"ARTICLE 2
THREE RIVERS PARK DISTRICT

Section 1. Minnesota Statutes 2010, section 383B.68, subdivision 1, is amended to read:
Subdivision 1. **As provided in this section.** Notwithstanding any provision of sections 398.02 to 398.04, or any other law to the contrary, the Board of Park District Commissioners of the Three Rivers Park District shall consist of seven commissioners appointed or elected as provided in this section.

Sec. 2. Minnesota Statutes 2010, section 383B.68, is amended by adding a subdivision to read:

Subd. 3a. **Election of park commissioners.** (a) Seven park district commissioners shall be elected without party designation to represent those portions of Hennepin County outside of the city of Minneapolis. Elections under this subdivision must be held at the same time and in the same manner as elections for the office of county commissioner. (b) The park district commissioners shall be elected from districts established pursuant to subdivision 4. Each park district commissioner elected under this paragraph must be a resident of the district represented. No more than one commissioner may be elected from each district. Each park district commissioner serves for a four-year term and until a successor is elected and qualified, except that the term of each park district commissioner elected at the general election held in the year of a federal census shall be two years and until a successor is elected and qualified. At the general election following redistricting as required in subdivision 4, the four commissioners from odd-numbered districts shall be elected for four-year terms and the three commissioners from even-numbered districts shall be elected for two-year terms. If a vacancy occurs in the office of any commissioner elected pursuant to this paragraph, the Board of Park District Commissioners shall appoint a successor residing in that district to fill the unexpired term.

Sec. 3. Minnesota Statutes 2010, section 383B.68, subdivision 4, is amended to read:

Subd. 4. **Decennial redistricting.** After September 1, 1985 the effective date of this act, and after at least 30 days' notice and public hearing, the Board of Park District Commissioners of the Three Rivers Park District shall divide the territory of Hennepin County outside the city of Minneapolis into five districts, which constitute the Three Rivers Park District. Each district shall be composed of contiguous territory as regular and compact in form as practicable and as nearly equal in population as possible, provided that no district shall vary in population more than ten percent from the average of all the districts, unless compliance with this requirement requires division of a voting precinct. After each federal census and by the date prescribed for redistricting of election districts in section 204B.135, subdivision 2, after at least 30 days' notice and public hearing, the Board of Park District Commissioners of the Three Rivers Park District shall redistrict the territory of the Three Rivers Park District into new commissioner districts as necessary to comply with the provisions of this subdivision. The districts established pursuant to this subdivision shall remain effective until new districts are established. Any person aggrieved by a districting plan established pursuant to this subdivision may challenge the plan in the same manner as a county commissioner districting plan may be challenged pursuant to section 375.025. The district court in reviewing any challenge to a districting plan under this subdivision shall proceed in the manner prescribed by section 375.025. Each districting plan established pursuant to this subdivision shall be filed in the office of the director of finance of Hennepin County or any successor office and shall be effective 31 days after its publication in a newspaper of general circulation in the county.

Sec. 4. **REPEALER.**

Minnesota Statutes 2010, section 383B.68, subdivisions 2 and 3, are repealed.

Sec. 5. **EFFECTIVE DATE.**

Sections 1 to 4 are effective the day after the board of commissioners of the Three Rivers Park District and its chief clerical officer timely comply with the provisions of Minnesota Statutes, section 645.021, subdivisions 2 and 3, and apply to the election of park commissioners at the 2012 general election and thereafter.

"Sec. 55. Minnesota Statutes 2010, section 103G.2241, subdivision 11, is amended to read:

Subd. 11. **Exemption conditions.** (a) A person conducting an activity in a wetland under an exemption in subdivisions 1 to 10 shall ensure that:

1. appropriate erosion control measures are taken to prevent sedimentation of the water;
2. the activity does not block fish passage in a watercourse; and
3. the activity is conducted in compliance with all other applicable federal, state, and local requirements, including best management practices and water resource protection requirements established under chapter 103H.

(b) An activity is exempt if it qualifies for any one of the exemptions, even though it may be indicated as not exempt under another exemption.

(c) Persons proposing to conduct an exempt activity are encouraged to contact the local government unit or the local government unit's designee for advice on minimizing wetland impacts.

(d) The board shall develop rules that address the application and implementation of exemptions and that provide for estimates and reporting of exempt wetland impacts, including those in section 103G.2241, subdivisions 2, 6, and 9.

