Subdivision 1. [REPAYMENT OBLIGATION.] A person must repay the amount of the tax reduction received under section 469.324, subdivision 1, clauses (1) and (2), or a refund received under section 469.325, during the two years immediately before it ceased to operate in the zone, if the person ceased to operate its facility located within the zone or otherwise ceases to be or is not a qualified business.

Subd. 2. [DISPOSITION OF REPAYMENT.] The repayment must be paid to the state to the extent it represents a state tax reduction and to the county to the extent it represents a property tax reduction. Any amount repaid to the state must be deposited in the general fund. Any amount repaid to the county for the property tax exemption must be distributed to the local governments with authority to levy taxes in the zone in the same manner provided for distribution of payment of delinquent property taxes. Any repayment of local sales or use taxes must be repaid to the jurisdiction imposing the local sales or use tax.

Subd. 3. [REPAYMENT PROCEDURES.] (a) For the repayment of taxes imposed under chapter 290 or 297A or local taxes collected under section 297A.99, a person must file an amended return with the commissioner of revenue and pay any taxes required to be repaid within 30 days after ceasing to be a qualified business. The amount required to be repaid is determined by calculating the tax for the period for which repayment is required without regard to the tax reductions allowed under section 469.324.
(b) For the repayment of property taxes, the county auditor shall prepare a tax statement for the person, applying the applicable tax extension rates for each payable year and provide a copy to the business. The person must pay the taxes to the county treasurer within 30 days after receipt of the tax statement. The taxpayer may appeal the valuation and determination of the property tax to the tax court within 30 days after receipt of the tax statement.

(c) The provisions of chapters 270 and 289A relating to the commissioner of revenue’s authority to audit, assess, and collect the tax and to hear appeals apply to the repayment required under paragraph (a). The commissioner may impose civil penalties as provided in chapter 289A, and the additional tax and penalties are subject to interest at the rate provided in section 270.75, from 30 days after ceasing to do business in the zone until the date the tax is paid.

(d) If a property tax is not repaid under paragraph (b), the county treasurer shall add the amount required to be repaid to the property taxes assessed against the property for payment in the year following the year in which the treasurer discovers that the person ceased to operate in the international economic development zone.

(e) For determining the tax required to be repaid, a tax reduction is deemed to have been received on the date that the tax would have been due if the person had not been entitled to the tax reduction.

(f) The commissioner of revenue may assess the repayment of taxes under paragraph (c) at any time within two years after the person ceases to operate a qualified business, or within any period of limitations for the assessment of tax under section 289A.38, whichever is later.

Subd. 4. [WAIVER AUTHORITY.] The commissioner may waive all or part of a repayment, if the commissioner of revenue, in consultation with the foreign trade zone authority and appropriate officials from the state and local government units, determines that requiring repayment of the tax is not in the best interest of the state or local government and the business ceased operating as a result of circumstances beyond its control, including, but not limited to:

(1) a natural disaster;

(2) unforeseen industry trends; or

(3) loss of a major supplier or customer.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 11. [469.327] [REPORTING REQUIREMENTS.]

Before designation of an international economic development zone under section 469.322, the foreign trade zone authority shall establish performance goals for the zone. These goals must set out, at a minimum, the amount of investment, the number of jobs, and the amount of freight handled expected to be attained at the end of three, five, and 10 year periods by the zone. The authority must annually report to the commissioner of the Department of Employment and Economic Development on its progress in attaining these goals.

Subd. 19a. [ADDITIONS TO FEDERAL TAXABLE INCOME.] For individuals, estates, and trusts, there shall be added to federal taxable income:

(1)(i) interest income on obligations of any state other than Minnesota or a political or governmental subdivision, municipality, or governmental agency or instrumentality of any state other than Minnesota exempt from federal income taxes under the Internal Revenue Code or any other federal statute; and

(ii) exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue Code, except the portion of the exempt-interest dividends derived from interest income on obligations of the state of Minnesota or its political or governmental subdivisions, municipalities, governmental agencies or instrumentalities, but only if the portion of the exempt-interest dividends from such Minnesota sources paid to all shareholders represents 95 percent or more of the exempt-interest dividends that are paid by the regulated investment company as defined in section 851(a) of the Internal Revenue Code, or the fund of the regulated investment company as defined in section 851(g) of the Internal Revenue Code, making the payment; and

(iii) for the purposes of items (i) and (ii), interest on obligations of an Indian tribal government described in section 7871(c) of the Internal Revenue Code shall be treated as interest income on obligations of the state in which the tribe is located;

(2) the amount of income taxes paid or accrued within the taxable year under this chapter and income taxes paid to any other state or to any province or territory of Canada, to the extent allowed as a deduction under section 63(d) of the Internal Revenue Code, but the addition may not be more than the amount by which the itemized deductions as allowed under section 63(d) of the Internal Revenue Code exceeds the amount of the standard deduction as defined in section 63(c) of the Internal Revenue Code. For the purpose of this paragraph, the disallowance of itemized deductions under section 68 of the Internal Revenue Code of 1986, income tax is the last itemized deduction disallowed;

(3) the capital gain amount of a lump sum distribution to which the special tax under section 1122(h)(3)(B)(ii) of the Tax Reform Act of 1986, Public Law 99-514, applies;

(4) the amount of income taxes paid or accrued within the taxable year under this chapter and income taxes paid to any other state or any province or territory of Canada, to the extent allowed as a deduction in determining federal adjusted gross income. For the purpose of this paragraph, income taxes do not include the taxes imposed by sections 290.0922, subdivision 1, paragraph (b), 290.9727, 290.9728, and 290.9729;

(5) the amount of expense, interest, or taxes disallowed pursuant to section 290.10;

(7) 80 percent of the depreciation deduction allowed under section 168(k) of the Internal Revenue Code. For purposes of this clause, if the taxpayer has an activity that in the taxable year generates a deduction for depreciation under section 168(k) and the activity generates a loss for the taxable year that the taxpayer is not allowed to claim for the taxable year, ”the depreciation allowed under section 168(k)” for the taxable year is limited to excess of the depreciation claimed by the activity under section 168(k) over the amount of the loss from the activity that is not allowed in the taxable year. In succeeding taxable years when the losses not allowed in the taxable year are allowed, the depreciation under section 168(k) is allowed.

(9) the deduction allowed under section 223 of the Internal Revenue Code for contributions to health savings accounts; and

(10) to the extent not included in federal taxable income, distributions from a health savings account that do not represent a return of contributions that were included in Minnesota gross income in the taxable year for which the contributions were made. In determining if the distribution represents a return of contributions and if the distribution is included in federal taxable income, the distribution is allocated as provided in subdivision 19b, clause (13).

[EFFECTIVE DATE.] This section is effective for taxable years beginning after December 31, 2003.

