Any portion of the fund which is not released by the commissioner within one year of its deposit in the fund shall be divided between the taconite environmental protection fund created in section 298.223 and the Douglas J. Johnson economic protection trust fund created in section 298.292 for placement in their respective special accounts. Subd. 3b. Limitations on applications and benefit accounts. (a) An application for unemployment benefits is effective the Sunday of the calendar week that the application was filed. An application for unemployment benefits may be backdated one calendar week before the Sunday of the week the application was actually filed if the
applicant requests the backdating within seven calendar days of the date the application is filed. An application may be backdated only if the applicant was unemployed during the period of the backdating. If an individual attempted to file an application for unemployment benefits, but was prevented from filing an application by the department, the application is effective the Sunday of the calendar week the individual first attempted to file an application.

(b) A benefit account established under subdivision 2 is effective the date the application for unemployment benefits was effective.

(c) A benefit account, once established, may later be withdrawn only if:

(1) the applicant has not been paid any unemployment benefits on that benefit account; and

(2) a new application for unemployment benefits is filed and a new benefit account is established at the time of the withdrawal.

A benefit account may be withdrawn after the expiration of the benefit year, and the new work requirements of subdivision 2, paragraph (b), do not apply if the applicant was not paid any unemployment benefits on the benefit account that is being withdrawn.

A determination or amended determination of eligibility or ineligibility issued under section 268.101, that was sent before the withdrawal of the benefit account, remains in effect and is not voided by the withdrawal of the benefit account.

(3) the applicant was unemployed as defined in section 268.035, subdivision 26;

(4) the applicant was available for suitable employment as defined in subdivision 15. This clause does not apply to an applicant who is in reemployment assistance training, or each day the applicant is on jury duty or serving as an election judge;

(5) the applicant was actively seeking suitable employment as defined in subdivision 16. This clause does not apply to an applicant who is in reemployment assistance training or who was on jury duty throughout the week;

(6) the applicant has served a nonpayable period of one week that the applicant is otherwise eligible for some amount of unemployment benefits. This clause does not apply if the applicant would have been eligible for federal disaster unemployment assistance because of a disaster in Minnesota, but for the applicant's establishment of a benefit account under section 268.07; and
(7) the applicant has been participating in reemployment assistance services, such as development of, and adherence to, a work search plan, if the applicant has been directed to participate by the commissioner. This clause does not apply if the applicant has good cause for failing to participate. "Good cause" is a reason that would have prevented a reasonable person acting with due diligence from participating.

Sec. 6. Minnesota Statutes 2016, section 268.085, subdivision 13a, is amended to read:

Subd. 13a. Leave of absence. (a) An applicant on a voluntary leave of absence is ineligible for unemployment benefits for the duration of the leave of absence. An applicant on an involuntary leave of absence is not ineligible under this subdivision.

A leave of absence is voluntary when work that the applicant can then perform is available with the applicant's employer but the applicant chooses not to work. A medical leave of absence is not presumed to be voluntary.

(b) A period of vacation requested by the applicant, paid or unpaid, is considered a voluntary leave of absence. A vacation period assigned by an employer under: (1) a uniform vacation shutdown; (2) a collective bargaining agreement; or (3) an established employer policy, is considered an involuntary leave of absence.

(c) A leave of absence is a temporary stopping of work that has been approved by the employer. A voluntary leave of absence is not considered a quit and an involuntary leave of absence is not considered a discharge from employment for purposes of section 268.095.

(d) An applicant who is on a paid leave of absence, whether the leave of absence is voluntary or involuntary, is ineligible for unemployment benefits for the duration of the leave.

(e) This subdivision applies to a leave of absence from a base period employer, an employer during the period between the end of the base period and the effective date of the benefit account, or an employer during the benefit year.

Sec. 7. Minnesota Statutes 2016, section 268.105, subdivision 2, is amended to read:

Subd. 2. Request for reconsideration. (a) Any party, or the commissioner, may within 20 calendar days of the sending of the unemployment law judge's decision under subdivision 1a, file a request for reconsideration asking the judge to reconsider that decision.

(b) Upon a request for reconsideration having been filed, the chief unemployment law judge must send a notice, by mail or electronic transmission, to all parties that a request for reconsideration has been filed. The notice must inform the parties:

(1) that reconsideration is the procedure for the unemployment law judge to correct any factual or legal mistake in the decision, or to order an additional hearing when appropriate;

(2) of the opportunity to provide comment on the request for reconsideration, and the right under subdivision 5 to obtain a copy of any recorded testimony and exhibits offered or received into evidence at the hearing;

(3) that providing specific comments as to a perceived factual or legal mistake in the decision, or a perceived mistake in procedure during the hearing, will assist the unemployment law judge in deciding the request for reconsideration;

(4) of the right to obtain any comments and submissions provided by any other party regarding the request for reconsideration; and
(5) of the provisions of paragraph (c) regarding additional evidence.

This paragraph does not apply if paragraph (d) is applicable. Sending the notice does not mean the unemployment law judge has decided the request for reconsideration was timely filed.

(c) In deciding a request for reconsideration, the unemployment law judge must not consider any evidence that was not submitted at the hearing, except for purposes of determining whether to order an additional hearing.

The unemployment law judge must order an additional hearing if a party shows that evidence which was not submitted at the hearing:

(1) would likely change the outcome of the decision and there was good cause for not having previously submitted that evidence; or

(2) would show that the evidence that was submitted at the hearing was likely false and that the likely false evidence had an effect on the outcome of the decision.

"Good cause" for purposes of this paragraph is a reason that would have prevented a reasonable person acting with due diligence from submitting the evidence.

(d) If the party who filed the request for reconsideration failed to participate in the hearing, the unemployment law judge must issue an order setting aside the decision and ordering an additional hearing if the party who failed to participate had good cause for failing to do so. The party who failed to participate in the hearing must be informed of the requirement to show good cause for failing to participate. If the unemployment law judge determines that good cause for failure to participate has not been shown, the judge must state that in the decision issued under paragraph (f).

Submission of a written statement at the hearing does not constitute participation for purposes of this paragraph.

"Good cause" for purposes of this paragraph is a reason that would have prevented a reasonable person acting with due diligence from participating in the hearing.

(e) A request for reconsideration must be decided by the unemployment law judge who issued the decision under subdivision 1a unless that judge:

(1) is no longer employed by the department;

(2) is on an extended or indefinite leave; or

(3) has been removed from the proceedings by the chief unemployment law judge.

(f) If a request for reconsideration is timely filed, the unemployment law judge must issue:

(1) a decision affirming the findings of fact, reasons for decision, and decision issued under subdivision 1a;

(2) a decision modifying the findings of fact, reasons for decision, and decision under subdivision 1a; or

(3) an order setting aside the findings of fact, reasons for decision, and decision issued under subdivision 1a, and ordering an additional hearing.
The unemployment law judge must issue a decision dismissing the request for reconsideration as untimely if the judge decides the request for reconsideration was not filed within 20 calendar days after the sending of the decision under subdivision 1a.

The unemployment law judge must send to all parties, by mail or electronic transmission, the decision or order issued under this subdivision. A decision affirming or modifying the previously issued findings of fact, reasons for decision, and decision, or a decision dismissing the request for reconsideration as untimely, is the final decision on the matter and is binding on the parties unless judicial review is sought under subdivision 7.

(1) the sum of the total monthly covered employment reported by all employers for the prior calendar year is divided by 12 to calculate the average monthly covered employment;

(2) the sum of the total wages paid for all covered employment reported by all employers for the prior calendar year is divided by the average monthly covered employment to calculate the state's average annual wage; and

(3) the state's average annual wage is divided by 52 to calculate the state's average weekly wage.

(b) For purposes of calculating the amount of taxable wages under subdivision 24, the state's average annual wage applies to the calendar year following the calculation.

(c) For purposes of calculating (1) the state's maximum weekly unemployment benefit amount available on any benefit account under section 268.07, subdivision 2a, and (2) the state's average weekly wage applies to the one-year period beginning the last Sunday in October of the calendar year of the calculation.

Sec. 4. Minnesota Statutes 2016, section 268.035, subdivision 30, is amended to read:

Subd. 30. **Wages paid.** (a) "Wages paid" means the amount of wages:

(1) that have been actually paid; or

(2) that have been credited to or set apart so that payment and disposition is under the control of the employee.

The employer must provide all required information for registration, including the actual physical street and city address of the employer.
(b) Within 30 calendar days, each employer must notify the commissioner by electronic transmission, in a format prescribed, of a change in legal entity, of the transfer, sale, or acquisition of a business conducted in Minnesota, in whole or in part, if the transaction results in the creation of a new or different employer or affects the establishment of employer accounts, the assignment of tax rates, or the transfer of experience rating history.

(c) Except as provided in subdivision 3, any person that is or becomes an employer subject to the Minnesota Unemployment Insurance Law with covered employment within any calendar year is considered to be subject to this chapter the entire calendar year.

(d) Within 30 calendar days of the termination of business, an employer that has been assigned a tax account or reimbursable account must notify the commissioner by electronic transmission, in a format prescribed by the commissioner, if that employer does not intend or expect to pay wages to any employees in covered employment during the current or the next calendar year. Upon notification, the employer is no longer required to file wage detail reports under section 268.044, subdivision 1, paragraph (d), and the employer's account must be terminated.

(e) An employer that has its account terminated regains its previous tax account under section 268.045, with the experience rating history of that account, if the employer again commences business and again pays wages in covered employment if:

(1) less than 14 calendar quarters have elapsed in which no wages were paid for covered employment;

(2) the experience rating history regained contains taxable wages; and

(3) the experience rating history has not been transferred to a successor under section 268.051, subdivision 4.

Sec. 6. Minnesota Statutes 2016, section 268.051, subdivision 1, is amended to read:

(1) nonprofit organizations that elect to make reimbursements as provided in section 268.053; and

(2) the state of Minnesota and political subdivisions that make reimbursements, unless they elect to pay taxes as provided in section 268.052.

Each employer must pay taxes quarterly, at the employer's assigned tax rate under subdivision 6, on the taxable wages paid to each employee. The commissioner must compute the tax due from the wage detail report required under section 268.044 and notify the employer of the tax due. The taxes and any special assessments, fees, or surcharges must be paid to the trust fund and must be received by the department on or before the last day of the month following the end of the calendar quarter.

(b) If for any reason the wages on the wage detail report under section 268.044 are adjusted for any quarter, the commissioner must recompute the taxes due for that quarter and assess the employer for any amount due or credit the employer as appropriate.

Sec. 7. Minnesota Statutes 2016, section 268.07, subdivision 2, is amended to read:

Subd. 2. Benefit account requirements. (a) Unless paragraph (b) applies, to establish a benefit account an applicant must have total wage credits in the applicant's four quarter base period of at least 5.3 percent of the state's average annual wage rounded down to the next lower $100.
(b) To establish a new benefit account following the expiration of the benefit year on a prior benefit account, an applicant must have performed actual work in subsequent covered employment and have been paid wages in one or more completed calendar quarters that started after the effective date of the prior benefit account. The wages paid for that employment must be at least enough to meet the requirements of paragraph (a). A benefit account under this paragraph may not be established effective earlier than the Sunday following the end of the most recent completed calendar quarter in which the requirements of paragraph (a) were met. An applicant may not establish a second benefit account as a result of one loss of employment.

Sec. 8. Minnesota Statutes 2016, section 268.07, subdivision 3a, is amended to read:

Subd. 3a. **Right of appeal.** (a) A determination or amended determination of benefit account is final unless an applicant or base period employer within 20 calendar days after the sending of the determination or amended determination files an appeal. Every determination or amended determination of benefit account must contain a prominent statement indicating in clear language the consequences of not appealing. Proceedings on the appeal are conducted in accordance with section 268.105.

(b) Any applicant or base period employer may appeal from a determination or amended determination of benefit account on the issue of whether services performed constitute employment, whether the employment is considered covered employment, and whether money paid constitutes wages. Proceedings on the appeal are conducted in accordance with section 268.105.

Sec. 9. Minnesota Statutes 2016, section 268.085, subdivision 6, is amended to read:

Subd. 6. **Receipt of back pay.** (a) Back pay received by an applicant within 24 months of the establishment of the benefit account with respect to any week must be deducted from unemployment benefits paid for that week, and the applicant is considered to have been overpaid the unemployment benefits under section 268.18, subdivision 1.

If the back pay is not paid with respect to a specific period, the back pay must be applied to the period immediately following the last day of employment.

(b) If the back pay is reduced by the amount of unemployment benefits that have been paid, the amount of back pay withheld and not paid the applicant must be:

(1) paid by the taxpaying or reimbursing employer to the trust fund within 30 calendar days and is subject to the same collection procedures that apply to past due taxes and reimbursements; and

(2) when received by the trust fund:

(i) an overpayment of unemployment benefits must be created which, under section 268.047, subdivision 2, clause (8), clears the employer's tax or reimbursable account of any effect; and

(ii) the back pay must then be applied to the unemployment benefit overpayment, eliminating any effect on the applicant.

(c) The following must result when applying paragraph (b):

(1) an employer neither overpays nor underpays the employer's proper portion of the unemployment benefit costs; and

(2) the applicant is placed in the same position as never having been paid the unemployment benefits.

(d) This subdivision applies to payments labeled front pay, settlement pay, and other terms describing or dealing with wage loss.

Subd. 7. School employees; between terms denial. (a) No wage credits in any amount from any employment with any an educational institution or institutions earned in any capacity may not be used for unemployment benefit purposes for any week during the period between two successive academic years or terms if:

1. the applicant had employment for any an educational institution or institutions in the prior academic year or term; and

2. there is a reasonable assurance that the applicant will have employment for any an educational institution or institutions in the following academic year or term, unless that:

This paragraph applies to a vacation period or holiday recess if the applicant was employed immediately before the vacation period or holiday recess, and there is a reasonable assurance that the applicant will be employed immediately following the vacation period or holiday recess. This paragraph also applies to the period between two regular but not successive terms if there is an agreement for that schedule between the applicant and the educational institution.

This paragraph does not apply if the subsequent employment is substantially less favorable than the employment of the prior academic year or term, or the employment prior to the vacation period or holiday recess.

(b) Paragraph (a) does not apply to an applicant who, at the end of the prior academic year or term, had an agreement for a definite period of employment between academic years or terms in other than an instructional, research, or principal administrative capacity and the educational institution or institutions failed to provide that employment.

(c) If unemployment benefits are denied to any applicant under paragraph (a) who was employed in the prior academic year or term in other than an instructional, research, or principal administrative capacity and who was not offered an opportunity to perform the employment in the following academic year or term, the applicant is entitled to retroactive unemployment benefits for each week during the period between academic years or terms that the applicant filed a timely continued request for unemployment benefits, but unemployment benefits were denied solely because of paragraph (a).

(d) An educational assistant is not considered to be in an instructional, research, or principal administrative capacity.

(e) Paragraph (a) applies to any vacation period or holiday recess if the applicant was employed immediately before the vacation period or holiday recess, and there is a reasonable assurance that the applicant will be employed immediately following the vacation period or holiday recess.

(f) This subdivision applies to employment with an educational service agency if the applicant performed the services at an educational institution or institutions. "Educational service agency" means a governmental agency or entity established and operated exclusively for the purpose of providing services to one or more educational institutions.

(e) This subdivision also applies to employment with Minnesota or a political subdivision, or a nonprofit organization, if the services are provided to or on behalf of an educational institution or institutions.

(g) Paragraphs (a) and (e) apply. Paragraph (a) applies beginning the Sunday of the week that there is a reasonable assurance of employment.
Employment and a reasonable assurance with multiple education institutions must be aggregated for purposes of application of this subdivision.

If all of the applicant's employment with any educational institution or institutions during the prior academic year or term consisted of on-call employment, and the applicant has a reasonable assurance of any on-call employment with any educational institution or institutions for the following academic year or term, it is not considered substantially less favorable employment.

Paragraph (a) also applies to the period between two regular but not successive terms.

A "reasonable assurance" may be written, oral, implied, or established by custom or practice.

An "educational institution" is a school, college, university, or other educational entity operated by Minnesota or a political subdivision or an instrumentality thereof, or an educational a nonprofit organization described in United States Code, title 26, section 501(c)(3) of the federal Internal Revenue Code, and exempt from income tax under section 501(a).

An "instructional, research, or principal administrative capacity" does not include an educational assistant.

Sec. 11. Minnesota Statutes 2016, section 268.085, subdivision 12, is amended to read:

Subd. 12. Aliens. (a) An alien is ineligible for unemployment benefits for any week the alien is not authorized to work in the United States under federal law. Information from the Bureau of Citizenship and Immigration Services is considered conclusive, absent specific evidence that the information was erroneous. Under the existing agreement between the United States and Canada, this paragraph does not apply to an applicant who is a Canadian citizen and has returned to and is living in Canada each week unemployment benefits are requested.

(b) Unemployment benefits must not be paid on the basis of An alien's wage credits earned by an alien may not be used for unemployment benefit purposes unless the alien was:

1. lawfully admitted for permanent residence at the time of the employment;
2. lawfully present for the purposes of the employment; or
3. permanently residing in the United States under color of law at the time of the employment.

(c) Any Information required of applicants applying for unemployment benefits to determine eligibility because of their alien status must be required from all applicants.

Sec. 12. Minnesota Statutes 2016, section 268.0865, subdivision 5, is amended to read:

Subd. 5. Good cause defined. (a) "Good cause" for purposes of this section is a compelling substantial reason that would have prevented a reasonable person acting with due diligence from filing a continued request for unemployment benefits within the time periods required.

"Good cause" does not include forgetfulness, loss of the continued request form if filing by mail, having returned to work, having an appeal pending, or inability to file a continued request for unemployment benefits by the method designated if the applicant was aware of the inability and did not make diligent effort to have the method of filing a continued request changed by the commissioner. "Good cause" does not include having previously made an attempt to file a continued request for unemployment benefits but where the communication was not considered a continued request because the applicant failed to submit all required information.
Sec. 13. Minnesota Statutes 2016, section 268.095, subdivision 1, is amended to read:

Subdivision 1. Quit. An applicant who quit employment is ineligible for all unemployment benefits according to subdivision 10 except when:

(1) the applicant quit the employment because of a good reason caused by the employer as defined in subdivision 3;

(2) the applicant quit the employment to accept other covered employment that provided equal to or better terms and conditions of employment, but the applicant did not work long enough at the second employment to have sufficient subsequent wages paid to satisfy the period of ineligibility that would otherwise be imposed under subdivision 10 for quitting the first employment;

(3) the applicant quit the employment within 30 calendar days of beginning the employment and the employment was unsuitable;

(4) the employment was unsuitable and the applicant quit to enter reemployment assistance training;

(5) the employment was part time and the applicant also had full-time employment in the base period, from which full-time employment the applicant separated because of reasons for which the applicant is would not be ineligible, and the wage credits from the full-time employment are sufficient to meet the minimum requirements to establish a benefit account under section 268.07;

(6) the applicant quit because the employer notified the applicant that the applicant was going to be laid off because of lack of work within 30 calendar days. An applicant who quit employment within 30 calendar days of a notified date of layoff because of lack of work is ineligible for unemployment benefits through the end of the week that includes the scheduled date of layoff;

(7) the applicant quit the employment (i) because the applicant's serious illness or injury made it medically necessary that the applicant quit; or (ii) in order to provide necessary care because of the illness, injury, or disability of an immediate family member of the applicant. This exception only applies if the applicant informs the employer of the medical problem and requests accommodation and no reasonable accommodation is made available.

If the applicant's serious illness is chemical dependency, this exception does not apply if the applicant was previously diagnosed as chemically dependent or had treatment for chemical dependency, and since that diagnosis or treatment has failed to make consistent efforts to control the chemical dependency.

This exception raises an issue of the applicant's being available for suitable employment under section 268.085, subdivision 1, that the commissioner must determine;

(8) the applicant's loss of child care for the applicant's minor child caused the applicant to quit the employment, provided the applicant made reasonable effort to obtain other child care and requested time off or other accommodation from the employer and no reasonable accommodation is made available.

This exception raises an issue of the applicant's being available for suitable employment under section 268.085, subdivision 1, that the commissioner must determine;

(9) the applicant quit because domestic abuse, sexual assault, or stalking of the applicant or an immediate family member of the applicant, necessitated the applicant's quitting the employment.
For purposes of this subdivision:

(i) "domestic abuse" has the meaning given in section 518B.01;

(ii) "sexual assault" means an act that would constitute a violation of sections 609.342 to 609.3453 or 609.352; and

(iii) "stalking" means an act that would constitute a violation of section 609.749; or

(10) the applicant quit in order to relocate to accompany a spouse:

(1) (i) who is in the military; or

(ii) whose job was transferred by the spouse's employer to a new location making it impractical for the applicant to commute.

Sec. 14. Minnesota Statutes 2016, section 268.095, subdivision 2, is amended to read:

Subd. 2. Quit defined. (a) A quit from employment occurs when the decision to end the employment was, at the time the employment ended, the employee's.

(b) When determining if an applicant quit, the theory of a constructive quit does not apply.

(c) An employee who has been notified that the employee will be discharged in the future, who chooses to end the employment while employment in any capacity is still available, has quit the employment.

(d) A notice of quitting in the future does not constitute a quit at the time the notice is given. An employee who seeks to withdraw a previously submitted notice of quitting in the future has quit the employment, as of the intended date of quitting, if the employer does not agree that the notice may be withdrawn.

(e) An applicant has quit employment with a staffing service if, within five calendar days after completion of a suitable job assignment from a staffing service, the applicant:

(1) fails without good cause to affirmatively request an additional suitable job assignment;

(2) refuses without good cause an additional suitable job assignment offered; or

(3) accepts employment with the client of the staffing service. Accepting employment with the client of the staffing service meets the requirements of the exception to ineligibility under subdivision 1, clause (2).

This paragraph applies only if, at the time of beginning of employment with the staffing service, the applicant signed and was provided a copy of a separate document written in clear and concise language that informed the applicant of this paragraph and that unemployment benefits may be affected.

For purposes of this paragraph, "good cause" is a reason that would compel an average, reasonable worker, who would otherwise want an additional suitable job assignment with the staffing service (1) to fail to contact the staffing service, or (2) to refuse an offered assignment.

Sec. 15. Minnesota Statutes 2016, section 268.131, is amended to read:

268.131 RECIPROCAL UNEMPLOYMENT BENEFIT COMBINED WAGE ARRANGEMENTS FOR WORK IN MULTIPLE STATES.

Subdivision 1. Cooperation with other states on combining wages. (a) In accordance with the requirements of United States Code, title 26, section 3304(a)(9)(B), the Federal Unemployment Tax Act, the commissioner must participate in reciprocal arrangements with other states for the payment of unemployment benefits on the basis of
combining an applicant's wages from multiple states for the purposes of collecting unemployment benefits from a single state. The reciprocal agreement must include provisions for applying the base period of a single state law to a benefit account involving the combining of an applicant's wages and employment and avoiding the duplicate use of wages by reason of such combining. The commissioner may not enter into any reciprocal arrangement unless it contains provisions for only pay unemployment benefits from the trust fund under this section if:

(1) there are reimbursements to the trust fund, by the other state, for unemployment benefits paid from the trust fund to applicants based upon wages and employment covered under the laws of the other state.; and

(b) The commissioner is authorized to pay unemployment benefits based upon an applicant's wages paid in covered employment in another state only if (2) the applicant is combining Minnesota wage credits with the wages paid in covered employment from another state or states.

(c) Section 268.23 does not apply to this subdivision.

(d) On any reciprocal arrangement, (b) Under this section, the wages paid an applicant from employment covered under an unemployment insurance program of another state are considered wages from covered employment for the purpose of determining the applicant's rights to unemployment benefits under the Minnesota Unemployment Insurance Law.

Subd. 2. Cooperation with foreign governments. The commissioner is authorized to enter into or cooperate in arrangements whereby facilities and services provided under the Minnesota Unemployment Insurance Law and facilities and services provided under the unemployment insurance program of any foreign government, may be used for the taking of applications for unemployment benefits and continued requests and the payment of unemployment benefits under this law or under a similar law of a foreign government.

Sec. 16. Minnesota Statutes 2016, section 268.18, subdivision 2, is amended to read:

Subd. 2. Overpayment because of fraud misrepresentation. (a) An applicant has committed fraud misrepresentation if the applicant is overpaid unemployment benefits by:

(1) knowingly misrepresenting, misstating, or failing to disclose any material fact; or

(2) making a false statement or representation without a good faith belief as to the correctness of the statement or representation.

After the discovery of facts indicating fraud misrepresentation, the commissioner must issue a determination of overpayment penalty assessing a penalty equal to 40 percent of the amount overpaid. This penalty is in addition to penalties under section 268.182.

(b) Unless the applicant files an appeal within 20 calendar days after the sending of a determination of overpayment penalty to the applicant by mail or electronic transmission, the determination is final. Proceedings on the appeal are conducted in accordance with section 268.105.

(c) A determination of overpayment penalty must state the methods of collection the commissioner may use to recover the overpayment, penalty, and interest assessed. Money received in repayment of overpaid unemployment benefits, penalties, and interest is first applied to the benefits overpaid, then to the penalty amount due, then to any interest due. 62.5 percent of the payments made toward the penalty are credited to the contingent account and 37.5 percent credited to the trust fund.
(d) The department is authorized to issue a determination of overpayment penalty under this subdivision may be issued within 48 months of the establishment of the benefit account upon which the unemployment benefits were obtained through fraud misrepresentation.

Sec. 17. Minnesota Statutes 2016, section 268.18, subdivision 2b, is amended to read:

Subd. 2b. Interest. On any unemployment benefits fraudulently obtained by misrepresentation, and any penalty amounts assessed under subdivision 2, the commissioner must assess interest at the rate of one percent per month on any amount that remains unpaid beginning 30 calendar days after the date of a determination of overpayment penalty. A determination of overpayment penalty must state that interest will be assessed. Interest is assessed in the same manner as on employer debt under section 268.057, subdivision 5. Interest payments collected under this subdivision are credited to the trust fund.

Sec. 18. Minnesota Statutes 2016, section 268.18, subdivision 5, is amended to read:

Subd. 5. Remedies. (a) Any method undertaken to recover an overpayment of unemployment benefits, including any penalties and interest, is not considered an election of a method of recovery.

(b) Intervention or lack thereof, in whole or in part, in a workers’ compensation matter under section 176.361 is not considered an election of a remedy and does not prevent the commissioner from determining any applicant ineligible for unemployment benefits overpaid under subdivision 1 or 2 or taking action under section 268.182.

Sec. 19. Minnesota Statutes 2016, section 268.182, is amended to read:

Subdivision 1. **Misrepresentation; administrative penalties.** (a) The commissioner must penalize an employer if that employer or any employee, officer, or agent of that employer, is in collusion with any applicant for the purpose of assisting the applicant to receive unemployment benefits fraudulently. The penalty is $500 or the amount of unemployment benefits determined to be overpaid, whichever is greater.

Clean Air Act settlement money may not be spent until it is specifically appropriated by law.

Sec. 4. Minnesota Statutes 2016, section 116C.779, subdivision 1, is amended to read:

Subdivision 1. Renewable development Energy fund account. (a) The energy fund account is established as a separate account in the special revenue fund in the state treasury. Appropriations and transfers to the account are credited to the account. Earnings, such as interest, dividends, and any other earnings arising from assets of the account, are credited to the account. Funds remaining in the account at the end of a fiscal year do not cancel to the general fund, but remain in the account until expended.

(b) On July 1, 2017, the public utility that owns the Prairie Island nuclear generating plant must transfer all funds in the renewable development account previously established under this subdivision and managed by the public utility to the energy fund account established in paragraph (a). Funds awarded to grantees in previous grant cycles that have not yet been expended and unencumbered funds required to be paid in calendar year 2017 under sections 116C.7791, 116C.7792, and 216C.41 are not subject to transfer under this paragraph.

(c) Except as provided in subdivision 1a, beginning January 15, 2018, and continuing each January 15 thereafter, the public utility that owns the Prairie Island nuclear generating plant must transfer to a renewable development energy fund account $500,000 each year for each dry cask containing spent fuel that is located at the Prairie Island power plant for each year the plant is in operation, and $7,500,000 each year the plant is not in operation if ordered by the commission pursuant to paragraph (c)(f). The fund transfer must be made if nuclear waste is stored in a dry cask at the independent spent-fuel storage facility at Prairie Island for any part of a year.

(d) Except as provided in subdivision 1a, beginning January 15, 2018, and continuing each January 15 thereafter, the public utility that owns the Monticello nuclear generating plant must transfer to the renewable development energy fund account $350,000 each year for each dry cask containing spent fuel that is located at the Monticello nuclear power plant for each year the plant is in operation, and $5,250,000 each year the plant is not in operation if ordered by the commission pursuant to paragraph (c)(f). The fund transfer must be made if nuclear waste is stored in a dry cask at the independent spent-fuel storage facility at Monticello for any part of a year.

(e) Each year, the public utility must withhold from the funds transferred to the energy fund account under paragraphs (c) and (d) the amount necessary to pay its obligations under sections 116C.7791, 116C.7792, and 216C.41 for that calendar year.

(f) After discontinuation of operation of the Prairie Island nuclear plant or the Monticello nuclear plant and each year spent nuclear fuel is stored in dry cask at the discontinued facility, the commission shall require the public utility to pay $7,500,000 for the discontinued Prairie Island facility and $5,250,000 for the discontinued Monticello facility for any year in which the commission finds, by the preponderance of the evidence, that the public utility did not make a good faith effort to remove the spent nuclear fuel stored at the facility to a permanent or interim storage site out of the state. This determination shall be made at least every two years.
(g) Funds in the account may only be expended to support projects that:

(1) result in lower rates for Xcel’s Minnesota retail electricity customers;

(2) result in reduced air emissions from Xcel’s Minnesota electric generating facilities; and

(3) provide incentives for the development of new energy technologies that meet the conditions of clause (1) or (2).

Except as provided in section 116C.7793, subdivision 7, expenditures from the fund must only benefit Minnesota ratepayers receiving electric service from the utility that owns a nuclear-powered electric generating plant in this state or the Prairie Island Indian community or its members.

(d) Funds in the account may be expended only for any of the following purposes:

(1) to increase the market penetration within the state of renewable electric energy resources at reasonable costs;

(2) to promote the start-up, expansion, and attraction of renewable electric energy projects and companies within the state;

(3) to stimulate research and development within the state into renewable electric energy technologies; and

(4) to develop near-commercial and demonstration scale renewable electric projects or near-commercial and demonstration scale electric infrastructure delivery projects if those delivery projects enhance the delivery of renewable electric energy.

The utility that owns a nuclear generating plant is eligible to apply for renewable development account grants.

(e) Expenditures authorized by this subdivision from the account may be made only after approval by order of the Public Utilities Commission upon a petition by the public utility. The commission may approve proposed expenditures, may disapprove proposed expenditures that it finds to be not in compliance with this subdivision or otherwise not in the public interest, and may, if agreed to by the public utility, modify proposed expenditures. The commission may approve reasonable and necessary expenditures for administering the account in an amount not to exceed five percent of expenditures. Commission approval is not required for expenditures required under subdivisions 2 and 3, section 116C.7791, or other law.

(f) The account shall be managed by the public utility but the public utility must consult about account expenditures with an advisory group that includes, among others, representatives of its ratepayers. The commission may require that other interests be represented on the advisory group. The advisory group must be consulted with respect to the general scope of expenditures in designing a request for proposal and in evaluating projects submitted in response to a request for proposals. In addition to consulting with the advisory group, the public utility must utilize an independent third-party expert to evaluate proposals submitted in response to a request for proposal, including all proposals made by the public utility. A request for proposal for research and development under paragraph (d), clause (3), may be limited to or include a request to higher education institutions located in Minnesota for multiple projects authorized under that paragraph (d), clause (3). The request for multiple projects may include a provision that exempts the projects from the third-party expert review and instead provides for project evaluation and selection by a merit peer review grant system. The utility should attempt to reach agreement with the advisory group after consulting with it but the utility has full and sole authority to determine which expenditures shall be submitted to the commission for commission approval. In the process of determining request for proposal scope and subject and in evaluating responses to request for proposals, the public utility must strongly consider, where reasonable, potential benefit to Minnesota citizens and businesses and the utility’s ratepayers.
(g) Funds in the account may not be directly appropriated by the legislature by a law enacted after January 1, 2012, and unless appropriated by a law enacted prior to that date may be expended only pursuant to an order of the commission according to this subdivision.

(b) A request for proposal for renewable energy generation projects must, when feasible and reasonable, give preference to projects that are most cost-effective for a particular energy source.

(i) The public utility must annually, by February 15, report to the chairs and ranking minority members of the legislative committees with jurisdiction over energy policy on projects funded by the account for the prior year and all previous years. The report must, to the extent possible and reasonable, itemize the actual and projected financial benefit to the public utility’s ratepayers of each project.

(j) A project receiving funds from the account must produce a written final report that includes sufficient detail for technical readers and a clearly written summary for nontechnical readers. The report must include an evaluation of the project’s financial, environmental, and other benefits to the state and the public utility’s ratepayers.

(k) Final reports, any mid-project status reports, and renewable development account financial reports must be posted online on a public Web site designated by the commission.

(l) All final reports must acknowledge that the project was made possible in whole or part by the Minnesota renewable development fund, noting that the fund is financed by the public utility’s ratepayers.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 5. Minnesota Statutes 2016, section 116C.779, is amended by adding a subdivision to read:

Subd. 1a. Payment termination. (a) The commissioner shall track the cumulative transfers made to the account and its predecessor, the renewable development account, each year since 1999 for each dry cask containing spent fuel that is stored at an independent spent-fuel storage facility at Prairie Island or Monticello. During the time when state law required the public utility to transfer a specific amount of funds to the account for all the casks stored, the per-cask allocation shall be calculated by dividing the total amount transferred by the number of casks stored that year.

(b) When the commissioner determines that the cumulative transfers calculated under paragraph (a) for a specific cask reach $10,000,000, the commissioner shall notify the public utility that no additional transfers to the account for that cask shall be made.

(c) This subdivision does not affect any provisions of subdivision 1, paragraph (c) or (d), with respect to transfers to the account made after a plant has ceased operation.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 116C.7792, is amended to read:

116C.7792 SOLAR ENERGY INCENTIVE PROGRAM.

The utility subject to section 116C.779 shall operate a program to provide solar energy production incentives for solar energy systems of no more than a total nameplate capacity of 20 kilowatts direct current. The program shall be operated for five consecutive calendar years commencing in 2014. $5,000,000 shall be allocated for each of the five years from the renewable development energy fund account established in section 116C.779 to a separate account for the purpose of the solar production incentive program. The solar system must be sized to less than 120 percent
of the customer's on-site annual energy consumption. The production incentive must be paid for ten years commencing with the commissioning of the system. The utility must file a plan to operate the program with the commissioner of commerce. The utility may not operate the program until it is approved by the commissioner.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 7. [116C.7793] LEGISLATIVE RENEWABLE ENERGY COUNCIL.

Subdivision 1. Establishment. (a) The Legislative Renewable Energy Council of 11 members is established in the legislative branch, consisting of:

(1) five members of the house of representatives appointed by the speaker of the house, three of whom are from the majority caucus and two of whom are from the minority caucus; and

(2) five members of the senate appointed by the Subcommittee on Committees of the Committee on Rules and Administration, three of whom are from the majority caucus and two of whom are from the minority caucus; and

(3) one representative of the Prairie Island Indian Community appointed by that community's tribal council.

(b) Eight legislative members appointed to the council must represent legislative districts in which at least 60 percent of residents receive electric service from the utility that owns a nuclear powered electric generating plant in this state. No member may be appointed to the council from a legislative district that does not contain any electric retail customers of the utility that owns a nuclear powered electric generating plant in this state. Council members must be geographically balanced to represent the entire electric service area of that utility.

(c) Council members shall elect a chair, a vice-chair, and other officers as determined by the council. The chair may convene meetings as necessary to conduct the duties prescribed by this section.

(d) The Legislative Coordinating Commission may appoint nonpartisan staff and contract with consultants as necessary to support the functions of the council. The council has final approval authority to hire an executive director. Up to one-half of one percent of the money appropriated from the fund may be used to pay for the council's administrative expenses.

Subd. 2. Council recommendations. (a) The council must make recommendations to the legislature on appropriations from the energy fund account established under section 116C.779 that are consistent with that section and state law. The council's recommendations must be submitted no later than December 15 each year. The council must present its recommendations to the senate and house of representatives committees with jurisdiction over energy policy and finance by February 15 in odd-numbered years, and within the first four weeks of the legislative session in even-numbered years.

(b) Recommendations of the council, including approval of recommendations for expenditures from the energy fund account, require an affirmative vote of at least eight members of the council.

(c) The council must develop and implement a decision-making process that ensures citizens and potential recipients of funds are included at each stage of the process. The process must include a fair, equitable, and thorough method to review funding requests, and a clear and easily understood process to rank projects.

Subd. 3. Conflict of interest. (a) A council member may not be an advocate for or against a council action or vote on any action that may be a conflict of interest. A conflict of interest must be disclosed as soon as it is discovered. The council must follow the policies and requirements related to conflicts of interest developed by the Office of Grants Management under section 16B.98.
(b) For the purposes of this section, a conflict of interest exists when a person has an organizational conflict of interest or a direct financial conflict of interest, and the conflict of interest presents the appearance that it will be difficult for the person to impartially fulfill the person's duties as a member of the council. An organizational conflict of interest exists when a person has an affiliation with an organization subject to council activities that presents the appearance of a conflict between organizational interests and the council member's duties under this section. An organizational conflict of interest does not exist if the person's only affiliation with an organization is being a member of the organization.

Subd. 4. Audit. The legislative auditor must audit energy fund account expenditures recommended by the council, including administrative and staffing expenditures, to ensure the money is spent in compliance with all applicable laws.

Subd. 5. Recipient requirements. (a) A recipient of a direct appropriation from the energy fund account recommended by the council must compile and submit all information for funded projects or programs, including proposed measurable outcomes required by the council.

(b) A recipient's future eligibility to receive funds from the energy fund account is contingent upon the recipient satisfying all applicable requirements under this section, as well as any additional requirements contained in applicable law. If the Office of the Legislative Auditor, in the course of an audit or investigation, publicly reports that a recipient of funds from the energy fund account has not complied with the laws, rules, or regulations under this section or other laws applicable to the recipient, the recipient is not eligible for future funding from the energy fund account until the recipient demonstrates compliance to the legislative auditor.

(c) A recipient of a direct appropriation from the energy fund account pursuant to a recommendation by the council may not receive funds from another direct appropriation from the council until four years after completion of the project funded by the prior direct appropriation.

Subd. 6. Accomplishment plans. As a condition of accepting funds appropriated from the energy fund account on the council's recommendation, a recipient must agree to submit an accomplishment plan and periodic accomplishment reports to the council in the form determined by the council. The accomplishment plan must identify the project manager responsible for expending the appropriation and the final product. The accomplishment plan must account for the use of the appropriation, identify outcomes of the expenditure, and include an evaluation of results.

Subd. 7. Expenditures. (a) The council's recommendations regarding expenditures from the energy fund account may include but are not limited to research and development projects, demonstration projects, and statewide programs and financial incentives.

(b) If general fund money is transferred to the energy fund account, the council may recommend the expenditure of, and the legislature may appropriate, funds from the account up to the amount of general fund money present in the account for purposes that do not exclusively benefit Minnesota ratepayers receiving electric service from the utility that owns a nuclear powered generating plant in this state.

Subd. 8. Administration. The council shall develop administrative procedures for the submission and review of proposals seeking funding from the council.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 8. Minnesota Statutes 2016, section 216A.03, subdivision 1, is amended to read:

Subdivision 1. Members. (a) The Public Utilities Commission shall consist of five members. The terms of members shall be six years and until their successors have been appointed and qualified. Each commissioner shall be appointed by the governor by and with the advice and consent of the senate. Not more than three commissioners shall belong to the same political party. At least one commissioner must have been domiciled at the time of appointment outside the seven-county metropolitan area. If the membership of the commission after July 31, 1986, does not consist of at least one member domiciled at the time of appointment outside the seven-county metropolitan area, the membership shall conform to this requirement following normal attrition of the present commissioners. The governor when selecting commissioners, the appropriating authorities under paragraph (c) shall give consideration to persons learned in the law or persons who have engaged in the profession of engineering, public accounting, property and utility valuation, finance, physical or natural sciences, production agriculture, or natural resources as well as being representative of the general public.

(b) For purposes of this subdivision, "seven-county metropolitan area" means Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington Counties.

(c) The legislature and the governor shall appoint members of the commission as follows:

(1) the speaker of the house of representatives shall appoint one member;

(2) the leader of the majority caucus in the senate shall appoint one member;

(3) the leader of the minority caucus in the house of representatives shall appoint one member;

(4) the leader of the minority caucus in the senate shall appoint one member; and

(5) the governor shall appoint one member.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 9. Minnesota Statutes 2016, section 216A.03, is amended by adding a subdivision to read:

Subd. 1b. Transition. (a) This subdivision governs the membership of the commission between July 1, 2017, and July 1, 2019.

(b) On or before July 1, 2017, the leaders of the senate majority and minority caucuses shall each appoint one commissioner to serve a term ending July 1, 2023, to replace commissioners whose terms expire in 2022 and 2023.

(c) On or before February 1, 2019, the governor shall appoint a commissioner to serve a term ending July 1, 2025, to replace a commissioner whose term ends in 2021.

(d) On or before July 1, 2019, the leaders of the house majority and minority caucuses shall each appoint one commissioner to serve a term ending July 1, 2025, to replace commissioners whose terms expire in 2019 and 2020.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 10. Minnesota Statutes 2016, section 216B.03, is amended to read:

216B.03 REASONABLE RATE.

Every rate made, demanded, or received by any public utility, or by any two or more public utilities jointly, shall be just and reasonable. Rates shall not be unreasonably preferential, unreasonably prejudicial, or discriminatory, but shall be sufficient, equitable, and consistent in application to a class of consumers. To the maximum reasonable extent, the commission shall set rates to encourage economic growth, job retention, energy conservation and, renewable energy use, and to further the goals of sections 216B.164, 216B.1696, 216B.241, and 216C.05. Any doubt as to reasonableness should be resolved in favor of the consumer. For rate-making purposes a public utility may treat two or more municipalities served by it as a single class wherever the populations are comparable in size or the conditions of service are similar.

EFFECTIVE DATE. This section is effective the day following final enactment and applies immediately to all proceedings pending before the commission.

Sec. 11. Minnesota Statutes 2016, section 216B.16, subdivision 1a, is amended to read:

Subd. 1a. Settlement. (a) When a public utility submits a general rate filing, the Office of Administrative Hearings, before conducting a contested case hearing, shall convene a settlement conference including all of the parties for the purpose of encouraging settlement of any or all of the issues in the contested case. If a stipulated settlement is not reached before the contested case hearing, the Office of Administrative Hearings may reconvene the settlement conference during or after completion of the contested case hearing at its discretion or a party's request. The Office of Administrative Hearings or the commission may, upon the request of any party and the public utility, extend the procedural schedule of the contested case in order to permit the parties to engage in settlement discussions. An extension must be for a definite period of time not to exceed 60 days.

(b) If the applicant and all intervening parties agree to a stipulated settlement of the case or parts of the case, the settlement must be submitted to the commission. The commission shall accept or reject the settlement in its entirety and, at any time until its final order is issued in the case, may require the Office of Administrative Hearings to conduct a contested case hearing. The commission may accept the settlement on finding that to do so the settlement is supported by substantial evidence and approving the settlement is in the public interest and is supported by substantial evidence. The analysis must consider the impact of the proposed settlement on the economy, job growth, and job retention. If the commission does not accept the settlement, it may issue an order modifying the settlement subject to the approval of the parties. Each party shall have ten days in which to reject the proposed modification. If no party rejects the proposed modification, the commission's order becomes final. If the commission rejects the settlement, or a party rejects the commission's proposed modification, a contested case hearing must be completed.

EFFECTIVE DATE. This section is effective the day following final enactment and applies immediately to all proceedings pending before the commission.

Sec. 12. Minnesota Statutes 2016, section 216B.16, subdivision 6, is amended to read:

Subd. 6. Factors considered, generally. The commission, in the exercise of its powers under this chapter to determine just and reasonable rates for public utilities, shall give due consideration to the public need for adequate, efficient, and reasonable service, as well as the need for competitive electric rates, job preservation, and economic growth, and to the need of the public utility for revenue sufficient to enable it to meet the cost of furnishing the service, including adequate provision for depreciation of its utility property used and useful in rendering service to the public, and to earn a fair and reasonable return upon the investment in such property. In determining the rate base upon which the utility is to be allowed to earn a fair rate of return, the commission shall give due consideration to evidence of the cost of the property when first devoted to public use, to prudent acquisition cost to the public
utility less appropriate depreciation on each, to construction work in progress, to offsets in the nature of capital
provided by sources other than the investors, and to other expenses of a capital nature. For purposes of determining
capital rate base, the commission shall consider the original cost of utility property included in the base and shall make no
allowance for its estimated current replacement value. If the commission orders a generating facility to terminate its
depreciation on the day before the end of the facility's physical life in order to comply with a specific state or federal energy
statute or policy, the commission may allow the public utility to recover any positive net book value of the facility as
determined by the commission.

**EFFECTIVE DATE.** This section is effective the day following final enactment and applies immediately to all
proceedings pending before the commission.

