The Honorable Kurt Zellers  
Speaker of the House of Representatives  
The State of Minnesota

Dear Speaker Zellers:

I have vetoed and am returning H. F. No. 1812, Chapter No. 214, a bill authorizing the Department of Administration to contract for waste hauling without first determining whether there are state employees able and available to do the work.

Current Minnesota law requires the Commissioner of Administration to ensure that no state employees are able and available to perform a service before contracting out the function. This bill would waive the able and available requirement for waste hauling contracts.

Sincerely,

MARK RITCHIE  
Secretary of State

STATE OF MINNESOTA  
OFFICE OF THE GOVERNOR  
SAINT PAUL 55155

April 23, 2012
Current law allows the Commissioner of Administration to enter into contracts with private providers, if the lack of personnel warrants such action. Presently, that is not the case. State employees who collect state waste also provide support in other Department of Administration functions, enabling the Department to keep multiple business units adequately staffed without additional fulltime employees.

Public employees have done remarkable jobs serving the people of Minnesota during difficult economic times. Unfortunately, there are too many in the legislature, who refuse to either recognize or appreciate the valuable work state employees perform. This bill would send a signal to them that their work is not valued.

Sincerely,

MARK DAYTON
Governor

The Honorable Kurt Zellers
Speaker of the House of Representatives

The Honorable Michelle L. Fischbach
President of the Senate

We, the undersigned conferees for H. F. No. 2244 report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 2244 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2010, section 15A.0815, subdivision 3, is amended to read:

Subd. 3. **Group II salary limits.** The salaries for positions in this subdivision may not exceed 85 percent of the salary of the governor:

Executive director of Gambling Control Board;

Commissioner, Iron Range Resources and Rehabilitation Board;

Commissioner, Bureau of Mediation Services;

Ombudsman for Mental Health and Developmental Disabilities;

Chair, Metropolitan Council;

**School trust lands director:**

Executive director of pari-mutuel racing; and

Commissioner, Public Utilities Commission."
Sec. 2. Minnesota Statutes 2010, section 16A.06, subdivision 11, is amended to read:

Subd. 11. **Permanent school fund reporting.** The commissioner shall annually report to the Legislative Permanent School Fund Advisory Committee and the legislature the amount of the permanent school fund transfer and information about the investment of the permanent school fund provided by the State Board of Investment. The State Board of Investment shall provide information about how they maximized the long-term economic return of the permanent school fund.

Sec. 3. Minnesota Statutes 2010, section 16A.125, subdivision 5, is amended to read:

Subd. 5. **Forest trust lands.** (a) The term "state forest trust fund lands" as used in this subdivision, means public land in trust under the Constitution set apart as "forest lands under the authority of the commissioner" of natural resources as defined by section 89.001, subdivision 13.

(b) The commissioner of management and budget shall credit the revenue from the forest trust fund lands to the forest suspense account. The account must specify the trust funds interested in the lands and the respective receipts of the lands.

(c) After a fiscal year, the commissioner of management and budget shall certify the total costs incurred for forestry during that year under appropriations for the protection, improvement, administration, and management of state forest trust fund lands and construction and improvement of forest roads to enhance the forest value of the lands. The certificate must specify the trust funds interested in the lands. After presentation to the Legislative Permanent School Fund Commission, the commissioner of natural resources shall supply the commissioner of management and budget with the information needed for the certificate. The certificate shall include an analysis that compares costs certified under this section with costs incurred on other public and private lands with similar land assets.

(d) After a fiscal year, the commissioner shall distribute the receipts credited to the suspense account during that fiscal year as follows:

(1) the amount of the certified costs incurred by the state for forest management, forest improvement, and road improvement during the fiscal year shall be transferred to the forest management investment account established under section 89.039;

(2) the balance of the certified costs incurred by the state during the fiscal year shall be transferred to the general fund; and

(3) the balance of the receipts shall then be returned prorated to the trust funds in proportion to their respective interests in the lands which produced the receipts.