(e) Persons proposing to conduct an exempt activity must, prior to commencing the work, complete and provide to their local government a notice, on a form approved and supplied by the Board of Water and Soil Resources, that indicates, at a minimum, the exemption claimed, the location of the claimed exemption, the date or dates of work performed, identification of the individual giving notice, and an estimate of the wetland type and amount of acreage affected. The local government unit may charge a nominal fee for filing the notice, not to exceed $25. The notice requirement does not apply to the exercise of the utilities and public works exemption. For persons claiming the farming exemption, the notice shall be filed once at the commencement of the subject activity and need not be filed..."
again unless the activity or exemption claimed changes. For persons claiming the forestry exemption, the notice requirement applies only to the extent that reporting is not required elsewhere. Failure to file the required notice automatically renders any claimed exemption voidable. The local government unit shall retain the exemption notices for a minimum of ten years or such longer time as necessary to ensure compliance with the exemptions conditions in this chapter.”

Delete everything after the enacting clause and insert the following language of H. F. No. 2094, the first engrossment:

"Section 1. Minnesota Statutes 2010, section 256B.0625, is amended by adding a subdivision to read:

Subd. 9a. **Volunteer dental services.** (a) A dentist not already enrolled as a medical assistance provider who is providing volunteer dental services for an enrolled medical assistance dental provider that is a nonprofit entity or government owned and not receiving payment for the services provided shall complete and submit a volunteer agreement form developed by the commissioner. The volunteer agreement shall be used to enroll the dentist in medical assistance only for the purpose of providing volunteer dental services. The volunteer agreement must specify that a volunteer dentist:

1. will not be listed in the Minnesota health care programs provider directory;

2. will not receive payment for the services the volunteer dentist provides to Minnesota health care program clients; and
(3) is not required to serve Minnesota health care program clients when providing nonvolunteer services in a private practice.

(b) A volunteer dentist enrolled under this subdivision as a fee-for-service provider shall not otherwise be enrolled in or receive payments from Minnesota health care programs as a fee-for-service provider.

c) The volunteer dentist shall be notified by the dental provider for which they are providing services that medical assistance is being billed for the volunteer services provided.

Sec. 2. Minnesota Statutes 2010, section 256B.0644, is amended to read:

256B.0644 REIMBURSEMENT UNDER OTHER STATE HEALTH CARE PROGRAMS.

(a) A vendor of medical care, as defined in section 256B.02, subdivision 7, and a health maintenance organization, as defined in chapter 62D, must participate as a provider or contractor in the medical assistance program, general assistance medical care program, and MinnesotaCare as a condition of participating as a provider in health insurance plans and programs or contractor for state employees established under section 43A.18, the public employees insurance program under section 43A.316, for health insurance plans offered to local statutory or home rule charter city, county, and school district employees, the workers' compensation system under section 176.135, and insurance plans provided through the Minnesota Comprehensive Health Association under sections 62E.01 to 62E.19. The limitations on insurance plans offered to local government employees shall not be applicable in geographic areas where provider participation is limited by managed care contracts with the Department of Human Services.

(b) For providers other than health maintenance organizations, participation in the medical assistance program means that:

(1) the provider accepts new medical assistance, general assistance medical care, and MinnesotaCare patients;

(2) for providers other than dental service providers, at least 20 percent of the provider's patients are covered by medical assistance, general assistance medical care, and MinnesotaCare as their primary source of coverage; or

(3) for dental service providers, at least ten percent of the provider's patients are covered by medical assistance, general assistance medical care, and MinnesotaCare as their primary source of coverage, or the provider accepts new medical assistance and MinnesotaCare patients who are children with special health care needs. For purposes of this section, "children with special health care needs" means children up to age 18 who: (i) require health and related services beyond that required by children generally; and (ii) have or are at risk for a chronic physical, developmental, behavioral, or emotional condition, including: bleeding and coagulation disorders; immunodeficiency disorders; cancer; endocrinopathy; developmental disabilities; epilepsy, cerebral palsy, and other neurological diseases; visual impairment or deafness; Down syndrome and other genetic disorders; autism; fetal alcohol syndrome; and other conditions designated by the commissioner after consultation with representatives of pediatric dental providers and consumers.