Sec. 13. Minnesota Statutes 2016, section 216B.1691, subdivision 2f, is amended to read:

Subd. 2f. **Solar energy standard.** (a) In addition to the requirements of subdivisions 2a and 2b, each public
utility shall generate or procure sufficient electricity generated by solar energy to serve its retail electricity
customers in Minnesota so that by the end of 2020, at least 1.5 percent of the utility's total retail electric sales to
retail customers in Minnesota is generated by solar energy.

(b) For a public utility with more than 200,000 retail electric customers, at least ten percent of the 1.5 percent
goal must be met by solar energy generated by or procured from solar photovoltaic devices with a nameplate
capacity of 20 kilowatts or less.

(c) A public utility with between 50,000 and 200,000 retail electric customers:

(1) must meet at least ten percent of the 1.5 percent goal with solar energy generated by or procured from solar
photovoltaic devices with a nameplate capacity of 40 kilowatts or less; and

(2) may apply toward the ten percent goal in clause (1) individual customer subscriptions of 40 kilowatts or less
to a community solar garden program operated by the public utility that has been approved by the commission.

(d) The solar energy standard established in this subdivision is subject to all the provisions of this section
governing a utility's standard obligation under subdivision 2a.

(e) It is an energy goal of the state of Minnesota that, by 2030, ten percent of the retail electric sales in
Minnesota be generated by solar energy.

(f) For the purposes of calculating the total retail electric sales of a public utility under this subdivision, there
shall be excluded retail electric sales to customers that are:

(1) an iron mining extraction and processing facility, including a scram mining facility as defined in Minnesota
Rules, part 6130.0100, subpart 16; or

(2) a paper mill, wood products manufacturer, sawmill, or oriented strand board manufacturer.

Those customers may not have included in the rates charged to them by the public utility any costs of satisfying
the solar standard specified by this subdivision.

(g) A public utility may not use energy used to satisfy the solar energy standard under this subdivision to
satisfy its standard obligation under subdivision 2a. A public utility may not use energy used to satisfy the standard
obligation under subdivision 2a to satisfy the solar standard under this subdivision.
Notwithstanding any law to the contrary, a solar renewable energy credit associated with a solar photovoltaic device installed and generating electricity in Minnesota after August 1, 2013, but before 2020 may be used to meet the solar energy standard established under this subdivision.

Beginning July 1, 2014, and each July 1 through 2020, each public utility shall file a report with the commission reporting its progress in achieving the solar energy standard established under this subdivision.
energy service to municipal utilities that provide electric service at retail may invest in energy conservation improvements on behalf of the municipal utilities it serves and may fulfill the conservation, spending, reporting, and energy-savings goals on an aggregate basis, under an agreement between the municipal power agency or not-for-profit entity and each municipal utility for funding the investments.

(g) Each municipality or cooperative shall file energy conservation improvement plans by June 1 on a schedule determined by order of the commissioner, but at least every three years. Plans received by June 1 must be approved or approved as modified by the commissioner by December 1 of the same year. The municipality or cooperative shall provide an evaluation to the commissioner detailing its energy conservation improvement spending and investments for the previous period. The evaluation must briefly describe each conservation program and must specify the energy savings or increased efficiency in the use of energy within the service territory of the utility or association that is the result of the spending and investments. The evaluation must analyze the cost-effectiveness of the utility's or association's conservation programs, using a list of baseline energy and capacity savings assumptions developed in consultation with the department. The commissioner shall review each evaluation and make recommendations, where appropriate, to the municipality or association to increase the effectiveness of conservation improvement activities.

(h) MS 2010 [Expired, 1Sp2003 c 11 art 3 s 4; 2007 c 136 art 2 s 5]

(i) (h) The commissioner shall consider and may require a utility, association, or other entity providing energy efficiency and conservation services under this section to undertake a program suggested by an outside source, including a political subdivision, nonprofit corporation, or community organization.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 15. Minnesota Statutes 2016, section 216B.241, subdivision 1c, is amended to read:

Subd. 1c. Energy-saving goals. (a) The commissioner shall establish energy-saving goals for energy conservation improvement expenditures and shall evaluate an energy conservation improvement program on how well it meets the goals set.

(b) Each individual utility and association shall have an annual energy-savings goal equivalent to 1.5 percent of gross annual retail energy sales unless modified by the commissioner under paragraph (d). The savings goals must be calculated based on the most recent three-year weather-normalized average. A utility or association may elect to carry forward energy savings in excess of 1.5 percent for a year to the succeeding three calendar years, except that savings from electric utility infrastructure projects allowed under paragraph (d) may be carried forward for five years. A particular energy savings can be used only for one year's goal.

(c) The commissioner must adopt a filing schedule that is designed to have all utilities and associations operating under an energy-savings plan by calendar year 2010.

(d) In its energy conservation improvement plan filing, a utility or association may request the commissioner to adjust its annual energy-savings percentage goal based on its historical conservation investment experience, customer class makeup, load growth, a conservation potential study, or other factors the commissioner determines warrants an adjustment. The commissioner may not approve a plan of a public utility that provides for an annual energy-savings goal of less than one percent of gross annual retail energy sales from energy conservation improvements.

A utility or association may include in its energy conservation plan energy savings from electric utility infrastructure projects approved by the commission under section 216B.1636 or waste heat recovery converted into electricity projects that may count as energy savings in addition to a minimum energy-savings goal of at least one
percent for energy conservation improvements. Energy savings from electric utility infrastructure projects, as defined in section 216B.1636, may be included in the energy conservation plan of a municipal utility or cooperative electric association. Electric utility infrastructure projects must result in increased energy efficiency greater than that which would have occurred through normal maintenance activity.

(e) An energy-savings goal is not satisfied by attaining the revenue expenditure requirements of subdivisions 1a and 1b, but can only be satisfied by meeting the energy-savings goal established in this subdivision.

(f) An association or utility is not required to make energy conservation investments to attain the energy-savings goals of this subdivision that are not cost-effective even if the investment is necessary to attain the energy-savings goals. For the purpose of this paragraph, in determining cost-effectiveness, the commissioner shall consider the costs and benefits to ratepayers, the utility, participants, and society. In addition, the commissioner shall consider the rate at which an association or municipal utility is increasing its energy savings and its expenditures on energy conservation.

(g) On an annual basis, the commissioner shall produce and make publicly available a report on the annual energy savings and estimated carbon dioxide reductions achieved by the energy conservation improvement programs for the two most recent years for which data is available. The commissioner shall report on program performance both in the aggregate and for each entity filing an energy conservation improvement plan for approval or review by the commissioner.

(h) By January 15, 2010, the commissioner shall report to the legislature whether the spending requirements under subdivisions 1a and 1b are necessary to achieve the energy-savings goals established in this subdivision.

(i) This subdivision does not apply to:

(1) a cooperative electric association with fewer than 5,000 members;

(2) a municipal utility with fewer than 1,000 retail electric customers; or

(3) a municipal utility with less than 1,000,000,000 cubic feet in annual throughput sales to retail natural gas customers.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 16. Minnesota Statutes 2016, section 216B.241, subdivision 2, is amended to read:

Subd. 2. Programs. (a) The commissioner may require public utilities to make investments and expenditures in energy conservation improvements, explicitly setting forth the interest rates, prices, and terms under which the improvements must be offered to the customers. The required programs must cover no more than a three-year period. Public utilities shall file conservation improvement plans by June 1, on a schedule determined by order of the commissioner, but at least every three years. Plans received by a public utility by June 1 must be approved or approved as modified by the commissioner by December 1 of that same year. The commissioner shall evaluate the program on the basis of cost-effectiveness and the reliability of technologies employed. The commissioner's order must provide to the extent practicable for a free choice, by consumers participating in the program, of the device, method, material, or project constituting the energy conservation improvement and for a free choice of the seller, installer, or contractor of the energy conservation improvement, provided that the device, method, material, or project seller, installer, or contractor is duly licensed, certified, approved, or qualified, including under the residential conservation services program, where applicable.
(b) The commissioner may require a utility subject to subdivision 1c to make an energy conservation improvement investment or expenditure whenever the commissioner finds that the improvement will result in energy savings at a total cost to the utility less than the cost to the utility to produce or purchase an equivalent amount of new supply of energy. The commissioner shall nevertheless ensure that every public utility operate one or more programs under periodic review by the department.

(c) Each public utility subject to subdivision 1a may spend and invest annually up to ten percent of the total amount required to be spent and invested on energy conservation improvements under this section by the utility on research and development projects that meet the definition of energy conservation improvement in subdivision 1 and that are funded directly by the public utility.

(d) A public utility may not spend for or invest in energy conservation improvements that directly benefit a large energy facility or a large electric customer facility for which the commissioner has issued an exemption pursuant to subdivision 1a, paragraph (b). The commissioner shall consider and may require a utility to undertake a program suggested by an outside source, including a political subdivision, a nonprofit corporation, or community organization.

(e) A utility, a political subdivision, or a nonprofit or community organization that has suggested a program, the attorney general acting on behalf of consumers and small business interests, or a utility customer that has suggested a program and is not represented by the attorney general under section 8.33 may petition the commission to modify or revoke a department decision under this section, and the commission may do so if it determines that the program is not cost-effective, does not adequately address the residential conservation improvement needs of low-income persons, has a long-range negative effect on one or more classes of customers, or is otherwise not in the public interest. The commission shall reject a petition that, on its face, fails to make a reasonable argument that a program is not in the public interest.

(f) The commissioner may order a public utility to include, with the filing of the utility’s annual status report, the results of an independent audit of the utility’s conservation improvement programs and expenditures performed by the department or an auditor with experience in the provision of energy conservation and energy efficiency services approved by the commissioner and chosen by the utility. The audit must specify the energy savings or increased efficiency in the use of energy within the service territory of the utility that is the result of the spending and investments. The audit must evaluate the cost-effectiveness of the utility’s conservation programs.

(g) A gas utility may not spend for or invest in energy conservation improvements that directly benefit a large customer facility or commercial gas customer facility for which the commissioner has issued an exemption pursuant to subdivision 1a, paragraph (b), (c), or (e). The commissioner shall consider and may require a utility to undertake a program suggested by an outside source, including a political subdivision, a nonprofit corporation, or a community organization.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 17. Minnesota Statutes 2016, section 216B.241, subdivision 5, is amended to read:

Subd. 5. Efficient lighting program. (a) Each public utility, cooperative electric association, and municipal utility that provides electric service to retail customers and is subject to subdivision 1c shall include as part of its conservation improvement activities a program to strongly encourage the use of fluorescent and high-intensity discharge lamps. The program must include at least a public information campaign to encourage use of the lamps and proper management of spent lamps by all customer classifications.
(b) A public utility that provides electric service at retail to 200,000 or more customers shall establish, either directly or through contracts with other persons, including lamp manufacturers, distributors, wholesalers, and retailers and local government units, a system to collect for delivery to a reclamation or recycling facility spent fluorescent and high-intensity discharge lamps from households and from small businesses as defined in section 645.445 that generate an average of fewer than ten spent lamps per year.

(c) A collection system must include establishing reasonably convenient locations for collecting spent lamps from households and financial incentives sufficient to encourage spent lamp generators to take the lamps to the collection locations. Financial incentives may include coupons for purchase of new fluorescent or high-intensity discharge lamps, a cash back system, or any other financial incentive or group of incentives designed to collect the maximum number of spent lamps from households and small businesses that is reasonably feasible.

(d) A public utility that provides electric service at retail to fewer than 200,000 customers, a cooperative electric association, or a municipal utility that provides electric service at retail to customers may establish a collection system under paragraphs (b) and (c) as part of conservation improvement activities required under this section.

(e) The commissioner of the Pollution Control Agency may not, unless clearly required by federal law, require a public utility, cooperative electric association, or municipality that establishes a household fluorescent and high-intensity discharge lamp collection system under this section to manage the lamps as hazardous waste as long as the lamps are managed to avoid breakage and are delivered to a recycling or reclamation facility that removes mercury and other toxic materials contained in the lamps prior to placement of the lamps in solid waste.

(f) If a public utility, cooperative electric association, or municipal utility contracts with a local government unit to provide a collection system under this subdivision, the contract must provide for payment to the local government unit of all the unit's incremental costs of collecting and managing spent lamps.

(g) All the costs incurred by a public utility, cooperative electric association, or municipal utility for promotion and collection of fluorescent and high-intensity discharge lamps under this subdivision are conservation improvement spending under this section.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 18. Minnesota Statutes 2016, section 216B.241, subdivision 5d, is amended to read:

Subd. 5d. **On-bill repayment programs.** (a) For the purposes of this subdivision:

(1) "utility" means a public utility, municipal utility, or cooperative electric association subject to subdivision 1c that provides electric or natural gas service to retail customers; and

(2) "on-bill repayment program" means a program in which a utility collects on a customer's bill repayment of a loan to the customer by an eligible lender to finance the customer's investment in eligible energy conservation or renewable energy projects, and remits loan repayments to the lender.

(b) A utility may include as part of its conservation improvement plan an on-bill repayment program to enable a customer to finance eligible projects with installment loans originated by an eligible lender. An eligible project is one that is either an energy conservation improvement, or a project installed on the customer's site that uses an eligible renewable energy source as that term is defined in section 216B.2411, subdivision 2, paragraph (b), but does not include mixed municipal solid waste or refuse-derived fuel from mixed municipal solid waste. An eligible renewable energy source also includes solar thermal technology that collects the sun's radiant energy and uses that energy to heat or cool air or water, and meets the requirements of section 216C.25. To be an eligible lender, a lender must:
(1) have a federal or state charter and be eligible for federal deposit insurance;

(2) be a government entity, including an entity established under chapter 469, that has authority to provide financial assistance for energy efficiency and renewable energy projects;

(3) be a joint venture by utilities established under section 452.25; or

(4) be licensed, certified, or otherwise have its lending activities overseen by a state or federal government agency.

The commissioner must allow a utility broad discretion in designing and implementing an on-bill repayment program, provided that the program complies with this subdivision.

(c) A utility may establish an on-bill repayment program for all customer classes or for a specific customer class.

(d) A public utility that implements an on-bill repayment program under this subdivision must enter into a contract with one or more eligible lenders that complies with the requirements of this subdivision and contains provisions addressing capital commitments, loan origination, transfer of loans to the public utility for on-bill repayment, and acceptance of loans returned due to delinquency or default.

(e) A public utility's contract with a lender must require the lender to comply with all applicable federal and state laws, rules, and regulations related to lending practices and consumer protection; to conform to reasonable and prudent lending standards; and to provide businesses that sell, maintain, and install eligible projects the ability to participate in an on-bill repayment program under this subdivision on a nondiscriminatory basis.

(f) A public utility's contract with a lender may provide:

(1) for the public utility to purchase loans from the lender with a condition that the lender must purchase back loans in delinquency or default; or

(2) for the lender to retain ownership of loans with the public utility servicing the loans through on-bill repayment as long as payments are current.

The risk of default must remain with the lender. The lender shall not have recourse against the public utility except in the event of negligence or breach of contract by the utility.

(g) If a public utility customer makes a partial payment on a utility bill that includes a loan installment, the partial payment must be credited first to the amount owed for utility service, including taxes and fees. A public utility may not suspend or terminate a customer's utility service for delinquency or default on a loan that is being serviced through the public utility's on-bill repayment program.

(h) An outstanding balance on a loan being repaid under this subdivision is a financial obligation only of the customer who is signatory to the loan, and not to any subsequent customer occupying the property associated with the loan. If the public utility purchases loans from the lender as authorized under paragraph (f), clause (1), the public utility must return to the lender a loan not repaid when a customer borrower no longer occupies the property.

(i) Costs incurred by a public utility under this subdivision are recoverable as provided in section 216B.16, subdivision 6b, paragraph (c), including reasonable incremental costs for billing system modifications necessary to implement and operate an on-bill repayment program and for ongoing costs to operate the program. Costs in a plan approved by the commissioner may be counted toward a utility's conservation spending requirements under subdivisions 1a and 1b. Energy savings from energy conservation improvements resulting from this section may be counted toward satisfying a utility's energy-savings goals under subdivision 1c.
(j) This subdivision does not require a utility to terminate or modify an existing financing program and does not prohibit a utility from establishing an on-bill financing program in which the utility provides the financing capital.

(k) A municipal utility or cooperative electric association that implements an on-bill repayment program shall design the program to address the issues identified in paragraphs (d) through (h) as determined by the governing board of the utility or association.

Subd. 7. **Low-income programs.** (a) The commissioner shall ensure that each utility and association subject to subdivision 1c provides low-income programs. When approving spending and energy-savings goals for low-income programs, the commissioner shall consider historic spending and participation levels, energy savings for low-income programs, and the number of low-income persons residing in the utility’s service territory. A municipal utility that furnishes gas service must spend at least 0.2 percent, and a public utility furnishing gas service must spend at least 0.4 percent, of its most recent three-year average gross operating revenue from residential customers in the state on low-income programs. A utility or association that furnishes electric service must spend at least 0.1 percent of its gross operating revenue from residential customers in the state on low-income programs. A generation and transmission cooperative association, this requirement shall apply to each association's members' aggregate gross operating revenue from sale of electricity to residential customers in the state. Beginning in 2010, a utility or association that furnishes electric service must spend 0.2 percent of its gross operating revenue from residential customers in the state on low-income programs.

(b) To meet the requirements of paragraph (a), a utility or association may contribute money to the energy and conservation account. An energy conservation improvement plan must state the amount, if any, of low-income energy conservation improvement funds the utility or association will contribute to the energy and conservation account. Contributions must be remitted to the commissioner by February 1 of each year.

(c) The commissioner shall establish low-income programs to utilize money contributed to the energy and conservation account under paragraph (b). In establishing low-income programs, the commissioner shall consult political subdivisions, utilities, and nonprofit and community organizations, especially organizations engaged in providing energy and weatherization assistance to low-income persons. Money contributed to the energy and conservation account under paragraph (b) must provide programs for low-income persons, including low-income renters, in the service territory of the utility or association providing the money. The commissioner shall record and report expenditures and energy savings achieved as a result of low-income programs funded through the energy and conservation account in the report required under subdivision 1c, paragraph (g). The commissioner may contract with a political subdivision, nonprofit or community organization, public utility, municipality, or cooperative electric association to implement low-income programs funded through the energy and conservation account.

(d) A utility or association may petition the commissioner to modify its required spending under paragraph (a) if the utility or association and the commissioner have been unable to expend the amount required under paragraph (a) for three consecutive years.

(e) The costs and benefits associated with any approved low-income gas or electric conservation improvement program that is not cost-effective when considering the costs and benefits to the utility may, at the discretion of the utility, be excluded from the calculation of net economic benefits for purposes of calculating the financial incentive to the utility. The energy and demand savings may, at the discretion of the utility, be applied toward the calculation of overall portfolio energy and demand savings for purposes of determining progress toward annual goals and in the financial incentive mechanism.

(2) the termination of the power purchase agreement is in the best interest of the customers of the public utility that operates a nuclear-powered electric generating plant, taking into consideration any savings to customers resulting from the termination of the power purchase agreement and any costs imposed on customers under paragraph (f).

(d) A new or amended power purchase agreement approved under paragraph (b) may be for any term agreed to by the parties for any amount of energy agreed to by the parties.

(e) The approval of a new or amended power purchase agreement under paragraph (b), or the approval of a termination of a power purchase agreement under paragraph (c), shall not require the public utility that operates a nuclear-powered electric generation plant to purchase replacement biomass energy under this section.

(f) A utility may petition the commission to approve a rate schedule that provides for the automatic adjustment of charges to recover investments, expenses and costs, and earnings on the investment associated with the new or amended power purchase agreement or the termination of a power purchase agreement. The commission may approve the rate schedule upon a showing that the recovery of investments, expenses and costs, and earnings on the investment is less than the costs that would have been recovered from customers had the utility continued to purchase energy under the power purchase agreement that was terminated.
(g) This section does not apply to a St. Paul district heating and cooling system cogeneration facility, and nothing in this subdivision precludes a public utility that operates a nuclear-power electric generating plant from filing a petition with the commission for approval of a new or amended power purchase agreement with such a facility.

ARTICLE 11
MISCELLANEOUS

Section 1. [14.1275] RULES IMPACTING RESIDENTIAL CONSTRUCTION OR REMODELING; LEGISLATIVE NOTICE AND REVIEW.

Subdivision 1. Definition. As used in this section, "residential construction" means the new construction or remodeling of any building subject to the Minnesota Residential Code.

Subd. 2. Impact on housing cost; agency determination. An agency must determine if implementation of a proposed rule, or any portion of a proposed rule, will, on average, increase the cost of residential construction or remodeling by $1,000 or more per unit. The agency must make this determination before the close of the hearing record, or before the agency submits the record to the administrative law judge if there is no hearing. The administrative law judge must review and approve or disapprove an agency's determination under this subdivision.

Subd. 3. Notice to legislature; legislative approval. (a) If the agency determines that the impact of a proposed rule meets or exceeds the cost threshold provided in subdivision 2, or if the administrative law judge disapproves the agency's determination that the impact does not meet or exceed that threshold, the agency must notify, in writing, the chairs and ranking minority members of the policy committees of the house of representatives and the senate with jurisdiction over the subject matter of the proposed rule within ten days of the determination or disapproval.

(b) If a committee of either the house of representatives or senate with jurisdiction over the subject matter of the proposed rule votes to advise an agency that the rule should not be adopted as proposed, the agency may not adopt the rule unless the rule is approved by a law enacted after the vote of the committee. Section 14.126, subdivision 2, applies to a vote of a committee under this subdivision.

Subd. 4. Severability. If the agency or an administrative law judge determines that part of a proposed rule meets or exceeds the threshold provided in subdivision 2, but that a severable portion of the proposed rule does not meet or exceed that threshold, the agency may proceed to adopt the severable portions of the proposed rule regardless of whether a legislative committee vote is conducted under subdivision 3.

EFFECTIVE DATE. This section is effective August 1, 2017, and applies to administrative rules proposed on or after that date.

Sec. 2. Minnesota Statutes 2016, section 462.355, subdivision 4, is amended to read:

Subd. 4. Interim ordinance. (a) If a municipality is conducting studies or has authorized a study to be conducted or has held or has scheduled a hearing for the purpose of considering adoption or amendment of a comprehensive plan or official controls as defined in section 462.352, subdivision 15, or if new territory for which plans or controls have not been adopted is annexed to a municipality, the governing body of the municipality may adopt an interim ordinance applicable to all or part of its jurisdiction for the purpose of protecting the planning process and the health, safety and welfare of its citizens. The interim ordinance may regulate, restrict, or prohibit any use, development, or subdivision within the jurisdiction or a portion thereof for a period not to exceed one year from the date it is effective.
(b) If a proposed interim ordinance purports to regulate, restrict, or prohibit activities relating to livestock production, a public hearing must be held following a ten-day notice given by publication in a newspaper of general circulation in the municipality before the interim ordinance takes effect.

(c)(1) A statutory or home rule charter city may adopt an interim ordinance that regulates, restricts, or prohibits a housing proposal only if the ordinance is approved by at least two-thirds of city council members present.

(2) Before adopting the interim ordinance, the city council must hold a public hearing after providing written notice to any person who has submitted written information to the city regarding a housing proposal that is potentially affected by the proposed interim ordinance. The written notice must be provided at least three business days before the public hearing. Notice also must be posted on the city's official Web site, if the city has an official Web site.

(3) The date of the public hearing shall be the earlier of the next regularly scheduled city council meeting after the notice period or within ten days of the notice.

(4) The activities proposed to be restricted by the proposed interim ordinance may not be undertaken before the public hearing.

(5) For the purposes of this paragraph, "housing proposal" means a written request for city approval of a project intended primarily to provide residential dwellings, either single family or multi-family, and involves the subdivision or development of land or the demolition, construction, reconstruction, alteration, repair, or occupancy of residential dwellings.

(d) The period of an interim ordinance applicable to an area that is affected by a city's master plan for a municipal airport may be extended for such additional periods as the municipality may deem appropriate, not exceeding a total additional period of 18 months. In all other cases, no interim ordinance may halt, delay, or impede a subdivision that has been given preliminary approval, nor may any interim ordinance extend the time deadline for agency action set forth in section 15.99 with respect to any application filed prior to the effective date of the interim ordinance. The governing body of the municipality may extend the interim ordinance after a public hearing and written findings have been adopted based upon one or more of the conditions in clause (1), (2), or (3). The public hearing must be held at least 15 days but not more than 30 days before the expiration of the interim ordinance, and notice of the hearing must be published at least ten days before the hearing. The interim ordinance may be extended for the following conditions and durations, but, except as provided in clause (3), an interim ordinance may not be extended more than an additional 18 months:

(1) up to an additional 120 days following the receipt of the final approval or review by a federal, state, or metropolitan agency when the approval is required by law and the review or approval has not been completed and received by the municipality at least 30 days before the expiration of the interim ordinance;

(2) up to an additional 120 days following the completion of any other process required by a state statute, federal law, or court order, when the process is not completed at least 30 days before the expiration of the interim ordinance; or

(3) up to an additional one year if the municipality has not adopted a comprehensive plan under this section at the time the interim ordinance is enacted.

EFFECTIVE DATE. This section is effective for interim ordinances proposed on or after August 1, 2017.
Sec. 3. Minnesota Statutes 2016, section 462A.201, subdivision 2, is amended to read:

Subd. 2. **Low-income housing.** (a) The agency may use money from the housing trust fund account to provide loans or grants for:

1. projects for the development, construction, acquisition, preservation, and rehabilitation of low-income rental and limited equity cooperative housing units, including temporary and transitional housing;

2. the costs of operating rental housing, as determined by the agency, that are unique to the operation of low-income rental housing or supportive housing; and

3. rental assistance, either project-based or tenant-based; and

4. rental assistance to secure stable housing for families with children, or unaccompanied homeless youth, eligible for enrollment in a prekindergarten through grade 12 academic program.

For purposes of this section, "transitional housing" has the meaning given by the United States Department of Housing and Urban Development. Loans or grants for residential housing for migrant farmworkers may be made under this section.

(b) The housing trust fund account must be used for the benefit of persons and families whose income, at the time of initial occupancy, does not exceed 60 percent of median income as determined by the United States Department of Housing and Urban Development for the metropolitan area. At least 75 percent of the funds in the housing trust fund account must be used for the benefit of persons and families whose income, at the time of initial occupancy, does not exceed 30 percent of the median family income for the metropolitan area as defined in section 473.121, subdivision 2. For purposes of this section, a household with a housing assistance voucher under Section 8 of the United States Housing Act of 1937, as amended, is deemed to meet the income requirements of this section.

The median family income may be adjusted for families of five or more.

(c) Rental assistance under this section must be provided by governmental units which administer housing assistance supplements or by for-profit or nonprofit organizations experienced in housing management. Rental assistance shall be limited to households whose income at the time of initial receipt of rental assistance does not exceed 60 percent of median income, as determined by the United States Department of Housing and Urban Development for the metropolitan area. Priority among comparable applications for tenant-based rental assistance will be given to proposals that will serve households whose income at the time of initial application for rental assistance does not exceed 30 percent of median income, as determined by the United States Department of Housing and Urban Development for the metropolitan area. Rental assistance must be terminated when it is determined that 30 percent of a household's monthly income for four consecutive months equals or exceeds the market rent for the unit in which the household resides plus utilities for which the tenant is responsible. Rental assistance may only be used for rental housing units that meet the housing maintenance code of the local unit of government in which the unit is located, if such a code has been adopted, or the housing quality standards adopted by the United States Department of Housing and Urban Development, if no local housing maintenance code has been adopted.

(d) In making the loans or grants, the agency shall determine the terms and conditions of repayment and the appropriate security, if any, should repayment be required. To promote the geographic distribution of grants and loans, the agency may designate a portion of the grant or loan awards to be set aside for projects located in specified congressional districts or other geographical regions specified by the agency. The agency may adopt rules for awarding grants and loans under this subdivision.
Sec. 4. Minnesota Statutes 2016, section 462A.204, subdivision 8, is amended to read:

Subd. 8. School stability. (a) The agency in consultation with the Interagency Task Force Council on Homelessness may establish a school stability project under the family homeless prevention and assistance program. The purpose of the project is to secure stable housing for families with school-age children who have moved frequently and for unaccompanied youth. For purposes of this subdivision, "unaccompanied youth" are minors who are leaving foster care or juvenile correctional facilities, or minors who meet the definition of a child in need of services or protection under section 260C.007, subdivision 6, but for whom no court finding has been made pursuant to that statute.

(2) targeting of unaccompanied youth in need of an alternative residential setting;

(3) connecting families with the social services necessary to maintain the families' stability in their home; and

(4) one or more of the following:

(i) provision of rental assistance for a specified period of time, which may exceed 24 months; or

(ii) development of permanent supportive housing or transitional housing provision of support and case management services to improve housing stability, including but not limited to housing navigation and family outreach.

(d) Notwithstanding subdivision 2, grants under this section may be used to acquire, rehabilitate, or construct transitional or permanent housing. In selecting projects for funding under this subdivision, preference shall be given to organizations granted funding under section 462A.201, subdivision 2, paragraph (a), clause (4), and groups working in collaboration with such organizations.

(e) Each grantee under the project must include representatives of the local school district or targeted schools, or both, and of the local community correction agencies on its advisory committee. No grantee under this subdivision is required to have an advisory committee as described in subdivision 6.

Sec. 10. [474A.22] WORKFORCE HOUSING, TAX-EXEMPT BONDING ALLOCATION.

Subdivision 1. Definitions. In addition to the definitions in section 474A.02, for the purposes of this section, the following terms have the meanings given them:

(1) "aggregate bond limitation" means 55 percent of the reasonably expected aggregate basis of the project and the land on which the project is located;

(2) "AMI" means the area median income as published by the Department of Housing and Urban Development, adjusted for household size; and

(3) "workforce housing" means a multifamily housing project in which, for a period of at least 15 years following completion, at least 80 percent of rental units are occupied or held for occupancy by persons or families whose adjusted income does not exceed 60 percent of AMI and at least 80 percent of rental units in the project are rent restricted in an amount of 30 percent to 60 percent of AMI.

Subd. 2. No single-family set aside for two years. Notwithstanding section 474A.03, subdivision 1, clause (2), the commissioner of management and budget shall not set aside any of the housing pool for single-family housing programs prior to December 31, 2019.
Subd. 3. **Additional application requirements.** In addition to any other application requirements for an allocation under sections 474A.061, subdivision 1, and 474A.091, subdivision 2, for a residential rental project, an applicant must provide a statement as to:

(1) whether the project owner intends to apply for and receive low-income housing tax credits for the project under section 42 of the Internal Revenue Code of 1986, as amended, from the applicable allocating agency;

(2) whether the proposed residential rental project meets the definition of workforce housing; and

(3) whether the aggregate of the amount of tax-exempt bonds previously allocated to a project under section 474A.061 or 474A.091, if any, and the amount of bonds requested in the application for that same project exceeds the aggregate bond limitation.

Subd. 4. **Re-prioritized housing pool allocations.** Notwithstanding section 474A.061, subdivision 2a, paragraph (a), commencing on the second Tuesday in January and continuing on each Monday through July 15, the commissioner shall allocate available bonding authority from the housing pool to applications received on or before the Monday of the preceding week for residential rental projects that meet the eligibility criteria under section 474A.047, and after the second Tuesday in January through July 15, for single-family housing programs. Allocations of available bonding authority from the housing pool for eligible uses shall be awarded in the following order of priority:

(1) residential rental projects that preserve existing federally subsidized housing and the aggregate amount of bonds requested in the application and any previous allocation of bonds do not exceed the aggregate bond limitation;

(2) residential rental projects that:

(i) intend to apply for and receive low-income housing tax credits under section 42 of the Internal Revenue Code and meet the definition of workforce housing; and

(ii) the aggregate amount of bonds requested in the application and any previous allocation of bonds to the project do not exceed the aggregate bond limitation;

(3) other residential rental projects that intend to apply for and receive low-income housing tax credits under section 42 of the Internal Revenue Code;

(4) single-family housing programs described in section 474A.061, subdivision 2a, paragraph (b); and

(5) other residential rental projects.

If there are two or more applications for residential rental projects from the housing pool with equal priority and there is insufficient bonding authority to provide allocations for all residential rental projects in any one allocation period, the available bonding authority shall be awarded by lot including a partial allocation until all remaining bonding authority is allocated unless otherwise agreed to by the respective issuers. If a residential rental project receives some, but less than the requested amount of allocation contained in its application, and the project applies in the future to the housing pool for additional allocation of bonds, the project shall be fully funded up to its original application request for bonding authority before any new project, applying in the same allocation period, that has an equal priority shall receive bonding authority. If an issuer that receives an allocation under this paragraph does not issue obligations equal to all or a portion of the allocation received within 120 days of the allocation or returns the allocation to the commissioner, the amount of the allocation is canceled and returned for reallocation through the housing pool or to the unified pool after July 15.

(b) Subject to paragraph (a), the commissioner shall otherwise follow the provisions of section 474A.061.
Subd. 5. **Re-prioritized unified pool allocation.** (a) Notwithstanding section 474A.091, subdivision 3, paragraph (f), if there are two or more applications for residential rental projects from the unified pool and there is insufficient bonding authority to provide allocations for all residential rental projects in any one allocation period, the available bonding authority shall be awarded in the following order of priority:

(1) residential rental projects that preserve existing federally subsidized housing and the aggregate amount of bonds requested in the application and any previous allocation of bonds do not exceed the aggregate bond limitation;

(2) residential rental projects that:

(i) intend to apply for and receive low-income housing tax credits under section 42 of the Internal Revenue Code and meet the definition of workforce housing; and

(ii) the aggregate amount of bonds requested in the application and any previous allocation of bonds to that same project do not exceed the aggregate bond limitation;

(3) other residential rental projects that intend to apply for and receive low-income housing tax credits under section 42 of the Internal Revenue Code; and

(4) other residential rental projects.

If there are two or more applications for residential rental projects from the unified pool with equal priority and there is insufficient bonding authority to provide allocations for all residential rental projects in any one allocation period, the available bonding authority shall be awarded by lot including a partial allocation until all remaining bonding authority is allocated unless otherwise agreed to by the respective issuers.

(14) terroristic threats under section 609.713;

(15) felony stalking under section 609.749, subdivision 4; or

(16) domestic assault by strangulation under section 609.2247.

Sec. 16. Minnesota Statutes 2016, section 549.09, subdivision 1, is amended to read:

Subdivision 1. When owed; rate. (a) When a judgment or award is for the recovery of money, including a judgment for the recovery of taxes, interest from the time of the verdict, award, or report until judgment is finally entered shall be computed by the court administrator or arbitrator as provided in paragraph (c), clause (1), regardless of the amount and added to the judgment or award.

(b) Except as otherwise provided by contract or allowed by law, preverdict, preaward, or prereport interest on pecuniary damages shall be computed as provided in paragraph (c), clause (1), regardless of the amount from the time of the commencement of the action or a demand for arbitration, or the time of a written notice of claim, whichever occurs first, except as provided herein. The action must be commenced within two years of a written notice of claim for interest to begin to accrue from the time of the notice of claim. If either party serves a written offer of settlement, the other party may serve a written acceptance or a written counteroffer within 30 days. After that time, interest on the judgment or award shall be calculated by the judge or arbitrator in the following manner. The prevailing party shall receive interest on any judgment or award from the time of commencement of the action or a demand for arbitration, or the time of a written notice of claim, or as to special damages from the time when special damages were incurred, if later, until the time of verdict, award, or report only if the amount of its offer is closer to the judgment or award than the amount of the opposing party's offer. If the amount of the losing party's offer was closer to the judgment or award than the prevailing party's offer, the prevailing party shall receive interest only on the amount of the settlement offer or the judgment or award, whichever is less, and only from the time of commencement of the action or a demand for arbitration, or the time of a written notice of claim, or as to special damages from when the special damages were incurred, if later, until the time the settlement offer was made. Subsequent offers and counteroffers supersede the legal effect of earlier offers and counteroffers. For the purposes of clause (2), the amount of settlement offer must be allocated between past and future damages in the same proportion as determined by the trier of fact. Except as otherwise provided by contract or allowed by law, preverdict, preaward, or prereport interest shall not be awarded on the following:
(1) judgments, awards, or benefits in workers' compensation cases, but not including third-party actions;

(2) judgments or awards for future damages;

(3) punitive damages, fines, or other damages that are noncompensatory in nature;

(4) judgments or awards not in excess of the amount specified in section 491A.01; and

(5) that portion of any verdict, award, or report which is founded upon interest, or costs, disbursements, attorney fees, or other similar items added by the court or arbitrator.

(c)(1)(i) For interest that accrues before a judgment is final, a judgment or award of $50,000 or less, or a judgment or award for or against the state or a political subdivision of the state, regardless of the amount, or a judgment or award in a family court action, regardless of the amount, the interest shall be computed as simple interest per annum. The rate of interest shall be based on the secondary market yield of one year United States Treasury bills, calculated on a bank discount basis as provided in this section.

On or before the 20th day of December of each year the state court administrator shall determine the rate from the one-year constant maturity treasury yield for the most recent calendar month, reported on a monthly basis in the latest statistical release of the board of governors of the Federal Reserve System. This yield, rounded to the nearest one percent, or four percent, whichever is greater, shall be the annual interest rate during the succeeding calendar year. The state court administrator shall communicate the interest rates to the court administrators and sheriffs for use in computing the interest on verdicts and shall make the interest rates available to arbitrators.

This item applies to any section that references section 549.09 by citation for the purposes of computing an interest rate on any amount owed to or by the state or a political subdivision of the state, regardless of the amount.

(ii) The court, in a family court action, may order a lower interest rate or no interest rate if the parties agree or if the court makes findings explaining why application of a lower interest rate or no interest rate is necessary to avoid causing an unfair hardship to the debtor. This item does not apply to child support or spousal maintenance judgments subject to section 548.091.

(2) For a judgment or award over $50,000, other than a judgment or award for or against the state or a political subdivision of the state or a judgment or award in a family court action, the interest rate shall be ten percent per year until paid.

(3) When a judgment creditor, or the judgment creditor's attorney or agent, has received a payment after entry of judgment, whether the payment is made voluntarily by or on behalf of the judgment debtor, or is collected by legal process other than execution levy where a proper return has been filed with the court administrator, the judgment creditor, or the judgment creditor's attorney, before applying to the court administrator for an execution shall file with the court administrator an affidavit of partial satisfaction. The affidavit must state the dates and amounts of payments made upon the judgment after the most recent affidavit of partial satisfaction filed, if any; the part of each payment that is applied to taxable disbursements and to accrued interest and to the unpaid principal balance of the judgment; and the accrued, but the unpaid interest owing, if any, after application of each payment.

(d) This section does not apply to arbitrations between employers and employees under chapter 179 or 179A. An arbitrator is neither required to nor prohibited from awarding interest under chapter 179 or under section 179A.16 for essential employees.
(e) For purposes of this subdivision:

(1) "state" includes a department, board, agency, commission, court, or other entity in the executive, legislative, or judicial branch of the state; and

(2) "political subdivision" includes a town, statutory or home rule charter city, county, school district, or any other political subdivision of the state.

(f) This section does not apply to a judgment or award upon which interest is entitled to be recovered under section 60A.0811.

EFFECTIVE DATE. This section is effective August 1, 2017, and applies to judgments and awards entered on or after that date.

Sec. 17. Minnesota Statutes 2016, section 609.48, is amended by adding a subdivision to read:

Subd. 5. Venue. A violation of subdivision 1, clause (4), may be prosecuted in the county where the statement, under penalty of perjury, was signed, or the county of the district court in which the statement was filed.

Sec. 18. Minnesota Statutes 2016, section 609.748, subdivision 4, is amended to read:

Subd. 4. Temporary restraining order; relief by court. (a) The court may issue a temporary restraining order that provides any or all of the following:

(1) orders the respondent to cease or avoid the harassment of another person; or

(2) orders the respondent to have no contact with another person.

(b) The court may issue an order under paragraph (a) if the petitioner files a petition in compliance with subdivision 3 and if the court finds reasonable grounds to believe that the respondent has engaged in harassment. When a petition alleges harassment as defined by subdivision 1, paragraph (a), clause (1), the petition must further allege an immediate and present danger of harassment before the court may issue a temporary restraining order under this section. When signed by a referee, the temporary order becomes effective upon the referee's signature.

(c) Notice need not be given to the respondent before the court issues a temporary restraining order under this subdivision. A copy of the restraining order must be served on the respondent along with the order for hearing and petition, as provided in subdivision 3. If the respondent is a juvenile, whenever possible, a copy of the restraining order, along with notice of the pendency of the case and the time and place of the hearing, shall also be served by mail at the last known address upon any parent or guardian of the juvenile respondent who is not the petitioner. A temporary restraining order may be entered only against the respondent named in the petition.

(d) The temporary restraining order is in effect until a hearing is held on the issuance of a restraining order under subdivision 5. The court shall hold the hearing on the issuance of a restraining order if the petitioner requests a hearing. The hearing may be continued by the court upon a showing that the respondent has not been served with a copy of the temporary restraining order despite the exercise of due diligence or if service is made by published notice under subdivision 3 and the petitioner files the affidavit required under that subdivision.

(e) If the temporary restraining order has been issued and the respondent requests a hearing, the hearing shall be scheduled by the court upon receipt of the respondent's request. Service of the notice of hearing must be made upon the petitioner not less than five days prior to the hearing. The court shall serve the notice of the hearing upon the petitioner by mail in the manner provided in the Rules of Civil Procedure for pleadings subsequent to a complaint.
and motions and shall also mail notice of the date and time of the hearing to the respondent. In the event that service cannot be completed in time to give the respondent or petitioner the minimum notice required under this subdivision, the court may set a new hearing date.

(f) A request for a hearing under this subdivision must be made within 45 days after the temporary restraining order is issued of the date of completed service of the petition.

Sec. 2. Minnesota Statutes 2016, section 241.01, subdivision 3a, is amended to read:

Subd. 3a. **Commissioner, powers and duties.** The commissioner of corrections has the following powers and duties:
(a) To accept persons committed to the commissioner by the courts of this state for care, custody, and rehabilitation.

(b) To determine the place of confinement of committed persons in a correctional facility or other facility of the Department of Corrections, or a nonpublicly owned facility, and to prescribe reasonable conditions and rules for their employment, conduct, instruction, and discipline within or outside the facility. Inmates shall not exercise custodial functions or have authority over other inmates.

(c) To administer the money and property of the department.

(d) To administer, maintain, and inspect all state correctional facilities.

(e) To transfer authorized positions and personnel between state correctional facilities as necessary to properly staff facilities and programs.

(f) To utilize state correctional facilities in the manner deemed to be most efficient and beneficial to accomplish the purposes of this section, but not to close the Minnesota Correctional Facility-Stillwater or the Minnesota Correctional Facility-St. Cloud without legislative approval. The commissioner may place juveniles and adults at the same state minimum security correctional facilities, if there is total separation of and no regular contact between juveniles and adults, except contact incidental to admission, classification, and mental and physical health care.

(g) To organize the department and employ personnel the commissioner deems necessary to discharge the functions of the department, including a chief executive officer for each facility under the commissioner's control who shall serve in the unclassified civil service and may, under the provisions of section 43A.33, be removed only for cause.

(h) To define the duties of these employees and to delegate to them any of the commissioner's powers, duties and responsibilities, subject to the commissioner's control and the conditions the commissioner prescribes.

(i) To annually develop a comprehensive set of goals and objectives designed to clearly establish the priorities of the Department of Corrections. This report shall be submitted to the governor commencing January 1, 1976. The commissioner may establish ad hoc advisory committees.

(j) At such time that the commissioner determines that the department has an insufficient number of prison beds to house the current or projected prison population and needs to expand an existing facility or build a new facility, the commissioner shall enter into a contract either to purchase and operate or to lease-to-own and operate an existing prison facility located in Appleton, Minnesota. The commissioner shall attempt to conclude negotiations within 12 months of the date the commissioner determines the need for additional beds. The contract negotiated must be approved by the legislature before its final execution. All employees who supervise inmates at the facility must be state employees.

Sec. 3. Minnesota Statutes 2016, section 243.05, subdivision 1, is amended to read:

Subdivision 1. **Conditional release.** (a) The commissioner of corrections may parole any person sentenced to confinement in any state correctional facility for adults under the control of the commissioner of corrections, provided that:

(1) no inmate serving a life sentence for committing murder before May 1, 1980, other than murder committed in violation of clause (1) of section 609.185 who has not been previously convicted of a felony shall be paroled without having served 20 years, less the diminution that would have been allowed for good conduct had the sentence been for 20 years;
(2) no inmate serving a life sentence for committing murder before May 1, 1980, who has been previously convicted of a felony or though not previously convicted of a felony is serving a life sentence for murder in the first degree committed in violation of clause (1) of section 609.185 shall be paroled without having served 25 years, less the diminution which would have been allowed for good conduct had the sentence been for 25 years;

(3) any inmate sentenced prior to September 1, 1963, who would be eligible for parole had the inmate been sentenced after September 1, 1963, shall be eligible for parole; and

(4) any new rule or policy or change of rule or policy adopted by the commissioner of corrections which has the effect of postponing eligibility for parole has prospective effect only and applies only with respect to persons committing offenses after the effective date of the new rule or policy or change.

(b) Upon being paroled and released, an inmate is and remains in the legal custody and under the control of the commissioner, subject at any time to be returned to a facility of the Department of Corrections established by law for the confinement or treatment of convicted persons and the parole rescinded by the commissioner.

