Sec. 6. [473J.01] PURPOSE.

The purpose of this chapter is to provide for the construction, financing, and long-term use of a stadium and related stadium infrastructure as a venue for professional football and a broad range of other civic, community, athletic, educational, cultural, and commercial activities. The legislature finds and declares that the expenditure of public money for this purpose is necessary and serves a public purpose, and that property acquired by the Minnesota Stadium Authority for the construction of the stadium and related stadium infrastructure is acquired for a public use or public purpose under chapter 117. The legislature further finds and declares that any provision in a lease or use agreement with a professional football team that requires the team to play all of its home games in a publicly funded stadium for the duration of the lease or use agreement, with the occasional exception of a game played elsewhere as set forth in such agreement, serves a unique public purpose for which the remedies of specific performance and injunctive relief are essential to its enforcement. The legislature further finds and declares that government assistance to facilitate the presence of professional football provides to the state of Minnesota and its citizens highly
valued intangible benefits that are virtually impossible to quantify and, therefore, not recoverable even if the
government receives monetary damages in the event of a team's breach of contract. Minnesota courts are, therefore,
charged with protecting those benefits through the use of specific performance and injunctive relief as provided in
this chapter and in the lease and use agreements.

The executive director serves at the pleasure of the authority and receives compensation as determined by the authority. The executive director may be responsible for the operation, management, and promotion of activities of the authority, as prescribed by the authority. The executive director has the powers necessarily incident to the performance of duties required and powers granted by the authority, but does not have authority to incur liability or make expenditures on behalf of the authority without general or specific directions by the authority, as shown by the bylaws or minutes of a meeting of the authority. The executive director is responsible for hiring, supervision, and dismissal of all other employees of the authority.

Subd. 9. Web site. The authority shall establish a Web site for purposes of providing information to the public concerning all actions taken by the authority. At a minimum, the Web site must contain a current version of the authority’s bylaws, notices of upcoming meetings, minutes of the authority’s meetings, and contact telephone, electronic mail, and facsimile numbers for public comments.

The authority may acquire, by the exercise of condemnation powers under chapter 117, land, other real property, air rights, personal property, and other right, title, and interest in property, within the stadium site and stadium infrastructure.

**Subd. 3. Disposition of property.** The authority may sell, lease, or otherwise dispose of any real or personal property acquired by the authority that is no longer required for accomplishment of the authority's purposes. The property may be sold in accordance with the procedures provided by section 469.065, except subdivisions 6 and 7, to the extent the authority deems it to be practical and consistent with this chapter. Title to the stadium must not be transferred or sold by the authority prior to the effective date of enactment of any legislation approving such transfer or sale.

**Subd. 4. Data practices; open meetings.** Except as otherwise provided in this chapter, the authority is subject to chapters 13 and 13D.

Gifts, grants, loans.** The authority may accept monetary contributions, property, services, and grants or loans of money or other property from the United States, the state, any subdivision of the state, any agency of those entities, or any person for any of its purposes, and may enter into any agreement required in connection with the gifts, grants, or loans. The authority shall hold, use, and dispose of the money, property, or services according to the terms of the monetary contributions, grant, loan, or agreement.

**Subd. 8. Use agreements.** The authority may lease, license, or enter into use agreements and may fix, alter, charge, and collect rents, fees, and charges for the use, occupation, and availability of part or all of any premises, property, or facilities under its ownership, operation, or control for purposes that will provide athletic, educational,
cultural, commercial, or other entertainment, instruction, or activity for the citizens of Minnesota and visitors. The use agreements may provide that the other contracting party has exclusive use of the premises at the times agreed upon, as well as the right to retain some or all revenues from ticket sales, suite licenses, concessions, advertising, naming rights, NFL team designated broadcast/media, club seats, signage, and other revenues derived from the stadium. The lease or use agreement with an NFL team must provide for the payment by the NFL team of an agreed-upon portion of operating and maintenance costs and expenses and provide other terms in which the authority and NFL team agree. In no case may a lease or use agreement permit smoking in the stadium.

Subd. 9. **Research.** The authority may conduct research studies and programs; collect and analyze data; prepare reports, maps, charts, and tables; and conduct all necessary hearings and investigations in connection with its functions.

Subd. 10. **Insurance.** The authority may require any employee to obtain and file with the authority an individual bond or fidelity insurance policy. The authority may procure insurance in the amounts the authority considers necessary against liability of the authority or its officers and employees for personal injury or death and property damage or destruction, consistent with chapter 466, and against risks of damage to or destruction of any of its facilities, equipment, or other property.

Subd. 11. **Exemption from Metropolitan Council review; Business Subsidy Act.** The acquisition and betterment of a stadium and stadium infrastructure by the authority must be conducted pursuant to this chapter and are not subject to sections 473.165 and 473.173. Section 116J.994 does not apply to any transactions of the authority or other governmental entity related to the stadium or stadium infrastructure or to any tenant or other users of the stadium or stadium infrastructure.

Subd. 12. **Incidental powers.** In addition to the powers expressly granted in this chapter, the authority has all powers necessary or incidental thereto.

Subd. 13. **Transfers to the authority.** In addition to any other payments required under this act, for operating years 2016 to 2020, the NFL team shall annually transfer to the authority amounts equal to the city of Minneapolis share of operating costs and capital reserves. These amounts shall be repaid to the NFL team by the state on behalf of the city of Minneapolis through a repayment schedule to be specified in law, and agreed to in all subsequent agreements between the city and the NFL team.

Sec. 11. **[473J.11] STADIUM DESIGN AND CONSTRUCTION.**

Subdivision 1. **Contracts.** (a) The design, development, and construction of the stadium shall be a collaborative process between the authority and the NFL team. The authority and the NFL team shall establish a process to reach consensus on key elements of the stadium program and design, development, and construction.

(b) Unless the authority and the NFL team agree otherwise:

(1) the authority shall create a stadium design and construction group, including representatives of the authority and the NFL team, to manage the design of the stadium and oversee construction;

(2) this group shall engage an owner's representative to act on behalf of the group. The cost of the owner's representative shall be a stadium cost; and

(3) the authority and the NFL team shall enter into a development administration agreement providing for rights and responsibilities of the authority and the NFL team, the design and construction group, and the owner's representative for design and construction of the stadium, including but not limited to establishment of minimum design standards. This development administration agreement shall provide for binding arbitration in the event that the authority and the NFL team are unable to agree on minimum design standards or other material aspects of the design.
(c) The authority may enter into an agreement with the NFL team and any other entity relating to the design, construction, financing, operation, maintenance, and use of the stadium and related facilities and stadium infrastructure. The authority may contract for materials, supplies, and equipment in accordance with section 471.345, except that the authority may employ or contract with persons, firms, or corporations to perform one or more or all of the functions of architect, engineer, construction manager, or program manager with respect to all or any part of the design, construction, financing, operation, maintenance, and use of the stadium and stadium infrastructure under the traditional separate design and build, integrated design-build, construction manager at risk, or public/private partnership (P3) structures, or a combination thereof.

(d) The authority and the NFL team shall prepare a request for proposals for one or more of the functions described in paragraph (c). The request must be published in the State Register and shall include, at a minimum, such requirements that are agreed to by the authority and the NFL team. The authority and the NFL team may prequalify offerors by issuing a request for qualifications, in advance of the request for proposals, and select a short list of responsible offerors prior to discussions and evaluations.

(e) As provided in the request for proposals, the authority, and the NFL team, may conduct discussions and negotiations with responsible offerors in order to determine which proposal is most advantageous to the authority and the NFL team and to negotiate the terms of an agreement. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors and the content of all proposals is nonpublic data under chapter 13 until such time as a notice to award a contract is given by the authority. The agreement shall be subject to the approval of the NFL team.

(f) Prior to the time the authority enters into a construction contract with a construction manager or program manager certifying a maximum price and a completion date as provided in paragraph (h), at the request of the NFL team, the authority may authorize, such authorization not to be unreasonably withheld or delayed, the NFL team to provide for management of the construction of the stadium and related stadium infrastructure, in which event the NFL team must assume the role and responsibilities of the authority for completion of construction in a manner consistent with the agreed minimum design standards and design documents, subject to the terms of this act, including responsibility for cost overruns.

(g) The construction manager or program manager may enter into contracts with contractors for labor, materials, supplies, and equipment for the construction of the stadium and related stadium infrastructure through the process of public bidding, except that the construction manager or program manager may, with the consent of the authority or the NFL team if the NFL team has assumed responsibility for construction:

1. narrow the listing of eligible bidders to those which the construction manager or program manager determines to possess sufficient expertise to perform the intended functions;

2. award contracts to the contractors that the construction manager or program manager determines provide the best value under a request for proposals as described in section 16C.28, subdivision 1, paragraphs (a), clause (2), and (c), which are not required to be the lowest responsible bidder; and

3. for work the construction manager or program manager determines to be critical to the completion schedule, award contracts on the basis of competitive proposals, or perform work with its own forces without soliciting competitive bids if the construction manager or program manager provides evidence of competitive pricing.

(h) The authority and the NFL team shall require that the construction manager or program manager certify, before the contract is signed, a fixed and stipulated construction price and completion date to the authority and post a performance bond in an amount at least equal to 100 percent of the certified price or such other security satisfactory to the authority, to cover any costs which may be incurred in excess of the certified price including, but not limited to, costs incurred by the authority or loss of revenues resulting from incomplete construction on the
completion date. The authority may secure surety bonds as provided in section 574.26, securing payment of just claims in connection with all public work undertaken by the authority. Persons entitled to the protection of the bonds may enforce them as provided in sections 574.28 to 574.32 and are not entitled to a lien on any property of the authority under the provisions of sections 514.01 to 514.16. The construction of the stadium is a project as that term is defined in section 177.42, subdivision 2, and is subject to the prevailing wage law under sections 177.41 to 177.43.

Subd. 2. Changes. Unless otherwise agreed to by the authority and the NFL team, if either party requests an agreed upon change in minimum design standards, and this change is responsible for requiring the project to exceed the stated budget, the requesting party is liable for any cost overruns or associated liabilities.

Subd. 3. Stadium design. The stadium and stadium infrastructure shall be designed and constructed incorporating the following general program and design elements:

(1) Unless otherwise agreed to by the authority and the NFL team, the stadium shall comprise approximately 1,500,000 square feet with approximately 65,000 seats, expandable to 72,000, shall meet or exceed NFL program requirements, and include approximately 150 suites and approximately 7,500 club seats or other such components as agreed to by the authority and the NFL team;

(2) space for NFL team-related exhibitions and sales, which shall include the following: NFL team museum and Hall of Fame, retail merchandise and gift shop retail venues, and themed concessions and restaurants;

(3) year-round space for the NFL team administrative operations, sales, and marketing, including a ticket office, team meeting space, locker, and training rooms;

(4) space for administrative offices of the authority;

(5) 2,000 parking spaces within one block of the stadium, connected by skyway or tunnel to the stadium, and 500 parking spaces within two blocks of the stadium, with a dedicated walkway on game days;

(6) elements sufficient to provide community and civic uses as determined by the authority; and

(7) a roof that is fixed or retractable, provided that if the roof is retractable, it is accomplished without any increase to the funding provided by the state or the city.

Subd. 4. Cost overruns, savings. The authority may accept financial obligations relating to cost overruns associated with acquisition of the stadium site, stadium infrastructure, and stadium design, development, and construction, provided that the authority shall not accept responsibility for cost overruns and shall not be responsible for cost overruns if the authority has authorized the NFL team to provide for management of construction of the stadium under section 473J.11, subdivision 1. Cost savings or additional funds obtained by the authority or the NFL team for the stadium or stadium infrastructure may be used first to fund additional stadium or stadium infrastructure, as agreed to by the authority and the NFL team, if any, and then to fund capital reserves.

Sec. 12. [473J.112] COMMEMORATIVE BRICKS.

The authority shall sell commemorative bricks to be displayed at a prominent location in the new stadium, for an amount to be determined by the authority. The authority shall work with the commissioner to ensure that purchase of a brick is a tax deductible donation on the part of the donating person or organization. Funds raised through this section shall be appropriated to the commissioner of management and budget for a grant to the Minnesota Stadium Authority.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 13. [473J.12] EMPLOYMENT.

Subdivision 1. Hiring and recruitment. In the design, development, construction, management, operation, maintenance and capital repair, replacement and improvement of the stadium and stadium infrastructure, the authority shall make every effort to employ, and cause the NFL team, the construction manager and other subcontractors, vendors, and concessionaires to employ women and members of minority communities when hiring. Further, goals for construction contracts to be awarded to women- and minority-owned businesses will be in a percentage at least equal to the minimum used for city of Minneapolis development projects, and the other construction workforce will establish workforce utilization goals at least equal to current city goals and include workers from city zip codes that have high rates of poverty and unemployment.

Subd. 2. Other required agreements. The NFL team or the authority shall give food, beverage, retail, and concession workers presently employed by the NFL team or the Metropolitan Sports Facilities Commission or its vendors at the existing football stadium the opportunity to continue their employment in comparable positions at the new stadium. Workers who are presently represented under a collective bargaining agreement may seek to continue such representation in the facility and designate such, or another collective bargaining unit, as their representative.

Sec. 14. [473J.13] STADIUM OPERATIONS; CAPITAL IMPROVEMENTS.

Subdivision 1. Stadium operation. The stadium shall be operated in a first-class manner, similar to and consistent with other comparable NFL stadiums, such as the stadium currently known as Lucas Oil Field. The authority and the team will mutually agree on a third-party management company or individual to manage the stadium and on certain major vendors to the stadium. The authority, with the approval of the NFL team, may enter into an agreement with a program manager for management of the stadium, for a maximum of 30 years.

Subd. 2. Operating expenses. (a) The authority must pay or cause to be paid all operating expenses of the stadium. The authority must require in the lease or use agreement with the NFL team that the NFL team pay the authority, beginning January 1, 2016, or other date as mutually agreed upon by the parties, toward operating costs of the stadium, $8,500,000 each year, increased by a three percent annual inflation rate.

(b) Beginning January 1, 2016, or other date as mutually agreed upon by the parties, and continuing through 2020, the NFL team shall pay the authority operating expenses, $6,000,000 each year, increased by an annual adjustment factor. The payment of $6,000,000 per year beginning in 2016 is a payment by the team, which shall be repaid to the team by the state, using funds as provided under section 297A.994, subdivision 4, clause (4). After 2020, the state shall assume this payment, using funds generated in accordance with the city of Minneapolis as specified under section 287A.994.

(c) The authority may establish an operating reserve to cover operating expense shortfalls and may accept funds from any source for deposit in the operating reserve. The establishment or funding of an authority operating reserve must not decrease the amounts required to be paid to the authority toward operating costs under this subdivision unless agreed to by the authority.

(d) The authority will be responsible for operating cost overruns.

(e) After the joint selection of the third-party manager or program manager, the authority may agree with a program manager or other third-party manager of the stadium on a fixed cost operating, management, or employment agreement with operating cost protections under which the program manager or third-party manager assumes responsibility for stadium operating costs and shortfalls. The agreement with the manager must require the manager to prepare an initial and ongoing operating plan and operating budgets for approval by the authority in consultation with the NFL team. The manager must agree to operate the stadium in accordance with the approved operating plan and operating budget.
Subd. 3. Public access. The authority will work to maximize access for public and amateur sports, community, and civic events, and other public events in type and on terms consistent with those currently held at the existing football stadium, as defined in section 473.551, subdivision 9. The authority may provide that these events have exclusive use of the premises at agreed-upon times subject to the scheduling rights of the NFL team under the lease or use agreement.

Subd. 4. Capital improvements. (a) The authority shall establish a capital reserve fund. The authority shall be responsible for making, or for causing others to make, all capital repairs, replacements, and improvements for the stadium and stadium infrastructure. The authority shall maintain, or cause others to maintain, the stadium and stadium infrastructure in a safe, clean, attractive, and first-class manner so as to cause them to remain in a condition comparable to that of other comparable NFL facilities of similar design and age. The authority shall make, or cause others to make, all necessary or appropriate repairs, renewals, and replacements, whether structural or nonstructural, interior or exterior, ordinary or extraordinary, foreseen or unforeseen, in a prompt and timely manner. In addition, the authority, with approval of the NFL team, may enter into an agreement with a program manager to perform some or all of the responsibilities of the authority in this subdivision and to assume and accept financial liability for the cost of performing the responsibilities.

(b) The NFL team must contribute $1,500,000 each year, beginning in 2016 or as otherwise determined for the term of the lease or use agreement to the operating reserve fund, increased by a three percent annual inflation rate.

(c) The state shall contribute $1,500,000 each year, beginning in 2016 or as otherwise determined for the term of the lease to the operating reserve fund. The contributions of the state are subject to increase by an annual adjustment factor. The contribution under this paragraph shall be assumed by the team from 2016 through 2020, and repaid to the team by the state using funds in accordance with section 297A.994, subdivision 4, clause (4).

(d) The authority with input from the NFL team shall develop short-term and long-term capital funding plans and shall use those plans to guide the future capital needs of the stadium and stadium infrastructure. The authority shall make the final determination with respect to funding capital needs. Any capital improvement proposed by the NFL team intended primarily to provide revenue enhancements to the NFL team shall be paid for by the NFL team, unless otherwise agreed to with the authority.

Subd. 5. Game-day payments. In addition to operating expense contributions of the NFL team under subdivision 2, the NFL team shall pay all NFL game day, NFL team-owned major league soccer, as provided in section 473.15, subdivision 15, and other NFL team-sponsored event expenses within the stadium and stadium plaza areas.

Subd. 6. Cooperation with financing. The authority will cooperate with the NFL team to facilitate the financing of the NFL team’s contribution. Such agreement to cooperate shall not require the authority to incur any additional costs or provide conduit financing. The lease, license, and other transaction documents shall include provisions customarily required by lenders in stadium financings.

Sec. 15. [473J.15] CRITERIA AND CONDITIONS.

Subdivision 1. Binding and enforceable. In developing the stadium and entering into related contracts, the authority must follow and enforce the criteria and conditions in this section, provided that a determination by the authority that those criteria or conditions have been met under any agreement or otherwise shall be conclusive.

Subd. 2. NFL team/private contribution; timing of expenditures. (a) The NFL team/private contribution, including stadium builder license proceeds, for stadium costs must be made in cash in the amount of at least $427,000,000.
(b) Prior to the initial deposit of funds under this section, the team must provide security or other credit worthiness in the amount of $50,000,000, subject to the satisfaction of the authority. Prior to the first issuance of bonds under section 16A.965, the first portion of the NFL team/private contribution in the amount of $50,000,000 must be deposited as costs are incurred to the construction fund to pay for the initial stadium costs.

(c) After the first $50,000,000 of stadium costs have been paid from the initial NFL team/private contribution, state funds shall be deposited as costs are incurred to the construction fund to pay for the next $50,000,000 of costs of the project. Prior to any state funds being deposited in the construction fund, the NFL team must provide security or a financing commitment reasonably satisfactory to the authority for the balance of the required NFL team/private contribution and for payment of cost overruns if the NFL team assumes responsibility for stadium construction under section 473J.11. Thereafter, budgeted project costs shall be borne by the authority and the NFL team/private contributions in amounts proportionate to their remaining funding commitments.

(d) In the event the project terminates before the initial $100,000,000 in contributions are expended by the parties under this subdivision, the parties shall be reimbursed in the amounts they have deposited to the construction fund proportionate to project funding percentages, in the amounts of 56 percent by the authority and 44 percent by the NFL team/private contributions.

Subd. 3. Lease or use agreements; 30-year term. The authority must enter into a long-term lease or use agreement with the NFL team for the NFL team's use of the stadium. The NFL team must agree to play all preseason, regular season, and postseason home games at the stadium. Training facilities must remain in Minnesota during the term of the lease or use agreement. The lease or use agreement must be for a term of at least 30 years from the date of substantial completion of the stadium for professional football games. The lease or use agreement may provide options for the NFL team to extend the term for up to four additional periods of five years. The lease or use agreement must include terms for default, termination, and breach of the agreement. Recognizing that the presence of professional football provides to the state of Minnesota and its citizens highly valued, intangible benefits that are virtually impossible to quantify and, therefore, not recoverable in the event of the NFL team owner's breach of contract, the lease and use agreements must provide for specific performance and injunctive relief to enforce provisions relating to use of the stadium for professional football and must not include escape clauses or buyout provisions. The NFL team must not enter into or accept any agreement or requirement with or from any entity that is inconsistent with the NFL team's binding commitment to the 30-year term of the lease or use agreement or that would in any manner dilute, interfere with, or negate the provisions of the lease or use agreement, providing for specific performance or injunctive relief. The legislature conclusively determines, as a matter of public policy, that the lease or use agreement, and any grant agreement under this chapter that includes a specific performance clause:

(1) explicitly authorizes specific performance as a remedy for breach;

(2) is made for adequate consideration and upon terms which are otherwise fair and reasonable;

(3) has not been included through sharp practice, misrepresentation, or mistake;

(4) if specifically enforced, does not cause unreasonable or disproportionate hardship or loss to the NFL team or to third parties; and

(5) involves performance in a manner and the rendering of services of a nature and under circumstances that the beneficiary cannot be adequately compensated in damages.

Subd. 4. Lease or use agreements; revenues, payments. A lease or use agreement shall include rent and other fees and expenses to be paid by the NFL team. The authority shall agree to provide in the lease or use agreement for the NFL team to receive all NFL and team event related revenues, including but not limited to, suite revenues, advertising, concessions, signage, broadcast and media, and club seat revenue. The agreement shall also provide
that all naming rights to the stadium are retained by the NFL team, subject to the approval of the name or names by the authority consistent with those criteria set out in the lease or use agreement. The agreement shall provide for the authority to receive all general ticket revenues and other event revenues other than from NFL team games, NFL team-owned major league soccer games, and other NFL team events agreed to by the authority. The stadium authority, or any company managing the stadium facilities on behalf of the authority, shall provide a public notice and seek a formal solicitation for requests for proposals for any contracts for goods, services, sponsorships, or advertising or signage rights at the stadium in excess of $25,000 in accordance with the definitions and terms set forth in chapter 16C, with the stadium authority acting as the responsible authority for seeking any such formal solicitations and awarding any such contracts pursuant to such solicitations.

Subd. 5. Notice of breach or default. Until 30 years from the date of stadium completion, the NFL team must provide written notice to the authority not less than 180 days prior to any action, including any action imposed upon the NFL team by the NFL, which would result in a breach or default of provisions of the lease or use agreements required to be included under subdivision 3. If this notice provision is violated and the NFL team has already breached or been in default under the required provisions, the authority or the state of Minnesota may specifically enforce the lease or use agreement and Minnesota courts shall fashion equitable remedies so that the NFL team fulfills the conditions of the lease and use agreements.

Subd. 6. Enforceable financial commitments. The authority must determine before stadium construction begins that all public and private funding sources for construction, operating expenses, and capital improvements and repairs of the stadium are included in written agreements. The committed funds must be adequate to design, construct, furnish, and equip the stadium, and pay projected operating expenses and the costs of capital improvements and repairs during the term of the lease or use agreement with the NFL team. The NFL team must provide the authority access to NFL team financial or other information, which the authority deems necessary for such determination. Any financial information obtained by the authority under this subdivision is nonpublic data under section 13.02, subdivision 9.

Subd. 7. Environmental requirements. The authority must comply with all environmental requirements imposed by regulatory agencies for the stadium, site, and structure, except as provided by section 473J.09, subdivision 11, or by section 473J.17.

Subd. 8. Public share on sale of NFL team. The lease or use agreement must provide that, if the NFL team is sold or an interest in the NFL team is sold after the effective date of this chapter, a portion of the sale price must be paid to the authority and deposited in a reserve fund for improvements to the stadium or expended as the authority may otherwise direct. The portion required to be so paid to the authority is 18 percent of the amount in excess of the purchase price of the NFL team by the selling owner or owners, declining to zero 15 years after commencement of stadium construction in increments of 1.2 percent each year. The agreement must provide exceptions for sales to members of the owners’ family and entities and trusts beneficially owned by family members, sales to employees of equity interests aggregating up to ten percent, sales related to capital infusions not distributed to the owners, and sales amongst existing owners not exceeding 20 percent equity interest in the NFL team.

Subd. 9. Authority’s access to NFL team financial information. A notice provision for a material breach shall be agreed to between the authority and the NFL team. In the event there is a material breach by the NFL team under the lease or use agreement, the lease or use agreement must provide the authority access to audited financial statements of the NFL team and other financial information that the authority deems necessary to enforce the terms of any lease or use agreements. Any financial information obtained by the authority under this subdivision is nonpublic data under section 13.02, subdivision 9.

Subd. 10. NFL team name retained. The lease or use agreement must provide that the NFL team and NFL will transfer to the state of Minnesota the Minnesota Vikings' heritage and records, including the name, logo, colors, history, playing records, trophies, and memorabilia in the event of relocation of the NFL team in violation of the lease or use agreement.
Subd. 11. **Stadium design.** (a) The authority and the NFL team will strive to build a stadium that is environmentally and energy efficient and will make an effort to build a stadium that is eligible to receive the Leadership in Energy and Environmental Design (LEED) certification for environmental design, and to the extent practicable, will strive to make the stadium design architecturally significant.

(b) The stadium design must, to the extent feasible, follow sustainable building guidelines established under section 16B.325.

(c) The authority and the team must ensure that the stadium be built with American-made steel that is made from Minnesota iron ore.

Subd. 12. **Necessary approvals.** The authority and the NFL team must secure any necessary approvals to the terms of the lease and use agreement and the design and construction plans for the stadium, including prior approval of the NFL.

Subd. 13. **Affordable access.** The lease or use agreement must provide for an agreed-upon number of affordable tickets to the professional sporting events held in the stadium.

Subd. 14. **Stadium builder's licenses.** The authority shall own and retain the exclusive right to sell stadium builder's licenses in the stadium. The authority will retain the NFL team to act as the authority's agent in marketing and selling such licenses.

Subd. 15. **Major league soccer.** The authority shall, for five years after the first NFL team home game is played in the stadium, grant the NFL team the exclusive right to establish major league soccer at the stadium. The authority and the NFL team may enter into an agreement providing the terms and conditions of such an arrangement, provided:

(1) if any of the NFL team owners whose family owns at least three percent of the NFL team purchases full or partial ownership in a major league soccer franchise, such franchise may play in the stadium under a use agreement with similar terms as are applicable to the NFL team at no additional rent, but including a provision of payment of game-day costs and reasonable marginal costs incurred by the authority as a result of the major league soccer team; and

(2) capital improvements required by a major league soccer franchise must be financed by the owners of the major league soccer team, unless otherwise agreed to by the authority.

Subd. 16. **NFL team-related entities.** Subject to the prior approval of the authority, which shall not be unreasonably withheld, any of the obligations by the NFL team may be performed by the NFL team, a related entity, or a third party, and the NFL team, any entity related to the NFL team or third party may receive any revenues to which the NFL team is entitled hereunder; provided, however, the NFL team shall remain liable if any obligations are assigned to a related entity or third party.

Sec. 16. [473J.17] MUNICIPAL ACTIVITIES.

Subdivision 1. **Property acquisition and disposition.** The city may, to the extent legally permissible, acquire land, air rights, and other property interests within the development area for the stadium site and stadium infrastructure and convey it to the authority with or without consideration, prepare a site for development as a stadium, and acquire and construct any related stadium infrastructure. To the extent property parcels or interests acquired are more extensive than the stadium infrastructure requirements, the city may sell or otherwise dispose of the excess.
Subd. 2. **Claims.** Except as may be mutually agreed to by the city and the authority, the city has no interest in or claim to any assets or revenues of the authority.

Subd. 3. **Environmental; planning and zoning.** The authority is the responsible governmental unit for an environmental impact statement for the stadium prepared under section 116D.04, if an environmental impact statement is necessary. Notwithstanding section 116D.04, subdivision 2b, and implementing rules: (1) the environmental impact statement shall not be required to consider alternative stadium sites; and (2) the environmental impact statement must be determined to be adequate before commencing work on the foundation of the stadium, but the stadium and stadium infrastructure may otherwise be started and all preliminary and final government decisions and actions may be made and taken including, but not limited to, acquiring land; obtaining financing; granting permits or other land use approvals; entering into grant, lease, or use agreements; or preparing the site or related stadium infrastructure prior to a determination of the adequacy of the environmental impact statement.

Subd. 4. **Local government expenditure.** The city may make expenditures or grants for other costs incidental and necessary to further the purposes of this chapter and may, by agreement, reimburse in whole or in part, any entity that has granted, loaned, or advanced funds to the city to further the purposes of this chapter. The city may reimburse the authority or a local governmental entity or make a grant to the authority or such a governmental unit or be reimbursed by the authority or local governmental entity for site acquisition, preparation of the site for stadium development, and stadium infrastructure.

Subd. 5. **Municipal authority.** The legislature intends that, except as expressly limited herein, the city may acquire and develop stadium infrastructure, enter into contracts with the authority and other governmental or nongovernmental entities, appropriate funds, and make employees, consultants, and other revenues available for those purposes.

Subd. 6. **Stadium Implementation Committee; city review.** In order to accomplish the objectives of this act within the required time frame, it is necessary to establish an alternative process for municipal land use and development review. It is hereby found and declared that the construction of a stadium within the development area is consistent with the adopted area plan, is the preferred stadium location, and is a permitted land use. This subdivision establishes a procedure for all land use and development reviews and approvals by the city of Minneapolis for the stadium and related stadium infrastructure and supersedes all land use and development rules and restrictions and procedures imposed by other law, charter, or ordinance, including without limitation section 15.99. No later than 30 days after timely compliance of the city as provided in article 4, section 4, of this act, the city of Minneapolis shall establish a stadium implementation committee to make recommendations on the design plans submitted for the stadium, and stadium infrastructure, and related improvements. The implementation committee must take action to issue its recommendations within the time frames established in the planning and construction timetable issued by the authority which shall provide for no less than 60 days for the committee's review. The recommendations of the implementation committee shall be forwarded to the city of Minneapolis Planning Commission for an advisory recommendation and then to the city council for final action in a single resolution, which final action must be taken within 45 days of the submission of the recommendations to the planning commission. The city council shall not impose any unreasonable conditions on the recommendations of the implementation committee, nor take any action or impose any conditions that will result in delay from the time frames established in the planning and construction timetable or in additional overall costs. Failure of the city council to act within the 45-day period shall be deemed to be approval. The authority may seek de novo review in the district court of any city council action. The district court or any appellate court shall expedite review to the maximum extent possible and timely issue relief, orders, or opinions as necessary to give effect to the provisions and objectives in this act.
Sec. 17. [473J.19] PROPERTY TAX EXEMPTION; SPECIAL ASSESSMENTS.

