Subd. 5. Fees; proceeds deposited; appropriation. The commissioner, with respect to highways under the commissioner's jurisdiction, may charge a fee for each permit issued. Unless otherwise specified, all such fees for permits issued by the commissioner of transportation shall be deposited in the state treasury and credited to the trunk highway fund. Except for those annual permits for which the permit fees are specified elsewhere in this chapter, the fees shall be:

(a) $15 for each single trip permit.

(b) $36 for each job permit. A job permit may be issued for like loads carried on a specific route for a period not to exceed two months. "Like loads" means loads of the same product, weight, and dimension.

(c) $60 for an annual permit to be issued for a period not to exceed 12 consecutive months. Annual permits may be issued for:

(1) motor vehicles used to alleviate a temporary crisis adversely affecting the safety or well-being of the public;

(2) motor vehicles which travel on interstate highways and carry loads authorized under subdivision 1a;

(e) For vehicles which have axle weights exceeding the weight limitations of sections 169.823 to 169.829, an additional cost added to the fees listed above. However, this paragraph applies to any vehicle described in section 168.013, subdivision 3, paragraph (b), but only when the vehicle exceeds its gross weight allowance set forth in that paragraph, and then the additional cost is for all weight, including the allowance weight, in excess of the permitted maximum axle weight. The additional cost is equal to the product of the distance traveled times the sum of the overweight axle group cost factors shown in the following chart:

For a vehicle found to exceed the appropriate maximum permitted weight, a cost-per-mile fee of 22 cents per ton, or fraction of a ton, over the permitted maximum weight is imposed in addition to the normal permit fee. If the gross weight of the vehicle is more than 145,000 pounds the permit fee is determined under paragraph (e).

(g) For vehicles which exceed the width limitations set forth in section 169.80 by more than 72 inches, an additional cost equal to $120 added to the amount in paragraph (a) when the permit is issued while seasonal load restrictions pursuant to section 169.87 are in effect.

(h) $85 for an annual permit to be issued for a period not to exceed 12 months, for refuse-compactor vehicles that carry a gross weight of not more than: 22,000 pounds on a single rear axle; 38,000 pounds on a tandem rear axle; or, subject to section 169.828, subdivision 2, 46,000 pounds on a tridem rear axle. A permit issued for up to 46,000 pounds on a tridem rear axle must limit the gross vehicle weight to not more than 62,000 pounds.

(i) $300 for a motor vehicle described in section 169.8261. The fee under this paragraph must be deposited as follows:

(1) in fiscal years 2005 through 2010:

(1) (1) the first $50,000 in each fiscal year must be deposited in the trunk highway fund for costs related to administering the permit program and inspecting and posting bridges; and

(2) (2) all remaining money in each fiscal year must be deposited in the bridge inspection and signing account in the special revenue fund. Money in the account is appropriated to the commissioner for: as provided under subdivision 5a.

(A) inspection of local bridges and identification of local bridges to be posted, including contracting with a consultant for some or all of these functions; and
(B) erection of weight-posting signs on local bridges; and

(2) in fiscal year 2011 and subsequent years must be deposited in the trunk highway fund.

(j) Beginning August 1, 2006, $200 for an annual permit for a vehicle operating under authority of section 169.824, subdivision 2, paragraph (a), clause (2).

Sec. 7. Minnesota Statutes 2010, section 169.86, is amended by adding a subdivision to read:

Subd. 5a. Bridge inspection and signing account; appropriation. (a) A bridge inspection and signing account is established in the special revenue fund. The account consists of fees for special permits as specified under this chapter, and any other money donated, allotted, transferred, or otherwise provided to the account.

(b) The revenue in the bridge inspection and signing account under this subdivision is annually appropriated to the commissioner for:

(1) inspection of local bridges and identification of local bridges to be posted, including contracting with a consultant for some or all of these functions; and

(2) in fiscal year 2012 and subsequent years, in the trunk highway fund.

(b) The revenue in the bridge inspection and signing account under this section is annually appropriated to the commissioner for:

(1) inspection of local bridges and identification of local bridges to be posted, including contracting with a consultant for some or all of these functions; and

(2) erection of weight-posting signs on local bridges.

