, to which a further adjustment is being made in this section.

The original authorization amount in each law is shown in column B opposite the citation of the law it appears in.

The original authorization amount in column B is hereby adjusted to the amount shown in column C. The adjustments resulting in the column C amount reflect specific changes to an authorization in law, executive vetoes sustained or not challenged, administrative action reflecting cancellation and abandonment of all or the unused balance from specific projects for which the proceeds of authorized bonds were intended to be used, and other action...
pursuant to law resulting in the adjusted authorizations shown in column C. The amounts shown in column C are validated as the lawful adjusted authorization for the cited law as of April 1, 2004, for all purposes for which the authorization is required or used.