Sec. 4. Minnesota Statutes 2003 Supplement, section 290.01, subdivision 19b, is amended to read:

Subd. 19b. [SUBTRACTIONS FROM FEDERAL TAXABLE INCOME.] For individuals, estates, and trusts, there shall be subtracted from federal taxable income:

(1) interest income on obligations of any authority, commission, or instrumentality of the United States to the extent includable in taxable income for federal income tax purposes but exempt from state income tax under the laws of the United States;

(2) if included in federal taxable income, the amount of any overpayment of income tax to Minnesota or to any other state, for any previous taxable year, whether the amount is received as a refund or as a credit to another taxable year's income tax liability;

(3) the amount paid to others, less the amount used to claim the credit allowed under section 290.0674, not to exceed $1,625 for each qualifying child in grades kindergarten to 6 and $2,500 for each qualifying child in grades 7 to 12, for tuition, textbooks, and transportation of each qualifying child in attending an elementary or secondary school situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a resident of this state may legally fulfill the state's compulsory attendance laws, which is not operated for profit, and which adheres to the provisions of the Civil Rights Act of 1964 and chapter 363A. For the purposes of this clause, "tuition" includes fees or tuition as defined in section 290.0674, subdivision 1, clause (1). As used in this clause, "textbooks" includes books and other instructional materials and equipment purchased or leased for use in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. Equipment expenses qualifying for deduction includes expenses as defined and limited in section 290.0674, subdivision 1, clause (3). "Textbooks" does not include instructional books and materials used in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for, or transportation to, extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs. For purposes of the subtraction provided by this clause, "qualifying child" has the meaning given in section 32(c)(3) of the Internal Revenue Code;

(4) income as provided under section 290.0802;

(5) to the extent included in federal adjusted gross income, income realized on disposition of property exempt from tax under section 290.491;

(6) to the extent included in federal taxable income, postservice benefits for youth community service under section 124D.42 for volunteer service under United States Code, title 42, sections 12601 to 12604;
(7) to the extent not deducted in determining federal taxable income by an individual who does not itemize deductions for federal income tax purposes for the taxable year, an amount equal to 50 percent of the excess of charitable contributions allowable as a deduction for the taxable year under section 170(a) of the Internal Revenue Code over $500;

(8) for taxable years beginning before January 1, 2008, the amount of the federal small ethanol producer credit allowed under section 40(a)(3) of the Internal Revenue Code which is included in gross income under section 87 of the Internal Revenue Code;

(9) for individuals who are allowed a federal foreign tax credit for taxes that do not qualify for a credit under section 290.06, subdivision 22, an amount equal to the carryover of subnational foreign taxes for the taxable year, but not to exceed the total subnational foreign taxes reported in claiming the foreign tax credit. For purposes of this clause, "federal foreign tax credit" means the credit allowed under section 27 of the Internal Revenue Code, and "carryover of subnational foreign taxes" equals the carryover allowed under section 904(c) of the Internal Revenue Code minus national level foreign taxes to the extent they exceed the federal foreign tax credit;

(10) in each of the five tax years immediately following the tax year in which an addition is required under subdivision 19a, clause (7), an amount equal to one-fifth of the delayed depreciation. For purposes of this clause, "delayed depreciation" means the amount of the addition made by the taxpayer under subdivision 19a, clause (7), minus the positive value of any net operating loss under section 172 of the Internal Revenue Code generated for the tax year of the addition. The resulting delayed depreciation cannot be less than zero; and

(11) job opportunity building zone income as provided under section 469.316;

(12) to the extent included in federal taxable income, compensation paid to a service member as defined in United States Code, title 10, section 101(a)(5), for military service as defined in the Service Members Civil Relief Act, Public Law 108-189, section 101(2), performed by a nonresident. This subtraction does not apply to "retirement income" as defined in section 290.17, subdivision 2, paragraph (a), clause (3);

(13) to the extent included in federal taxable income, distributions from a health savings account that represent a return of contributions that were included in Minnesota gross income in the taxable year for which the contributions were made but were deducted or were not included in the computation of federal adjusted gross income. In determining if the distribution represents a return of contributions under this clause, the distribution shall be allocated first to return of contributions until the contributions included in Minnesota gross income have been exhausted. In determining if the distribution is included in federal taxable income, the distribution shall be allocated first to qualified medical expenses not included in the computation of federal adjusted gross income under section 223 of the Internal Revenue Code; and

(14) to the extent not included in federal taxable income, distributions from a health savings account to the extent the distributions, added to other medical expenses as defined in section 152 of the Internal Revenue Code, exceed the adjusted gross income threshold used in determining the medical expenses deduction in section 213 of the Internal Revenue Code. In determining the subtraction under this clause, distributions are counted last in calculating the total amount in excess of the adjusted gross income threshold.

[EFFECTIVE DATE.] This section is effective for tax years beginning after December 31, 2003, except clause (12) is effective for tax years beginning after December 31, 2002.

For purposes of this clause, if the taxpayer has an activity that in the taxable year generates a deduction for depreciation under section 168(k) and the activity generates a loss for the taxable year that the taxpayer is not allowed to claim for the taxable year, "the depreciation allowed under section 168(k)" for the taxable year is limited to excess of the depreciation claimed by the activity under section 168(k) over the amount of the loss from the activity that is not allowed in the taxable year. Subd. 2c. [SCHEDULES OF RATES FOR INDIVIDUALS, ESTATES, AND TRUSTS.] (a) The income taxes imposed by this chapter upon married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code must be computed by applying to their taxable net income the following schedule of rates:

(1) On the first $25,680, 5.35 percent;

(2) On all over $25,680, but not over $102,030, 7.05 percent;

(3) On all over $102,030, 7.85 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

(1) On the first $17,570, 5.35 percent;

(2) On all over $17,570, but not over $57,710, 7.05 percent;

If a corporation files a
separate company Minnesota tax return, the minimum tax must be computed on a separate company basis. If a corporation is part of a tax group filing a unitary return, the minimum tax must be computed on a unitary basis. The following adjustments must be made.

(1) For purposes of the depreciation adjustments under section 56(a)(1) and 56(g)(4)(A) of the Internal Revenue Code, the basis for depreciable property placed in service in a taxable year beginning before January 1, 1990, is the adjusted basis for federal income tax purposes, including any modification made in a taxable year under section 290.01, subdivision 19e, or Minnesota Statutes 1986, section 290.09, subdivision 7, paragraph (c).

For taxable years beginning after December 31, 2000, the amount of any remaining modification made under section 290.01, subdivision 19e, or Minnesota Statutes 1986, section 290.09, subdivision 7, paragraph (c), not previously deducted is a depreciation allowance in the first taxable year after December 31, 2000.

(2) The portion of the depreciation deduction allowed for federal income tax purposes under section 168(k) of the Internal Revenue Code that is required as an addition under section 290.01, subdivision 19c, clause (16), is disallowed in determining alternative minimum taxable income.

(3) The subtraction for depreciation allowed under section 290.01, subdivision 19d, clause (19), is allowed as a depreciation deduction in determining alternative minimum taxable income.

(4) The alternative tax net operating loss deduction under sections 56(a)(4) and 56(d) of the Internal Revenue Code does not apply.

(7) The tax preference for depletion under section 57(a)(1) of the Internal Revenue Code does not apply.

(8) The tax preference for intangible drilling costs under section 57(a)(2) of the Internal Revenue Code must be calculated without regard to subparagraph (E) and the subtraction under section 290.01, subdivision 19d, clause (4).

(9) The tax preference for tax exempt interest under section 57(a)(5) of the Internal Revenue Code does not apply.

(10) The tax preference for charitable contributions of appreciated property under section 57(a)(6) of the Internal Revenue Code does not apply.

(11) For purposes of calculating the tax preference for accelerated depreciation or amortization on certain property placed in service before January 1, 1987, under section 57(a)(7) of the Internal Revenue Code, the deduction allowable for the taxable year is the deduction allowed under section 290.01, subdivision 19e.

For taxable years beginning after December 31, 2000, the amount of any remaining modification made under section 290.01, subdivision 19e, not previously deducted is a depreciation or amortization allowance in the first taxable year after December 31, 2004.