(c) The written order of the commissioner of corrections, is sufficient authority for any peace officer, state correctional investigator, or state parole and probation agent to retake and place in actual custody any person on parole or supervised release. In addition, when it appears necessary in order to prevent escape or enforce discipline, any state parole and probation agent or state correctional investigator may, without order of warrant, take and detain a parolee or person on supervised release or work release and bring the person to the commissioner for action.

(d) The written order of the commissioner of corrections is sufficient authority for any peace officer, state correctional investigator, or state parole and probation agent to retake and place in actual custody any person on probation under the supervision of the commissioner pursuant to section 609.135. Additionally, when it appears necessary in order to prevent escape or enforce discipline, any state parole and probation agent or state correctional investigator may, without order, retake and detain a probationer and bring the probationer before the court for further proceedings under section 609.14.

(e) The written order of the commissioner of corrections is sufficient authority for any peace officer, state correctional investigator, or state parole and probation agent to detain any person on pretrial release who absconds from pretrial release or fails to abide by the conditions of pretrial release.

(f) Persons conditionally released, and those on probation under the supervision of the commissioner of corrections pursuant to section 609.135 may be placed within or outside the boundaries of the state at the discretion of the commissioner of corrections or the court, and the limits fixed for these persons may be enlarged or reduced according to their conduct.

(g) Except as otherwise provided in subdivision 1b, in considering applications for conditional release or discharge, the commissioner is not required to hear oral argument from any attorney or other person not connected with an adult correctional facility of the Department of Corrections in favor of or against the parole or release of any inmates. The commissioner may institute inquiries by correspondence, taking testimony, or otherwise, as to the previous history, physical or mental condition, and character of the inmate and, to that end, has the authority to require the attendance of the chief executive officer of any state adult correctional facility and the production of the records of these facilities, and to compel the attendance of witnesses. The commissioner is authorized to administer oaths to witnesses for these purposes.

(h) Unless the district court directs otherwise, state parole and probation agents may require a person who is under the supervision of the commissioner of corrections to perform community work service for violating a condition of probation imposed by the court. Community work service may be imposed for the purpose of protecting the public, to aid the offender's rehabilitation, or both. Agents may impose up to eight hours of
community work service for each violation and up to a total of 24 hours per offender per 12-month period, beginning with the date on which community work service is first imposed. The commissioner may authorize an additional 40 hours of community work services, for a total of 64 hours per offender per 12-month period, beginning with the date on which community work service is first imposed. At the time community work service is imposed, parole and probation agents are required to provide written notice to the offender that states:

(1) the condition of probation that has been violated;

(2) the number of hours of community work service imposed for the violation; and

(3) the total number of hours of community work service imposed to date in the 12-month period.

An offender may challenge the imposition of community work service by filing a petition in district court. An offender must file the petition within five days of receiving written notice that community work service is being imposed. If the offender challenges the imposition of community work service, the state bears the burden of showing, by a preponderance of the evidence, that the imposition of community work service is reasonable under the circumstances.

Community work service includes sentencing to service.

(i) Prior to revoking a nonviolent controlled substance offender's parole or probation based on a technical violation, when the offender does not present a risk to the public and the offender is amenable to continued supervision in the community, a parole or probation agent must identify community options to address and correct the violation including, but not limited to, inpatient chemical dependency treatment. If a probation or parole agent determines that community options are appropriate, the agent shall seek to restructure the offender's terms of release to incorporate those options. If an offender on probation stipulates in writing to restructure the terms of release, a probation agent must forward a report to the district court containing:

(1) the specific nature of the technical violation of probation;

(2) the recommended restructuring to the terms of probation; and

(3) a copy of the offender's signed stipulation indicating that the offender consents to the restructuring of probation.

The recommended restructuring of probation becomes effective when confirmed by a judge. The order of the court shall be proof of such confirmation and amend the terms of the sentence imposed by the court under section 609.135. If a nonviolent controlled substance offender's parole or probation is revoked, the offender's agent must first attempt to place the offender in a local jail. For purposes of this paragraph, "nonviolent controlled substance offender" is a person who meets the criteria described under section 244.0513, subdivision 2, clauses (1), (2), and (5), and "technical violation" has the meaning given in section 244.196, subdivision 6.

Sec. 4. Minnesota Statutes 2016, section 243.17, subdivision 1, is amended to read:

Subdivision 1. **Allowed expenses.** The necessary expenses of sheriffs and other peace officers, commissioner of management and budget shall pay out of the state treasury to the commissioner of corrections each fiscal year the amount necessary to offset expenses incurred in conveying convicted persons and children adjudicated delinquent and committed to the custody of the commissioner of corrections to the appropriate adult or juvenile correctional facility as designated by the commissioner of corrections, including per diem and expenses of correctional officers, shall be allowed by the commissioner of management and budget and paid out of the state treasury. The commissioner of management and budget may allow and pay for the necessary expenses incurred by
the sheriff, deputy, or other peace officer in going to and returning from the correctional facility and $10 per day for each correctional officer. Not more than one correctional officer shall be allowed for one prisoner, but one additional correctional officer shall be allowed for every two additional prisoners. All bills shall be in writing, fully itemized, verified, and accompanied by the receipt of the chief executive officer of the facility for the delivery of the convicted or adjudicated persons, in a form prescribed by the commissioner of management and budget. The total amount of payments shall not exceed $500,000 each fiscal year. Payments shall be made one or two times each fiscal year based on a fee schedule agreed to by the Department of Corrections and the Minnesota Sheriffs' Association.

Sec. 5. [243.521] ADMINISTRATIVE AND DISCIPLINARY SEGREGATION.

Subdivision 1. Authorization. In any adult correctional facility under the control of the commissioner of corrections, the commissioner may require an inmate to be placed in disciplinary segregation for rule violations involving use of a weapon or infliction of bodily harm, escape, or a major rule violation, or in administrative segregation for the safety of the inmate or others, subject to the requirements of this section.

Subd. 2. Conditions in segregated housing. The segregation unit shall provide regular meals, furnished cells, appropriate reading materials, limited recreational facilities, at least five hours a week out of cell unless safety and security dictate otherwise, reduced lighting during the nighttime hours, rights of communication and visitation by those properly authorized, and other privileges as may be established by the commissioner.

Subd. 3. Review of disciplinary segregation status. An inmate who serves 15 days in disciplinary segregation shall have the inmate's segregation status reviewed at that time by the warden of the institution and every 15 days thereafter. An inmate who serves 60 days in disciplinary segregation shall have the inmate's segregation status reviewed at that time by the commissioner of corrections, or a deputy or assistant commissioner, and every 30 days thereafter.

Subd. 4. Graduated disciplinary sanctions. The commissioner shall design and implement a graduated scale of responses to infractions, including reprimands, loss of privileges, and restriction of motion within the institution, so that the use of disciplinary segregation is reserved for the most serious and persistent infractions.

Subd. 5. Discharge from segregated housing. (a) The commissioner shall not release an inmate to the community directly from segregated housing. A segregated inmate must serve at least 30 days in the general population prior to the inmate's release to the community, absent a documented, compelling safety reason, approved by the warden.

(b) An inmate who is being released from segregated housing to the general population after serving in that status for 30 days or more shall have the transfer reviewed and approved by a mental health professional prior to returning to the general population.

Subd. 6. Reporting. By January 15, 2018, and by January 15 each year thereafter, the commissioner of corrections shall report to the chairs and ranking minority members of the house of representatives and senate committees with jurisdiction over public safety and judiciary on the status of the implementation of the provisions in this section. This report shall include, but not be limited to, data regarding:

(1) the number of inmates in each institution placed in segregation during the past year;

(2) the ages of inmates placed in segregation during the past year;

(3) the number of inmates transferred from segregation to the mental health treatment unit;
(4) the nature of the infractions leading to the use of segregation;

(5) the lengths of terms served in segregation, including terms served consecutively; and

(6) any incidents of inmates not receiving at least five hours a week out of cell.

Sec. 6. Minnesota Statutes 2016, section 244.05, subdivision 3, is amended to read:

Subd. 3. **Sanctions for violation.** If an inmate violates the conditions of the inmate's supervised release imposed by the commissioner, the commissioner may:

(1) continue the inmate's supervised release term, with or without modifying or enlarging the conditions imposed on the inmate; or

(2) revoke the inmate's supervised release and reimprison the inmate for the appropriate period of time.

Prior to revoking a nonviolent controlled substance offender's supervised release based on a technical violation, when the offender does not present a risk to the public and the offender is amenable to continued supervision in the community, the commissioner must identify community options to address and correct the violation including, but not limited to, inpatient chemical dependency treatment. If the commissioner determines that community options are appropriate, the commissioner shall restructure the inmate's terms of release to incorporate those options. If a nonviolent controlled substance offender's supervised release is revoked, the offender's agent must first attempt to place the offender in a local jail. For purposes of this subdivision, "nonviolent controlled substance offender" is a person who meets the criteria described under section 244.0513, subdivision 2, clauses (1), (2), and (5), and "technical violation" has the meaning given in section 244.196, subdivision 6.

The period of time for which a supervised release may be revoked may not exceed the period of time remaining in the inmate's sentence, except that if a sex offender is sentenced and conditionally released under Minnesota Statutes 2004, section 609.108, subdivision 5, the period of time for which conditional release may be revoked may not exceed the balance of the conditional release term.

Sec. 7. Minnesota Statutes 2016, section 244.09, subdivision 11, is amended to read:

Subd. 11. **Modification.** The commission shall meet as necessary for the purpose of modifying and improving the guidelines. Any modification which amends the Sentencing Guidelines grid, including severity levels and criminal history scores, or which would result in the reduction of any sentence or in the early release of any inmate, with the exception of a modification mandated or authorized by the legislature or relating to a crime created or amended by the legislature in the preceding session, shall be submitted to the legislature by January 15 of any year in which the commission wishes to make the change and shall be, if approved by the legislature by law, becomes effective on August 1 of that year, unless the legislature by law provides otherwise. All other modifications shall take effect according to the procedural rules of the commission. On or before January 15 of each year, the commission shall submit a written report to the committees of the senate and the house of representatives with jurisdiction over criminal justice policy that identifies and explains all modifications made during the preceding 12 months and all proposed modifications that are being submitted to the legislature that year.

**EFFECTIVE DATE.** This section is effective the day following final enactment and applies to any pending or future proposed modifications.
Sec. 8. Minnesota Statutes 2016, section 244.198, is amended by adding a subdivision to read:

Subd. 1a. **Alternatives to incarceration.** At a sanctions conference regarding a nonviolent controlled substance offender, when the offender does not present a risk to the public and the offender is amenable to continued supervision in the community, a probation agency must identify community options to address and correct the violation including, but not limited to, inpatient chemical dependency treatment. If the agency determines that community options are appropriate, the county probation officer shall recommend a sanction that incorporates those options. For purposes of this subdivision, "nonviolent controlled substance offender" is a person who meets the criteria described under section 244.0513, subdivision 2, clauses (1), (2), and (5).

Sec. 9. Minnesota Statutes 2016, section 609.14, is amended by adding a subdivision to read:

Sec. 10. **ALTERNATIVES TO INCARCERATION PILOT PROGRAM FUND.**

(a) Agencies providing supervision to offenders on probation, parole, or supervised release are eligible for grants to facilitate access to community options including, but not limited to, inpatient chemical dependency treatment for nonviolent controlled substance offenders to address and correct behavior that is, or is likely to result in, a technical violation of the conditions of release. For purposes of this section, "nonviolent controlled substance offender" is a person who meets the criteria described under Minnesota Statutes, section 244.0513, subdivision 2, clauses (1), (2), and (5), and "technical violation" has the meaning given in Minnesota Statutes, section 244.196, subdivision 6.

(b) The Department of Corrections shall establish criteria for selecting grant recipients and the amount awarded to each grant recipient.

(c) By January 15, 2019, the commissioner of corrections shall submit a report to the chairs of the house of representatives and senate committees with jurisdiction over public safety policy and finance. At a minimum, the report must include:

If the individual returns to the diversion program within the five-year period, the retained fees may be applied to the subsequent diversion program participation. The petition shall be accompanied by an affidavit made under oath stating the specific facts and circumstances from which relief is sought. The court shall provide simplified forms and clerical assistance to help with the writing and filing of a petition under this section and shall advise the petitioner of the right to sue in forma pauperis under section 563.01. The court shall advise the petitioner of the right to request a hearing. Personal service must be made upon the respondent not less than five days before the hearing. If personal service cannot be completed in time to give the respondent the minimum notice required under this paragraph, the court may set a new hearing date. Nothing in this section shall be construed as requiring a hearing on a matter that has no merit.

(b) Notwithstanding paragraph (a), the order for a hearing and a temporary order issued under subdivision 4 may be served on the respondent by means of a one-week published notice under section 645.11, if:

(1) the petitioner files an affidavit with the court stating that an attempt at personal service made by a sheriff peace officer was unsuccessful because the respondent is avoiding service by concealment or otherwise; and
(2) a copy of the petition and order for hearing and any temporary restraining order has been mailed to the respondent at the respondent's residence or place of business, if the respondent is an organization, or the respondent's residence or place of business is not known to the petitioner.

(c) Regardless of the method of service, if the respondent is a juvenile, whenever possible, the court also shall have notice of the pendency of the case and of the time and place of the hearing served by mail at the last known address upon any parent or guardian of the juvenile respondent who is not the petitioner.

(d) A request for a hearing under this subdivision must be made within 20 days of service of the petition.

Sec. 16. Minnesota Statutes 2016, section 609.748, subdivision 3a, is amended to read:

Subd. 3a. Filing fee; cost of service. The filing fees for a restraining order under this section are waived for the petitioner if the petition alleges acts that would constitute a violation of section 609.749, subdivision 2, 3, 4, or 5, or sections 609.342 to 609.3451. The court administrator and the sheriff of any county any peace officer in this state shall perform their duties relating to service of process without charge to the petitioner. The court shall direct payment of the reasonable costs of service of process if served by a private process server when the sheriff a peace officer is unavailable or if service is made by publication. (b) The court may issue an order under paragraph (a) if all of the following occur:

(1) the petitioner has filed a petition under subdivision 3;

(2) the sheriff a peace officer has served respondent with a copy of the temporary restraining order obtained under subdivision 4, and with notice of the right to request a hearing, or service has been made by publication under subdivision 3, paragraph (b); and

(3) the court finds at the hearing that there are reasonable grounds to believe that the respondent has engaged in harassment.

A restraining order may be issued only against the respondent named in the petition; except that if the respondent is an organization, the order may be issued against and apply to all of the members of the organization. If the court finds that the petitioner has had two or more previous restraining orders in effect against the same respondent or the respondent has violated a prior or existing restraining order on two or more occasions, relief granted by the restraining order may be for a period of up to 50 years. In all other cases, relief granted by the restraining order must be for a fixed period of not more than two years. When a referee presides at the hearing on the petition, the restraining order becomes effective upon the referee's signature.

(c) An order issued under this subdivision must be personally served upon the respondent.
(d) If the court orders relief for a period of up to 50 years under paragraph (a), the respondent named in the restraining order may request to have the restraining order vacated or modified if the order has been in effect for at least five years and the respondent has not violated the order. Application for relief under this paragraph must be made in the county in which the restraining order was issued. Upon receipt of the request, the court shall set a hearing date. Personal service must be made upon the petitioner named in the restraining order not less than 30 days before the date of the hearing. At the hearing, the respondent named in the restraining order has the burden of proving by a preponderance of the evidence that there has been a material change in circumstances and that the reasons upon which the court relied in granting the restraining order no longer apply and are unlikely to occur. If the court finds that the respondent named in the restraining order has met the burden of proof, the court may vacate or modify the order. If the court finds that the respondent named in the restraining order has not met the burden of proof, the court shall deny the request and no request may be made to vacate or modify the restraining order until five years have elapsed from the date of denial. An order vacated or modified under this paragraph must be personally served on the petitioner named in the restraining order.

The short-form notification must be in bold print in the following form:

You are subject to arrest and may be charged with a misdemeanor, gross misdemeanor, or felony if you violate any of the terms of the restraining order or this short-form notification."

(b) Upon verification of the identity of the respondent and the existence of an unserved harassment restraining order against the respondent, a law enforcement officer may detain the respondent for a reasonable time necessary to complete and serve the short-form notification.

(c) When service is made by short-form notification, it may be proved by the affidavit of the law enforcement officer making the service.

(d) For service under this section only, service upon an individual may occur at any time, including Sundays and legal holidays.

(e) The superintendent of the Bureau of Criminal Apprehension shall provide the short form to law enforcement agencies.

**EFFECTIVE DATE.** This section is effective August 1, 2017, and applies to offenses committed on or after that date.

Sec. 16. Minnesota Statutes 2016, section 609.3455, subdivision 7, is amended to read:

Subd. 7. **Mandatory lifetime conditional release term.** (a) When a court sentences an offender under subdivision 3 or 4, the court shall provide that, if the offender is released from prison, the commissioner of corrections shall place the offender on conditional release for the remainder of the offender’s life.

(b) Notwithstanding the statutory maximum sentence otherwise applicable to the offense, when the court commits an offender to the custody of the commissioner of corrections for a felony violation of section 609.342, 609.343, 609.344, 609.345, 609.3451, or 609.3453, and the offender has a previous or prior sex offense conviction, the court shall provide that, after the offender has been released from prison, the commissioner shall place the offender on conditional release for the remainder of the offender’s life.

(c) Notwithstanding paragraph (b), an offender may not be placed on lifetime conditional release for a violation of section 609.345, unless the offender’s previous or prior sex offense conviction is for a violation of section 609.342, 609.343, 609.344, or 609.3453, or any similar statute of the United States, this state, or any other state.

**EFFECTIVE DATE.** This section is effective August 1, 2017, and applies to offenses committed on or after that date.
Sec. 17. Minnesota Statutes 2016, section 609.3455, is amended by adding a subdivision to read:

  Subd. 7a. **Lifetime probation.** Notwithstanding the statutory maximum sentence otherwise applicable to the offense and otherwise provided in section 609.135, subdivision 2, paragraph (a), when the court does not commit an offender to the commissioner of corrections for a felony violation of section 609.342, 609.343, 609.344, 609.345, 609.3451, or 609.3453, the court shall, after the offender has been released from any term of confinement imposed by the court, place the offender on probation for the remainder of the offender's life.

  **EFFECTIVE DATE.** This section is effective August 1, 2017, and applies to offenses committed on or after that date.

Sec. 18. Minnesota Statutes 2016, section 609.3455, subdivision 8, is amended to read:

Subd. 8. **Terms of conditional release; applicable to all sex offenders.** (a) The provisions of this subdivision relating to conditional release apply to all sex offenders sentenced to prison for a violation of section 609.342, 609.343, 609.344, 609.345, 609.3451, or 609.3453. Except as provided in this subdivision, conditional release of sex offenders is governed by provisions relating to supervised release. The commissioner of corrections may not dismiss an offender on conditional release from supervision until the offender's conditional release term expires.

  (b) The conditions of release may include successful completion of treatment and aftercare in a program approved by the commissioner, satisfaction of the release conditions specified in section 244.05, subdivision 6, and any other conditions the commissioner considers appropriate. The commissioner shall develop a plan to pay the cost of treatment of a person released under this subdivision. The plan may include co-payments from offenders, third-party payers, local agencies, or other funding sources as they are identified. This section does not require the commissioner to accept or retain an offender in a treatment program. Before the offender is placed on conditional release, the commissioner shall notify the sentencing court and the prosecutor in the jurisdiction where the offender was sentenced of the terms of the offender's conditional release. The commissioner also shall make reasonable efforts to notify the victim of the offender's crime of the terms of the offender's conditional release.

  (c) If the offender fails to meet any condition of release, the commissioner may revoke the offender's conditional release and order that the offender serve all or a part of the remaining portion of the conditional release term in prison. An offender, while on supervised release, is not entitled to credit against the offender's conditional release term for time served in confinement for a violation of release.

  **EFFECTIVE DATE.** This section is effective August 1, 2017, and applies to offenses committed on or after that date.

Sec. 19. Minnesota Statutes 2016, section 609.3455, is amended by adding a subdivision to read:

Subd. 8a. **Intensive probation.** (a) When the court does not commit an offender to the commissioner of corrections after a conviction for a felony violation of section 609.342, 609.343, 609.344, 609.345, 609.3451, or 609.3453, the court shall place the offender on intensive probation as provided in this subdivision.

  (b) Phase I of intensive probation is six months and begins after the offender is released from confinement, if ordered by the court. Phase II lasts for at least one-third of the time remaining in the offender's imposed sentence at the beginning of phase II. Phase III lasts for at least one-third of the time remaining in the offender's imposed sentence at the beginning of phase III. Phase IV continues until the offender's imposed sentence expires.

  (c) During phase I, the offender will be under house arrest in a residence approved by the offender's probation agent and may not move to another residence without permission. "House arrest" means that the offender's movements will be severely restricted and continually monitored by the assigned agent. During phase II, modified house arrest is imposed. During phases III and IV, the offender is subjected to a daily curfew instead of house arrest.
(d) During phase I, the assigned probation agent shall have at least four face-to-face contacts with the offender each week. During phase II, two face-to-face contacts a week are required. During phase III, one face-to-face contact a week is required. During phase IV, two face-to-face contacts a month are required. When an offender is an inmate of a jail or a resident of a facility that is staffed full time, at least one face-to-face contact a week is required.

(e) During phases I, II, III, and IV, the offender must spend at least 40 hours a week performing approved work, undertaking constructive activity designed to obtain employment, or attending a treatment or education program as directed by the agent. An offender may not spend more than six months in a residential treatment program that does not require the offender to spend at least 40 hours a week performing approved work or undertaking constructive activity designed to obtain employment.

(f) During any phase, the offender may be placed on electronic surveillance if the probation agent so directs. If electronic surveillance is directed during phase I, the court must require that the offender be kept in custody, or that the offender's probation agent or the agent's designee directly supervise the offender until electronic surveillance is activated. It is the responsibility of the offender placed on electronic surveillance to ensure that the offender's residence is properly equipped and the offender's telecommunications system is properly configured to support electronic surveillance prior to being released from custody or the direct supervision of a probation agent. It is a violation of an offender's probation to fail to comply with this paragraph.

(g) Throughout all phases of intensive probation, the offender shall submit at any time to an unannounced search of the offender's person, vehicle, computer and other devices that access the Internet or store data, or premises by a probation agent.

(h) The court may include any other conditions in the various phases of intensive probation that the court finds necessary and appropriate.

EFFECTIVE DATE. This section is effective August 1, 2017, and applies to offenses committed on or after that date.

(3) send the notification of this action to the commissioner along with the certificate required by subdivision 3 or 4.

Subd. 7. Notice of action to other states. Subd. 8. Administrative review. (a) At any time during a period of revocation imposed under this section, or a period of disqualification imposed under section 171.165 (commercial driver's license disqualification), a person may request in writing a review of the order of revocation or disqualification by the commissioner, unless the person is entitled to review under section 171.166 (review of disqualification). Upon receiving a request, the commissioner or the commissioner's designee shall review the order, the evidence upon which the order was based, and any other material information brought to the attention of the commissioner and determine whether sufficient cause exists to sustain the order. Within 15 days of receiving the request, the commissioner shall report in writing the results of the review. The review provided in this subdivision is not subject to the contested case provisions of the Administrative Procedure Act in sections 14.001 to 14.69.

(b) The availability of administrative review for an order of revocation or disqualification has no effect upon the availability of judicial review under this section.

Subd. 9. Petition for judicial review. (a) Within 60 days following receipt of a notice and order of revocation pursuant to this section, a person may petition the court for review. The petition must be filed with the district court administrator in the county where the alleged offense occurred, together with proof of service of a copy on the commissioner, and accompanied by the standard filing fee for civil actions. Responsive pleading is not required of the commissioner, and court fees must not be charged for the appearance of the commissioner in the matter.
(b) The petition must:

(1) be captioned in the full name of the person making the petition as petitioner and the commissioner as respondent;

(2) include the petitioner's date of birth and driver's license number, and the date of the offense; and

(3) state with specificity the grounds upon which the petitioner seeks rescission of the order of revocation, disqualification, or denial.

c) The filing of the petition does not stay the revocation, disqualification, or denial. The reviewing court may order a stay of the balance of the revocation or disqualification if the hearing has not been conducted within 60 days after filing the petition upon terms the court deems proper.

d) Judicial reviews must be conducted according to the Rules of Civil Procedure, except that prehearing discovery is mandatory and is limited to:

(1) the notice of revocation;

(2) the test record or, in the case of blood or urine tests, the certificate of analysis;

(3) the peace officer's certificate and any accompanying documentation submitted by the arresting officer to the commissioner; and

(4) disclosure of potential witnesses, including experts, and the basis of their testimony.

Other types of discovery are available only upon order of the court.

Subd. 10. Judicial hearing; issues, order, appeal. (a) A judicial review hearing under this section must be before a district judge in any county in the judicial district where the alleged offense occurred. The hearing is to the court and may be conducted at the same time and in the same manner as hearings upon pretrial motions in the criminal prosecution under section 169A.20 (driving while impaired), if any. The hearing must be recorded. The commissioner shall appear and be represented by the attorney general or through the prosecuting authority for the jurisdiction involved. The hearing must be held at the earliest practicable date, and in any event no later than 60 days following the filing of the petition for review. The judicial district administrator shall establish procedures to ensure efficient compliance with this subdivision. To accomplish this, the administrator may, whenever possible, consolidate and transfer review hearings among the locations within the judicial district where terms of district court are held.

(b) The scope of the hearing is limited to the issues in clauses (1) to (10):

(1) Did the peace officer have probable cause to believe the person was driving, operating, or in physical control of a motor vehicle or commercial motor vehicle in violation of section 169A.20 (driving while impaired)?

(2) Was the person lawfully placed under arrest for violation of section 169A.20?

(3) Was the person involved in a motor vehicle accident or collision resulting in property damage, personal injury, or death?

(4) Did a licensed peace officer apply for a search warrant in accordance with the requirements set forth in sections 626.04 to 626.18?
(5) Did a neutral magistrate review the application for a search warrant and determine there was probable cause to believe that the person was driving, operating, or in physical control of a motor vehicle or commercial motor vehicle in violation of section 169A.20 (driving while impaired)?

(6) Did the person refuse to permit the test?

(7) If a test was taken by a person driving, operating, or in physical control of a motor vehicle, did the test results indicate at the time of testing:

   (i) an alcohol concentration of 0.08 or more; or

   (ii) the presence of a controlled substance listed in Schedule I or II or its metabolite, other than marijuana or tetrahydrocannabinols?

(8) If a test was taken by a person driving, operating, or in physical control of a commercial motor vehicle, did the test results indicate an alcohol concentration of 0.04 or more at the time of testing?

(9) Was the testing method used valid and reliable and were the test results accurately evaluated?

(10) Did the person prove the defense of necessity?

   (c) Certified or otherwise authenticated copies of laboratory or medical personnel reports, records, documents, licenses, and certificates are admissible as substantive evidence.

   (d) The court shall order that the revocation or disqualification be either rescinded or sustained and forward the order to the commissioner. The court shall file its order within 14 days following the hearing. If the revocation or disqualification is sustained, the court shall also forward the person's driver's license or permit to the commissioner for further action by the commissioner if the license or permit is not already in the commissioner's possession.

   (e) Any party aggrieved by the decision of the reviewing court may appeal the decision as provided in the Rules of Appellate Procedure.

   (f) The civil hearing under this section shall not give rise to an estoppel on any issues arising from the same set of circumstances in any criminal prosecution.

   (g) It is an affirmative defense for the petitioner to prove a necessity.

The eligible health carrier must submit this information as part of its rate filing. The commissioner must consider this information as part of the rate review.

Sec. 4. **[62E.23] MINNESOTA PREMIUM SECURITY PLAN.**

Subdivision 1. **Administration of plan.** (a) The association is Minnesota's reinsurance entity to administer the state-based reinsurance program referred to as the Minnesota premium security plan.

(b) The association may apply for any available federal funding for the plan. All funds received by or appropriated to the association shall be deposited in the premium security plan account in section 62E.25, subdivision 1. The association shall notify the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services and insurance within ten days of receiving any federal funds.

(c) The association must collect or access data from an eligible health carrier that are necessary to determine reinsurance payments, according to the data requirements under subdivision 5, paragraph (c).

(d) The board must not use any funds allocated to the plan for staff retreats, promotional giveaways, excessive executive compensation, or promotion of federal or state legislative or regulatory changes.

(e) For each applicable benefit year, the association must notify eligible health carriers of reinsurance payments to be made for the applicable benefit year no later than June 30 of the year following the applicable benefit year.

(f) On a quarterly basis during the applicable benefit year, the association must provide each eligible health carrier with the calculation of total reinsurance payment requests.

(g) By August 15 of the year following the applicable benefit year, the association must disburse all applicable reinsurance payments to an eligible health carrier.

Subd. 2. **Payment parameters.** (a) The board must design and adjust the payment parameters to ensure the payment parameters:

(1) will stabilize or reduce premium rates in the individual market;
(2) will increase participation in the individual market;

(3) will improve access to health care providers and services for those in the individual market;

(4) mitigate the impact high-risk individuals have on premium rates in the individual market;

(5) take into account any federal funding available for the plan; and

(6) take into account the total amount available to fund the plan.

(b) The attachment point for the plan is the threshold amount for claims costs incurred by an eligible health carrier for an enrolled individual's covered benefits in a benefit year, beyond which the claims costs for benefits are eligible for reinsurance payments. The attachment point shall be set by the board at $50,000 or more, but not exceeding the reinsurance cap.

(c) The coinsurance rate for the plan is the rate at which the association will reimburse an eligible health carrier for claims incurred for an enrolled individual's covered benefits in a benefit year above the attachment point and below the reinsurance cap. The coinsurance rate shall be set by the board at a rate between 50 and 80 percent.

(d) The reinsurance cap is the threshold amount for claims costs incurred by an eligible health carrier for an enrolled individual's covered benefits, after which the claims costs for benefits are no longer eligible for reinsurance payments. The reinsurance cap shall be set by the board at $250,000 or less.

(e) The board may adjust the payment parameters to the extent necessary to secure federal approval of the state innovation waiver request in article 1, section 8.

Subd. 3. Operation. (a) The board shall propose to the commissioner the payment parameters for the next benefit year by January 15 of the year before the applicable benefit year. The commissioner shall approve or reject the payment parameters no later than 14 days following the board's proposal. If the commissioner fails to approve or reject the payment parameters within 14 days following the board's proposal, the proposed payment parameters are final and effective.

(b) If the amount in the premium security plan account in section 62E.25, subdivision 1, is not anticipated to be adequate to fully fund the approved payment parameters as of July 1 of the year before the applicable benefit year, the board, in consultation with the commissioner and the commissioner of management and budget, shall propose payment parameters within the available appropriations. The commissioner must permit an eligible health carrier to revise an applicable rate filing based on the final payment parameters for the next benefit year.

Subd. 4. Calculation of reinsurance payments. (a) Each reinsurance payment must be calculated with respect to an eligible health carrier's incurred claims costs for an individual enrollee's covered benefits in the applicable benefit year. If the claims costs do not exceed the attachment point, the reinsurance payment is $0. If the claims costs exceed the attachment point, the reinsurance payment shall be calculated as the product of the coinsurance rate and the lesser of:

(1) the claims costs minus the attachment point; or

(2) the reinsurance cap minus the attachment point.

(b) The board must ensure that reinsurance payments made to eligible health carriers do not exceed the total amount paid by the eligible health carrier for any eligible claim. (c) An eligible health carrier must provide the association with access to the data within the dedicated data environment established by the eligible health carrier under the federal risk adjustment program under United States Code, title 42, section 18063. Eligible health carriers must submit an attestation to the board asserting compliance with the dedicated data environments, data requirements, establishment and usage of masked enrollee identification numbers, and data submission deadlines.

(d) An eligible health carrier must provide the access described in paragraph (c) for the applicable benefit year by April 30 of each year of the year following the end of the applicable benefit year.

(e) An eligible health carrier must maintain documents and records, whether paper, electronic, or in other media, sufficient to substantiate the requests for reinsurance payments made pursuant to this section for a period of at least six years. An eligible health carrier must also make those documents and records available upon request from the commissioner for purposes of verification, investigation, audit, or other review of reinsurance payment requests.

(f) An eligible health carrier may follow the appeals procedure under section 62E.10, subdivision 2a.

(g) The association may have an eligible health carrier audited to assess the health carrier’s compliance with the requirements of this section. The eligible health carrier must ensure that its contractors, subcontractors, or agents cooperate with any audit under this section. If an audit results in a proposed finding of material weakness or significant deficiency with respect to compliance with any requirement of this section, the eligible health carrier may provide a response to the proposed finding within 30 days. Within 30 days of the issuance of a final audit report that includes a finding of material weakness or significant deficiency, the eligible health carrier must:

1. provide a written corrective action plan to the association for approval;
2. implement the approved plan; and
3. provide the association with written documentation of the corrective action once taken.

Subd. 6. **Data.** Government data of the association under this section are private data on individuals, or nonpublic data, as defined under section 13.02, subdivisions 9 or 12.

Subd. 3. **Legislative auditor.** The Minnesota premium security plan is subject to audit by the legislative auditor. The board must ensure that its contractors, subcontractors, or agents cooperate with the audit.

Subd. 4. **Independent external audit.** (a) The board must engage and cooperate with an independent certified public accountant or CPA firm licensed or permitted under chapter 326A to perform an audit for each benefit year of the plan, in accordance with generally accepted auditing standards. The audit must at a minimum:

Sec. 8. Minnesota Statutes 2016, section 290.0132, subdivision 14, is amended to read:

Subd. 14. Section 179 expensing. In each of the five taxable years immediately following the taxable year in which an addition is required under section 290.0131, subdivision 10, or 290.0133, subdivision 12, for a shareholder of a corporation that is an S corporation, an amount equal to one-fifth of the addition made by the taxpayer under section 290.0131, subdivision 10, or 290.0133, subdivision 12, for a shareholder of a corporation that is an S corporation, minus the positive value of any net operating loss under section 172 of the Internal Revenue Code generated for the taxable year of the addition, is a subtraction. If the net operating loss exceeds the addition for the taxable year, a subtraction is not allowed under this subdivision. The current year section 179 allowance under section 290.0804, subdivision 1, is a subtraction.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.

Sec. 9. Minnesota Statutes 2016, section 290.0132, is amended by adding a subdivision to read:

Subd. 23. Contributions to 529 plan. (a) The amount equal to the contributions made during the taxable year to one or more accounts in plans qualifying under section 529 of the Internal Revenue Code, reduced by any withdrawals from accounts during the taxable year, is a subtraction.

(b) The subtraction under this subdivision does not include amounts rolled over from other college savings plan accounts.

(c) The subtraction under this subdivision must not exceed $3,000 for married couples filing joint returns and $1,500 for all other filers, and is limited to individuals who do not claim the credit under section 290.0684.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.

Sec. 10. Minnesota Statutes 2016, section 290.0132, is amended by adding a subdivision to read:

Subd. 24. Social Security benefits. The amount of Social Security benefits, as provided in section 290.0803, is a subtraction.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.

Sec. 11. Minnesota Statutes 2016, section 290.0132, is amended by adding a subdivision to read:

Subd. 25. Discharge of indebtedness; education loans. (a) The amount equal to the discharge of indebtedness of the taxpayer is a subtraction if:

(1) the indebtedness discharged is a qualified education loan;
(2) the taxpayer incurred the indebtedness to pay for qualified higher education expenses related to attending a
graduate degree program; and

(3) the indebtedness was discharged under section 136A.1791, or following the taxpayer's completion of an
income-driven repayment plan.

(b) For the purposes of this subdivision, "qualified education loan" and "qualified higher education expenses"
have the meanings given in section 221 of the Internal Revenue Code.

(c) For purposes of this subdivision, "income-driven repayment plan" means a payment plan established by the
United States Department of Education that sets monthly student loan payments based on income and family size
under United States Code, title 20, section 1087e, or similar authority and specifically includes, but is not limited to:

(1) the income-based repayment plan under United States Code, title 20, section 1098e;

(2) the income contingent repayment plan established under United States Code, title 20, section 1087e,
subsection (e); and

(3) the PAYE program or REPAYE program established by the Department of Education under administrative
regulations.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.

Sec. 12. Minnesota Statutes 2016, section 290.0132, is amended by adding a subdivision to read:

Subd. 26. Carryover section 179 allowance. The carryover section 179 allowance under section 290.0804,
subdivision 2, is a subtraction.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.

Sec. 13. Minnesota Statutes 2016, section 290.0132, is amended by adding a subdivision to read:

Subd. 27. First-time home buyer savings account. (a) The amount for contributions to and earnings on a first-
time home buyer savings account allowed by section 462D.06, subdivision 1, is a subtraction.

(b) The subtraction allowed under this subdivision for a taxable year is limited to $7,500, or $15,000 for married
joint filers. For a taxpayer whose adjusted gross income, as defined in section 62 of the Internal Revenue Code, for
the taxable year exceeds $125,000, or $250,000 for married joint filers, the maximum subtraction is reduced $1 for
each $4 of adjusted gross income in excess of that threshold.

(c) The adjusted gross income thresholds under paragraph (b) are annually adjusted for inflation. Effective for
taxable year 2018, the commissioner shall adjust the dollar amount of the income thresholds at which the maximum
credit begins to be reduced under paragraph (b) by the percentage determined under section 1(f) of the Internal
Revenue Code, except that in section 1(f)(3)(B) the word "2016" is substituted for the word "1992." For 2018, the
commissioner shall then determine the percent change from the 12 months ending on August 31, 2016, to the
12 months ending on August 31, 2017, and in each subsequent year, from the 12 months ending on August 31, 2016,
to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the
commissioner under this subdivision is not a "rule" and is not subject to the Administrative Procedure Act in chapter 14.
The threshold amount as adjusted must be rounded to the nearest $100 amount. If the amount ends in $50, the
amount is rounded up to the nearest $100 amount.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.
Sec. 14. Minnesota Statutes 2016, section 290.0133, is amended by adding a subdivision to read:

Subd. 15. **Equity and opportunity donations to qualified foundations.** The amount of the deduction under section 170 of the Internal Revenue Code that represents contributions to a qualified foundation under section 290.0693 is an addition.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2017.

Sec. 15. [290.016] CONFORMITY TO FEDERAL TAX EXTENDERS BY ADMINISTRATIVE ACTION.

Subdivision 1. **Legislative purpose.** (a) The legislature intends this section to provide an ongoing mechanism for conforming the Minnesota individual income and corporate franchise taxes and the property tax refund and homestead credit refund programs to federal tax legislation enacted after the legislature has adjourned that extends existing provisions of federal law, if the provisions affect a taxable year that ends before the legislature is scheduled to reconvene in regular session. Congress has regularly enacted changes of that type that affect computation of Minnesota tax through its links to federal law. The federal changes consist mainly of extending provisions that reduce revenues and are scheduled to expire. Because Minnesota law is linked to federal law as of a specific date, taxpayers and the Department of Revenue must assume that Minnesota law does not include the effect of these federal changes even though the legislature regularly adopts most of the federal provisions retroactively in the next legislative session. This situation undermines compliance and administration of Minnesota taxes, causing delay, uncertainty, and added costs. This section provides an administrative mechanism to conform to most of these federal changes. The legislature's intent is to conform to the federal tax extenders, including minor modifications of them, and to set aside the necessary state budget resources to do so.

(b) By expressing its intent regarding specific federal provisions and indicating how to treat each federal extender provision, the legislature is exercising its legislative power and is not delegating to Congress or the commissioner the authority to determine Minnesota tax law. The legislature believes that this section is consistent with the Minnesota Supreme Court's ruling in the case of Wallace v. Commissioner of Taxation, 289 Minn. 220 (1971).

Subd. 2. **Federal tax conformity account established; transfer.** (a) A federal tax conformity account is established in the general fund. Money in the account is available for transfer to the general fund to offset the reduction in general fund revenues resulting from conforming Minnesota tax law to federal law under this section.

(b) $35,000,000 is transferred from the general fund to the federal tax conformity account, effective July 1, 2017.

(c) Each year, within ten days after receiving notice of the amount from the commissioner, the commissioner of management and budget shall transfer from the account to the general fund the amount the commissioner determines is required under subdivision 4.

Subd. 3. **Eligible federal tax preferences.** For purposes of this section and section 290.01, the term "eligible federal tax preferences" means any of the following items that are not in effect under the Internal Revenue Code for future taxable years beginning after December 31, 2016:

(1) discharge of qualified principal residence indebtedness under section 108(a)(1)(E) of the Internal Revenue Code;

(2) mortgage insurance premiums treated as qualified residence interest under section 163(h)(3)(E) of the Internal Revenue Code;

(3) qualified tuition and related expenses under section 222 of the Internal Revenue Code;
(4) reversion of the ten percent adjusted gross income threshold used in determining the itemized deductions of the expenses of medical care under section 213 of the Internal Revenue Code to 7.5 percent, without regard to whether the reversion applies to all individuals or is limited to individuals who have attained the age of 65;

(5) classification of certain race horses as three-year property under section 168(e)(3)(A)(i) and (ii) of the Internal Revenue Code;

(6) the seven-year recovery period for motorsports entertainment complexes under section 168(i)(15) of the Internal Revenue Code;

(7) the accelerated depreciation for business property on an Indian reservation under section 168(j) of the Internal Revenue Code;

(8) the election to expense mine safety equipment under section 179E of the Internal Revenue Code;

(9) the special expensing rules for certain film and television productions under section 181 of the Internal Revenue Code;

(10) the special allowance for second-generation biofuel plant property under section 168(l) of the Internal Revenue Code;

(11) the energy efficient commercial buildings deduction under section 179D of the Internal Revenue Code;

(12) the five-year recovery period for property described in section 168(e)(3)(B)(vi)(I) of the Internal Revenue Code and qualifying for an energy credit under section 48(a)(3)(A) of the Internal Revenue Code; and

(13) the amount of the additional section 179 allowance in an empowerment zone under section 1397A of the Internal Revenue Code.

Subd. 4. Designation of qualifying federal conformity items. (a) If, after final adjournment of a regular session of the legislature, Congress enacts a law that extends one or more of the eligible federal tax preferences to taxable years beginning during the calendar year in which the legislature adjourned, the commissioner shall prepare a list of qualifying federal conformity items and publish it on the Department of Revenue's Web site within 30 days following enactment of the law. In preparing the list, the commissioner shall estimate the change in revenue resulting from allowing the eligible federal tax preferences, including the effect of subdivision 6, for the current and succeeding fiscal year only. The commissioner shall not include an item on the list of qualifying conformity items if the commissioner estimates that its inclusion would reduce general fund revenues for the current and succeeding fiscal year by more than the balance in the federal tax conformity account.

(b) The commissioner shall consider the provisions of subdivision 6 as the first item to include on the list of qualifying conformity items. The commissioner shall apply the following priorities in determining which additional items to include:

(1) the effect of all eligible federal tax preferences on computation of federal adjusted gross income under this chapter and household income under chapter 290A, is the first priority;

(2) the effect of the federal law on computation of Minnesota tax credits is the second priority;

(3) the items in subdivision 3, clauses (5) to (13), in that order, are the third priority; and

(4) the items in subdivision 3, clauses (1) to (4), in that order, are the last priority.
(c) In determining whether to include an eligible federal tax preference on the list of qualifying federal conformity items, the commissioner may include items in which nonmaterial changes were made in the federal law extending allowance of the eligible federal tax preferences, compared to the provision that was in effect for the prior federal taxable year. For purposes of this determination, nonmaterial changes are limited to changes that are estimated to increase or decrease Minnesota tax revenues by no more than $1,000,000 for the affected eligible federal tax preference item for the taxable year.

(d) Within ten days after the commissioner's final determination of qualifying federal conformity items under this subdivision, the commissioner shall notify the commissioner of management and budget, in writing, of the amounts of the federal tax conformity account transfers under subdivision 2.

Subd. 5. **Provisions in effect.** (a) For purposes of determining tax and credits under this chapter, including the taxes under sections 290.091 and 290.0921, and household income under chapter 290A, qualifying federal conformity items and bonus depreciation rules under subdivision 6 apply for the designated taxable year and the provisions of this chapter apply as if the definition of the Internal Revenue Code under section 290.01, subdivision 31, included the amendments to the qualifying federal conformity items.

(b) The commissioner shall administer the taxes under this chapter and refunds under chapter 290A as if Minnesota had conformed to the federal definitions of net income, adjusted gross income, and tax credits that affect computation of Minnesota tax or refunds resulting from extension of the qualifying federal conformity items.

(c) For purposes of this subdivision and subdivision 6, “designated taxable year” means a taxable year that begins during a calendar year in which an eligible federal tax preference is enacted after the legislature adjourned its regular session and is effective for taxable years beginning during that calendar year.

Subd. 6. **Bonus depreciation; 80 percent rule applies.** If, following final adjournment of a regular session of the legislature, Congress enacts a law that extends application of the depreciation special allowances under section 168(k) of the Internal Revenue Code to taxable years beginning during the same calendar year, the allowance must be determined using the rules under sections 290.0131, subdivision 9, and 290.0133, subdivision 11, for the designated taxable year; and the rules under sections 290.0132, subdivision 9, and 290.0134, subdivision 13, for the five tax years immediately following the designated taxable year.

Subd. 7. **Forms preparation.** If the provisions of subdivisions 3 and 4 apply to a taxable year, the commissioner shall prepare forms and instructions that reflect the qualifying federal conformity items and bonus depreciation rules under subdivision 6, if applicable, for the taxable year consistent with the provisions of this section.