Any real or personal property acquired, owned, leased, controlled, used, or occupied by the authority for any of the purposes of this chapter, is acquired, owned, leased, controlled, used, and occupied for public, governmental, and municipal purposes. The stadium and stadium infrastructure are exempt from ad valorem taxation by the state or any political subdivision of the state provided that the properties are subject to special assessments levied by a political subdivision for a local improvement in amounts proportionate to and not exceeding the special benefit received by the properties from the improvement. No possible use of any of the properties in any manner different from their use under this chapter may be considered in determining the special benefit received by the properties. Notwithstanding section 272.01, subdivision 2, or 273.19, real or personal property which is subject to a lease or use agreement between the authority and another person for uses related to the purposes of this chapter, including the operation of the stadium and related parking facilities, is exempt from taxation regardless of the length of the lease or use agreement or the characteristics of the entity leasing or using the property. This section, insofar as it provides an exemption or special treatment, does not apply to any real property that is leased for residential, business, or commercial development or to a restaurant that is open for general business more than 200 days a year, or other purposes different from those contemplated in this chapter.

Sec. 18. [473J.21] LIQUOR LICENSES.

At the request of the authority, the city may issue intoxicating liquor licenses that are reasonably requested for the premises of the stadium site. These licenses are in addition to the number authorized by law. All provisions of chapter 340A not inconsistent with this section apply to the licenses authorized under this section.

Sec. 19. [473J.23] LOCAL TAXES.

No new or additional local sales or use tax shall be imposed on sales at the stadium site unless the tax is applicable throughout the taxing jurisdiction. **ARTICLE 2**

**STATE STADIUM FUNDING**

Section 1. **[16A.965] STADIUM APPROPRIATION BONDS.**

Subdivision 1. **Definitions.** (a) The definitions in this subdivision and in chapter 473J apply to this section.

(b) "Appropriation bond" means a bond, note, or other similar instrument of the state payable during a biennium from one or more of the following sources:

1. money appropriated by law from the general fund, including, without limitation, revenues deposited in the general fund as provided in articles 4 and 5, in any biennium for debt service due with respect to obligations described in subdivision 2, paragraph (b);

2. proceeds of the sale of obligations described in subdivision 2, paragraph (b);

3. payments received for that purpose under agreements and ancillary arrangements described in subdivision 2, paragraph (d); and

4. investment earnings on amounts in clauses (1) to (3).

(c) "Debt service" means the amount payable in any biennium of principal, premium, if any, and interest on appropriation bonds.

Subd. 2. **Authorization to issue appropriation bonds.** (a) Subject to the limitations of this subdivision, the commissioner may sell and issue appropriation bonds of the state under this section for public purposes as provided by law, including, in particular, the financing of all or a portion of the acquisition, construction, improving, and equipping of the stadium project of the Minnesota Stadium Authority as provided by chapter 473J. Proceeds of the appropriation bonds must be credited to a special appropriation stadium bond proceeds fund in the state treasury. Net income from investment of the proceeds, as estimated by the commissioner, must be credited to the special appropriation stadium bond proceeds fund.

(b) Appropriation bonds may be sold and issued in amounts that, in the opinion of the commissioner, are necessary to provide sufficient funds, not to exceed $548,000,000 net of costs of issuance, deposits for debt service reserve funds, and costs of credit enhancement for achieving the purposes authorized as provided under paragraph (a), and pay debt service, pay costs of issuance, make deposits to reserve funds, pay the costs of credit enhancement, or make payments under other agreements entered into under paragraph (d); provided, however, that appropriation bonds issued and unpaid shall not exceed $650,000,000 in principal amount, excluding refunding bonds sold and issued under subdivision 4.
(c) Appropriation bonds may be issued from time to time in one or more series on the terms and conditions the commissioner determines to be in the best interests of the state, but the term on any series of appropriation bonds may not exceed 30 years. The appropriation bonds of each issue and series thereof shall be dated and bear interest, and may be includable in or excludable from the gross income of the owners for federal income tax purposes.

(d) At the time of, or in anticipation of, issuing the appropriation bonds, and at any time thereafter, so long as the appropriation bonds are outstanding, the commissioner may enter into agreements and ancillary arrangements relating to the appropriation bonds, including but not limited to trust indentures, grant agreements, lease or use agreements, operating agreements, management agreements, liquidity facilities, remarketing or dealer agreements, letter of credit agreements, insurance policies, guaranty agreements, reimbursement agreements, indexing agreements, or interest exchange agreements. Any payments made or received according to the agreement or ancillary arrangement shall be made from or deposited as provided in the agreement or ancillary arrangement. The determination of the commissioner included in an interest exchange agreement that the agreement relates to an appropriation bond shall be conclusive.

(e) The commissioner may enter into written agreements or contracts relating to the continuing disclosure of information necessary to comply with, or facilitate the issuance of appropriation bonds in accordance with federal securities laws, rules, and regulations, including Securities and Exchange Commission rules and regulations in Code of Federal Regulations, title 17, section 240.15c 2-12. An agreement may be in the form of covenants with purchasers and holders of appropriation bonds set forth in the order or resolution authorizing the issuance of the appropriation bonds, or a separate document authorized by the order or resolution.

(f) The appropriation bonds are not subject to chapter 16C.

Subd. 3. Form; procedure. (a) Appropriation bonds may be issued in the form of bonds, notes, or other similar instruments, and in the manner provided in section 16A.672. In the event that any provision of section 16A.672 conflicts with this section, this section shall control.

(b) Every appropriation bond shall include a conspicuous statement of the limitation established in subdivision 6.

(c) Appropriation bonds may be sold at either public or private sale upon such terms as the commissioner shall determine are not inconsistent with this section and may be sold at any price or percentage of par value. Any bid received may be rejected.

(d) Appropriation bonds must bear interest at a fixed or variable rate.

(e) Notwithstanding any other law, appropriation bonds issued under this section shall be fully negotiable.

Subd. 4. Refunding bonds. The commissioner from time to time may issue appropriation bonds for the purpose of refunding any appropriation bonds then outstanding, including the payment of any redemption premiums on the bonds, any interest accrued or to accrue to the redemption date, and costs related to the issuance and sale of the refunding bonds. The proceeds of any refunding bonds may, in the discretion of the commissioner, be applied to the purchase or payment at maturity of the appropriation bonds to be refunded, to the redemption of the outstanding appropriation bonds on any redemption date, or to pay interest on the refunding bonds and may, pending application, be placed in escrow to be applied to the purchase, payment, retirement, or redemption. Any escrowed proceeds, pending such use, may be invested and reinvested in obligations that are authorized investments under section 11A.24. The income earned or realized on the investment may also be applied to the payment of the appropriation bonds to be refunded or interest or premiums on the refunded appropriation bonds, or to pay interest on the refunding bonds. After the terms of the escrow have been fully satisfied, any balance of the proceeds and any investment income may be returned to the general fund or, if applicable, the special appropriation stadium bond proceeds fund for use in any lawful manner. All refunding bonds issued under this subdivision must be prepared, executed, delivered, and secured by appropriations in the same manner as the appropriation bonds to be refunded.
Subd. 5. **Appropriation bonds as legal investments.** Any of the following entities may legally invest any sinking funds, money, or other funds belonging to them or under their control in any appropriation bonds issued under this section:

(1) the state, the investment board, public officers, municipal corporations, political subdivisions, and public bodies;

(2) banks and bankers, savings and loan associations, credit unions, trust companies, savings banks and institutions, investment companies, insurance companies, insurance associations, and other persons carrying on a banking or insurance business; and

(3) personal representatives, guardians, trustees, and other fiduciaries.

Subd. 6. **No full faith and credit; state not required to make appropriations.** The appropriation bonds are not public debt of the state, and the full faith, credit, and taxing powers of the state are not pledged to the payment of the appropriation bonds or to any payment that the state agrees to make under this section. Appropriation bonds shall not be obligations paid directly, in whole or in part, from a tax of statewide application on any class of property, income, transaction, or privilege. Appropriation bonds shall be payable in each fiscal year only from amounts that the legislature may appropriate for debt service for any fiscal year, provided that nothing in this section shall be construed to require the state to appropriate funds sufficient to make debt service payments with respect to the appropriation bonds in any fiscal year. Appropriation bonds shall be canceled and shall no longer be outstanding on the earlier of (1) the first day of a fiscal year for which the legislature shall not have appropriated amounts sufficient for debt service, or (2) the date of final payment of the principal of and interest on the appropriation bonds.

Subd. 7. **Appropriation of proceeds.** The proceeds of appropriation bonds and interest credited to the special appropriation stadium bond proceeds fund are appropriated to the commissioner for payment of capital expenses, debt service on outstanding indebtedness of the state, operating and capital reserves of the authority, and the funding of debt service reserves for the appropriation bonds, each as permitted by state and federal law, and nonsalary expenses incurred in conjunction with the sale of the appropriation bonds, and such proceeds may be granted, loaned, or otherwise provided to the authority for the public purpose provided by subdivision 2, paragraph (a).

Subd. 8. **Commissioner; determination of available revenues.** (a) By March 15 of each fiscal year, the commissioner, in consultation with the commissioner of revenue, shall determine the estimated increase in revenues received from taxes imposed under chapter 297E over the estimated revenues under the February 2012 revenue forecast for that fiscal year. For fiscal years after fiscal year 2015, the commissioner shall use the February 2012 revenue forecast for fiscal year 2015 as the baseline. All calculations under this paragraph must be made net of estimated refunds of the taxes required to be paid.

(b) Available revenues for purposes of subdivision 9, equal the amount determined under paragraph (a), less the following amounts for the fiscal year:

(1) the appropriation to principal and interest on appropriation bonds under subdivision 9, paragraph (a);

(2) the appropriations under article 5 for administration and any successor appropriation;

(3) the reduction in revenues resulting from the sales tax exemptions under section 297A.71;

(4) reimbursements authorized by section 473J.15, subdivision 2; and

(5) payment of compulsive gambling appropriations under article 5 and any successor appropriation.
(c) If the estimated increase in revenues under paragraph (a) for the fiscal year are less than or equal to $52,000,000, then available revenues, as determined under paragraph (b), are allocated:

(1) 50 percent to be used for appropriations under subdivision 9, paragraph (a); and

(2) 50 percent to be used for appropriations under subdivision 9, paragraph (b)

(d) If the estimated increase in revenues under paragraph (a) for the fiscal year are greater than $52,000,000, the first $16,000,000 of any available revenues, as determined under paragraph (b), is allocated for payment of gambling tax rebates under section 297E.02, subdivision 12, and the remainder is allocated as provided under paragraph (c), clauses (1) and (2).

(e) The provisions of this subdivision apply only after the issuance of appropriation bonds under subdivision 2.

Subd. 9. Appropriation for debt service and other purposes. (a) The amount needed to pay principal and interest on appropriation bonds issued under this section is appropriated each year from the general fund to the commissioner, subject to repeal, unallotment under section 16A.152, or cancellation otherwise pursuant to subdivision 6, for deposit into the bond payment accounts established for such purpose in the special appropriation stadium bond proceeds fund.

(b) To the extent the commissioner determines revenues are available under the provisions of subdivision 8, paragraph (b), for the fiscal year, the following amounts are appropriated from the general fund:

(1) to replenish the amount on deposit in any debt service reserve account established with respect to the appropriation bonds to the debt service reserve requirement amount as determined by order of the commissioner; and

(2) to the extent not required under clause (1), for deposit to any general reserve account established by order of the commissioner for application against any shortfall in the amounts deposited to the general fund pursuant to section 297A.994.

Subd. 10. Waiver of immunity. The waiver of immunity by the state provided for by section 3.751, subdivision 1, shall be applicable to the appropriation bonds and any ancillary contracts to which the commissioner is a party.

Subd. 11. Validation. (a) Appropriation bonds issued under this section may be validated in the manner provided by this subdivision. If comparable appropriation bonds are judicially determined to be valid, nothing in this subdivision shall be construed to prevent the sale or delivery of any appropriation bonds or notes without entry of a judgment of validation by the Minnesota Supreme Court pursuant to this subdivision with respect to the appropriation bonds authorized under this section.

(b) Any appropriation bonds issued under this section that are validated shall be validated in the manner provided by this subdivision.

(c) The Minnesota Supreme Court shall have original jurisdiction to determine the validation of appropriation bonds and all matters connected therewith.

(d) The commissioner may determine the commissioner's authority to issue appropriation bonds and the legality of all proceedings in connection with issuing bonds. For this purpose, a complaint shall be filed by the commissioner in the Minnesota Supreme Court against the state and the taxpayers and citizens.
(e) As a condition precedent to filing of a complaint for the validation of appropriation bonds, the commissioner shall take action providing for the issuance of appropriation bonds in accordance with law.

(f) The complaint shall set out the state's authority to issue appropriation bonds, the action or proceeding authorizing the issue and its adoption, all other essential proceedings had or taken in connection with issuing bonds, the amount of the appropriation bonds to be issued and the maximum interest they are to bear, and all other pertinent matters.

(g) The Minnesota Supreme Court shall issue an order directed against the state and taxpayers, citizens, and others having or claiming any right, title, or interest affected by the issuance of appropriation bonds, or to be affected by the bonds, allowing all persons, in general terms and without naming them, and the state through its attorney general, to appear before the Minnesota Supreme Court at a designated time and place and show why the complaint should not be granted and the proceedings and appropriation bonds validated. A copy of the complaint and order shall be served on the attorney general at least 20 days before the time fixed for hearing. The attorney general shall examine the complaint, and, if it appears or there is reason to believe that it is defective, insufficient, or untrue, or if in the opinion of the attorney general the issuance of the appropriation bonds in question has not been duly authorized, defense shall be made by the attorney general as the attorney general deems appropriate.

(h) Before the date set for hearing, as directed by the Minnesota Supreme Court, either the clerk of the Minnesota appellate courts or the commissioner shall publish a copy of the order in a legal newspaper of general circulation in Ramsey County and the state, at least once each week for two consecutive weeks, commencing with the first publication, which shall not be less than 20 days before the date set for hearing. By this publication, all taxpayers, citizens, and others having or claiming any right, title, or interest in the state, are made parties defendant to the action and the Minnesota Supreme Court has jurisdiction of them to the same extent as if named as defendants in the complaint and personally served with process.

(i) Any taxpayer, citizen, or person interested may become a party to the action by moving against or pleading to the complaint at or before the time set for hearing. The Minnesota Supreme Court shall determine all questions of law and fact and make orders that will enable it to properly try and determine the action and render a final judgment within 30 days of the hearing with the least possible delay.

(j) If the judgment validates appropriation bonds, the judgment is forever conclusive as to all matters adjudicated and as against all parties affected and all others having or claiming any right, title, or interest affected by the issuance of appropriation bonds, or to be affected in any way by issuing the bonds, and the validity of appropriation bonds or of any revenues pledged for the payment of the bonds, or of the proceedings authorizing the issuance of the bonds, including any remedies provided for their collection, shall never be called in question in any court by any person or party.

(k)(1) Appropriation bonds, when validated under this section, shall have stamped or written on the bonds, by the proper officers of the state issuing them, a statement in substantially the following form: "This appropriation bond is one of a series of appropriation bonds which were validated by judgment of the Supreme Court of the State of Minnesota, rendered on ....... ....... (year)".

(2) A certified copy of the judgment or decree shall be received as evidence in any court in this state.

(l) The costs shall be paid by the state, except when a taxpayer, citizen, or other person contests the action or intervenes, the court may tax the whole or any part of the costs against the person that is equitable.

(m) A justice of the Minnesota Supreme Court is not disqualified in any validation action because the justice is a landowner or taxpayer of the state.
Sec. 2. **APPROPRIATION.**

If state appropriation bonds have not been issued under Minnesota Statutes, section 16A.965, amounts not to exceed the increased revenues estimated by the commissioner of management and budget under Minnesota Statutes, section 16A.965, subdivision 8, paragraph (a), are appropriated to the commissioner of management and budget to make grants to the Minnesota Stadium Authority for stadium costs as defined under Minnesota Statutes, section 473J.03, subdivision 8.

ARTICLE 4
MINNEAPOLIS CONVENTION CENTER

Section 1. **[297A.994] CITY OF MINNEAPOLIS SALES TAX; ALLOCATION OF REVENUES.**

**Subdivision 1. Scope.** Notwithstanding the provisions of section 297A.99, subdivision 11, the provisions of this section govern the remittance of the proceeds of taxes imposed by the city of Minneapolis under the special law.

**Subd. 2. Definitions.** (a) For purposes of this section, the following definitions apply.

(b) "City" means the city of Minneapolis.

(c) "Special law" means Laws 1986, chapter 396, sections 4 and 5, as amended.

(d) "Tax" means the sales taxes imposed by the city under the special law.

(e) The terms defined under section 473J.03 apply for purposes of this section.
Subd. 3. **General allocation of revenues.** The commissioner shall apply the revenues from the taxes as follows:

(1) the commissioner must deduct the costs of collecting and administering the taxes, according to the applicable law and agreements between the commissioner and the city. For revenues from the general sales tax, the commissioner must deduct a proportionate share of the cost of collection, as described in section 297A.99, subdivision 11;

(2) after deducting the costs in clause (1), the commissioner must deduct refunds of any of these taxes due to taxpayers, if any;

(3) after making the deductions provided in clause (2), notwithstanding the provisions of any agreement between the commissioner and the city providing for collection and remittance of these taxes, the commissioner must deposit to the general fund the amounts specified in subdivision 4; and

(4) after depositing to the general fund under clause (3) as specified in subdivision 4, the commissioner must remit the remainder to the city for the uses provided in the special law.

Subd. 4. **General fund allocations.** (a) The commissioner must deposit to the general fund the following amounts, as required by subdivision 3, clause (3):

(1) for state bond debt service support beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, proportionate amounts periodically so that not later than December 31, 2046, an aggregate annual amount equal to a present value of $150,000,000 has been deposited in the general fund. To determine aggregate present value, the commissioner must consult with the commissioner of management and budget regarding the present value dates, discount rate or rates, and schedules of annual amounts. The present value dates or dates must be based on the date or dates bonds are sold under section 16A.965, or the date or dates other state funds, if any, are deposited into the construction fund. The discount rates must be based on the true interest cost of the bonds issued under section 16A.965, or an equivalent 30-year bond index, as determined by the commissioner of management and budget. The schedule of annual amounts must be certified to the commissioner by the commissioner of management and budget and the finance officer of the city;

(2) for the capital improvement reserve appropriation to stadium authority beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, so that not later than January 1, 2022, and as of January 1 of each following year, an aggregate annual amount equal to the amount paid by the state for calendar year 2021 under section 473J.13, subdivision 4, increased each year by an annual adjustment factor;

(3) for the operating expense appropriation to stadium authority beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, so that not later than January 1, 2022, and as of January 1 of each following year, an aggregate annual amount equal to the amount paid by the state for calendar year 2021 under section 473J.13, subdivision 2, increased each year by an annual adjustment factor;

(4) for recapture of NFL team advances for capital improvements and operating expenses for calendar years 2016 through 2020 beginning in calendar year 2021, and for each calendar year thereafter until all amounts under this clause have been paid, proportionate amounts periodically until an aggregate amount equal to the present value of all amounts paid by the NFL team have been deposited in the general fund. To determine the present value of the amounts paid by the NFL team to the authority and the present value of amounts deposited to the general fund under this clause, the commissioner shall consult with the commissioner of management and budget and the NFL team regarding the present value dates, discount rate or rates, and schedule of annual amounts. The present value dates must be based on the dates NFL team funds are paid to the authority, or the dates the commissioner of revenue deposits taxes for purposes of this clause to the general fund. The discount rates must be based on the reasonably
equivalent cost of NFL team funds as determined by the commissioner of management and budget after consulting with the NFL team. If the commissioner determines to exercise the authority under this section for a fiscal year, the commissioner must implement the revenue options, as necessary, in the following order:

1. a tax on luxury boxes as provided under section 473J.14, paragraph (a), clause (1);
2. a sports-themed lottery game under section 349A.20;
3. an extension of the convention center taxes under article 4 through calendar year 2050;
4. excess revenue from Hennepin County tax as provided under section 473.757, subdivision 11, paragraph (d); and
5. an admissions tax, as provided under section 473J.14, paragraph (a), clause (2).

(b) Revenue raised under the authority granted by this section must be deposited in the general fund.

(c) If the commissioner determines to implement one or more of the revenue options authorized by this section, each subsequent year the commissioner must determine if the revenue is needed and will be imposed and collected for the next fiscal year. If the commissioner determines that one or more revenue options implemented for a fiscal year are not needed for a subsequent fiscal year, the commissioner must terminate them in the reverse order they were required to be implemented by paragraph (a) with the last option implemented terminated first and so forth.

(d) Before implementing a revenue source authorized under this section, the commissioner must report the intent to do so to the Legislative Commission on Planning and Fiscal Policy. The commissioner must inform the commission of determinations to continue or discontinue each revenue source for a subsequent fiscal year.

Sec. 2. [349A.20] **STADIUM, SPORTS-THEMED GAME.**

The State Lottery shall conduct a game based on stadium or professional sports themes to generate a minimum of $2,100,000 in additional revenue for the fiscal year for the general fund.

**EFFECTIVE DATE.** This section is effective pursuant to the authority granted under section 1, on the day following final enactment.

Sec. 3. Minnesota Statutes 2011 Supplement, section 473.757, subdivision 11, is amended to read:

Subd. 11. **Uses of tax.** (a) Revenues received from the tax imposed under subdivision 10 may be used:

1. to pay costs of collection;
(2) to pay or reimburse or secure the payment of any principal of, premium, or interest on bonds issued in accordance with Laws 2006, chapter 257, section 12;

(3) to pay costs and make expenditures and grants described in this section, including financing costs related to them;

(4) to maintain reserves for the foregoing purposes deemed reasonable and appropriate by the county;

(5) to pay for operating costs of the ballpark authority other than the cost of operating or maintaining the ballpark; and

(6) to make expenditures and grants for youth activities and amateur sports and extension of library hours as described in subdivision 2; and for no other purpose.

(b) Revenues from the tax designated for use under paragraph (a), clause (5), must be deposited in the operating fund of the ballpark authority.

(c) After completion of the ballpark and public infrastructure, the tax revenues not required for current payments of the expenditures described in paragraph (a), clauses (1) to (6), shall be used to (i) redeem or defease the bonds and (ii) prepay or establish a fund for payment of future obligations under grants or other commitments for future expenditures which are permitted by this section. Upon the redemption or defeasance of the bonds and the establishment of reserves adequate to meet such future obligations, the taxes shall terminate and shall not be reimposed. For purposes of this subdivision, "reserves adequate to meet such future obligations" means a reserve that does not exceed the net present value of the county's obligation to make grants under paragraph (a), clauses (5) and (6), and to fund the reserve for capital improvements required under section 473.759, subdivision 3, for the 30-year period beginning on the date of the original issuance of the bonds, less those obligations that the county has already paid. Each fiscal year revenues available for use under this paragraph must be accumulated and may not be expended under this paragraph until 15 days after the close of the county's fiscal year, provided that the county has not received a notice under paragraph (d).

(d) Notwithstanding the authority to use revenues under paragraph (c), upon notification by the commissioner of management and budget under section 16A.1524 for a state fiscal year, the county must pay any revenues that would be available under paragraph (c) to the commissioner for that state fiscal year as provided under section 16A.1524.

EFFECTIVE DATE. This section is effective the day following final enactment without local approval by Hennepin County under Minnesota Statutes, section 645.023, subdivision 1, paragraph (c).

(2) the granting, issuance, sale, or distribution, by any private or public person, association, or corporation, of the privilege of admission to professional sporting events at the NFL stadium.

The suites rental tax under paragraph (a), clause (1), applies to the gross receipts, as defined under section 297A.61, received by the seller, as defined in section 297A.61, and is a debt owed by the seller to the commission. The admission tax
under paragraph (a), clause (2), must be stated and charged separately from the sales price so far as practicable and
the grantor, seller, or distributor must collect the tax from the person admitted and the tax is a debt from that person
to the grantor, issuer, seller, or distributor, and the tax required to be collected is a debt owed by the grantor, issuer,
seller, or distributor to the commission. Any tax imposed under this section is recoverable at law by the commission
from the grantor, issuer, seller, or distributor in the same manner as other debts. Every person granting, issuing,
selling, or distributing tickets for taxable admissions or renting boxes, suites, or similar may be required, as provided
in resolutions of the commission, to secure a permit, to file returns, to deposit security for the payment of the tax,
and to pay the penalties for nonpayment and interest on late payments, as the commission deems necessary or
expedient to assure the prompt and uniform collection of either or both of the taxes.

(c) The commission shall remit the proceeds of any taxes imposed under this section to the commissioner of
management and budget for deposit in the state's general fund.

management and budget beyond the 2047 sunset specified under article 4, as an additional source of revenue for
repayment of the bonds sold under article 2. Any revenues collected from the extension of these taxes through 2048,
2049, and 2050 are appropriated to the commissioner of management and budget for repayment of the bonds sold by
the state under article 2.

Sec. 6. [473J.01] PURPOSE.

The purpose of this chapter is to provide for the construction, financing, and long-term use of a stadium and related stadium infrastructure as a venue for professional football and a broad range of other civic, community, athletic, educational, cultural, and commercial activities. The legislature finds and declares that the expenditure of public money for this purpose is necessary and serves a public purpose, and that property acquired by the Minnesota Stadium Authority for the construction of the stadium and related stadium infrastructure is acquired for a public use or public purpose under chapter 117. The legislature further finds and declares that any provision in a lease or use agreement with a professional football team that requires the team to play all of its home games in a publicly funded stadium for the duration of the lease or use agreement, with the occasional exception of a game played elsewhere as set forth in such agreement, serves a unique public purpose for which the remedies of specific performance and injunctive relief are essential to its enforcement. The legislature further finds and declares that government assistance to facilitate the presence of professional football provides to the state of Minnesota and its citizens highly valued intangible benefits that are virtually impossible to quantify and, therefore, not recoverable even if the government receives monetary damages in the event of a team's breach of contract. Minnesota courts are, therefore, charged with protecting those benefits through the use of specific performance and injunctive relief as provided in this chapter and in the lease and use agreements.

In no case may a lease or use agreement permit smoking in the stadium.

Subd. 9. Research. The authority may conduct research studies and programs; collect and analyze data; prepare reports, maps, charts, and tables; and conduct all necessary hearings and investigations in connection with its functions.

Subd. 10. Insurance. The authority may require any employee to obtain and file with the authority an individual bond or fidelity insurance policy. The authority may procure insurance in the amounts the authority considers necessary against liability of the authority or its officers and employees for personal injury or death and property damage or destruction, consistent with chapter 466, and against risks of damage to or destruction of any of its facilities, equipment, or other property.

Subd. 11. Exemption from Metropolitan Council review; Business Subsidy Act. The acquisition and betterment of a stadium and stadium infrastructure by the authority must be conducted pursuant to this chapter and are not subject to sections 473.165 and 473.173. Section 116J.994 does not apply to any transactions of the authority or other governmental entity related to the stadium or stadium infrastructure or to any tenant or other users of the stadium or stadium infrastructure.

Subd. 12. Incidental powers. In addition to the powers expressly granted in this chapter, the authority has all powers necessary or incidental thereto.

Subd. 13. Transfers to the authority. In addition to any other payments required under this act, for operating years 2016 to 2020, the NFL team shall annually transfer to the authority amounts equal to the city of Minneapolis share of operating costs and capital reserves. These amounts shall be repaid to the NFL team by the state on behalf of the city of Minneapolis through a repayment schedule to be specified in law, and agreed to in all subsequent agreements between the city and the NFL team.

Sec. 11. [473J.11] STADIUM DESIGN AND CONSTRUCTION.

Subdivision 1. Contracts. (a) The design, development, and construction of the stadium shall be a collaborative process between the authority and the NFL team. The authority and the NFL team shall establish a process to reach consensus on key elements of the stadium program and design, development, and construction.

(b) Unless the authority and the NFL team agree otherwise:
(1) the authority shall create a stadium design and construction group, including representatives of the authority and the NFL team, to manage the design of the stadium and oversee construction;

(2) this group shall engage an owner's representative to act on behalf of the group. The cost of the owner's representative shall be a stadium cost; and

(3) the authority and the NFL team shall enter into a development administration agreement providing for rights and responsibilities of the authority and the NFL team, the design and construction group, and the owner's representative for design and construction of the stadium, including but not limited to establishment of minimum design standards. This development administration agreement shall provide for binding arbitration in the event that the authority and the NFL team are unable to agree on minimum design standards or other material aspects of the design.

(c) The authority may enter into an agreement with the NFL team and any other entity relating to the design, construction, financing, operation, maintenance, and use of the stadium and related facilities and stadium infrastructure. The authority may contract for materials, supplies, and equipment in accordance with section 471.345, except that the authority may employ or contract with persons, firms, or corporations to perform one or more of the functions of architect, engineer, construction manager, or program manager with respect to all or any part of the design, construction, financing, operation, maintenance, and use of the stadium and stadium infrastructure under the traditional separate design and build, integrated design-build, construction manager at risk, or public/private partnership (P3) structures, or a combination thereof.