(12) For purposes of calculating the adjustment for adjusted current earnings in section 56(g) of the Internal Revenue Code, the term "alternative minimum taxable income" as it is used in section 56(g) of the Internal Revenue Code, means alternative minimum taxable income as defined in this subdivision, determined without regard to the adjustment for adjusted current earnings in section 56(g) of the Internal Revenue Code.
(13) For purposes of determining the amount of adjusted current earnings under section 56(g)(3) of the Internal Revenue Code, no adjustment shall be made under section 56(g)(4) of the Internal Revenue Code with respect to (i) the amount of foreign dividend gross-up subtracted as provided in section 290.01, subdivision 19d, clause (1), (ii) the amount of refunds of income, excise, or franchise taxes subtracted as provided in section 290.01, subdivision 19d, clause (10), or (iii) the amount of royalties, fees or other like income subtracted as provided in section 290.01, subdivision 19d, clause (11).

DEPARTMENT OF REVENUE POLICY PROVISIONS

Section 1. Minnesota Statutes 2002, section 16D.10, is amended to read:

16D.10 [CASE REVIEWER.]

Subd. 1. [DUTIES.] The commissioner shall make a case reviewer available to debtors. The reviewer must be available to answer a debtor's questions concerning the collection process and to review the collection activity taken. If the reviewer reasonably believes that the particular action being taken is unreasonable or unfair, the reviewer may make recommendations to the commissioner in regard to the collection action.

Subd. 2. [AUTHORITY TO ISSUE DEBTOR ASSISTANCE ORDER.] On application filed by a debtor with the case reviewer, in the form, manner, and in the time prescribed by the commissioner, and after thorough investigation, the case reviewer may issue a debtor assistance order if, in the determination of the case reviewer, the manner in which the state debt collection laws are being administered is creating or will create an unjust and inequitable result for the debtor. Debtor assistance orders are governed by the provisions relating to taxpayer assistance orders under section 270.273.

Subd. 3. [TRANSFER OF DUTIES TO TAXPAYER RIGHTS ADVOCATE.] All duties and authority of the case reviewer under subdivisions 1 and 2 are transferred to the taxpayer rights advocate.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2002, section 270.02, subdivision 3, is amended to read:

Subd. 3. [POWERS, ORGANIZATION, ASSISTANTS.] Subject to the provisions of this chapter and other applicable laws the commissioner shall have power to organize the department with such divisions and other agencies as the commissioner deems necessary and to appoint one deputy commissioner, a department secretary, directors of divisions, and such other officers, employees, and agents as the commissioner may deem necessary to discharge the functions of the department, define the duties of such officers, employees, and agents, and delegate to them any of the commissioner's powers or duties, subject to the commissioner's control and under such conditions as
the commissioner may prescribe. Appointments to exercise delegated power to sign documents which require the signature of the commissioner or a delegate by law shall be by written order filed with the secretary of state. The delegations of authority granted by the commissioner remain in effect until revoked by the commissioner or a successor commissioner.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2003 Supplement, section 270.06, is amended to read:

270.06 [POWERS AND DUTIES.]

The commissioner of revenue shall:

(1) have and exercise general supervision over the administration of the assessment and taxation laws of the state, over assessors, town, county, and city boards of review and equalization, and all other assessing officers in the performance of their duties, to the end that all assessments of property be made relatively just and equal in compliance with the laws of the state;

(2) confer with, advise, and give the necessary instructions and directions to local assessors and local boards of review throughout the state as to their duties under the laws of the state;

(3) direct proceedings, actions, and prosecutions to be instituted to enforce the laws relating to the liability and punishment of public officers and officers and agents of corporations for failure or negligence to comply with the provisions of the laws of this state governing returns of assessment and taxation of property, and cause complaints to be made against local assessors, members of boards of equalization, members of boards of review, or any other assessing or taxing officer, to the proper authority, for their removal from office for misconduct or negligence of duty;

(4) require county attorneys to assist in the commencement of prosecutions in actions or proceedings for removal, forfeiture and punishment for violation of the laws of this state in respect to the assessment and taxation of property in their respective districts or counties;

(5) require town, city, county, and other public officers to report information as to the assessment of property, collection of taxes received from licenses and other sources, and such other information as may be needful in the work of the Department of Revenue, in such form and upon such blanks as the commissioner may prescribe;

(6) require individuals, copartnerships, companies, associations, and corporations to furnish information concerning their capital, funded or other debt, current assets and liabilities, earnings, operating expenses, taxes, as well as all other statements now required by law for taxation purposes;

(7) subpoena witnesses, at a time and place reasonable under the circumstances, to appear and give testimony, and to produce books, records, papers and documents for inspection and copying relating to any matter which the commissioner may have authority to investigate or determine;

(8) issue a subpoena which does not identify the person or persons with respect to whose liability the subpoena is issued, but only if (a) the subpoena relates to the investigation of a particular person or ascertainable group or class of persons, (b) there is a reasonable basis for believing that such person or group or class of persons may fail or may have failed to comply with any law administered by the commissioner, (c) the information sought to be obtained from the examination of the records (and the identity of the person or persons with respect to whose liability the subpoena is issued) is not readily available from other sources, (d) the subpoena is clear and specific as to the information sought to be obtained, and (e) the information sought to be obtained is limited solely to the scope of the
investigation. Provided further that the party served with a subpoena which does not identify the person or persons
with respect to whose tax liability the subpoena is issued shall have the right, within 20 days after service of the
subpoena, to petition the district court for the judicial district in which lies the county in which that party is located
for a determination as to whether the commissioner of revenue has complied with all the requirements in (a) to (e),
and thus, whether the subpoena is enforceable. If no such petition is made by the party served within the time
prescribed, the subpoena shall have the force and effect of a court order;

(9) cause the deposition of witnesses residing within or without the state, or absent therefrom, to be taken, upon
notice to the interested party, if any, in like manner that depositions of witnesses are taken in civil actions in the
district court, in any matter which the commissioner may have authority to investigate or determine;

(10) investigate the tax laws of other states and countries and to formulate and submit to the legislature such
legislation as the commissioner may deem expedient to prevent evasions of assessment and taxing laws, and secure
just and equal taxation and improvement in the system of assessment and taxation in this state;

(11) consult and confer with the governor upon the subject of taxation, the administration of the laws in regard
thereto, and the progress of the work of the Department of Revenue, and furnish the governor, from time to time,
such assistance and information as the governor may require relating to tax matters;

(12) transmit to the governor, on or before the third Monday in December of each even-numbered year, and to
each member of the legislature, on or before November 15 of each even-numbered year, the report of the
Department of Revenue for the preceding years, showing all the taxable property in the state and the value of the
same, in tabulated form;

(13) inquire into the methods of assessment and taxation and ascertain whether the assessors faithfully discharge
their duties, particularly as to their compliance with the laws requiring the assessment of all property not exempt
from taxation;

(14) administer and enforce the assessment and collection of state taxes and fees, including the use of any
remedy available to nongovernmental creditors, and, from time to time, make, publish, and distribute rules for the
administration and enforcement of laws administered by the commissioner and state tax laws. The rules have the
force of law;

(15) prepare blank forms for the returns required by state tax law and distribute them throughout the state,
furnishing them subject to charge on application;

(16) prescribe rules governing the qualification and practice of agents, attorneys, or other persons representing
taxpayers before the commissioner. The rules may require that those persons, agents, and attorneys show that they
are of good character and in good repute, have the necessary qualifications to give taxpayers valuable services, and
are otherwise competent to advise and assist taxpayers in the presentation of their case before being recognized as
representatives of taxpayers. After due notice and opportunity for hearing, the commissioner may suspend and bar
from further practice before the commissioner any person, agent, or attorney who is shown to be incompetent or
disreputable, who refuses to comply with the rules, or who with intent to defraud, willfully or knowingly deceives,
misleads, or threatens a taxpayer or prospective taxpayer, by words, circular, letter, or by advertisement. This clause
does not curtail the rights of individuals to appear in their own behalf or partners or corporations' officers to appear
in behalf of their respective partnerships or corporations;