Subd. 8. **Draft legislation.** For a taxable year for which the commissioner publishes a list of qualifying federal conformity items under this section, the commissioner shall provide the chairs and ranking minority members of the legislative committees with jurisdiction over taxes with draft legislation that would conform Minnesota Statutes to the qualifying federal conformity items and any other conformity items that the commissioner recommends be adopted, including application to taxable years beyond those to which this section applies. The draft legislation is intended to make the statutes consistent with application of the designated qualifying federal conformity items under this section for the convenience of members of the public. Failure to pass the draft legislation does not affect computation of Minnesota tax liability for the affected taxable years under this section.

Subd. 9. **Administrative Procedure Act.** Designation of qualifying federal conformity items or any other action of the commissioner under this section is not a rule and is not subject to the Administrative Procedure Act under chapter 14, including section 14.386.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 16. Minnesota Statutes 2016, section 290.06, is amended by adding a subdivision to read:

Subd. 2g. **First-time home buyer savings account.** In addition to the tax computed under subdivision 2c, an additional amount of tax applies equal to the additional tax computed for the taxable year for the account holder of a first-time home buyer account under section 462D.06, subdivision 3.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Sec. 17. Minnesota Statutes 2016, section 290.06, subdivision 22, is amended to read:

Subd. 22. **Credit for taxes paid to another state.** (a) A taxpayer who is liable for taxes based on net income to another state, as provided in paragraphs (b) through (f), upon income allocated or apportioned to Minnesota, is entitled to a credit for the tax paid to another state if the tax is actually paid in the taxable year or a subsequent taxable year. A taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7, paragraph (b), and who is subject to income tax as a resident in the state of the individual's domicile is not allowed this credit unless the state of domicile does not allow a similar credit.

(b) For an individual, estate, or trust, the credit is determined by multiplying the tax payable under this chapter by the ratio derived by dividing the income subject to tax in the other state that is also subject to tax in Minnesota while a resident of Minnesota by the taxpayer's federal adjusted gross income, as defined in section 62 of the Internal Revenue Code, modified by the addition required by section 290.0131, subdivision 2, and the subtraction allowed by section 290.0132, subdivision 2, to the extent the income is allocated or assigned to Minnesota under sections 290.081 and 290.17.

(c) If the taxpayer is an athletic team that apportions all of its income under section 290.17, subdivision 5, the credit is determined by multiplying the tax payable under this chapter by the ratio derived from dividing the total net income subject to tax in the other state by the taxpayer's Minnesota taxable income.

(d) (1) The credit determined under paragraph (b) or (c) shall not exceed the amount of tax so paid to the other state on the gross income earned within the other state subject to tax under this chapter, nor shall; and

(2) the allowance of the credit does not reduce the taxes paid under this chapter to an amount less than what would be assessed if such income amount was the gross income earned within the other state were excluded from taxable net income.

(e) In the case of the tax assessed on a lump-sum distribution under section 290.032, the credit allowed under paragraph (a) is the tax assessed by the other state on the lump-sum distribution that is also subject to tax under section 290.032, and shall not exceed the tax assessed under section 290.032. To the extent the total lump-sum distribution defined in section 290.032, subdivision 1, includes lump-sum distributions received in prior years or is all or in part an annuity contract, the reduction to the tax on the lump-sum distribution allowed under section 290.032, subdivision 2, includes tax paid to another state that is properly apportioned to that distribution.

(f) If a Minnesota resident reported an item of income to Minnesota and is assessed tax in such other state on that same income after the Minnesota statute of limitations has expired, the taxpayer shall receive a credit for that year under paragraph (a), notwithstanding any statute of limitations to the contrary. The claim for the credit must be submitted within one year from the date the taxes were paid to the other state. The taxpayer must submit sufficient proof to show entitlement to a credit.

(g) For the purposes of this subdivision, a resident shareholder of a corporation treated as an "S" corporation under section 290.9725, must be considered to have paid a tax imposed on the shareholder in an amount equal to the shareholder's pro rata share of any net income tax paid by the S corporation to another state. For the purposes of the preceding sentence, the term "net income tax" means any tax imposed on or measured by a corporation's net income.
(h) For the purposes of this subdivision, a resident partner of an entity taxed as a partnership under the Internal Revenue Code must be considered to have paid a tax imposed on the partner in an amount equal to the partner's pro rata share of any net income tax paid by the partnership to another state. For purposes of the preceding sentence, the term "net income" tax means any tax imposed on or measured by a partnership's net income.

(i) For the purposes of this subdivision, "another state":

(1) includes:

(i) the District of Columbia; and

(ii) a province or territory of Canada; but

(2) excludes Puerto Rico and the several territories organized by Congress.

(j) The limitations on the credit in paragraphs (b), (c), and (d), are imposed on a state by state basis.

(k) For a tax imposed by a province or territory of Canada, the tax for purposes of this subdivision is the excess of the tax over the amount of the foreign tax credit allowed under section 27 of the Internal Revenue Code. In determining the amount of the foreign tax credit allowed, the net income taxes imposed by Canada on the income are deducted first. Any remaining amount of the allowable foreign tax credit reduces the provincial or territorial tax that qualifies for the credit under this subdivision.

(l) If the amount of the credit which a qualifying individual is eligible to receive under this section for tax paid to a qualifying state, disregarding the limitation in paragraph (d), clause (2), exceeds the tax due under this chapter, the commissioner shall refund the excess to the individual. An amount sufficient to pay the refunds required by this section is appropriated to the commissioner from the general fund.

For purposes of this paragraph, "qualifying individual" means a Minnesota resident under section 290.01, subdivision 7, paragraph (a), who received compensation during the taxable year for the performance of personal or professional services within a qualifying state, and "qualifying state" means a state with which an agreement under section 290.081 is not in effect for the taxable year but was in effect for a taxable year beginning before January 1, 2010.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.

Sec. 18. Minnesota Statutes 2016, section 290.06, is amended by adding a subdivision to read:

Subd. 37. Beginning farmer incentive credit. (a) A beginning farmer incentive credit is allowed against the tax due under this chapter for the sale or rental of agricultural assets to a beginning farmer according to section 41B.0391, subdivision 2.

(b) The credit may be claimed only after approval and certification by the Rural Finance Authority according to section 41B.0391.

(c) The credit is limited to the liability for tax, as computed under this chapter, for the taxable year. If the amount of the credit determined under this subdivision for any taxable year exceeds this limitation, the excess is a beginning farmer incentive credit carryover to each of the 15 succeeding taxable years. The entire amount of the excess unused credit for the taxable year is carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried. The amount of the unused credit which may be added under this paragraph must not exceed the taxpayer's liability for tax, less the beginning farmer incentive credit for the taxable year.
(d) Credits allowed to a partnership, a limited liability company taxed as a partnership, an S corporation, or multiple owners of property are passed through to the partners, members, shareholders, or owners, respectively, pro rata to each based on the partner's, member's, shareholder's, or owner's share of the entity's assets or as specially allocated in the organizational documents or any other executed agreement, as of the last day of the taxable year.

(e) For a nonresident or part-year resident, the credit under this section must be allocated using the percentage calculated in section 290.06, subdivision 2c, paragraph (e).

(f) Notwithstanding the approval and certification by the Rural Finance Authority under section 41B.0391, the commissioner may utilize any audit and examination powers under chapter 270C or 289A to the extent necessary to verify that the taxpayer is eligible for the credit and to assess for the amount of any improperly claimed credit.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Sec. 19. Minnesota Statutes 2016, section 290.06, is amended by adding a subdivision to read:

Subd. 38. **Beginning farmer management credit.** (a) A taxpayer who is a beginning farmer may take a credit against the tax due under this chapter for participation in a financial management program according to section 41B.0391, subdivision 3.

(b) The credit may be claimed only after approval and certification by the Rural Finance Authority according to section 41B.0391.

(c) The credit is limited to the liability for tax, as computed under this chapter, for the taxable year. If the amount of the credit determined under this subdivision for any taxable year exceeds this limitation, the excess is a beginning farmer management credit carryover to each of the three succeeding taxable years. The entire amount of the excess unused credit for the taxable year is carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried. The amount of the unused credit which may be added under this paragraph must not exceed the taxpayer's liability for tax, less the beginning farmer management credit for the taxable year.

(d) For a part-year resident, the credit under this section must be allocated using the percentage calculated in section 290.06, subdivision 2c, paragraph (e).

(e) Notwithstanding the approval and certification by the Rural Finance Authority under section 41B.0391, the commissioner may utilize any audit and examination powers under chapter 270C or 289A to the extent necessary to verify that the taxpayer is eligible for the credit and to assess for the amount of any improperly claimed credit.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Sec. 20. Minnesota Statutes 2016, section 290.067, subdivision 1, is amended to read:

**Subdivision 1. Amount of credit.** (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2 except that in determining whether the child qualified as a dependent, income received as a Minnesota family investment program grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of the Internal Revenue Code do not apply.
(b) If a child who has not attained the age of six years at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child is 16 months old or younger at the close of the taxable year, the amount of expenses deemed to have been paid equals the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code. If the child is older than 16 months of age but has not attained the age of six years at the close of the taxable year, the amount of expenses deemed to have been paid equals the amount the licensee would charge for the care of a child of the same age for the same number of hours of care.

(c) If a married couple:

(1) has a child who has not attained the age of one year at the close of the taxable year;

(2) files a joint tax return for the taxable year; and

(3) does not participate in a dependent care assistance program as defined in section 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i) the combined earned income of the couple or (ii) the amount of the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code will be deemed to be the employment related expense paid for that child. The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.

(d) If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or

(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

(e) In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter including earned income excluded pursuant to section 290.0132, subdivision 10, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant’s spouse from Minnesota sources bears to the total earned income of the claimant and the claimant’s spouse.

(f) For residents of Minnesota, the subtractions for military pay under section 290.0132, subdivisions 11 and 12, are not considered "earned income not subject to tax under this chapter."

(g) For residents of Minnesota, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."
For taxpayers with federal adjusted gross income in excess of $50,000, the credit is equal to the lesser of the credit otherwise calculated under this subdivision, or the amount equal to $600 minus five percent of federal adjusted gross income in excess of $50,000 for taxpayers with one qualified individual, or $1,200 minus five percent of federal adjusted gross income in excess of $50,000 for taxpayers with two or more qualified individuals, but in no case is the credit less than zero.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Subd. 2b. **Inflation adjustment.** The commissioner shall adjust the dollar amount of the income threshold at which the maximum credit begins to be reduced under subdivision 2b by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "1992" shall be substituted for the word "1992." For 2001-2018, the commissioner shall then determine the percent change from the 12 months ending on August 31, 1999-2016, to the 12 months ending on August 31, 2000-2017, and in each subsequent year, from the 12 months ending on August 31, 1999-2016, to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner pursuant to this subdivision must not be considered a "rule" and is not subject to the Administrative Procedure Act contained in chapter 14. The threshold amount as adjusted must be rounded to the nearest $10 amount. If the amount ends in $5, the amount is rounded up to the nearest $10 amount.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Subd. 1. **Credit allowed.** An individual is allowed a credit against the tax imposed by this chapter in an amount equal to 75 percent of the amount paid for education-related expenses for a qualifying child in a prekindergarten educational program or in kindergarten through grade 12. For purposes of this section, "education-related expenses" means:

1. fees or tuition for instruction by an instructor under section 120A.22, subdivision 10, clause (1), (2), (3), (4), or (5), or a member of the Minnesota Music Teachers Association, and who is not a lineal ancestor or sibling of the dependent for instruction outside the regular school day or school year, including tutoring, driver's education offered as part of school curriculum, regardless of whether it is taken from a public or private entity or summer camps, in grade or age appropriate curricula that supplement curricula and instruction available during the regular school year, that assists a dependent to improve knowledge of core curriculum areas or to expand knowledge and skills under the required academic standards under section 120B.021, subdivision 1, and the elective standard under section 120B.022, subdivision 1, clause (2), and that do not include the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship;

(f) The foundation may use up to five percent of the amounts received as donations for reasonable administrative expenses, including but not limited to fund-raising, scholarship tracking, and reporting requirements.

Subd. 5. Responsibilities of commissioner. (a) The commissioner must make applications for an entity to be approved as a qualified foundation for a taxable year available on the department's Web site by August 1 of the year preceding the taxable year. The commissioner must approve an application that provides the documentation required in subdivision 4, paragraph (a), clauses (1) to (3), within 60 days of receiving the application. The commissioner must notify a foundation that provides incomplete documentation and the foundation may resubmit its application within 30 days.

(b) By November 15 of each year, the commissioner must post on the department's Web site the names and addresses of qualified foundations for the next taxable year. For each qualified foundation, the list must indicate if the foundation intends to award qualified scholarships, award qualified grants, or is a qualified public school foundation. The commissioner must regularly update the names and addresses of any qualified foundations that have been barred from participating in the program.

(c) The commissioner must prescribe a standardized format for a receipt to be issued by a qualified foundation to a taxpayer to indicate the amount of a donation received and of a commitment to make a donation.

(d) The commissioner must prescribe a standardized format for qualified foundations to report the information required under subdivision 4, paragraph (e).

(e) The commissioner may conduct either a financial review or audit of a qualified foundation upon finding evidence of fraud or intentional misreporting. If the commissioner determines that the qualified foundation committed fraud or intentionally misreported information, the qualified foundation is barred from further program participation.
(f) If a qualified foundation fails to submit the documentation required under subdivision 4, paragraph (e), by June 1, the commissioner must notify the qualified foundation by July 1. A qualified foundation that fails to submit the required information by August 1 is barred from participation for the next taxable year.

(g) If a qualified foundation fails to comply with the requirements of subdivision 4, paragraph (e), the commissioner must by September 1 notify the qualified foundation that it has until November 1 to document that it has remedied its noncompliance. A qualified foundation that fails to document that it has remedied its noncompliance by November 1 is barred from participation for the next taxable year.

(h) A qualified foundation barred under paragraph (f) or (g) may become eligible to participate by submitting the required information in future years.

(i) Determinations of the commissioner under this subdivision are not considered rules and are not subject to the Administrative Procedures Act in chapter 14.

**EFFECTIVE DATE.** This section is effective the day following final enactment for donations made and credits allowed in taxable years beginning after December 31, 2017.

Sec. 32. [290.0803] SOCIAL SECURITY SUBTRACTION.

(a) An individual is allowed a subtraction from federal taxable income equal to Social Security benefits to the extent included in federal taxable income. The subtraction under this section is reduced by the amount of provisional income over a threshold amount, but in no case is the subtraction less than zero. For married couples filing joint returns and surviving spouses the threshold is $72,000. For all other filers the threshold is $56,000.

(b) For purposes of this section, "provisional income" means modified adjusted gross income, as defined in section 86(b)(2) of the Internal Revenue Code, plus one-half of the amount of Social Security benefits received during the taxable year.

(c) Notwithstanding the thresholds provided in paragraph (a), for taxable years beginning after December 31, 2016, and before January 1, 2019, the threshold for married couples filing joint returns and surviving spouses is $61,000 and the threshold for all other filers is $46,500.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Sec. 33. [290.0804] SECTION 179 SUBTRACTION.

Subdivision 1. **Current year section 179 allowance.** (a) In each of the five taxable years immediately following the taxable year in which an addition is required under section 290.0131, subdivision 10, or its predecessor provisions, the current year allowance equals one-fifth of the addition made by the taxpayer under section 290.0131, subdivision 10.

(b) For a shareholder of an S corporation, the current year allowance is reduced by the positive value of any net operating loss under section 172 of the Internal Revenue Code generated for the taxable year of the addition and, if the net operating loss exceeds the addition for the taxable year, the current year allowance is zero.

(c) A taxpayer is allowed a current year section 179 allowance subtraction from federal taxable income under section 290.0132, subdivision 14, as determined under this subdivision.

Subd. 2. **Carryover section 179 allowance.** (a) For purposes of this subdivision, the current year allowance under subdivision 1 is the last modification allowed under section 290.0132 in determining net income. If the amount allowed under subdivision 1 exceeds net income computed without regard to the current year allowance,
then the excess is a carryover allowance in each of the ten succeeding taxable years. The entire amount of the carryover allowance is carried first to the earliest taxable year to which the carryover may be carried, and then to each succeeding year to which the carryover may be carried.

(b) If applying paragraph (a) to a taxable year beginning after December 31, 2013, and before January 1, 2017, would result in a carryover allowance in that year, the taxpayer may use the resulting amount as a carryover allowance starting in a taxable year beginning after December 31, 2016, and the first year of the ten-year period under paragraph (a) is taxable year 2017.

(c) A taxpayer is allowed a carryover section 179 allowance subtraction under section 290.0132, subdivision 26, as determined under this subdivision.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.

Sec. 34. Minnesota Statutes 2016, section 290.091, subdivision 2, is amended to read:

(iv) the impairment-related work expenses of a disabled person;

(3) for depletion allowances computed under section 613A(c) of the Internal Revenue Code, with respect to each property (as defined in section 614 of the Internal Revenue Code), to the extent not included in federal alternative minimum taxable income, the excess of the deduction for depletion allowable under section 611 of the Internal Revenue Code for the taxable year over the adjusted basis of the property at the end of the taxable year (determined without regard to the depletion deduction for the taxable year);

(4) to the extent not included in federal alternative minimum taxable income, the amount of the tax preference for intangible drilling cost under section 57(a)(2) of the Internal Revenue Code determined without regard to subparagraph (E);

(5) to the extent not included in federal alternative minimum taxable income, the amount of interest income as provided by section 290.0131, subdivision 2; and

less the sum of the amounts determined under the following:
(1) interest income as defined in section 290.0132, subdivision 2;

(2) an overpayment of state income tax as provided by section 290.0132, subdivision 3, to the extent included in federal alternative minimum taxable income;

Interest does not include amounts deducted in computing federal adjusted gross income;

(4) amounts subtracted from federal taxable income as provided by section 290.0132, subdivisions 7, 9 to 15, 17, and 21, and 24 to 27; and

(5) the amount of the net operating loss allowed under section 290.095, subdivision 11, paragraph (c).

In the case of an estate or trust, alternative minimum taxable income must be computed as provided in section 59(c) of the Internal Revenue Code.

(b) "Investment interest" means investment interest as defined in section 163(d)(3) of the Internal Revenue Code.

(c) "Net minimum tax" means the minimum tax imposed by this section.

(d) "Regular tax" means the tax that would be imposed under this chapter (without regard to this section and section 290.032), reduced by the sum of the nonrefundable credits allowed under this chapter.

(e) "Tentative minimum tax" equals 6.75 percent of alternative minimum taxable income after subtracting the exemption amount determined under subdivision 3.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.

Sec. 35. Minnesota Statutes 2016, section 291.005, subdivision 1, as amended by Laws 2017, chapter 1, section 8, is amended to read:

Subdivision 1. Scope. Unless the context otherwise clearly requires, the following terms used in this chapter shall have the following meanings:

(1) "Commissioner" means the commissioner of revenue or any person to whom the commissioner has delegated functions under this chapter.

(2) "Federal gross estate" means the gross estate of a decedent as required to be valued and otherwise determined for federal estate tax purposes under the Internal Revenue Code, increased by the value of any property in which the decedent had a qualifying income interest for life and for which an election was made under section 291.03, subdivision 1d, for Minnesota estate tax purposes, but was not made for federal estate tax purposes.

(3) "Internal Revenue Code" means the United States Internal Revenue Code of 1986, as amended through December 16, 2016.

(4) "Minnesota gross estate" means the federal gross estate of a decedent after (a) excluding therefrom any property included in the estate which has its situs outside Minnesota, and (b) including any property omitted from the federal gross estate which is includable in the estate, has its situs in Minnesota, and was not disclosed to federal taxing authorities.
(5) "Nonresident decedent" means an individual whose domicile at the time of death was not in Minnesota.

(6) "Personal representative" means the executor, administrator or other person appointed by the court to administer and dispose of the property of the decedent. If there is no executor, administrator or other person appointed, qualified, and acting within this state, then any person in actual or constructive possession of any property having a situs in this state which is included in the federal gross estate of the decedent shall be deemed to be a personal representative to the extent of the property and the Minnesota estate tax due with respect to the property.

(7) "Resident decedent" means an individual whose domicile at the time of death was in Minnesota. The provisions of section 290.01, subdivision 7, paragraphs (c) and (d), apply to determinations of domicile under this chapter.

(8) "Situs of property" means, with respect to:

(i) real property, the state or country in which it is located;

(ii) tangible personal property, the state or country in which it was normally kept or located at the time of the decedent's death or for a gift of tangible personal property within three years of death, the state or country in which it was normally kept or located when the gift was executed;

(iii) a qualified work of art, as defined in section 2503(g)(2) of the Internal Revenue Code, owned by a nonresident decedent and that is normally kept or located in this state because it is on loan to an organization, qualifying as exempt from taxation under section 501(c)(3) of the Internal Revenue Code, that is located in Minnesota, the situs of the art is deemed to be outside of Minnesota, notwithstanding the provisions of item (ii); and

(iv) intangible personal property, the state or country in which the decedent was domiciled at death or for a gift of intangible personal property within three years of death, the state or country in which the decedent was domiciled when the gift was executed.

For a nonresident decedent with an ownership interest in a pass-through entity with assets that include real or tangible personal property, situs of the real or tangible personal property, including qualified works of art, is determined as if the pass-through entity does not exist and the real or tangible personal property is personally owned by the decedent. If the pass-through entity is owned by a person or persons in addition to the decedent, ownership of the property is attributed to the decedent in proportion to the decedent's capital ownership share of the pass-through entity.

(9) "Pass-through entity" includes the following:

(i) an entity electing S corporation status under section 1362 of the Internal Revenue Code;

(ii) an entity taxed as a partnership under subchapter K of the Internal Revenue Code;

(iii) a single-member limited liability company or similar entity, regardless of whether it is taxed as an association or is disregarded for federal income tax purposes under Code of Federal Regulations, title 26, section 301.7701-3; or

(iv) a trust to the extent the property is includible in the decedent's federal gross estate; but excludes

1. $1,200,000 for estates of decedents dying in 2014;
2. $1,400,000 for estates of decedents dying in 2015;

**EFFECTIVE DATE.** This section is effective retroactively for estates of decedents dying after December 31, 2016.

Sec. 38. Minnesota Statutes 2016, section 297I.20, is amended by adding a subdivision to read:

Subd. 4. **Minnesota housing tax credit.** An insurance company may claim a credit against the premiums tax imposed under this chapter equal to the amount indicated on the eligibility statement issued to the company under section 462A.39, subdivision 3. If the amount of the credit exceeds the liability for tax under this chapter, the excess is a credit carryover to each of the 11 succeeding taxable years. The entire amount of the excess unused credit for the taxable year must be carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried. This credit does not affect the calculation of police and fire aid under section 69.021.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Sec. 39. **[462A.39] MINNESOTA HOUSING TAX CREDIT.**

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have the meanings given unless the context clearly requires otherwise:

(b) "Compliance agreement" means an agreement:

1. between the owner of a qualified Minnesota project and the agency or suballocator;

2. that is recorded as an affordable housing restriction on the real property on which the qualified Minnesota project is located; and

3. that requires the project to be operated under the requirements of this section for the compliance period.
The agreement may be subordinated to the lien of a bank or other institutional lender providing financing to the qualified Minnesota project upon the request of the bank or lender.

(c) "Compliance period" means the 15-year period beginning with the first taxable year a credit is allowed under this section.

(d) "Eligibility statement" means a statement issued by the agency or suballocator to the owner certifying that a project is a qualified Minnesota project and documenting allocation of the Minnesota housing tax credit. The eligibility statement must specify the annual amount of the credit allocated to the project for the taxable year and for the five following taxable years and be in a form prescribed by the commissioner of the agency, in consultation with the commissioner of revenue.

(e) "Federal low-income housing tax credit" means the federal tax credit provided in section 42 of the Internal Revenue Code.

(f) "Greater Minnesota" means the area of Minnesota located outside of the metropolitan area as defined in section 473.121, subdivision 2.

(g) "Internal Revenue Code" has the meaning given in section 290.01, subdivision 31.

(h) "Minnesota credit period" means the six taxable years beginning in the taxable year in which a credit is allocated under subdivision 2.

(i) "Owner" means the owner of a qualified Minnesota project.

(j) "Qualified Minnesota project" means a low-income housing project that is:

(1) located in Minnesota;

(2) financed with tax-exempt bonds pursuant to section 42(i)(2) of the Internal Revenue Code;

(3) determined by the agency to be eligible for a federal low-income housing tax credit without regard to whether or not a federal low-income housing credit is allocated to the project; and

(4) a project for which the owner has entered into a compliance agreement with the agency or the suballocator that is enforceable by state and local agencies.

(k) "Suballocator" means an allocating agency, other than the agency, of low-income federal housing credits and credits under this section as provided in section 462A.222.

(l) "Taxpayer" has the meaning given in section 290.0683, subdivision 1.

(m) Terms not otherwise defined in this subdivision have the meanings given in section 42 of the Internal Revenue Code.

Subd. 2. **Minnesota housing tax credit; allocation.** (a) The agency and all suballocators may annually allocate credits during a four-year period beginning January 1, 2017, and ending December 31, 2020. The amount of credits that may be allocated each year is the sum of:

(1) $7,000,000; and
(2) any unused tax credits, if any, for the preceding calendar years.

(b) The agency shall allocate credits only to qualified Minnesota projects that the agency determines:

(1) are eligible for the federal low-income housing tax credit; and

(2) are not financially feasible without the credit.

(c) The agency must allocate 50 percent of the total amount allocated to qualified Minnesota projects in greater Minnesota.

(d) The agency may not allocate more than one credit to any one qualified Minnesota project.

(e) The allocation to any one qualified Minnesota project equals one-sixth of the total federal low-income housing tax credit allowable over the ten-year federal credit period, without regard to whether the project was allowed a federal low-income housing tax credit.

Subd. 3. Credit allowed. When the agency or a suballocator allocates a credit amount to the owner of a project, the agency or suballocator must issue an eligibility statement to the owner. The owner may claim the amount allocated in each year of the Minnesota credit period.

Subd. 4. Credit duration. Except for unused credits carried forward under section 290.0683, the agency may allocate a credit and issue an eligibility statement to a taxpayer for a Minnesota housing tax credit for a project one time, with the credit allowed in each year of the Minnesota credit period.

Subd. 5. Recapture; repayment. (a) If within the Minnesota credit period the agency or suballocator finds that a qualified project issued an eligibility statement is not meeting the terms of the compliance agreement, the owner must repay the following percentage of the credit awarded to the project by the agency or the suballocator:

<table>
<thead>
<tr>
<th>Year of the compliance period:</th>

2. the property is located in the county of Blue Earth, Brown, Cottonwood, LeSueur, Nicollet, Nobles, or Rice;

3. the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 1998 assessment year;
(4) the dwelling occupied by the owner is located in this state and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to a March 29, 1998, tornado, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in homestead dwelling. For taxes payable in 1999, the owner must notify the assessor by December 1, 1998. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

(g) Agricultural property of a family farm corporation, joint family farm venture, family farm limited liability company, or partnership operating a family farm as described under subdivision 8 shall be classified homestead, to the same extent as other agricultural homestead property, if all of the following criteria are met:

1. the property consists of at least 40 acres including undivided government lots and correctional 40's;
2. a shareholder, member, or partner of that entity is actively farming the agricultural property;
3. that shareholder, member, or partner who is actively farming the agricultural property is a Minnesota resident;
4. neither that shareholder, member, or partner, nor the spouse of that shareholder, member, or partner claims another agricultural homestead in Minnesota; and
5. that shareholder, member, or partner does not live farther than four townships or cities, or a combination of four townships or cities, from the agricultural property.

Homestead treatment applies under this paragraph for property leased to a family farm corporation, joint farm venture, limited liability company, or partnership operating a family farm if legal title to the property is in the name of an individual who is a member, shareholder, or partner in the entity.

(h) To be eligible for the special agricultural homestead under this subdivision, an initial full application must be submitted to the county assessor where the property is located. Owners and the persons who are actively farming the property shall be required to complete only a one-page abbreviated version of the application in each subsequent year provided that none of the following items have changed since the initial application:

1. the day-to-day operation, administration, and financial risks remain the same;
2. the owners and the persons actively farming the property continue to live within the four townships or city criteria and are Minnesota residents;
3. the same operator of the agricultural property is listed with the Farm Service Agency;
4. a Schedule F or equivalent income tax form was filed for the most recent year;
5. the property's acreage is unchanged; and
6. none of the property's acres have been enrolled in a federal or state farm program since the initial application.

The owners and any persons who are actively farming the property must include the appropriate Social Security numbers, and sign and date the application. If any of the specified information has changed since the full application was filed, the owner must notify the assessor, and must complete a new application to determine if the property continues to qualify for the special agricultural homestead. The commissioner of revenue shall prepare a standard reapplication form for use by the assessors.
(i) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 2007 assessment shall remain classified agricultural homesteads for subsequent assessments if:

1. the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of damage caused by the August 2007 floods;
2. the property is located in the county of Dodge, Fillmore, Houston, Olmsted, Steele, Wabasha, or Winona;
3. the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 2007 assessment year;
4. the dwelling occupied by the owner is located in this state and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and
5. the owner notifies the county assessor that the relocation was due to the August 2007 floods, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in homestead dwelling. For taxes payable in 2009, the owner must notify the assessor by December 1, 2008. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

(j) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 2008 assessment shall remain classified as agricultural homesteads for subsequent assessments if:

1. the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of the March 2009 floods;
2. the property is located in the county of Marshall;
3. the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 2008 assessment year and continue to be used for agricultural purposes;
4. the dwelling occupied by the owner is located in Minnesota and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and
5. the owner notifies the county assessor that the relocation was due to the 2009 floods, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in dwelling. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

**EFFECTIVE DATE.** This section is effective beginning for property taxes payable in 2018.

Sec. 11. Minnesota Statutes 2016, section 273.124, subdivision 21, is amended to read:

Subd. 21. **Trust property; homestead.** Real or personal property, including agricultural property, held by a trustee under a trust is eligible for classification as homestead property if the property satisfies the requirements of paragraph (a), (b), (c), (d), or (e).

(a) The grantor or surviving spouse of the grantor of the trust occupies and uses the property as a homestead.
(b) A relative or surviving relative of the grantor who meets the requirements of subdivision 1, paragraph (c), in the case of residential real estate; or subdivision 1, paragraph (d), in the case of agricultural property, occupies and uses the property as a homestead.

(c) A family farm corporation, joint farm venture, limited liability company, or partnership operating a family farm in which the grantor or the grantor's surviving spouse is a shareholder, member, or partner rents the property; and, either (1) a shareholder, member, or partner of the corporation, joint farm venture, limited liability company, or partnership occupies and uses the property as a homestead; or (2) the property is at least 40 acres, including undivided government lots and correctional 40's, and a shareholder, member, or partner of the tenant-entity is actively farming the property on behalf of the corporation, joint farm venture, limited liability company, or partnership.

(d) A person who has received homestead classification for property taxes payable in 2000 on the basis of an unqualified legal right under the terms of the trust agreement to occupy the property as that person's homestead and who continues to use the property as a homestead; or, a person who received the homestead classification for taxes payable in 2005 under paragraph (c) who does not qualify under paragraph (c) for taxes payable in 2006 or thereafter but who continues to qualify under paragraph (c) as it existed for taxes payable in 2005.

(e) The qualifications under subdivision 14, paragraph (b), clause (i), are met. For purposes of this paragraph, "owner" means the grantor of the trust or the surviving spouse of the grantor.

(f) For purposes of this subdivision, the following terms have the meanings given them:

(1) "agricultural property" means the house, garage, other farm buildings and structures, and agricultural land;

(2) "agricultural land" has the meaning given in section 273.13, subdivision 23, except that the phrases "owned by same person" or "under the same ownership" as used in that subdivision mean and include contiguous tax parcels owned by:

(i) an individual and a trust of which the individual, the individual's spouse, or the individual's deceased spouse is the grantor; or

(ii) different trusts of which the grantors of each trust are any combination of an individual, the individual's spouse, or the individual's deceased spouse; and

For purposes of this subdivision, (3) "grantor" is defined as means the person creating or establishing a testamentary, inter Vivos, revocable or irrevocable trust by written instrument or through the exercise of a power of appointment.

(g) Noncontiguous land is included as part of a homestead under this subdivision, only if the homestead is classified as class 2a, as defined in section 273.13, subdivision 23, and the detached land is located in the same township or city, or not farther than four townships or cities or combination thereof from the homestead. Any taxpayer of these noncontiguous lands must notify the county assessor that the noncontiguous land is part of the taxpayer's homestead, and, if the homestead is located in another county, the taxpayer must also notify the assessor of the other county.

EFFECTIVE DATE. This section is effective beginning for property taxes payable in 2018.
Sec. 12. Minnesota Statutes 2016, section 273.125, subdivision 8, is amended to read:

Subd. 8. **Manufactured homes; sectional structures.** (a) In this section, "manufactured home" means a structure transportable in one or more sections, which is built on a permanent chassis, and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities, and contains the plumbing, heating, air conditioning, and electrical systems in it. Manufactured home includes any accessory structure that is an addition or supplement to the manufactured home and, when installed, becomes a part of the manufactured home.

(b) Except as provided in paragraph (c), a manufactured home that meets each of the following criteria must be valued and assessed as an improvement to real property, the appropriate real property classification applies, and the valuation is subject to review and the taxes payable in the manner provided for real property:

1. the owner of the unit holds title to the land on which it is situated;
2. the unit is affixed to the land by a permanent foundation or is installed at its location in accordance with the Manufactured Home Building Code in sections 327.31 to 327.34, and rules adopted under those sections, or is affixed to the land like other real property in the taxing district; and
3. the unit is connected to public utilities, has a well and septic tank system, or is serviced by water and sewer facilities comparable to other real property in the taxing district.

(c) A manufactured home that meets each of the following criteria must be assessed at the rate provided by the appropriate real property classification but must be treated as personal property, and the valuation is subject to review and the taxes payable in the manner provided in this section:

1. the owner of the unit is a lessee of the land under the terms of a lease, or the unit is located in a manufactured home park but is not the homestead of the park owner;
2. the unit is affixed to the land by a permanent foundation or is installed at its location in accordance with the Manufactured Home Building Code contained in sections 327.31 to 327.34, and the rules adopted under those sections, or is affixed to the land like other real property in the taxing district; and
3. the unit is connected to public utilities, has a well and septic tank system, or is serviced by water and sewer facilities comparable to other real property in the taxing district.

(d) Sectional structures must be valued and assessed as an improvement to real property if the owner of the structure holds title to the land on which it is located or is a qualifying lessee of the land under section 273.19. In this paragraph "sectional structure" means a building or structural unit that has been in whole or substantial part manufactured or constructed at an off-site location to be wholly or partially assembled on site alone or with other units and attached to a permanent foundation.

(e) The commissioner of revenue may adopt rules under the Administrative Procedure Act to establish additional criteria for the classification of manufactured homes and sectional structures under this subdivision.

(f) A storage shed, deck, or similar improvement constructed on property that is leased or rented as a site for a manufactured home, sectional structure, park trailer, or travel trailer is taxable as provided in this section. In the case of property that is leased or rented as a site for a travel trailer, a storage shed, deck, or similar improvement on the site that is considered personal property under this paragraph is taxable only if its total estimated market value is over $1,000. The property is taxable as personal property to the lessee of the site if it is not owned by the owner of the site. The property is taxable as real estate if it is owned by the owner of the site. As a condition of
Sec. 13. Minnesota Statutes 2016, section 273.13, subdivision 22, is amended to read:

Subd. 22. **Class 1.** (a) Except as provided in subdivision 23 and in paragraphs (b) and (c), real estate which is residential and used for homestead purposes is class 1a. In the case of a duplex or triplex in which one of the units is used for homestead purposes, the entire property is deemed to be used for homestead purposes. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The first $500,000 of market value of class 1a property has a net classification rate of one percent of its market value; and the market value of class 1a property that exceeds $500,000 has a classification rate of 1.25 percent of its market value.

(b) Class 1b property includes homestead real estate or homestead manufactured homes used for the purposes of a homestead by:

(1) any person who is blind as defined in section 256D.35, or the blind person and the blind person's spouse;

(2) any person who is permanently and totally disabled or by the disabled person and the disabled person's spouse; or

(3) the surviving spouse of a permanently and totally disabled veteran homesteading a property classified under this paragraph for taxes payable in 2008.

Property is classified and assessed under clause (2) only if the government agency or income-providing source certifies, upon the request of the homestead occupant, that the homestead occupant satisfies the disability requirements of this paragraph, and that the property is not eligible for the valuation exclusion under subdivision 34.

Property is classified and assessed under paragraph (b) only if the commissioner of revenue or the county assessor certifies that the homestead occupant satisfies the requirements of this paragraph.

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings the person an income. The first $50,000 market value of class 1b property has a net classification rate of .45 percent of its market value. The remaining market value of class 1b property has a classification rate using the rates for class 1a or class 2a property, whichever is appropriate, of similar market value.

(c) Class 1c property is commercial use real and personal property that abuts public water as defined in section 103G.005, subdivision 15, or abuts a state trail administered by the Department of Natural Resources, and is devoted to temporary and seasonal residential occupancy for recreational purposes but not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment, and that includes a portion used as a homestead by the owner, which includes a dwelling occupied as a homestead by a shareholder of a corporation that owns the resort, a partner in a partnership that owns the resort, or a member of a limited liability company that owns the resort even if, whether the title to the homestead is held by the corporation, partnership, or limited liability company, or by a shareholder of a corporation who owns the resort, a partner in a partnership who owns the resort, or a member of a limited liability company who owns the resort. For purposes of this paragraph, property is devoted to a commercial purpose on a specific day if any portion of the property, excluding the portion used exclusively as a homestead, is used for residential occupancy and a fee is charged for residential occupancy. Class 1c property must contain three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual
camping site equipped with water and electrical hookups for recreational vehicles. Class 1c property must provide recreational activities such as the rental of ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment; provide marina services, launch services, or guide services; or sell bait and fishing tackle. Any unit in which the right to use the property is transferred to an individual or entity by deeded interest, or the sale of shares or stock, no longer qualifies for class 1c even though it may remain available for rent. A camping pad offered for rent by a property that otherwise qualifies for class 1c and the other would be eligible to be classified as a class 1c property if it was used as the homestead of the owner, both properties will be assessed as a single class 1c property; for purposes of this sentence, properties are deemed to be owned by the same owner if each of them is owned by a limited liability company, and both limited liability companies have the same membership. The portion of the property used as a homestead is class 1a property under paragraph (a). The remainder of the property is classified as follows: the first $600,000 of market value is tier I, the next $1,700,000 of market value is tier II, and any remaining market value is tier III. The classification rates for class 1c are: tier I, 0.50 percent; tier II, 1.0 percent; and tier III, 1.25 percent. Owners of real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes in which all or a portion of the property was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated as class 1c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located must be designated as class 3a commercial. The owner of property desiring designation as class 1c property must provide guest registers or other records demonstrating that the units for which class 1c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 1c.

(d) Class 1d property includes structures that meet all of the following criteria:

(1) the structure is located on property that is classified as agricultural property under section 273.13, subdivision 23;

(2) the structure is occupied exclusively by seasonal farm workers during the time when they work on that farm, and the occupants are not charged rent for the privilege of occupying the property, provided that use of the structure for storage of farm equipment and produce does not disqualify the property from classification under this paragraph;

(3) the structure meets all applicable health and safety requirements for the appropriate season; and

(4) the structure is not salable as residential property because it does not comply with local ordinances relating to location in relation to streets or roads.

The market value of class 1d property has the same classification rates as class 1a property under paragraph (a).

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 14. Minnesota Statutes 2016, section 273.13, subdivision 23, is amended to read:

Subd. 23. **Class 2.** (a) An agricultural homestead consists of class 2a agricultural land that is homesteaded, along with any class 2b rural vacant land that is contiguous to the class 2a land under the same ownership. The market value of the house and garage and immediately surrounding one acre of land has the same classification rates as class 1a or 1b property under subdivision 22. The value of the remaining land including improvements up to the
first tier valuation limit of agricultural homestead property has a classification rate of 0.5 percent of market value. The remaining property over the first tier has a classification rate of one percent of market value. For purposes of this subdivision, the "first tier valuation limit of agricultural homestead property" and "first tier" means the limit certified under section 273.11, subdivision 23.

(b) Class 2a agricultural land consists of parcels of property, or portions thereof, that are agricultural land and buildings. Class 2a property has a classification rate of one percent of market value, unless it is part of an agricultural homestead under paragraph (a). Class 2a property must also include any property that would otherwise be classified as 2b, but is interspersed with class 2a property, including but not limited to sloughs, wooded wind shelters, acreage abutting ditches, ravines, rock piles, land subject to a setback requirement, and other similar land that is impractical for the assessor to value separately from the rest of the property or that is unlikely to be able to be sold separately from the rest of the property.

An assessor may classify the part of a parcel described in this subdivision that is used for agricultural purposes as class 2a and the remainder in the class appropriate to its use.

(c) Class 2b rural vacant land consists of parcels of property, or portions thereof, that are unplatted real estate, rural in character and not used for agricultural purposes, including land used for growing trees for timber, lumber, and wood and wood products, that is not improved with a structure. The presence of a minor, ancillary nonresidential structure as defined by the commissioner of revenue does not disqualify the property from classification under this paragraph. Any parcel of 20 acres or more improved with a structure that is not a minor, ancillary nonresidential structure must be split-classified, and ten acres must be assigned to the split parcel containing the structure. Class 2b property has a classification rate of one percent of market value unless it is part of an agricultural homestead under paragraph (a), or qualifies as class 2c under paragraph (d).

(d) Class 2c managed forest land consists of no less than 20 and no more than 1,920 acres statewide per taxpayer that is being managed under a forest management plan that meets the requirements of chapter 290C, but is not enrolled in the sustainable forest resource management incentive program. It has a classification rate of .65 percent, provided that the owner of the property must apply to the assessor in order for the property to initially qualify for the reduced rate and provide the information required by the assessor to verify that the property qualifies for the reduced rate. If the assessor receives the application and information before May 1 in an assessment year, the property qualifies beginning with that assessment year. If the assessor receives the application and information after April 30 in an assessment year, the property may not qualify until the next assessment year. The commissioner of natural resources must concur that the land is qualified. The commissioner of natural resources shall annually provide county assessors verification information on a timely basis. The presence of a minor, ancillary nonresidential structure as defined by the commissioner of revenue does not disqualify the property from classification under this paragraph.

(e) Agricultural land as used in this section means:

(1) contiguous acreage of ten acres or more, used during the preceding year for agricultural purposes; or

(2) contiguous acreage used during the preceding year for an intensive livestock or poultry confinement operation, provided that land used only for pasturing or grazing does not qualify under this clause.

"Agricultural purposes" as used in this section means the raising, cultivation, drying, or storage of agricultural products for sale, or the storage of machinery or equipment used in support of agricultural production by the same farm entity. For a property to be classified as agricultural based only on the drying or storage of agricultural products, the products being dried or stored must have been produced by the same farm entity as the entity operating the drying or storage facility. "Agricultural purposes" also includes enrollment in the Reinvest in Minnesota program under sections 103F.501 to 103F.535 or the federal Conservation Reserve Program as contained in Public
Law 99-198 or a similar local, state, or federal conservation program if the property was classified as agricultural (i) under this subdivision for taxes payable in 2003 because of its enrollment in a qualifying program and the land remains enrolled or (ii) in the year prior to its enrollment. For purposes of this section, a local conservation program means a program administered by a town, statutory or home rule charter city, or county, including a watershed district, water management organization, or soil and water conservation district, in which landowners voluntarily enroll land and receive incentive payments in exchange for use or other restrictions placed on the land. Agricultural classification shall not be based upon the market value of any residential structures on the parcel or contiguous parcels under the same ownership.

"Contiguous acreage," for purposes of this paragraph, means all of, or a contiguous portion of, a tax parcel as described in section 272.193, or all of, or a contiguous portion of, a set of contiguous tax parcels under that section that are owned by the same person.

(f) Agricultural land under this section also includes:

(1) contiguous acreage that is less than ten acres in size and exclusively used in the preceding year for raising or cultivating agricultural products; or

(2) contiguous acreage that contains a residence and is less than 11 acres in size, if the contiguous acreage exclusive of the house, garage, and surrounding one acre of land was used in the preceding year for one or more of the following three uses:

   (i) for an intensive grain drying or storage operation, or for intensive machinery or equipment storage activities used to support agricultural activities on other parcels of property operated by the same farming entity;

   (ii) as a nursery, provided that only those acres used intensively to produce nursery stock are considered agricultural land; or

   (iii) for intensive market farming; for purposes of this paragraph, "market farming" means the cultivation of one or more fruits or vegetables or production of animal or other agricultural products for sale to local markets by the farmer or an organization with which the farmer is affiliated.

"Contiguous acreage," for purposes of this paragraph, means all of a tax parcel as described in section 272.193, or all of a set of contiguous tax parcels under that section that are owned by the same person.

(g) Land shall be classified as agricultural even if all or a portion of the agricultural use of that property is the leasing to, or use by another person for agricultural purposes.

Classification under this subdivision is not determinative for qualifying under section 273.111.

(h) The property classification under this section supersedes, for property tax purposes only, any locally administered agricultural policies or land use restrictions that define minimum or maximum farm acreage.