(d) The authority and the NFL team shall prepare a request for proposals for one or more of the functions described in paragraph (c). The request must be published in the State Register and shall include, at a minimum, such requirements that are agreed to by the authority and the NFL team. The authority and the NFL team may prequalify offerors by issuing a request for qualifications, in advance of the request for proposals, and select a short list of responsible offerors prior to discussions and evaluations.

(e) As provided in the request for proposals, the authority, and the NFL team, may conduct discussions and negotiations with responsible offerors in order to determine which proposal is most advantageous to the authority and the NFL team and to negotiate the terms of an agreement. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors and the content of all proposals is nonpublic data under chapter 13 until such time as a notice to award a contract is given by the authority. The agreement shall be subject to the approval of the NFL team.

(f) Prior to the time the authority enters into a construction contract with a construction manager or program manager certifying a maximum price and a completion date as provided in paragraph (h), at the request of the NFL team, the authority may authorize, such authorization not to be unreasonably withheld or delayed, the NFL team to provide for management of the construction of the stadium and related stadium infrastructure, in which event the NFL team must assume the role and responsibilities of the authority for completion of construction in a manner consistent with the agreed minimum design standards and design documents, subject to the terms of this act, including responsibility for cost overruns.

(g) The construction manager or program manager may enter into contracts with contractors for labor, materials, supplies, and equipment for the construction of the stadium and related stadium infrastructure through the process of public bidding, except that the construction manager or program manager may, with the consent of the authority or the NFL team if the NFL team has assumed responsibility for construction:

(1) narrow the listing of eligible bidders to those which the construction manager or program manager determines to possess sufficient expertise to perform the intended functions;
(2) award contracts to the contractors that the construction manager or program manager determines provide the best value under a request for proposals as described in section 16C.28, subdivision 1, paragraphs (a), clause (2), and (c), which are not required to be the lowest responsible bidder; and

(3) for work the construction manager or program manager determines to be critical to the completion schedule, award contracts on the basis of competitive proposals, or perform work with its own forces without soliciting competitive bids if the construction manager or program manager provides evidence of competitive pricing.

(h) The authority and the NFL team shall require that the construction manager or program manager certify, before the contract is signed, a fixed and stipulated construction price and completion date to the authority and post a performance bond in an amount at least equal to 100 percent of the certified price or such other security satisfactory to the authority, to cover any costs which may be incurred in excess of the certified price including, but not limited to, costs incurred by the authority or loss of revenues resulting from incomplete construction on the completion date. The authority may secure surety bonds as provided in section 574.26, securing payment of just claims in connection with all public work undertaken by the authority. Persons entitled to the protection of the bonds may enforce them as provided in sections 574.28 to 574.32 and are not entitled to a lien on any property of the authority under the provisions of sections 514.01 to 514.16. The construction of the stadium is a project as that term is defined in section 177.42, subdivision 2, and is subject to the prevailing wage law under sections 177.41 to 177.43.

Subd. 2. Changes. Unless otherwise agreed to by the authority and the NFL team, if either party requests an agreed upon change in minimum design standards, and this change is responsible for requiring the project to exceed the stated budget, the requesting party is liable for any cost overruns or associated liabilities.

Subd. 3. Stadium design. The stadium and stadium infrastructure shall be designed and constructed incorporating the following general program and design elements:

(1) Unless otherwise agreed to by the authority and the NFL team, the stadium shall comprise approximately 1,500,000 square feet with approximately 65,000 seats, expandable to 72,000, shall meet or exceed NFL program requirements, and include approximately 150 suites and approximately 7,500 club seats or other such components as agreed to by the authority and the NFL team;

(2) space for NFL team-related exhibitions and sales, which shall include the following: NFL team museum and Hall of Fame, retail merchandise and gift shop retail venues, and themed concessions and restaurants;

(3) year-round space for the NFL team administrative operations, sales, and marketing, including a ticket office, team meeting space, locker, and training rooms;

(4) space for administrative offices of the authority;

(5) 2,000 parking spaces within one block of the stadium, connected by skyway or tunnel to the stadium, and 500 parking spaces within two blocks of the stadium, with a dedicated walkway on game days;

(6) elements sufficient to provide community and civic uses as determined by the authority; and

(7) a roof that is fixed or retractable, provided that if the roof is retractable, it is accomplished without any increase to the funding provided by the state or the city.

Subd. 4. Cost overruns, savings. The authority may accept financial obligations relating to cost overruns associated with acquisition of the stadium site, stadium infrastructure, and stadium design, development, and construction, provided that the authority shall not accept responsibility for cost overruns and shall not be responsible for cost overruns if the authority has authorized the NFL team to provide for management of construction of the
stadium under section 473J.11, subdivision 1. Cost savings or additional funds obtained by the authority or the NFL team for the stadium or stadium infrastructure may be used first to fund additional stadium or stadium infrastructure, as agreed to by the authority and the NFL team, if any, and then to fund capital reserves.

Sec. 12. [473J.112] COMMEMORATIVE BRICKS.

The authority shall sell commemorative bricks to be displayed at a prominent location in the new stadium, for an amount to be determined by the authority. The authority shall work with the commissioner to ensure that purchase of a brick is a tax deductible donation on the part of the donating person or organization. Funds raised through this section shall be appropriated to the commissioner of management and budget for a grant to the Minnesota Stadium Authority.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 13. [473J.12] EMPLOYMENT.

Subdivision 1. Hiring and recruitment. In the design, development, construction, management, operation, maintenance and capital repair, replacement and improvement of the stadium and stadium infrastructure, the authority shall make every effort to employ, and cause the NFL team, the construction manager and other subcontractors, vendors, and concessionaires to employ women and members of minority communities when hiring. Further, goals for construction contracts to be awarded to women- and minority-owned businesses will be in a percentage at least equal to the minimum used for city of Minneapolis development projects, and the other construction workforce will establish workforce utilization goals at least equal to current city goals and include workers from city zip codes that have high rates of poverty and unemployment.

Subd. 2. Other required agreements. The NFL team or the authority shall give food, beverage, retail, and concession workers presently employed by the NFL team or the Metropolitan Sports Facilities Commission or its vendors at the existing football stadium the opportunity to continue their employment in comparable positions at the new stadium. Workers who are presently represented under a collective bargaining agreement may seek to continue such representation in the facility and designate such, or another collective bargaining unit, as their representative.

Sec. 14. [473J.13] STADIUM OPERATIONS; CAPITAL IMPROVEMENTS.

Subdivision 1. Stadium operation. The stadium shall be operated in a first-class manner, similar to and consistent with other comparable NFL stadiums, such as the stadium currently known as Lucas Oil Field. The authority and the team will mutually agree on a third-party management company or individual to manage the stadium and on certain major vendors to the stadium. The authority, with the approval of the NFL team, may enter into an agreement with a program manager for management of the stadium, for a maximum of 30 years.

Subd. 2. Operating expenses. (a) The authority must pay or cause to be paid all operating expenses of the stadium. The authority must require in the lease or use agreement with the NFL team that the NFL team pay the authority, beginning January 1, 2016, or other date as mutually agreed upon by the parties, toward operating costs of the stadium, $8,500,000 each year, increased by a three percent annual inflation rate.

(b) Beginning January 1, 2016, or other date as mutually agreed upon by the parties, and continuing through 2020, the NFL team shall pay the authority operating expenses, $6,000,000 each year, increased by an annual adjustment factor. The payment of $6,000,000 per year beginning in 2016 is a payment by the team, which shall be repaid to the team by the state, using funds as provided under section 297A.994, subdivision 4, clause (4). After 2020, the state shall assume this payment, using funds generated in accordance with the city of Minneapolis as specified under section 287A.994.
(c) The authority may establish an operating reserve to cover operating expense shortfalls and may accept funds from any source for deposit in the operating reserve. The establishment or funding of an authority operating reserve must not decrease the amounts required to be paid to the authority toward operating costs under this subdivision unless agreed to by the authority.

(d) The authority will be responsible for operating cost overruns.

(e) After the joint selection of the third-party manager or program manager, the authority may agree with a program manager or other third-party manager of the stadium on a fixed cost operating, management, or employment agreement with operating cost protections under which the program manager or third-party manager assumes responsibility for stadium operating costs and shortfalls. The agreement with the manager must require the manager to prepare an initial and ongoing operating plan and operating budgets for approval by the authority in consultation with the NFL team. The manager must agree to operate the stadium in accordance with the approved operating plan and operating budget.

Subd. 3. Public access. The authority will work to maximize access for public and amateur sports, community, and civic events, and other public events in type and on terms consistent with those currently held at the existing football stadium, as defined in section 473.551, subdivision 9. The authority may provide that these events have exclusive use of the premises at agreed-upon times subject to the scheduling rights of the NFL team under the lease or use agreement.

Subd. 4. Capital improvements. (a) The authority shall establish a capital reserve fund. The authority shall be responsible for making, or for causing others to make, all capital repairs, replacements, and improvements for the stadium and stadium infrastructure. The authority shall maintain, or cause others to maintain, the stadium and stadium infrastructure in a safe, clean, attractive, and first-class manner so as to cause them to remain in a condition comparable to that of other comparable NFL facilities of similar design and age. The authority shall make, or cause others to make, all necessary or appropriate repairs, renewals, and replacements, whether structural or nonstructural, interior or exterior, ordinary or extraordinary, foreseen or unforeseen, in a prompt and timely manner. In addition, the authority, with approval of the NFL team, may enter into an agreement with a program manager to perform some or all of the responsibilities of the authority in this subdivision and to assume and accept financial liability for the cost of performing the responsibilities.

(b) The NFL team must contribute $1,500,000 each year, beginning in 2016 or as otherwise determined for the term of the lease or use agreement to the operating reserve fund, increased by a three percent annual inflation rate.

(c) The state shall contribute $1,500,000 each year, beginning in 2016 or as otherwise determined for the term of the lease to the operating reserve fund. The contributions of the state are subject to increase by an annual adjustment factor. The contribution under this paragraph shall be assumed by the team from 2016 through 2020, and repaid to the team by the state using funds in accordance with section 297A.994, subdivision 4, clause (4).

(d) The authority with input from the NFL team shall develop short-term and long-term capital funding plans and shall use those plans to guide the future capital needs of the stadium and stadium infrastructure. The authority shall make the final determination with respect to funding capital needs. Any capital improvement proposed by the NFL team intended primarily to provide revenue enhancements to the NFL team shall be paid for by the NFL team, unless otherwise agreed to with the authority.

Subd. 5. Game-day payments. In addition to operating expense contributions of the NFL team under subdivision 2, the NFL team shall pay all NFL game day, NFL team-owned major league soccer, as provided in section 473J.15, subdivision 15, and other NFL team-sponsored event expenses within the stadium and stadium plaza areas.
Subd. 6. **Cooperation with financing.** The authority will cooperate with the NFL team to facilitate the financing of the NFL team's contribution. Such agreement to cooperate shall not require the authority to incur any additional costs or provide conduit financing. The lease, license, and other transaction documents shall include provisions customarily required by lenders in stadium financings.

Sec. 15. [473J.15] **CRITERIA AND CONDITIONS.**

Subdivision 1. **Binding and enforceable.** In developing the stadium and entering into related contracts, the authority must follow and enforce the criteria and conditions in this section, provided that a determination by the authority that those criteria or conditions have been met under any agreement or otherwise shall be conclusive.

Subd. 2. **NFL team/private contribution; timing of expenditures.** (a) The NFL team/private contribution, including stadium builder license proceeds, for stadium costs must be made in cash in the amount of at least $427,000,000.

(b) Prior to the initial deposit of funds under this section, the team must provide security or other credit worthiness in the amount of $50,000,000, subject to the satisfaction of the authority. Prior to the first issuance of bonds under section 16A.965, the first portion of the NFL team/private contribution in the amount of $50,000,000 must be deposited as costs are incurred to the construction fund to pay for the initial stadium costs.

(c) After the first $50,000,000 of stadium costs have been paid from the initial NFL team/private contribution, state funds shall be deposited as costs are incurred to the construction fund to pay for the next $50,000,000 of costs of the project. Prior to any state funds being deposited in the construction fund, the NFL team must provide security or a financing commitment reasonably satisfactory to the authority for the balance of the required NFL team/private contribution and for payment of cost overruns if the NFL team assumes responsibility for stadium construction under section 473J.11. Thereafter, budgeted project costs shall be borne by the authority and the NFL team/private contributions in amounts proportionate to their remaining funding commitments.

(d) In the event the project terminates before the initial $100,000,000 in contributions are expended by the parties under this subdivision, the parties shall be reimbursed in the amounts they have deposited to the construction fund proportionate to project funding percentages, in the amounts of 56 percent by the authority and 44 percent by the NFL team/private contributions.

Subd. 3. **Lease or use agreements; 30-year term.** The authority must enter into a long-term lease or use agreement with the NFL team for the NFL team's use of the stadium. The NFL team must agree to play all preseason, regular season, and postseason home games at the stadium. Training facilities must remain in Minnesota during the term of the lease or use agreement. The lease or use agreement must be for a term of at least 30 years from the date of substantial completion of the stadium for professional football games. The lease or use agreement may provide options for the NFL team to extend the term for up to four additional periods of five years. The lease or use agreement must include terms for default, termination, and breach of the agreement. Recognizing that the presence of professional football provides to the state of Minnesota and its citizens highly valued, intangible benefits that are virtually impossible to quantify and, therefore, not recoverable in the event of the NFL team owner’s breach of contract, the lease and use agreements must provide for specific performance and injunctive relief to enforce provisions relating to use of the stadium for professional football and must not include escape clauses or buyout provisions. The NFL team must not enter into or accept any agreement or requirement with or from any entity that is inconsistent with the NFL team's binding commitment to the 30-year term of the lease or use agreement or that would in any manner dilute, interfere with, or negate the provisions of the lease or use agreement, providing for specific performance or injunctive relief. The legislature conclusively determines, as a matter of public policy, that the lease or use agreement, and any grant agreement under this chapter that includes a specific performance clause:

1. explicitly authorizes specific performance as a remedy for breach;
Subd. 4. **Lease or use agreements; revenues, payments.** A lease or use agreement shall include rent and other fees and expenses to be paid by the NFL team. The authority shall agree to provide in the lease or use agreement for the NFL team to receive all NFL and team event related revenues, including but not limited to, suite revenues, advertising, concessions, signage, broadcast and media, and club seat revenue. The agreement shall also provide that all naming rights to the stadium are retained by the NFL team, subject to the approval of the name or names by the authority consistent with those criteria set out in the lease or use agreement. The agreement shall provide for the authority to receive all general ticket revenues and other event revenues other than from NFL team games, NFL team-owned major league soccer games, and other NFL team events agreed to by the authority. The stadium authority, or any company managing the stadium facilities on behalf of the authority, shall provide a public notice and seek a formal solicitation for requests for proposals for any contracts for goods, services, sponsorships, or advertising or signage rights at the stadium in excess of $25,000 in accordance with the definitions and terms set forth in chapter 16C, with the stadium authority acting as the responsible authority for seeking any such formal solicitations and awarding any such contracts pursuant to such solicitations.

Subd. 5. **Notice of breach or default.** Until 30 years from the date of stadium completion, the NFL team must provide written notice to the authority not less than 180 days prior to any action, including any action imposed upon the NFL team by the NFL, which would result in a breach or default of provisions of the lease or use agreements required to be included under subdivision 3. If this notice provision is violated and the NFL team has already breached or been in default under the required provisions, the authority or the state of Minnesota may specifically enforce the lease or use agreement and Minnesota courts shall fashion equitable remedies so that the NFL team fulfills the conditions of the lease and use agreements.

Subd. 6. **Enforceable financial commitments.** The authority must determine before stadium construction begins that all public and private funding sources for construction, operating expenses, and capital improvements and repairs of the stadium are included in written agreements. The committed funds must be adequate to design, construct, furnish, and equip the stadium, and pay projected operating expenses and the costs of capital improvements and repairs during the term of the lease or use agreement with the NFL team. The NFL team must provide the authority access to NFL team financial or other information, which the authority deems necessary for such determination. Any financial information obtained by the authority under this subdivision is nonpublic data under section 13.02, subdivision 9.

Subd. 7. **Environmental requirements.** The authority must comply with all environmental requirements imposed by regulatory agencies for the stadium, site, and structure, except as provided by section 473J.09, subdivision 11, or by section 473J.17.

Subd. 8. **Public share on sale of NFL team.** The lease or use agreement must provide that, if the NFL team is sold or an interest in the NFL team is sold after the effective date of this chapter, a portion of the sale price must be paid to the authority and deposited in a reserve fund for improvements to the stadium or expended as the authority may otherwise direct. The portion required to be so paid to the authority is 18 percent of the amount in excess of the purchase price of the NFL team by the selling owner or owners, declining to zero 15 years after commencement of stadium construction in increments of 1.2 percent each year. The agreement must provide exceptions for sales to
members of the owners’ family and entities and trusts beneficially owned by family members, sales to employees of
equity interests aggregating up to ten percent, sales related to capital infusions not distributed to the owners, and
sales amongst existing owners not exceeding 20 percent equity interest in the NFL team.

Subd. 9. **Authority’s access to NFL team financial information.** A notice provision for a material breach
shall be agreed to between the authority and the NFL team. In the event there is a material breach by the NFL team
under the lease or use agreement, the lease or use agreement must provide the authority access to audited financial
statements of the NFL team and other financial information that the authority deems necessary to enforce the terms
of any lease or use agreements. Any financial information obtained by the authority under this subdivision is
nonpublic data under section 13.02, subdivision 9.

Subd. 10. **NFL team name retained.** The lease or use agreement must provide that the NFL team and NFL
will transfer to the state of Minnesota the Minnesota Vikings’ heritage and records, including the name, logo, colors,
history, playing records, trophies, and memorabilia in the event of relocation of the NFL team in violation of the
lease or use agreement.

Subd. 11. **Stadium design.** (a) The authority and the NFL team will strive to build a stadium that is
environmentally and energy efficient and will make an effort to build a stadium that is eligible to receive the
Leadership in Energy and Environmental Design (LEED) certification for environmental design, and to the extent
practicable, will strive to make the stadium design architecturally significant.

(b) The stadium design must, to the extent feasible, follow sustainable building guidelines established under
section 16B.325.

(c) The authority and the team must ensure that the stadium be built with American-made steel that is made from
Minnesota iron ore.

Subd. 12. **Necessary approvals.** The authority and the NFL team must secure any necessary approvals to the
terms of the lease and use agreement and the design and construction plans for the stadium, including prior approval
of the NFL.

Subd. 13. **Affordable access.** The lease or use agreement must provide for an agreed-upon number of
affordable tickets to the professional sporting events held in the stadium.

Subd. 14. **Stadium builder’s licenses.** The authority shall own and retain the exclusive right to sell stadium
builder’s licenses in the stadium. The authority will retain the NFL team to act as the authority’s agent in marketing
and selling such licenses.

Subd. 15. **Major league soccer.** The authority shall, for five years after the first NFL team home game is
played in the stadium, grant the NFL team the exclusive right to establish major league soccer at the stadium. The
authority and the NFL team may enter into an agreement providing the terms and conditions of such an arrangement,
provided:

(1) if any of the NFL team owners whose family owns at least three percent of the NFL team purchases full or
partial ownership in a major league soccer franchise, such franchise may play in the stadium under a use agreement
with similar terms as are applicable to the NFL team at no additional rent, but including a provision of payment of
game-day costs and reasonable marginal costs incurred by the authority as a result of the major league soccer team;
and

(2) capital improvements required by a major league soccer franchise must be financed by the owners of the
major league soccer team, unless otherwise agreed to by the authority.
Subd. 16. **NFL team-related entities.** Subject to the prior approval of the authority, which shall not be unreasonably withheld, any of the obligations by the NFL team may be performed by the NFL team, a related entity, or a third party, and the NFL team, any entity related to the NFL team or third party may receive any revenues to which the NFL team is entitled hereunder; provided, however, the NFL team shall remain liable if any obligations are assigned to a related entity or third party.

Sec. 16. [473J.17] MUNICIPAL ACTIVITIES.

Subdivision 1. **Property acquisition and disposition.** The city may, to the extent legally permissible, acquire land, air rights, and other property interests within the development area for the stadium site and stadium infrastructure and convey it to the authority with or without consideration, prepare a site for development as a stadium, and acquire and construct any related stadium infrastructure. To the extent property parcels or interests acquired are more extensive than the stadium infrastructure requirements, the city may sell or otherwise dispose of the excess.

Subd. 2. **Claims.** Except as may be mutually agreed to by the city and the authority, the city has no interest in or claim to any assets or revenues of the authority.

Subd. 3. **Environmental; planning and zoning.** The authority is the responsible governmental unit for an environmental impact statement for the stadium prepared under section 116D.04, if an environmental impact statement is necessary. Notwithstanding section 116D.04, subdivision 2b, and implementing rules: (1) the environmental impact statement shall not be required to consider alternative stadium sites; and (2) the environmental impact statement must be determined to be adequate before commencing work on the foundation of the stadium, but the stadium and stadium infrastructure may otherwise be started and all preliminary and final government decisions and actions may be made and taken including, but not limited to, acquiring land; obtaining financing; granting permits or other land use approvals; entering into grant, lease, or use agreements; or preparing the site or related stadium infrastructure prior to a determination of the adequacy of the environmental impact statement.

Subd. 4. **Local government expenditure.** The city may make expenditures or grants for other costs incidental and necessary to further the purposes of this chapter and may, by agreement, reimburse in whole or in part, any entity that has granted, loaned, or advanced funds to the city to further the purposes of this chapter. The city may reimburse the authority or a local governmental entity or make a grant to the authority or such a governmental unit or be reimbursed by the authority or local governmental entity for site acquisition, preparation of the site for stadium development, and stadium infrastructure.

Subd. 5. **Municipal authority.** The legislature intends that, except as expressly limited herein, the city may acquire and develop stadium infrastructure, enter into contracts with the authority and other governmental or nongovernmental entities, appropriate funds, and make employees, consultants, and other revenues available for those purposes.

Subd. 6. **Stadium Implementation Committee; city review.** In order to accomplish the objectives of this act within the required time frame, it is necessary to establish an alternative process for municipal land use and development review. It is hereby found and declared that the construction of a stadium within the development area is consistent with the adopted area plan, is the preferred stadium location, and is a permitted land use. This subdivision establishes a procedure for all land use and development reviews and approvals by the city of Minneapolis for the stadium and related stadium infrastructure and supersedes all land use and development rules and restrictions and procedures imposed by other law, charter, or ordinance, including without limitation section 15.99. No later than 30 days after timely compliance of the city as provided in article 4, section 4, of this act, the city of Minneapolis shall establish a stadium implementation committee to make recommendations on the design plans submitted for the stadium, and stadium infrastructure, and related improvements. The implementation committee must take action to issue its recommendations within the time frames established in the planning and
construction timetable issued by the authority which shall provide for no less than 60 days for the committee's review. The recommendations of the implementation committee shall be forwarded to the city of Minneapolis Planning Commission for an advisory recommendation and then to the city council for final action in a single resolution, which final action must be taken within 45 days of the submission of the recommendations to the planning commission. The city council shall not impose any unreasonable conditions on the recommendations of the implementation committee, nor take any action or impose any conditions that will result in delay from the time frames established in the planning and construction timetable or in additional overall costs. Failure of the city council to act within the 45-day period shall be deemed to be approval. The authority may seek de novo review in the district court of any city council action. The district court or any appellate court shall expedite review to the maximum extent possible and timely issue relief, orders, or opinions as necessary to give effect to the provisions and objectives in this act.

Sec. 17. [473J.19] PROPERTY TAX EXEMPTION; SPECIAL ASSESSMENTS.

Any real or personal property acquired, owned, leased, controlled, used, or occupied by the authority for any of the purposes of this chapter, is acquired, owned, leased, controlled, used, and occupied for public, governmental, and municipal purposes. The stadium and stadium infrastructure are exempt from ad valorem taxation by the state or any political subdivision of the state provided that the properties are subject to special assessments levied by a political subdivision for a local improvement in amounts proportionate to and not exceeding the special benefit received by the properties from the improvement. No possible use of any of the properties in any manner different from their use under this chapter may be considered in determining the special benefit received by the properties. Notwithstanding section 272.01, subdivision 2, or 273.19, real or personal property which is subject to a lease or use agreement between the authority and another person for uses related to the purposes of this chapter, including the operation of the stadium and related parking facilities, is exempt from taxation regardless of the length of the lease or use agreement or the characteristics of the entity leasing or using the property. This section, insofar as it provides an exemption or special treatment, does not apply to any real property that is leased for residential, business, or commercial development or to a restaurant that is open for general business more than 200 days a year, or other purposes different from those contemplated in this chapter.

Sec. 18. [473J.21] LIQUOR LICENSES.

At the request of the authority, the city may issue intoxicating liquor licenses that are reasonably requested for the premises of the stadium site. These licenses are in addition to the number authorized by law. All provisions of chapter 340A not inconsistent with this section apply to the licenses authorized under this section.

Sec. 19. [473J.23] LOCAL TAXES.

No new or additional local sales or use tax shall be imposed on sales at the stadium site unless the tax is applicable throughout the taxing jurisdiction. Except for a tax imposed under article 7, no new or additional local tax shall be imposed on sales of tickets and admissions to NFL team, NFL team-owned major league soccer, or other team related events at the stadium, notwithstanding any law or ordinance, unless the tax is applicable throughout the taxing jurisdiction. **ARTICLE 2**

**STATE STADIUM FUNDING**

Section 1. [16A.965] **STADIUM APPROPRIATION BONDS.**

Subdivision 1. **Definitions.** (a) The definitions in this subdivision and in chapter 473J apply to this section.

(b) "Appropriation bond" means a bond, note, or other similar instrument of the state payable during a biennium from one or more of the following sources:

1. money appropriated by law from the general fund, including, without limitation, revenues deposited in the general fund as provided in articles 4 and 5, in any biennium for debt service due with respect to obligations described in subdivision 2, paragraph (b);

2. proceeds of the sale of obligations described in subdivision 2, paragraph (b);

3. payments received for that purpose under agreements and ancillary arrangements described in subdivision 2, paragraph (d); and

4. investment earnings on amounts in clauses (1) to (3).

(c) "Debt service" means the amount payable in any biennium of principal, premium, if any, and interest on appropriation bonds.

Subd. 2. **Authorization to issue appropriation bonds.** (a) Subject to the limitations of this subdivision, the commissioner may sell and issue appropriation bonds of the state under this section for public purposes as provided by law, including, in particular, the financing of all or a portion of the acquisition, construction, improving, and equipping of the stadium project of the Minnesota Stadium Authority as provided by chapter 473J. Proceeds of the appropriation bonds must be credited to a special appropriation stadium bond proceeds fund in the state treasury. Net income from investment of the proceeds, as estimated by the commissioner, must be credited to the special appropriation stadium bond proceeds fund.
(b) Appropriation bonds may be sold and issued in amounts that, in the opinion of the commissioner, are necessary to provide sufficient funds, not to exceed $548,000,000 net of costs of issuance, deposits for debt service reserve funds, and costs of credit enhancement for achieving the purposes authorized as provided under paragraph (a), and pay debt service, pay costs of issuance, make deposits to reserve funds, pay the costs of credit enhancement, or make payments under other agreements entered into under paragraph (d); provided, however, that appropriation bonds issued and unpaid shall not exceed $650,000,000 in principal amount, excluding refunding bonds sold and issued under subdivision 4.

(c) Appropriation bonds may be issued from time to time in one or more series on the terms and conditions the commissioner determines to be in the best interests of the state, but the term on any series of appropriation bonds may not exceed 30 years. The appropriation bonds of each issue and series thereof shall be dated and bear interest, and may be includable in or excludable from the gross income of the owners for federal income tax purposes.

(d) At the time of, or in anticipation of, issuing the appropriation bonds, and at any time thereafter, so long as the appropriation bonds are outstanding, the commissioner may enter into agreements and ancillary arrangements relating to the appropriation bonds, including but not limited to trust indentures, grant agreements, lease or use agreements, operating agreements, management agreements, liquidity facilities, remarketing or dealer agreements, letter of credit agreements, insurance policies, guaranty agreements, reimbursement agreements, indexing agreements, or interest exchange agreements. Any payments made or received according to the agreement or ancillary arrangement shall be made from or deposited as provided in the agreement or ancillary arrangement. The determination of the commissioner included in an interest exchange agreement that the agreement relates to an appropriation bond shall be conclusive.

(e) The commissioner may enter into written agreements or contracts relating to the continuing disclosure of information necessary to comply with, or facilitate the issuance of appropriation bonds in accordance with federal securities laws, rules, and regulations, including Securities and Exchange Commission rules and regulations in Code of Federal Regulations, title 17, section 240.15c-12. An agreement may be in the form of covenants with purchasers and holders of appropriation bonds set forth in the order or resolution authorizing the issuance of the appropriation bonds, or a separate document authorized by the order or resolution.

(f) The appropriation bonds are not subject to chapter 16C.

Subd. 3. **Form; procedure.** (a) Appropriation bonds may be issued in the form of bonds, notes, or other similar instruments, and in the manner provided in section 16A.672. In the event that any provision of section 16A.672 conflicts with this section, this section shall control.

(b) Every appropriation bond shall include a conspicuous statement of the limitation established in subdivision 6.

(c) Appropriation bonds may be sold at either public or private sale upon such terms as the commissioner shall determine are not inconsistent with this section and may be sold at any price or percentage of par value. Any bid received may be rejected.

(d) Appropriation bonds must bear interest at a fixed or variable rate.

(e) Notwithstanding any other law, appropriation bonds issued under this section shall be fully negotiable.