(17) appoint agents as the commissioner considers necessary to make examinations and determinations. The
agents have the rights and powers conferred on the commissioner to subpoena, examine, and copy books, records,
papers, or memoranda, subpoena witnesses, administer oaths and affirmations, and take testimony. In addition to
administrative subpoenas of the commissioner and the agents, upon demand of the commissioner or an agent, the
court administrator of any district court shall issue a subpoena for the attendance of a witness or the production of books, papers, records, or memoranda before the agent for inspection and copying. Disobedience of a court administrator's subpoena shall be punished by the district court of the district in which the subpoena is issued, or in the case of a subpoena issued by the commissioner or an agent, by the district court of the district in which the party served with the subpoena is located, in the same manner as contempt of the district court;

(18) appoint and employ additional help, purchase supplies or materials, or incur other expenditures in the enforcement of state tax laws as considered necessary. The salaries of all agents and employees provided for in this chapter shall be fixed by the appointing authority, subject to the approval of the commissioner of administration;

(19) execute and administer any agreement with the secretary of the treasury of the United States or a representative of another state regarding the exchange of information and administration of the tax laws;

(20) authorize the use of unmarked motor vehicles to conduct seizures or criminal investigations pursuant to the commissioner's authority; and

(21) exercise other powers and perform other duties required of or imposed upon the commissioner of revenue by law; and

(22) negotiate with other member states as to the amount of the monetary allowance for sellers and certified service providers who purchase certified software for sales tax collection as described in the streamlined sales tax agreement.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 4. [270.0611] [SUFFICIENCY OF NOTICE OF DETERMINATION OR ACTION OF COMMISSIONER OF REVENUE.]

When a method of notification of a written determination or action of the commissioner is not specifically provided for by law, notice of the determination or action sent postage prepaid by United States mail to the taxpayer or other person affected by the determination or action at the taxpayer's or person's last known address is sufficient. If the taxpayer or person being notified is deceased or is under a legal disability, or if a corporation being notified has terminated its existence, notice to the last known address of the taxpayer, person, or corporation is sufficient, unless the department has been provided with a new address by a party authorized to receive notices from the commissioner.

[EFFECTIVE DATE.] This section is effective for notices sent on or after the day following final enactment.

Sec. 5. Minnesota Statutes 2002, section 270.69, subdivision 4, is amended to read:

[PERIOD OF LIMITATIONS.] The lien imposed by this section shall, notwithstanding any other provision of law to the contrary, be enforceable from the time the lien arises and for ten years from the date of filing the notice of lien, which must be filed by the commissioner within five years after the date of assessment of the tax or final administrative or judicial determination of the assessment. A notice of lien filed in one county may be transcribed to the secretary of state or to any other county within ten years after the date of its filing, but the transcription shall not extend the period during which the lien is enforceable. A notice of lien may be renewed by the commissioner before the expiration of the ten-year period for an additional ten years. The taxpayer must receive written notice of the renewal.

(b) For property to qualify for exemption under paragraph (a), the occupant must be a qualified business, as defined in section 469.330.

(c) The exemption applies beginning for the first assessment year after designation of the biotechnology and health sciences industry zone by the commissioner of employment and economic development. The exemption applies to each assessment year that begins during the duration of the biotechnology and health sciences industry zone and to property occupied by July 1 of the assessment year by a qualified business. This exemption does not apply to:

(1) a levy under section 475.61 or similar levy provisions under any other law to pay general obligation bonds; or

(2) a levy under section 126C.17, if the levy was approved by the voters before the designation of the biotechnology and health sciences industry zone.

(d) The exemption does not apply to taxes imposed by a city, town, or county, unless the governing body adopts a resolution granting the exemption. A city, town, or county may provide a complete property tax exemption, partial property tax exemption, or no property tax exemption to qualified businesses in the biotechnology and health sciences industry zone. "City" includes a statutory or home rule charter city.
(e) For property located in a tax increment financing district, the county shall not adjust the original net tax capacity of the district under section 469.177, subdivision 1, paragraph (a), upon the expiration of an exemption under this subdivision.

The return must conform to the requirements of section 290.311, and must include the names and addresses of the partners entitled to a distributive share in their taxable net income, gain, loss, or credit, and the amount of the distributive share to which each is entitled. A partnership required to file a return for a partnership taxable year must furnish a copy of the information required to be shown on the return to a person who is a partner at any time during the taxable year, on or before the day on which the return for the taxable year was filed. A partnership with more than 100 partners that is required to file a federal partnership return electronically under Code of Federal Regulations, title 26, section 301.6011-3 (2003), must also file the return due under this section electronically. If a return required to be filed electronically is filed on paper, the return is still valid but a penalty of $50 for each partner over 100 partners is imposed for failing to file electronically. The commissioner may waive the penalty if the partnership can demonstrate that filing the return electronically creates a hardship.

(b) The fiduciary of an estate or trust making the return required to be filed under section 289A.08, subdivision 2, for a taxable year must give a beneficiary who receives a distribution from the estate or trust with respect to the taxable year or to whom any item with respect to the taxable year is allocated, a statement containing the information required to be shown on the return, on or before the date on which the return was filed.

Sec. 10. Minnesota Statutes 2002, section 289A.31, subdivision 2, is amended to read:

Subd. 2. [JOINT INCOME TAX RETURNS.] (a) If a joint income tax return is made by a husband and wife, the liability for the tax is joint and several. A spouse who qualifies for relief from a liability attributable to an underpayment under section 6015(b) of the Internal Revenue Code is relieved of the state income tax liability on the underpayment.

(b) In the case of individuals who were a husband and wife prior to the dissolution of their marriage or their legal separation, or prior to the death of one of the individuals, for tax liabilities reported on a joint or combined return, the liability of each person is limited to the proportion of the tax due on the return that equals that person's proportion of the total tax due if the husband and wife filed separate returns for the taxable year. This provision is
effective only when the commissioner receives written notice of the marriage dissolution, legal separation, or death of a spouse from the husband or wife. No refund may be claimed by an ex-spouse, legally separated or widowed spouse for any taxes paid more than 60 days before receipt by the commissioner of the written notice.

(c) A request for calculation of separate liability pursuant to paragraph (b) for taxes reported on a return must be made within six years after the due date of the return. For calculation of separate liability for taxes assessed by the commissioner under section 289A.35 or 289A.37, the request must be made within six years after the date of assessment. The commissioner is not required to calculate separate liability if the remaining unpaid liability for which recalculation is requested is $100 or less.

[EFFECTIVE DATE.] This section is effective for requests for relief made on or after the day following final enactment.

Sec. 11. Minnesota Statutes 2002, section 289A.56, is amended by adding a subdivision to read:

(1) restricting and eliminating variances between the state and local tax bases;

The initial aid reduction amount for each city is the amount by which the city's aid distribution under Minnesota Statutes, section 477A.013, and related provisions payable in 2003 exceeds the city's 2004 distribution under those provisions.

The minimum aid reduction amount for a city is the amount of its reduction in 2003 under section 12. If a city receives an increase to its city aid base under Minnesota Statutes, section 477A.011, subdivision 36, its minimum aid reduction is reduced by an equal amount.

The maximum aid reduction amount for a city is an amount equal to 14 percent of the city's total 2004 levy plus aid revenue base, except that if the city has a city net tax capacity for aids payable in 2004, as defined in Minnesota Statutes, section 477A.011, subdivision 20, of $700 per capita or less, the maximum aid reduction shall not exceed an amount equal to 13 percent of the city's total 2004 levy plus aid revenue base.