Sec. 4. Minnesota Statutes 2010, section 84.027, subdivision 18, is amended to read:

Subd. 18. **Permanent school fund authority; reporting.** (a) The commissioner of natural resources has the authority and responsibility for the administration of school trust lands under sections 92.121 and 127A.31. The commissioner shall biannually report to the Permanent School Fund Advisory Committee Legislative Permanent School Fund Commission and the legislature on the management of the school trust lands that shows how the commissioner has and will continue to achieve the following goals:

(1) manage the school trust lands efficiently and in a manner that reflects the undivided loyalty to the beneficiaries consistent with the commissioner's fiduciary duties;
(2) reduce the management expenditures of school trust lands and maximize the revenues deposited in the permanent school trust fund;

(3) manage the sale, exchange, and commercial leasing of school trust lands, requiring returns of not less than fair market value, to maximize the revenues deposited in the permanent school trust fund and retain the value from the long-term appreciation of the school trust lands; and

(4) manage the school trust lands to maximize the long-term economic return for the permanent school trust fund while maintaining sound natural resource conservation and management principles;

(5) optimize school trust land revenues and maximize the value of the trust consistent with the balancing of short-term and long-term interests, so that long-term benefits are not lost in an effort to maximize short-term gains; and

(6) maintain the integrity of the trust and prevent the misapplication of its lands and its revenues.

(b) When the commissioner finds an irresolvable conflict between maximizing the long-term economic return and protecting natural resources and recreational values on school trust lands, the commissioner shall give precedence to the long-term economic return in managing school trust lands. By July 1, 2018, the permanent school fund shall be compensated for all school trust lands included under a designation or policy provision that prohibits long-term economic return. The commissioner shall submit recommendations to the appropriate legislative committees and divisions on methods of funding for the compensation required under this paragraph, including recommendations for appropriations from the general fund, nongeneral funds, and the state bond fund. Any uncompensated designation or policy provision restrictions on the long-term economic return on school trust lands remaining after July 1, 2018, shall be compiled and submitted to the Legislative Permanent School Fund Commission for review.

(c) By December 31, 2013, the report required under paragraph (a) shall provide an inventory and identification of all school trust lands that are included under a designation or policy provision that prohibits long-term economic return. The report shall include a plan to compensate the permanent school fund through the purchase or exchange of the lands or a plan to manage the school trust land to generate long-term economic return to the permanent school fund. Subsequent reports under paragraph (a) shall include a status report of the commissioner’s progress in maximizing the long-term economic return on lands identified in the 2013 report.

(d) When future designations or policies by the commissioner prohibit the long-term economic return on school trust land, the conflict shall be resolved by compensating the permanent school fund through an exchange or purchase of the lands before designation or application of the policy.

Sec. 5. Minnesota Statutes 2010, section 92.45, is amended to read:

92.45 STATE LAND ON MEANDERED LAKES WITHDRAWN FROM SALE.

All state lands, excluding school trust lands, bordering on or adjacent to meandered lakes and other public waters and watercourses, with the live timber growing on them, are withdrawn from sale except as provided in this section. The commissioner of natural resources may sell the timber as otherwise provided by law for cutting and removal under conditions the commissioner prescribes. The conditions must be in accordance with approved, sustained-yield forestry practices. The commissioner must reserve the timber and impose other conditions the commissioner deems necessary to protect watersheds, wildlife habitat, shorelines, and scenic features. Within the area in Cook, Lake, and St. Louis Counties described in the Act of Congress approved July 10, 1930, (Statutes at Large, volume 46, page 1020), the timber on state lands is subject to restrictions like those now imposed by the act on federal lands.
The following land is reserved for public travel: of all land bordering on or adjacent to meandered lakes and other public waters and watercourses and withdrawn from sale, a strip two rods wide, the ordinary high-water mark being its waterside boundary, and its landside boundary a line drawn parallel to the ordinary high-water mark and two rods distant landward from it. Wherever the conformation of the shore line or conditions require, the commissioner must reserve a wider strip.