(i) The term "agricultural products" as used in this subdivision includes production for sale of:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) fish bred for sale and consumption if the fish breeding occurs on land zoned for agricultural use;
(3) the commercial boarding of horses, which may include related horse training and riding instruction, if the boarding is done on property that is also used for raising pasture to graze horses or raising or cultivating other agricultural products as defined in clause (1);

(4) property which is owned and operated by nonprofit organizations used for equestrian activities, excluding racing;

(5) game birds and waterfowl bred and raised (i) on a game farm licensed under section 97A.105, provided that the annual licensing report to the Department of Natural Resources, which must be submitted annually by March 30 to the assessor, indicates that at least 500 birds were raised or used for breeding stock on the property during the preceding year and that the owner provides a copy of the owner's most recent schedule F; or (ii) for use on a shooting preserve licensed under section 97A.115;

(6) insects primarily bred to be used as food for animals;

(7) trees, grown for sale as a crop, including short rotation woody crops, and not sold for timber, lumber, wood, or wood products; and

(8) maple syrup taken from trees grown by a person licensed by the Minnesota Department of Agriculture under chapter 28A as a food processor.

(j) If a parcel used for agricultural purposes is also used for commercial or industrial purposes, including but not limited to:

(1) wholesale and retail sales;

(2) processing of raw agricultural products or other goods;

(3) warehousing or storage of processed goods; and

(4) office facilities for the support of the activities enumerated in clauses (1), (2), and (3),

the assessor shall classify the part of the parcel used for agricultural purposes as class 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use. The grading, sorting, and packaging of raw agricultural products for first sale is considered an agricultural purpose. A greenhouse or other building where horticultural or nursery products are grown that is also used for the conduct of retail sales must be classified as agricultural if it is primarily used for the growing of horticultural or nursery products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of those products. Use of a greenhouse or building only for the display of already grown horticultural or nursery products does not qualify as an agricultural purpose.

(k) The assessor shall determine and list separately on the records the market value of the homestead dwelling and the one acre of land on which that dwelling is located. If any farm buildings or structures are located on this homesteaded acre of land, their market value shall not be included in this separate determination.

(l) Class 2d airport landing area consists of a landing area or public access area of a privately owned public use airport. It has a classification rate of one percent of market value. To qualify for classification under this paragraph, a privately owned public use airport must be licensed as a public airport under section 360.018. For purposes of this paragraph, "landing area" means that part of a privately owned public use airport properly cleared, regularly maintained, and made available to the public for use by aircraft and includes runways, taxiways, aprons, and sites upon which are situated landing or navigational aids. A landing area also includes land underlying both the primary surface and the approach surfaces that comply with all of the following:
(i) the land is properly cleared and regularly maintained for the primary purposes of the landing, taking off, and taxiing of aircraft; but that portion of the land that contains facilities for servicing, repair, or maintenance of aircraft is not included as a landing area;

(ii) the land is part of the airport property; and

(iii) the land is not used for commercial or residential purposes.

The land contained in a landing area under this paragraph must be described and certified by the commissioner of transportation. The certification is effective until it is modified, or until the airport or landing area no longer meets the requirements of this paragraph. For purposes of this paragraph, "public access area" means property used as an aircraft parking ramp, apron, or storage hangar, or an arrival and departure building in connection with the airport.

(m) Class 2e consists of land with a commercial aggregate deposit that is not actively being mined and is not otherwise classified as class 2a or 2b, provided that the land is not located in a county that has elected to opt-out of the aggregate preservation program as provided in section 273.1115, subdivision 6. It has a classification rate of one percent of market value. To qualify for classification under this paragraph, the property must be at least ten contiguous acres in size and the owner of the property must record with the county recorder of the county in which the property is located an affidavit containing:

1. a legal description of the property;

2. a disclosure that the property contains a commercial aggregate deposit that is not actively being mined but is present on the entire parcel enrolled;

3. documentation that the conditional use under the county or local zoning ordinance of this property is for mining; and

4. documentation that a permit has been issued by the local unit of government or the mining activity is allowed under local ordinance. The disclosure must include a statement from a registered professional geologist, engineer, or soil scientist delineating the deposit and certifying that it is a commercial aggregate deposit.

For purposes of this section and section 273.1115, "commercial aggregate deposit" means a deposit that will yield crushed stone or sand and gravel that is suitable for use as a construction aggregate; and "actively mined" means the removal of topsoil and overburden in preparation for excavation or excavation of a commercial deposit.

(n) When any portion of the property under this subdivision or subdivision 22 begins to be actively mined, the owner must file a supplemental affidavit within 60 days from the day any aggregate is removed stating the number of acres of the property that is actively being mined. The acres actively being mined must be (1) valued and classified under subdivision 24 in the next subsequent assessment year, and (2) removed from the aggregate resource preservation property tax program under section 273.1115, if the land was enrolled in that program. Copies of the original affidavit and all supplemental affidavits must be filed with the county assessor, the local zoning administrator, and the Department of Natural Resources, Division of Land and Minerals. A supplemental affidavit must be filed each time a subsequent portion of the property is actively mined, provided that the minimum acreage change is five acres, even if the actual mining activity constitutes less than five acres.

(o) The definitions prescribed by the commissioner under paragraphs (c) and (d) are not rules and are exempt from the rulemaking provisions of chapter 14, and the provisions in section 14.386 concerning exempt rules do not apply.

**EFFECTIVE DATE.** This section is effective beginning with assessment year 2018.
Sec. 15. Minnesota Statutes 2016, section 273.13, subdivision 25, is amended to read:

Subd. 25. **Class 4.** (a) Class 4a is residential real estate containing four or more units and used or held for use by the owner or by the tenants or lessees of the owner as a residence for rental periods of 30 days or more, excluding property qualifying for class 4d. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other than hospitals exempt under section 272.02, and contiguous property used for hospital purposes, without regard to whether the property has been platted or subdivided. The market value of class 4a property has a classification rate of 1.25 percent.

(b) Class 4b includes:

(1) residential real estate containing less than four units that does not qualify as class 4bb, other than seasonal residential recreational property;

(2) manufactured homes not classified under any other provision;

(3) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b) containing two or three units; and

(4) unimproved property that is classified residential as determined under subdivision 33.

The market value of class 4b property has a classification rate of 1.25 percent.

(c) Class 4bb includes:

(1) nonhomestead residential real estate containing one unit, other than seasonal residential recreational property, and a single-family dwelling, garage;

(2) single-family dwellings including garages and the surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b); and

(3) condominium-type storage units having individual legal descriptions that are not used for commercial purposes.

Class 4bb property has the same classification rates as class 1a property under subdivision 22.

Property that has been classified as seasonal residential recreational property at any time during which it has been owned by the current owner or spouse of the current owner does not qualify for class 4bb.

(d) Class 4c property includes:

(1) except as provided in subdivision 22, paragraph (c), real and personal property devoted to commercial temporary and seasonal residential occupancy for recreation purposes, for not more than 250 days in the year preceding the year of assessment. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property is used for residential occupancy, and a fee is charged for residential occupancy. Class 4c property under this clause must contain three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. A camping pad offered for rent by a property that otherwise qualifies for class 4c under this clause is also class 4c under this clause regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. In order for a property to be classified under this clause, either (i) the business located on the property must provide recreational activities, at least 40 percent of the annual gross lodging
receipts related to the property must be from business conducted during 90 consecutive days, and either (A) at least 60 percent of all paid bookings by lodging guests during the year must be for periods of at least two consecutive nights; or (B) at least 20 percent of the annual gross receipts must be from charges for providing recreational activities, or (ii) the business must contain 20 or fewer rental units, and must be located in a township or a city with a population of 2,500 or less located outside the metropolitan area, as defined under section 473.121, subdivision 2, that contains a portion of a state trail administered by the Department of Natural Resources. For purposes of item (i)(A), a paid booking of five or more nights shall be counted as two bookings. Class 4c property also includes commercial use real property used exclusively for recreational purposes in conjunction with other class 4c property classified under this clause and devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 250 days in the year preceding the year of assessment and is located within two miles of the class 4c property with which it is used. In order for a property to qualify for classification under this clause, the owner must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated class 4c under this clause as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located will be designated as class 3a. The owner of property desiring designation as class 4c property under this clause must provide guest registers or other records demonstrating that the units for which class 4c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 4c. For the purposes of this paragraph, "recreational activities" means renting ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment; providing marina services, launch services, or guide services; or selling bait and fishing tackle;

(2) qualified property used as a golf course if:

(i) it is open to the public on a daily fee basis. It may charge membership fees or dues, but a membership fee may not be required in order to use the property for golfing, and its green fees for golfing must be comparable to green fees typically charged by municipal courses; and

(ii) it meets the requirements of section 273.112, subdivision 3, paragraph (d).

A structure used as a clubhouse, restaurant, or place of refreshment in conjunction with the golf course is classified as class 3a property;

(3) real property up to a maximum of three acres of land owned and used by a nonprofit community service oriented organization and not used for residential purposes on either a temporary or permanent basis, provided that:

(i) the property is not used for a revenue-producing activity for more than six days in the calendar year preceding the year of assessment; or

(ii) the organization makes annual charitable contributions and donations at least equal to the property's previous year's property taxes and the property is allowed to be used for public and community meetings or events for no charge, as appropriate to the size of the facility.

For purposes of this clause:

(A) "charitable contributions and donations" has the same meaning as lawful gambling purposes under section 349.12, subdivision 25, excluding those purposes relating to the payment of taxes, assessments, fees, auditing costs, and utility payments;
(B) "property taxes" excludes the state general tax;

(C) a "nonprofit community service oriented organization" means any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (8), (10), or (19) of the Internal Revenue Code; and

(D) "revenue-producing activities" shall include but not be limited to property or that portion of the property that is used as an on-sale intoxicating liquor or 3.2 percent malt liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling alley, a retail store, gambling conducted by organizations licensed under chapter 349, an insurance business, or office or other space leased or rented to a lessee who conducts a for-profit enterprise on the premises.

Any portion of the property not qualifying under either item (i) or (ii) is class 3a. The use of the property for social events open exclusively to members and their guests for periods of less than 24 hours, when an admission is not charged nor any revenues are received by the organization shall not be considered a revenue-producing activity.

The organization shall maintain records of its charitable contributions and donations and of public meetings and events held on the property and make them available upon request any time to the assessor to ensure eligibility. An organization meeting the requirement under item (ii) must file an application by May 1 with the assessor for eligibility for the current year's assessment. The commissioner shall prescribe a uniform application form and instructions;

(4) postsecondary student housing of not more than one acre of land that is owned by a nonprofit corporation organized under chapter 317A and is used exclusively by a student cooperative, sorority, or fraternity for on-campus housing or housing located within two miles of the border of a college campus;

(5)(i) manufactured home parks as defined in section 327.14, subdivision 3, excluding manufactured home parks described in section 273.124, subdivision 3a, and (ii) manufactured home parks as defined in section 327.14, subdivision 3, that are described in section 273.124, subdivision 3a;

(6) real property that is actively and exclusively devoted to indoor fitness, health, social, recreational, and related uses, is owned and operated by a not-for-profit corporation, and is located within the metropolitan area as defined in section 473.121, subdivision 2;

(7) a leased or privately owned noncommercial aircraft storage hangar not exempt under section 272.01, subdivision 2, and the land on which it is located, provided that:

(i) the land is on an airport owned or operated by a city, town, county, Metropolitan Airports Commission, or group thereof; and

(ii) the land lease, or any ordinance or signed agreement restricting the use of the leased premise, prohibits commercial activity performed at the hangar.

If a hangar classified under this clause is sold after June 30, 2000, a bill of sale must be filed by the new owner with the assessor of the county where the property is located within 60 days of the sale;

(8) a privately owned noncommercial aircraft storage hangar not exempt under section 272.01, subdivision 2, and the land on which it is located, provided that:
(i) the land abuts a public airport; and

(ii) the owner of the aircraft storage hangar provides the assessor with a signed agreement restricting the use of the premises, prohibiting commercial use or activity performed at the hangar; and

(9) residential real estate, a portion of which is used by the owner for homestead purposes, and that is also a place of lodging, if all of the following criteria are met:

(i) rooms are provided for rent to transient guests that generally stay for periods of 14 or fewer days;

(ii) meals are provided to persons who rent rooms, the cost of which is incorporated in the basic room rate;

(iii) meals are not provided to the general public except for special events on fewer than seven days in the calendar year preceding the year of the assessment; and

(iv) the owner is the operator of the property.

The market value subject to the 4c classification under this clause is limited to five rental units. Any rental units on the property in excess of five, must be valued and assessed as class 3a. The portion of the property used for purposes of a homestead by the owner must be classified as class 1a property under subdivision 22;

(10) real property up to a maximum of three acres and operated as a restaurant as defined under section 157.15, subdivision 12, provided it: (i) is located on a lake as defined under section 103G.005, subdivision 15, paragraph (a), clause (3); and (ii) is either devoted to commercial purposes for not more than 250 consecutive days, or receives at least 60 percent of its annual gross receipts from business conducted during four consecutive months. Gross receipts from the sale of alcoholic beverages must be included in determining the property's qualification under item (ii). The property's primary business must be as a restaurant and not as a bar. Gross receipts from gift shop sales located on the premises must be excluded. Owners of real property desiring 4c classification under this clause must submit an annual declaration to the assessor by February 1 of the current assessment year, based on the property's relevant information for the preceding assessment year;

(11) lakeshore and riparian property and adjacent land, not to exceed six acres, used as a marina, as defined in section 86A.20, subdivision 5, which is made accessible to the public and devoted to recreational use for marina services. The marina owner must annually provide evidence to the assessor that it provides services, including lake or river access to the public by means of an access ramp or other facility that is either located on the property of the marina or at a publicly owned site that abuts the property of the marina. No more than 800 feet of lakeshore may be included in this classification. Buildings used in conjunction with a marina for marina services, including but not limited to buildings used to provide food and beverage services, fuel, boat repairs, or the sale of bait or fishing tackle, are classified as class 3a property; and

(12) real and personal property devoted to noncommercial temporary and seasonal residential occupancy for recreation purposes.

Class 4c property has a classification rate of 1.5 percent of market value, except that (i) each parcel of noncommercial seasonal residential recreational property under clause (12) has the same classification rates as class 4bb property, (ii) manufactured home parks assessed under clause (5), item (i), have the same classification rate as class 4b property, and the market value of manufactured home parks assessed under clause (5), item (ii), has a classification rate of 0.75 percent if more than 50 percent of the lots in the park are occupied by shareholders in the cooperative corporation or association and a classification rate of one percent if 50 percent or less of the lots are so occupied, (iii) commercial-use seasonal residential recreational property and marina recreational land as described in clause (11), has a classification rate of one percent for the first $500,000 of market value, and 1.25 percent for the
remaining market value, (iv) the market value of property described in clause (4) has a classification rate of one percent, (v) the market value of property described in clauses (2), (6), and (10) has a classification rate of 1.25 percent, and (vi) that portion of the market value of property in clause (9) qualifying for class 4c property has a classification rate of 1.25 percent. The commissioner of veterans affairs must provide a list of congressionally chartered veterans organizations to the commissioner of revenue by June 30, 2017, and by January 1, 2018, and each year thereafter.

(e) Class 4d property is qualifying low-income rental housing certified to the assessor by the Housing Finance Agency under section 273.128, subdivision 3. If only a portion of the units in the building qualify as low-income rental housing units as certified under section 273.128, subdivision 3, only the proportion of qualifying units to the total number of units in the building qualify for class 4d. The remaining portion of the building shall be classified by the assessor based upon its use. Class 4d also includes the same proportion of land as the qualifying low-income rental housing units are to the total units in the building. For all properties qualifying as class 4d, the market value determined by the assessor must be based on the normal approach to value using normal unrestricted rents.

(f) The first tier of market value of class 4d property has a classification rate of 0.75 percent. The remaining value of class 4d property has a classification rate of 0.25 percent. For the purposes of this paragraph, the "first tier of market value of class 4d property" means the market value of each housing unit up to the first tier limit. For the purposes of this paragraph, all class 4d property value must be assigned to individual housing units. The first tier limit is $100,000 for assessment year 2014. For subsequent years, the limit is adjusted each year by the average statewide change in estimated market value of property classified as class 4a and 4d under this section for the previous assessment year, excluding valuation change due to new construction, rounded to the nearest $1,000, provided, however, that the limit may never be less than $100,000. Beginning with assessment year 2015, the commissioner of revenue must certify the limit for each assessment year by November 1 of the previous year.

EFFECTIVE DATE. This section is effective beginning with taxes assessed in 2017 and payable in 2018.

Sec. 16. Minnesota Statutes 2016, section 273.13, subdivision 34, is amended to read:

Subd. 34. Homestead of disabled veteran or family caregiver. (a) All or a portion of the market value of property owned by a veteran and serving as the veteran's homestead under this section is excluded in determining the property's taxable market value if the veteran has a service-connected disability of 70 percent or more as certified by the United States Department of Veterans Affairs. To qualify for exclusion under this subdivision, the veteran must have been honorably discharged from the United States armed forces, as indicated by United States Government Form DD214 or other official military discharge papers.

(b)(1) For a disability rating of 70 percent or more, $150,000 of market value is excluded, except as provided in clause (2); and

(2) for a total (100 percent) and permanent disability, $300,000 of market value is excluded.

(c) If a disabled veteran qualifying for a valuation exclusion under paragraph (b), clause (2), predeceases the veteran's spouse, and if upon the death of the veteran the spouse holds the legal or beneficial title to the homestead and permanently resides there, the exclusion shall carry over to the benefit of the veteran's spouse for the current taxes payable year and for eight additional years payable years or until such time as the spouse remarries, sells, transfers, or otherwise disposes of the property, whichever comes first. Qualification under this paragraph requires an annual application under paragraph (h), and a spouse must notify the assessor if there is a change in the spouse's marital status, ownership of the property, or use of the property as a permanent residence.
(d) If the spouse of a member of any branch or unit of the United States armed forces who dies due to a service-connected cause while serving honorably in active service, as indicated on United States Government Form DD1300 or DD2064, holds the legal or beneficial title to a homestead and permanently resides there, the spouse is entitled to the benefit described in paragraph (b), clause (2), for eight taxes payable years, or until such time as the spouse remarries or sells, transfers, or otherwise disposes of the property, whichever comes first.

(e) If a veteran meets the disability criteria of paragraph (a) but does not own property classified as homestead in the state of Minnesota, then the homestead of the veteran's primary family caregiver, if any, is eligible for the exclusion that the veteran would otherwise qualify for under paragraph (b).

(f) In the case of an agricultural homestead, only the portion of the property consisting of the house and garage and immediately surrounding one acre of land qualifies for the valuation exclusion under this subdivision.

(g) A property qualifying for a valuation exclusion under this subdivision is not eligible for the market value exclusion under subdivision 35, or classification under subdivision 22, paragraph (b).

(h) To qualify for a valuation exclusion under this subdivision a property owner must apply to the assessor by July 1 of each assessment year, except that an annual reapplication is not required once a property has been accepted for a valuation exclusion under paragraph (a) and qualifies for the benefit described in paragraph (b), clause (2), and the property continues to qualify until there is a change in ownership of the first assessment year for which the exclusion is sought. For an application received after July 1 of any calendar year, the exclusion shall become effective for the following assessment year. Except as provided in paragraph (c), the owner of a property that has been accepted for a valuation exclusion must notify the assessor if there is a change in ownership of the property or in the use of the property as a homestead.

(i) A first-time application by a qualifying spouse for the market value exclusion under paragraph (d) must be made any time within two years of the death of the service member.

(j) For purposes of this subdivision:

(1) "active service" has the meaning given in section 190.05;

(2) "own" means that the person's name is present as an owner on the property deed;

(3) "primary family caregiver" means a person who is approved by the secretary of the United States Department of Veterans Affairs for assistance as the primary provider of personal care services for an eligible veteran under the Program of Comprehensive Assistance for Family Caregivers, codified as United States Code, title 38, section 1720G; and

(4) "veteran" has the meaning given the term in section 197.447.

(k) If a veteran dying after December 31, 2011, did not apply for or receive the exclusion under paragraph (b), clause (2), before dying, the veteran's spouse is entitled to the benefit under paragraph (b), clause (2), for eight taxes payable years or until the spouse remarries or sells, transfers, or otherwise disposes of the property if:

(1) the spouse files a first-time application within two years of the death of the service member or by June 1, 2019, whichever is later;

(2) upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides there;
(3) the veteran met the honorable discharge requirements of paragraph (a); and

(4) the United States Department of Veterans Affairs certifies that:

(i) the veteran met the total (100 percent) and permanent disability requirement under paragraph (b), clause (2); or

(ii) the spouse has been awarded dependency and indemnity compensation.

(l) The purpose of this provision of law providing a level of homestead property tax relief for gravely disabled veterans, their primary family caregivers, and their surviving spouses is to help ease the burdens of war for those among our state's citizens who bear those burdens most heavily.

(m) By July 1, the county veterans service officer must certify the disability rating of each veteran receiving the benefit under paragraph (b) to the assessor.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 17. [274.132] PROPERTY OVERVALUED.

Subdivision 1. Valuation appeals. Notwithstanding any other law to the contrary, when the value of a property is reduced by a local, special, or county board of appeal and equalization, the state board of equalization, an order from the Minnesota Tax Court, or an abatement to correct an error in valuation, a property owner may appeal the valuation of the property for the taxes payable year immediately preceding the year for which the value is reduced, provided that the valuation of the property for the immediately preceding taxes payable year was not previously appealed. An appeal under this subdivision may only be taken to the Minnesota Tax Court.

Subd. 2. Credit for overpayment of tax. (a) The county auditor shall credit any refund determined by the Minnesota Tax Court under subdivision 1 against the succeeding year's tax payable on the property according to the following schedule:

(1) if the refund is less than 25 percent of the total tax payable on the property for the current year, it shall be credited to the tax payable on the property in the succeeding taxes payable year; or

(2) if the refund is 25 percent or more of the total tax payable on the property for the current year, beginning in the succeeding taxes payable year, it shall be credited to the tax payable on the property at a rate of 25 percent of the property taxes due per year until credited in full.

(b) The credit under this subdivision shall reduce the tax payable to each jurisdiction in proportion to the total tax payable on the property.

**EFFECTIVE DATE.** This section is effective for appeals, orders, and abatements in 2018 and thereafter.

Sec. 18. Minnesota Statutes 2016, section 275.025, subdivision 1, is amended to read:

The state general levy base amount is $592,000,000 for commercial-industrial property is $730,620,000 for taxes payable in 2002 and thereafter. The state general levy for seasonal-recreational property is $44,190,000 for taxes payable in 2018 and thereafter. For taxes payable in subsequent years, the levy base amount is increased each year by multiplying the levy base amount for the prior year by the sum of one plus the rate of increase, if any, in the implicit price deflator for government consumption expenditures and gross investment for state and local governments prepared by the Bureau
of Economic Analysts of the United States Department of Commerce for the 12-month period ending March 31 of the year prior to the year the taxes are payable. The tax under this section is not treated as a local tax rate under section 469.177 and is not the levy of a governmental unit under chapters 276A and 473F.

The commissioner shall increase or decrease the preliminary or final rate for a year as necessary to account for errors and tax base changes that affected a preliminary or final rate for either of the two preceding years. Adjustments are allowed to the extent that the necessary information is available to the commissioner at the time the rates for a year must be certified, and for the following reasons:

1. an erroneous report of taxable value by a local official;
2. an erroneous calculation by the commissioner; and
3. an increase or decrease in taxable value for commercial-industrial or seasonal residential recreational property reported on the abstracts of tax lists submitted under section 275.29 that was not reported on the abstracts of assessment submitted under section 270C.89 for the same year.

The commissioner may, but need not, make adjustments if the total difference in the tax levied for the year would be less than $100,000.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2018 and thereafter.

2. electric generation attached machinery under class 3; and
3. property described in section 473.625.

For purposes of this subdivision, the procedures for determining eligibility for tier 1 under section 273.13, subdivision 24, clauses (1) and (2), shall apply in determining the portion of a property eligible to be considered within the first $200,000 of market value.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2018 and thereafter.

Sec. 20. Minnesota Statutes 2016, section 275.025, subdivision 4, is amended to read:

Sec. 23. Minnesota Statutes 2016, section 276.017, subdivision 3, is amended to read:

Subd. 3. **United States Postal Service postmark Proof of timely payment.** The postmark or registration mark of the United States Postal Service qualifies as proof of timely mailing for this section. If the payment is sent by United States registered mail, the date of registration is the postmark date. If the payment is sent by United States certified mail, the date of the United States Postal Service postmark on the receipt given to the person presenting the payment for delivery is the date of mailing. Mailing, or the time of mailing, may also be established by a delivery service's records or other available evidence except that the postmark of a private postage meter or internet stamp may not be used as proof of a timely mailing made under this section.

Sec. 24. Minnesota Statutes 2016, section 279.01, subdivision 1, is amended to read:

Subdivision 1. **Due dates; penalties.** Except as provided in subdivisions 3 to 5, on May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, a penalty accrues and thereafter is charged upon all unpaid taxes on real estate on the current lists in the hands of the county treasurer. The (a) When the taxes against any tract or lot exceed $100, one-half of the amount of tax due must be paid prior to May 16, and the remaining one-half must be paid prior to the following October 16. If either tax amount is unpaid as of its due date, a penalty is imposed at a rate of two percent on homestead property until May 31 and four percent on nonhomestead property. If complete payment has not been made by the first day of the month following either due date, an additional penalty of two percent on June 1. The penalty on nonhomestead property is at a rate of four percent until May 31, homestead property and eight four percent on June 1. This penalty does not accrue until June 1 of each year, or 21 days after the postmark date on the envelope containing the property tax statements, whichever is later, on commercial use real property used for seasonal residential recreational purposes and classified as class 1e or 4e, and on other commercial use real property classified at class 3a, provided that over 60 percent of the gross income earned by the enterprise on the class 3a property is earned during the months of May, June, July, and August. In order for the first half of the tax due on class 3a property to be paid after May 15 and before June 1, or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, without penalty, the owner of the property must attach an affidavit to the payment attesting to compliance with the income provision of this subdivision nonhomestead property is imposed. Thereafter, for both homestead and nonhomestead property, on the first day of each subsequent month beginning July 1, up to and including October 1 following through December, an additional penalty of one percent for each month accrues and is charged upon all such unpaid taxes provided that if the due date was extended beyond May 15 as the result of any delay in mailing property tax statements no additional penalty shall accrue if the tax is paid by the extended due date. If the tax is not paid by the extended due date, then all penalties that would have accrued if the due date had been May 15 shall be charged. When the taxes against any tract or lot exceed $100, one-half thereof may be paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later; and, if so paid, no penalty attaches; the remaining one-half may be paid at any time prior to October 16 following, without penalty; but, if not so paid, then a penalty of two percent accrues thereon for homestead property and a penalty of four percent on nonhomestead property. Thereafter, for homestead property, on the first day of November an additional penalty of four percent accrues and on the first day of December following, an additional penalty of two percent accrues and is charged on all such unpaid taxes. Thereafter, for nonhomestead property, on the first day of November and December following, an additional penalty of four percent for each month accrues and is charged on all such unpaid taxes. If one-half of such taxes are not paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, the same may be paid at any time prior to October 16, with accrued penalties to the date of payment added, and thereupon no penalty attaches to the remaining one-half until October 16 following the penalty must not exceed eight percent in the case of homestead property, or 12 percent in the case of nonhomestead property.

(b) If the property tax statement was not postmarked prior to April 25, the first half payment due date in paragraph (a) shall be 21 days from the postmark date of the property tax statement, and all penalties referenced in paragraph (a) shall be determined with regard to the later due date.
(c) In the case of a tract or lot with taxes of $100 or less, the due date and penalties as specified in paragraph (a) or (b) for the first half payment shall apply to the entire amount of the tax due.

(d) For commercial use real property used for seasonal residential recreational purposes and classified as class 1c or 4c, and on other commercial use real property classified as class 3a, provided that over 60 percent of the gross income earned by the enterprise on the class 3a property is earned during the months of May, June, July, and August, the first half payment is due prior to June 1. For a class 3a property to qualify for the later due date, the owner of the property must attach an affidavit to the payment attesting to compliance with the income requirements of this paragraph.

(e) This section applies to payment of personal property taxes assessed against improvements to leased property, except as provided by section 277.01, subdivision 3.

(f) A county may provide by resolution that in the case of a property owner that has multiple tracts or parcels with aggregate taxes exceeding $100, payments may be made in installments as provided in this subdivision.

(g) The county treasurer may accept payments of more or less than the exact amount of a tax installment due. Payments must be applied first to the oldest installment that is due but which has not been fully paid. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year or the installment being paid. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 278.03 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 25. Minnesota Statutes 2016, section 279.01, subdivision 2, is amended to read:

Subd. 2. Abatement of penalty. (a) The county board may, with the concurrence of the county treasurer, delegate to the county treasurer the power to abate the penalty provided for late payment of taxes in the current year. Notwithstanding section 270C.86, if any county board so elects, the county treasurer may abate the penalty on finding that the imposition of the penalty would be unjust and unreasonable.

(b) The county treasurer shall abate the penalty provided for late payment of taxes in the current year if the property tax payment is delivered by mail to the county treasurer and the envelope containing the payment is postmarked by the United States Postal Service within one business day of the due date prescribed under this section, but only if the property owner requesting the abatement has not previously received an abatement of penalty for late payment of tax under this paragraph.

**EFFECTIVE DATE.** This section is effective for property taxes payable in 2018 and thereafter.

Sec. 26. Minnesota Statutes 2016, section 279.01, subdivision 3, is amended to read:

Subd. 3. Agricultural property. (a) In the case of class 1b agricultural homestead, class 2a agricultural homestead property, and class 2a agricultural nonhomestead property, and class 2b rural vacant land, no penalties shall attach to the second one-half property tax payment as provided in this section if paid by November 15. Thereafter for class 1b agricultural homestead and class 2a homestead property, on November 16 following, a penalty of six percent shall accrue and be charged on all such unpaid taxes and on December 1 following, an additional two percent shall be charged on all such unpaid taxes. Thereafter for class 2a agricultural nonhomestead property, on November 16 following, a penalty of eight percent shall accrue and be charged on all such unpaid taxes and on December 1 following, an additional four percent shall be charged on all such unpaid taxes. Penalties shall attach as provided in subdivision 1.
If the owner of class 1b agricultural homestead or class 2a agricultural property receives a consolidated property tax statement that shows only an aggregate of the taxes and special assessments due on that property and on other property not classified as class 1b agricultural homestead or class 2a agricultural property, the aggregate tax and special assessments shown due on the property by the consolidated statement will be due on November 15.

(b) Notwithstanding paragraph (a), for taxes payable in 2010 and 2011, for any class 2b property that was subject to a second-half due date of November 15 for taxes payable in 2009, the county shall not impose, or if imposed, shall abate penalty amounts in excess of those that would apply as if the second-half due date were November 15.

EFFECTIVE DATE. (a) Except as provided in paragraph (b), this section is effective beginning with taxes payable in 2018.

(b) For property in the northern forest region, the provisions in this section applicable to class 2b rural vacant land are effective beginning with taxes payable in 2019.

Sec. 27. Minnesota Statutes 2016, section 279.37, is amended by adding a subdivision to read:

Subd. 1b. Conditions. The county auditor may offer on a voluntary basis financial literacy counseling as part of entering into a confession of judgment. The county auditor may fund the financial literacy counseling using the fee in subdivision 8. The counseling shall not be at taxpayer expense.

Sec. 28. Minnesota Statutes 2016, section 281.17, is amended to read:

281.17 PERIOD FOR OF REDEMPTION.

(a) Except for properties described in paragraphs (b) and (c), or properties for which the period of redemption has been limited under sections 281.173 and 281.174, the following periods for period of redemption apply.

The period of redemption for all lands sold to the state at a tax judgment sale shall be three years from the date of sale to the state of Minnesota.

The period of redemption for homesteaded lands as defined in section 273.13, subdivision 22, located in a targeted neighborhood as defined in Laws 1987, chapter 386, article 6, section 4, and sold to the state at a tax judgment sale is three years from the date of sale.

(b) The period of redemption for all lands located in a targeted neighborhood community as defined in Laws 1987, chapter 386, article 6, section 4, section 469.201, subdivision 10, except homesteaded lands as defined in section 273.13, subdivision 22, is one year from the date of sale.

(c) The period of redemption for all real property constituting a mixed municipal solid waste disposal facility that is a qualified facility under section 115B.39, subdivision 1, is one year from the date of the sale to the state of Minnesota.

(d) In determining the period of redemption, the county must use the property’s classification and homestead classification for the assessment year on which the tax judgment is based. Any change in the property’s classification or homestead classification after the assessment year on which the tax judgment is based does not affect the period of redemption.
Sec. 29. Minnesota Statutes 2016, section 281.173, subdivision 2, is amended to read:

Subd. 2. **Summons and complaint.** Any city, county, housing and redevelopment authority, port authority, or economic development authority, in which the premises are located may commence an action in district court to reduce the period otherwise allowed for redemption under this chapter. The action must be commenced by the filing of a complaint, naming as defendants the record fee owners or the owner's personal representative, or the owner's heirs as determined by a court of competent jurisdiction, contract for deed purchasers, mortgagees, assigns of any of the above, the taxpayers as shown on the records of the county auditor, the Internal Revenue Service of the United States and the Revenue Department of the state of Minnesota if tax liens against the owners or contract for deed purchasers have been recorded or filed; and any other person the plaintiff determines should be made a party. The action shall be filed in district court for the county in which the premises are located. The complaint must identify the premises by legal description. The complaint must allege (1) that the premises are abandoned, (2) that the tax judgment sale pursuant to section 280.01 has been made, and (3) notice of expiration of the time for redemption has not been given.

The complaint must request an order reducing the redemption period to five weeks. When the complaint has been filed, the court shall issue a summons commanding the person or persons named in the complaint to appear before the court on a day and at a place stated in the summons. The appearance date shall be not less than 15 nor more than 25 days from the date of the issuing of the summons. A copy of the filed complaint must be attached to the summons.

Sec. 30. Minnesota Statutes 2016, section 281.174, subdivision 3, is amended to read:

Subd. 3. **Summons and complaint.** Any city, county, housing and redevelopment authority, port authority, or economic development authority in which the property is located may commence an action in district court to reduce the period otherwise allowed for redemption under this chapter from the date of the requested order. The action must be commenced by the filing of a complaint, naming as defendants the record fee owners or the owner's personal representative, or the owner's heirs as determined by a court of competent jurisdiction, contract for deed purchasers, mortgagees, assigns of any of the above, the taxpayers as shown on the records of the county auditor, the Internal Revenue Service of the United States and the revenue department of the state of Minnesota if tax liens against the owners or contract for deed purchasers have been recorded or filed, and any other person the plaintiff determines should be made a party. The action shall be filed in district court for the county in which the property is located. The complaint must identify the property by legal description. The complaint must allege (1) that the property is vacant, (2) that the tax judgment sale under section 280.01 has been made, and (3) notice of expiration of the time for redemption has not been given.

The complaint must request an order reducing the redemption period to five weeks. When the complaint has been filed, the court shall issue a summons commanding the person or persons named in the complaint to appear before the court on a day and at a place stated in the summons. The appearance date shall be not less than 15 nor more than 25 days from the date of the issuing of the summons, except that, when the United States of America is a party, the date shall be set in accordance with applicable federal law. A copy of the filed complaint must be attached to the summons.

Sec. 31. **[281.231] MAINTENANCE; EXPENDITURE OF PUBLIC FUNDS.**

If the county auditor provides notice as required by section 281.23, the state, agency, political subdivision, or other entity that becomes the fee owner or manager of a property as a result of forfeiture due to nonpayment of real property taxes is not required to expend public funds to maintain any servitude, agreement, easement, or other encumbrance affecting the property. The fee owner or manager of a property may, at its discretion, spend public funds necessary for the maintenance, security, or management of the property.
Sec. 32. [281.70] LIMITED RIGHT OF ENTRY.

Subdivision 1. Limited right of entry. If premises described in a real estate tax judgment sale are vacant or unoccupied, the county auditor or a person acting on behalf of the county auditor may, but is not obligated to, enter the premises to protect the premises from waste or trespass until the county auditor is notified that the premises are occupied. An affidavit of the sheriff, the county auditor, or a person acting on behalf of the county auditor describing the premises and stating that the premises are vacant and unoccupied is prima facie evidence of the facts stated in the affidavit. If the affidavit contains a legal description of the premises, the affidavit may be recorded in the office of the county recorder or the registrar of titles in the county where the premises are located.

Subd. 2. Authorized actions. (a) The county auditor may take one or more of the following actions to protect the premises from waste or trespass:

(1) install or change locks on doors and windows;

(2) board windows; and

(3) other actions to prevent or minimize damage to the premises from the elements, vandalism, trespass, or other illegal activities.

(b) If the county auditor installs or changes locks on premises under paragraph (a), the county auditor must promptly deliver a key to the premises to the taxpayer or any person lawfully claiming through the taxpayer upon request.

Subd. 3. Costs. Costs incurred by the county auditor in protecting the premises from waste or trespass under this section may be added to the delinquent taxes due. The costs may bear interest to the extent provided, and interest may be added to the delinquent taxes due.

Subd. 4. Scope. The actions authorized under this section are in addition to, and do not limit or replace, any other rights or remedies available to the county auditor under Minnesota law.

Sec. 33. Minnesota Statutes 2016, section 282.01, subdivision 4, is amended to read:

Subd. 4. Sale; method; requirements; effects. (a) The sale authorized under subdivision 3 must be conducted by the county auditor at the county seat of the county in which the parcels lie, except that in St. Louis and Koochiching Counties, the sale may be conducted in any county facility within the county. The sale must not be for less than the appraised value except as provided in subdivision 7a. The parcels must be sold for cash only, unless the county board of the county has adopted a resolution providing for their sale on terms, in which event the resolution controls with respect to the sale. When the sale is made on terms other than for cash only (1) a payment of at least ten percent of the purchase price must be made at the time of purchase, and the balance must be paid in no more than ten equal annual installments, or (2) the payments must be made in accordance with county board policy, but in no event may the board require more than 12 installments annually, and the contract term must not be for more than ten years. Standing timber or timber products must not be removed from these lands until an amount equal to the appraised value of all standing timber or timber products on the lands at the time of purchase has been paid by the purchaser. If a parcel of land bearing standing timber or timber products is sold at public auction for more than the appraised value, the amount bid in excess of the appraised value must be allocated between the land and the timber in proportion to their respective appraised values. In that case, standing timber or timber products must not be removed from the land until the amount of the excess bid allocated to timber or timber products has been paid in addition to the appraised value of the land. The purchaser is entitled to immediate possession, subject to the provisions of any existing valid lease made in behalf of the state.
(b) For sales occurring on or after July 1, 1982, the unpaid balance of the purchase price is subject to interest at the rate determined pursuant to section 549.09. The unpaid balance of the purchase price for sales occurring after December 31, 1990, is subject to interest at the rate determined in section 279.03, subdivision 1a. The interest rate is subject to change each year on the unpaid balance in the manner provided for rate changes in section 549.09 or 279.03, subdivision 1a, whichever, is applicable. Interest on the unpaid contract balance on sales occurring before July 1, 1982, is payable at the rate applicable to the sale at the time that the sale occurred.

(c) Notwithstanding subdivision 7, a county board may by resolution provide for the listing and sale of individual parcels by other means, including through a real estate broker. However, if the buyer under this paragraph could have repurchased a parcel of property under section 282.012 or 282.241, that buyer may not purchase that same parcel of property at the sale under this subdivision for a purchase price less than the sum of all taxes, assessments, penalties, interest, and costs due at the time of forfeiture computed under section 282.251, and any special assessments for improvements certified as of the date of sale. This subdivision shall be liberally construed to encourage the sale and utilization of tax-forfeited land in order to eliminate nuisances and dangerous conditions and to increase compliance with land use ordinances.

Sec. 34. Minnesota Statutes 2016, section 282.01, subdivision 6, is amended to read:

Subd. 6. Duties of commissioner after sale. (a) When any sale has been made by the county auditor under sections 282.01 to 282.13, the auditor shall immediately certify to the commissioner of revenue such information relating to such sale, on such forms as the commissioner of revenue may prescribe as will enable the commissioner of revenue to prepare an appropriate deed if the sale is for cash, or keep necessary records if the sale is on terms; and not later than October 31 of each year the county auditor shall submit to the commissioner of revenue a statement of all instances wherein any payment of principal, interest, or current taxes on lands held under certificate, due or to be paid during the preceding calendar years, are still outstanding at the time the certificate is made. When such statement shows that a purchaser or the purchaser's assignee is in default, the commissioner of revenue may instruct the county board of the county in which the land is located to cancel said certificate of sale in the manner provided by subdivision 5, provided that upon recommendation of the county board, and where the circumstances are such that the commissioner of revenue after investigation is satisfied that the purchaser has made every effort reasonable to make payment of both the annual installment and said taxes, and that there has been no willful neglect on the part of the purchaser in meeting these obligations, then the commissioner of revenue may extend the time for the payment for such period as the commissioner may deem warranted, not to exceed one year. On payment in full of the purchase price, appropriate conveyance in fee, in such form as may be prescribed by the attorney general, shall be issued by the commissioner of revenue, which conveyance must be recorded by the county and shall have the force and effect of a patent from the state subject to easements and restrictions of record at the date of the tax judgment sale, including, but without limitation, permits for telephone and electric power lines either by underground cable or conduit or otherwise, sewer and water lines, highways, railroads, and pipe lines for gas, liquids, or solids in suspension.

(b) The commissioner of revenue shall issue an appropriate conveyance in fee upon the receipt of a loan commitment or approval from the county auditor. For purposes of this paragraph, "loan commitment" or "loan approval" means a written commitment or approval to make a mortgage loan from a lender approved to make mortgage loans in Minnesota. The conveyance shall be issued to the county auditor where the land is located. Upon receipt of the conveyance, the county auditor shall hold the conveyance until such time as the conveyance is requested from a title company licensed to do business in Minnesota. If a request for the conveyance is not made within 45 days of the date the conveyance is issued by the commissioner of revenue, the county auditor shall return the conveyance to the commissioner. The title company making the request for the conveyance shall certify to the county auditor that the conveyance is necessary to close the purchase of the subject property within five days of the request. If the conveyance is delivered to the title company and the closing does not occur within five days of the request, the title company shall immediately return the conveyance to the county auditor, and upon receipt, the county auditor shall return the deed to the commissioner of revenue. The commissioner of revenue shall destroy all deeds returned by the county auditor pursuant to this subdivision.
Sec. 35. Minnesota Statutes 2016, section 282.01, is amended by adding a subdivision to read:

Subd. 13. Online auction. A county board, or a county auditor if the auditor has been delegated such authority under section 282.135, may sell tax-forfeited lands through an online auction. When an online auction is used to sell tax-forfeited lands, the county auditor shall post a physical notice of the online auction and shall publish a notice of the online auction on its Web site not less than ten days before the online auction begins, in addition to any other notice required.

EFFECTIVE DATE. This section is effective for sales of tax-forfeited property that occur on or after August 1, 2017.

Sec. 36. Minnesota Statutes 2016, section 282.016, is amended to read:

282.016 PROHIBITED PURCHASERS.

(a) A county auditor, county treasurer, county attorney, court administrator of the district court, county assessor, supervisor of assessments, deputy or clerk or an employee of such officer, a commissioner for tax-forfeited lands or an assistant to such commissioner, must not become a purchaser, either personally or as an agent or attorney for another person, of the properties offered for sale under the provisions of this chapter in the county for which the person performs duties. A person prohibited from purchasing property under this section must not directly or indirectly have another person purchase it on behalf of the prohibited purchaser for the prohibited purchaser's benefit or gain.

(b) Notwithstanding paragraph (a), such officer, deputy, clerk, or employee or commissioner for tax-forfeited lands or assistant to such commissioner may (1) purchase lands owned by that official at the time the state became the absolute owner thereof or (2) bid upon and purchase forfeited property offered for sale under the alternate sale procedure described in section 282.01, subdivision 7a.

(c) In addition to the persons identified in paragraph (a), a county auditor may prohibit other persons and entities from becoming a purchaser, either personally or as an agent or attorney for another person or entity, of the properties offered for sale under this chapter in the following circumstances: (1) the person or entity owns another property within the county for which there are delinquent taxes owing; (2) the person or entity has held a rental license in the county and the license has been revoked within the last five years; (3) the person or entity has been the vendee of a contract for purchase of a property offered for sale under this chapter, which contract has been canceled within the last five years; or (4) the person or entity owns another property within the county for which there is an unresolved housing code violation, including an unpaid charge or fine.

(d) A person prohibited from purchasing property under this section must not directly or indirectly have another person purchase it on behalf of the prohibited purchaser for the prohibited purchaser's benefit or gain.

Sec. 37. Minnesota Statutes 2016, section 282.018, subdivision 1, is amended to read:

Subd. 1. Land on or adjacent to public waters. (a) All land which is the property of the state as a result of forfeiture to the state for nonpayment of taxes, regardless of whether the land is held in trust for taxing districts, and which borders on or is adjacent to meandered lakes and other public waters and watercourses, and the live timber growing or being thereon, is hereby withdrawn from sale except as hereinafter provided. The authority having jurisdiction over the timber on any such lands may sell the timber as otherwise provided by law for cutting and removal under such conditions as the authority may prescribe in accordance with approved, sustained yield forestry practices. The authority having jurisdiction over the timber shall reserve such timber and impose such conditions as the authority deems necessary for the protection of watersheds, wildlife habitat, shorelines, and scenic features. Within the area in Cook, Lake, and St. Louis counties described in the Act of Congress approved July 10, 1930 (46 Stat. 1020), the timber on tax-forfeited lands shall be subject to like restrictions as are now imposed by that act on federal lands.
(b) Of all tax-forfeited land bordering on or adjacent to meandered lakes and other public waters and watercourses and so withdrawn from sale, a strip two rods in width, the ordinary high-water mark being the waterside boundary thereof, and the land side boundary thereof being a line drawn parallel to the ordinary high-water mark and two rods distant landward therefrom, hereby is reserved for public travel thereon, and whatever the conformation of the shore line or conditions require, the authority having jurisdiction over such lands shall reserve a wider strip for such purposes.