If the initial aid reduction amount for a city is less than the minimum aid reduction amount for that city, the final aid reduction amount for the city is the sum of the initial aid reduction amount and the lesser of the amount of the city's payable 2004 reimbursement under Minnesota Statutes, section 273.1384, or the difference between the minimum and initial aid reduction amounts for the city, and the amount of the final aid reduction in excess of the initial aid reduction is deducted from the city's reimbursements pursuant to Minnesota Statutes, section 273.1384.
If the initial aid reduction amount for a city is greater than the maximum aid reduction amount for the city, the city receives an additional distribution under this section equal to the result of subtracting the maximum aid reduction amount from the initial aid reduction amount. This distribution shall be paid in equal installments in 2004 on the dates specified in Minnesota Statutes, section 477A.015. The amount necessary for these additional distributions is appropriated to the commissioner of revenue from the general fund in fiscal year 2005.

The initial aid reduction is applied to the city's distribution pursuant to Minnesota Statutes, section 477A.013, and any aid reduction in excess of the initial aid reduction is applied to the city's reimbursements pursuant to Minnesota Statutes, section 273.1384.

To the extent that sufficient information is available on each payment date in 2004, the commissioner of revenue shall pay the reimbursements reduced under this section in equal installments on the payment dates provided in law.

[EFFECTIVE DATE.] This section is effective for aids payable in 2004.

Sec. 28. Laws 2003, First Special Session chapter 21, article 6, section 9, is amended to read:

[BAD DEBT LOSS.] If a claim relates to an overpayment because of a failure to deduct a loss due to a bad debt or to a security becoming worthless, the claim is considered timely if filed within seven years from the date prescribed for the filing of the return. A claim relating to an overpayment of taxes under chapter 297A must be filed within 3-1/2 years from the date prescribed for filing the return, plus any extensions granted for filing the return, but only if filed within the extended time. Periodic payments made subsequent to the first payment are sourced to the primary property location for each period covered by the payment. The primary property location must be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location must not be altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls.

(b) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subdivision 2.

(c) This subdivision does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

Sec. 5. Minnesota Statutes 2003 Supplement, section 290.01, subdivision 19a, is amended to read:

Subd. 19a. [ADDITIONS TO FEDERAL TAXABLE INCOME.] For individuals, estates, and trusts, there shall be added to federal taxable income:

(1)(i) interest income on obligations of any state other than Minnesota or a political or governmental subdivision, municipality, or governmental agency or instrumentality of any state other than Minnesota exempt from federal income taxes under the Internal Revenue Code or any other federal statute; and

(ii) exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue Code, except the portion of the exempt-interest dividends derived from interest income on obligations of the state of Minnesota or its political or governmental subdivisions, municipalities, governmental agencies or instrumentalities, but only if the portion of the exempt-interest dividends from such Minnesota sources paid to all shareholders represents 95 percent or more of the exempt-interest dividends that are paid by the regulated investment company as defined in section 851(a) of the Internal Revenue Code, or the fund of the regulated investment company as defined in section 851(g) of the Internal Revenue Code, making the payment; and

(iii) for the purposes of items (i) and (ii), interest on obligations of an Indian tribal government described in section 7871(c) of the Internal Revenue Code shall be treated as interest income on obligations of the state in which the tribe is located;

(2) the amount of income taxes paid or accrued within the taxable year under this chapter and income the amount of taxes based on net income paid to any other state or to any province or territory of Canada, to the extent allowed as a deduction under section 63(d) of the Internal Revenue Code, but the addition may not be more than the amount by which the itemized deductions as allowed under section 63(d) of the Internal Revenue Code exceeds the amount of the standard deduction as defined in section 63(c) of the Internal Revenue Code. For the purpose of this paragraph, the disallowance of itemized deductions under section 68 of the Internal Revenue Code of 1986, income tax is the last itemized deduction disallowed;

(3) the capital gain amount of a lump sum distribution to which the special tax under section 1122(h)(3)(B)(ii) of the Tax Reform Act of 1986, Public Law 99-514, applies;

(4) the amount of income taxes paid or accrued within the taxable year under this chapter and income taxes based on net income paid to any other state or any province or territory of Canada, to the extent allowed as a deduction in determining federal adjusted gross income. For the purpose of this paragraph, income taxes do not include the taxes imposed by sections 290.0922, subdivision 1, paragraph (b), 290.9727, 290.9728, and 290.9729;

(5) the amount of expense, interest, or taxes disallowed pursuant to section 290.10;

(7) 80 percent of the depreciation deduction allowed under section 168(k) of the Internal Revenue Code. For purposes of this clause, if the taxpayer has an activity that in the taxable year generates a deduction for depreciation under section 168(k) and the activity generates a loss for the taxable year that the taxpayer is not allowed to claim for the taxable year, "the depreciation allowed under section 168(k)" for the taxable year is limited to excess of the depreciation claimed by the activity under section 168(k) over the amount of the loss from the activity that is not allowed in the taxable year. In succeeding taxable years when the losses not allowed in the taxable year are allowed, the depreciation under section 168(k) is allowed.

[EFFECTIVE DATE.] This section is effective for tax years beginning after December 31, 2003.

Sec. 6. Minnesota Statutes 2002, section 290.06, subdivision 22, is amended to read:

Subd. 22. [CREDIT FOR TAXES PAID TO ANOTHER STATE.] (a) A taxpayer who is liable for taxes based on or measured by net income to another state, as provided in paragraphs (b) through (f), upon income allocated or apportioned to Minnesota, is entitled to a credit for the tax paid to another state if the tax is actually paid in the taxable year or a subsequent taxable year. A taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7, clause (2), and who is subject to income tax as a resident in the state of the individual's domicile is not allowed this credit unless the state of domicile does not allow a similar credit.

(b) For an individual, estate, or trust, the credit is determined by multiplying the tax payable under this chapter by the ratio derived by dividing the income subject to tax in the other state that is also subject to tax in Minnesota while a resident of Minnesota by the taxpayer's federal adjusted gross income, as defined in section 62 of the Internal Revenue Code, modified by the addition required by section 290.01, subdivision 19a, clause (1), and the subtraction allowed by section 290.01, subdivision 19b, clause (1), to the extent the income is allocated or assigned to Minnesota under sections 290.081 and 290.17.

(c) If the taxpayer is an athletic team that apportions all of its income under section 290.17, subdivision 5, the credit is determined by multiplying the tax payable under this chapter by the ratio derived from dividing the total net income subject to tax in the other state by the taxpayer's Minnesota taxable income.

(d) The credit determined under paragraph (b) or (c) shall not exceed the amount of tax so paid to the other state on the gross income earned within the other state subject to tax under this chapter, nor shall the allowance of the credit reduce the taxes paid under this chapter to an amount less than what would be assessed if such income amount was excluded from taxable net income.

(e) In the case of the tax assessed on a lump sum distribution under section 290.032, the credit allowed under paragraph (a) is the tax assessed by the other state on the lump sum distribution that is also subject to tax under section 290.032, and shall not exceed the tax assessed under section 290.032. To the extent the total lump sum distribution defined in section 290.032, subdivision 1, includes lump sum distributions received in prior years or is all or in part an annuity contract, the reduction to the tax on the lump sum distribution allowed under section 290.032, subdivision 2, includes tax paid to another state that is properly apportioned to that distribution.

(f) If a Minnesota resident reported an item of income to Minnesota and is assessed tax in such other state on that same income after the Minnesota statute of limitations has expired, the taxpayer shall receive a credit for that year under paragraph (a), notwithstanding any statute of limitations to the contrary. The claim for the credit must be submitted within one year from the date the taxes were paid to the other state. The taxpayer must submit sufficient proof to show entitlement to a credit.
(g) For the purposes of this subdivision, a resident shareholder of a corporation treated as an "S" corporation under section 290.9725, must be considered to have paid a tax imposed on the shareholder in an amount equal to the shareholder's pro rata share of any net income tax paid by the S corporation to another state. For the purposes of the preceding sentence, the term "net income tax" means any tax imposed on or measured by a corporation's net income.