Sec. 9. WATER PERMITTING PROCESSES FOR TRANSPORTATION PROJECTS; REPORT.

By November 15, 2012, the commissioners of transportation, natural resources, and the Pollution Control Agency, in consultation with local road authorities and the Board of Water and Soil Resources, shall submit recommendations to the house of representatives and senate committees and divisions with primary jurisdiction over environment and natural resources policy and finance and transportation policy and finance on how water-related permitting for transportation projects can best be streamlined through creation of a single point of issuance system. The recommendations shall:

(1) outline a single point of issuance system in which road authorities applying for state water permits would interact with a single state agency serving as the sole intermediary on behalf of all state agencies with an interest in a road authority’s water permit application.
(2) provide a goal for the maximum number of days necessary to issue final water permitting decisions;

(3) identify how state entities with current oversight authority over water permitting decisions would allocate resources to accommodate a single point of issuance system; and

(4) suggest strategies to enhance the coordination of federal and state water permitting information gathering and decision making."

Delete the title and insert:

"A bill for an act relating to transportation; governing rulemaking and permits; amending rulemaking authority for state-aid program; amending allocation of funds from certain overdimension motor vehicle permits; requiring a legislative report on water permitting process for transportation projects; making clarifying and technical changes; amending Minnesota Statutes 2010, sections 162.02, subdivisions 2, 3; 162.09, subdivisions 2, 3; 162.155; 169.86, by adding a subdivision; 169.865, subdivision 4; Minnesota Statutes 2011 Supplement, section 169.86, subdivision 5."

(1) the size of the flag to be displayed to a size customarily used on residential property;

(2) the installation and display of the flag to a portion of the residential property to which the person who displays the flag has exclusive use, provided that a limitation must not restrict the right of an owner of a detached single-family dwelling to install a flagpole on real property to which the owner has exclusive use, subject to clauses (1) and (3); or

(3) illuminating the flag.

(c) This section does not prohibit a requirement that the flag be displayed in a legal manner under Minnesota law, that the flag be in good condition and not altered or defaced, or that the flag not be affixed in a permanent manner to that portion of property to be maintained by others or in a way that causes more than inconsequential damage to others' property. A person who causes damage is liable for the repair costs."
Sec. 2. [500.216] LIMITS ON CERTAIN RESIDENTIAL PROPERTY RIGHTS PROHIBITED; SIGNS.

Subdivision 1. Political campaign signs. (a) Any provision of any homeowners association document that limits the right of an owner of a townhome or single-family dwelling to display a political campaign sign during the calendar dates specified in section 211B.045 is void and unenforceable.

(b) "Homeowners association document" includes the declaration, articles of incorporation, bylaws, and rules and regulations of:

(1) a common interest community, as defined in section 515B.1-103(10), regardless of whether the common interest community is subject to chapter 515B; and

(2) a residential community that is not a common interest community, as defined in section 515B.1-103(10).

Subd. 2. Exceptions. (a) This section does not prohibit limitations narrowly tailored to protect health or safety.

(b) This section does not prohibit limitations that restrict:

(1) the size of a sign to be displayed to a size customarily used on residential property;

A person who causes damage is liable for the repair costs.

Subd. 3. Recovery of attorney fees. If an owner of residential property is denied a right provided by this section, the owner is entitled to recover, from the party who denied the right, reasonable attorney fees and expenses if the owner prevails in enforcing the right. If a sign is installed or displayed in violation of an enforceable restriction or limitation, the party enforcing the restriction or limitation is entitled to recover, from the party displaying the sign, reasonable attorney fees and expenses if the enforcing party prevails in enforcing the restriction or limitation.

Subd. 4. Applicability. (a) This section applies to all homeowners association documents executed on or after August 1, 2012.

(b) An association governed by a homeowners association document executed before August 1, 2012 may retain existing restrictions that conflict with this section by affirmative vote of the association, conducted no later than July 30, 2013. If a vote to retain the existing restrictions is unsuccessful or is not conducted by that date, the prohibitions contained in this section apply to the association's homeowners association document effective August 1, 2013.
Sec. 3. Minnesota Statutes 2010, section 515B.3-116, is amended to read:

515B.3-116 LIEN FOR ASSESSMENTS.