Subd. 4. **Refunding bonds.** The commissioner from time to time may issue appropriation bonds for the purpose of refunding any appropriation bonds then outstanding, including the payment of any redemption premiums on the bonds, any interest accrued or to accrue to the redemption date, and costs related to the issuance and sale of the refunding bonds. The proceeds of any refunding bonds may, in the discretion of the commissioner, be applied to the purchase or payment at maturity of the appropriation bonds to be refunded, to the redemption of the outstanding
appropriation bonds on any redemption date, or to pay interest on the refunding bonds and may, pending application, be placed in escrow to be applied to the purchase, payment, retirement, or redemption. Any escrowed proceeds, pending such use, may be invested and reinvested in obligations that are authorized investments under section 11A.24. The income earned or realized on the investment may also be applied to the payment of the appropriation bonds to be refunded or interest or premiums on the refunded appropriation bonds, or to pay interest on the refunding bonds. After the terms of the escrow have been fully satisfied, any balance of the proceeds and any investment income may be returned to the general fund or, if applicable, the special appropriation stadium bond proceeds fund for use in any lawful manner. All refunding bonds issued under this subdivision must be prepared, executed, delivered, and secured by appropriations in the same manner as the appropriation bonds to be refunded.

Subd. 5. Appropriation bonds as legal investments. Any of the following entities may legally invest any sinking funds, money, or other funds belonging to them or under their control in any appropriation bonds issued under this section:

(1) the state, the investment board, public officers, municipal corporations, political subdivisions, and public bodies;

(2) banks and bankers, savings and loan associations, credit unions, trust companies, savings banks and institutions, investment companies, insurance companies, insurance associations, and other persons carrying on a banking or insurance business; and

(3) personal representatives, guardians, trustees, and other fiduciaries.

Subd. 6. No full faith and credit; state not required to make appropriations. The appropriation bonds are not public debt of the state, and the full faith, credit, and taxing powers of the state are not pledged to the payment of the appropriation bonds or to any payment that the state agrees to make under this section. Appropriation bonds shall not be obligations paid directly, in whole or in part, from a tax of statewide application on any class of property, income, transaction, or privilege. Appropriation bonds shall be payable in each fiscal year only from amounts that the legislature may appropriate for debt service for any fiscal year, provided that nothing in this section shall be construed to require the state to appropriate funds sufficient to make debt service payments with respect to the appropriation bonds in any fiscal year. Appropriation bonds shall be canceled and shall no longer be outstanding on the earlier of (1) the first day of a fiscal year for which the legislature shall not have appropriated amounts sufficient for debt service, or (2) the date of final payment of the principal of and interest on the appropriation bonds.

Subd. 7. Appropriation of proceeds. The proceeds of appropriation bonds and interest credited to the special appropriation stadium bond proceeds fund are appropriated to the commissioner for payment of capital expenses, debt service on outstanding indebtedness of the state, operating and capital reserves of the authority, and the funding of debt service reserves for the appropriation bonds, each as permitted by state and federal law, and nonsalary expenses incurred in conjunction with the sale of the appropriation bonds, and such proceeds may be granted, loaned, or otherwise provided to the authority for the public purpose provided by subdivision 2, paragraph (a).

Subd. 8. Commissioner; determination of available revenues. (a) By March 15 of each fiscal year, the commissioner, in consultation with the commissioner of revenue, shall determine the estimated increase in revenues received from taxes imposed under chapter 297E over the estimated revenues under the February 2012 revenue forecast for that fiscal year. For fiscal years after fiscal year 2015, the commissioner shall use the February 2012 revenue forecast for fiscal year 2015 as the baseline. All calculations under this paragraph must be made net of estimated refunds of the taxes required to be paid.

(b) Available revenues for purposes of subdivision 9, equal the amount determined under paragraph (a), less the following amounts for the fiscal year:

(1) the appropriation to principal and interest on appropriation bonds under subdivision 9, paragraph (a);
(2) the appropriations under article 5 for administration and any successor appropriation;

(3) the reduction in revenues resulting from the sales tax exemptions under section 297A.71;

(4) reimbursements authorized by section 473J.15, subdivision 2; and

(5) payment of compulsive gambling appropriations under article 5 and any successor appropriation.

(c) If the estimated increase in revenues under paragraph (a) for the fiscal year are less than or equal to $52,000,000, then available revenues, as determined under paragraph (b), are allocated:

(1) 50 percent to be used for appropriations under subdivision 9, paragraph (a); and

(2) 50 percent to be used for appropriations under subdivision 9, paragraph (b)

(d) If the estimated increase in revenues under paragraph (a) for the fiscal year are greater than $52,000,000, the first $16,000,000 of any available revenues, as determined under paragraph (b), is allocated for payment of gambling tax rebates under section 297E.02, subdivision 12, and the remainder is allocated as provided under paragraph (c), clauses (1) and (2).

(e) The provisions of this subdivision apply only after the issuance of appropriation bonds under subdivision 2.

Subd. 9. Appropriation for debt service and other purposes. (a) The amount needed to pay principal and interest on appropriation bonds issued under this section is appropriated each year from the general fund to the commissioner, subject to repeal, unallotment under section 16A.152, or cancellation otherwise pursuant to subdivision 6, for deposit into the bond payment accounts established for such purpose in the special appropriation stadium bond proceeds fund.

(b) To the extent the commissioner determines revenues are available under the provisions of subdivision 8, paragraph (b), for the fiscal year, the following amounts are appropriated from the general fund:

(1) to replenish the amount on deposit in any debt service reserve account established with respect to the appropriation bonds to the debt service reserve requirement amount as determined by order of the commissioner; and

(2) to the extent not required under clause (1), for deposit to any general reserve account established by order of the commissioner for application against any shortfall in the amounts deposited to the general fund pursuant to section 297A.994.

Subd. 10. Waiver of immunity. The waiver of immunity by the state provided for by section 3.751, subdivision 1, shall be applicable to the appropriation bonds and any ancillary contracts to which the commissioner is a party.

Subd. 11. Validation. (a) Appropriation bonds issued under this section may be validated in the manner provided by this subdivision. If comparable appropriation bonds are judicially determined to be valid, nothing in this subdivision shall be construed to prevent the sale or delivery of any appropriation bonds or notes without entry of a judgment of validation by the Minnesota Supreme Court pursuant to this subdivision with respect to the appropriation bonds authorized under this section.

(b) Any appropriation bonds issued under this section that are validated shall be validated in the manner provided by this subdivision.
(c) The Minnesota Supreme Court shall have original jurisdiction to determine the validation of appropriation bonds and all matters connected therewith.

(d) The commissioner may determine the commissioner’s authority to issue appropriation bonds and the legality of all proceedings in connection with issuing bonds. For this purpose, a complaint shall be filed by the commissioner in the Minnesota Supreme Court against the state and the taxpayers and citizens.

(e) As a condition precedent to filing of a complaint for the validation of appropriation bonds, the commissioner shall take action providing for the issuance of appropriation bonds in accordance with law.

(f) The complaint shall set out the state’s authority to issue appropriation bonds, the action or proceeding authorizing the issue and its adoption, all other essential proceedings had or taken in connection with issuing bonds, the amount of the appropriation bonds to be issued and the maximum interest they are to bear, and all other pertinent matters.

(g) The Minnesota Supreme Court shall issue an order directed against the state and taxpayers, citizens, and others having or claiming any right, title, or interest affected by the issuance of appropriation bonds, or to be affected by the bonds, allowing all persons, in general terms and without naming them, and the state through its attorney general, to appear before the Minnesota Supreme Court at a designated time and place and show why the complaint should not be granted and the proceedings and appropriation bonds validated. A copy of the complaint and order shall be served on the attorney general at least 20 days before the time fixed for hearing. The attorney general shall examine the complaint, and, if it appears or there is reason to believe that it is defective, insufficient, or untrue, or if in the opinion of the attorney general the issuance of the appropriation bonds in question has not been duly authorized, defense shall be made by the attorney general as the attorney general deems appropriate.

(h) Before the date set for hearing, as directed by the Minnesota Supreme Court, either the clerk of the Minnesota appellate courts or the commissioner shall publish a copy of the order in a legal newspaper of general circulation in Ramsey County and the state, at least once each week for two consecutive weeks, commencing with the first publication, which shall not be less than 20 days before the date set for hearing. By this publication, all taxpayers, citizens, and others having or claiming any right, title, or interest in the state, are made parties defendant to the action and the Minnesota Supreme Court has jurisdiction of them to the same extent as if named as defendants in the complaint and personally served with process.

(i) Any taxpayer, citizen, or person interested may become a party to the action by moving against or pleading to the complaint at or before the time set for hearing. The Minnesota Supreme Court shall determine all questions of law and fact and make orders that will enable it to properly try and determine the action and render a final judgment within 30 days of the hearing with the least possible delay.

(j) If the judgment validates appropriation bonds, the judgment is forever conclusive as to all matters adjudicated and as against all parties affected and all others having or claiming any right, title, or interest affected by the issuance of appropriation bonds, or to be affected in any way by issuing the bonds, and the validity of appropriation bonds or of any revenues pledged for the payment of the bonds, or of the proceedings authorizing the issuance of the bonds, including any remedies provided for their collection, shall never be called in question in any court by any person or party.

(k)(1) Appropriation bonds, when validated under this section, shall have stamped or written on the bonds, by the proper officers of the state issuing them, a statement in substantially the following form: “This appropriation bond is one of a series of appropriation bonds which were validated by judgment of the Supreme Court of the State of Minnesota, rendered on ............... (year).”

(2) A certified copy of the judgment or decree shall be received as evidence in any court in this state.
(l) The costs shall be paid by the state, except when a taxpayer, citizen, or other person contests the action or intervenes, the court may tax the whole or any part of the costs against the person that is equitable.

(m) A justice of the Minnesota Supreme Court is not disqualified in any validation action because the justice is a landowner or taxpayer of the state.

Sec. 2. APPROPRIATION.

If state appropriation bonds have not been issued under Minnesota Statutes, section 16A.965, amounts not to exceed the increased revenues estimated by the commissioner of management and budget under Minnesota Statutes, section 16A.965, subdivision 8, paragraph (a), are appropriated to the commissioner of management and budget to make grants to the Minnesota Stadium Authority for stadium costs as defined under Minnesota Statutes, section 473J.03, subdivision 8.

**ARTICLE 4**

**MINNEAPOLIS CONVENTION CENTER**

Section 1. **[297A.994] CITY OF MINNEAPOLIS SALES TAX; ALLOCATION OF REVENUES.**

Subdivision 1. **Scope.** Notwithstanding the provisions of section 297A.99, subdivision 11, the provisions of this section govern the remittance of the proceeds of taxes imposed by the city of Minneapolis under the special law.

Subd. 2. **Definitions.** (a) For purposes of this section, the following definitions apply.
(b) "City" means the city of Minneapolis.

(c) "Special law" means Laws 1986, chapter 396, sections 4 and 5, as amended.

(d) "Tax" means the sales taxes imposed by the city under the special law.

(e) The terms defined under section 473J.03 apply for purposes of this section.

Subd. 3. General allocation of revenues. The commissioner shall apply the revenues from the taxes as follows:

(1) the commissioner must deduct the costs of collecting and administering the taxes, according to the applicable law and agreements between the commissioner and the city. For revenues from the general sales tax, the commissioner must deduct a proportionate share of the cost of collection, as described in section 297A.99, subdivision 11;

(2) after deducting the costs in clause (1), the commissioner must deduct refunds of any of these taxes due to taxpayers, if any;

(3) after making the deductions provided in clause (2), notwithstanding the provisions of any agreement between the commissioner and the city providing for collection and remittance of these taxes, the commissioner must deposit to the general fund the amounts specified in subdivision 4; and

(4) after depositing to the general fund under clause (3) as specified in subdivision 4, the commissioner must remit the remainder to the city for the uses provided in the special law.

Subd. 4. General fund allocations. (a) The commissioner must deposit to the general fund the following amounts, as required by subdivision 3, clause (3):

(1) for state bond debt service support beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, proportionate amounts periodically so that not later than December 31, 2046, an aggregate annual amount equal to a present value of $150,000,000 has been deposited in the general fund. To determine aggregate present value, the commissioner must consult with the commissioner of management and budget regarding the present value dates, discount rate or rates, and schedules of annual amounts. The present value date or dates must be based on the date or dates bonds are sold under section 16A.965, or the date or dates other state funds, if any, are deposited into the construction fund. The discount rate or rates must be based on the true interest cost of the bonds issued under section 16A.965, or an equivalent 30-year bond index, as determined by the commissioner of management and budget. The schedule of annual amounts must be certified to the commissioner by the commissioner of management and budget and the finance officer of the city;

(2) for the capital improvement reserve appropriation to stadium authority beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, so that not later than January 1, 2022, and as of January 1 of each following year, an aggregate annual amount equal to the amount paid by the state for calendar year 2021 under section 473J.13, subdivision 4, increased each year by an annual adjustment factor;

(3) for the operating expense appropriation to stadium authority beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, so that not later than January 1, 2022, and as of January 1 of each following year, an aggregate annual amount equal to the amount paid by the state for calendar year 2021 under section 473J.13, subdivision 2, increased each year by an annual adjustment factor;
(4) for recapture of NFL team advances for capital improvements and operating expenses for calendar years 2016 through 2020 beginning in calendar year 2021, and for each calendar year thereafter until all amounts under this clause have been paid, proportionate amounts periodically until an aggregate amount equal to the present value of all amounts paid by the NFL team have been deposited in the general fund. To determine the present value of the amounts paid by the NFL team to the authority and the present value of amounts deposited to the general fund under this clause, the commissioner shall consult with the commissioner of management and budget and the NFL team regarding the present value dates, discount rate or rates, and schedule of annual amounts. The present value dates must be based on the dates NFL team funds are paid to the authority, or the dates the commissioner of revenue deposits taxes for purposes of this clause to the general fund. The discount rates must be based on the reasonably equivalent cost of NFL team funds as determined by the commissioner of management and budget after consulting with the NFL team. Sec. 3. Minnesota Statutes 2011 Supplement, section 473.757, subdivision 11, is amended to read:

Subd. 11. Uses of tax. (a) Revenues received from the tax imposed under subdivision 10 may be used:

(3) to pay costs and make expenditures and grants described in this section, including financing costs related to them;

(4) to maintain reserves for the foregoing purposes deemed reasonable and appropriate by the county;

(c) After completion of the ballpark and public infrastructure, the tax revenues not required for current payments of the expenditures described in paragraph (a), clauses (1) to (6), shall be used to (i) redeem or defease the bonds and (ii) prepay or establish a fund for payment of future obligations under grants or other commitments for future expenditures which are permitted by this section. Upon the redemption or defeasance of the bonds and the establishment of reserves adequate to meet such future obligations, the taxes shall terminate and shall not be reimposed. For purposes of this subdivision, "reserves adequate to meet such future obligations" means a reserve that does not exceed the net present value of the county's obligation to make grants under paragraph (a), clauses (5) and (6), and to fund the reserve for capital improvements required under section 473.759, subdivision 3, for the 30-year period beginning on the date of the original issuance of the bonds, less those obligations that the county has already paid. Each fiscal year revenues available for use under this paragraph must be accumulated and may not be expended under this paragraph until 15 days after the close of the county's fiscal year, provided that the county has not received a notice under paragraph (d).

(d) Notwithstanding the authority to use revenues under paragraph (c), upon notification by the commissioner of management and budget under section 16A.1524 for a state fiscal year, the county must pay any revenues that would be available under paragraph (c) to the commissioner for that state fiscal year as provided under section 16A.1524.

(2) the granting, issuance, sale, or distribution, by any private or public person, association, or corporation, of the privilege of admission to professional sporting events at the NFL stadium.

(b) Each tax must be imposed in the years specified by the commissioner of management and budget. The suites rental tax under paragraph (a), clause (1), applies to the gross receipts, as defined under section 297A.61, received by the seller, as defined in section 297A.61, and is a debt owed by the seller to the commission. The admission tax
under paragraph (a), clause (2), must be stated and charged separately from the sales price so far as practicable and the grantor, seller, or distributor must collect the tax from the person admitted and the tax is a debt from that person to the grantor, issuer, seller, or distributor, and the tax required to be collected is a debt owed by the grantor, issuer, seller, or distributor to the commission. Any tax imposed under this section is recoverable at law by the commission from the grantor, issuer, seller, or distributor in the same manner as other debts. Every person granting, issuing, selling, or distributing tickets for taxable admissions or renting boxes, suites, or similar may be required, as provided in resolutions of the commission, to secure a permit, to file returns, to deposit security for the payment of the tax, and to pay the penalties for nonpayment and interest on late payments, as the commission deems necessary or expedient to assure the prompt and uniform collection of either or both of the taxes.

(c) The commission shall remit the proceeds of any taxes imposed under this section to the commissioner of management and budget for deposit in the state's general fund.

Any revenues collected from the extension of these taxes through 2048, 2049, and 2050 are appropriated to the commissioner of management and budget for repayment of the bonds sold by the state under article 2.

We, the undersigned conferees for H. F. No. 2294 report that we have agreed upon the items in dispute and recommend as follows:  

That the Senate recede from its amendments and that H. F. No. 2294 be further amended as follows:  

Delete everything after the enacting clause and insert:  

"ARTICLE 1  
HEALTH CARE  

Section 1. Minnesota Statutes 2011 Supplement, section 62E.14, subdivision 4g, is amended to read:  

Subd. 4g. **Waiver of preexisting conditions for persons covered by healthy Minnesota contribution program.** A person may enroll in the comprehensive plan with a waiver of the preexisting condition limitation in subdivision 3 if the person is eligible for the healthy Minnesota contribution program, and has been denied coverage as described under section 256L.031, subdivision 6. **The six-month durational residency requirement specified in section 62E.02, subdivision 13, does not apply to individuals enrolled in the healthy Minnesota contribution program.**  

Sec. 2. Minnesota Statutes 2010, section 72A.201, subdivision 8, is amended to read:  

Subd. 8. **Standards for claim denial.** The following acts by an insurer, adjuster, or self-insured, or self-insurance administrator constitute unfair settlement practices:  

(1) denying a claim or any element of a claim on the grounds of a specific policy provision, condition, or exclusion, without informing the insured of the policy provision, condition, or exclusion on which the denial is based;  

(2) denying a claim without having made a reasonable investigation of the claim;  

(3) denying a liability claim because the insured has requested that the claim be denied;  

(4) denying a liability claim because the insured has failed or refused to report the claim, unless an independent evaluation of available information indicates there is no liability;  

(5) denying a claim without including the following information:  

(i) the basis for the denial;  

(ii) the name, address, and telephone number of the insurer's claim service office or the claim representative of the insurer to whom the insured or claimant may take any questions or complaints about the denial;  

(iii) the claim number and the policy number of the insured; and  

(iv) if the denied claim is a fire claim, the insured's right to file with the Department of Commerce a complaint regarding the denial, and the address and telephone number of the Department of Commerce;
(6) denying a claim because the insured or claimant failed to exhibit the damaged property unless:

(i) the insurer, within a reasonable time period, made a written demand upon the insured or claimant to exhibit the property; and

(ii) the demand was reasonable under the circumstances in which it was made;

(7) denying a claim by an insured or claimant based on the evaluation of a chemical dependency claim reviewer selected by the insurer unless the reviewer meets the qualifications specified under subdivision 8a. An insurer that selects chemical dependency reviewers to conduct claim evaluations must annually file with the commissioner of commerce a report containing the specific evaluation standards and criteria used in these evaluations. The report must be filed at the same time its annual statement is submitted under section 60A.13. The report must also include the number of evaluations performed on behalf of the insurer during the reporting period, the types of evaluations performed, the results, the number of appeals of denials based on these evaluations, the results of these appeals, and the number of complaints filed in a court of competent jurisdiction.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

The commissioner, or the commissioner's designee, shall attend all advisory committee meetings.

(b) The Nonemergency Medical Transportation Advisory Committee shall advise and make recommendations to the commissioner on:

(1) the development of, and periodic updates to, a policy manual for nonemergency medical transportation services;

(2) policies and a funding source for reimbursing no-load miles;

(3) policies to prevent waste, fraud, and abuse, and to improve the efficiency of the nonemergency medical transportation system;

(4) other issues identified in the 2011 evaluation report by the Office of the Legislative Auditor on medical nonemergency transportation; and

(5) other aspects of the nonemergency medical transportation system, as requested by the commissioner.

(d) The Nonemergency Medical Transportation Advisory Committee shall expire December 1, 2014.
Sec. 4. Minnesota Statutes 2010, section 256B.0625, is amended by adding a subdivision to read:

(1) eliminate the distinction between access transportation services and special transportation services;

(2) enable all medical assistance recipients to follow the same process to obtain nonemergency medical transportation, regardless of their level of need;

(3) provide a single oversight framework for all providers of nonemergency medical transportation; and

(4) provide flexibility in service delivery, recognizing that clients fall along a continuum of needs and resources.

(b) The commissioner shall present to the legislature, by January 15, 2013, any draft legislation necessary to implement the single administrative structure and delivery system for nonemergency medical transportation.

(c) In developing the single administrative structure and delivery system and the draft legislation, the commissioner shall consult with the Nonemergency Medical Transportation Advisory Committee.
Sec. 6. Minnesota Statutes 2010, section 256B.0625, is amended by adding a subdivision to read:

Subd. 18f. **Enrollee assessment process.** (a) The commissioner, in consultation with the Nonemergency Medical Transportation Advisory Committee, shall develop and implement, by July 1, 2013, a comprehensive, statewide, standard assessment process for medical assistance enrollees seeking nonemergency medical transportation services. The assessment process must identify a client’s level of needs, abilities, and resources, and match the client with the mode of transportation in the client’s service area that best meets those needs.

(b) The assessment process must:

1. address mental health diagnoses when determining the most appropriate mode of transportation;
2. base decisions on clearly defined criteria that are available to clients, providers, and counties;
3. be standardized across the state and be aligned with other similar existing processes;
4. allow for extended periods of eligibility for certain types of nonemergency transportation, when a client’s condition is unlikely to change; and
5. increase the use of public transportation when appropriate and cost-effective, including offering monthly bus passes to clients.

Sec. 7. Minnesota Statutes 2010, section 256B.0625, is amended by adding a subdivision to read:

Subd. 18g. **Use of standardized measures.** The commissioner, in consultation with the Nonemergency Medical Transportation Advisory Committee, shall establish performance measures to assess the cost-effectiveness and quality of nonemergency medical transportation. At a minimum, performance measures should include the number of unique participants served by type of transportation provider, number of trips provided by type of transportation provider, and cost per trip by type of transportation provider. The commissioner must also consider the measures identified in the January 2012 Department of Human Services report to the legislature on nonemergency medical transportation. Beginning in calendar year 2013, the commissioner shall collect, audit, and analyze performance data on nonemergency medical transportation annually and report this information on the agency’s Web site. The commissioner shall periodically supplement this information with the results of consumer surveys of the quality of services, and shall make these survey findings available to the public on the agency Web site.

Sec. 8. Minnesota Statutes 2010, section 256B.0625, subdivision 28a, is amended to read:

Subd. 28a. **Licensed physician assistant services.** (a) Medical assistance covers services performed by a licensed physician assistant if the service is otherwise covered under this chapter as a physician service and if the service is within the scope of practice of a licensed physician assistant as defined in section 147A.09.

(b) Licensed physician assistants, who are supervised by a physician certified by the American Board of Psychiatry and Neurology or eligible for board certification in psychiatry, may bill for medication management and evaluation and management services provided to medical assistance enrollees in inpatient hospital settings, consistent with their authorized scope of practice, as defined in section 147A.09, with the exception of performing psychotherapy, diagnostic assessments, or providing clinical supervision.

Sec. 9. Minnesota Statutes 2011 Supplement, section 256B.0625, subdivision 38, is amended to read:

Subd. 38. **Payments for mental health services.** Payments for mental health services covered under the medical assistance program that are provided by masters-prepared mental health professionals shall be 80 percent of the rate paid to doctoral-prepared professionals. Payments for mental health services covered under the medical
assistance program that are provided by masters-prepared mental health professionals employed by community mental health centers shall be 100 percent of the rate paid to doctoral-prepared professionals. Payments for mental health services covered under the medical assistance program that are provided by physician assistants shall be 80.4 percent of the base rate paid to psychiatrists.

Sec. 10. Minnesota Statutes 2011 Supplement, section 256B.0631, subdivision 1, is amended to read:

Subdivision 1. **Cost-sharing.** (a) Except as provided in subdivision 2, the medical assistance benefit plan shall include the following cost-sharing for all recipients, effective for services provided on or after September 1, 2011:

(1) $3 per nonpreventive visit, except as provided in paragraph (b). For purposes of this subdivision, a visit means an episode of service which is required because of a recipient's symptoms, diagnosis, or established illness, and which is delivered in an ambulatory setting by a physician or physician ancillary, chiropractor, podiatrist, nurse midwife, advanced practice nurse, audiologist, optician, or optometrist;

(2) $3 for eyeglasses;

(3) $3.50 for nonemergency visits to a hospital-based emergency room, except that this co-payment shall be increased to $20 upon federal approval;

(4) $3 per brand-name drug prescription and $1 per generic drug prescription, subject to a $12 per month maximum for prescription drug co-payments. No co-payments shall apply to antipsychotic drugs when used for the treatment of mental illness;

(5) effective January 1, 2012, a family deductible equal to the maximum amount allowed under Code of Federal Regulations, title 42, part 447.54; and

(6) for individuals identified by the commissioner with income at or below 100 percent of the federal poverty guidelines, total monthly cost-sharing must not exceed five percent of family income. For purposes of this paragraph, family income is the total earned and unearned income of the individual and the individual's spouse, if the spouse is enrolled in medical assistance and also subject to the five percent limit on cost-sharing.

(b) Recipients of medical assistance are responsible for all co-payments and deductibles in this subdivision.

(c) Notwithstanding paragraph (b), the commissioner, through the contracting process under sections 256B.69 and 256B.692, may allow managed care plans and county-based purchasing plans to waive the family deductible under paragraph (a), clause (5). The value of the family deductible shall not be included in the capitation payment to managed care plans and county-based purchasing plans. Managed care plans and county-based purchasing plans shall certify annually to the commissioner the dollar value of the family deductible.

(d) Notwithstanding paragraph (b), the commissioner may waive the collection of the family deductible described under paragraph (a), clause (5), from individuals and allow long-term care and waived service providers to assume responsibility for payment.

**EFFECTIVE DATE.** Paragraph (c) is effective January 1, 2012. Paragraph (d) is effective July 1, 2012.

Sec. 11. Minnesota Statutes 2010, section 256B.0751, is amended by adding a subdivision to read:

**Subd. 9. Pediatric care coordination.** The commissioner shall implement a pediatric care coordination service for children with high-cost medical or high-cost psychiatric conditions who are at risk of recurrent hospitalization or emergency room use for acute, chronic, or psychiatric illness, who receive medical assistance services. Care
coordination services must be targeted to children not already receiving care coordination through another service and may include but are not limited to the provision of health care home services to children admitted to hospitals that do not currently provide care coordination. Care coordination services must be provided by care coordinators who are directly linked to provider teams in the care delivery setting, but who may be part of a community care team shared by multiple primary care providers or practices. For purposes of this subdivision, the commissioner shall, to the extent possible, use the existing health care home certification and payment structure established under this section and section 256B.0753.

Sec. 12. Minnesota Statutes 2011 Supplement, section 256B.69, subdivision 5a, is amended to read:

Subd. 5a. Managed care contracts. (a) Managed care contracts under this section and section 256L.12 shall be entered into or renewed on a calendar year basis beginning January 1, 1996. Managed care contracts which were in effect on June 30, 1995, and set to renew on July 1, 1995, shall be renewed for the period July 1, 1995 through December 31, 1995 at the same terms that were in effect on June 30, 1995. The commissioner may issue separate contracts with requirements specific to services to medical assistance recipients age 65 and older.

(b) A prepaid health plan providing covered health services for eligible persons pursuant to chapters 256B and 256L is responsible for complying with the terms of its contract with the commissioner. Requirements applicable to managed care programs under chapters 256B and 256L established after the effective date of a contract with the commissioner take effect when the contract is next issued or renewed.

(c) Effective for services rendered on or after January 1, 2003, the commissioner shall withhold five percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program pending completion of performance targets. Each performance target must be quantifiable, objective, measurable, and reasonably attainable, except in the case of a performance target based on a federal or state law or rule. Criteria for assessment of each performance target must be outlined in writing prior to the contract effective date. Clinical or utilization performance targets and their related criteria must consider evidence-based research and reasonable interventions when available or applicable to the populations served, and must be developed with input from external clinical experts and stakeholders, including managed care plans, county-based purchasing plans, and providers. The managed care or county-based purchasing plan must demonstrate, to the commissioner's satisfaction, that the data submitted regarding attainment of the performance target is accurate. The commissioner shall periodically change the administrative measures used as performance targets in order to improve plan performance across a broader range of administrative services. The performance targets must include measurement of plan efforts to contain spending on health care services and administrative activities. The commissioner may adopt plan-specific performance targets that take into account factors affecting only one plan, including characteristics of the plan's enrollee population. The withheld funds must be returned no sooner than July of the following year if performance targets in the contract are achieved. The commissioner may exclude special demonstration projects under subdivision 23.

(d) Effective for services rendered on or after January 1, 2009, through December 31, 2009, the commissioner shall withhold three percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year. The commissioner may exclude special demonstration projects under subdivision 23.

(e) Effective for services provided on or after January 1, 2010, the commissioner shall require that managed care plans use the assessment and authorization processes, forms, timelines, standards, documentation, and data reporting requirements, protocols, billing processes, and policies consistent with medical assistance fee-for-service or the Department of Human Services contract requirements consistent with medical assistance fee-for-service or the Department of Human Services contract requirements for all personal care assistance services under section 256B.0659.
(f) Effective for services rendered on or after January 1, 2010, through December 31, 2010, the commissioner shall withhold 4.5 percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year. The commissioner may exclude special demonstration projects under subdivision 23.