(c) Any tract or parcel of land which has 150 feet or less of waterfront may be sold by the authority having jurisdiction over the land, in the manner otherwise provided by law for the sale of such lands, if the authority determines that it is in the public interest to do so. If the authority having jurisdiction over the land is not the commissioner of natural resources, the land may not be offered for sale without the prior approval of the commissioner of natural resources.

(d) Where the authority having jurisdiction over lands withdrawn from sale under this section is not the commissioner of natural resources, the authority may submit proposals for disposition of the lands to the commissioner. The commissioner of natural resources shall evaluate the lands and their public benefits and make recommendations on the proposed dispositions to the committees of the legislature with jurisdiction over natural resources. The commissioner shall include any recommendations of the commissioner for disposition of lands withdrawn from sale under this section over which the commissioner has jurisdiction. The commissioner's recommendations may include a public sale, sale to a private party, acquisition by the Department of Natural Resources for public purposes, or a cooperative management agreement with, or transfer to, another unit of government.

(e) Notwithstanding this subdivision, a county may sell property governed by this section upon written authorization from the commissioner of natural resources. Prior to the sale or conveyance of lands under this subdivision, the county board must give notice of its intent to meet for that purpose as provided in section 282.01, subdivision 1.

Sec. 38. Minnesota Statutes 2016, section 282.02, is amended to read:

282.02 LIST OF LANDS FOR SALE; NOTICE; ONLINE AUCTIONS PERMITTED.

(a) Immediately after classification and appraisal of the land, and after approval by the commissioner of natural resources when required pursuant to section 282.01, subdivision 3, the county board shall provide and file with the county auditor a list of parcels of land to be offered for sale. This list shall contain a description of the parcels of land and the appraised value thereof. The auditor shall publish a notice of the intended public sale of such parcels of land and a copy of the resolution of the county board fixing the terms of the sale, if other than for cash only, by publication once a week for two weeks in the official newspaper of the county, the last publication to be not less than ten days previous to the commencement of the sale.

(b) The notice shall include the parcel's description and appraised value. The notice shall also indicate the amount of any special assessments which may be the subject of a reassessment or new assessment or which may result in the imposition of a fee or charge pursuant to sections 429.071, subdivision 4, 435.23, and 444.076. The county auditor shall also mail notice to the owners of land adjoining the parcel to be sold. For purposes of this section, "owner" means the taxpayer as listed in the records of the county auditor.

(c) If the county board of St. Louis or Koochiching Counties determines that the sale shall take place in a county facility other than the courthouse, the notice shall specify the facility and its location. If the county board determines that the sale shall take place as an online auction under section 282.01, subdivision 13, the notice shall specify the auction Web site and the date of the auction.

EFFECTIVE DATE. This section is effective for sales of tax-forfeited property that occur on or after August 1, 2017.
Sec. 39. Minnesota Statutes 2016, section 282.241, subdivision 1, is amended to read:

Subdivision 1. Repurchase requirements. The owner at the time of forfeiture, or the owner's heirs, devisees, or representatives, or any person to whom the right to pay taxes was given by statute, mortgage, or other agreement, may repurchase any parcel of land claimed by the state to be forfeited to the state for taxes unless before the time repurchase is made the parcel is sold under installment payments, or otherwise, by the state as provided by law, or is under mineral prospecting permit or lease, or proceedings have been commenced by the state or any of its political subdivisions or by the United States to condemn the parcel of land. The parcel of land may be repurchased for the sum of all delinquent taxes and assessments computed under section 282.251, together with penalties, interest, and costs, that accrued or would have accrued if the parcel of land had not forfeited to the state. Except for property which was homesteaded on the date of forfeiture, repurchase is permitted during one year six months only from the date of forfeiture, and in any case only after the adoption of a resolution by the board of county commissioners determining that by repurchase undue hardship or injustice resulting from the forfeiture will be corrected, or that permitting the repurchase will promote the use of the lands that will best serve the public interest. If the county board has good cause to believe that a repurchase installment payment plan for a particular parcel is unnecessary and not in the public interest, the county board may require as a condition of repurchase that the entire repurchase price be paid at the time of repurchase. A repurchase is subject to any easement, lease, or other encumbrance granted by the state before the repurchase, and if the land is located within a restricted area established by any county under Laws 1939, chapter 340, the repurchase must not be permitted unless the resolution approving the repurchase is adopted by the unanimous vote of the board of county commissioners.

The person seeking to repurchase under this section shall pay all maintenance costs incurred by the county auditor during the time the property was tax-forfeited.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 40. Minnesota Statutes 2016, section 282.322, is amended to read:

282.322 FORFEITED LANDS LIST.

3. any tenant at will holds over after the termination of the tenancy by notice to quit.

(b) A landlord may not commence an eviction action against a tenant or authorized occupant solely on the basis that the tenant or authorized occupant has been the victim of any of the acts listed in section 504B.206, subdivision 1, paragraph (a). Nothing in this paragraph should be construed to prohibit an eviction action based on a breach of the lease.

Sec. 45. Minnesota Statutes 2016, section 504B.365, subdivision 3, is amended to read:

If the defendant fails or refuses to do so, the plaintiff has a lien on all the personal property for the reasonable costs and expenses incurred in removing, caring for, storing, and transporting it to a suitable storage place.

(c) The plaintiff may enforce the lien by detaining the personal property until paid. If no payment has been made for 60 days after the execution of the order to vacate, the plaintiff may dispose of the property or hold a public sale as provided in sections 514.18 to 514.22.

(g) The plaintiff shall notify the defendant of the date and approximate time the officer is scheduled to remove the defendant, family, and personal property from the premises. The notice must be sent by first class mail. In addition, the plaintiff must make a good faith effort to notify the defendant by telephone. The notice must be mailed as soon as the information regarding the date and approximate time the officer is scheduled to enforce the order is known to the plaintiff, except that the scheduling of the officer to enforce the order need not be delayed because of the notice requirement. **ARTICLE 3**

**TAXPAYER EMPOWERMENT**

Section 1. Minnesota Statutes 2016, section 123B.63, subdivision 3, is amended to read:

Subd. 3. **Capital project levy referendum.** (a) A district may levy the local tax rate approved by a majority of the electors voting on the question to provide funds for an approved project. The election must take place no more than five years before the estimated date of commencement of the project. The referendum must be held on a date set called by the board and, except as provided in paragraph (g), must be held on the first Tuesday after the first Monday in November in either an even-numbered or odd-numbered year. A district must meet the requirements of section 123B.71 for projects funded under this section. If a review and comment is required under section 123B.71, subdivision 8, a referendum for a project not receiving a positive review and comment by the commissioner must be approved by at least 60 percent of the voters at the election.

(b) The referendum may be called by the school board and under this subdivision may be held:

(1) separately, before an election for the issuance of obligations for the project under chapter 475; or

(2) in conjunction with an election for the issuance of obligations for the project under chapter 475; or

(3) notwithstanding section 475.59, as a conjunctive question authorizing both the capital project levy and the issuance of obligations for the project under chapter 475. Any obligations authorized for a project may be issued within five years of the date of the election.
(c) The ballot must provide a general description of the proposed project, state the estimated total cost of the project, state whether the project has received a positive or negative review and comment from the commissioner, state the maximum amount of the capital project levy as a percentage of net tax capacity, state the amount that will be raised by that local tax rate in the first year it is to be levied, and state the maximum number of years that the levy authorization will apply.

The ballot must contain a textual portion with the information required in this section and a question stating substantially the following:

"Shall the capital project levy proposed by the board of .......... School District No. ........ be approved?"

If approved, the amount provided by the approved local tax rate applied to the net tax capacity for the year preceding the year the levy is certified may be certified for the number of years, not to exceed ten, approved.

(d) If the district proposes a new capital project to begin at the time the existing capital project expires and at the same maximum tax rate, the general description on the ballot may state that the capital project levy is being renewed and that the tax rate is not being increased from the previous year's rate. An election to renew authority under this paragraph may be called at any time that is otherwise authorized by this subdivision. The ballot notice required under section 275.60 may be modified to read:

"BY VOTING YES ON THIS BALLOT QUESTION, YOU ARE VOTING TO RENEW AN EXISTING CAPITAL PROJECTS REFERENDUM THAT IS SCHEDULED TO EXPIRE."

(e) In the event a conjunctive question proposes to authorize both the capital project levy and the issuance of obligations for the project, appropriate language authorizing the issuance of obligations must also be included in the question.

(f) The district must notify the commissioner of the results of the referendum.

(g) Notwithstanding paragraph (a), a referendum to levy the amount needed to finance a district's response to a disaster or emergency may be held on a date set by the board. "Disaster" means a situation that creates an actual or imminent serious threat to the health and safety of persons, or a situation that has resulted or is likely to result in catastrophic loss to property or the environment. "Emergency" means an unforeseen combination of circumstances that calls for immediate action to prevent a disaster, identified in the referendum, from developing or occurring.

**EFFECTIVE DATE.** This section is effective August 1, 2017, and applies to any referendum authorized on or after that date.

Sec. 2. Minnesota Statutes 2016, section 126C.17, subdivision 9, is amended to read:

**Subd. 9. Referendum revenue.** (a) The revenue authorized by section 126C.10, subdivision 1, may be increased in the amount approved by the voters of the district at a referendum called for the purpose. The referendum may be called by the board. The referendum must be conducted one or two calendar years before the increased levy authority, if approved, first becomes payable. Only one election to approve an increase may be held in a calendar year. Unless the referendum is conducted by mail under subdivision 11, paragraph (a), the referendum must be held on the first Tuesday after the first Monday in November. The ballot must state the maximum amount of the increased revenue per adjusted pupil unit. The ballot may state a schedule, determined by the board, of increased revenue per adjusted pupil unit that differs from year to year over the number of years for which the increased revenue is authorized or may state that the amount shall increase annually by the rate of inflation. The ballot must state the cumulative amount per pupil of any local optional revenue, board-approved referendum authority, and previous voter-approved referendum authority, if any, that the board expects to certify for the next
school year. For this purpose, the rate of inflation shall be the annual inflationary increase calculated under subdivision 2, paragraph (b). The ballot may state that existing referendum levy authority is expiring. In this case, the ballot may also compare the proposed levy authority to the existing expiring levy authority, and express the proposed increase as the amount, if any, over the expiring referendum levy authority. The ballot must designate the specific number of years, not to exceed ten, for which the referendum authorization applies. The ballot, including a ballot on the question to revoke or reduce the increased revenue amount under paragraph (c), must abbreviate the term "per adjusted pupil unit" as "per pupil." The notice required under section 275.60 may be modified to read, in cases of renewing existing levies at the same amount per pupil as in the previous year:

"BY VOTING "YES" ON THIS BALLOT QUESTION, YOU ARE VOTING TO EXTEND AN EXISTING PROPERTY TAX REFERENDUM THAT IS SCHEDULED TO EXPIRE."

The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

"Shall the increase in the revenue proposed by (petition to) the board of .......... School District No. ..., be approved?"

If approved, an amount equal to the approved revenue per adjusted pupil unit times the adjusted pupil units for the school year beginning in the year after the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The board must prepare and deliver by first class mail at least 15 days but no more than 30 days before the day of the referendum to each taxpayer a notice of the referendum and the proposed revenue increase. The board need not mail more than one notice to any taxpayer. For the purpose of giving mailed notice under this subdivision, owners must be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or county treasurer is deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of tax increase in annual dollars for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice must state the cumulative and individual amounts per pupil of any local optional revenue, board-approved referendum authority, and voter-approved referendum authority, if any, that the board expects to certify for the next school year.

The notice for a referendum may state that an existing referendum levy is expiring and project the anticipated amount of increase over the existing referendum levy in the first year, if any, in annual dollars for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the district.

The notice must include the following statement: "Passage of this referendum will result in an increase in your property taxes." However, in cases of renewing existing levies, the notice may include the following statement: "Passage of this referendum extends an existing operating referendum at the same amount per pupil as in the previous year."

(c) A referendum on the question of revoking or reducing the increased revenue amount authorized pursuant to paragraph (a) may be called by the board. A referendum to revoke or reduce the revenue amount must state the amount per adjusted pupil unit by which the authority is to be reduced. Revenue authority approved by the voters of the district pursuant to paragraph (a) must be available to the school district at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction referendum may be held to revoke or reduce referendum revenue for any specific year and for years thereafter.
(d) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(e) At least 15 days before the day of the referendum, the district must submit a copy of the notice required under paragraph (b) to the commissioner and to the county auditor of each county in which the district is located. Within 15 days after the results of the referendum have been certified by the board, or in the case of a recount, the certification of the results of the recount by the canvassing board, the district must notify the commissioner of the results of the referendum.

**EFFECTIVE DATE.** This section is effective August 1, 2017, and applies to any referendum authorized on or after that date.

The special election on a question may only be held on the first Tuesday after the first Monday in November of either an even-numbered or odd-numbered year. The school board may on its own motion call a special election to vote on any matter requiring approval of the voters of a district. Upon petition filed with the school board of 50 or more voters of the school district or five percent of the number of voters voting at the preceding school district general election, whichever is greater, the school board shall by resolution call a special election to vote on any matter requiring approval of the voters of a district. A question is carried only with the majority in its favor required by law. (i) the actual tax for taxes payable in the current year; and

(ii) the proposed tax amount.

If the county levy under clause (2) includes an amount for a lake improvement district as defined under sections 103B.501 to 103B.581, the amount attributable for that purpose must be separately stated from the remaining county levy amount.

In the case of a town or the state general tax, the final tax shall also be its proposed tax unless the town changes its levy at a special town meeting under section 365.52. If a school district has certified under section 126C.17, subdivision 9, that a referendum will be held in the school district at the November general election, the county auditor must note next to the school district's proposed amount that a referendum is pending and that, if approved by the voters, the tax amount may be higher than shown on the notice. In the case of the city of Minneapolis, the levy for Minneapolis Park and Recreation shall be listed separately from the remaining amount of the city's levy. In the case of St. Paul, the levy for the St. Paul Library Agency must be listed separately from the remaining amount of the city's levy. In the case of Ramsey County, any amount levied under section 134.07 may be listed separately from the remaining amount of the county's levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax under chapter 276A or 473F applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts;
(3) the increase or decrease between the total taxes payable in the current year and the total proposed taxes, expressed as a percentage; and

(4) a statement at the top of the notice stating the following: if a county's or city's proposed levy for next year is greater than its actual levy for the current year, the voters may have the right to petition for a referendum on next year's levy certification, according to Minnesota Statutes, section 275.80, provided that the final levy that the local government certifies in December of this year is also greater than its levy for the current year.

For purposes of this section, the amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under chapter 290B is the total amount of property tax before subtraction of the deferred property tax amount.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda and school district levy referenda;

(3) a levy limit increase approved by the voters by the first Tuesday after the first Monday in November of the levy year as provided under section 275.73;

(4) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;

(5) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; and

(6) the contamination tax imposed on properties which received market value reductions for contamination.

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead, and satisfactory documentation is provided to the county assessor by the applicable deadline, and the property qualifies for the homestead classification in that assessment year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.
(i) For purposes of this subdivision and subdivision 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

(1) Metropolitan Council under section 473.132, 473.167, 473.249, 473.325, 473.446, 473.521, 473.547, or 473.834;

(2) Metropolitan Airports Commission under section 473.667, 473.671, or 473.672; and

(3) Metropolitan Mosquito Control Commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy.

(j) The governing body of a county, city, or school district may, with the consent of the county board, include supplemental information with the statement of proposed property taxes about the impact of state aid increases or decreases on property tax increases or decreases and on the level of services provided in the affected jurisdiction. This supplemental information may include information for the following year, the current year, and for as many consecutive preceding years as deemed appropriate by the governing body of the county, city, or school district. It may include only information regarding:

(1) the impact of inflation as measured by the implicit price deflator for state and local government purchases;

(2) population growth and decline;

(3) state or federal government action; and

(4) other financial factors that affect the level of property taxation and local services that the governing body of the county, city, or school district may deem appropriate to include.

The information may be presented using tables, written narrative, and graphic representations and may contain instruction toward further sources of information or opportunity for comment.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2018 and thereafter.

Sec. 8. Minnesota Statutes 2016, section 275.07, subdivision 1, is amended to read:

Subdivision 1. **Certification of levy.** (a) Except as provided under paragraph (b), the taxes voted by cities, counties, school districts, and special districts shall be certified by the proper authorities to the county auditor on or before five working days after December 20 in each year. A town must certify the levy adopted by the town board to the county auditor by September 15 each year. If the town board modifies the levy at a special town meeting after September 15, the town board must recertify its levy to the county auditor on or before five working days after December 20. If a city or county levy is subject to a referendum under section 275.80 and the referendum was approved by the voters, the maximum levy certified under this section is the proposed levy certified under section 275.065. If the referendum was not approved, the maximum amount of levy that a city or county may approve under this section is the maximum alternative levy allowed in section 275.80, subdivision 2. The city or county may choose to certify a levy less than the allowed maximum amount. If a city, town, county, school district, or special district fails to certify its levy by that date, its levy shall be the amount levied by it for the preceding year.
(b)(i) The taxes voted by counties under sections 103B.241, 103B.245, and 103B.251 shall be separately certified by the county to the county auditor on or before five working days after December 20 in each year. The taxes certified shall not be reduced by the county auditor by the aid received under section 273.1398, subdivision 3. If a county fails to certify its levy by that date, its levy shall be the amount levied by it for the preceding year.

(ii) For purposes of the proposed property tax notice under section 275.065 and the property tax statement under section 276.04, for the first year in which the county implements the provisions of this paragraph, the county auditor shall reduce the county's levy for the preceding year to reflect any amount levied for water management purposes under clause (i) included in the county's levy.

EFFECTIVE DATE. This section is effective for taxes payable in 2018 and thereafter.

Sec. 9. Minnesota Statutes 2016, section 275.60, is amended to read:

275.60 LEVY OR BOND REFERENDUM; BALLOT NOTICE.

(a) Notwithstanding any general or special law or any charter provisions, but subject to section 126C.17, subdivision 9, any question submitted to the voters by any local governmental subdivision at a general or special election after June 8, 1995 June 30, 2017, authorizing a property tax levy or tax rate increase, including the issuance of debt obligations payable in whole or in part from property taxes, must include on the ballot the following notice in boldface type:

"BY VOTING "YES" ON THIS BALLOT QUESTION, YOU ARE VOTING FOR A PROPERTY TAX INCREASE."

(b) For purposes of this section and section 275.61, "local governmental subdivision" includes counties, home rule and statutory cities, towns, school districts, and all special taxing districts. This statement is in addition to any general or special laws or any charter provisions that govern the contents of a ballot question and, in the case of a question on the issuance of debt obligations, may be supplemented by a description of revenues pledged to payment of the obligations that are intended as the primary source of payment.

(c) An election under this section must be held on the first Tuesday after the first Monday in November of either an even-numbered or odd-numbered year. This paragraph does not apply to an election on levying a tax or issuing debt obligations to finance the local government's response to a disaster or emergency. An election for these purposes may be held on a date set by the governing body. "Disaster" means a situation that creates an actual or imminent serious threat to the health and safety of persons, or a situation that has resulted or is likely to result in catastrophic loss to property or the environment. "Emergency" means an unforeseen combination of circumstances that calls for immediate action to prevent a disaster, identified in the referendum, from developing or occurring.

(d) This section does not apply to a school district bond election if the debt service payments are to be made entirely from transfers of revenue from the capital fund to the debt service fund.

EFFECTIVE DATE. This section is effective August 1, 2017, and applies to any referendum authorized on or after that date.

Sec. 10. [275.80] LEVY INCREASE; REVERSE REFERENDUM AUTHORIZED.

Subdivision 1. Citation. This section shall be known as the "Property Tax Payers’ Empowerment Act."
Subd. 2. Definitions. (a) For purposes of this section, the following terms have the meanings given.

(b) "General levy" means the total levy certified under section 275.07 by the local governmental unit, excluding any levy that was approved by the voters at a general or special election.

(c) "Local governmental unit" means a county or a statutory or home rule charter city with a population of 500 or greater.

(d) "Maximum alternative levy" for taxes levied in a current year by a local governmental unit means the sum of (1) its nondebt levy certified two years previous to the current year, and (2) the amount of its proposed levy for the current year levied for the purposes listed in section 275.70, subdivision 5, clauses (1) to (5).

(e) "Nondebt levy" means the total levy certified under section 275.07 by the local governmental unit, minus any amount levied for the purposes listed in section 275.70, subdivision 5, clauses (1) to (5).

Subd. 3. Levy increase; reverse referendum authority. If the certified general levy exceeds the general levy in the previous year, the voters may petition for a referendum on the levy to be certified for the following year. The county auditor must publish information on the right to petition for a referendum as provided in section 276.04, subdivisions 1 and 2. If by June 30, a petition signed by the voters equal in number to ten percent of the votes cast in the last general election requesting a vote on the levy is filed with the county auditor, a question on the levy to be certified for the current year must be placed on the ballot at either the general election or at a special election held on the first Tuesday after the first Monday in November of the current calendar year.

Subd. 4. Prohibition against new debt before the election. Notwithstanding any other provision of law, ordinance, or local charter provision, a county or city must not issue any new debt or obligation from the time the petition for referendum is filed with the county auditor under subdivision 3 until the day after the referendum required under this section is held, except as allowed in this subdivision. Refunding bonds and bonds that have already received voter approval are exempt from the prohibition in this subdivision. For purposes of this subdivision, "obligation" has the meaning given in section 475.51, subdivision 3.

Subd. 5. Ballot question; consequence of vote. (a) The question submitted to the voters as required under subdivision 3 shall take the following form:

"The governing body of ...... has imposed the following property tax levy in the last two years and is proposing the following maximum levy increase for the coming year:

<table>
<thead>
<tr>
<th>Previous Payable Year</th>
<th>Current Payable Year</th>
<th>Comming Payable Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total Levy $......</td>
<td>Total Levy $......</td>
<td>Maximum Proposed Levy $......</td>
</tr>
</tbody>
</table>

Shall the governing body of ...... be allowed to impose the maximum proposed levy listed above?

Yes...........

No............

If the majority of votes cast are "no," its maximum allowed property tax levy for the coming year will be reduced to its maximum alternative levy of ......"

(b) If a city is subject to this provision, it will provide the county auditor with information on its proposed levy by September 30 necessary to calculate the maximum alternative levy under subdivision 2.
(c) If the majority of votes cast on this question are in the affirmative, the levy certified by the local governmental unit under section 275.07 must be less than or equal to its proposed levy under section 275.065. If the question does not receive sufficient affirmative votes, the levy amount that the local governmental unit certifies under section 275.07 in the current year must be less than or equal to its maximum alternative levy as defined in subdivision 2.

EFFECTIVE DATE. This section is effective for taxes payable in 2018 and thereafter.

Sec. 11. Minnesota Statutes 2016, section 276.04, subdivision 1, is amended to read:

Subdivision 1. Auditor to publish rates. On receiving the tax lists from the county auditor, the county treasurer shall, if directed by the county board, give three weeks' published notice in a newspaper specifying the rates of taxation for all general purposes and the amounts raised for each specific purpose. If a city or county is subject to a petition of the voters due to a general levy increase as provided in section 275.80, the published notice must also include the general levy for the current year and the previous year for that city or county along with the following statement:

"Because the governing body of ...... increased its nonvoter-approved levy in the current year, the voters in that jurisdiction have the right to petition for a referendum under Minnesota Statutes, section 275.80, on that jurisdiction’s levy amount. To invoke the referendum, a petition signed by voters equal to ten percent of the votes cast in the last general election must be filed with the county auditor by June 30 of the current year."

EFFECTIVE DATE. This section is effective for taxes payable in 2018 and thereafter.

Sec. 12. Minnesota Statutes 2016, section 276.04, subdivision 2, is amended to read:

Subd. 2. Contents of tax statements. (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. The tax statement must not state or imply that property tax credits are paid by the state of Minnesota. The statement must contain a tabulated statement of the dollar amount due to each taxing authority and the amount of the state tax from the parcel of real property for which a particular tax statement is prepared. The dollar amounts attributable to the county, the state tax, the voter approved school tax, the other local school tax, the township or municipality, and the total of the metropolitan special taxing districts as defined in section 275.065, subdivision 3, paragraph (i), must be separately stated. The amounts due all other special taxing districts, if any, may be aggregated except that any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be listed on a separate line directly under the appropriate county's levy. If the county levy under this paragraph includes an amount for a lake improvement district as defined under sections 103B.501 to 103B.581, the amount attributable for that purpose must be separately stated from the remaining county levy amount. In the case of Ramsey County, if the county levy under this paragraph includes an amount for public library service under section 134.07, the amount attributable for that purpose may be separated from the remaining county levy amount. The amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under section 290B is the total amount of property tax before subtraction of the deferred property tax amount. The amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any, must also be separately stated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar. The amount of market value excluded under section 273.11, subdivision 16, if any, must also be listed on the tax statement.

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.
(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the right column with the corresponding information for the previous year in a column on the left:

(1) the property's estimated market value under section 273.11, subdivision 1;

(2) the property's homestead market value exclusion under section 273.13, subdivision 35;

(3) the property's taxable market value under section 272.03, subdivision 15;

(4) the property's gross tax, before credits;

(5) for homestead agricultural properties, the credit under section 273.1384;

(6) any credits received under sections 273.119; 273.1234 or 273.1235; 273.135; 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit received under section 273.135 must be separately stated and identified as "taconite tax relief"; and

(7) the net tax payable in the manner required in paragraph (a).

(d) If a city or county is subject to a petition of the voters due to a general levy increase as provided in section 275.80, the tax statement must also include the general levy for the current year and the previous year for that city or county along with the following statement:

"Because the governing body of ....... increased its nonvoter-approved levy in the current year, the voters in that jurisdiction have the right to petition for a referendum on that jurisdiction's levy amount under Minnesota Statutes, section 275.80. To invoke the referendum, a petition signed by voters equal to ten percent of the votes cast in the last general election on this issue must be filed with the county auditor by June 30 of the current year."

(e) If the county uses envelopes for mailing property tax statements and if the county agrees, a taxing district may include a notice with the property tax statement notifying taxpayers when the taxing district will begin its budget deliberations for the current year, and encouraging taxpayers to attend the hearings. If the county allows notices to be included in the envelope containing the property tax statement, and if more than one taxing district relative to a given property decides to include a notice with the tax statement, the county treasurer or auditor must coordinate the process and may combine the information on a single announcement.

EFFECTIVE DATE. This section is effective for taxes payable in 2018 and thereafter.

The city may purchase personal property through a conditional sales contract and real property through a contract for deed under which contracts the seller is confined to the remedy of recovery of the property in case of nonpayment of all or part of the purchase price, which shall be payable over a period of not to exceed five years. When the contract price of property to be purchased by contract for deed or conditional sales contract exceeds 0.24177 percent of the estimated market value of the city, the city may not enter into such a contract for at least ten days after publication in the official newspaper of a council resolution determining to purchase property by such a contract; and, if before the end of that time a petition asking for an election on the proposition signed by voters equal to ten percent of the number of voters at the last regular city

Except as otherwise restricted by chapter 216B, the governing body, or the commission or board charged with the operation of the public utilities, if one exists therein, of any municipality in the state owning and operating an electric light and power plant for the purpose of the manufacture and sale of electrical power or for the purchase and redistribution of electrical power, may, upon a two-thirds vote of the governing body, or the commission or board, in addition to all other powers now possessed by such municipality, sell electricity to customers, singly or collectively, outside of such municipality, within the state but not to exceed a distance of 30 miles from the corporate limits of the municipality. Before any municipality shall have the power to extend its lines and sell electricity outside of the municipality as provided by sections 455.29 and 455.30, the governing body shall first submit to the voters of the municipality, at a general or special election held on the first Tuesday after the first Monday in November of either an even-numbered or odd-numbered year, the general principle of going outside the municipality and fixing the maximum amount of contemplated expenditures reasonably expected to be made for any and all extensions then or thereafter contemplated. Three weeks' published notice shall be given of such election as required by law, and if a majority of those voting upon the proposition favors the same, then the municipality shall thereafter be considered as having chosen to enter the general business of extending its electric light and power facilities beyond the corporate limits of the municipality. It shall not be necessary to submit to a vote of the people the question of any specific enlargement, extension, or improvement of any outside lines; provided the voters of the municipality have generally elected to exercise the privileges afforded by sections 455.29 and 455.30, and, provided, that each and any specific extension, enlargement, or improvement project is within the limit of the maximum expenditure authorized at the election. In cities operating under a home rule charter, where a vote of the people is not now required in order to extend electric light and power lines, no election shall be required under the provisions of any act. At any election held to determine the attitude of the voters upon this principle, the question shall be simply stated upon the ballot provided therefor, and shall be substantially in the following form: "Shall the city of ................ undertake the general proposition of extending its electric light and power lines beyond the limits of the municipality, and limit the maximum expenditures for any and all future extensions to the sum of $ .................?" For this purpose every municipality is authorized and empowered to extend the lines, wires, and fixtures of its plant to such customers and may issue certificates of indebtedness therefor in an amount not to exceed the actual cost of the extensions and for a term not to exceed the reasonable life of the extensions. These certificates of indebtedness shall in no case be made a charge against the municipality, but shall be payable and paid out of current revenues of the plant other than taxes.

The resolution is effective if approved by a majority of those voting on the question. The commissioner of revenue shall prepare a suggested form of referendum question. The referendum must be held at a special or general election before October 1 of the year for which the levy increase is proposed, conducted on the first Tuesday after the first Monday in November of either an even-numbered or odd-numbered year. The resolution must be published in a newspaper of general circulation within the unorganized territory. The voters of the unorganized territory may request a referendum on the proposed tax by filing a petition with the county auditor within 30 days after the resolution is published. The petition must be signed by voters who reside in the unorganized territory. The number of signatures must equal at least five percent of the number of persons voting in the unorganized territory in the last general election. **ARTICLE 5**

**AIDS, CREDITS, AND REFUNDS**

Section 1. Minnesota Statutes 2016, section 127A.45, subdivision 10, is amended to read:

Subd. 10. **Payments to school nonoperating funds.** Each fiscal year state general fund payments for a district nonoperating fund must be made at the current year aid payment percentage of the estimated entitlement during the fiscal year of the entitlement. This amount shall be paid in six equal monthly installments beginning in July. The amount of the actual entitlement, after adjustment for actual data, minus the payments made during the fiscal year of the entitlement must be paid prior to October 31 of the following school year. The commissioner may make advance payments of debt service equalization aid and state-paid tax credits for a district's debt service fund earlier than would occur under the preceding schedule if the district submits evidence showing a serious cash flow problem in the fund. The commissioner may make earlier payments during the year and, if necessary, increase the percent of the entitlement paid to reduce the cash flow problem.

**EFFECTIVE DATE.** This section is effective beginning with fiscal year 2019.

Sec. 2. Minnesota Statutes 2016, section 127A.45, subdivision 13, is amended to read:

Subd. 13. **Aid payment percentage.** Except as provided in subdivisions 10, 11, 12, 12a, and 14, each fiscal year, all education aids and credits in this chapter and chapters 120A, 120B, 121A, 122A, 123A, 123B, 124D, 124E, 125A, 125B, 126C, 134, and section 273.1392, shall be paid at the current year aid payment percentage of the estimated entitlement during the fiscal year of the entitlement. For the purposes of this subdivision, a district's estimated entitlement for special education aid under section 125A.76 for fiscal year 2014 and later equals 97.4 percent of the district's entitlement for the current fiscal year. The final adjustment payment, according to subdivision 9, must be the amount of the actual entitlement, after adjustment for actual data, minus the payments made during the fiscal year of the entitlement.

**EFFECTIVE DATE.** This section is effective beginning with fiscal year 2019.
Sec. 3.  [273.1387] SCHOOL BUILDING BOND AGRICULTURAL CREDIT.

Subdivision 1.  Eligibility.  All class 2a, 2b, and 2c property under section 273.13, subdivision 23, other than property consisting of the house, garage, and immediately surrounding one acre of land of an agricultural homestead, is eligible to receive the credit under this section.

Subd. 2.  Credit amount.  For each qualifying property, the school building bond agricultural credit is equal to 50 percent of the property's eligible net tax capacity multiplied by the school debt tax rate determined under section 275.08, subdivision 1b.

Subd. 3.  Credit reimbursements.  The county auditor shall determine the tax reductions allowed under this section within the county for each taxes payable year and shall certify that amount to the commissioner of revenue as a part of the abstracts of tax lists submitted under section 275.29.  Any prior year adjustments shall also be certified on the abstracts of tax lists.  The commissioner shall review the certifications for accuracy, and may make such changes as are deemed necessary, or return the certification to the county auditor for correction.  The credit under this section must be used to reduce the school district net tax capacity-based property tax as provided in section 273.1393.

Subd. 4.  Payment.  The commissioner of revenue shall certify the total of the tax reductions granted under this section for each taxes payable year within each school district to the commissioner of education, who shall pay the reimbursement amounts to each school district as provided in section 273.1392.

Subd. 5.  Appropriation.  An amount sufficient to make the payments required by this section is annually appropriated from the general fund to the commissioner of education.

EFFECTIVE DATE.  This section is effective beginning with taxes payable in 2018.

Sec. 4.  Minnesota Statutes 2016, section 273.1392, is amended to read:

EFFECTIVE DATE.  This section is effective beginning with taxes payable in 2018.

Sec. 5.  Minnesota Statutes 2016, section 273.1393, is amended to read:

273.1393 COMPUTATION OF NET PROPERTY TAXES.

(1) disaster credit as provided in sections 273.1231 to 273.1235;

(2) powerline credit as provided in section 273.42;
(3) agricultural preserves credit as provided in section 473H.10;
(4) enterprise zone credit as provided in section 469.171;
(5) disparity reduction credit;

(8) agricultural credit as provided in section 273.1384;
(9) taconite homestead credit as provided in section 273.135;
(10) supplemental homestead credit as provided in section 273.1391; and
(11) the bovine tuberculosis zone credit, as provided in section 273.113.

The combination of all property tax credits must not exceed the gross tax amount.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 6. Minnesota Statutes 2016, section 275.065, subdivision 3, is amended to read:

Subd. 3. Notice of proposed property taxes. (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes. Upon written request by the taxpayer, the treasurer may send the notice in electronic form or by electronic mail instead of on paper or by ordinary mail.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority proposes to collect for taxes payable the following year. In the case of a town, or in the case of the state general tax, the final tax amount will be its proposed tax. The notice must clearly state for each city that has a population over 500, county, school district, regional library authority established under section 134.201, and metropolitan taxing districts as defined in paragraph (i), the time and place of a meeting for each taxing authority in which the budget and levy will be discussed and public input allowed, prior to the final budget and levy determination. The taxing authorities must provide the county auditor with the information to be included in the notice on or before the time it certifies its proposed levy under subdivision 1. The public must be allowed to speak at that meeting, which must occur after November 24 and must not be held before 6:00 p.m. It must provide a telephone number for the taxing authority that taxpayers may call if they have questions related to the notice and an address where comments will be received by mail, except that no notice required under this section shall be interpreted as requiring the printing of a personal telephone number or address as the contact information for a taxing authority. If a taxing authority does not maintain public offices where telephone calls can be received by the authority, the authority may inform the county of the lack of a public telephone number and the county shall not list a telephone number for that taxing authority.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year as each appears in the records of the county assessor on November 1 of the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;
(2) the items listed below, shown separately by county, city or town, and state general tax, agricultural homestead credit under section 273.1384, school building bond agricultural credit under section 273.1387, voter approved school levy, other local school levy, and the sum of the special taxing districts, and as a total of all taxing authorities:

(i) the actual tax for taxes payable in the current year; and

(ii) the proposed tax amount.

If the county levy under clause (2) includes an amount for a lake improvement district as defined under sections 103B.501 to 103B.581, the amount attributable for that purpose must be separately stated from the remaining county levy amount.

In the case of a town or the state general tax, the final tax shall also be its proposed tax unless the town changes its levy at a special town meeting under section 365.52. If a school district has certified under section 126C.17, subdivision 9, that a referendum will be held in the school district at the November general election, the county auditor must note next to the school district's proposed amount that a referendum is pending and that, if approved by the voters, the tax amount may be higher than shown on the notice. In the case of the city of Minneapolis, the levy for Minneapolis Park and Recreation shall be listed separately from the remaining amount of the city's levy. In the case of the city of St. Paul, the levy for the St. Paul Library Agency must be listed separately from the remaining amount of the city's levy. In the case of Ramsey County, any amount levied under section 134.07 may be listed separately from the remaining amount of the county's levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax under chapter 276A or 473F applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease between the total taxes payable in the current year and the total proposed taxes, expressed as a percentage.

For purposes of this section, the amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under chapter 290B is the total amount of property tax before subtraction of the deferred property tax amount.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda and school district levy referenda;

(3) a levy limit increase approved by the voters by the first Tuesday after the first Monday in November of the levy year as provided under section 275.73;

(4) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;

(5) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; and

(6) the contamination tax imposed on properties which received market value reductions for contamination.
(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead, and satisfactory documentation is provided to the county assessor by the applicable deadline, and the property qualifies for the homestead classification in that assessment year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

(i) For purposes of this subdivision and subdivision 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

(1) Metropolitan Council under section 473.132, 473.167, 473.249, 473.325, 473.446, 473.521, 473.547, or 473.834;

(2) Metropolitan Airports Commission under section 473.667, 473.671, or 473.672; and

(3) Metropolitan Mosquito Control Commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy.

(j) The governing body of a county, city, or school district may, with the consent of the county board, include supplemental information with the statement of proposed property taxes about the impact of state aid increases or decreases on property tax increases or decreases and on the level of services provided in the affected jurisdiction. This supplemental information may include information for the following year, the current year, and for as many consecutive preceding years as deemed appropriate by the governing body of the county, city, or school district. It may include only information regarding:

(1) the impact of inflation as measured by the implicit price deflator for state and local government purchases;

(2) population growth and decline;

(3) state or federal government action; and

(4) other financial factors that affect the level of property taxation and local services that the governing body of the county, city, or school district may deem appropriate to include.
The information may be presented using tables, written narrative, and graphic representations and may contain instruction toward further sources of information or opportunity for comment.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 7. Minnesota Statutes 2016, section 275.07, subdivision 2, is amended to read:

Subd. 2. **School district in more than one county levies; special requirements.** (a) In school districts lying in more than one county, the clerk shall certify the tax levied to the auditor of the county in which the administrative offices of the school district are located.

(b) The district must identify the portion of the school district levy that is levied for debt service at the time the levy is certified under this section. For the purposes of this paragraph, "levied for debt service" means levies authorized under sections 123B.53, 123B.535, and 123B.55, as adjusted by sections 126C.46 and 126C.48, net of any debt excess levy reductions under section 475.61, subdivision 4, excluding debt service amounts necessary for repayment of other postemployment benefits under section 475.52, subdivision 6.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 8. Minnesota Statutes 2016, section 275.08, subdivision 1b, is amended to read:

Subd. 1b. **Computation of tax rates.** (a) The amounts certified to be levied against net tax capacity under section 275.07 by an individual local government unit shall be divided by the total net tax capacity of all taxable properties within the local government unit’s taxing jurisdiction. The resulting ratio, the local government’s local tax rate, multiplied by each property's net tax capacity shall be each property's net tax capacity tax for that local government unit before reduction by any credits.

(b) The auditor must also determine the school debt tax rate for each school district equal to (1) the school debt service levy certified under section 275.07, subdivision 2, divided by (2) the total net tax capacity of all taxable property within the district.

(c) Any amount certified to the county auditor to be levied against market value shall be divided by the total referendum market value of all taxable properties within the taxing district. The resulting ratio, the taxing district’s new referendum tax rate, multiplied by each property's referendum market value shall be each property's new referendum tax before reduction by any credits. For the purposes of this subdivision, "referendum market value" means the market value as defined in section 126C.01, subdivision 3.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 9. Minnesota Statutes 2016, section 276.04, subdivision 2, is amended to read:

Subd. 2. **Contents of tax statements.** (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. The tax statement must not state or imply that property tax credits are paid by the state of Minnesota. The statement must contain a tabulated statement of the dollar amount due to each taxing authority and the amount of the state tax from the parcel of real property for which a particular tax statement is prepared. The dollar amounts attributable to the county, the state tax, the voter approved school tax, the other local school tax, the township or municipality, and the total of the metropolitan special taxing districts as defined in section 275.065, subdivision 3, paragraph (i), must be separately stated. The amounts due all other special taxing districts, if any, may be aggregated except that any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be listed on a separate line directly under the appropriate county's levy. If the county levy under
this paragraph includes an amount for a lake improvement district as defined under sections 103B.501 to 103B.581, the amount attributable for that purpose must be separately stated from the remaining county levy amount. In the case of Ramsey County, if the county levy under this paragraph includes an amount for public library service under section 134.07, the amount attributable for that purpose may be separated from the remaining county levy amount.

The amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under chapter 290B is the total amount of property tax before subtraction of the deferred property tax amount. The amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any, must also be separately stated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar. The amount of market value excluded under section 273.11, subdivision 16, if any, must also be listed on the tax statement.

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.

(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the right column with the corresponding information for the previous year in a column on the left:

(1) the property's estimated market value under section 273.11, subdivision 1;

(2) the property's homestead market value exclusion under section 273.13, subdivision 35;

(3) the property's taxable market value under section 272.03, subdivision 15;

(4) the property's gross tax, before credits;

(5) for homestead agricultural properties, the credit credits under section sections 273.1384 and 273.1387;

(6) any credits received under sections 273.119; 273.1234 or 273.1235; 273.135; 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit received under section 273.135 must be separately stated and identified as "taconite tax relief"; and

(7) the net tax payable in the manner required in paragraph (a).

(d) If the county uses envelopes for mailing property tax statements and if the county agrees, a taxing district may include a notice with the property tax statement notifying taxpayers when the taxing district will begin its budget deliberations for the current year, and encouraging taxpayers to attend the hearings. If the county allows notices to be included in the envelope containing the property tax statement, and if more than one taxing district relative to a given property decides to include a notice with the tax statement, the county treasurer or auditor must coordinate the process and may combine the information on a single announcement.

EFFECTIVE DATE. This section is effective beginning with taxes payable in 2018.
(b) The percentage in paragraph (a) is set by major geographic regions as follows:

(1) for the city of Minneapolis, 16.5 percent;

(2) for the city of St. Paul, 14 percent;

(3) for the counties of Anoka; Dakota; Hennepin, excluding the city of Minneapolis; and Ramsey, excluding the city of St. Paul, 15 percent; and

(4) for the remainder of the state, 14 percent.

**EFFECTIVE DATE.** This section is effective for refunds based on rent paid in 2017 and following years.

Sec. 11. Minnesota Statutes 2016, section 290A.03, subdivision 13, is amended to read:

Subd. 13. **Property taxes payable.** "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead after deductions made under sections 273.135, 273.1384, 273.1391, 273.42, subdivision 2, and any other state paid property tax credits in any calendar year, and after any refund claimed and allowable under section 290A.04, subdivision 2h, that is first payable in the year that the property tax is payable. In the case of a claimant who makes ground lease payments, "property taxes payable" includes the amount of the payments directly attributable to the property taxes assessed against the parcel on which the house is located. No apportionment or reduction of the "property taxes payable" shall be required for the use of a portion of the claimant's homestead for a business purpose if the claimant does not deduct any business depreciation expenses for the use of a portion of the homestead in the determination of federal adjusted gross income. For homesteads which are manufactured homes as defined in section 273.125, subdivision 8, and for homesteads which are park trailers taxed as manufactured homes under section 168.012, subdivision 9, "property taxes payable" shall also include 17 percent a percentage of the gross rent paid in the preceding year for the site on which the homestead is located. The percentage equals the percentage set under subdivision 11 for the geographic region in which the homestead is located. When a homestead is owned by two or more persons as joint tenants or tenants in common, such tenants shall determine between them which tenant may claim the property taxes payable on the homestead. If they are unable to agree, the matter shall be referred to the commissioner of revenue whose decision shall be final. Property taxes are considered payable in the year prescribed by law for payment of the taxes.

(b) The allocations under this subdivision do not cancel or expire, but remain available until used by the city.
Sec. 13. Minnesota Statutes 2016, section 477A.011, subdivision 34, is amended to read:

Subd. 34. City revenue need. (a) For a city with a population equal to or greater than 10,000, "city revenue need" is 1.15 times the sum of (1) 4.59 times the pre-1940 housing percentage; plus (2) 0.622 times the percent of housing built between 1940 and 1970; plus (3) 169.415 times the jobs per capita; plus (4) the sparsity adjustment; plus (5) 307.664.

(b) For a city with a population equal to or greater than 2,500 and less than 10,000, "city revenue need" is 1.15 times the sum of (1) 572.62; plus (2) 5.026 times the pre-1940 housing percentage; minus (3) 53.768 times household size; plus (4) 14.022 times peak population decline; plus (5) the sparsity adjustment.