(a) The association has a lien on a unit for any assessment levied against that unit from the time the assessment becomes due. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due. Unless the declaration otherwise provides, fees, charges, late charges, fines, and interest charges pursuant to section 515B.3-102(a)(10),(11) and (12) are liens, and are enforceable as assessments, under this section. Recording of the declaration constitutes record notice and perfection of any assessment lien under this section, and no further recording of any notice of or claim for the lien is required.

(b) Subject to subsection (c), a lien under this section is prior to all other liens and encumbrances on a unit except (i) liens and encumbrances recorded before the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes, or takes subject to, (ii) any first mortgage encumbering the fee simple interest in the unit, or, in a cooperative, any first security interest encumbering only the unit owner's interest in the unit, (iii) liens for real estate taxes and other governmental assessments or charges against the unit, and (iv) a master association lien under section 515B.2-121(h). This subsection shall not affect the priority of mechanic's liens.

(c) If a first mortgage on a unit is foreclosed, the first mortgage was recorded after June 1, 1994, and no owner or person who acquires the owner's interest in the unit redeems pursuant to chapter 580, 581, or 582, the holder of the sheriff's certificate of sale from the foreclosure of the first mortgage or any person who acquires title to the unit by redemption as a junior creditor shall take title to the unit subject to a lien in favor of the association for unpaid assessments for common expenses levied pursuant to section 515B.3-115(a), (e)(1) to (3), (f), and (i) which became due, without acceleration, during the six months immediately preceding the end of the owner's period of redemption. The common expenses shall be based upon the association's then current annual budget, notwithstanding the use of an alternate common expense plan under section 515B.3-115(a)(2). If a first security interest encumbering a unit owner's interest in a cooperative unit which is personal property is foreclosed, the secured party or the purchaser at the sale shall take title to the unit subject to unpaid assessments for common expenses levied pursuant to section 515B.3-115(a), (e)(1) to (3), (f), and (i) which became due, without acceleration, during the six months immediately preceding the first day following either the disposition date pursuant to section 336.9-610 or the date on which the obligation of the unit owner is discharged pursuant to section 336.9-622.

(d) Proceedings to enforce an assessment lien shall be instituted within three years after the last installment of the assessment becomes payable, or shall be barred.

(e) The unit owner of a unit at the time an assessment is due shall be personally liable to the association for payment of the assessment levied against the unit. If there are multiple owners of the unit, they shall be jointly and severally liable.

(f) This section does not prohibit actions to recover sums for which subsection (a) creates a lien nor prohibit an association from taking a deed in lieu of foreclosure.

(g) The association shall furnish to a unit owner or the owner's authorized agent upon written request of the unit owner or the authorized agent a statement setting forth the amount of unpaid assessments currently levied against the owner's unit. If the unit owner's interest is real estate, the statement shall be in recordable form. The statement shall be furnished within ten business days after receipt of the request and is binding on the association and every unit owner.

(h) The association's lien may be foreclosed as provided in this subsection.
(1) In a condominium or planned community, the association's lien may be foreclosed in a like manner as a mortgage containing a power of sale pursuant to chapter 580, or by action pursuant to chapter 581. The association shall have a power of sale to foreclose the lien pursuant to chapter 580.

(2) In a cooperative whose unit owners' interests are real estate, the association's lien shall be foreclosed in a like manner as a mortgage on real estate as provided in paragraph (1).

(3) In a cooperative whose unit owners' interests in the units are personal property, the association's lien shall be foreclosed in a like manner as a security interest under article 9 of chapter 336. In any disposition pursuant to section 336.9-610 or retention pursuant to sections 336.9-620 to 336.9-622, the rights of the parties shall be the same as those provided by law, except (i) notice of sale, disposition, or retention shall be served on the unit owner 90 days prior to sale, disposition, or retention, (ii) the association shall be entitled to its reasonable costs and attorney fees not exceeding the amount provided by section 582.01, subdivision 1a, (iii) the amount of the association's lien shall be deemed to be adequate consideration for the unit subject to disposition or retention, notwithstanding the value of the unit, and (iv) the notice of sale, disposition, or retention shall contain the following statement in capital letters with the name of the association or secured party filled in:

"THIS IS TO INFORM YOU THAT BY THIS NOTICE (fill in name of association or secured party) HAS BEGUN PROCEEDINGS UNDER MINNESOTA STATUTES, CHAPTER 515B, TO FORECLOSE ON YOUR INTEREST IN YOUR UNIT FOR THE REASON SPECIFIED IN THIS NOTICE. 609.233 CRIMINAL NEGLECT.