(g) Effective for services rendered on or after January 1, 2011, through December 31, 2011, the commissioner shall include as part of the performance targets described in paragraph (c) a reduction in the health plan's emergency room utilization rate for state health care program enrollees by a measurable rate of five percent from the plan's utilization rate for state health care program enrollees for the previous calendar year. Effective for services rendered on or after January 1, 2012, the commissioner shall include as part of the performance targets described in paragraph (c) a reduction in the health plan's emergency department utilization rate for medical assistance and MinnesotaCare enrollees, as determined by the commissioner. For 2012, the reduction shall be based on the health plan's utilization in 2009. To earn the return of the withhold each subsequent year, the managed care plan or county-based purchasing plan must achieve a qualifying reduction of no less than ten percent of the plan's emergency department utilization rate for medical assistance and MinnesotaCare enrollees, excluding Medicare enrollees in programs described in subdivisions 23 and 28, compared to the previous calendar measurement year until the final performance target is reached. When measuring performance, the commissioner must consider the difference in health risk in a managed care or county-based purchasing plan's membership in the baseline year compared to the measurement year, and work with the managed care or county-based purchasing plan to account for differences that they agree are significant.

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that a reduction in the utilization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of the withheld funds in amounts commensurate with achieved reductions in utilization less than the target amount.

The withhold described in this paragraph shall continue for each consecutive contract period until the plan's emergency room utilization rate for state health care program enrollees is reduced by 25 percent of the plan's emergency room utilization rate for medical assistance and MinnesotaCare enrollees for calendar year 2009. Hospitals shall cooperate with the health plans in meeting this performance target and shall accept payment withholds that may be returned to the hospitals if the performance target is achieved.

(h) Effective for services rendered on or after January 1, 2012, the commissioner shall include as part of the performance targets described in paragraph (c) a reduction in the plan's hospitalization admission rate for medical assistance and MinnesotaCare enrollees, as determined by the commissioner. To earn the return of the withhold each year, the managed care plan or county-based purchasing plan must achieve a qualifying reduction of no less than five percent of the plan's hospital admission rate for medical assistance and MinnesotaCare enrollees, excluding Medicare enrollees in programs described in subdivisions 23 and 28, compared to the previous calendar year until the final performance target is reached. When measuring performance, the commissioner must consider the difference in health risk in a managed care or county-based purchasing plan's membership in the baseline year compared to the measurement year, and work with the managed care or county-based purchasing plan to account for differences that they agree are significant.

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that this reduction in the hospitalization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of the withheld funds in amounts commensurate with achieved reductions in utilization less than the targeted amount.
The withhold described in this paragraph shall continue until there is a 25 percent reduction in the hospital admission rate compared to the hospital admission rates in calendar year 2011, as determined by the commissioner. The hospital admissions in this performance target do not include the admissions applicable to the subsequent hospital admission performance target under paragraph (i). Hospitals shall cooperate with the plans in meeting this performance target and shall accept payment withholds that may be returned to the hospitals if the performance target is achieved.

(i) Effective for services rendered on or after January 1, 2012, the commissioner shall include as part of the performance targets described in paragraph (c) a reduction in the plan's hospitalization admission rates for subsequent hospitalizations within 30 days of a previous hospitalization of a patient regardless of the reason, for medical assistance and MinnesotaCare enrollees, as determined by the commissioner. To earn the return of the withhold each year, the managed care plan or county-based purchasing plan must achieve a qualifying reduction of the subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees, excluding Medicare enrollees in programs described in subdivisions 23 and 28, of no less than five percent compared to the previous calendar year until the final performance target is reached.

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that a qualifying reduction in the subsequent hospitalization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of the withheld funds in amounts commensurate with achieved reductions in utilization less that the targeted amount.

The withhold described in this paragraph must continue for each consecutive contract period until the plan's subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees, excluding Medicare enrollees in programs described in subdivisions 23 and 28, is reduced by 25 percent of the plan's subsequent hospitalization rate for calendar year 2011. Hospitals shall cooperate with the plans in meeting this performance target and shall accept payment withholds that must be returned to the hospitals if the performance target is achieved.

(j) Effective for services rendered on or after January 1, 2011, through December 31, 2011, the commissioner shall withhold 4.5 percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year. The commissioner may exclude special demonstration projects under subdivision 23.

(k) Effective for services rendered on or after January 1, 2012, through December 31, 2012, the commissioner shall withhold 4.5 percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year. The commissioner may exclude special demonstration projects under subdivision 23.

(l) Effective for services rendered on or after January 1, 2013, through December 31, 2013, the commissioner shall withhold 4.5 percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year. The commissioner may exclude special demonstration projects under subdivision 23.

(m) Effective for services rendered on or after January 1, 2014, the commissioner shall withhold three percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year. The commissioner may exclude special demonstration projects under subdivision 23.
(n) A managed care plan or a county-based purchasing plan under section 256B.692 may include as admitted assets under section 62D.044 any amount withheld under this section that is reasonably expected to be returned.

(o) Contracts between the commissioner and a prepaid health plan are exempt from the set-aside and preference provisions of section 16C.16, subdivisions 6, paragraph (a), and 7.

(p) The return of the withhold under paragraphs (d), (f), and (j) to (m) is not subject to the requirements of paragraph (c).

Sec. 13. Minnesota Statutes 2010, section 256B.69, subdivision 9, is amended to read:

Subd. 9. **Reporting.** (a) Each demonstration provider shall submit information as required by the commissioner, including data required for assessing client satisfaction, quality of care, cost, and utilization of services for purposes of project evaluation. The commissioner shall also develop methods of data reporting and collection in order to provide aggregate enrollee information on encounters and outcomes to determine access and quality assurance. Required information shall be specified before the commissioner contracts with a demonstration provider.

(b) Aggregate nonpersonally identifiable health plan encounter data, aggregate spending data for major categories of service as reported to the commissioners of health and commerce under section 62D.08, subdivision 3, clause (a), and criteria for service authorization and service use are public data that the commissioner shall make available and use in public reports. The commissioner shall require each health plan and county-based purchasing plan to provide:

(1) encounter data for each service provided, using standard codes and unit of service definitions set by the commissioner, in a form that the commissioner can report by age, eligibility groups, and health plan; and

(2) criteria, written policies, and procedures required to be disclosed under section 62M.10, subdivision 7, and Code of Federal Regulations, title 42, part 438.210(b)(1), used for each type of service for which authorization is required.

Sec. 23. Minnesota Statutes 2011 Supplement, section 256L.12, subdivision 9, is amended to read:

Subd. 9. Rate setting; performance withholds. (a) Rates will be prospective, per capita, where possible. The commissioner may allow health plans to arrange for inpatient hospital services on a risk or nonrisk basis. The commissioner shall consult with an independent actuary to determine appropriate rates.

(b) For services rendered on or after January 1, 2004, the commissioner shall withhold five percent of managed care plan payments and county-based purchasing plan payments under this section pending completion of performance targets. Each performance target must be quantifiable, objective, measurable, and reasonably attainable, except in the case of a performance target based on a federal or state law or rule. Criteria for assessment of each performance target must be outlined in writing prior to the contract effective date. Clinical or utilization performance targets and their related criteria must consider evidence-based research and reasonable interventions, when available or applicable to the populations served, and must be developed with input from external clinical experts and stakeholders, including managed care plans, county-based purchasing plans, and providers. The managed care plan must demonstrate, to the commissioner's satisfaction, that the data submitted regarding attainment of the performance target is accurate. The commissioner shall periodically change the administrative measures used as performance targets in order to improve plan performance across a broader range of administrative services. The performance targets must include measurement of plan efforts to contain spending on health care services and administrative activities. The commissioner may adopt plan-specific performance targets that take into
account factors affecting only one plan, such as characteristics of the plan's enrollee population. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if performance targets in the contract are achieved.

(c) For services rendered on or after January 1, 2011, the commissioner shall withhold an additional three percent of managed care plan or county-based purchasing plan payments under this section. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year. The return of the withhold under this paragraph is not subject to the requirements of paragraph (b).

(d) Effective for services rendered on or after January 1, 2011, through December 31, 2011, the commissioner shall include as part of the performance targets described in paragraph (b) a reduction in the plan's emergency room utilization rate for state health care program enrollees by a measurable rate of five percent from the plan's utilization rate for the previous calendar year. Effective for services rendered on or after January 1, 2012, the commissioner shall include as part of the performance targets described in paragraph (b) a reduction in the health plan's emergency department utilization rate for medical assistance and MinnesotaCare enrollees, as determined by the commissioner. For 2012, the reductions shall be based on the health plan's utilization in 2009. To earn the return of the withhold each subsequent year, the managed care plan or county-based purchasing plan must achieve a qualifying reduction of no less than ten percent of the plan's utilization rate for medical assistance and MinnesotaCare enrollees, excluding Medicare enrollees in programs described in section 256B.69, subdivisions 23 and 28, compared to the previous calendar measurement year, until the final performance target is reached. When measuring performance, the commissioner must consider the difference in health risk in a managed care or county-based purchasing plan's membership in the baseline year compared to the measurement year, and work with the managed care or county-based purchasing plan to account for differences that they agree are significant.

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that a reduction in the utilization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of the withheld funds in amounts commensurate with achieved reductions in utilization less than the targeted amount.

The withhold described in this paragraph shall continue for each consecutive contract period until the plan's emergency room utilization rate for state health care program enrollees is reduced by 25 percent of the plan's emergency room utilization rate for medical assistance and MinnesotaCare enrollees for calendar year 2009. Hospitals shall cooperate with the health plans in meeting this performance target and shall accept payment withholds that may be returned to the hospitals if the performance target is achieved.

(e) Effective for services rendered on or after January 1, 2012, the commissioner shall include as part of the performance targets described in paragraph (b) a reduction in the plan's hospitalization admission rate for medical assistance and MinnesotaCare enrollees, as determined by the commissioner. To earn the return of the withhold each year, the managed care plan or county-based purchasing plan must achieve a qualifying reduction of no less than five percent of the plan's hospital admission rate for medical assistance and MinnesotaCare enrollees, excluding Medicare enrollees in programs described in section 256B.69, subdivisions 23 and 28, compared to the previous calendar year, until the final performance target is reached. When measuring performance, the commissioner must consider the difference in health risk in a managed care or county-based purchasing plan's membership in the baseline year compared to the measurement year, and work with the managed care or county-based purchasing plan to account for differences that they agree are significant.

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that this reduction in the hospitalization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of the withheld funds in amounts commensurate with achieved reductions in utilization less than the targeted amount.
The withhold described in this paragraph shall continue until there is a 25 percent reduction in the hospitals admission rate compared to the hospital admission rate for calendar year 2011 as determined by the commissioner. Hospitals shall cooperate with the plans in meeting this performance target and shall accept payment withholds that may be returned to the hospitals if the performance target is achieved. The hospital admissions in this performance target do not include the admissions applicable to the subsequent hospital admission performance target under paragraph (f).

(f) Effective for services provided on or after January 1, 2012, the commissioner shall include as part of the performance targets described in paragraph (b) a reduction in the plan's hospitalization rate for a subsequent hospitalization within 30 days of a previous hospitalization of a patient regardless of the reason, for medical assistance and MinnesotaCare enrollees, as determined by the commissioner. To earn the return of the withhold each year, the managed care plan or county-based purchasing plan must achieve a qualifying reduction of the subsequent hospital admissions rate for medical assistance and MinnesotaCare enrollees, excluding Medicare enrollees in programs described in section 256B.69, subdivisions 23 and 28, of no less than five percent compared to the previous calendar year until the final performance target is reached.

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that a reduction in the subsequent hospitalization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of the withheld funds in amounts commensurate with achieved reductions in utilization less than the targeted amount.

The withhold described in this paragraph must continue for each consecutive contract period until the plan's subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees is reduced by 25 percent of the plan's subsequent hospitalization rate for calendar year 2011. Hospitals shall cooperate with the plans in meeting this performance target and shall accept payment withholds that must be returned to the hospitals if the performance target is achieved.

(g) A managed care plan or a county-based purchasing plan under section 256B.692 may include as admitted assets under section 62D.044 any amount withheld under this section that is reasonably expected to be returned.

Sec. 26. HEALTH SERVICES ADVISORY COUNCIL.

The Health Services Advisory Council shall review currently available literature regarding the efficacy of various treatments for autism spectrum disorder, including an evaluation of age-based variation in the appropriateness of existing medical and behavioral interventions. The council shall recommend to the commissioner of human services authorization criteria for services based on existing evidence. The council may recommend coverage with ongoing collection of outcomes evidence in circumstances where evidence is currently unavailable, or where the strength of the evidence is low. The council shall make this recommendation by December 31, 2012.

Sec. 27. REPORTING REQUIREMENTS.

Subdivision 1. Evidence-based childbirth program. The commissioner of human services may discontinue the evidence-based childbirth program and shall discontinue all affiliated reporting requirements established under Minnesota Statutes, section 256B.0625, subdivision 3g, once the commissioner determines that hospitals representing at least 90 percent of births covered by medical assistance or MinnesotaCare have approved policies and processes in place that prohibit elective inductions prior to 39 weeks’ gestation.

The commissioners shall work with health maintenance organizations and county-based purchasing plans to ensure that the report merger is done in a manner that simplifies health maintenance organization and county-based purchasing plan reporting processes.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 28. EMERGENCY MEDICAL ASSISTANCE STUDY.

(a) The commissioner of human services shall develop a plan to provide coordinated and cost-effective health care and coverage for individuals who meet eligibility standards for emergency medical assistance and who are ineligible for other state public programs. The commissioner shall consult with relevant stakeholders in the development of the plan. The commissioner shall consider the following elements:
(1) strategies to provide individuals with the most appropriate care in the appropriate setting, utilizing higher quality and lower cost providers;

(2) payment mechanisms to encourage providers to manage the care of these populations, and to produce lower cost of care and better patient outcomes;

(3) ensure coverage and payment options that address the unique needs of those needing episodic care, chronic care, and long-term care services;

(4) strategies for coordinating health care and nonhealth care services, and integrating with existing coverage; and

(5) other issues and strategies to ensure cost-effective and coordinated delivery of coverage and services.

(b) The commissioner shall submit the plan to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and financing by January 15, 2013.

Sec. 30. **COST-SHARING REQUIREMENTS STUDY.**

The commissioner of human services, in consultation with managed care plans, county-based purchasing plans, and other relevant stakeholders, shall develop recommendations to implement a revised cost-sharing structure for state public health care programs that ensures application of meaningful cost-sharing requirements within the limits of title 42, Code of Federal Regulations, section 447.54, for enrollees in these programs. The commissioner shall report to the chairs and ranking minority members of the legislative committees with jurisdiction over these issues by January 15, 2013, with draft legislation to implement these recommendations effective January 1, 2014.

Sec. 31. **STUDY OF MANAGED CARE.**

(d) Minnesota Statutes, section 256.011, subdivision 3, which requires that federal grants or aids secured or obtained under that subdivision be used to reduce any direct appropriations provided by law, do not apply if the grants or aids are federal TANF funds.

(e) For the federal fiscal years beginning on or after October 1, 2007, the commissioner may not claim an amount of TANF/MOE in excess of the 75 percent standard in Code of Federal Regulations, title 45, section 263.1(a)(2), except:

(1) to the extent necessary to meet the 80 percent standard under Code of Federal Regulations, title 45, section 263.1(a)(1), if it is determined by the commissioner that the state will not meet the TANF work participation target rate for the current year;
(2) to provide any additional amounts under Code of Federal Regulations, title 45, section 264.5, that relate to replacement of TANF funds due to the operation of TANF penalties; and

(3) to provide any additional amounts that may contribute to avoiding or reducing TANF work participation penalties through the operation of the excess MOE provisions of Code of Federal Regulations, title 45, section 261.43 (a)(2).

For the purposes of clauses (1) to (3), the commissioner may supplement the MOE claim with working family credit expenditures or other qualified expenditures to the extent such expenditures are otherwise available after considering the expenditures allowed in this subdivision.

(f) Notwithstanding any contrary provision in this article, paragraphs (a) to (e) expire June 30, 2015.

**Working Family Credit Expenditures as TANF/MOE.** The commissioner may claim as TANF maintenance of effort up to $6,707,000 per year of working family credit expenditures for fiscal years 2012 and 2013.

As part of the determination, the commissioner shall consider the availability of foster care capacity in the area in which the licensee seeks to operate, and the recommendation of the local county board. The determination by the commissioner must be final. A determination of need is not required for a change in ownership at the same address.

(c) Residential settings that would otherwise be subject to the moratorium established in paragraph (a), that are in the process of receiving an adult or child foster care license as of July 1, 2009, shall be allowed to continue to complete the process of receiving an adult or child foster care license. Implementation of the statewide licensed capacity reduction shall begin on July 1, 2013. The commissioner shall delicense up to 128 beds by June 30, 2014, using the needs determination process. Under this paragraph, the commissioner has the authority to reduce unused licensed capacity of a current foster care program to accomplish the consolidation or closure of settings.    (iii) a mental health clinic certified under Minnesota Rules, parts 9520.0750 to 9520.0870; or

   (iv) a provider of intensive residential treatment services (IRTS) licensed under Minnesota Rules, parts 9520.0500 to 9520.0670; or

(2) the license holder is certified under the requirements in subdivision 6a.

(g) A resource need determination process, managed at the state level, using the available reports required by section 144A.351, and other data and information shall be used to determine where the reduced capacity required under paragraph (e) will be implemented. The commissioner shall consult with the stakeholders described in section 144A.351, and employ a variety of methods to improve the state’s capacity to meet long-term care service needs within budgetary limits, including seeking proposals from service providers or lead agencies to change service type, capacity, or location to improve services, increase the independence of residents, and better meet needs identified by the long-term care services reports and statewide data and information. By February 1 of each year, the commissioner shall provide information and data on the overall capacity of licensed long-term care services, actions taken under this subdivision to manage statewide long-term care services and supports resources, and any recommendations for change to the legislative committees with jurisdiction over health and human services budget.
Sec. 7. Minnesota Statutes 2010, section 245A.11, subdivision 2a, is amended to read:

Subd. 2a. Adult foster care license capacity. (a) The commissioner shall issue adult foster care licenses with a maximum licensed capacity of four beds, including nonstaff roomers and boarders, except that the commissioner may issue a license with a capacity of five beds, including roomers and boarders, according to paragraphs (b) to (f).

(b) An adult foster care license holder may have a maximum license capacity of five if all persons in care are age 55 or over and do not have a serious and persistent mental illness or a developmental disability.

(c) The commissioner may grant variances to paragraph (b) to allow a foster care provider with a licensed capacity of five persons to admit an individual under the age of 55 if the variance complies with section 245A.04, subdivision 9, and approval of the variance is recommended by the county in which the licensed foster care provider is located.

(d) The commissioner may grant variances to paragraph (b) to allow the use of a fifth bed for emergency crisis services for a person with serious and persistent mental illness or a developmental disability, regardless of age, if the variance complies with section 245A.04, subdivision 9, and approval of the variance is recommended by the county in which the licensed foster care provider is located.

(e) The commissioner may grant a variance to paragraph (b) to allow for the use of a fifth bed for respite services, as defined in section 245A.02, for persons with disabilities, regardless of age, if the variance complies with section 245A.03, subdivision 7, and section 245A.04, subdivision 9, and approval of the variance is recommended by the county in which the licensed foster care provider is licensed. Respite care may be provided under the following conditions:

(1) staffing ratios cannot be reduced below the approved level for the individuals being served in the home on a permanent basis;

(2) no more than two different individuals can be accepted for respite services in any calendar month and the total respite days may not exceed 120 days per program in any calendar year;

(3) the person receiving respite services must have his or her own bedroom, which could be used for alternative purposes when not used as a respite bedroom, and cannot be the room of another person who lives in the foster care home; and

(4) individuals living in the foster care home must be notified when the variance is approved. The provider must give 60 days' notice in writing to the residents and their legal representatives prior to accepting the first respite placement. Notice must be given to residents at least two days prior to service initiation, or as soon as the license holder is able if they receive notice of the need for respite less than two days prior to initiation, each time a respite client will be served, unless the requirement for this notice is waived by the resident or legal guardian.

(f) If the 2009 legislature adopts a rate reduction that impacts providers of adult foster care services, the commissioner may issue an adult foster care license with a capacity of five adults if the fifth bed does not increase the overall statewide capacity of licensed adult foster care beds in homes that are not the primary residence of the license holder, over the licensed capacity in such homes on July 1, 2009, as identified in a plan submitted to the commissioner by the county, when the capacity is recommended by the county licensing agency of the county in which the facility is located and if the recommendation verifies that:

(1) the facility meets the physical environment requirements in the adult foster care licensing rule;

(2) the five-bed living arrangement is specified for each resident in the resident's:
(i) individualized plan of care;

(ii) individual service plan under section 256B.092, subdivision 1b, if required; or

(iii) individual resident placement agreement under Minnesota Rules, part 9555.5105, subpart 19, if required;

(3) the license holder obtains written and signed informed consent from each resident or resident's legal representative documenting the resident's informed choice to remain living in the home and that the resident's refusal to consent would not have resulted in service termination; and

(4) the facility was licensed for adult foster care before March 1, 2009.

(f) The commissioner shall not issue a new adult foster care license under paragraph (e) after June 30, 2011. The commissioner shall allow a facility with an adult foster care license issued under paragraph (e) before June 30, 2011, to continue with a capacity of five adults if the license holder continues to comply with the requirements in paragraph (e).

Sec. 8. Minnesota Statutes 2010, section 245A.11, subdivision 7, is amended to read:

Subd. 7. **Adult foster care; variance for alternate overnight supervision.** (a) The commissioner may grant a variance under section 245A.04, subdivision 9, to rule parts requiring a caregiver to be present in an adult foster care home during normal sleeping hours to allow for alternative methods of overnight supervision. The commissioner may grant the variance if the local county licensing agency recommends the variance and the county recommendation includes documentation verifying that:

(1) the county has approved the license holder's plan for alternative methods of providing overnight supervision and determined the plan protects the residents' health, safety, and rights;

(2) the license holder has obtained written and signed informed consent from each resident or each resident's legal representative documenting the resident's or legal representative's agreement with the alternative method of overnight supervision; and

(3) the alternative method of providing overnight supervision, which may include the use of technology, is specified for each resident in the resident's: (i) individualized plan of care; (ii) individual service plan under section 256B.092, subdivision 1b, if required; or (iii) individual resident placement agreement under Minnesota Rules, part 9555.5105, subpart 19, if required.

(b) To be eligible for a variance under paragraph (a), the adult foster care license holder must not have had a licensing action, conditional license issued under section 245A.06, or any other licensing sanction issued under section 245A.07 during the prior 24 months based on failure to provide adequate supervision, health care services, or resident safety in the adult foster care home.

(c) A license holder requesting a variance under this subdivision to utilize technology as a component of a plan for alternative overnight supervision may request the commissioner's review in the absence of a county recommendation. Upon receipt of such a request from a license holder, the commissioner shall review the variance request with the county.

Sec. 9. Minnesota Statutes 2010, section 245A.11, subdivision 7a, is amended to read:

Subd. 7a. **Alternate overnight supervision technology; adult foster care license.** (a) The commissioner may grant an applicant or license holder an adult foster care license for a residence that does not have a caregiver in the residence during normal sleeping hours as required under Minnesota Rules, part 9555.5105, subpart 37, item B, but
uses monitoring technology to alert the license holder when an incident occurs that may jeopardize the health, safety, or rights of a foster care recipient. The applicant or license holder must comply with all other requirements under Minnesota Rules, parts 9555.5105 to 9555.6265, and the requirements under this subdivision. The license printed by the commissioner must state in bold and large font:

(1) that the facility is under electronic monitoring; and

(2) the telephone number of the county's common entry point for making reports of suspected maltreatment of vulnerable adults under section 626.557, subdivision 9.

(b) Applications for a license under this section must be submitted directly to the Department of Human Services licensing division. The licensing division must immediately notify the host county and lead county contract agency and the host county licensing agency. The licensing division must collaborate with the county licensing agency in the review of the application and the licensing of the program.

(c) Before a license is issued by the commissioner, and for the duration of the license, the applicant or license holder must establish, maintain, and document the implementation of written policies and procedures addressing the requirements in paragraphs (d) through (f).

(d) The applicant or license holder must have policies and procedures that:

(1) establish characteristics of target populations that will be admitted into the home, and characteristics of populations that will not be accepted into the home;

(2) explain the discharge process when a foster care recipient requires overnight supervision or other services that cannot be provided by the license holder due to the limited hours that the license holder is on site;

(3) describe the types of events to which the program will respond with a physical presence when those events occur in the home during time when staff are not on site, and how the license holder's response plan meets the requirements in paragraph (e), clause (1) or (2);

(4) establish a process for documenting a review of the implementation and effectiveness of the response protocol for the response required under paragraph (e), clause (1) or (2). The documentation must include:

(i) a description of the triggering incident;

(ii) the date and time of the triggering incident;

(iii) the time of the response or responses under paragraph (e), clause (1) or (2);

(iv) whether the response met the resident's needs;

(v) whether the existing policies and response protocols were followed; and

(vi) whether the existing policies and protocols are adequate or need modification.

When no physical presence response is completed for a three-month period, the license holder's written policies and procedures must require a physical presence response drill to be conducted for which the effectiveness of the response protocol under paragraph (e), clause (1) or (2), will be reviewed and documented as required under this clause; and
(5) establish that emergency and nonemergency phone numbers are posted in a prominent location in a common area of the home where they can be easily observed by a person responding to an incident who is not otherwise affiliated with the home.

(e) The license holder must document and include in the license application which response alternative under clause (1) or (2) is in place for responding to situations that present a serious risk to the health, safety, or rights of people receiving foster care services in the home:

(1) response alternative (1) requires only the technology to provide an electronic notification or alert to the license holder that an event is underway that requires a response. Under this alternative, no more than ten minutes will pass before the license holder will be physically present on site to respond to the situation; or

(2) response alternative (2) requires the electronic notification and alert system under alternative (1), but more than ten minutes may pass before the license holder is present on site to respond to the situation. Under alternative (2), all of the following conditions are met:

(i) the license holder has a written description of the interactive technological applications that will assist the license holder in communicating with and assessing the needs related to the care, health, and safety of the foster care recipients. This interactive technology must permit the license holder to remotely assess the well being of the foster care recipient without requiring the initiation of the foster care recipient. Requiring the foster care recipient to initiate a telephone call does not meet this requirement;

(ii) the license holder documents how the remote license holder is qualified and capable of meeting the needs of the foster care recipients and assessing foster care recipients' needs under item (i) during the absence of the license holder on site;

(iii) the license holder maintains written procedures to dispatch emergency response personnel to the site in the event of an identified emergency; and

(iv) each foster care recipient's individualized plan of care, individual service plan under section 256B.092, subdivision 1b, if required, or individual resident placement agreement under Minnesota Rules, part 9555.5105, subpart 19, if required, identifies the maximum response time, which may be greater than ten minutes, for the license holder to be on site for that foster care recipient.

(f) Each foster care recipient's placement agreement, individual service agreements, and plans applicable to the foster care recipient agreement, and plan must clearly state that the adult foster care license category is a program without the presence of a caregiver in the residence during normal sleeping hours; the protocols in place for responding to situations that present a serious risk to the health, safety, or rights of foster care recipients under paragraph (e), clause (1) or (2); and a signed informed consent from each foster care recipient or the person's legal representative documenting the person's or legal representative's agreement with placement in the program. If electronic monitoring technology is used in the home, the informed consent form must also explain the following:

(1) how any electronic monitoring is incorporated into the alternative supervision system;

(2) the backup system for any electronic monitoring in times of electrical outages or other equipment malfunctions;

(3) how the license holder is trained on the use of the technology;

(4) the event types and license holder response times established under paragraph (e);
(5) how the license holder protects the foster care recipient's privacy related to electronic monitoring and related to any electronically recorded data generated by the monitoring system. A foster care recipient may not be removed from a program under this subdivision for failure to consent to electronic monitoring. The consent form must explain where and how the electronically recorded data is stored, with whom it will be shared, and how long it is retained; and

(6) the risks and benefits of the alternative overnight supervision system.

The written explanations under clauses (1) to (6) may be accomplished through cross-references to other policies and procedures as long as they are explained to the person giving consent, and the person giving consent is offered a copy.

(g) Nothing in this section requires the applicant or license holder to develop or maintain separate or duplicative policies, procedures, documentation, consent forms, or individual plans that may be required for other licensing standards, if the requirements of this section are incorporated into those documents.

(h) The commissioner may grant variances to the requirements of this section according to section 245A.04, subdivision 9.

(i) For the purposes of paragraphs (d) through (h), "license holder" has the meaning under section 245A.2, subdivision 9, and additionally includes all staff, volunteers, and contractors affiliated with the license holder.

(j) For the purposes of paragraph (e), the terms "assess" and "assessing" mean to remotely determine what action the license holder needs to take to protect the well-being of the foster care recipient.

(k) The commissioner shall evaluate license applications using the requirements in paragraphs (d) to (f). The commissioner shall provide detailed application forms, including a checklist of criteria needed for approval.

(l) To be eligible for a license under paragraph (a), the adult foster care license holder must not have had a conditional license issued under section 245A.06 or any licensing sanction under section 245A.07 during the prior 24 months based on failure to provide adequate supervision, health care services, or resident safety in the adult foster care home.

(m) The commissioner shall review an application for an alternative overnight supervision license within 60 days of receipt of the application. When the commissioner receives an application that is incomplete because the applicant failed to submit required documents or that is substantially deficient because the documents submitted do not meet licensing requirements, the commissioner shall provide the applicant written notice that the application is incomplete or substantially deficient. In the written notice to the applicant, the commissioner shall identify documents that are missing or deficient and give the applicant 45 days to resubmit a second application that is substantially complete. An applicant's failure to submit a substantially complete application after receiving notice from the commissioner is a basis for license denial under section 245A.05. The commissioner shall complete subsequent review within 30 days.

(n) Once the application is considered complete under paragraph (m), the commissioner will approve or deny an application for an alternative overnight supervision license within 60 days.