(h) For the purposes of this subdivision, a resident partner of an entity taxed as a partnership under the Internal Revenue Code must be considered to have paid a tax imposed on the partner in an amount equal to the partner's pro rata share of any net income tax paid by the partnership to another state. For purposes of the preceding sentence, the term "net income" tax means any tax imposed on or measured by a partnership's net income.

(i) For the purposes of this subdivision, "another state":

(1) includes:

(i) the District of Columbia; and

(ii) a province or territory of Canada; but

(2) excludes Puerto Rico and the several territories organized by Congress.

(j) The limitations on the credit in paragraphs (b), (c), and (d), are imposed on a state by state basis.

(k) For a tax imposed by a province or territory of Canada, the tax for purposes of this subdivision is the excess of the tax over the amount of the foreign tax credit allowed under section 27 of the Internal Revenue Code. In determining the amount of the foreign tax credit allowed, the net income taxes imposed by Canada on the income are deducted first. Any remaining amount of the allowable foreign tax credit reduces the provincial or territorial tax that qualifies for the credit under this subdivision.

[EFFECTIVE DATE.] This section is effective for tax years beginning after December 31, 2003.

Sec. 7. Minnesota Statutes 2003 Supplement, section 290.0674, subdivision 1, is amended to read:

(2) expenses for textbooks, including books and other instructional materials and equipment purchased or leased for use in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. "Textbooks" does not include instructional books and materials used
in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs;

(3) a maximum expense of $200 per family for personal computer hardware, excluding single purpose processors, and educational software that assists a dependent to improve knowledge of core curriculum areas or to expand knowledge and skills under the graduation rule under section 120B.02 required academic standards under section 120B.021, subdivision 1, and the elective standard under section 120B.022, subdivision 1, clause (3), purchased for use in the taxpayer's home and not used in a trade or business regardless of whether the computer is required by the dependent's school; and

(4) the amount paid to others for transportation of a qualifying child attending an elementary or secondary school situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a resident of this state may legally fulfill the state's compulsory attendance laws, which is not operated for profit, and which adheres to the provisions of the Civil Rights Act of 1964 and chapter 363A.

CONFERENCE COMMITTEE REPORT ON S. F. NO. 1753

A bill for an act relating to utilities; modifying low-income electric rate discount program; amending Minnesota Statutes 2002, section 216B.16, subdivision 14.

May 10, 2004

The Honorable James P. Metzen
President of the Senate

The Honorable Steve Sviggum
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1753, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 1753 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2002, section 123B.02, is amended by adding a subdivision to read:

Subd. 21. [WIND ENERGY CONVERSION SYSTEM.] The board may construct, acquire, own in whole or in part, operate, and sell and retain and spend the payment received from selling energy from a wind energy conversion system, as defined in section 216C.06, subdivision 19. The board’s share of the installed capacity of the wind energy conversion systems authorized by this subdivision must not exceed 3.3 megawatts of nameplate capacity. A board owning, operating, or selling energy from a wind energy conversion system must integrate information about wind energy conversion systems in its educational programming.

[EFFECTIVE DATE.] This section is effective the day following final enactment."
Sec. 2. Minnesota Statutes 2002, section 216B.16, subdivision 14, is amended to read:

Subd. 14. [LOW-INCOME ELECTRIC RATE DISCOUNT.] A public utility shall provide an affordability program for low-income customers in an amount based on a 50 percent electric rate discount on the first 300 kilowatt hours consumed in a billing period for a low-income residential customer of the utility. For the purposes of this subdivision, "low-income" means describes a customer who is receiving assistance from the federal low-income home energy assistance program. The affordability program must be designed to target participating customers with the lowest incomes and highest energy costs in order to lower the percentage of income they devote to energy bills, increase their payments, and lower costs associated with collection activities on their accounts. For low-income customers who are 62 years of age or older or disabled, the program must, in addition to any other program benefits, include a 50 percent electric rate discount on the first 300 kilowatt hours consumed in a billing period. For the purposes of this subdivision, "public utility" includes only those public utilities with more than 200,000 residential electric service customers. The commission may issue orders necessary to implement, administer, and recover the discount rate costs of the program on a timely basis.

[EFFECTIVE DATE.] This section is effective July 1, 2004.

Sec. 3. Minnesota Statutes 2003 Supplement, section 216B.241, subdivision 1b, is amended to read:

Subd. 1b. [CONSERVATION IMPROVEMENT BY COOPERATIVE ASSOCIATION OR MUNICIPALITY.] (a) This subdivision applies to:

(1) a cooperative electric association that provides retail service to its members;

(2) a municipality that provides electric service to retail customers; and

(3) a municipality with gross operating revenues in excess of $5,000,000 from sales of natural gas to retail customers.

(b) Each cooperative electric association and municipality subject to this subdivision shall spend and invest for energy conservation improvements under this subdivision the following amounts:

(1) for a municipality, 0.5 percent of its gross operating revenues from the sale of gas and 1.5 percent of its gross operating revenues from the sale of electricity, excluding gross operating revenues from electric and gas service provided in the state to large electric customer facilities; and

(2) for a cooperative electric association, 1.5 percent of its gross operating revenues from service provided in the state, excluding gross operating revenues from service provided in the state to large electric customer facilities indirectly through a distribution cooperative electric association.

(c) Each municipality and cooperative electric association subject to this subdivision shall identify and implement energy conservation improvement spending and investments that are appropriate for the municipality or association, except that a municipality or association may not spend or invest for energy conservation improvements that directly benefit a large electric customer facility for which the commissioner has issued an exemption under subdivision 1a, paragraph (b).

(d) Each municipality and cooperative electric association subject to this subdivision may spend and invest annually up to ten percent of the total amount required to be spent and invested on energy conservation improvements under this subdivision on research and development projects that meet the definition of energy conservation improvement in subdivision 1 and that are funded directly by the municipality or cooperative electric association.
(e) Load-management activities that do not reduce energy use but that increase the efficiency of the electric system may be used to meet the following percentage of the conservation investment and spending requirements of this subdivision:

1. 2002 - 90 percent;
2. 2003 - 80 percent;
3. 2004 - 65 percent; and
4. 2005 and thereafter - 50 percent.

(f) A generation and transmission cooperative electric association that provides energy services to cooperative electric associations that provide electric service at retail to consumers may invest in energy conservation improvements on behalf of the associations it serves and may fulfill the conservation, spending, reporting, and energy savings goals on an aggregate basis. A municipal power agency or other not-for-profit entity that provides energy service to municipal utilities that provide electric service at retail may invest in energy conservation improvements on behalf of the municipal utilities it serves and may fulfill the conservation, spending, reporting, and energy savings goals on an aggregate basis, under an agreement between the municipal power agency or not-for-profit entity and each municipal utility for funding the investments.

(g) By June 1, 2002, and every two years thereafter, on a schedule determined by the commissioner, each municipality or cooperative shall file an overview of its conservation improvement plan with the commissioner. With this overview, the municipality or cooperative shall also provide an evaluation to the commissioner detailing its energy conservation improvement spending and investments for the previous period. The evaluation must briefly describe each conservation program and must specify the energy savings or increased efficiency in the use of energy within the service territory of the utility or association that is the result of the spending and investments. The evaluation must analyze the cost-effectiveness of the utility's or association's conservation programs, using a list of baseline energy and capacity savings assumptions developed in consultation with the department. The commissioner shall review each evaluation and make recommendations, where appropriate, to the municipality or association to increase the effectiveness of conservation improvement activities. Up to three percent of a utility's conservation spending obligation under this section may be used for program pre-evaluation, testing, and monitoring and program evaluation. The overview and evaluation filed by a municipality with less than $2,500,000 in annual gross revenues from the retail sale of electric service may consist of a letter from the governing board of the municipal utility to the department providing the amount of annual conservation spending required of that municipality and certifying that the required amount has been spent on conservation programs pursuant to this subdivision.