Subdivision 1. Gross misdemeanor crime. A caregiver or operator who intentionally neglects a vulnerable adult or knowingly permits conditions to exist that result in the abuse or neglect of a vulnerable adult is guilty of a gross misdemeanor. For purposes of this section, "abuse" has the meaning given in section 626.5572, subdivision 2, and "neglect" means a failure to provide a vulnerable adult with necessary food, clothing, shelter, health care, or supervision.

Subd. 1a. Felony deprivation. A caregiver or operator who intentionally deprives a vulnerable adult of necessary food, clothing, shelter, health care, or supervision, when the caregiver or operator is reasonably able to make the necessary provisions is guilty of a felony and may be sentenced as provided in subdivision 2a, if:

(1) the caregiver or operator knows or has reason to know the deprivation could likely result in substantial bodily harm or great bodily harm to the vulnerable adult; or

(2) the deprivation occurred over an extended period of time."
Subd. 2. **Exemptions.** A vulnerable adult is not neglected or deprived under subdivision 1 or 1a for the sole reason that:

(1) the vulnerable adult or a person with authority to make health care decisions for the vulnerable adult under sections 144.651, 144A.44, 253B.03, or 524.5-101 to 524.5-502, or chapter 145B, 145C, or 252A, refuses consent or withdraws consent, consistent with that authority and within the boundary of reasonable medical practice, to any therapeutic conduct, including any care, service, or procedure to diagnose, maintain, or treat the physical or mental condition of the vulnerable adult or, where permitted under law, to provide nutrition and hydration parenterally or through intubation; this paragraph does not enlarge or diminish rights otherwise held under law by:

(i) a vulnerable adult or a person acting on behalf of a vulnerable adult, including an involved family member, to consent to or refuse consent for therapeutic conduct; or

(ii) a caregiver to offer or provide or refuse to offer or provide therapeutic conduct;

(2) the vulnerable adult, a person with authority to make health care decisions for the vulnerable adult, or a caregiver in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the vulnerable adult in lieu of medical care, provided that this is consistent with the prior practice or belief of the vulnerable adult or with the expressed intentions of the vulnerable adult; or

(3) the vulnerable adult, who is not impaired in judgment or capacity by mental or emotional dysfunction or undue influence, engages in consensual sexual contact with: (i) a person including a facility staff person when a consensual sexual personal relationship existed prior to the caregiving relationship; or (ii) a personal care attendant, regardless of whether the consensual sexual personal relationship existed prior to the caregiving relationship.

Subd. 2a. **Penalties.** A person who violates subdivision 1a may be sentenced as follows:

(1) if the conduct results in great bodily harm to the vulnerable adult, imprisonment for not more than ten years or payment of a fine of not more than $10,000, or both; or

(2) if the conduct results in substantial bodily harm to the vulnerable adult, imprisonment for not more than five years or payment of a fine of not more than $5,000, or both.

Subd. 2b. **Affirmative defenses.** It shall be an affirmative defense to a prosecution under subdivision 1 or 1a, if proven by a preponderance of evidence, that:

(1) the defendant is an individual employed by a facility or operator and does not have managerial or supervisory authority, and was unable to reasonably make the necessary provisions due to inadequate staffing levels, inadequate supervision, or institutional policies;

(2) the defendant is a facility, operator, or an employee of a facility or operator in a position of managerial or supervisory authority, and did not knowingly, intentionally, or recklessly permit criminal acts by its employees or agents that resulted in the harm to the vulnerable adult; or

(3) the defendant is a caregiver and failed to perform acts necessary to prevent the applicable level of harm, if any, to the vulnerable adult because the caregiver was acting reasonably and necessarily to provide care to another identified vulnerable adult.