(o) For the purposes of this subdivision, "supervision" means:

(1) oversight by a caregiver as specified in the individual resident's place agreement and awareness of the resident's needs and activities; and
(2) the presence of a caregiver in a residence during normal sleeping hours, unless a determination has been made and documented in the individual's support plan that the individual does not require the presence of a caregiver during normal sleeping hours.

Sec. 10. Minnesota Statutes 2010, section 245B.07, subdivision 1, is amended to read:

Subdivision 1. **Consumer data file.** The license holder must maintain the following information for each consumer:

(1) identifying information that includes date of birth, medications, legal representative, history, medical, and other individual-specific information, and names and telephone numbers of contacts;

(2) consumer health information, including individual medication administration and monitoring information;

(3) the consumer's individual service plan. When a consumer's case manager does not provide a current individual service plan, the license holder shall make a written request to the case manager to provide a copy of the individual service plan and inform the consumer or the consumer's legal representative of the right to an individual service plan and the right to appeal under section 256.045. In the event the case manager fails to provide an individual service plan after a written request from the license holder, the license holder shall not be sanctioned or penalized financially for not having a current individual service plan in the consumer's data file;

(4) copies of assessments, analyses, summaries, and recommendations;

(5) progress review reports;

(6) incidents involving the consumer;

(7) reports required under section 245B.05, subdivision 7;

(8) discharge summary, when applicable;

(9) record of other license holders serving the consumer that includes a contact person and telephone numbers, services being provided, services that require coordination between two license holders, and name of staff responsible for coordination;

(10) information about verbal aggression directed at the consumer by another consumer; and

(11) information about self-abuse.

Sec. 11. Minnesota Statutes 2010, section 245C.04, subdivision 6, is amended to read:

**Subd. 6. Unlicensed home and community-based waiver providers of service to seniors and individuals with disabilities.** (a) Providers required to initiate background studies under section 256B.4912 must initiate a study before the individual begins in a position allowing direct contact with persons served by the provider.

(b) The commissioner shall conduct **Except as provided in paragraph (c), the providers must initiate a background study annually of an individual required to be studied under section 245C.03, subdivision 6.**

(c) After an initial background study under this subdivision is initiated on an individual by a provider of both services licensed by the commissioner and the unlicensed services under this subdivision, a repeat annual background study is not required if:
(1) the provider maintains compliance with the requirements of section 245C.07, paragraph (a), regarding one individual with one address and telephone number as the person to receive sensitive background study information for the multiple programs that depend on the same background study, and that the individual who is designated to receive the sensitive background information is capable of determining, upon the request of the commissioner, whether a background study subject is providing direct contact services in one or more of the provider's programs or services and, if so, at which location or locations; and

(2) the individual who is the subject of the background study provides direct contact services under the provider's licensed program for at least 40 hours per year so the individual will be recognized by a probation officer or corrections agent to prompt a report to the commissioner regarding criminal convictions as required under section 245C.05, subdivision 7.

Sec. 12. Minnesota Statutes 2010, section 245C.05, subdivision 7, is amended to read:

Subd. 7. **Probation officer and corrections agent.** (a) A probation officer or corrections agent shall notify the commissioner of an individual's conviction if the individual is:

(1) has been affiliated with a program or facility regulated by the Department of Human Services or Department of Health, a facility serving children or youth licensed by the Department of Corrections, or any type of home care agency or provider of personal care assistance services within the preceding year; and

(2) has been convicted of a crime constituting a disqualification under section 245C.14.

(b) For the purpose of this subdivision, "conviction" has the meaning given it in section 609.02, subdivision 5.

(c) The commissioner, in consultation with the commissioner of corrections, shall develop forms and information necessary to implement this subdivision and shall provide the forms and information to the commissioner of corrections for distribution to local probation officers and corrections agents.

(d) The commissioner shall inform individuals subject to a background study that criminal convictions for disqualifying crimes will be reported to the commissioner by the corrections system.

(e) A probation officer, corrections agent, or corrections agency is not civilly or criminally liable for disclosing or failing to disclose the information required by this subdivision.

(f) Upon receipt of disqualifying information, the commissioner shall provide the notice required under section 245C.17, as appropriate, to agencies on record as having initiated a background study or making a request for documentation of the background study status of the individual.

(g) This subdivision does not apply to family child care programs.

Sec. 13. Minnesota Statutes 2010, section 252.27, subdivision 2a, is amended to read:

Subd. 2a. **Contribution amount.** (a) The natural or adoptive parents of a minor child, including a child determined eligible for medical assistance without consideration of parental income, must contribute to the cost of services used by making monthly payments on a sliding scale based on income, unless the child is married or has been married, parental rights have been terminated, or the child's adoption is subsidized according to section 259.67 or through title IV-E of the Social Security Act. The parental contribution is a partial or full payment for medical services provided for diagnostic, therapeutic, curing, treating, mitigating, rehabilitation, maintenance, and personal care services as defined in United States Code, title 26, section 213, needed by the child with a chronic illness or disability.
(b) For households with adjusted gross income equal to or greater than 100 percent of federal poverty guidelines, the parental contribution shall be computed by applying the following schedule of rates to the adjusted gross income of the natural or adoptive parents:

(1) if the adjusted gross income is equal to or greater than 100 percent of federal poverty guidelines and less than 175 percent of federal poverty guidelines, the parental contribution is $4 per month;

(2) if the adjusted gross income is equal to or greater than 175 percent of federal poverty guidelines and less than or equal to 545 percent of federal poverty guidelines, the parental contribution shall be determined using a sliding fee scale established by the commissioner of human services which begins at one percent of adjusted gross income at 175 percent of federal poverty guidelines and increases to 7.5 percent of adjusted gross income for those with adjusted gross income up to 545 percent of federal poverty guidelines;

(3) if the adjusted gross income is greater than 545 percent of federal poverty guidelines and less than 675 percent of federal poverty guidelines, the parental contribution shall be 7.5 percent of adjusted gross income;

(4) if the adjusted gross income is equal to or greater than 675 percent of federal poverty guidelines and less than 975 percent of federal poverty guidelines, the parental contribution shall be determined using a sliding fee scale established by the commissioner of human services which begins at 7.5 percent of adjusted gross income at 675 percent of federal poverty guidelines and increases to ten percent of adjusted gross income for those with adjusted gross income up to 975 percent of federal poverty guidelines; and

(5) if the adjusted gross income is equal to or greater than 975 percent of federal poverty guidelines, the parental contribution shall be 12.5 percent of adjusted gross income.

If the child lives with the parent, the annual adjusted gross income is reduced by $2,400 prior to calculating the parental contribution. If the child resides in an institution specified in section 256B.35, the parent is responsible for the personal needs allowance specified under that section in addition to the parental contribution determined under this section. The parental contribution is reduced by any amount required to be paid directly to the child pursuant to a court order, but only if actually paid.

(c) The household size to be used in determining the amount of contribution under paragraph (b) includes natural and adoptive parents and their dependents, including the child receiving services. Adjustments in the contribution amount due to annual changes in the federal poverty guidelines shall be implemented on the first day of July following publication of the changes.

(d) For purposes of paragraph (b), “income” means the adjusted gross income of the natural or adoptive parents determined according to the previous year's federal tax form, except, effective retroactive to July 1, 2003, taxable capital gains to the extent the funds have been used to purchase a home shall not be counted as income.

(e) The contribution shall be explained in writing to the parents at the time eligibility for services is being determined. The contribution shall be made on a monthly basis effective with the first month in which the child receives services. Annually upon redetermination or at termination of eligibility, if the contribution exceeded the cost of services provided, the local agency or the state shall reimburse that excess amount to the parents, either by direct reimbursement if the parent is no longer required to pay a contribution, or by a reduction in or waiver of parental fees until the excess amount is exhausted. All reimbursements must include a notice that the amount reimbursed may be taxable income if the parent paid for the parent's fees through an employer's health care flexible spending account under the Internal Revenue Code, section 125, and that the parent is responsible for paying the taxes owed on the amount reimbursed.
(f) The monthly contribution amount must be reviewed at least every 12 months; when there is a change in household size; and when there is a loss of or gain in income from one month to another in excess of ten percent. The local agency shall mail a written notice 30 days in advance of the effective date of a change in the contribution amount. A decrease in the contribution amount is effective in the month that the parent verifies a reduction in income or change in household size.

(g) Parents of a minor child who do not live with each other shall each pay the contribution required under paragraph (a). An amount equal to the annual court-ordered child support payment actually paid on behalf of the child receiving services shall be deducted from the adjusted gross income of the parent making the payment prior to calculating the parental contribution under paragraph (b).

(h) The contribution under paragraph (b) shall be increased by an additional five percent if the local agency determines that insurance coverage is available but not obtained for the child. For purposes of this section, "available" means the insurance is a benefit of employment for a family member at an annual cost of no more than five percent of the family's annual income. For purposes of this section, "insurance" means health and accident insurance coverage, enrollment in a nonprofit health service plan, health maintenance organization, self-insured plan, or preferred provider organization.

Parents who have more than one child receiving services shall not be required to pay more than the amount for the child with the highest expenditures. There shall be no resource contribution from the parents. The parent shall not be required to pay a contribution in excess of the cost of the services provided to the child, not counting payments made to school districts for education-related services. Notice of an increase in fee payment must be given at least 30 days before the increased fee is due.

(i) The contribution under paragraph (b) shall be reduced by $300 per fiscal year if, in the 12 months prior to July 1:

1. the parent applied for insurance for the child;

2. the insurer denied insurance;

3. the parents submitted a complaint or appeal, in writing to the insurer, submitted a complaint or appeal, in writing, to the commissioner of health or the commissioner of commerce, or litigated the complaint or appeal; and

4. as a result of the dispute, the insurer reversed its decision and granted insurance.

For purposes of this section, "insurance" has the meaning given in paragraph (h).

A parent who has requested a reduction in the contribution amount under this paragraph shall submit proof in the form and manner prescribed by the commissioner or county agency, including, but not limited to, the insurer's denial of insurance, the written letter or complaint of the parents, court documents, and the written response of the insurer approving insurance. The determinations of the commissioner or county agency under this paragraph are not rules subject to chapter 14.

(j) Notwithstanding paragraph (b), for the period from July 1, 2010, to June 30, 2015, the parental contribution shall be computed by applying the following contribution schedule to the adjusted gross income of the natural or adoptive parents:

1. if the adjusted gross income is equal to or greater than 100 percent of federal poverty guidelines and less than 175 percent of federal poverty guidelines, the parental contribution is $4 per month;
(2) if the adjusted gross income is equal to or greater than 175 percent of federal poverty guidelines and less than 
or equal to 525 percent of federal poverty guidelines, the parental contribution shall be determined using a sliding 
fee scale established by the commissioner of human services which begins at one percent of adjusted gross income 
at 175 percent of federal poverty guidelines and increases to eight percent of adjusted gross income for those with 
adjusted gross income up to 525 percent of federal poverty guidelines;

(3) if the adjusted gross income is greater than 525 percent of federal poverty guidelines and less than 675 
percent of federal poverty guidelines, the parental contribution shall be 9.5 percent of adjusted gross income;

(4) if the adjusted gross income is equal to or greater than 675 percent of federal poverty guidelines and less than 
900 percent of federal poverty guidelines, the parental contribution shall be determined using a sliding fee scale 
established by the commissioner of human services which begins at 9.5 percent of adjusted gross income at 675 
percent of federal poverty guidelines and increases to 12 percent of adjusted gross income for those with adjusted 
gross income up to 900 percent of federal poverty guidelines; and

(5) if the adjusted gross income is equal to or greater than 900 percent of federal poverty guidelines, the parental 
contribution shall be 13.5 percent of adjusted gross income. If the child lives with the parent, the annual adjusted 
gross income is reduced by $2,400 prior to calculating the parental contribution. If the child resides in an institution 
specified in section 256B.35, the parent is responsible for the personal needs allowance specified under that section 
in addition to the parental contribution determined under this section. The parental contribution is reduced by any 
amount required to be paid directly to the child pursuant to a court order, but only if actually paid.

Sec. 14. Minnesota Statutes 2010, section 256.975, subdivision 7, is amended to read:

Subd. 7. Consumer information and assistance and long-term care options counseling; Senior LinkAge 
Line. (a) The Minnesota Board on Aging shall operate a statewide service to aid older Minnesotans and their 
families in making informed choices about long-term care options and health care benefits. Language services to 
persons with limited English language skills may be made available. The service, known as Senior LinkAge Line, 
must be available during business hours through a statewide toll-free number and must also be available through the 
Internet.

(b) The service must provide long-term care options counseling by assisting older adults, caregivers, and 
providers in accessing information and options counseling about choices in long-term care services that are 
purchased through private providers or available through public options. The service must:

(1) develop a comprehensive database that includes detailed listings in both consumer- and provider-oriented 
formats;

(2) make the database accessible on the Internet and through other telecommunication and media-related tools;

(3) link callers to interactive long-term care screening tools and make these tools available through the Internet 
by integrating the tools with the database;

(4) develop community education materials with a focus on planning for long-term care and evaluating 
independent living, housing, and service options;

(5) conduct an outreach campaign to assist older adults and their caregivers in finding information on the Internet 
and through other means of communication;

(6) implement a messaging system for overflow callers and respond to these callers by the next business day;
(7) link callers with county human services and other providers to receive more in-depth assistance and consultation related to long-term care options;

(8) link callers with quality profiles for nursing facilities and other providers developed by the commissioner of health;

(9) incorporate information about the availability of housing options, as well as registered housing with services and consumer rights within the MinnesotaHelp.info network long-term care database to facilitate consumer comparison of services and costs among housing with services establishments and with other in-home services and to support financial self-sufficiency as long as possible. Housing with services establishments and their arranged home care providers shall provide information that will facilitate price comparisons, including delineation of charges for rent and for services available. The commissioners of health and human services shall align the data elements required by section 144G.06, the Uniform Consumer Information Guide, and this section to provide consumers standardized information and ease of comparison of long-term care options. The commissioner of human services shall provide the data to the Minnesota Board on Aging for inclusion in the MinnesotaHelp.info network long-term care database;

(10) provide long-term care options counseling. Long-term care options counselors shall:

A person whose 65th birthday occurs in 2012 or 2013 is required to have qualified for medical assistance under section 256B.057, subdivision 9, prior to age 65 for at least 20 months in the 24 months prior to reaching age 65.

1. is temporarily unable to work and without receipt of earned income due to a medical condition, as verified by a physician; or

2. loses employment for reasons not attributable to the enrollee, and is without receipt of earned income may retain eligibility for up to four consecutive months after the month of job loss. To receive a four-month extension, enrollees must verify the medical condition or provide notification of job loss. All other eligibility requirements must be met and the enrollee must pay all calculated premium costs for continued eligibility.
(d) For purposes of determining eligibility under this subdivision, a person's assets must not exceed $20,000, excluding:

(1) all assets excluded under section 256B.056;

(g) Any required premium shall be determined at application and redetermined at the enrollee's six-month income review or when a change in income or household size is reported. Enrollees must report any change in income or household size within ten days of when the change occurs. A decreased premium resulting from a reported change in income or household size shall be effective the first day of the next available billing month after the change is reported. Except for changes occurring from annual cost-of-living increases, a change resulting in an increased premium shall not affect the premium amount until the next six-month review.

(h) Premium payment is due upon notification from the commissioner of the premium amount required. Premiums may be paid in installments at the discretion of the commissioner.

(i) Nonpayment of the premium shall result in denial or termination of medical assistance unless the person demonstrates good cause for nonpayment. Except when an installment agreement is accepted by the commissioner, all persons disenrolled for nonpayment of a premium must pay any past due premiums as well as current premiums due prior to being reenrolled. Denying the commissioner access to records is cause for immediate suspension of payment and/or terminating the personal care provider organization's enrollment according to section 256B.064.

Sec. 20. Minnesota Statutes 2011 Supplement, section 256B.0911, subdivision 3a, is amended to read:

**Subd. 3a. Assessment and support planning.** (a) Persons requesting assessment, services planning, or other assistance intended to support community-based living, including persons who need assessment in order to determine waiver or alternative care program eligibility, must be visited by a long-term care consultation team within 15 calendar days after the date on which an assessment was requested or recommended. After January 1, 2011, these requirements also apply to personal care assistance services, private duty nursing, and home health agency services, on timelines established in subdivision 5. Face-to-face assessments must be conducted according to paragraphs (b) to (i).

(b) The county may utilize a team of either the social worker or public health nurse, or both. After January 1, 2011, lead agencies shall use certified assessors to conduct the assessment in a face-to-face interview. The consultation team members must confer regarding the most appropriate care for each individual screened or assessed.

(c) The assessment must be comprehensive and include a person-centered assessment of the health, psychological, functional, environmental, and social needs of referred individuals and provide information necessary to develop a support plan that meets the consumers needs, using an assessment form provided by the commissioner.

(d) The assessment must be conducted in a face-to-face interview with the person being assessed and the person's legal representative, as required by legally executed documents, and other individuals as requested by the person, who can provide information on the needs, strengths, and preferences of the person necessary to develop a support plan that ensures the person's health and safety, but who is not a provider of service or has any financial interest in the provision of services. The person conducting the assessment will notify the provider of the date by which this information is to be submitted. This information shall be provided to the person conducting the assessment prior to the assessment.

(e) The person, or the person's legal representative, must be provided with written recommendations for community-based services, including consumer-directed options, or institutional care that include documentation that the most cost-effective alternatives available were offered to the individual, and alternatives to residential settings, including, but not limited to, foster care settings that are not the primary residence of the license holder. For purposes of this requirement, "cost-effective alternatives" means community services and living arrangements that cost the same as or less than institutional care.

(f) If the person chooses to use community-based services, the person or the person's legal representative must be provided with a written community support plan, regardless of whether the individual is eligible for Minnesota health care programs. A person may request assistance in identifying community supports without participating in a complete assessment. (i) Face-to-face assessment completed as part of eligibility determination for the alternative care, elderly waiver, community alternatives for disabled individuals, community alternative care, and traumatic brain injury waiver programs under sections 256B.0915, 256B.0917, and 256B.49 is valid to establish service eligibility for no more than 60 calendar days after the date of assessment. The effective eligibility start date for these programs can never be prior to the date of assessment. If an assessment was completed more than 60 days before the effective waiver or alternative care program eligibility start date, assessment and support plan information must be updated in a face-to-face visit and documented in the department's Medicaid Management Information System (MMIS). The effective date of program eligibility in this case cannot be prior to the date the updated assessment is completed.

(a) The purpose of long-term care consultation for registered housing with services is to support persons with current or anticipated long-term care needs in making informed choices among options that include the most cost-effective and least restrictive settings. Prospective residents maintain the right to choose housing with services or assisted living if that option is their preference.

(b) Registered housing with services establishments shall inform all prospective residents or the prospective resident's designated or legal representative of the availability of long-term care consultation and the need to receive and verify the consultation prior to signing a lease or contract. (2) the consultation shall be performed in a manner that provides objective and complete information;

(3) the consultation must include a review of the prospective resident's reasons for considering housing with services, the prospective resident's personal goals, a discussion of the prospective resident's immediate and projected long-term care needs, and alternative community services or housing with services settings that may meet the prospective resident's needs;

(4) the prospective resident shall be informed of the availability of a face-to-face visit at no charge to the prospective resident to assist the prospective resident in assessment and planning to meet the prospective resident's long-term care needs; and

(c) Housing with services establishments registered under chapter 144D shall:

(2) except for individuals seeking lease-only arrangements in subsidized housing settings, receive a copy of the verification of counseling prior to executing a lease or service contract with the prospective resident, and prior to executing a service contract with individuals who have previously entered into lease-only arrangements; and

(3) retain a copy of the verification of counseling as part of the resident's file.
(d) Emergency admissions to registered housing with services establishments prior to consultation under paragraph (b) are permitted according to policies established by the commissioner.

(c) Counseling provided under this subdivision shall meet the requirements for the consultation required under section 256B.0911, subdivision 3c.

**EFFECTIVE DATE.** This section is effective October 1, 2012.

Sec. 24. Minnesota Statutes 2011 Supplement, section 256B.0915, subdivision 3e, is amended to read:

Subd. 3e. **Customized living service rate.** (a) Payment for customized living services shall be a monthly rate authorized by the lead agency within the parameters established by the commissioner. The payment agreement must delineate the amount of each component service included in the recipient's customized living service plan. The lead agency, with input from the provider of customized living services, shall ensure that there is a documented need within the parameters established by the commissioner for all component customized living services authorized.

(b) The payment rate must be based on the amount of component services to be provided utilizing component rates established by the commissioner. Counties and tribes shall use tools issued by the commissioner to develop and document customized living service plans and rates.
(c) Component service rates must not exceed payment rates for comparable elderly waiver or medical assistance services and must reflect economies of scale. Customized living services must not include rent or raw food costs.

(d) With the exception of individuals described in subdivision 3a, paragraph (b), the individualized monthly authorized payment for the customized living service plan shall not exceed 50 percent of the greater of either the statewide or any of the geographic groups' weighted average monthly nursing facility rate of the case mix resident class to which the elderly waiver eligible client would be assigned under Minnesota Rules, parts 9549.0050 to 9549.0059, less the maintenance needs allowance as described in subdivision 1d, paragraph (a), until the July 1 of the state fiscal year in which the resident assessment system as described in section 256B.438 for nursing home rate determination is implemented. Effective on July 1 of the state fiscal year in which the resident assessment system as described in section 256B.438 for nursing home rate determination is implemented and July 1 of each subsequent state fiscal year, the individualized monthly authorized payment for the services described in this clause shall not exceed the limit which was in effect on June 30 of the previous state fiscal year updated annually based on legislatively adopted changes to all service rate maximums for home and community-based service providers.

(e) Effective July 1, 2011, the individualized monthly payment for the customized living service plan for individuals described in subdivision 3a, paragraph (b), must be the monthly authorized payment limit for customized living for individuals classified as case mix A, reduced by 25 percent. This rate limit must be applied to all new participants enrolled in the program on or after July 1, 2011, who meet the criteria described in subdivision 3a, paragraph (b). This monthly limit also applies to all other participants who meet the criteria described in subdivision 3a, paragraph (b), at reassessment.

(f) Customized living services are delivered by a provider licensed by the Department of Health as a class A or class F home care provider and provided in a building that is registered as a housing with services establishment under chapter 144D. Licensed home care providers are subject to section 256B.0651, subdivision 14.

(g) A provider may not bill or otherwise charge an elderly waiver participant or their family for additional units of any allowable component service beyond those available under the service rate limits described in paragraph (d), nor for additional units of any allowable component service beyond those approved in the service plan by the lead agency.

Section 25. Minnesota Statutes 2011 Supplement, section 256B.0915, subdivision 3h, is amended to read:

Subd. 3h. Service rate limits; 24-hour customized living services. (a) The payment rate for 24-hour customized living services is a monthly rate authorized by the lead agency within the parameters established by the commissioner of human services. The payment agreement must delineate the amount of each component service included in each recipient's customized living service plan. The lead agency, with input from the provider of customized living services, shall ensure that there is a documented need within the parameters established by the commissioner for all component customized living services authorized. The lead agency shall not authorize 24-hour customized living services unless there is a documented need for 24-hour supervision.

(b) For purposes of this section, "24-hour supervision" means that the recipient requires assistance due to needs related to one or more of the following:

(1) intermittent assistance with toileting, positioning, or transferring;

(2) cognitive or behavioral issues;

(3) a medical condition that requires clinical monitoring; or
(4) for all new participants enrolled in the program on or after July 1, 2011, and all other participants at their first reassessment after July 1, 2011, dependency in at least three of the following activities of daily living as determined by assessment under section 256B.0911: bathing; dressing; grooming; walking; or eating when the dependency score in eating is three or greater; and needs medication management and at least 50 hours of service per month. The lead agency shall ensure that the frequency and mode of supervision of the recipient and the qualifications of staff providing supervision are described and meet the needs of the recipient.

(c) The payment rate for 24-hour customized living services must be based on the amount of component services to be provided utilizing component rates established by the commissioner. Counties and tribes will use tools issued by the commissioner to develop and document customized living plans and authorize rates.

(d) Component service rates must not exceed payment rates for comparable elderly waiver or medical assistance services and must reflect economies of scale.

(e) The individually authorized 24-hour customized living payments, in combination with the payment for other elderly waiver services, including case management, must not exceed the recipient's community budget cap specified in subdivision 3a. Customized living services must not include rent or raw food costs.

(f) The individually authorized 24-hour customized living payment rates shall not exceed the 95 percentile of statewide monthly authorizations for 24-hour customized living services in effect and in the Medicaid management information systems on March 31, 2009, for each case mix resident class under Minnesota Rules, parts 9549.0050 to 9549.0059, to which elderly waiver service clients are assigned. When there are fewer than 50 authorizations in effect in the case mix resident class, the commissioner shall multiply the calculated service payment rate maximum for the A classification by the standard weight for that classification under Minnesota Rules, parts 9549.0050 to 9549.0059, to determine the applicable payment rate maximum. Service payment rate maximums shall be updated annually based on legislatively adopted changes to all service rates for home and community-based service providers.

(g) Notwithstanding the requirements of paragraphs (d) and (f), the commissioner may establish alternative payment rate systems for 24-hour customized living services in housing with services establishments which are freestanding buildings with a capacity of 16 or fewer, by applying a single hourly rate for covered component services provided in either:

(1) licensed corporate adult foster homes; or

(2) specialized dementia care units which meet the requirements of section 144D.065 and in which:

(i) each resident is offered the option of having their own apartment; or

(ii) the units are licensed as board and lodge establishments with maximum capacity of eight residents, and which meet the requirements of Minnesota Rules, part 9555.6205, subparts 1, 2, 3, and 4, item A.

(h) 24-hour customized living services are delivered by a provider licensed by the Department of Health as a class A or class F home care provider and provided in a building that is registered as a housing with services establishment under chapter 144D. Licensed home care providers are subject to section 256B.0651, subdivision 14.

(i) A provider may not bill or otherwise charge an elderly waiver participant or their family for additional units of any allowable component service beyond those available under the service rate limits described in paragraph (e), nor for additional units of any allowable component service beyond those approved in the service plan by the lead agency.
Sec. 26. Minnesota Statutes 2010, section 256B.092, subdivision 1b, is amended to read:

Subd. 1b. **Individual service plan.** (a) The individual service plan must:

1. include the results of the assessment information on the person's need for service, including identification of service needs that will be or that are met by the person's relatives, friends, and others, as well as community services used by the general public;

2. identify the person's preferences for services as stated by the person, the person's legal guardian or conservator, or the parent if the person is a minor;

3. identify long- and short-range goals for the person;

4. identify specific services and the amount and frequency of the services to be provided to the person based on assessed needs, preferences, and available resources. The individual service plan shall also specify other services the person needs that are not available;

5. identify the need for an individual program plan to be developed by the provider according to the respective state and federal licensing and certification standards, and additional assessments to be completed or arranged by the provider after service initiation;

6. identify provider responsibilities to implement and make recommendations for modification to the individual service plan;

7. include notice of the right to request a conciliation conference or a hearing under section 256.045;

8. be agreed upon and signed by the person, the person's legal guardian or conservator, or the parent if the person is a minor, and the authorized county representative; and

9. be reviewed by a health professional if the person has overriding medical needs that impact the delivery of services.

(b) Service planning formats developed for interagency planning such as transition, vocational, and individual family service plans may be substituted for service planning formats developed by county agencies.

(c) Approved, written, and signed changes to a consumer's services that meet the criteria in this subdivision shall be an addendum to that consumer's individual service plan.

Sec. 27. Minnesota Statutes 2010, section 256B.092, subdivision 7, is amended to read:

Subd. 7. **Screening teams.** (a) For persons with developmental disabilities, screening teams shall be established which shall evaluate the need for the level of care provided by residential-based habilitation services, residential services, training and habilitation services, and nursing facility services. The evaluation shall address whether home and community-based services are appropriate for persons who are at risk of placement in an intermediate care facility for persons with developmental disabilities, or for whom there is reasonable indication that they might require this level of care. The screening team shall make an evaluation of need within 60 working days of a request for service by a person with a developmental disability, and within five working days of an emergency admission of a person to an intermediate care facility for persons with developmental disabilities.

(b) The screening team shall consist of the case manager for persons with developmental disabilities, the person, the person's legal guardian or conservator, or the parent if the person is a minor, and a qualified developmental disability professional, as defined in the Code of Federal Regulations, title 42, section 483.430, as amended through June 3, 1988. The case manager may also act as the qualified developmental disability professional if the case manager meets the federal definition.
(c) County social service agencies may contract with a public or private agency or individual who is not a service provider for the person for the public guardianship representation required by the screening or individual service planning process. The contract shall be limited to public guardianship representation for the screening and individual service planning activities. The contract shall require compliance with the commissioner's instructions and may be for paid or voluntary services.

(d) For persons determined to have overriding health care needs and are seeking admission to a nursing facility or an ICF/MR, or seeking access to home and community-based waivered services, a registered nurse must be designated as either the case manager or the qualified developmental disability professional.

(e) For persons under the jurisdiction of a correctional agency, the case manager must consult with the corrections administrator regarding additional health, safety, and supervision needs.

(f) The case manager, with the concurrence of the person, the person's legal guardian or conservator, or the parent if the person is a minor, may invite other individuals to attend meetings of the screening team. With the permission of the person being screened or the person's designated legal representative, the person's current provider of services may submit a written report outlining their recommendations regarding the person's care needs prepared by a direct service employee with at least 20 hours of service to that client. The screening team must notify the provider of the date by which this information is to be submitted. This information must be provided to the screening team and the person or the person's legal representative and must be considered prior to the finalization of the screening.

(g) No member of the screening team shall have any direct or indirect service provider interest in the case.

(h) Nothing in this section shall be construed as requiring the screening team meeting to be separate from the service planning meeting.

Sec. 28. Minnesota Statutes 2011 Supplement, section 256B.097, subdivision 3, is amended to read:

Subd. 3. State Quality Council. (a) There is hereby created a State Quality Council which must define regional quality councils, and carry out a community-based, person-directed quality review component, and a comprehensive system for effective incident reporting, investigation, analysis, and follow-up.