(h) The commissioner shall also review each evaluation for whether a portion of the money spent on residential conservation improvement programs is devoted to programs that directly address the needs of renters and low-income persons unless an insufficient number of appropriate programs are available. For the purposes of this subdivision and subdivision 2, "low-income" means an income at or below 50 percent of the state median income.

(i) As part of its spending for conservation improvement, a municipality or association may contribute to the energy and conservation account. A municipality or association may propose to the commissioner to designate that all or a portion of funds contributed to the account be used for research and development projects that can best be implemented on a statewide basis. Any amount contributed must be remitted to the commissioner by February 1 of each year.

(j) A municipality may spend up to 50 percent of its required spending under this section to refurbish an existing district heating or cooling system. This paragraph expires July 1, 2007.
Sec. 4. [REPEALER.]

Minnesota Statutes 2002, section 325E.015, is repealed."

Delete the title and insert:

"A bill for an act relating to utilities; modifying provisions related to wind energy systems; modifying low-income electric rate discount program; regulating conservation improvement by cooperatives and municipalities; eliminating duplicate language related to budget payment plans as a required customer option; amending Minnesota Statutes 2002, sections 123B.02, by adding a subdivision; 216B.16, subdivision 14; Minnesota Statutes 2003 Supplement, section 216B.241, subdivision 1b; repealing Minnesota Statutes 2002, section 325E.015."

Subd. 5.  [VIOLATION; PETTY MISDEMEANOR.] (a) Every motor vehicle operator, when transporting a child under the age of four subject to the requirements of paragraph (b) on the streets and highways of this state in a motor vehicle equipped with factory-installed seat belts, shall equip and install for use in the motor vehicle, according to the manufacturer's instructions, a child passenger restraint system or a booster seat meeting federal motor vehicle safety standards.

(b) No motor vehicle operator who is operating a motor vehicle on the streets and highways of this state may transport:

1. a child under the age of four in a seat of a motor vehicle equipped with a factory-installed seat belt, unless the child is properly fastened in the child passenger restraint system;

2. a child four years of age or older, but less than nine years of age, unless the child is 57 or more inches in height, if the child is not properly fastened in a booster seat.

Any motor vehicle operator who violates this subdivision is guilty of a petty misdemeanor and may be sentenced to pay a fine of not more than $50. The fine may be waived or the amount reduced if the motor vehicle operator produces evidence that within 14 days after the date of the violation a child passenger restraint system or booster seat meeting federal motor vehicle safety standards was purchased or obtained for the exclusive use of the operator.
(c) The fines collected for violations of this subdivision must be deposited in the state treasury and credited to a special account to be known as the Minnesota child passenger restraint and education account.

Sec. 24. Minnesota Statutes 2002, section 169.685, subdivision 6, is amended to read:

Subd. 6. [EXCEPTIONS.] (a) This section does not apply to:

(1) a person transporting a child in an emergency medical vehicle while in the performance of official duties and when the physical or medical needs of the child make the use of a child passenger restraint system unreasonable or when a child passenger restraint system is not available;

(2) a peace officer transporting a child while in the performance of official duties and when a child passenger restraint system or booster seat is not available, provided that a seat belt must be substituted; and

(3) a person while operating a motor vehicle for hire, including a taxi, airport limousine, and bus, but excluding a rented, leased, or borrowed motor vehicle.

(b) A child passenger restraint system or booster seat is not required for a child who cannot, in the judgment of a licensed physician, be safely transported in a child passenger restraint system or booster seat because of a medical condition, body size, or physical disability. A motor vehicle operator claiming exemption for a child under this paragraph must possess a typewritten statement from the physician stating that the child cannot be safely transported in a child passenger restraint system or booster seat. The statement must give the name and birth date of the child, be dated within the previous six months, and be made on the physician’s letterhead or contain the physician’s name, address, and telephone number. A person charged with violating subdivision 5 may not be convicted if the person produces the physician’s statement in court or in the office of the arresting officer.

(c) A person offering a motor vehicle for rent or lease shall provide a child passenger restraint device or booster seat to a customer renting or leasing the motor vehicle who requests the device upon request of the customer. A reasonable rent or fee may be charged for use of the child passenger restraint device or booster seat.

Sec. 25. Minnesota Statutes 2002, section 169.685, subdivision 7, is amended to read:

Subd. 7. [APPROPRIATION; SPECIAL ACCOUNT; LEGISLATIVE REPORT.] The Minnesota child passenger restraint, booster seat, and education account is created in the state treasury, consisting of fines collected under subdivision 5 and other money appropriated or donated. The money in the account is annually appropriated to the commissioner of public safety, to be used to provide child passenger restraint systems and booster seats to families in financial need and to provide an educational program on the need for and proper use of child passenger restraint systems and booster seats. The commissioner shall report to the legislature by February 1 of each odd-numbered year on the commissioner’s activities and expenditure of funds under this section.

Sec. 26. Minnesota Statutes 2002, section 169.686, subdivision 1, is amended to read:

(1) the driver of a passenger vehicle or commercial motor vehicle;

(2) a passenger riding in the front seat of a passenger vehicle or commercial motor vehicle; and

(3) a passenger riding in any seat of a passenger vehicle who is nine years of age or older than three but younger than 18 years of age.
(b) A person who is 15 years of age or older and who violates paragraph (a), clause (1) or (2), is subject to a fine of $25. The driver of the passenger vehicle or commercial motor vehicle in which the violation occurred is subject to a $25 fine for a violation of paragraph (a), clause (2) or (3), by a child of the driver under the age of 15 or any child under the age of 11. A peace officer may not issue a citation for a violation of this section unless the officer lawfully stopped or detained the driver of the motor vehicle for a moving violation other than a violation involving motor vehicle equipment. Subd. 4. [CHANGE IN CLASSIFICATION OF DATA; EFFECT OF DISSEMINATION AMONG AGENCIES.] (a) The classification of data in the possession of an agency shall change if it is required to do so to comply with either judicial or administrative rules pertaining to the conduct of legal actions or with a specific statute applicable to the data in the possession of the disseminating or receiving agency.

(b) If data on individuals is classified as both private and confidential by this chapter, or any other statute or federal law, the data is private.

(d) If a state agency, statewide system, or political subdivision disseminates data to another state agency, statewide system, or political subdivision, a classification provided for by law in the hands of the entity receiving the data does not affect the classification of the data in the hands of the entity that disseminates the data.

(e) To the extent that judicial branch data is disseminated to government entities by the judicial branch, the data disseminated shall have the same level of accessibility in the hands of the entity receiving it as it had in the hands of the judicial branch entity providing it.

Sec. 5. (c) No state agency may assume or share operational responsibility for any information management system that is not in compliance with information policy statutes. Before a state agency assumes or shares operational responsibility for an information management system created by a political subdivision, statewide system, or a nongovernmental entity, the responsible authority for that state agency shall ensure that the information management system is in compliance with information policy statutes and federal law. A state agency must not assume costs associated with enhancements of an information management system described in this paragraph unless approved by the legislature or required by federal law.

Sec. 6. [13.074] [INFORMATION MANAGEMENT SYSTEM REVIEW.]

An information management system described in this paragraph must not proceed beyond the design phase until the commissioner’s determination is received. Each responsible authority for a system under review must promptly provide information to the commissioner to enable the determination to be made. The commissioner shall determine what reports or other information must be made available by the responsible authority for the proposed information management system in order to establish compliance.