(c) For a city with a population less than 2,500, "city revenue need" is the sum of (1) 410 plus (2) 0.367 times the city's population over 100; plus (3) the sparsity adjustment. The city revenue need for a city under this paragraph shall not exceed 630 plus the city's sparsity adjustment.

(d) For a city with a population of at least 2,500 but less than 3,000, the "city revenue need" equals (1) the transition factor times the city's revenue need calculated in paragraph (b); plus (2) 630 times the difference between one and the transition factor. For a city with a population of at least 10,000 but less than 10,500, the "city revenue need" equals (1) the transition factor times the city's revenue need calculated in paragraph (a); plus (2) the city's revenue need calculated under the formula in paragraph (b) times the difference between one and the transition factor. For purposes of the first sentence of this paragraph "transition factor" is 0.2 percent times the amount that the city's population exceeds the minimum threshold in either of the first two sentences. For purposes of the second sentence of this paragraph, "transition factor" is 0.1 percent times the amount that the city's population exceeds the minimum threshold.

(e) The city revenue need cannot be less than zero.

(f) For calendar year 2015 and subsequent years, the city revenue need for a city, as determined in paragraphs (a) to (e), is multiplied by the ratio of the annual implicit price deflator for government consumption expenditures and gross investment for state and local governments as prepared by the United States Department of Commerce, for the most recently available year to the 2013 implicit price deflator for state and local government purchases.

**EFFECTIVE DATE.** This section is effective for aids payable in calendar year 2018 and thereafter.

Sec. 15. [477A.0126] REIMBURSEMENT OF COUNTY AND TRIBES FOR CERTAIN OUT-OF-HOME PLACEMENT.

Subdivision 1. Definition. For purposes of this section, "out-of-home placement" means 24-hour substitute care for an Indian child as defined by section 260C.007, subdivision 21, placed under chapter 260C and the Indian Child Welfare Act (ICWA), away from the child's parent or guardian and for whom the county social services agency or county correctional agency has been assigned responsibility for the child's placement and care, which includes placement in foster care under section 260C.007, subdivision 18, and a correctional facility pursuant to a court order.
Subd. 2. **Determination of nonfederal share of costs.** (a) By July 1, 2017, each county shall report the following information to the commissioners of human services and corrections:

1. the separate amounts paid out of the county's social service agency and its corrections budget for out-of-home placement of children under the ICWA in calendar years 2013, 2014, and 2015; and

2. the number of case days associated with the expenditures from each budget.

The commissioner of human services shall prescribe the format of the report. By July 15, 2017, the commissioner of human services, in consultation with the commissioner of corrections, shall certify to the commissioner of revenue and to the legislative committees with jurisdiction over local government aids and out-of-home placement funding whether the data reported under this subdivision accurately reflect total expenditures by counties for out-of-home placement costs of children under the ICWA.

(b) By January 1, 2018, and each January 1 thereafter, each county shall report to the commissioners of human services and corrections the separate amounts paid out of the county's social service agency and its corrections budget for out-of-home placement of children under the ICWA in the calendar years two years before the current calendar year along with the number of case days associated with the expenditures from each budget. The commissioner of human services shall prescribe the format of the report.

(c) Until the commissioner of human services develops another mechanism for collecting and verifying data on out-of-home placements of children under the ICWA, and the legislature authorizes the use of that data, the data collected under this subdivision must be used to calculate payments under subdivision 3. The commissioner of human services shall certify the nonfederal out-of-home placement costs for the three prior calendar years for each county and the amount of any federal reimbursement received by a tribe under the ICWA for the three prior calendar years to the commissioner of revenue by June 1 of the year before the aid payment.

Subd. 3. **Aid for counties.** For aids payable in calendar year 2018 and thereafter, the amount of reimbursement to each county is a county's proportionate share of the appropriation in subdivision 6 that remains after the aid for tribes has been paid. Each county's proportionate share is based on the county's average nonfederal share of the cost for out-of-home placement of children under the ICWA for the three calendar years that were certified by the commissioner of human services by June 1 of the prior year, provided that the commissioner of human services, in consultation with the commissioner of corrections, certifies to the commissioner of revenue that accurate data are available to make the aid determination under this section. For aids payable in calendar year 2018, each county's proportionate share is based on the county's nonfederal share of the cost for out-of-home placement of children under the ICWA that was certified by the commissioner of human services by July 15, 2017.

Subd. 4. **Aid for tribes.** For aids payable in 2018 and thereafter, the amount of reimbursement to each tribe shall be the greater of:

1. five percent of the average reimbursement amount received from the federal government for out-of-home placement costs for the three calendar years that were certified by June 1 of the prior year; or

2. $200,000.

Subd. 5. **Payments.** The commissioner of revenue must compute the amount of the reimbursement aid payable to each county and tribe under this section. On or before August 1 of each year, the commissioner shall certify the amount to be paid to each county and tribe in the following year. The commissioner shall pay reimbursement aid annually at the times provided in section 477A.015.
Subd. 6. **Appropriation.** $10,000,000 is annually appropriated to the commissioner of revenue from the general fund to pay aid under this section.

**EFFECTIVE DATE.** This section is effective beginning with aids payable in 2018.

Subd. 8. **City formula aid.** (a) For aids payable in 2015 2018 and thereafter, the formula aid for a city is equal to the sum of (1) its formula aid in the previous year and (2) the product of (i) the difference between its unmet need and its formula certified aid in the previous year before any aid adjustment under subdivision 13, and (ii) the aid gap percentage.

(b) For aids payable in 2015 and thereafter, if a city's certified aid from the previous year is greater than the sum of its unmet need plus its aid adjustment under subdivision 13, its formula aid is adjusted to equal its unmet need.

(c) No city may have a formula aid amount less than zero. The aid gap percentage must be the same for all cities subject to paragraph (a).

(d) The applicable aid gap percentage must be calculated by the Department of Revenue so that the total of the aid under subdivision 9 equals the total amount available for aid under section 477A.03. The aid gap percentage must be the same for all cities subject to paragraph (a). Data used in calculating aids to cities under sections 477A.011 to 477A.013 shall be the most recently available data as of January 1 in the year in which the aid is calculated.

**EFFECTIVE DATE.** This section is effective for aids payable in calendar year 2018 and thereafter.

Sec. 17. Minnesota Statutes 2016, section 477A.013, subdivision 9, is amended to read:

(b) For aids payable in 2015 2018 and thereafter, if a city's certified aid before any aid adjustment under subdivision 13 for the previous year is equal to or greater than its current unmet need, the total aid for a city must be equal to the greater of (1) its unmet need plus any aid adjustment under subdivision 13, or (2) the amount it was certified to receive in the previous year minus the lesser of $10 multiplied by its population, or five percent of its net levy in the year prior to the aid distribution. No city may have a total aid amount less than zero.

**EFFECTIVE DATE.** This section is effective for aids payable in calendar year 2018 and thereafter.

The commissioner shall reduce the aid paid to a county, city, or town under section 477A.014 from the amount certified to the county under section 477A.0124; to the city under section 477A.013, subdivision 9; or to the town under section 477A.013, subdivision 1, in the calendar year following the

A court shall report any order that enjoins a county or city from operating a pretrial diversion program to the commissioner as required under subdivision 2. The commissioner shall, with the assistance of the state auditor, determine the amount of fees collected under the diversion program and reduce the county program aid paid to a county or the local government aid paid to a city by this amount beginning with the first aid payment made after the reduction amount is determined. No aid payment may be less than zero but the amount of the reduction that cannot be made out of that payment shall be applied to future payments until the total amount has been deducted.

Any taxpayer may challenge a city or county operation of a pretrial diversion program by filing a declaratory judgment action or seeking other appropriate relief in the district court for the county where the city is located or in any other court of competent jurisdiction. If the court finds that the county or city has exceeded its authority under law in operating the pretrial diversion program, the court must transmit a copy of the court order to the commissioner of revenue.

The State Board of Investment must ensure the account is invested under section 11A.24. The commissioner of management and budget must credit to the account all money appropriated to the account and all money earned by the account. The principal of the account and any unexpended earnings must be invested and reinvested by the State Board of Investment. Nothing in this section limits the source of contributions to the account. Money in the account must be used only for the purposes of this subdivision.

(b) State land acquired in fee simple in whole or in part with money appropriated from the outdoor heritage fund is eligible for a onetime trust fund payment as provided under this subdivision. The percentage of the total acres acquired in any purchase that is eligible for a trust fund payment under this subdivision is equal to the percentage of the total payment for the land funded from outdoor heritage fund revenues. If the percentage of the total payment for the land from the outdoor heritage fund is ten percent or less, the parcel is ineligible for a payment under this subdivision; if the percentage is 90 percent or more, the entire parcel is eligible for the payment under this subdivision. The commissioner of natural resources must certify to the commissioner of revenue and the county in which land eligible for a payment under this section is purchased the total number of acres purchased, the total payment for the land, and the amount of outdoor heritage fund revenues used for the purchase. The trust fund payment is equal to 30 times the land-related property taxes assessed on the eligible portion of the land in the year prior to the year in which the land is acquired. If the land was acquired from a private party that was exempt from paying property taxes, the payments must be based on 30 times the property taxes assessed on comparable land in the year prior to the year in which the land is acquired. By September 1 each year, the county in which the land is acquired must provide the commissioner of revenue with information necessary in a form determined by the commissioner of revenue to make this determination for all lands acquired for the 12-month period ending on June 30 of that year. The commissioner of revenue must make a trust fund payment on behalf of each county on the same date as the first payment under section 273.1384, subdivision 4, each year for all land acquired in that county in the 12-month period ending on June 30 of that year to the State Board of Investment as required under this paragraph. The money so deposited is money paid to the counties and may only be withdrawn for the purposes allowed under section 477A.30. The commissioner of revenue must inform each county by October 15 each year of the amount deposited on the county's behalf with the State Board of Investment under this subdivision.
(c) The amount necessary to make the payments required under this subdivision is annually appropriated from the outdoor heritage trust fund payment account to the commissioner of revenue for deposit in the account for county joint trust fund payments in section 11A.237.

(d) To receive a trust fund payment under this subdivision, a county board must enter into an agreement with the State Board of Investment to allow the commissioner of revenue to make deposits and withdrawals on behalf of the county into and out of the county joint trust fund account under section 11A.237.

(e) The portion of land receiving a trust fund payment under this subdivision is not eligible for payments under sections 477A.11 to 477A.14, but is eligible for distribution of withdrawals from the county joint trust fund account under section 477A.30.

(f) If the land for which a payment under this subdivision is made is subsequently sold to another entity and is no longer available for the use for which it was purchased, the original amount of the payment for that land under paragraph (b) must be withdrawn by the commissioner of revenue from the account established under section 11A.237 and returned to the outdoor heritage fund. If only a portion of the land is sold and no longer available for the use for which it was purchased, the amount of the original trust fund payment returned is reduced proportionately based on the portion of the original purchase that is sold. The holder of the land must inform the commissioner of revenue and the county in which the land is sold of the sale and provide them with any information necessary to calculate the required withdrawal from the account. The withdrawal is made along with withdrawals under section 477A.30 in the calendar year after the year in which the land is sold.

**EFFECTIVE DATE.** This section is effective July 1, 2017, and applies to land acquired with money appropriated on or after that date.

Sec. 4. Minnesota Statutes 2016, section 97A.056, subdivision 3, is amended to read:

Subd. 3. **Council recommendations.** (a) The council shall make recommendations to the legislature on appropriations of money from the outdoor heritage fund that are consistent with the Constitution and state law and that will achieve the outcomes of existing natural resource plans, including, but not limited to, the Minnesota Statewide Conservation and Preservation Plan, that directly relate to the restoration, protection, and enhancement of wetlands, prairies, forests, and habitat for fish, game, and wildlife, and that prevent forest fragmentation, encourage forest consolidation, and expand restored native prairie. In making recommendations, the council shall consider a range of options that would best restore, protect, and enhance wetlands, prairies, forests, and habitat for fish, game, and wildlife. The council recommendations each year on appropriation of money from the outdoor heritage fund must include amounts adequate to make the required transfers to the outdoor heritage trust fund payment account according to subdivision 1b. The council's recommendations shall be submitted no later than January 15 each year. The council shall present its recommendations to the senate and house of representatives committees with jurisdiction over the environment and natural resources budget by February 15 in odd-numbered years, and within the first four weeks of the legislative session in even-numbered years. The council's budget recommendations to the legislature shall be separate from the Department of Natural Resource's budget recommendations.

(b) To encourage and support local conservation efforts, the council shall establish a conservation partners program. Local, regional, state, or national organizations may apply for matching grants for restoration, protection, and enhancement of wetlands, prairies, forests, and habitat for fish, game, and wildlife, prevention of forest fragmentation, encouragement of forest consolidation, and expansion of restored native prairie.

(c) The council may work with the Clean Water Council to identify projects that are consistent with both the purpose of the outdoor heritage fund and the purpose of the clean water fund.
(d) The council may make recommendations to the Legislative-Citizen Commission on Minnesota Resources on scientific research that will assist in restoring, protecting, and enhancing wetlands, prairies, forests, and habitat for fish, game, and wildlife, preventing forest fragmentation, encouraging forest consolidation, and expanding restored native prairie.

(e) Recommendations of the council, including approval of recommendations for the outdoor heritage fund, require an affirmative vote of at least nine members of the council.

(f) The council may work with the Clean Water Council, the Legislative-Citizen Commission on Minnesota Resources, the Board of Water and Soil Resources, soil and water conservation districts, and experts from Minnesota State Colleges and Universities and the University of Minnesota in developing the council’s recommendations.

(g) The council shall develop and implement a process that ensures that citizens and potential recipients of funds are included throughout the process, including the development and finalization of the council’s recommendations. The process must include a fair, equitable, and thorough process for reviewing requests for funding and a clear and easily understood process for ranking projects.

(h) The council shall use the regions of the state based upon the ecological sections and subsections developed by the Department of Natural Resources and establish objectives for each region and subregion to achieve the purposes of the fund outlined in the state constitution.

(i) The council shall develop and submit to the Legislative Coordinating Commission plans for the first ten years of funding, and a framework for 25 years of funding, consistent with statutory and constitutional requirements. The council may use existing plans from other legislative, state, and federal sources, as applicable.

Sec. 11. 116P.045 ENVIRONMENT AND NATURAL RESOURCES TRUST FUND PAYMENT ACCOUNT.

Subdivision 1. Account created. An environment and natural resources trust fund payment account is created in the special revenue fund. The State Board of Investment must ensure the account is invested under section 11A.24. The commissioner of management and budget must credit to the account all money appropriated to the account and all money earned by the account. The principal of the account and any unexpended earnings must be invested and reinvested by the State Board of Investment. Nothing in this section limits the source of contributions to the account. Money in the account must be used only for the purposes of this section.

Subd. 2. Trust fund payment; appropriation. (a) State land acquired in fee simple in whole or in part with money appropriated from the environment and natural resources trust fund is eligible for a onetime trust fund payment as provided under this subdivision. The percentage of the total acres acquired in any purchase that is eligible for a trust fund payment under this section is equal to the percentage of the total payment for the land funded from environment and natural resources trust fund revenues. If the percentage of the total payment for the land from the environment and natural resources trust fund is ten percent or less, the parcel is ineligible for a payment under this section; if the percentage is 90 percent or more, the entire parcel is eligible for the payment under this section. The commissioner of natural resources must certify to the commissioner of revenue and the county in which land eligible for a payment under this section is purchased the total number of acres purchased, the total payment for the
land, and the amount of environmental and natural resources trust fund revenues used for the purchase. The trust fund payment is equal to 30 times the land-related property taxes assessed on the eligible portion of the land in the year prior to the year in which the land is acquired. If the land was acquired from a private party that was exempt from paying property taxes, the payments must be based on 30 times the property taxes assessed on comparable land in the year prior to the year in which the land is acquired. By September 1 each year, the county in which the land is acquired must provide the commissioner of revenue with information necessary in a form determined by the commissioner of revenue to make this determination for all lands acquired for the 12-month period ending on June 30 of that year. The commissioner of revenue must make a trust fund payment on behalf of each county on the same date as the first payment under section 273.1384, subdivision 4, each year for all land acquired in that county in the 12-month period ending on June 30 of that year to the State Board of Investment as required under this section. The money so deposited is money paid to the counties and may only be withdrawn for the purposes allowed under section 477A.30. The commissioner of revenue must inform each county by October 15 each year of the amount deposited on the county's behalf with the State Board of Investment under this subdivision.

(b) The amount necessary to make the payments required under this subdivision is annually appropriated from the environment and natural resources trust fund payment account to the commissioner of revenue for deposit in the account for county joint trust fund payments in section 11A.237.

(c) If the land for which a payment under this subdivision is made is subsequently sold to another entity and is no longer available for the use for which it was purchased, the original amount of the payment for that land under paragraph (a) must be withdrawn by the commissioner of revenue from the account established under section 11A.237 and returned to the environment and natural resources trust fund. If only a portion of the land is sold and no longer available for the use for which it was purchased, the amount of the original trust fund payment returned is reduced proportionately based on the portion of the original purchase that is sold. The holder of the land must inform the commissioner of revenue and the county in which the land is sold of the sale and provide them with any information necessary to calculate the required withdrawal from the account. The withdrawal is made along with withdrawals under section 477A.30 in the calendar year after the year in which the land is sold.

Subd. 3. County requirements. To receive a trust fund payment under this section, a county board must enter into an agreement with the State Board of Investment to allow the commissioner of revenue to make deposits and withdrawals on behalf of the county into and out of the county joint trust fund account under section 11A.237.

Subd. 4. Ineligible for other payments. Land receiving a trust fund payment under this section is not eligible for payments under sections 477A.11 to 477A.14, but is eligible for distribution of withdrawals from the county joint trust fund account under section 477A.30.

Subd. 5. State acquisition of land; restrictions. The state may not use money from the environment and natural resources trust fund to acquire in fee simple in whole or in part any land subject to property taxes or any land owned by a nonprofit organization that was subject to property taxes before the land's acquisition by the nonprofit organization if (1) subdivision 2 is void, or (2) sufficient funds to cover the onetime trust fund payment required under subdivision 2 have not been appropriated or are not available.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 15. Minnesota Statutes 2016, section 477A.11, is amended by adding a subdivision to read:

Subd. 9. **Environment and natural resources trust fund lands.** Notwithstanding any other provision of law to the contrary, parcels or portions of parcels of land purchased on or after July 1, 2017, and eligible for a trust fund payment under section 116P.045 are not included in the definitions of the lands described in subdivisions 3 to 7 and are excluded from payments under sections 477A.11 to 477A.14.

**EFFECTIVE DATE.** This section is effective beginning with aids payable in 2018.

Sec. 16. Minnesota Statutes 2016, section 477A.11, is amended by adding a subdivision to read:

Subd. 10. **Outdoor heritage lands.** Notwithstanding any other provision of law to the contrary, parcels or portions of parcels of land purchased on or after July 1, 2017, and eligible for a trust fund payment under section 97A.056, subdivision 1b, are not included in the definitions of the lands described in subdivisions 3 to 7 and are excluded from payments under sections 477A.11 to 477A.14.

Sec. 17. **477A.30 ANNNUAL COUNTY JOINT TRUST FUND WITHDRAWALS AND DISTRIBUTION FOR ENVIRONMENT AND NATURAL RESOURCES TRUST FUND LANDS AND OUTDOOR HERITAGE LANDS.**

Subdivision 1. **Commissioner of revenue; withdrawals and payments.** No later than November 15 each year, the commissioner of revenue shall make a withdrawal on behalf of all eligible counties from the county joint trust fund account established under section 11A.237 equal to the lesser of (1) the total amount of necessary withdrawals certified by the counties under subdivision 2 for the year, or (2) 5-1/2 percent of the amount in that account as of September 1 of that year as determined by the executive director of the State Board of Investment. The commissioner shall distribute the certified withdrawal amounts to each county by November 30. If the amount of the withdrawal is less than the total certified withdrawal amounts under subdivision 2, the commissioner shall reduce the distribution to each county proportionately.
Subd. 2. Certification of needed withdrawal; distribution of funds. (a) Beginning in calendar year 2018, by September 1 each year, a county for whom a trust fund payment has been made on its behalf under section 97A.056, subdivision 1b, or 116P.045, subdivision 2, shall calculate and certify to the commissioner of revenue the amount of trust fund withdrawals needed under this section. The amount of the withdrawal for each parcel of land for which a county received a trust fund payment under either provision is as follows:

(1) for the year in which a trust fund payment is made to a county for a parcel of land, the withdrawal for that parcel is equal to:

(i) the remaining taxes owed to the local governments providing land-related services for taxes spread that year for a parcel acquired between January 1 and June 30; or

(ii) the amount of taxes paid to the local governments providing land-related services on the parcel in the previous year if the parcel was acquired before January 1 of the current year. The county must distribute the amount by December 15 to all local governments providing land-related services based on the location of the parcel and the local governments' share of the total tax; and

(2) for all subsequent years, the withdrawal for a parcel is equal to the taxes that would be owed based on the appraised value of the land and the taxes assessed by local governments providing land-related services on comparable, privately owned adjacent land. For purposes of this subdivision, "appraised value" is determined in the manner described in section 477A.12, subdivision 3. The county treasurer must allocate the withdrawn funds among the local governments providing land-related services on the same basis as if the funds were taxes on the land received in that year. The county treasurer must pay the allocation to all eligible local governments by December 15 of the year in which the withdrawal is made. The county's share of the payment must be deposited in the county general fund.

(b) If the distribution to a county under subdivision 1 is less than its total withdrawal amounts certified under this subdivision, all distributions under paragraph (a) are reduced proportionately.

(c) The local governments receiving a payment under this section must use the money to fund land-related services. For purposes of this paragraph, "land-related services" means services used to restore, enhance, and protect the land and its fish and wildlife habitat and provide any other public services benefiting the land and users of the land, including access and services to the public accessing and using the land and direct and indirect capital and operating costs for (1) roads, bridges, and trails; (2) public safety and emergency response services; (3) environmental, recreational, and resource development and management; and (4) similar costs.

(d) For purposes of this subdivision, "local governments providing land-related services" has the meaning given in section 116P.02, subdivision 4c.

EFFECTIVE DATE. This section is effective January 1, 2018, and applies to land acquired with money appropriated on or after July 1, 2017.

Sec. 18. DELAYED REQUIREMENT FOR TRUST FUND PAYMENTS FOR APPROPRIATIONS MADE FOR FISCAL YEAR 2018.

(a) Notwithstanding Minnesota Statutes, section 97A.056, subdivision 15a, the state may appropriate money for fiscal year 2018 from the outdoor heritage fund to purchase land without appropriating sufficient funds to cover the onetime trust fund payment required under Minnesota Statutes, section 97A.056, subdivision 1b. The amount necessary to make the payment required under Minnesota Statutes, section 97A.056, subdivision 1b, for all fiscal year 2018 appropriations for land purchases must be deposited in the outdoor heritage trust fund payment account by August 1, 2018, or the restriction on land acquisition under Minnesota Statutes, section 97A.056, subdivision 15a, applies to any land acquisition authorized with fiscal year 2018 funds that have not yet been acquired.

The amount necessary to make the payment required under Minnesota Statutes, section 116P.045, subdivision 2, for all fiscal year 2018 appropriations for land purchases must be deposited in the environment and natural resources trust fund payment account by August 1, 2018, or the restriction on land acquisition under Minnesota Statutes, section 116P.045, subdivision 5, applies to any land acquisition authorized with fiscal year 2018 funds that have not yet been acquired.

The imposition of this tax shall not be subject to voter referendum under either state law or city charter provisions. When the city council determines that the taxes imposed under this paragraph at a rate of three-quarters of one percent and other sources of revenue produce revenue sufficient to pay debt service on bonds in the principal amount of $40,285,000 plus issuance and discount costs, issued for capital improvements at the Duluth Entertainment and Convention Center, which include a new arena, the rate of tax under this subdivision must be reduced by three-quarters of one percent.

This tax expires when the city council determines that the tax imposed under this paragraph, along with the tax imposed under section 22, paragraph (b), has produced revenues sufficient to pay the debt service on bonds in a principal amount of no more than $18,000,000, plus issuance and discount costs, to finance capital improvements to public facilities to support tourism and recreational activities in that portion of the city west of 34th 14th Avenue West and the area south of and including Skyline Parkway.

(c) The city of Duluth may sell and issue up to $18,000,000 in general obligation bonds under Minnesota Statutes, chapter 475, plus an additional amount to pay for the costs of issuance and any premiums. The proceeds may be used to finance capital improvements to public facilities that support tourism and recreational activities in the portion of the city west of 34th 14th Avenue West and the area south of and including Skyline Parkway, as
described in paragraph (b). The issuance of the bonds is subject to the provisions of Minnesota Statutes, chapter 475, except no election shall be required unless required by the city charter. The revenues from the taxes that the city of Duluth may impose under paragraph (b) and under section 22, paragraph (b), may be pledged to pay principal of and interest on such bonds.

**EFFECTIVE DATE.** This section is effective the day after the governing body of the city of Duluth and its chief clerical officer comply with Minnesota Statutes, section 645.021, subdivisions 2 and 3.

This tax expires when the city council first determines that the tax imposed under this paragraph, along with the tax imposed under section 21, paragraph (b), has produced revenues sufficient to pay the debt service on bonds in a principal amount of no more than $18,000,000, plus issuance and discount costs, to finance capital improvements to public facilities to support tourism and recreational activities in that portion of the city west of 34th Avenue West and the area south of and including Skyline Parkway.

Authorized expenses include, but are not limited to, acquiring property and paying relocation expenses related to the development of Riverfront 2000 and related facilities, and securing or paying debt service on bonds or other obligations issued to finance the construction of Riverfront 2000 and related facilities. **ARTICLE 8**
**TAX INCREMENT FINANCING**

Section 1. Minnesota Statutes 2016, section 469.174, subdivision 12, is amended to read:

Subd. 12. **Economic development district.** "Economic development district" means a type of tax increment financing district which consists of any project, or portions of a project, which the authority finds to be in the public interest because:

(1) it will discourage commerce, industry, or manufacturing from moving their operations to another state or municipality; or

(2) it will result in increased employment in the state; or

(3) it will result in preservation and enhancement of the tax base of the state; or

(4) it satisfies the requirements of a workforce housing project under section 469.176, subdivision 4c, paragraph (d).

**EFFECTIVE DATE.** This section is effective for districts for which the request for certification was made after June 30, 2017.

Sec. 2. Minnesota Statutes 2016, section 469.175, subdivision 3, is amended to read:

Subd. 3. **Municipality approval.** (a) A county auditor shall not certify the original net tax capacity of a tax increment financing district until the tax increment financing plan proposed for that district has been approved by the municipality in which the district is located. If an authority that proposes to establish a tax increment financing district and the municipality are not the same, the authority shall apply to the municipality in which the district is proposed to be located and shall obtain the approval of its tax increment financing plan by the municipality before the authority may use tax increment financing. The municipality shall approve the tax increment financing plan only after a public hearing thereon after published notice in a newspaper of general circulation in the municipality at least once not less than ten days nor more than 30 days prior to the date of the hearing. The published notice must include a map of the area of the district from which increments may be collected and, if the project area includes additional area, a map of the project area in which the increments may be expended. The hearing may be held before or after the approval or creation of the project or it may be held in conjunction with a hearing to approve the project.

(b) Before or at the time of approval of the tax increment financing plan, the municipality shall make the following findings, and shall set forth in writing the reasons and supporting facts for each determination:
(1) that the proposed tax increment financing district is a redevelopment district, a renewal or renovation district, a housing district, a soils condition district, or an economic development district; if the proposed district is a redevelopment district or a renewal or renovation district, the reasons and supporting facts for the determination that the district meets the criteria of section 469.174, subdivision 10, paragraph (a), clauses (1) and (2), or subdivision 10a, must be documented in writing and retained and made available to the public by the authority until the district has been terminated;

(2) that, in the opinion of the municipality:

(i) the proposed development or redevelopment would not reasonably be expected to occur solely through private investment within the reasonably foreseeable future; and

(ii) the increased market value of the site that could reasonably be expected to occur without the use of tax increment financing would be less than the increase in the market value estimated to result from the proposed development after subtracting the present value of the projected tax increments for the maximum duration of the district permitted by the plan. The requirements of this item do not apply if the district is a housing district;

(3) that the tax increment financing plan conforms to the general plan for the development or redevelopment of the municipality as a whole;

(4) that the tax increment financing plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the development or redevelopment of the project by private enterprise;

(5) that the municipality elects the method of tax increment computation set forth in section 469.177, subdivision 3, paragraph (b), if applicable.

c) When the municipality and the authority are not the same, the municipality shall approve or disapprove the tax increment financing plan within 60 days of submission by the authority. When the municipality and the authority are not the same, the municipality may not amend or modify a tax increment financing plan except as proposed by the authority pursuant to subdivision 4. Once approved, the determination of the authority to undertake the project through the use of tax increment financing and the resolution of the governing body shall be conclusive of the findings therein and of the public need for the financing.

d) For a district that is subject to the requirements of paragraph (b), clause (2), item (ii), the municipality's statement of reasons and supporting facts must include all of the following:

(1) an estimate of the amount by which the market value of the site will increase without the use of tax increment financing;

(2) an estimate of the increase in the market value that will result from the development or redevelopment to be assisted with tax increment financing; and

(3) the present value of the projected tax increments for the maximum duration of the district permitted by the tax increment financing plan.

e) For purposes of this subdivision, "site" means the parcels on which the development or redevelopment to be assisted with tax increment financing will be located.

f) Before or at the time of approval of the tax increment financing plan for a district to be used to fund a workforce housing project under section 469.176, subdivision 4c, paragraph (d), the municipality shall make the following findings and set forth in writing the reasons and supporting facts for each determination:
(1) the city is located outside of the metropolitan area, as defined in section 473.121, subdivision 2;

(2) the average vacancy rate for rental housing located in the municipality and in any statutory or home rule charter city located within 15 miles or less of the boundaries of the municipality has been three percent or less for at least the immediately preceding two-year period;

(3) at least one business located in the municipality or within 15 miles of the municipality that employs a minimum of 20 full-time equivalent employees in aggregate has provided a written statement to the municipality indicating that the lack of available rental housing has impeded the ability of the business to recruit and hire employees; and

(4) the municipality and the development authority intend to use increments from the district for the development of rental housing to serve employees of businesses located in the municipality or surrounding area.

**EFFECTIVE DATE.** This section is effective for districts for which the request for certification was made after June 30, 2017.

Sec. 3. Minnesota Statutes 2016, section 469.176, subdivision 4c, is amended to read:

Subd. 4c. **Economic development districts.** (a) Revenue derived from tax increment from an economic development district may not be used to provide improvements, loans, subsidies, grants, interest rate subsidies, or assistance in any form to developments consisting of buildings and ancillary facilities, if more than 15 percent of the buildings and facilities (determined on the basis of square footage) are used for a purpose other than:

(1) the manufacturing or production of tangible personal property, including processing resulting in the change in condition of the property;

(2) warehousing, storage, and distribution of tangible personal property, excluding retail sales;

(3) research and development related to the activities listed in clause (1) or (2);

(4) telemarketing if that activity is the exclusive use of the property;

(5) tourism facilities; or

(6) space necessary for and related to the activities listed in clauses (1) to (5); or

(7) a workforce housing project that satisfies the requirements of paragraph (d).

(b) Notwithstanding the provisions of this subdivision, revenues derived from tax increment from an economic development district may be used to provide improvements, loans, subsidies, grants, interest rate subsidies, or assistance in any form for up to 15,000 square feet of any separately owned commercial facility located within the municipal jurisdiction of a small city, if the revenues derived from increments are spent only to assist the facility directly or for administrative expenses, the assistance is necessary to develop the facility, and all of the increments, except those for administrative expenses, are spent only for activities within the district.

(c) A city is a small city for purposes of this subdivision if the city was a small city in the year in which the request for certification was made and applies for the rest of the duration of the district, regardless of whether the city qualifies or ceases to qualify as a small city.
(d) A project qualifies as a workforce housing project under this subdivision if:

(1) increments from the district are used exclusively to assist in the acquisition of property; construction of improvements; and provision of loans or subsidies, grants, interest rate subsidies, public infrastructure, and related financing costs for rental housing developments in the municipality; and

(2) the governing body of the municipality made the findings for the project required by section 469.175, subdivision 3, paragraph (f).

**EFFECTIVE DATE.** This section is effective for districts for which the request for certification was made after June 30, 2017.

Sec. 4. Minnesota Statutes 2016, section 469.1761, is amended by adding a subdivision to read:

Subd. 5. **Income limits; Minnesota Housing Finance Agency challenge program.** For a project receiving a loan or grant from the Minnesota Housing Finance Agency challenge program under section 462A.33, the income limits under section 462A.33 are substituted for the applicable income limits for the project under subdivision 2 or 3.

**EFFECTIVE DATE.** This section is effective for districts for which the request for certification was made after June 30, 2017.

Sec. 5. Minnesota Statutes 2016, section 469.1763, subdivision 1, is amended to read:

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have the meanings given.

(b) "Activities" means acquisition of property, clearing of land, site preparation, soils correction, removal of hazardous waste or pollution, installation of utilities, construction of public or private improvements, and other similar activities, but only to the extent that tax increment revenues may be spent for such purposes under other law.

(c) "Third party" means an entity other than (1) the person receiving the benefit of assistance financed with tax increments, or (2) the municipality or the development authority or other person substantially under the control of the municipality.

(d) "Revenues derived from tax increments paid by properties in the district" means only tax increment as defined in section 469.174, subdivision 25, clause (1), and does not include tax increment as defined in section 469.174, subdivision 25, clauses (2), (3), and (4) to (5).

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 469.1763, subdivision 2, is amended to read:

Subd. 2. **Expenditures outside district.** (a) For each tax increment financing district, an amount equal to at least 75 percent of the total revenue derived from tax increments paid by properties in the district must be expended on activities in the district or to pay bonds, to the extent that the proceeds of the bonds were used to finance activities in the district or to pay, or secure payment of, debt service on credit enhanced bonds. For districts, other than redevelopment districts for which the request for certification was made after June 30, 1995, the in-district percentage for purposes of the preceding sentence is 80 percent. Not more than 25 percent of the total revenue derived from tax increments paid by properties in the district may be expended, through a development fund or otherwise, on activities outside of the district but within the defined geographic area of the project except to pay, or secure payment of, debt service on credit enhanced bonds. For districts, other than redevelopment districts for which the request for certification was made after June 30, 1995, the pooling percentage for purposes of the
preceding sentence is 20 percent. The revenue derived from tax increments for paid by properties in the district that are expended on costs under section 469.176, subdivision 4h, paragraph (b), may be deducted first before calculating the percentages that must be expended within and without the district.

(b) In the case of a housing district, a housing project, as defined in section 469.174, subdivision 11, is an activity in the district.

(c) All administrative expenses are for activities outside of the district, except that if the only expenses for activities outside of the district under this subdivision are for the purposes described in paragraph (d), administrative expenses will be considered as expenditures for activities in the district.

(d) The authority may elect, in the tax increment financing plan for the district, to increase by up to ten percentage points the permitted amount of expenditures for activities located outside the geographic area of the district under paragraph (a). As permitted by section 469.176, subdivision 4k, the expenditures, including the permitted expenditures under paragraph (a), need not be made within the geographic area of the project. Expenditures that meet the requirements of this paragraph are legally permitted expenditures of the district, notwithstanding section 469.176, subdivisions 4b, 4c, and 4j. To qualify for the increase under this paragraph, the expenditures must:

1. be used exclusively to assist housing that meets the requirement for a qualified low-income building, as that term is used in section 42 of the Internal Revenue Code; and

2. not exceed the qualified basis of the housing, as defined under section 42(c) of the Internal Revenue Code, less the amount of any credit allowed under section 42 of the Internal Revenue Code; and

3. be used to:

   (i) acquire and prepare the site of the housing;

   (ii) acquire, construct, or rehabilitate the housing; or

   (iii) make public improvements directly related to the housing; or

4. be used to develop housing:

   (i) if the market value of the housing does not exceed the lesser of:

   (A) 150 percent of the average market value of single-family homes in that municipality; or

   (B) $200,000 for municipalities located in the metropolitan area, as defined in section 473.121, or $125,000 for all other municipalities; and

   (ii) if the expenditures are used to pay the cost of site acquisition, relocation, demolition of existing structures, site preparation, and pollution abatement on one or more parcels, if the parcel contains a residence containing one to four family dwelling units that has been vacant for six or more months and is in foreclosure as defined in section 325N.10, subdivision 7, but without regard to whether the residence is the owner's principal residence, and only after the redemption period has expired.
(e) The authority under paragraph (d), clause (4), expires on December 31, 2016. Increments may continue to be expended under this authority after that date, if they are used to pay bonds or binding contracts that would qualify under subdivision 3, paragraph (a), if December 31, 2016, is considered to be the last date of the five-year period after certification under that provision.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 7. Minnesota Statutes 2016, section 469.1763, subdivision 3, is amended to read:

Subd. 3. **Five-year rule.** (a) Revenues derived from tax increments paid by properties in the district are considered to have been expended on an activity within the district under subdivision 2 only if one of the following occurs:

1. before or within five years after certification of the district, the revenues are actually paid to a third party with respect to the activity;

2. bonds, the proceeds of which must be used to finance the activity, are issued and sold to a third party before or within five years after certification, the revenues are spent to repay the bonds, and the proceeds of the bonds either are, on the date of issuance, reasonably expected to be spent before the end of the later of (i) the five-year period, or (ii) a reasonable temporary period within the meaning of the use of that term under section 148(c)(1) of the Internal Revenue Code, or are deposited in a reasonably required reserve or replacement fund;

3. binding contracts with a third party are entered into for performance of the activity before or within five years after certification of the district and the revenues are spent under the contractual obligation;

4. costs with respect to the activity are paid before or within five years after certification of the district and the revenues are spent to reimburse a party for payment of the costs, including interest on unreimbursed costs; or

5. expenditures are made for housing purposes as permitted by subdivision 2, paragraphs (b) and (d), or for public infrastructure purposes within a zone as permitted by subdivision 2, paragraph (e).

(b) For purposes of this subdivision, bonds include subsequent refunding bonds if the original refunded bonds meet the requirements of paragraph (a), clause (2).

(c) For a redevelopment district or a renewal and renovation district certified after June 30, 2003, and before April 20, 2009, the five-year periods described in paragraph (a) are extended to ten years after certification of the district. For a redevelopment district certified after April 20, 2009, and before June 30, 2012, the five-year periods described in paragraph (a) are extended to eight years after certification of the district. This extension is provided primarily to accommodate delays in development activities due to unanticipated economic circumstances.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 8. Minnesota Statutes 2016, section 469.178, subdivision 7, is amended to read:

Subd. 7. **Interfund loans.** (a) The authority or municipality may advance or loan money to finance expenditures under section 469.176, subdivision 4, from its general fund or any other fund under which it has legal authority to do so.

(b) Not later than 60 days after money is transferred, advanced, or spent, whichever is earliest, the loan or advance must be authorized, by resolution of the governing body or of the authority, whichever has jurisdiction over the fund from which the advance or loan is authorized, before money is transferred, advanced, or spent, whichever is earliest.
(c) The resolution may generally grant to the municipality or the authority the power to make interfund loans under one or more tax increment financing plans or for one or more districts. The resolution may be adopted before or after the adoption of the tax increment financing plan or the creation of the tax increment financing district from which the advance or loan is to be repaid.

(d) The terms and conditions for repayment of the loan must be provided in writing and. The written terms and conditions may be in any form, but must include, at a minimum, the principal amount, the interest rate, and maximum term. Written terms may be modified or amended in writing by the municipality or the authority before the latest decertification of any tax increment financing district from which the interfund loan is to be repaid. The maximum rate of interest permitted to be charged is limited to the greater of the rates specified under section 270C.40 or 549.09 as of the date the loan or advance is authorized, unless the written agreement states that the maximum interest rate will fluctuate as the interest rates specified under section 270C.40 or 549.09 are from time to time adjusted. Loans or advances may be structured as draw-down or line-of-credit obligations of the lending fund.

(e) The authority shall report in the annual report submitted under section 469.175, subdivision 6:

(1) the amount of any interfund loan or advance made in a calendar year; and

(2) any amendment of an interfund loan or advance made in a calendar year.

EFFECTIVE DATE. This section is effective the day following final enactment and applies to all districts, regardless of when the request for certification was made.

Sec. 9. Laws 2008, chapter 154, article 9, section 21, subdivision 2, is amended to read:

Subd. 2. Special rules. (a) If the city elects, upon the adoption of the tax increment financing plan for a district, the rules under this section apply to a redevelopment district, renewal and renovation district, economic development district, soil condition district, or a soil deficiency district established by the city or a development authority of the city in the project area.

TAX ADMINISTRATION

Section 1. [270C.075] PRIVATE LETTER RULINGS.

Subdivision 1. Program established. By January 1, 2018, the commissioner shall, by administrative rule adopted under chapter 14, establish and implement a program for issuing private letter rulings to taxpayers to provide guidance as to how the commissioner will apply Minnesota tax law to a specific transaction or proposed transaction, arrangement, or other fact situation of the applying taxpayer. The commissioner must include in each ruling an explanation of the reasoning for the determination. In establishing the terms of the program, the commissioner may provide that rulings will not be issued in specified subject areas, for categories of transactions, or under specified provisions of law, if the commissioner determines doing so is in the best interests of the state and sound tax administration. The program must include a process for the representative of a taxpayer to apply for a private letter ruling and to communicate with the commissioner regarding the requested ruling.
Subd. 2. Application procedure; fees. (a) The commissioner shall establish an application procedure and forms for a taxpayer or the taxpayer's appointed representative to request a private letter ruling. The commissioner may require the taxpayer to provide any supporting factual information and certifications that the commissioner determines necessary or appropriate to issue a private letter ruling. The requirements may vary based on the type of ruling requested.

(b) The commissioner may, in the administrative rule, establish a fee schedule to recover the department's actual cost of preparing private letter rulings. The maximum fee per private letter ruling is $1,000. The commissioner may require the applicant to pay the required fee for a private letter ruling before the application is considered. If the administrative rule provides for payment of a fee as a condition for providing a private letter ruling, the rule must provide a fee structure that varies the amount of the fee by the complexity of the request or the number and type of issues or both.

(c) If the commissioner fails to issue a ruling to the taxpayer within 90 days after the taxpayer's filing of a completed application, the commissioner must refund the application fee to the taxpayer; however, the commissioner must issue a private letter ruling unless the taxpayer withdraws the request.

(d) Any fees collected under this section must be deposited in the Revenue Department service and recovery special revenue fund established under section 270C.15, and are appropriated to the commissioner to offset the cost of issuing private letter rulings and related administrative costs.

Subd. 3. Effect. (a) A private letter ruling is binding on the commissioner with respect to the taxpayer to whom the ruling is issued if:

(1) there was no misstatement or omission of material facts in the application or other information provided to the commissioner;

(2) the facts that subsequently developed were not materially different from the facts upon which the ruling was based;

(3) the applicable statute, administrative rule, federal law referenced by state law, or other relevant law has not changed; and

(4) the taxpayer acted in good faith in applying for and relying on the ruling.

(b) Private letter rulings have no precedential effect and may not be relied upon by a taxpayer other than as provided in paragraph (a).

Subd. 4. Public access. The commissioner shall make private letter rulings issued under this section available to the public on the department's Web site. The commissioner must organize the private letter rulings by tax type and must make them available in a searchable format. The published rulings must redact any information that would permit identification of the requesting taxpayer.

Subd. 5. Legislative report. (a) By January 31 of each odd-numbered year, the commissioner shall report in writing to the legislature the following information for the immediately preceding two calendar years:

(1) the number of applications for private letter rulings;

(2) the number of private letter rulings issued, including the number issued within the 90-day time period under subdivision 2, paragraph (c);
(3) the amount of application fees refunded by tax type;

(4) the tax types for which rulings were requested;

(5) the types and characteristics of taxpayers applying for rulings; and

(6) any other information that the commissioner considers relevant to legislative oversight of the private letter ruling program.

(b) The report must be filed as provided in section 3.195, and copies must be provided to the chairs and ranking minority members of the committees of the house of representatives and the senate with jurisdiction over taxes and appropriations to the Department of Revenue.

**EFFECTIVE DATE.** This section is effective the day following final enactment, except that the first legislative report under subdivision 5 is due January 31, 2020.

Sec. 2. Minnesota Statutes 2016, section 270C.31, is amended by adding a subdivision to read:

Subd. 8. **Authority to request dual examination.** (a) A qualified taxpayer that is subject to an on-site examination or audit under this section of the amount of tax due under chapter 290 or 297A may request in writing that the commissioner conduct the examination or audit of the taxpayer's tax due under both chapters at the same time. The request must be made within 30 days of the receipt of the commissioner's notice of intent to conduct the on-site audit or examination in the form prescribed by the commissioner. If a qualified taxpayer files a timely written request under this subdivision and the commissioner elects to audit or examine the tax due under only one of the two chapters, the commissioner may not audit or examine the tax due under the other chapter for each taxable year or period that includes the taxable year or the period covered by the audit or examination that was conducted.