(b) By August 1, 2011, the commissioner of human services shall appoint the members of the initial State Quality Council. Members shall include representatives from the following groups:

(1) disability service recipients and their family members;

(2) during the first two years of the State Quality Council, there must be at least three members from the Region 10 stakeholders. As regional quality councils are formed under subdivision 4, each regional quality council shall appoint one member;

(3) disability service providers;

(4) disability advocacy groups; and

(5) county human services agencies and staff from the Department of Human Services and Ombudsman for Mental Health and Developmental Disabilities.

(c) Members of the council who do not receive a salary or wages from an employer for time spent on council duties may receive a per diem payment when performing council duties and functions.
(d) The State Quality Council shall:

(1) assist the Department of Human Services in fulfilling federally mandated obligations by monitoring disability service quality and quality assurance and improvement practices in Minnesota; and

(2) establish state quality improvement priorities with methods for achieving results and provide an annual report to the legislative committees with jurisdiction over policy and funding of disability services on the outcomes, improvement priorities, and activities undertaken by the commission during the previous state fiscal year;

(3) identify issues pertaining to financial and personal risk that impede Minnesotans with disabilities from optimizing choice of community-based services; and

(4) recommend to the chairs and ranking minority members of the legislative committees with jurisdiction over human services and civil law by January 15, 2013, statutory and rule changes related to the findings under clause (3) that promote individualized service and housing choices balanced with appropriate individualized protection.

(e) The State Quality Council, in partnership with the commissioner, shall:

(1) approve and direct implementation of the community-based, person-directed system established in this section;

(2) recommend an appropriate method of funding this system, and determine the feasibility of the use of Medicaid, licensing fees, as well as other possible funding options;

(3) approve measurable outcomes in the areas of health and safety, consumer evaluation, education and training, providers, and systems;

(4) establish variable licensure periods not to exceed three years based on outcomes achieved; and

(5) in cooperation with the Quality Assurance Commission, design a transition plan for licensed providers from Region 10 into the alternative licensing system by July 1, 2013.

(f) The State Quality Council shall notify the commissioner of human services that a facility, program, or service has been reviewed by quality assurance team members under subdivision 4, paragraph (b), clause (13), and qualifies for a license.

(g) The State Quality Council, in partnership with the commissioner, shall establish an ongoing review process for the system. The review shall take into account the comprehensive nature of the system which is designed to evaluate the broad spectrum of licensed and unlicensed entities that provide services to persons with disabilities. The review shall address efficiencies and effectiveness of the system.

(h) The State Quality Council may recommend to the commissioner certain variances from the standards governing licensure of programs for persons with disabilities in order to improve the quality of services so long as the recommended variances do not adversely affect the health or safety of persons being served or compromise the qualifications of staff to provide services.

(i) The safety standards, rights, or procedural protections referenced under subdivision 2, paragraph (c), shall not be varied. The State Quality Council may make recommendations to the commissioner or to the legislature in the report required under paragraph (c) regarding alternatives or modifications to the safety standards, rights, or procedural protections referenced under subdivision 2, paragraph (c).

(j) The State Quality Council may hire staff to perform the duties assigned in this subdivision.
Sec. 29. Minnesota Statutes 2010, section 256B.431, subdivision 17e, is amended to read:

Subd. 17e. Replacement-costs-new per bed limit effective October 1, 2007. Notwithstanding Minnesota Rules, part 9549.0060, subpart 11, item C, subdivision 4f, for a total replacement, as defined in subdivision 17d, authorized under section 144A.071 or 144A.073 after July 1, 1999, any building project that is a relocation, renovation, upgrading, or conversion completed on or after July 1, 2001, or any building project eligible for reimbursement under section 256B.434, subdivision 4f, the replacement-costs-new per bed limit shall be $74,280 per licensed bed in multiple-bed rooms, $92,850 per licensed bed in semiprivate rooms with a fixed partition separating the resident beds, and $111,420 per licensed bed in single rooms. Minnesota Rules, part 9549.0060, subpart 11, item C, subdivision 4f, does not apply. These amounts must be adjusted annually as specified in subdivision 3f, paragraph (a), beginning January 1, 2000. These amounts must be increased annually as specified in subdivision 3f, paragraph (a), beginning October 1, 2012.

Sec. 30. Minnesota Statutes 2010, section 256B.431, is amended by adding a subdivision to read:

Subd. 45. Rate adjustments for some moratorium exception projects. Notwithstanding any other law to the contrary, money available for moratorium exception projects under section 144A.073, subdivisions 2 and 11, shall be used to fund the incremental rate increases resulting from this section for any nursing facility with a moratorium exception project approved under section 144A.073, and completed after August 30, 2010, where the replacement-costs-new limits under subdivision 17e were higher at any time after project approval than at the time of project completion. The commissioner shall calculate the property rate increase for these facilities using the highest set of limits; however, any rate increase under this section shall not be effective until on or after the effective date of this section, contingent upon federal approval. No property rate decrease shall result from this section.

EFFECTIVE DATE. This section is effective upon federal approval.

Sec. 31. Minnesota Statutes 2010, section 256B.434, subdivision 10, is amended to read:

Subd. 10. Exemptions. (a) To the extent permitted by federal law, (1) a facility that has entered into a contract under this section is not required to file a cost report, as defined in Minnesota Rules, part 9549.0020, subpart 13, for any year after the base year that is the basis for the calculation of the contract payment rate for the first rate year of the alternative payment demonstration project contract; and (2) a facility under contract is not subject to audits of historical costs or revenues, or paybacks or retroactive adjustments based on these costs or revenues, except audits, paybacks, or adjustments relating to the cost report that is the basis for calculation of the first rate year under the contract.

(b) A facility that is under contract with the commissioner under this section is not subject to the moratorium on licensure or certification of new nursing home beds in section 144A.071, unless the project results in a net increase in bed capacity or involves relocation of beds from one site to another. Contract payment rates must not be adjusted to reflect any additional costs that a nursing facility incurs as a result of a construction project undertaken under this paragraph. In addition, as a condition of entering into a contract under this section, a nursing facility must agree that any future medical assistance payments for nursing facility services will not reflect any additional costs attributable to the sale of a nursing facility under this section and to construction undertaken under this paragraph that otherwise would not be authorized under the moratorium in section 144A.073. Nothing in this section prevents a nursing facility participating in the alternative payment demonstration project under this section from seeking approval of an exception to the moratorium through the process established in section 144A.073, and if approved the facility's rates shall be adjusted to reflect the cost of the project. Nothing in this section prevents a nursing facility participating in the alternative payment demonstration project from seeking legislative approval of an exception to the moratorium under section 144A.071, and, if enacted, the facility's rates shall be adjusted to reflect the cost of the project.
(e) Notwithstanding section 256B.48, subdivision 6, paragraphs (c), (d), and (e), and pursuant to any terms and conditions contained in the facility's contract, a nursing facility that is under contract with the commissioner under this section is in compliance with section 256B.48, subdivision 6, paragraph (b), if the facility is Medicare certified.

(d) Notwithstanding paragraph (a), if by April 1, 1996, the health care financing administration has not approved a required waiver, or the Centers for Medicare and Medicaid Services otherwise requires cost reports to be filed prior to the waiver's approval, the commissioner shall require a cost report for the rate year.

(e) A facility that is under contract with the commissioner under this section shall be allowed to change therapy arrangements from an unrelated vendor to a related vendor during the term of the contract. The commissioner may develop reasonable requirements designed to prevent an increase in therapy utilization for residents enrolled in the medical assistance program.

(f) Nursing facilities participating in the alternative payment system demonstration project must either participate in the alternative payment system quality improvement program established by the commissioner or submit information on their own quality improvement process to the commissioner for approval. Nursing facilities that have had their own quality improvement process approved by the commissioner must report results for at least one key area of quality improvement annually to the commissioner.

Sec. 32. Minnesota Statutes 2010, section 256B.441, is amended by adding a subdivision to read:

Subd. 63. Critical access nursing facilities. (a) The commissioner, in consultation with the commissioner of health, may designate certain nursing facilities as critical access nursing facilities. The designation shall be granted on a competitive basis, within the limits of funds appropriated for this purpose.

(b) The commissioner shall request proposals from nursing facilities every two years. Proposals must be submitted in the form and according to the timelines established by the commissioner. In selecting applicants to designate, the commissioner, in consultation with the commissioner of health, and with input from stakeholders, shall develop criteria designed to preserve access to nursing facility services in isolated areas, rebalance long-term care, and improve quality.

(c) The commissioner shall allow the benefits in clauses (1) to (5) for nursing facilities designated as critical access nursing facilities:

(1) partial rebasing, with operating payment rates being the sum of 60 percent of the operating payment rate determined in accordance with subdivision 54 and 40 percent of the operating payment rate that would have been allowed had the facility not been designated;

(2) enhanced payments for leave days. Notwithstanding section 256B.431, subdivision 2r, upon designation as a critical access nursing facility, the commissioner shall limit payment for leave days to 60 percent of that nursing facility's total payment rate for the involved resident, and shall allow this payment only when the occupancy of the nursing facility, inclusive of bed hold days, is equal to or greater than 90 percent;

(3) two designated critical access nursing facilities, with up to 100 beds in active service, may jointly apply to the commissioner of health for a waiver of Minnesota Rules, part 4658.0500, subpart 2, in order to jointly employ a director of nursing. The commissioner of health will consider each waiver request independently based on the criteria under Minnesota Rules, part 4658.0040;

(4) the minimum threshold under section 256B.431, subdivisions 3f, paragraph (a), and 17e, shall be 40 percent of the amount that would otherwise apply; and
(5) notwithstanding subdivision 58, beginning October 1, 2014, the quality-based rate limits under subdivision 50 shall apply to designated critical access nursing facilities.

(d) Designation of a critical access nursing facility shall be for a period of two years, after which the benefits allowed under paragraph (c) shall be removed. Designated facilities may apply for continued designation.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 33. Minnesota Statutes 2010, section 256B.48, is amended by adding a subdivision to read:

Subd. 6a. Referrals to Medicare providers required. Notwithstanding subdivision 1, nursing facility providers that do not participate in or accept Medicare assignment must refer and document the referral of dual eligible recipients for whom placement is requested and for whom the resident would be qualified for a Medicare-covered stay to Medicare providers. The commissioner shall audit nursing facilities that do not accept Medicare and determine if dual eligible individuals with Medicare qualifying stays have been admitted. If such a determination is made, the commissioner shall deny Medicaid payment for the first 20 days of that resident's stay.

Sec. 34. Minnesota Statutes 2011 Supplement, section 256B.49, subdivision 14, is amended to read:

Subd. 14. Assessment and reassessment. (a) Assessments of each recipient’s strengths, informal support systems, and need for services shall be completed within 20 working days of the recipient's request as provided in section 256B.0911. Reassessment of each recipient's strengths, support systems, and need for services shall be conducted at least every 12 months and at other times when there has been a significant change in the recipient's functioning. With the permission of the recipient or the recipient's designated legal representative, the recipient's current provider of services may submit a written report outlining their recommendations regarding the recipient's care needs prepared by a direct service employee with at least 20 hours of service to that client. The person conducting the assessment or reassessment must notify the provider of the date by which this information is to be submitted. This information shall be provided to the person conducting the assessment and the person or the person's legal representative and must be considered prior to the finalization of the assessment or reassessment.

(b) There must be a determination that the client requires a hospital level of care or a nursing facility level of care as defined in section 256B.0911, subdivision 4a, paragraph (d), at initial and subsequent assessments to initiate and maintain participation in the waiver program.

(c) Regardless of other assessments identified in section 144.0724, subdivision 4, as appropriate to determine nursing facility level of care for purposes of medical assistance payment for nursing facility services, only face-to-face assessments conducted according to section 256B.0911, subdivisions 3a, 3b, and 4d, that result in a hospital level of care determination or a nursing facility level of care determination must be accepted for purposes of initial and ongoing access to waiver services payment.

(d) Persons with developmental disabilities who apply for services under the nursing facility level waiver programs shall be screened for the appropriate level of care according to section 256B.092.

(e) Recipients who are found eligible for home and community-based services under this section before their 65th birthday may remain eligible for these services after their 65th birthday if they continue to meet all other eligibility factors.

(f) The commissioner shall develop criteria to identify recipients whose level of functioning is reasonably expected to improve and reassess these recipients to establish a baseline assessment. Recipients who meet these criteria must have a comprehensive transitional service plan developed under subdivision 15, paragraphs (b) and (c), and be reassessed every six months until there has been no significant change in the recipient's functioning for at
least 12 months. After there has been no significant change in the recipient's functioning for at least 12 months, reassessments of the recipient's strengths, informal support systems, and need for services shall be conducted at least every 12 months and at other times when there has been a significant change in the recipient's functioning. Counties, case managers, and service providers are responsible for conducting these reassessments and shall complete the reassessments out of existing funds.

Sec. 35. Minnesota Statutes 2011 Supplement, section 256B.49, subdivision 15, is amended to read:

Subd. 15. Individualized service plan; comprehensive transitional service plan; maintenance service plan. (a) Each recipient of home and community-based waivered services shall be provided a copy of the written service plan which:

1. is developed and signed by the recipient within ten working days of the completion of the assessment;
2. meets the assessed needs of the recipient;
3. reasonably ensures the health and safety of the recipient;
4. promotes independence;
5. allows for services to be provided in the most integrated settings; and
6. provides for an informed choice, as defined in section 256B.77, subdivision 2, paragraph (p), of service and support providers.

(b) In developing the comprehensive transitional service plan, the individual receiving services, the case manager, and the guardian, if applicable, will identify the transitional service plan fundamental service outcome and anticipated timeline to achieve this outcome. Within the first 20 days following a recipient's request for an assessment or reassessment, the transitional service planning team must be identified. A team leader must be identified who will be responsible for assigning responsibility and communicating with team members to ensure implementation of the transition plan and ongoing assessment and communication process. The team leader should be an individual, such as the case manager or guardian, who has the opportunity to follow the recipient to the next level of service.

Within ten days following an assessment, a comprehensive transitional service plan must be developed incorporating elements of a comprehensive functional assessment and including short-term measurable outcomes and timelines for achievement of and reporting on these outcomes. Functional milestones must also be identified and reported according to the timelines agreed upon by the transitional service planning team. In addition, the comprehensive transitional service plan must identify additional supports that may assist in the achievement of the fundamental service outcome such as the development of greater natural community support, increased collaboration among agencies, and technological supports.

The timelines for reporting on functional milestones will prompt a reassessment of services provided, the units of services, rates, and appropriate service providers. It is the responsibility of the transitional service planning team leader to review functional milestone reporting to determine if the milestones are consistent with observable skills and that milestone achievement prompts any needed changes to the comprehensive transitional service plan.

For those whose fundamental transitional service outcome involves the need to procure housing, a plan for the recipient to seek the resources necessary to secure the least restrictive housing possible should be incorporated into the plan, including employment and public supports such as housing access and shelter needy funding.
(c) Counties and other agencies responsible for funding community placement and ongoing community supportive services are responsible for the implementation of the comprehensive transitional service plans. Oversight responsibilities include both ensuring effective transitional service delivery and efficient utilization of funding resources.

(d) Following one year of transitional services, the transitional services planning team will make a determination as to whether or not the individual receiving services requires the current level of continuous and consistent support in order to maintain the recipient's current level of functioning. Recipients who are determined to have not had a significant change in functioning for 12 months must move from a transitional to a maintenance service plan. Recipients on a maintenance service plan must be reassessed to determine if the recipient would benefit from a transitional service plan at least every 12 months and at other times when there has been a significant change in the recipient's functioning. This assessment should consider any changes to technological or natural community supports.

(e) When a county is evaluating denials, reductions, or terminations of home and community-based services under section 256B.49 for an individual, the case manager shall offer to meet with the individual or the individual's guardian in order to discuss the prioritization of service needs within the individualized service plan, comprehensive transitional service plan, or maintenance service plan. The reduction in the authorized services for an individual due to changes in funding for waivered services may not exceed the amount needed to ensure medically necessary services to meet the individual’s health, safety, and welfare.

(f) At the time of reassessment, local agency case managers shall assess each recipient of community alternatives for disabled individuals or traumatic brain injury waivered services currently residing in a licensed adult foster home that is not the primary residence of the license holder, or in which the license holder is not the primary caregiver, to determine if that recipient could appropriately be served in a community-living setting. If appropriate for the recipient, the case manager shall offer the recipient, through a person-centered planning process, the option to receive alternative housing and service options. In the event that the recipient chooses to transfer from the adult foster home, the vacated bed shall not be filled with another recipient of waiver services and group residential housing services and the licensed capacity shall be reduced accordingly, unless the savings required by the licensed bed closure reductions under Laws 2011, First Special Session chapter 9, article 7, sections 1 and 40, paragraph (f), for foster care settings where the physical location is not the primary residence of the license holder are met through voluntary changes described in section 245A.03, subdivision 7, paragraph (g), or as provided under section 245A.03, subdivision 7, paragraph (a), clauses (3) and (4), and the licensed capacity shall be reduced accordingly. If the adult foster home becomes no longer viable due to these transfers, the county agency, with the assistance of the department, shall facilitate a consolidation of settings or closure. This reassessment process shall be completed by June 30, 2012 July 1, 2013.

Sec. 36. Minnesota Statutes 2011 Supplement, section 256B.49, subdivision 23, is amended to read:

Subd. 23. Community-living settings. “Community-living settings” means a single-family home or apartment where the service recipient or their family owns or rents, as demonstrated by a lease agreement, and maintains control over the individual unit as demonstrated by the lease agreement, or has a plan for transition of a lease from a service provider to the individual. Within two years of signing the initial lease, the service provider shall transfer the lease to the individual. In the event the landlord denies the transfer, the commissioner may approve an exception within sufficient time to ensure the continued occupancy by the individual. Community-living settings are subject to the following:

(1) individuals are not required to receive services;

(2) individuals are not required to have a disability or specific diagnosis to live in the community-living setting;

(3) individuals may hire service providers of their choice;
(4) individuals may choose whether to share their household and with whom;

(5) the home or apartment must include living, sleeping, bathing, and cooking areas;

(6) individuals must have lockable access and egress;

(7) individuals must be free to receive visitors and leave the settings at times and for durations of their own choosing;

(8) leases must not reserve the right to assign units or change unit assignments; and

(9) access to the greater community must be easily facilitated based on the individual’s needs and preferences.

Sec. 37.  [256B.492] HOME AND COMMUNITY-BASED SETTINGS FOR PEOPLE WITH DISABILITIES.

(a) Individuals receiving services under a home and community-based waiver under Minnesota Statutes, section 256B.092 or 256B.49, may receive services in the following settings:

(1) an individual’s own home or family home;

(2) a licensed adult foster care setting of up to five people; and

(3) community living settings as defined in Minnesota Statutes, section 256B.49, subdivision 23, where individuals with disabilities may reside in all of the units in a building of four or fewer units, and no more than the greater of four or 25 percent of the units in a multifamily building of more than four units.

(b) The settings in paragraph (a) must not:

(1) be located in a building that is a publicly or privately operated facility that provides institutional treatment or custodial care;

(2) be located in a building on the grounds of or adjacent to a public or private institution;

(3) be a housing complex designed expressly around an individual’s diagnosis or disability;

(4) be segregated based on a disability, either physically or because of setting characteristics, from the larger community; and

(5) have the qualities of an institution which include, but are not limited to: regimented meal and sleep times, limitations on visitors, and lack of privacy. Restrictions agreed to and documented in the person’s individual service plan shall not result in a residence having the qualities of an institution as long as the restrictions for the person are not imposed upon others in the same residence and are the least restrictive alternative, imposed for the shortest possible time to meet the person’s needs.

(c) The provisions of paragraphs (a) and (b) do not apply to any setting in which individuals receive services under a home and community-based waiver as of the effective date of this section and the setting does not meet the criteria of this section.

(d) Notwithstanding paragraph (c), a program in Hennepin County established as part of a Hennepin County demonstration project is qualified for the exception allowed under paragraph (c).

(e) The commissioner shall submit an amendment to the waiver plan no later than December 31, 2012.
Sec. 38. [256B.493] ADULT FOSTER CARE PLANNED CLOSURE.

Subdivision 1. Commissioner's duties; report. The commissioner of human services shall solicit proposals for the conversion of services provided for persons with disabilities in settings licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, to other types of community settings in conjunction with the closure of identified licensed adult foster care settings.

Subd. 2. Planned closure process needs determination. The commissioner shall announce and implement a program for planned closure of adult foster care homes. Planned closure shall be the preferred method for achieving necessary budgetary savings required by the licensed bed closure budget reduction in section 245A.03, subdivision 7, paragraph (e). If additional closures are required to achieve the necessary savings, the commissioner shall use the process and priorities in section 245A.03, subdivision 7, paragraph (e).

Subd. 3. Application process. (a) The commissioner shall establish a process for the application, review, and approval of proposals from license holders for the closure of adult foster care settings.

(b) When an application for a planned closure rate adjustment is submitted, the license holder shall provide written notification within five working days to the lead agencies responsible for authorizing the licensed services for the residents of the affected adult foster care settings. This notification shall be deemed confidential until the license holder has received approval of the application by the commissioner.

Subd. 4. Review and approval process. (a) To be considered for approval, an application must include:

1. a description of the proposed closure plan, which must identify the home or homes, and occupied beds for which a planned closure rate adjustment is requested;

2. the proposed timetable for any proposed closure, including the proposed dates for notification to residents and the affected lead agencies, commencement of closure, and completion of closure;

3. the proposed relocation plan jointly developed by the counties of financial responsibility, the residents and their legal representatives, if any, who wish to continue to receive services from the provider, and the providers for current residents of any adult foster care home designated for closure; and

4. documentation in a format approved by the commissioner that all the adult foster care homes receiving a planned closure rate adjustment under the plan have accepted joint and several liability for recovery of overpayments under section 256B.0641, subdivision 2, for the facilities designated for closure under this plan.

(b) In reviewing and approving closure proposals, the commissioner shall give first priority to proposals that:

1. target counties and geographic areas which have:
   1. need for other types of services;
   2. need for specialized services;
   3. higher than average per capita use of foster care settings where the license holder does not reside; and
   4. residents not living in the geographic area of their choice;

2. demonstrate savings of medical assistance expenditures; and
(3) demonstrate that alternative services are based on the recipient's choice of provider and are consistent with federal law, state law, and federally approved waiver plans.

The commissioner shall also consider any information provided by service recipients, their legal representatives, family members, or the lead agency on the impact of the planned closure on the recipients and the services they need.

(c) The commissioner shall select proposals that best meet the criteria established in this subdivision for planned closure of adult foster care settings. The commissioner shall notify license holders of the selections approved by the commissioner.

(d) For each proposal approved by the commissioner, a contract must be established between the commissioner, the counties of financial responsibility, and the participating license holder.

Subd. 5. Notification of approved proposal. (a) Once the license holder receives notification from the commissioner that the proposal has been approved, the license holder shall provide written notification within five working days to:

(1) the lead agencies responsible for authorizing the licensed services for the residents of the affected adult foster care settings; and

(2) current and prospective residents, any legal representatives, and family members involved.

(b) This notification must occur at least 45 days prior to the implementation of the closure proposal.

Subd. 6. Adjustment to rates. (a) For purposes of this section, the commissioner shall establish enhanced medical assistance payment rates under sections 256B.092 and 256B.49, to facilitate an orderly transition for persons with disabilities from adult foster care to other community-based settings.

(b) The enhanced payment rate shall be effective the day after the first resident has moved until the day the last resident has moved, not to exceed six months.

Sec. 39. Minnesota Statutes 2011 Supplement, section 256B.5012, subdivision 13, is amended to read:

Subd. 13. ICF/DD rate decrease effective July 1, 2012 2013. Notwithstanding subdivision 12, and if the commissioner has not received federal approval before July 1, 2013, of the Long-Term Care Realignment Waiver application submitted under Laws 2011, First Special Session chapter 9, article 7, section 52, or only receives approval to implement portions of the waiver request, for each facility reimbursed under this section for services provided from July 1, 2013, through December 31, 2013, the commissioner shall decrease operating payments equal up to 1.67 percent of the operating payment rates in effect on June 30, 2012 2013. The commissioner shall prorate the reduction in the event that only portions of the waiver request are approved and after application of the continuing care provider payment delay provision in article 6, section 2, subdivision 4, paragraph (f). For each facility, the commissioner shall apply the rate reduction based on occupied beds, using the percentage specified in this subdivision multiplied by the total payment rate, including the variable rate but excluding the property-related payment rate, in effect on the preceding date. The total rate reduction shall include the adjustment provided in section 256B.501, subdivision 12.

Sec. 40. Minnesota Statutes 2010, section 256D.44, subdivision 5, is amended to read:

Subd. 5. Special needs. In addition to the state standards of assistance established in subdivisions 1 to 4, payments are allowed for the following special needs of recipients of Minnesota supplemental aid who are not residents of a nursing home, a regional treatment center, or a group residential housing facility.
(a) The county agency shall pay a monthly allowance for medically prescribed diets if the cost of those additional dietary needs cannot be met through some other maintenance benefit. The need for special diets or dietary items must be prescribed by a licensed physician. Costs for special diets shall be determined as percentages of the allotment for a one-person household under the thrifty food plan as defined by the United States Department of Agriculture. The types of diets and the percentages of the thrifty food plan that are covered are as follows:

1. high protein diet, at least 80 grams daily, 25 percent of thrifty food plan;
2. controlled protein diet, 40 to 60 grams and requires special products, 100 percent of thrifty food plan;
3. controlled protein diet, less than 40 grams and requires special products, 125 percent of thrifty food plan;
4. low cholesterol diet, 25 percent of thrifty food plan;
5. high residue diet, 20 percent of thrifty food plan;
6. pregnancy and lactation diet, 35 percent of thrifty food plan;
7. gluten-free diet, 25 percent of thrifty food plan;
8. lactose-free diet, 25 percent of thrifty food plan;
9. antidumping diet, 15 percent of thrifty food plan;
10. hypoglycemic diet, 15 percent of thrifty food plan; or
11. ketogenic diet, 25 percent of thrifty food plan.

(b) Payment for nonrecurring special needs must be allowed for necessary home repairs or necessary repairs or replacement of household furniture and appliances using the payment standard of the AFDC program in effect on July 16, 1996, for these expenses, as long as other funding sources are not available.

(c) A fee for guardian or conservator service is allowed at a reasonable rate negotiated by the county or approved by the court. This rate shall not exceed five percent of the assistance unit's gross monthly income up to a maximum of $100 per month. If the guardian or conservator is a member of the county agency staff, no fee is allowed.

(d) The county agency shall continue to pay a monthly allowance of $68 for restaurant meals for a person who was receiving a restaurant meal allowance on June 1, 1990, and who eats two or more meals in a restaurant daily. The allowance must continue until the person has not received Minnesota supplemental aid for one full calendar month or until the person's living arrangement changes and the person no longer meets the criteria for the restaurant meal allowance, whichever occurs first.

(e) A fee of ten percent of the recipient's gross income or $25, whichever is less, is allowed for representative payee services provided by an agency that meets the requirements under SSI regulations to charge a fee for representative payee services. This special need is available to all recipients of Minnesota supplemental aid regardless of their living arrangement.

(f)(1) Notwithstanding the language in this subdivision, an amount equal to the maximum allotment authorized by the federal Food Stamp Program for a single individual which is in effect on the first day of July of each year will be added to the standards of assistance established in subdivisions 1 to 4 for adults under the age of 65 who qualify as shelter needy and are: (i) relocating from an institution, or an adult mental health residential treatment program
under section 256B.0622; (ii) eligible for the self-directed supports option as defined under section 256B.0657, subdivision 2; or (iii) home and community-based waiver recipients living in their own home or rented or leased apartment which is not owned, operated, or controlled by a provider of service not related by blood or marriage, unless allowed under paragraph (g).

(2) Notwithstanding subdivision 3, paragraph (c), an individual eligible for the shelter needy benefit under this paragraph is considered a household of one. An eligible individual who receives this benefit prior to age 65 may continue to receive the benefit after the age of 65.

(3) "Shelter needy" means that the assistance unit incurs monthly shelter costs that exceed 40 percent of the assistance unit's gross income before the application of this special needs standard. "Gross income" for the purposes of this section is the applicant's or recipient's income as defined in section 256D.35, subdivision 10, or the standard specified in subdivision 3, paragraph (a) or (b), whichever is greater. A recipient of a federal or state housing subsidy, that limits shelter costs to a percentage of gross income, shall not be considered shelter needy for purposes of this paragraph.

(g) Notwithstanding this subdivision, to access housing and services as provided in paragraph (f), the recipient may choose housing that may be owned, operated, or controlled by the recipient's service provider. In a multifamily building of four or more units, the maximum number of apartments that may be used by recipients of this program shall be 50 percent of the units in a building. This paragraph expires on June 30, 2012. Of more than four units, the maximum number of units that may be used by recipients of this program shall be the greater of four units of 25 percent of the units in the building. In multifamily buildings of four or fewer units, all of the units may be used by recipients of this program. When housing is controlled by the service provider, the individual may choose their own service provider as provided in section 256B.49, subdivision 23, clause (3). When the housing is controlled by the service provider, the service provider shall implement a plan with the recipient to transition the lease to the recipient's name. Within two years of signing the initial lease, the service provider shall transfer the lease entered into under this subdivision to the recipient. In the event the landlord denies this transfer, the commissioner may approve an exception within sufficient time to ensure the continued occupancy by the recipient. This paragraph expires June 30, 2016.

Sec. 41. Laws 2011, First Special Session chapter 9, article 7, section 52, is amended to read:

Sec. 52. IMPLEMENT NURSING HOME LEVEL OF CARE CRITERIA.

The commissioner shall seek any necessary federal approval in order to implement the changes to the level of care criteria in Minnesota Statutes, section 144.0724, subdivision 11, on or after July 1, 2012, for adults and children.