(c) Patients seen on a volunteer basis by the provider at a location other than the provider's usual place of practice may be considered in meeting the participation requirement in this section. The commissioner shall establish participation requirements for health maintenance organizations. The commissioner shall provide lists of participating medical assistance providers on a quarterly basis to the commissioner of management and budget, the commissioner of labor and industry, and the commissioner of commerce. Each of the commissioners shall develop and implement procedures to exclude as participating providers in the program or programs under their jurisdiction those providers who do not participate in the medical assistance program. The commissioner of management and budget shall implement this section through contracts with participating health and dental carriers.
(d) For purposes of paragraphs (a) and (b), participation in the general assistance medical care program applies only to pharmacy providers. A volunteer dentist who has signed a volunteer agreement under section 256B.0625, subdivision 9a, shall not be considered to be participating in medical assistance or MinnesotaCare for the purpose of this section."

Subd. 3. Waiver of examination. (a) All or any part of the examination for dentists or dental hygienists, except that pertaining to the law of Minnesota relating to dentistry and the rules of the board, may, at the discretion of the board, be waived for an applicant who presents a certificate of qualification from having passed all components of the National Board of Dental Examiners Examinations or evidence of having maintained an adequate scholastic standing as determined by the board, in dental school as to dentists, or dental hygiene school as to dental hygienists.

(b) The board shall waive the clinical examination required for licensure for any dentist applicant who is a graduate of a dental school accredited by the Commission on Dental Accreditation of the American Dental Association, who has successfully completed passed all components of the National Dental Board Examination Dental Examinations, and who has satisfactorily completed a Minnesota-based postdoctoral general dentistry residency program (GPR) or an advanced education in general dentistry (AEGD) program after January 1, 2004. (c) If the applicant does not demonstrate the minimum knowledge in dental subjects required for licensure under subdivision 1 or 2, the application must be denied. When denying a license, the board may notify the applicant of any specific remedy that the applicant could take which, when passed, would qualify the applicant for licensure. A denial does not prohibit the applicant from applying for licensure under subdivision 1 or 2.

H. F. No. 1236 was reported to the House.

Hamilton moved to amend H. F. No. 1236, the first engrossment, as follows:

Delete everything after the enacting clause and insert:

"Section 1. [151.60] PHARMACY AUDIT INTEGRITY PROGRAM.

The pharmacy audit integrity program is established to provide standards for an audit of pharmacy records carried out by a pharmacy benefits manager or any entity that represents pharmacy benefits managers.

Sec. 2. [151.61] DEFINITIONS.

Subdivision 1. Scope. For the purposes of sections 151.60 to 151.70, the following terms have the meanings given.

Subd. 2. Entity. "Entity" means a pharmacy benefits manager or any person or organization that represents these companies, groups, or organizations.

Subd. 3. Pharmacy benefits manager or PBM. "Pharmacy benefits manager" or "PBM" means a person, business, or other entity that performs pharmacy benefits management. The term includes a person or entity acting for a PBM in a contractual or employment relationship in the performance of pharmacy benefits management.

Subd. 4. Plan sponsor. "Plan sponsor" means the employer in the case of an employee benefit plan established or maintained by a single employer, a group purchaser as defined in section 62J.03, subdivision 6, or the employee organization in the case of a plan established or maintained by an employee organization, an association, joint board trustees, committee, or other similar group that establishes or maintains the plan.
Sec. 3. [151.62] PHARMACY BENEFIT MANAGER CONTRACT.

An amendment to pharmacy audit terms in a contract between a PBM and a pharmacy must be disclosed to the pharmacy at least 60 days prior to the effective date of the proposed change.

Sec. 4. [151.63] PROCEDURE AND PROCESS FOR CONDUCTING AND REPORTING AN AUDIT.

Subdivision 1. Audit procedures. Unless otherwise prohibited by federal requirements or regulations, any entity conducting a pharmacy audit must follow the following procedures.

(1) A pharmacy must be given notice 14 days before an initial on-site audit is conducted.

(2) An audit that involves clinical or professional judgment must be conducted by or in consultation with a licensed pharmacist.

(3) Each pharmacy shall be audited under the same standards and parameters as other similarly situated pharmacies.

Subd. 2. Audit process. Unless otherwise prohibited by federal requirements or regulations, for any entity conducting a pharmacy audit the following audit items apply.

(1) The period covered by the audit may not exceed 24 months from the date that the claim was submitted to or adjudicated by the entity, unless a longer period is required under state or federal law.

(2) If an entity uses random sampling as a method for selecting a set of claims for examination, the sample size must be appropriate for a statistically reliable sample. Notwithstanding section 151.69, the auditing entity shall provide the pharmacy a masked list that provides a prescription number or date range that the auditing entity is seeking to audit.

(3) An on-site audit may not take place during the first five business days of the month unless consented to by the pharmacy.