(b) No later than January 15, 2005, the commissioner must provide the legislature with a proposed schedule to review information management systems and the design for any new information management systems that are operated by a state agency or a statewide system that has at least one state agency as a participant. As part of the report, the commissioner must provide the legislature with an estimate of the costs to conduct the reviews.

(c) The legislative auditor should, as resources permit, include continuing compliance as part of each periodic audit.

(d) If the legislative auditor finds that an information management system described in this section is not in compliance with information policy statutes, the responsible authority for the government entity should, within 60 days, present a plan to the commissioner to bring the system into compliance. The commissioner must monitor the information management system’s progress toward compliance. If the commissioner finds a failure to make satisfactory progress, the commissioner may require the government entity to cease operating the information management system until progress is satisfactory. If an information management system is found out of compliance under this paragraph, the government entity operating the system must report the amount spent to develop and implement the information management system and the amount spent on compliance to the committees in the house of representatives and the senate with fiscal authority over that government entity.

(b) When a law enforcement agency requests or disseminates private or confidential data on individuals by means of a statewide system for a purpose authorized by this subdivision, it must document the purpose of the request or dissemination, including the case number if available. Data under this paragraph must be retained for six
years. When an investigation becomes inactive under subdivision 7, the data under this paragraph are private data on the subject of the investigation. The provisions of this paragraph apply (1) on and after July 1, 2012, to statewide systems that are part of CriMNet on the effective date of this paragraph; and (2) on and after the effective date of this paragraph to information management systems added to CriMNet after that date.

Sec. 8. [13.8703] [CRIMNET DATA.]

Subdivision 1. [DEFINITIONS.] (a) The definitions in this subdivision apply to this section.

(b) "CriMNet" is a statewide system as defined in section 13.02, subdivision 18, that integrates or interconnects data from multiple criminal justice information systems.

(c) "CriMNet data" are criminal justice agency data created, collected, used, or maintained in the prevention, investigation, or prosecution of crime and any resulting criminal justice system response that are held or accessed by CriMNet.

(d) "Audit trail data" are data created, used, or maintained by CriMNet for the purposes of ensuring and verifying that CriMNet was only accessed by authorized persons for authorized purposes.

Subd. 2. [DATA CLASSIFICATION; DISSEMINATION.] (a) Data accessed or maintained by CriMNet are subject to the provisions of section 13.03, subdivision 4, paragraphs (c) and (e). The fact that data held by government entities are accessed by CriMNet does not change the classification of the data in those government entities. Except for the exercise of rights by individuals under this section and section 13.04, access to CriMNet data is available only as provided by state or federal law to criminal justice agencies as defined in section 299C.46, subdivision 2; public defenders as provided in section 611.272; federal criminal justice agencies as defined in Code of Federal Regulations, title 28, section 20.3(g); and criminal justice agencies of other states.

(b) In addition to the purposes provided in section 13.82, subdivision 24, CriMNet data may be released:

(1) for purposes of auditing data quality, data protection, and system development and maintenance; or

(2) with the informed consent of the subject of the data as provided by section 13.05, subdivision 4. In the case of data on a juvenile, notwithstanding section 299C.095, subdivision 1, a minor may not consent to release of the data, but (i) the minor's parent or guardian may consent to release, and (ii) an adult may consent to release of data on the adult that was created when the adult was a minor.

Subd. 3. [REQUESTS BY DATA SUBJECT.] If an individual makes a request for CriMNet data about that individual under section 13.04, subdivision 3, a local or state law enforcement agency with access to CriMNet must:

(1) give the individual a list of any state agencies, political subdivisions, statewide systems, or other entities that provided data to CriMNet; and

(2) allow the individual to obtain a copy of any public or private CriMNet data, subject to standards established by the CriMNet responsible authority, and inform the individual of the availability of audit trail data from the CriMNet responsible authority. The individual must pay a fee of $10 for a copy of the CriMNet data. Of this fee, $5 remains with the law enforcement agency that received the request and $5 must be forwarded to CriMNet.

Subd. 4. [AUDIT TRAIL DATA.] (a) Audit trail data must indicate the purpose for which CriMNet data on an individual was accessed and the case file number, if available. Audit trail data must be retained for six years.
(b) Audit trail data created during the course of an investigation are confidential data or protected nonpublic data while the investigation is active. When an investigation is no longer active, as defined by section 13.82, subdivision 7, or if audit trail data are created as the result of access unrelated to an active investigation, audit trail data that identify an entity that requested or provided CriMNet data about a data subject are nonpublic data. The nonpublic data are accessible to the individual data subject if the responsible authority for CriMNet, after consultation with an entity that requested CriMNet data about an individual data subject, determines that the data subject's need to know outweighs the risk of harm disclosure would create for public safety.

(c) Between the effective date of this subdivision and June 30, 2012, the requirements of this subdivision apply to (1) CriMNet audit trail data, to the extent it exists; and (2) any new information management system added to CriMNet during that period. Beginning July 1, 2012, this subdivision applies to CriMNet and to all information management systems that are a part of CriMNet.

Subd. 5. [SUBSCRIPTION SERVICE.] (a) For purposes of this subdivision, “subscription service” means a process by which criminal justice agency personnel may obtain ongoing, automatic electronic notice of any contacts an individual has with any criminal justice agency.

(b) If CriMNet provides for subscription service, it must include the capability to allow for release of data on a data subject to the data subject by subscription service.

(c) Except as otherwise provided by this subdivision, CriMNet data may be released by a subscription service:

(1) with the informed consent of the subject of the data. In the case of data on a juvenile, notwithstanding section 299C.095, subdivision 1, a minor may not consent to release of the data, but (i) the minor’s parent or guardian may consent to release, and (ii) an adult may consent to release of data on the adult that was created when the adult was a minor; or

(2) for any purpose of which the data subject is notified before the subscription service is implemented. The notice must include how long the subscription service will be in effect.

(d) CriMNet data on an individual may be released by subscription service without the request or consent of the data subject or notice to the data subject to criminal justice agency personnel for purposes of:

(1) investigating a crime or act of delinquency;

(2) seeking to apprehend an individual who is fleeing to avoid prosecution or custody;

(3) enforcing a warrant;

(4) enforcing terms of pretrial release;

(5) seeking an individual to determine if the individual is violating a condition of probation, conditional release, or supervised release;

(6) prosecuting, defending, trying, or sentencing an individual;

(7) seeking an individual who is likely to have information necessary to criminal justice agency personnel acting under clauses (1) to (6); or

(8) determining that an individual may be engaged in illegal activities or seeking another individual who may have information about those activities.
(e) A criminal justice agency may seek to release or receive data described in paragraph (d), clause (8), by subscription service for a period longer than 90 days by seeking a court order in the same manner as seeking a search warrant. To grant the order, the court must find that one of the purposes listed in paragraph (d) continues to exist. The court must specify how long the subscription service may continue, which must not exceed 18 months without a showing of imminent threat to public safety or health.

Subd. 6. [PENALTIES.] A person who violates this section is subject to the penalties provided by section 13.09.

Subd. 7. [LEGISLATIVE REVIEW OF ACCESS MODIFICATIONS.] Notwithstanding any contrary provisions in section 13.82, any CriMNet feature that would provide access to data on individuals by an entity that is not subject to this chapter, other than the judiciary as defined in section 13.90, must be submitted to the legislature for review before implementation and must be implemented by a statute, contract, or interstate compact that addresses data practices issues and complies with this section.

Sec. 9. [13.8704] [CRIMINAL JUSTICE SYSTEM IMPLEMENTATION REPORT.]