The commissioner shall prorate the reduction in the event that only portions of the waiver request are approved and after application of the continuing care provider payment delay provision in article 6, section 2, subdivision 4, paragraph (f). County or tribal contracts for services specified in this section must be amended to pass through these rate reductions within 60 days of the effective date of the decrease, and must be retroactive from the effective date of the rate decrease.

(10) alternative care services under Minnesota Statutes, section 256B.0913.

(c) A managed care plan receiving state payments for the services in this section must include these decreases in their payments to providers. To implement the rate reductions in this section, capitation rates paid by the commissioner to managed care organizations under Minnesota Statutes, section 256B.69, shall reflect up to a 1.67 percent reduction for the specified services for the period of January 1, 2013, through June 30, 2013, and a 1.67 percent reduction for those services on and after July 1, 2013, through December 31, 2013.

   (1) a percentage of germination, exclusive of hard or dormant seed or both;

   (2) a percentage of hard or dormant seed or both, if present; and

   (3) the words "below standard" in not less than eight point type and the month and year the percentages were determined by test.

(a) The label must contain the name of the kind and variety or a statement of type and performance characteristics as prescribed by rule.

(b) The percentage that is hybrid must be at least 95 percent of the percentage of pure seed shown unless the percentage of pure seed which is hybrid seed is shown separately. If two or more kinds of varieties are present in excess of five percent and are named on the label, each that is hybrid must be designated as hybrid on the label. Any one kind or kind and variety that has pure seed that is less than 95 percent but more than 75 percent hybrid seed as a result of incompletely controlled pollination in a cross must be labeled to show the percentage of pure seed that is hybrid seed or a statement such as "contains from 75 percent to 95 percent hybrid seed." Sec. 61. Minnesota Statutes 2010, section 232.22, subdivision 5, is amended to read:

Subd. 5. Statement of grain in storage; reports. (a) All public grain warehouse operators must by the tenth day of each month file with the commissioner on forms approved by the commissioner a report showing the net annual average liability of all grain outstanding on grain warehouse receipts as of the close of business on the last day of each month of that occurred during the preceding month calendar year. This report shall be used for the purpose of establishing the penal sum of the bond.

(b) Warehouse operators that are at a maximum bond and want to continue at maximum bond do not need to file this report.

(b) If (c) It is a violation of this chapter for any public grain warehouse operator willfully neglects or refuses to fail to file the report required in clause paragraph (a) for two consecutive months, the commissioner may immediately suspend the person's license and the licensee must surrender the license to the commissioner. Within 15 days the licensee may request an administrative hearing subject to chapter 14 to determine if the license should be revoked. If no request is made within 15 days the commissioner shall revoke the license.

(e) (d) Every public grain warehouse operator shall keep in a place of safety complete and accurate records and accounts relating to any grain warehouse operated. The records shall reflect each commodity received and shipped daily, the balance remaining in the grain warehouse at the close of each business day, a listing of all unissued grain warehouse receipts in the operator's possession, a record of all grain warehouse receipts issued which remain outstanding and a record of all grain warehouse receipts which have been returned for cancellation. Copies of grain warehouse receipts or other documents evidencing ownership of grain by a depositor, or other liability of the grain warehouse operator, shall be retained as long as the liability exists but must be kept for a minimum of three years.

(d) (e) Every public grain warehouse operator must maintain in the grain warehouse at all times grain of proper grade and sufficient quantity to meet delivery obligations on all outstanding grain warehouse receipts.

Sec. 62. Minnesota Statutes 2010, section 232.22, subdivision 7, is amended to read:

Subd. 7. Bond disbursement. (a) The condition one bond of a public grain warehouse operator must be conditioned that the public grain warehouse operator issuing a grain warehouse receipt is liable to the depositor for the delivery of the kind, grade and net quantity of grain called for by the receipt.
(b) The condition two bond shall provide for payment of loss caused by the grain buyer's failure to pay, upon the owner's demand, the purchase price of grain sold to the grain buyer. The bond shall be conditioned upon the grain buyer being duly licensed as provided herein. The bond shall not cover any transaction which constitutes a voluntary extension of credit.

(e) Upon notification of default, the commissioner shall determine the validity of all claims and notify all parties having filed claims. Any aggrieved party may appeal the commissioner's determination by requesting, within 15 days, that the commissioner initiate a contested case proceeding. In the absence of such a request, or following the issuance of a final order in a contested case, the surety company shall issue payment to those claimants entitled to payment. If the commissioner determines it is necessary, the commissioner may apply to the district court for an order appointing a trustee or receiver to manage and supervise the operations of the grain warehouse operator in default. The commissioner may participate in any resulting court proceeding as an interested party.

(d) For the purpose of determining the amount of bond disbursement against all valid claims under a condition one bond, all grain owned or stored in the public grain warehouse shall be sold and the combined proceeds deposited in a special fund. Payment shall be made from the special fund satisfying the valid claims of grain warehouse receipt holders.

(e) If a public grain warehouse operator has become liable to more than one depositor or producer by reason of breaches of the conditions of the bond and the amount of the bond is insufficient to pay, beyond the proceeds of the special fund, the entire liability to all valid claimants, the proceeds of the bond and special fund shall be apportioned among the valid claimants on a pro rata basis.

(f) A bond is not cumulative from one licensing period to the next. The maximum liability of the bond shall be its face value for the licensing period.

Scale tickets shall contain the name, location and the date of each transaction, weight, volume, kind of grain, signature of warehouse operator, and be consecutively numbered. Electronic scale tickets do not require a signature. A duplicate copy of each scale ticket shall remain in the possession of the public or private grain warehouse operator as a permanent record. The original scale ticket shall be delivered to the depositor upon receipt of each load of grain. Each scale ticket shall have printed across its face "This is a memorandum, nonnegotiable, possession of which does not signify that settlement has or has not been consummated." The scale ticket shall state specifically whether the grain is received on contract, for storage, for shipment or consignment or sold. If the grain is received on contract or sold, the price shall be indicated on the scale ticket. All paper scale tickets shall be dated and signed by the public or private grain warehouse operator or the operator's agent or manager.

The failure to issue a grain warehouse receipt, as directed, or the issuance of slips, memoranda or other forms of receipt embracing a different grain warehouse or storage contract is a misdemeanor, and no slip, memorandum or other form of receipt is admissible as evidence in any civil action. Nothing in sections 232.20 to 232.25 requires or compels any person operating a flour, cereal or feed mill or malthouse doing a manufacturing business, to receive, store or purchase at the mill or malthouse any kind of grain.
Sec. 65. Minnesota Statutes 2010, section 232.23, subdivision 10, is amended to read:

If delivery has not commenced within 48 hours after demand has been made and proper facilities have been provided, the public grain warehouse operator issuing the grain warehouse receipt is liable to the owner in damages not exceeding two cents per bushel for each day’s delay, unless the public grain warehouse operator makes delivery to different owners in the order demanded as rapidly as it can be done through ordinary diligence, or unless insolvency has occurred.

(b) If a disagreement arises between the person receiving and the person delivering the grain at a public grain warehouse in this state as to the proper grade or dockage of any grain, an average sample of at least three quarts of the grain in dispute may be taken by either or both of the persons interested. The sample shall be certified by both the owner and the public grain warehouse operator as being true samples of the grain in dispute on the delivery day. The samples shall be forwarded in a suitable airtight container by parcel post or express, prepaid, with the name and address of both parties, to the head of the United States Department of Agriculture authorized grain inspection program of the Department of Agriculture, who shall, upon request, examine the grain, and determine what grade or dockage the samples of grain are entitled to under the inspection rules. Before the results of the inspection are released to the person requesting the inspection, the person shall pay the required fee. The fee shall be the same as that required for similar services rendered by the grain inspection program.

(c) If it is an imitation of another food for which a definition and standard of identity have been prescribed by rules as provided by sections 31.10 and 31.102; or if it is an imitation of another food that is not subject to clause (g), unless in either case its label bears, in type of uniform size and prominence the word “imitation” and immediately thereafter the name of the food imitated;

(d) If its container is so made, formed, or filled as to be misleading;

(e) If in package form, unless it bears a label containing (1) the name and place of business of the manufacturer, packer, or distributor, and (2) an accurate statement of the net quantity of the contents in terms of weight, measure, or numerical count, which statement shall be separately and accurately stated in a uniform location upon the principal display panel of the label; provided, that under this subclause reasonable variations shall be permitted, and exemptions as to small packages shall be established by rules prescribed by the commissioner;
(f) If any word, statement, or other information required by or under authority of the Minnesota Food Law to appear on the label or labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices, in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;

(g) If it purports to be or is represented as a food for which a definition and standard of identity have been prescribed by rules as provided by sections 31.10 and 31.102, unless (1) it conforms to such definition and standard, and (2) its label bears the name of the food specified in the definition and standard, and, insofar as may be required by such rules, the common names of optional ingredients (other than spices, flavoring, and coloring) present in such food;

(i) If it is not subject to the provisions of clause (g), unless it bears labeling clearly giving (1) the common or usual name of the food, if any there be, and (2) in case it is fabricated from two or more ingredients, the common or usual name of each such ingredient; except that spices, flavorings, and colorings, other than those sold as such, may be designated as spices, flavorings, and colorings, without naming each; provided, that to the extent that compliance with the requirements of this subclause is impractical or results in deception or unfair competition, exemptions shall be established by rules promulgated by the commissioner;

(j) If it purports to be or is represented for special dietary uses, unless its label bears such information concerning its vitamin, mineral, and other dietary properties as the commissioner determines to be, and by rules prescribes as necessary in order to fully inform purchasers as to its value for such uses;

(k) If it bears or contains any artificial flavoring, artificial coloring, or chemical preservative, unless it bears labeling stating that fact; provided, that to the extent that compliance with the requirements of this clause is impracticable, exemptions shall be established by rules promulgated by the commissioner. The provisions of this clause and clauses (g) and (i) with respect to artificial coloring do not apply to butter, cheese, or ice cream. The provisions with respect to chemical preservatives do not apply to a pesticide chemical when used in or on a raw agricultural commodity which is the product of the soil;

(l) If it is a raw agricultural commodity which is the product of the soil, bearing or containing a pesticide chemical applied after harvest, unless the shipping container of such commodity bears labeling which declares the presence of such chemical in or on such commodity and the common or usual name and the function of such chemical; provided, however, that no such declaration shall be required while such commodity, having been removed from the shipping container, is being held or displayed for sale at retail out of such container in accordance with the custom of the trade;

(m) If it is a product intended as an ingredient of another food and when used according to the directions of the purveyor will result in the final food product being adulterated or misbranded;

(n) If it is a color additive unless its packaging and labeling are in conformity with such packaging and labeling requirements applicable to such color additive prescribed under the provisions of the federal act.

(d) if it bears or contains a food additive which is unsafe within the meaning of section 409 of the Federal Food, Drug, and Cosmetic Act;

(ii) a food for which a standard or standards of fill of container have been prescribed by rule as provided by sections 31.10, 31.102, and 31A.07, and it falls below the standard of fill of container applicable thereto unless its label bears, in a manner and form the rules specify, a statement that it falls below the standard;

(7) it is not subject to clause (5), unless it bears labeling clearly giving the common or usual name of the food, if there is one, and in case it is fabricated from two or more ingredients, the common or usual name of each ingredient, except that spices, flavorings, and colorings, other than those sold as such, may be designated as spices, flavorings, and colorings, without naming each, provided that to the extent that compliance with the requirements of this clause is impractical or results in deception or unfair competition, exemptions must be established by rules promulgated by the commissioner;

(8) it purports to be or is represented for special dietary uses, unless its label bears information concerning its vitamin, mineral, and other dietary properties as the commissioner determines to be, and by rules prescribed as, necessary in order to fully inform purchasers as to its value for those uses;

(9) it bears or contains any artificial flavoring, artificial coloring, or chemical preservative, unless it bears labeling stating that fact; provided that, to the extent that compliance with the requirements of this clause is impracticable, exemptions must be established by rules promulgated by the commissioner. The provisions of this
clause and clauses (5) and (7) with respect to artificial coloring do not apply to butter, cheese, or ice cream. The provisions with respect to chemical preservatives do not apply to a pesticide when used in or on a raw agricultural commodity which is the product of the soil:

(10) it is a product intended as an ingredient of another food and when used according to the directions of the purveyor will result in the final food product being adulterated or misbranded:

(11) it is a color additive unless its packaging and labeling are in conformity with such packaging and labeling requirements applicable to the color additive prescribed under the provisions of the federal act:

(12) it is food subject to section 31.101, subdivision 10, or chapter 31A, that fails to bear, directly or on its container, as the commissioner by rule prescribes, the inspection legend and other information the commissioner may require by rule to ensure that it will not have false or misleading labeling, and that the public will be told how to keep the article wholesome; or

(13) its labeling would deceive or mislead the purchaser with respect to its composition or suitability.

(b) Food is also misbranded if it is a raw agricultural commodity which is the product of the soil, bearing or containing a pesticide applied after harvest, unless the shipping container of that commodity bears labeling which declares the presence of the chemical in or on the commodity and the common or usual name and the function of the chemical. No such declaration is required while the commodity, having been removed from the shipping container, is being held or displayed for sale at retail out of the container in accordance with the custom of the trade.

Sec. 27. [34A.04] ENFORCEMENT.

Subdivision 1. Enforcement required. (a) The commissioner shall enforce this chapter and chapters 28, 28A, 29, 30, 31, 31A, and 34. To carry out the enforcement duties under these chapters, the commissioner may, upon presenting appropriate credentials, during regular working hours and at other reasonable times, inspect premises subject to the commissioner's enforcement and licensing authority; require information from persons with information relevant to an inspection; and inspect and copy relevant papers and records, including business records.

(b) The commissioner may administer oaths, take and cause to be taken depositions of witnesses, and issue subpoenas, and may petition the district court in the county in which the premises is located to compel compliance with subpoenas or to permit an inspection.

(c) Violations of chapters 28, 28A, 29, 30, 31, 31A, and 34, or rules adopted under chapters 28, 28A, 29, 30, 31, 31A, and 34 are a violation of this chapter.

(d) Upon the request of the commissioner, county attorneys, sheriffs, and other officers having authority in the enforcement of the general criminal laws shall take action to the extent of their authority necessary or proper for the enforcement of this chapter or standards, stipulations, and agreements of the commissioner.

Subd. 2. Commissioner's discretion. If minor violations of this chapter occur or the commissioner believes the public interest will be best served by a suitable notice of warning in writing, this chapter does not require the commissioner to take any additional action.

Subd. 3. Civil actions. Civil judicial enforcement actions may be brought by the attorney general in the name of the state on behalf of the commissioner. A county attorney may bring a civil judicial enforcement action upon the request of the commissioner and agreement by the attorney general.
Subd. 4. **Injunction.** The commissioner may apply to a court with jurisdiction for a temporary or permanent injunction to prevent, restrain, or enjoin violations of provisions of this chapter.

Subd. 5. **Criminal actions.** Each county attorney or city attorney to whom the commissioner reports any violation of this chapter shall consider instituting appropriate proceedings in the proper courts and prosecuting them in the manner required by law. If the county or city attorney refuses to prosecute, the attorney general, on request of the commissioner, may prosecute.

Sec. 28. **[34A.05] FALSE STATEMENT OR RECORD.**

A person must not knowingly make or offer a false statement, record, or other information as part of:

(1) an application for registration, listing, license, certification, or permit subject to this chapter;

(2) records or reports required subject to this chapter; or

(3) an investigation of a violation of this chapter.

Sec. 29. **[34A.06] ADMINISTRATIVE ACTIONS.**

Subdivision 1. **Administrative enforcement.** (a) The commissioner may enforce this chapter by written warning, administrative meeting, cease and desist, forced sale, detention, embargo, condemnation, citation, corrective action order, seizure, agreement, withdrawal from distribution, or administrative penalty if the commissioner determines that the remedy is in the public interest.

(b) For facilities required to submit a plan review under rules of the commissioner of agriculture, the commissioner may withdraw by written order the approval of a facility or equipment if:

(1) hazards to human life exist; or

(2) there is satisfactory evidence that the person to whom the approval was issued has used fraudulent or deceptive practices to evade or attempt to evade provisions of this chapter.

(c) Any action under this subdivision may be appealed pursuant to section 34A.08.

Subd. 2. **License revocation, suspension, and refusal.** (a) The commissioner may revoke, suspend, limit, modify, or refuse to grant or renew a registration, listing, permit, license, or certification if a person violates or has violated this chapter within the last three years.

(b) The commissioner may revoke, suspend, limit, modify, or refuse to grant or renew a registration, listing, permit, license, or certification to a person from another state if that person has had a registration, permit, license, or certification denied, revoked, or suspended by another state for an offense reasonably related to the requirements, qualifications, or duties of a registration, permit, license, or certification issued under this chapter.

(c) The commissioner may revoke, suspend, limit, modify, or refuse to grant or renew a registration, listing, permit, license, or certification to a person after receiving satisfactory evidence that the registrant, permittee, licensee, or certificate holder has used fraudulent and deceptive practices in the evasion or attempted evasion of this chapter.

(d) A registration, listing, permit, license, or certification may not be revoked or suspended until the registrant, permittee, licensee, or certificate holder has been given opportunity for a hearing by the commissioner. After receiving notice of revocation or suspension, a registrant, permittee, licensee, registrant, or certificate holder has ten
days to request a hearing, or another time period mutually agreed to by both parties. If no request is made within ten
days or other agreed-upon time, the registration, listing, permit, license, or certification is revoked or suspended. In
the case of a refusal to grant a registration, listing, permit, license, or certification, the registrant, permittee, licensee,
registrant, or certificate holder has ten days from notice of refusal to request a hearing. Upon receiving a request for
hearing, the department shall proceed pursuant to section 34A.08, subdivision 2.

Sec. 30. [34A.07] ADMINISTRATIVE PENALTIES.

Subdivision 1. Assessment. (a) In determining the amount of the administrative penalty, the commissioner
shall consider the economic gain received by the person allowing or committing the violation, the gravity of the
violation in terms of actual or potential damage to human or animal health and the environment, the willfulness of
the violation, number of violations, history of past violations, and other factors justice may require, if the additional
factors are specifically identified in the inspection report. For a violation after an initial violation, the commissioner
shall also consider the similarity of the most recent previous violation and the violation to be penalized, the time
elapsed since the last violation, the number of previous violations, and the response of the person to the most recent
previous violation identified.

(b) The commissioner may issue an administrative citation assessing an administrative penalty of up to $1,500
for each violation of this chapter. Each day a violation continues is a separate violation. The citation must describe
the nature of the violation, the statute or rule alleged to have been violated, the time for correction, if applicable, and
the amount of any proposed fine. The citation must advise the person to notify the commissioner in writing within
20 days, or another time period mutually agreed to by the commissioner and the person subject to the citation, if the
person wishes to appeal the citation, and that if the person fails to appeal the citation, the citation is the final order
and not subject to further review.

(c) An administrative penalty may be assessed if the person subject to a written order does not comply with the
order in the time provided in the order.

Subd. 2. Collection of penalty. (a) If a person subject to an administrative penalty fails to pay the penalty,
which must be part of a final citation by the commissioner, by 30 days after the final order is issued, the
commissioner may commence a civil action for double the assessed penalty plus attorney fees and costs.

(b) An administrative penalty may be recovered in a civil action in the name of the state brought in the district
court of the county where the violation is alleged to have occurred or the district court where the commissioner has
an office.

Sec. 31. [34A.08] APPEAL OF ADMINISTRATIVE ACTION OR PENALTY.

Subdivision 1. Notice of appeal. (a) After service of a citation under section 34A.07 or order under section
34A.06, subdivision 1, a person has 20 days from receipt of the citation or order, or another time period mutually
agreed to by the commissioner and the person subject to the citation or order, to notify the commissioner in writing
that the person intends to contest the citation or order through a hearing. The hearing request must specifically
identify the order or citation being contested and state the grounds for contesting it.

(b) If the person fails to notify the commissioner that the person intends to contest the citation or order, the
citation or order is final and not subject to further judicial or administrative review.

Subd. 2. Administrative review. If a person notifies the commissioner that the person intends to contest a
citation or order issued under this chapter, the Office of Administrative Hearings shall conduct a hearing in
accordance with the applicable provisions of chapter 14 for hearings in contested cases.
Sec. 32. [34A.09] CIVIL PENALTIES.

Subdivision 1. General penalty. A person who violates this chapter or an order, standard, stipulation, agreement, citation, or schedule of compliance of the commissioner or impedes, hinders, or otherwise prevents or attempts to prevent performance of a duty by the commissioner in connection with this chapter is subject to a civil penalty of up to $7,500 per day of violation as determined by the court.

Subd. 2. Actions to compel performance. In an action to compel performance of an order of the commissioner to enforce this chapter, the court must require a defendant adjudged responsible to perform the acts within the person's power that are reasonably necessary to accomplish the purposes of the order.

Subd. 3. Recovery of penalties by civil action. The civil penalties and payments provided for in this section may be recovered by a civil action brought by the county attorney or the attorney general in the name of the state.

Sec. 33. [34A.10] CRIMINAL PENALTIES.

Subdivision 1. General violation. Except as provided in subdivisions 2 and 3, a person is guilty of a misdemeanor if the person violates this chapter or an order, standard, citation, stipulation, agreement, or schedule of compliance of the commissioner, or impedes, hinders, or otherwise prevents, or attempts to prevent the commissioner or a duly authorized agent in performance of a duty in connection with this chapter. Unless otherwise specified in this chapter, each separate violation is a separate offense, except that in the case of a violation through continuing failure or neglect to obey this chapter, each day the failure or neglect continues is a separate offense.

Subd. 2. Violation endangering humans or animals. A person is guilty of a gross misdemeanor if the person violates this chapter or an order, standard, stipulation, agreement, or schedule of compliance of the commissioner and the violation endangers humans or animals.

Subd. 3. Violation with knowledge. A person is guilty of a gross misdemeanor if the person knowingly violates this chapter or an order, standard, stipulation, agreement, or schedule of compliance of the commissioner and the violation endangers animals or animals.

Sec. 34. [34A.11] EMBARGO, SEIZURE, AND CONDEMNATION.

Subdivision 1. Tag, notice, or withdrawal from distribution. If the commissioner finds probable cause to believe that any food, animal, or consumer commodity is being distributed in violation of this chapter or rules under this chapter, or is adulterated or so misbranded as to be dangerous or fraudulent, the commissioner shall affix to the food, animal, or consumer commodity a tag, withdrawal from distribution order, or other appropriate marking giving notice that the food, animal, or consumer commodity is, or is suspected of being, adulterated, misbranded, or distributed in violation of this chapter, and has been detained or embargoed, and warning all persons not to remove or dispose of the food, animal, or consumer commodity by sale or otherwise until permission for removal or disposal is given by the commissioner or the court. It is unlawful for a person to remove or dispose of a detained or embargoed food, animal, or consumer commodity by sale or otherwise without the commissioner's or a court's permission and each transaction is a separate violation of this subdivision.

Subd. 2. Seizure. A carcass; part of a carcass; meat or meat food product of an animal; or dead, dying, disabled, or diseased animal that is being transported in intrastate commerce, or is held for sale in this state after transportation in intrastate commerce, may be proceeded against, seized, and condemned if:

1. it is or has been prepared, sold, transported, or otherwise distributed, offered, or received for distribution in violation of this chapter;

2. it is usable as human food and is adulterated or misbranded; or
The commissioner may act against the article or animal at any time on a complaint in the district court of the judicial district where the article or animal is found.

Subd. 3. Action for condemnation. If food or an article or animal detained or embargoed under subdivision 1 has been found by the commissioner to be adulterated or misbranded or in violation of this chapter, the commissioner shall petition the district court in the county in which the food or animal is detained or embargoed for an order and decree for the condemnation of the food or animal. The commissioner shall release the food or animal when this chapter and rules adopted under this chapter have been complied with or the food or animal is found to be not adulterated or misbranded.

Subd. 4. Remedies. If the court finds that a detained or embargoed food or animal is adulterated, misbranded, or in violation of this chapter or rules adopted under this chapter, the following remedies are available:

(1) after entering a decree, the food or animal may be destroyed at the expense of the claimant under the supervision of the commissioner, and all court costs, fees, storage, and other proper expenses must be assessed against the claimant of the food or animal or the claimant's agent; and

(2) if adulteration or misbranding can be corrected by proper labeling or processing of the food or animal, the court, after entry of the decree and after costs, fees, and expenses have been paid and a good and sufficient bond, conditioned that the food or animal must be properly labeled or processed, has been executed, may by order direct that the food or animal be delivered to the claimant for proper labeling or processing under the supervision of the commissioner. The expense of the supervision must be paid by the claimant. The food or animal must be returned to the claimant and the bond must be discharged on the representation to the court by the commissioner that the food or animal is no longer in violation and that the expenses for the supervision have been paid.

Subd. 5. Duties of commissioner. If the commissioner finds in any room, building, vehicle of transportation, or other structure any meat, seafood, poultry, vegetable, fruit, or other perishable articles of food that are unsound, or contain any filthy, decomposed, or putrid substance, or that may be poisonous or deleterious to health or otherwise unsafe, the commissioner shall condemn or destroy the item or in any other manner render the item as unsalable as human food, and no one has any cause of action against the commissioner on account of the commissioner's action.

Subd. 6. Emergency response. If the governor declares an emergency order under section 12.31 and if the commissioner finds or has probable cause to believe that livestock, food, or a consumer commodity within a specific area is likely to be adulterated because of the emergency or so misbranded as to be dangerous or fraudulent, or is in violation of section 31.131, subdivision 1, the commissioner may embargo a geographic area that is included in the declared emergency. The commissioner shall provide notice to the public and to those with custody of the product in as thorough a manner as is practicable under the emergency circumstances.

Sec. 35. [34A.12] POWERS OF THE COMMISSIONER.

Subdivision 1. Gathering information. The commissioner may, for the purposes of this chapter:

(1) gather and compile information concerning and investigate the organization, business, conduct, practices, and management of a person in intrastate commerce and the person's relation to other persons; and

(2) require, by general or special orders, a person, persons, or a class of persons engaged in intrastate commerce to file with the commissioner, in the form the commissioner prescribes, annual and special reports or answers in writing to specific questions, giving the commissioner the information the commissioner requires about the organization, business, conduct, practices, management, and relation to other persons, of the person filing the reports.
or answers. The reports and answers must be made under oath, or otherwise, as the commissioner prescribes, and filed with the commissioner within a reasonable time the commissioner prescribes, unless additional time is granted by the commissioner.

Subd. 2. Examination of documents for evidence. (a) For purposes of this chapter, the commissioner must at all reasonable times be allowed to examine and copy documentary evidence of a person being investigated or proceeded against. The commissioner may subpoena witnesses and require the production of documentary evidence of a person relating to any matter under investigation. The commissioner may sign subpoenas, administer oaths and affirmations, examine witnesses, and receive evidence.

(b) Attendance of witnesses and the production of documentary evidence may be required at a designated hearing place. In case of disobedience to a subpoena, the commissioner may invoke the aid of the district court to require the attendance and testimony of witnesses and the production of documentary evidence.

(c) The district court, in case of refusal to obey a subpoena issued to a person, may issue an order requiring the person to appear before the commissioner or to produce documentary evidence if ordered, or to give evidence touching the matter in question. Failure to obey the order of the court may be punishable by the court as a contempt.

(d) Upon the application of the attorney general at the request of the commissioner, the district court may order a person to comply with this chapter or an order of the commissioner made under this chapter.

(e) The commissioner may order testimony to be taken by deposition in a proceeding or investigation pending under this chapter at any state of the proceeding or investigation. Depositions may be taken before a person designated by the commissioner and having power to administer oaths. The testimony must be reduced to writing by the person taking the deposition or under the person's direction and must then be signed by the witness. A person may be compelled to appear and depose and to produce documentary evidence in the same manner as witnesses may be compelled to appear and testify and produce documentary evidence before the commissioner.

(f) Witnesses summoned before the commissioner may be paid the same fees and mileage that are paid witnesses in the district courts. Witnesses whose depositions are taken and the persons taking them may be entitled to the fees that are paid for those services in the district court.

(g) A person is not excused from attending and testifying or from producing books, papers, schedules of charges, contracts, agreements, or other documentary evidence before the commissioner or in obedience to the subpoena of the commissioner whether the subpoena is signed or issued by the commissioner or the commissioner's agent, or in any cause or proceeding, criminal or otherwise, based upon or growing out of an alleged violation of this chapter because the testimony or evidence, documentary or otherwise, required of the person may tend to incriminate the person or subject the person to a penalty or forfeiture. No person may be prosecuted or subjected to a penalty or forfeiture on account of a matter concerning which the person is compelled, after having claimed a privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that a witness is not exempt from prosecution and punishment for perjury committed in testifying.

Subd. 3. Penalties related to testimony and records. (a) A person who neglects or refuses to attend and testify, to answer a lawful inquiry, or to produce documentary evidence, if it is in the person's power to do so in obedience to the subpoena or lawful requirement of the commissioner, is guilty of a misdemeanor.

(b) A person who willfully:

(1) makes or causes to be made a false entry or statement of fact in a report required under this chapter:
(2) makes or causes to be made a false entry in an account, record, or memorandum kept by a person subject to this chapter;

(3) neglects or fails to make or to cause to be made full and correct entries in the accounts, records, or memoranda of all facts and transactions relating to the person's business;

(4) leaves the jurisdiction of this state;

(5) mutilates, alters, or by any other means falsifies documentary evidence of a person subject to this chapter; or

(6) refuses to submit to the commissioner, for inspection and copying, any documentary evidence of a person subject to this chapter in the person's possession or control, is guilty of a misdemeanor.

(c) A person required by this chapter to file an annual or special report who fails to do so within the time fixed by the commissioner for filing the report and continues the failure for 30 days after notice of failure to file, is guilty of a misdemeanor.

(d) An officer or employee of this state who makes public information obtained by the commissioner without the commissioner's authority, unless directed by a court, is guilty of a misdemeanor.