Except for sales under section 282.018, subdivision 1, when a state agency or any other unit of government requests the legislature to authorize the sale of state lands bordering on or adjacent to meandered lakes and other public waters and watercourses, the commissioner shall evaluate the lands and their public benefits and make recommendations on the proposed dispositions to the committees of the legislature with jurisdiction over natural resources. The commissioner shall include any recommendations of the commissioner for disposition of lands withdrawn from sale under this section over which the commissioner has jurisdiction. The commissioner's recommendations may include a public sale, sale to a private party, acquisition by the commissioner for public purposes, retention of a conservation easement for shoreland preservation by the commissioner under chapter 84C, or a cooperative management agreement with, or transfer to, another unit of government.

The commissioner may sell state lands bordering on or adjacent to the Mississippi River or any lakes, waters, and watercourses in its bottom lands, desired or needed by the United States government for, or in connection with, any project heretofore authorized by Congress, to improve navigation in the Mississippi River at public sale according to law, as in other cases, upon application by an authorized United States official. The application must describe the land and include a map showing its location with reference to adjoining properties.

Sec. 6. Minnesota Statutes 2010, section 94.342, subdivision 5, is amended to read:

Subd. 5. Additional restrictions on school trust land. School trust land may be exchanged with other Class A land only if the Permanent School Fund Advisory Committee school trust lands director is appointed as temporary trustee of the school trust land for purposes of the exchange. The Legislative Permanent School Fund Commission shall provide independent legal counsel to review the exchanges.

Sec. 7. Minnesota Statutes 2010, section 127A.30, is amended to read:

"Section 1. Minnesota Statutes 2010, section 65B.54, subdivision 6, is amended to read:

Subd. 6. Unethical practices. (a) A licensed health care provider shall not initiate direct contact, in person, over the telephone, or by other electronic means, with any person who has suffered an injury arising out of the maintenance or use of an automobile, for the purpose of influencing that person to receive treatment or to purchase any good or item from the licensee or anyone associated with the licensee. This subdivision prohibits such direct contact whether initiated by the licensee individually or on behalf of the licensee by any employee, independent contractor, agent, or third party, including a capper, runner, or steerer, as defined in section 609.612, subdivision 1, paragraph (c). This subdivision does not apply when an injured person voluntarily initiates contact with a licensee.

(b) This subdivision does not prohibit licensees, or persons acting on their behalf, from mailing advertising literature directly to such persons, so long as:

(1) the word "ADVERTISEMENT" appears clearly and conspicuously at the beginning of the written materials;

(2) the name of the individual licensee appears clearly and conspicuously within the written materials;

(3) the licensee is clearly identified as a licensed health care provider within the written materials; and

(4) the licensee does not initiate, individually or through any employee, independent contractor, agent, or third party, direct contact with the person after the written materials are sent.

(c) This subdivision does not apply to:

(3) contact with friends or relatives, or statements made in a social setting;

(4) direct contact initiated by an ambulance service licensed under chapter 144E, a medical response unit registered under section 144E.275, or by the emergency department of a hospital licensed under chapter 144, for the purpose of rendering emergency care; or

(5) a situation in which the injured person:

(i) had a prior professional relationship with the licensee;

(ii) has selected that licensee as the licensee from whom the injured person receives health care; or

(iii) has received treatment related to the accident from the licensee.

(d) For purposes of this paragraph, "legal name," for an individual means the name under which an individual is licensed or registered as a health care professional in Minnesota or an adjacent state, and for a business entity, a name under which the entity is registered with the secretary of state in Minnesota or an adjacent state, so long as the name does not include any misleading description of the nature of its health care practice; and "health care provider" means an individual or business entity that provides medical treatment of an injury eligible as a medical expense claim under this chapter. In addition to any laws governing, or rules adopted by, a health care provider licensing board, any solicitation or advertisement for medical treatment, or for referral for medical treatment, of an injury eligible for treatment under this chapter must:

(1) be undertaken only by or at the direction of a health care provider;

(2) prominently display or reference the legal name of the health care provider;

(3) display or reference the license type of the health care provider, or in the case of a health care provider that is a business entity, the license type of all of the owners of the health care provider but need not include the names of the owners;

(4) not contain any false, deceptive, or misleading information, or misrepresent the services to be provided;

(5) not include any reference to the dollar amounts of the potential benefits under this chapter; and

(e) A violation of this subdivision is grounds for the licensing authority to take disciplinary action against the licensee, including revocation in appropriate cases.