(4) Auditors may not enter the pharmacy area unless escorted where patient-specific information is available and to the extent possible must be out of sight and hearing range of the pharmacy customers.

(5) Any recoupment will not be deducted against future remittances until after the appeals process and both parties have received the results of the final audit.

(6) A PBM may not require information to be written on a prescription unless the information is required to be written on the prescription by state or federal law. Recoupment may be assessed for items not written on the prescription if:

(i) additional information is required in the provider manual; or

(ii) the information is required by the Food and Drug Administration (FDA); or

(iii) the information is required by the drug manufacturer's product safety program; and

(iv) the information in clauses (i), (ii), or (iii) is not readily available for the auditor at the time of the audit.

(7) The auditing company or agent may not receive payment based on a percentage of the amount recovered. This section does not prevent the entity conducting the audit from charging or assessing the responsible party, directly or indirectly, based on amounts recouped if both of the following conditions are met:
(i) the plan sponsor and the entity conducting the audit have a contract that explicitly states the percentage charge or assessment to the plan sponsor; and

(ii) a commission to an agent or employee of the entity conducting the audit is not based, directly or indirectly, on amounts recouped.

Sec. 5. [151.64] REQUIREMENTS FOR RECOUPMENT OR CHARGEBACK.

For recoupment or chargeback, the following criteria apply.

(1) Audit parameters must consider consumer-oriented parameters based on manufacturer listings.

(2) A pharmacy's usual and customary price for compounded medications is considered the reimbursable cost unless the pricing methodology is outlined in the provider contract.

(3) A finding of overpayment or underpayment must be based on the actual overpayment or underpayment and not a projection based on the number of patients served having a similar diagnosis or on the number of similar orders or refills for similar drugs.

(4) The entity conducting the audit shall not use extrapolation in calculating the recoupment or penalties for audits unless required by state or federal law or regulations.

(5) Calculations of overpayments must not include dispensing fees unless a prescription was not actually dispensed; the prescriber denied authorization; the prescription dispensed was a medication error by the pharmacy; or the identified overpayment is solely based on an extra dispensing fee.

(6) An entity may not consider any clerical or record-keeping error, such as a typographical error, scrivener's error, or computer error regarding a required document or record as fraud, however such errors may be subject to recoupment.

(7) In the case of errors that have no actual financial harm to the patient or plan, the PBM must not assess any chargebacks. Errors that are a result of the pharmacy failing to comply with a formal corrective action plan may be subject to recovery.

(8) Interest may not accrue during the audit period for either party, beginning with the notice of the audit and ending with the final audit report.

Sec. 6. [151.65] DOCUMENTATION.

(a) To validate the pharmacy record and delivery, the pharmacy may use authentic and verifiable statements or records including medication administration records of a nursing home, assisted living facility, hospital, physician, or other authorized practitioner or additional audit documentation parameters located in the provider manual.

(b) Any legal prescription that meets the requirements in this chapter may be used to validate claims in connection with prescriptions, refills, or changes in prescriptions, including medication administration records, faxes, e-prescriptions, or documented telephone calls from the prescriber or the prescriber's agents.

Sec. 7. [151.66] APPEALS PROCESS.

The entity conducting the audit must establish a written appeals process which must include appeals of preliminary reports and final reports.
Sec. 8. [151.67] AUDIT INFORMATION AND REPORTS.

(a) A preliminary audit report must be delivered to the pharmacy within 60 days after the conclusion of the audit.

(b) A pharmacy must be allowed at least 45 days following receipt of the preliminary audit to provide documentation to address any discrepancy found in the audit.

(c) A final audit report must be delivered to the pharmacy within 120 days after receipt of the preliminary audit report or final appeal, whichever is later.

(d) An entity shall remit any money due to a pharmacy or pharmacist as a result of an underpayment of a claim within 45 days after the appeals process has been exhausted and the final audit report has been issued.

Sec. 9. [151.68] DISCLOSURES TO PLAN SPONSOR.

Where contractually required, an auditing entity must provide a copy to the plan sponsor of its claims that were included in the audit, and any recouped money shall be returned to the plan sponsor.

Sec. 10. [151.69] APPLICABILITY OF OTHER LAWS AND REGULATIONS.

Sections 151.62 to 151.67 do not apply to any investigative audit that involves suspected fraud, willful misrepresentation, abuse, or any audit completed by Minnesota health care programs.

Sec. 11. [151.70] VIOLATIONS.

Violations of sections 151.62 to 151.68 may be grounds for action, but are not deemed misdemeanors as described in section 151.29.”