(b) For purposes of this subdivision, "qualified taxpayer" means a taxpayer that meets each of the following requirements:

(1) the taxpayer has been issued a permit to collect tax under section 297A.84;

(2) the gross receipts of the taxpayer, as reported on the return filed under chapter 290 for the most recent taxable year, is no more than $150,000. In applying this clause to a taxpayer that is a member of a unitary business, as defined in section 290.17, gross receipts include the gross receipts of all members of the unitary business; and

(3) the commissioner audited or examined the taxpayer's return filed under chapter 290 or 297A or both for a period that ended no more than five years prior to the taxable year or the period for which the qualified taxpayer made the request under this subdivision, and the commissioner determined that no more than the greater of (1) $1,000 or (2) five percent of the liability for tax in additional tax was owed by the taxpayer as a result of the audit or examination.

**EFFECTIVE DATE.** This section is effective for examinations and audits commenced after June 30, 2017.

Sec. 3. Minnesota Statutes 2016, section 270C.33, is amended by adding a subdivision to read:

Subd. 4a. **Limitations; sales taxes.** (a) The provisions of this subdivision are a limitation on the assessment authority of the commissioner under this section.
(b) The commissioner must not assess additional tax under chapter 297A if each of the following requirements are met:

(1) the tax reported by the taxpayer is consistent with and based on past reporting or other practices of the taxpayer that were fully disclosed to the commissioner and were specifically reviewed by the commissioner, including by issuing an audit assessing no additional tax liability with respect to that item for a prior taxable period; and

(2) effective for a taxable period beginning after the period covered by clause (1), neither the statute or administrative rule on which the reporting or other practice is based has been materially changed, nor has the commissioner issued a revenue notice or directly notified the taxpayer in writing of a change in the commissioner's position as to the proper reporting or other treatment of the relevant transaction or other item.

(c) For an audit of a prior taxable period by the commissioner, paragraph (b), clause (1), applies only to issues within the scope of and specifically addressed by the audit.

EFFECTIVE DATE. This section is effective for assessments made after June 30, 2017.

Sec. 4. Minnesota Statutes 2016, section 270C.33, is amended by adding a subdivision to read:

Subd. 4b. Limit on assessments; reasonable cause for failure to collect or withhold. (a) An assessment issued under subdivision 4 is reduced or eliminated to the extent that the amount that would otherwise be assessed arose from the taxpayer's failure to collect or withhold a tax from another individual or entity and the taxpayer had reasonable cause for not collecting or withholding the tax. A taxpayer may raise this ground for prohibition of an assessment during an audit, upon appeal from an assessment, or by refund claim following payment of the assessment.

(b) For purposes of this subdivision and section 270C.35, subdivision 4:

(1) ignorance of the law is not reasonable cause;

(2) lack of clarity as to whether the law requires collection or withholding under the circumstances may be reasonable cause; and

(3) failure to collect or withhold in accordance with prior written advice from the commissioner on the specific question of the requirement to collect or withhold under the same or similar circumstances that has not been superseded or preempted by a change in statute or administrative rule or a subsequent written notice from the commissioner to the taxpayer prior to commencement of the period for which the failure to collect or withhold occurred is reasonable cause.

EFFECTIVE DATE. This section is effective for assessments made after June 30, 2017.

Sec. 5. Minnesota Statutes 2016, section 270C.34, subdivision 1, is amended to read:

Subdivision 1. Authority. (a) The commissioner may abate, reduce, or refund any penalty or interest that is imposed by a law administered by the commissioner, or imposed by section 270.0725, subdivision 1 or 2, or 270.075, subdivision 2, as a result of the late payment of tax or late filing of a return, or any part of an additional tax charge under section 289A.25, subdivision 2, or 289A.26, subdivision 4, if the failure to timely pay the tax or failure to timely file the return is due to reasonable cause, or if the taxpayer is located in a presidentially declared disaster or in a presidentially declared state of emergency area or in an area declared to be in a state of emergency by the governor under section 12.31.
(b) The commissioner shall abate any part of a penalty or additional tax charge under section 289A.25, subdivision 2, or 289A.26, subdivision 4, attributable to erroneous advice given to the taxpayer in writing by an employee of the department acting in an official capacity, if the advice:

(1) was reasonably relied on and was in response to a specific written request of the taxpayer; and

(2) was not the result of failure by the taxpayer to provide adequate or accurate information.

(c) In addition to the authority under paragraphs (a) and (b), the commissioner may decline to impose or may abate any penalty under section 289A.60 or other law, or an additional tax charge under section 289A.25, subdivision 2, or 289A.26, subdivision 4.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 270C.35, subdivision 4, is amended to read:

(5) the date;

(6) the tax years or periods involved and the amount of tax involved for each year or period;

(7) the findings in the notice that the taxpayer disputes;

(8) for a request to reduce or eliminate an assessment under section 270C.33, subdivision 4b, a statement of the taxpayer's grounds, along with a brief statement of the supporting facts, for the assertion of reasonable cause for the failure to collect or withhold tax from another individual or entity;

(9) a summary statement that the taxpayer relies on for each exception; and

(10) the taxpayer's signature or signature of the taxpayer's duly authorized agent.

If the original notice of appeal, proof of service upon the commissioner, and filing fee are sent by United States certified mail and the sender’s receipt is postmarked by the postal employee to whom the envelope containing the original notice of appeal, proof of service upon the commissioner, and filing fee is presented, the date of the United States postmark on the receipt is the postmark date. Sec. 11. Minnesota Statutes 2016, section 289A.40, subdivision 1, is amended to read:

Subdivision 1. **Time limit; generally.** (a) Unless otherwise provided in this chapter, a claim for a refund of an overpayment of state tax must be filed within 3-1/2 years from the date prescribed for filing the return, plus any extension of time granted for filing the return, but only if filed within the extended time, or one year from the date of an order assessing tax under section 270C.33 or an order determining an appeal under section 270C.35, subdivision 8, or one year from the date of a return made by the commissioner under section 270C.33, subdivision 3, upon payment in full of the tax, penalties, and interest shown on the order or return made by the commissioner two years from the time the tax was paid, whichever period expires later. Claims for refund, except for taxes under chapter 297A, filed after the 3-1/2 year period but within the one year period are limited to the amount of the tax, penalties, and interest on the order or return made by the commissioner and to issues determined by the order or return made by the commissioner.

In the case of assessments under section 289A.38, subdivision 5 or 6, claims for refund under chapter 297A filed after the 3-1/2 year period but within the one year period are limited to the amount of the tax, penalties, and interest on the order or return made by the commissioner that are due for the period before the 3-1/2 year period.

(b) For refunds due on a report required to be filed under section 289A.38, subdivision 7, the period under paragraph (a) is extended to the due date for the report required by section 289A.38, subdivision 7.

**EFFECTIVE DATE.** This section is effective for claims for refund filed after the day following final enactment.

Sec. 12. Minnesota Statutes 2016, section 289A.60, subdivision 1, is amended to read:

Subdivision 1. **Penalty for failure to pay tax.** (a) If a corporate franchise, fiduciary income, mining company, estate, partnership, S corporation, or nonresident entertainer tax is not paid within the time specified for payment, a penalty of six percent is added to the unpaid tax, except that if a corporation or mining company meets the requirements of section 289A.19, subdivision 2, the penalty is not imposed.
(b) For the taxes listed in paragraph (a), in addition to the penalty in that paragraph, whether imposed or not, if a return or amended return is filed after the due date, without regard to extensions, and any tax reported as remaining due is not remitted with the return or amended return, a penalty of five percent of the tax not paid is added to the tax. If the commissioner issues an order assessing additional tax for a tax listed in paragraph (a), and the tax is not paid within 60 days after the mailing of the order or, if appealed, within 60 days after final resolution of the appeal, a penalty of five percent of the unpaid tax is added to the tax.

(c) If an individual income tax is not paid within the time specified for payment, a penalty of four percent is added to the unpaid tax. There is a presumption of reasonable cause for the late payment if the individual: (i) pays by the due date of the return at least 90 percent of the amount of tax, after credits other than withholding and estimated payments, shown owing on the return; (ii) files the return within six months after the due date; and (iii) pays the remaining balance of the reported tax when the return is filed.

(d) If the commissioner issues an order assessing additional individual income tax, and the tax is not paid within 60 days after the mailing of the order or, if appealed, within 60 days after final resolution of the appeal, a penalty of four percent of the unpaid tax is added to the tax.

(e) If a withholding or sales or use tax is not paid within the time specified for payment, a penalty must be added to the amount required to be shown as tax. The penalty is five percent of the tax not paid on or before the date specified for payment of the tax if the failure is for not more than 30 days, with an additional penalty of five percent of the amount of tax remaining unpaid during each additional 30 days or fraction of 30 days during which the failure continues, not exceeding 15 percent in the aggregate.

(f) No penalty applies under this section if:

1. the total calculated penalty that would otherwise apply under paragraphs (a) to (e) is less than $150; or

2. for an underpayment of individual income tax under chapter 290 or sales tax under chapter 297A, the liability for tax on which the penalty is calculated is less than $1,000 and the taxpayer timely filed any returns required to be filed during the prior three calendar years and was not subject to a penalty under this section, determined without regard to the provisions of this paragraph, for any taxes on returns due during that three-year period.

**EFFECTIVE DATE.** This section is effective for penalties imposed after January 1, 2019.

**ARTICLE 12**

**MISCELLANEOUS**

Section 1. [16A.1246] **NO SPENDING FOR CERTAIN RAIL PROJECTS.**

(a) Except as provided in paragraph (b), no appropriation or other state money, whether in the general or another fund, must be expended or used for any costs related to studying the feasibility of, planning for, designing, engineering, acquiring property or constructing facilities for or related to, or development or operation of intercity or interregional passenger rail facilities or operations between the city of Rochester or locations in its metropolitan area and any location in the metropolitan area, as defined in section 473.121, subdivision 2.

(b) The restrictions under this section do not apply to funds obtained from contributions, grants, or other voluntary payments made by nongovernmental entities from private sources.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 2. [16B.2965] PROPERTY LEASED FOR RAIL PROJECTS.

(a) If a state official leases, loans, or otherwise makes available state lands, air rights, or any other state property for use in connection with passenger rail facilities, as described in section 16A.1246, the lease or other agreement must include or be secured by a security bond or equivalent guarantee that allows the state to recover any costs it incurs in connection with the rail project from a responsible third party or secure source of capital, if the passenger rail facilities are not constructed, do not go into operation, or are abandoned, whether or not the facilities began operations. The security bond or equivalent guarantee must remain in place for the term of the lease, loan, or other agreement that makes state property available for use by the project. These costs include restoring state property to its original condition.

(b) For purposes of this section, "state official" includes the commissioner, the commissioner of transportation, or any other state official with authority to enter a lease or other agreement providing for use by a nonstate entity of state property.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. [117.028] CONDEMNATION FOR CERTAIN RAIL FACILITIES PROHIBITED.

Notwithstanding section 222.27 or any other law to the contrary, no condemning authority may take property for the development or construction of or for facilities related to intercity or interregional passenger rail facilities or operations between the city of Rochester or locations in its metropolitan area and any location in the metropolitan area, as defined in section 473.121, subdivision 2.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 4. Minnesota Statutes 2016, section 216B.36, is amended to read:

216B.36 MUNICIPAL REGULATORY AND TAXING POWERS.

Subdivision 1. Municipal authority to regulate public utilities. Any public utility furnishing the utility services enumerated in section 216B.02 or occupying streets, highways, or other public property within a municipality may be required to obtain a license, permit, right, or franchise in accordance with the terms, conditions, and limitations of regulatory acts of the municipality, including the placing of distribution lines and facilities underground. Under the license, permit, right, or franchise, the utility may be obligated by any municipality to pay to the municipality fees to raise revenue or defray increased municipal costs accruing as a result of utility operations, or both. A fee that raises revenue under a license, permit, right, or franchise agreement entered into or renewed on or after August 1, 2017, is subject to the requirements of subdivision 2. The fee may include but is not limited to a sum of money based upon gross operating revenues or gross earnings from its operations in the municipality so long as the public utility shall continue to operate in the municipality, unless upon request of the public utility it is expressly released from the obligation at any time by such municipality. Notwithstanding the definition of "public utility" in section 216B.02, subdivision 4, a municipality may require payment of a fee under this section by a cooperative electric association organized under chapter 308A that furnishes utility services within the municipality. All existing licenses, permits, franchises, and other rights acquired by any public utility or municipality prior to April 11, 1974, including the payment of existing franchise fees, shall not be impaired or affected in any respect by the passage of this chapter, except with respect to matters of rate and service regulation, service area assignments, securities, and indebtedness that are vested in the jurisdiction of the commission by this chapter. However, in the event that a court of competent jurisdiction determines, or the parties by mutual agreement determine, that an existing license, permit, franchise, or other right has been abrogated or impaired by this chapter, or its execution, the municipality affected shall impose and the public utility shall collect an excise tax on the utility charges which from year to year yields an amount which is reasonably equivalent to that amount of revenue which then would be due as
a fee, charges or other thing or service of value to the municipality under the franchise, license, or permit. The authorization shall be over and above taxing limitations including, but not limited to, those of section 477A.016. Franchises granted pursuant to this section shall be exempt from the provisions of chapter 80C. For purposes of this section, a public utility shall include a cooperative electric association.

Subd. 2. Five-year renewal; reverse referendum. (a) A municipality may impose a fee under subdivision 1 to raise revenue beyond what is needed to defray increased municipal costs due to utility operations for up to a five-year period, following the procedures in this subdivision.

(b) The municipality must include in its ordinance or license, permit, or franchise agreement with the public utility what constitutes a cost to the city.

(c) The municipality must identify in its ordinance or license, permit, or franchise agreement the uses of the portion of the fee that is for purposes other than to defray city costs. The municipality must publish a notice that explains:

(1) the fee and its intended uses;

(2) that the public utility is likely to pass the fee on to customers and how much that may increase customers' utility bills;

(3) that alternatives to the revenue-raising portion of the fee are to raise the revenue from another source available to the municipality or forego planned uses of the revenue; and

(4) what revenue raised from another source will cost those paying it.

The notice must be published at least once each week for two consecutive weeks in the official publication of the municipality and must remain posted on the municipality's Web site throughout the notice period. The notice must also be sent to all affected ratepayers by either first class mail by the municipality or by including the notice in the affected ratepayers' billings.

(d) Following publication and before imposing the fee, the municipality must provide an opportunity at its next regular meeting for public comment relating to the issue. No sooner than 90 days after the public comment opportunity, the municipality may proceed with imposing the fee, unless a petition is filed as provided in paragraph (e).

(e) Within 90 days after the meeting held by the municipality at which public comment was accepted, a petition requesting a referendum may be filed with the chief clerical officer of the municipality. The petition must be signed by at least five percent of the registered voters in the municipality. The petition must meet the requirements of the secretary of state, as provided in section 204B.071, and any rules adopted to implement that section. If the petition is sufficient, the question of whether the municipality may impose a fee that raises revenue as provided in subdivision 1 must be placed on the ballot at the next general election. If a majority of the voters voting on the question votes in favor of using the fee to raise revenue, the municipality may proceed with imposing the fee.

(f) If a license, permit, right, or franchise agreement is entered into or renewed before August 1, 2017, and by its terms and the ordinance authorizing it, will be in effect after August 1, 2022, the municipality must follow the procedures in this subdivision to provide notice, a public hearing, and opportunity for a petition for a referendum by August 1, 2022.

(g) Except as provided in paragraph (f), this subdivision applies to a license, permit, right, or franchise agreement entered into or renewed on or after August 1, 2017.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 5. [222.271] PASSENGER RAIL PROJECTS; ENVIRONMENTAL INSURANCE REQUIRED.

Subdivision 1. Scope. (a) This section applies to any person that seeks a federal or state permit or other formal legal authorization to construct or operate a passenger rail project with an estimated capital cost exceeding $1,000,000,000.

(b) This section does not apply to a person whose only action within the scope of paragraph (a) is an application for a building permit.

Subd. 2. Definitions. (a) For purposes of this section, unless the context clearly indicates otherwise, the following definitions apply.

(b) "Commissioner" means the commissioner of the Pollution Control Agency.

(c) "Insurance" means a commercial insurance policy, a security bond, or an equivalent guarantee that provides assurance of the project's ability to pay claims for any liability under chapter 115B or similar provisions of common law or federal law resulting from construction or operation of the passenger rail project.

(d) "Passenger rail project" or "project" means a railroad or a line or lines of a railway located within or partly within Minnesota intended to provide passenger service, regardless of whether freight service is also provided, by a common carrier other than a federal or state government unit, a political subdivision of the state, or the National Railroad Passenger Corporation created under the Rail Passenger Service Act of 1970, Public Law 91-518.

(e) "Person" includes a corporation, limited liability company, partnership, other entity, or an individual.

Subd. 3. Environmental insurance required. (a) Any person subject to this section must obtain and maintain insurance that is adequate to cover potential claims and meets the other requirements of this section, as approved by the commissioner under paragraph (b). The insurance must not contain dollar limits on liability, or if it does contain a dollar limit the limit must be not less than a reasonable estimate of the potential exposure of the project for environmental remediation or impairment damages. Any dollar limit must be adjusted if the scope, size, or cost of the project increases materially. The insurance must cover any liability incurred during and after the construction and operation of the project and must not contain exclusions, limitations, or other restrictions that are not standard in comprehensive environmental remediation insurance or in environmental impairment insurance, as applicable.

(b) In order to satisfy the requirements of this section, the commissioner must determine that the insurance is adequate and that it meets the other requirements of this section. The commissioner may require that the project provide any supporting documentation to determine that insurance is adequate and meets the other requirements of this section and that the project has the financial ability to maintain insurance during the project's operations.

EFFECTIVE DATE. This section is effective for passenger rail projects for which application for a permit or other formal legal authorization to construct is made after the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 270A.03, subdivision 7, is amended to read:

Subd. 7. Refund. "Refund" means an individual income tax refund or political contribution refund, pursuant to chapter 290, or a property tax credit or refund, pursuant to chapter 290A, or a sustainable forest payment to a claimant under chapter 290C.

For purposes of this chapter, lottery prizes, as set forth in section 349A.08, subdivision 8, and amounts granted to persons by the legislature on the recommendation of the joint senate-house of representatives Subcommittee on Claims shall be treated as refunds.
In the case of a joint property tax refund payable to spouses under chapter 290A, the refund shall be considered as belonging to each spouse in the proportion of the total refund that equals each spouse's proportion of the total income determined under section 290A.03, subdivision 3. In the case of a joint income tax refund under chapter 289A, the refund shall be considered as belonging to each spouse in the proportion of the total refund that equals each spouse's proportion of the total taxable income determined under section 290.01, subdivision 29. The commissioner shall remit the entire refund to the claimant agency, which shall, upon the request of the spouse who does not owe the debt, determine the amount of the refund belonging to that spouse and refund the amount to that spouse. For court fines, fees, and surcharges and court-ordered restitution under section 611A.04, subdivision 2, the notice provided by the commissioner of revenue under section 270A.07, subdivision 2, paragraph (b), serves as the appropriate legal notice to the spouse who does not owe the debt.

**EFFECTIVE DATE.** This section is effective for political contribution refund claims based on contributions made on or after July 1, 2017.

Sec. 7. Minnesota Statutes 2016, section 270C.13, subdivision 1, is amended to read:

Subdivision 1. **Biennial report.** The commissioner shall report to the legislature by March 1 of each odd-numbered year on the overall incidence of the income tax, sales and excise taxes, and property tax. The report shall present information on the distribution of the tax burden as follows: (1) for the overall income distribution, using a systemwide incidence measure such as the Suits index or other appropriate measures of equality and inequality; (2) by income classes, including at a minimum deciles of the income distribution; and (3) by other appropriate taxpayer characteristics. The report must also include information on the distribution of the burden of federal taxes borne by Minnesota residents.

Sec. 8. Minnesota Statutes 2016, section 287.08, is amended to read:

**287.08 TAX, HOW PAYABLE; RECEIPTS.**

(a) The tax imposed by sections 287.01 to 287.12 must be paid to the treasurer of any county in this state in which the real property or some part is located at or before the time of filing the mortgage for record. The treasurer shall endorse receipt on the mortgage and the receipt is conclusive proof that the tax has been paid in the amount stated and authorizes any county recorder or registrar of titles to record the mortgage. Its form, in substance, shall be "registration tax hereon of .................... dollars paid." If the mortgage is exempt from taxation the endorsement shall, in substance, be "exempt from registration tax." In either case the receipt must be signed by the treasurer. In case the treasurer is unable to determine whether a claim of exemption should be allowed, the tax must be paid as in the case of a taxable mortgage. For documents submitted electronically, the endorsements and tax amount shall be affixed electronically and no signature by the treasurer will be required. The actual payment method must be arranged in advance between the submitter and the receiving county.

(b) The county treasurer may refund in whole or in part any mortgage registry tax overpayment if a written application by the taxpayer is submitted to the county treasurer within 3-1/2 years from the date of the overpayment. If the county has not issued a denial of the application, the taxpayer may bring an action in Tax Court in the county in which the tax was paid at any time after the expiration of six months from the time that the application was submitted. A denial of refund may be appealed within 60 days from the date of the denial by bringing an action in Tax Court in the county in which the tax was paid. The action is commenced by the serving of a petition for relief on the county treasurer, and by filing a copy with the court. The county attorney shall defend the action. The county treasurer shall notify the treasurer of each county that has or would receive a portion of the tax as paid.

(c) If the county treasurer determines a refund should be paid, or if a refund is ordered by the court, the county treasurer of each county that actually received a portion of the tax shall immediately pay a proportionate share of three percent of the refund using any available county funds. The county treasurer of each county that received, or
would have received, a portion of the tax shall also pay their county's proportionate share of the remaining 97 percent of the court-ordered refund on or before the 20th day of the following month using solely the mortgage registry tax funds that would be paid to the commissioner of revenue on that date under section 287.12. If the funds on hand under this procedure are insufficient to fully fund 97 percent of the court-ordered refund, the county treasurer of the county in which the action was brought shall file a claim with the commissioner of revenue under section 16A.48 for the remaining portion of 97 percent of the refund, and shall pay over the remaining portion upon receipt of a warrant from the state issued pursuant to the claim.

(d) When any mortgage covers real property located in more than one county in this state the total tax must be paid to the treasurer of the county where the mortgage is first presented for recording, and the payment must be receipted as provided in paragraph (a). If the principal debt or obligation secured by such a multiple county mortgage exceeds $10,000,000, the tax collected shall be forwarded by the county treasurer receiving it to the commissioner of revenue and the nonstate portion of the tax must be divided and paid over by the county treasurer receiving it, on or before the 20th day of each month after receipt, to the county or counties entitled in the ratio that the estimated market value of the real property covered by the mortgage in each county bears to the estimated market value of all the real property in this state described in the mortgage. In making the division and payment the county treasurer commissioner of revenue shall send a statement giving the description of the real property described in the mortgage and the estimated market value of the part located in each county. For this purpose, the treasurer of any other county commissioner of revenue may require the treasurer of any other county to certify to the former the estimated market value of any tract of real property in any mortgage in the county.

(e) The mortgagor must pay the tax imposed by sections 287.01 to 287.12. The mortgagee may undertake to collect and remit the tax on behalf of the mortgagor. If the mortgagee collects money from the mortgagor to remit the tax on behalf of the mortgagor, the mortgagee has a fiduciary duty to remit the tax on behalf of the mortgagor as to the amount of the tax collected for that purpose and the mortgagor is relieved of any further obligation to pay the tax as to the amount collected by the mortgagee for this purpose.

EFFECTIVE DATE. This section is effective for tax collected after June 30, 2017.

Sec. 9. Minnesota Statutes 2016, section 289A.50, subdivision 1, is amended to read:

Subdivision 1. General right to refund. (a) Subject to the requirements of this section and section 289A.40, a taxpayer who has paid a tax in excess of the taxes lawfully due and who files a written claim for refund will be refunded or credited the overpayment of the tax determined by the commissioner to be erroneously paid.

(b) The claim must specify the name of the taxpayer, the date when and the period for which the tax was paid, the kind of tax paid, the amount of the tax that the taxpayer claims was erroneously paid, the grounds on which a refund is claimed, and other information relative to the payment and in the form required by the commissioner. An income tax, estate tax, or corporate franchise tax return, or amended return claiming an overpayment constitutes a claim for refund.

(c) When, in the course of an examination, and within the time for requesting a refund, the commissioner determines that there has been an overpayment of tax, the commissioner shall refund or credit the overpayment to the taxpayer and no demand is necessary. If the overpayment exceeds $1, the amount of the overpayment must be refunded to the taxpayer. If the amount of the overpayment is less than $1, the commissioner is not required to refund. In these situations, the commissioner does not have to make written findings or serve notice by mail to the taxpayer.
(d) If the amount allowable as a credit for withholding, estimated taxes, or dependent care exceeds the tax against which the credit is allowable, the amount of the excess is considered an overpayment. The refund allowed by section 290.06, subdivision 23, is also considered an overpayment. The requirements of section 270C.33 do not apply to the refunding of such an overpayment shown on the original return filed by a taxpayer.

(e) If the entertainment tax withheld at the source exceeds by $1 or more the taxes, penalties, and interest reported in the return of the entertainment entity or imposed by section 290.9201, the excess must be refunded to the entertainment entity. If the excess is less than $1, the commissioner need not refund that amount.

(f) If the surety deposit required for a construction contract exceeds the liability of the out-of-state contractor, the commissioner shall refund the difference to the contractor.

(g) An action of the commissioner in refunding the amount of the overpayment does not constitute a determination of the correctness of the return of the taxpayer.

(h) There is appropriated from the general fund to the commissioner of revenue the amount necessary to pay refunds allowed under this section.

**EFFECTIVE DATE.** This section is effective for political contribution refund claims based on contributions made on or after July 1, 2017.

Sec. 10. Minnesota Statutes 2016, section 290.01, subdivision 6, is amended to read:

For purposes of this chapter, the energy content of CNG is considered to be $1.974\text{BTUs per cubic foot}.

**EFFECTIVE DATE.** This section is effective for sales and purchases made after June 30, 2017.

Sec. 12. Minnesota Statutes 2016, section 296A.08, subdivision 2, is amended to read:

(a) Liquefied petroleum gas or propane is taxed at the rate of 18.75 cents per gallon.

(b) Liquefied natural gas is taxed at the rate of 15 cents per gallon.

(c) Compressed natural gas is taxed at the rate of $2.174\text{per thousand cubic feet}; or 25 cents per gasoline equivalent. For purposes of this paragraph, "gasoline equivalent," as defined by the National Conference on Weights and Measures, is 5.66 pounds of natural gas or 126.67 cubic feet.
(d) All other special fuel is taxed at the same rate as the gasoline excise tax as specified in section 296A.07, subdivision 2. The tax is payable in the form and manner prescribed by the commissioner.

**EFFECTIVE DATE.** This section is effective for sales and purchases made after June 30, 2017.

Sec. 13. Minnesota Statutes 2016, section 296A.16, subdivision 2, is amended to read:

Subd. 2. **Fuel used in other vehicle; claim for refund.** Any person who buys and uses gasoline for a qualifying purpose other than use in motor vehicles, snowmobiles except as provided in clause (2), or motorboats, or special fuel for a qualifying purpose other than use in licensed motor vehicles, and who paid the tax directly or indirectly through the amount of the tax being included in the price of the gasoline or special fuel, or otherwise, shall be reimbursed and repaid the amount of the tax paid upon filing with the commissioner a claim for refund in the form and manner prescribed by the commissioner, and containing the information the commissioner shall require. By signing any such claim which is false or fraudulent, the applicant shall be subject to the penalties provided in this chapter for knowingly making a false claim. The claim shall set forth the total amount of the gasoline so purchased and used by the applicant other than in motor vehicles, or special fuel purchased and used by the applicant other than in licensed motor vehicles, and shall state when and for what purpose it was used. When a claim contains an error in computation or preparation, the commissioner is authorized to adjust the claim in accordance with the evidence shown on the claim or other information available to the commissioner. The commissioner, on being satisfied that the claimant is entitled to the payments, shall approve the claim and transmit it to the commissioner of management and budget. The words "gasoline" or "special fuel" as used in this subdivision do not include aviation gasoline or special fuel for aircraft. Gasoline or special fuel bought and used for a "qualifying purpose" means:

1. Gasoline or special fuel used in carrying on a trade or business, used on a farm situated in Minnesota, and used for a farming purpose. "Farm" and "farming purpose" have the meanings given them in section 6420(c)(2), (3), and (4) of the Internal Revenue Code as defined in section 289A.02, subdivision 7.

2. Gasoline or special fuel used for off-highway business use.

   (ii) Off-highway business use includes use of a passenger snowmobile off the public highways as part of the operations of a resort as defined in section 157.15, subdivision 11; and use of gasoline or special fuel to operate a power takeoff unit on a vehicle, but not including fuel consumed during idling time.

   (iii) Off-highway business use does not include use as a fuel in a motor vehicle which, at the time of use, is registered or is required to be registered for highway use under the laws of any state or foreign country; or use of a licensed motor vehicle fuel tank in lieu of a separate storage tank for storing fuel to be used for a qualifying purpose, as defined in this section. Fuel purchased to be used for a qualifying purpose cannot be placed in the fuel tank of a licensed motor vehicle and must be stored in a separate supply tank.

3. Gasoline or special fuel placed in the fuel tanks of new motor vehicles, manufactured in Minnesota, and shipped by interstate carrier to destinations in other states or foreign countries.

4. Special fuel used in one of the following:

   (i) to power a refrigeration unit mounted on a licensed motor vehicle, provided that the unit has an engine separate from the one used to propel the vehicle and the fuel is used exclusively for the unit;
(ii) to power an unlicensed motor vehicle that is used solely or primarily to move semitrailers within a cargo yard, warehouse facility, or intermodal facility; or

(iii) to operate a power take-off unit or auxiliary engine in or on a licensed motor vehicle, whether or not the unit or engine is fueled from the same or a different fuel tank as that from which the motor vehicle is fueled.

If the production is less than 42,000,000 taxable tons, the amount of the distributions shall be reduced proportionately at the rate of two percent for each 1,000,000 tons, or part of 1,000,000 tons by which the production is less than 42,000,000 tons; or

2. 31.2 percent of the amount distributed pursuant to this section and section 298.28, with respect to 1983 production;
(ii) for the distributions made pursuant to section 298.28, subdivision 5, paragraphs (b) and (d), 75 percent of the amount distributed pursuant to this section and section 298.28, with respect to 1983 production provided that the aid guarantee for distributions under section 298.28, subdivision 5, paragraph (b), shall be reduced by five cents per taxable ton for production years 2014 and thereafter.

Sec. 17. Minnesota Statutes 2016, section 298.28, subdivision 3, is amended to read:

Subd. 3. Cities, towns. (a) 12.5 cents per taxable ton, less any amount distributed under subdivision 8, and paragraph (b), must be allocated to the taconite municipal aid account to be distributed as provided in section 298.282. The amount allocated to the taconite municipal aid account must be annually increased in the same proportion as the increase in the implicit price deflator as provided in section 298.24, subdivision 1.

(b) An amount must be allocated to towns or cities that is annually certified by the county auditor of a county containing a taconite tax relief area as defined in section 273.134, paragraph (b), within which there is (1) an organized township if, as of January 2, 1982, more than 75 percent of the assessed valuation of the township consists of iron ore or (2) a city if, as of January 2, 1980, more than 75 percent of the assessed valuation of the city consists of iron ore.

(c) The amount allocated under paragraph (b) will be the portion of a township's or city's certified levy equal to the proportion of (1) the difference between 50 percent of January 2, 1982, assessed value in the case of a township and 50 percent of the January 2, 1980, assessed value in the case of a city and its current assessed value to (2) the sum of its current assessed value plus the difference determined in (1), provided that the amount distributed shall not exceed $55 per capita in the case of a township or $75 per capita in the case of a city. For purposes of this limitation, population will be determined according to the 1980 decennial census conducted by the United States Bureau of the Census. If the current assessed value of the township exceeds 50 percent of the township's January 2, 1982, assessed value, or if the current assessed value of the city exceeds 50 percent of the city's January 2, 1980, assessed value, this paragraph shall not apply. For purposes of this paragraph, "assessed value," when used in reference to years other than 1980 or 1982, means the appropriate net tax capacities multiplied by 10.2.

(d) In addition to other distributions under this subdivision, three cents per taxable ton for distributions in 2009 must be allocated for distribution to towns that are entirely located within the taconite tax relief area defined in section 273.134, paragraph (b). For distribution in 2010 through 2014 and for distribution in 2018 and subsequent years, the three-cent amount must be annually increased in the same proportion as the increase in the implicit price deflator as provided in section 298.24, subdivision 1. The amount available under this paragraph will be distributed
to eligible towns on a per capita basis, provided that no town may receive more than $50,000 in any year under this paragraph. Any amount of the distribution that exceeds the $50,000 limitation for a town under this paragraph must be redistributed on a per capita basis among the other eligible towns, to whose distributions do not exceed $50,000.

**EFFECTIVE DATE.** This section is effective for distributions in 2018 and thereafter.

(b) Subject to the classification provisions herein, "base value" means the manufacturer's suggested retail price of the vehicle including destination charge using list price information published by the manufacturer or determined by the registrar if no suggested retail price exists, and shall not include the cost of each accessory or item of optional equipment separately added to the vehicle and the suggested retail price.

(c) If the manufacturer's list price information contains a single vehicle identification number followed by various descriptions and suggested retail prices, the registrar shall select from those listings only the lowest price for determining base value.

(d) If unable to determine the base value because the vehicle is specially constructed, or for any other reason, the registrar may establish such value upon the cost price to the purchaser or owner as evidenced by a certificate of cost but not including Minnesota sales or use tax or any local sales or other local tax.

If unable to ascertain the base value of any registered vehicle in the foregoing manner, the registrar may use any other available source or method. The registrar shall calculate tax using base value information available to dealers and deputy registrars at the time the application for registration is submitted. The tax on all previously registered vehicles shall be computed upon the base value thus determined taking into account the depreciation provisions of paragraph (h).

(h) The annual additional tax must be computed upon a percentage of the base value as follows: during the first year of vehicle life, upon 100 percent of the base value; for the second year, 90 percent of such value; for the third year, 80 percent of such value; for the fourth year, 70 percent of such value; for the fifth year, 60 percent of such value; for the sixth year, 50 percent of such value; for the seventh year, 40 percent of such value; for the eighth year, 30 percent of such value; for the ninth year, 20 percent of such value; for the tenth year, ten percent of such value; for the 11th and each succeeding year, the sum of $25.

(a) An employer who deducts and withholds an amount required to be withheld by section 290.92 may file an annual return and make an annual payment of the amount required to be deducted and withheld for that calendar year if the employer has received a notification under paragraph (b). The ability to elect to file an annual return continues through the year following the year where an employer is required to deduct and withhold more than $500.
(b) The commissioner is authorized to determine which employers are eligible to file an annual return and to notify employers who newly qualify to file an annual return because the amount an employer is required to deduct and withhold for that calendar year is $500 or less based on the most recent period of four consecutive quarters for which the commissioner has compiled data on that employer's withholding tax for that period. At the time of notification, eligible employers may still decide to file returns and make deposits quarterly. An employer who decides to file returns and make deposits quarterly is required to make all returns and deposits required by this chapter and, notwithstanding paragraph (a), is subject to all applicable penalties for failing to do so.

(c) If, at the end of any calendar month other than the last month of the calendar year, the aggregate amount of undeposited tax withheld by an employer who has elected to file an annual return exceeds $500, the employer must deposit the aggregate amount with the commissioner within 30 days of the end of the calendar month.

(e) An employer not subject to paragraph (c) or (d) who elects to file an annual return must file the return and pay the tax not previously deposited before February 1 of the year following the year in which the tax was withheld.

(f) A notification to an employer regarding eligibility to file an annual return under Minnesota Rules, part 8092.1400, is considered a notification under paragraph (a).

(a) Except as provided in section 289A.18, subdivision 2a, a tax required to be deducted and withheld during the quarterly period must be paid on or before the last day of the month following the close of the quarterly period, unless an earlier time for payment is provided. A tax required to be deducted and withheld from compensation of an entertainer and from a payment to an out-of-state contractor must be paid on or before the date the return for such tax must be filed under section 289A.18, subdivision 2. Taxpayers must submit a copy of their federal notice of deposit status to the commissioner upon request by the commissioner.

(c) The commissioner may prescribe by rule other return periods or deposit requirements. In prescribing the reporting period, the commissioner may classify payors according to the amount of their tax liability and may adopt an appropriate reporting period for the class that the commissioner judges to be consistent with efficient tax collection. In no event will the duration of the reporting period be more than one year.

(d) If less than the correct amount of tax is paid to the commissioner, proper adjustments with respect to both the tax and the amount to be deducted must be made, without interest, in the manner and at the times the commissioner prescribes. If the underpayment cannot be adjusted, the amount of the underpayment will be assessed and collected in the manner and at the times the commissioner prescribes.
(e) If the aggregate amount of the tax withheld is $10,000 or more in a fiscal year ending June 30, the employer must remit each required deposit for wages paid in all subsequent calendar years by electronic means.

(f) A third-party bulk filer as defined in section 290.92, subdivision 30, paragraph (a), clause (2), who remits withholding deposits must remit all deposits by electronic means as provided in paragraph (e), regardless of the aggregate amount of tax withheld during a fiscal year for all of the employers.

For purposes of this paragraph, off-season training activities, unless conducted at the team's facilities as part of a team imposed program, are not included in the total number of duty days. Bonuses earned as a result of play during the regular season or for participation in championship, play-off, or all-star games must be allocated under the formula. **EFFECTIVE DATE.** This section is effective for valuation notices sent in 2018 and thereafter.

Sec. 17. Minnesota Statutes 2016, section 273.13, subdivision 22, is amended to read:

Subd. 22. **Class 1.** (a) Except as provided in subdivision 23 and in paragraphs (b) and (c), real estate which is residential and used for homestead purposes is class 1a. In the case of a duplex or triplex in which one of the units is used for homestead purposes, the entire property is deemed to be used for homestead purposes. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The first $500,000 of market value of class 1a property has a net classification rate of one percent of its market value; and the market value of class 1a property that exceeds $500,000 has a classification rate of 1.25 percent of its market value.

(b) Class 1b property includes homestead real estate or homestead manufactured homes used for the purposes of a homestead by:

1. any person who is blind as defined in section 256D.35, or the blind person and the blind person's spouse;
2. any person who is permanently and totally disabled or by the disabled person and the disabled person's spouse; or
3. the surviving spouse of a permanently and totally disabled veteran homesteading a property classified under this paragraph for taxes payable in 2008.

Property is classified and assessed under clause (2) only if the government agency or income-providing source certifies, upon the request of the homestead occupant, that the homestead occupant satisfies the disability requirements of this paragraph, and that the property is not eligible for the valuation exclusion under subdivision 34.

Property is classified and assessed under paragraph (b) only if the commissioner of revenue or the county assessor certifies that the homestead occupant satisfies the requirements of this paragraph.

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings the person an income. The first $50,000 market value of class 1b property has a net classification rate of .45 percent of its market value. The remaining market value of class 1b property has a classification rate using the rates for is classified as class 1a or class 2a property, whichever is appropriate, of similar market value.

(c) Class 1c property is commercial use real and personal property that abuts public water as defined in section 103G.005, subdivision 15, and is devoted to temporary and seasonal residential occupancy for recreational purposes but not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment, and that includes a portion used as a homestead by the owner, which includes a dwelling occupied as a homestead by a
shareholder of a corporation that owns the resort, a partner in a partnership that owns the resort, or a member of a limited liability company that owns the resort even if the title to the homestead is held by the corporation, partnership, or limited liability company. For purposes of this paragraph, property is devoted to a commercial purpose on a specific day if any portion of the property, excluding the portion used exclusively as a homestead, is used for residential occupancy and a fee is charged for residential occupancy. Class 1c property must contain three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. Class 1c property must provide recreational activities such as the rental of ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment; provide marina services, launch services, or guide services; or sell bait and fishing tackle. Any unit in which the right to use the property is transferred to an individual or entity by deeded interest, or the sale of shares or stock, no longer qualifies for class 1c even though it may remain available for rent. A camping pad offered for rent by a property that otherwise qualifies for class 1c is also class 1c, regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. If the same owner owns two separate parcels that are located in the same township, and one of those properties is classified as a class 1c property and the other would be eligible to be classified as a class 1c property if it was used as the homestead of the owner, both properties will be assessed as a single class 1c property; for purposes of this sentence, properties are deemed to be owned by the same owner if each of them is owned by a limited liability company, and both limited liability companies have the same membership. The portion of the property used as a homestead is class 1a property under paragraph (a). The remainder of the property is classified as follows: the first $600,000 of market value is tier I, the next $1,700,000 of market value is tier II, and any remaining market value is tier III. The classification rates for class 1c are: tier I, 0.50 percent; tier II, 1.0 percent; and tier III, 1.25 percent. Owners of real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes in which all or a portion of the property was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated as class 1c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located must be designated as class 3a commercial. The owner of property desiring designation as class 1c property must provide guest registers or other records demonstrating that the units for which class 1c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 1c.

(d) Class 1d property includes structures that meet all of the following criteria:

(1) the structure is located on property that is classified as agricultural property under section 273.13, subdivision 23;

(2) the structure is occupied exclusively by seasonal farm workers during the time when they work on that farm, and the occupants are not charged rent for the privilege of occupying the property, provided that use of the structure for storage of farm equipment and produce does not disqualify the property from classification under this paragraph;

(3) the structure meets all applicable health and safety requirements for the appropriate season; and

(4) the structure is not salable as residential property because it does not comply with local ordinances relating to location in relation to streets or roads.

The market value of class 1d property has the same classification rates as class 1a property under paragraph (a).

This subdivision shall not apply to the assessment of the products transported through the pipelines nor to the lines of local commercial gas companies engaged primarily in the business of distributing natural gas or other petroleum products to consumers at retail or to pipelines used by the owner thereof to supply natural gas or other petroleum products exclusively for such owner's own consumption and not for resale to others. If more than 85 percent of the natural gas or other petroleum products actually transported over the pipeline is used for the owner's own consumption and not for resale to others, then this subdivision shall not apply; provided, however, that in that event, the pipeline shall be assessed in proportion to the percentage of natural gas or other petroleum products actually transported over such pipeline that is not used for the owner's own consumption. On or before August 1, the commissioner shall certify to the auditor of each county, the amount of such personal property assessment against each company in each district in which such property is located. If the commissioner determines that the amount of personal property assessment certified on or before August 1 is in error, the commissioner may issue a corrected certification on or before October 1. The commissioner may correct errors that are merely clerical in nature until December 31.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 20. Minnesota Statutes 2016, section 273.372, subdivision 2, is amended to read:

(b) If the appeal to court is from an order of the commissioner, it must be brought under chapter 271 and filed within the time period prescribed in section 271.06, subdivision 2, except that when the provisions of this section conflict with chapter 271 or 278, this section prevails. In addition, the petition must include all the parcels encompassed by that order which the petitioner claims have been partially, unfairly, or unequally assessed, assessed at a valuation greater than their real or actual value, misclassified, or are exempt. For this purpose, an order of the commissioner is either (1) a certification or notice of value by the commissioner for property described in subdivision 1, or (2) the final determination by the commissioner of either an administrative appeal conference or informal administrative appeal described in subdivision 4.

(c) If the appeal is from the tax that results from implementation of the commissioner's order, certification, or recommendation, it must be brought under chapter 278, and the provisions in that chapter apply, except that service shall be on the commissioner only and not on the local officials specified in section 278.01, subdivision 1, and if any other provision of this section conflicts with chapter 278, this section prevails. In addition, the petition must include
either all the utility parcels or all the railroad parcels in the state in which the petitioner claims an interest and which the petitioner claims have been partially, unfairly, or unequally assessed, assessed at a valuation greater than their real or actual value, misclassified, or are exempt.

(a) The town board of a town, or the council or other governing body of a city, is the local board of appeal and equalization except (1) in cities whose charters provide for a board of equalization or (2) in any city or town that has transferred its local board of review power and duties to the county board as provided in subdivision 3. The county assessor shall fix a day and time when the board or the local board of equalization shall meet in the assessment districts of the county. Notwithstanding any law or city charter to the contrary, a city board of equalization shall be referred to as a local board of appeal and equalization. On or before February 15 of each year the assessor shall give written notice of the time to the city or town clerk. Notwithstanding the provisions of any charter to the contrary, the meetings must be held between April 1 and May 31 each year. The clerk shall give published and posted notice of the meeting at least ten days before the date of the meeting.
The board shall meet either at a central location within the county or at the office of the clerk to review the assessment and classification of property in the town or city. No changes in valuation or classification which are intended to correct errors in judgment by the county assessor may be made by the county assessor after the board has adjourned in those cities or towns that hold a local board of review; however, corrections of errors that are merely clerical in nature or changes that extend homestead treatment to property are permitted after adjournment until the tax extension date for that assessment year. The changes must be fully documented and maintained in the assessor's office and must be available for review by any person. A copy of the changes made during this period in those cities or towns that hold a local board of review must be sent to the county board no later than December 31 of the assessment year.

(b) The board shall determine whether the taxable property in the town or city has been properly placed on the list and properly valued by the assessor. If real or personal property has been omitted, the board shall place it on the list with its market value, and correct the assessment so that each tract or lot of real property, and each article, parcel, or class of personal property, is entered on the assessment list at its market value. No assessment of the property of any person may be raised unless the person has been duly notified of the intent of the board to do so. On application of any person feeling aggrieved, the board shall review the assessment or classification, or both, and correct it as appears just. The board may not make an individual market value adjustment or classification change that would benefit the property if the owner or other person having control over the property has refused the assessor access to inspect the property and the interior of any buildings or structures as provided in section 273.20. A board member shall not participate in any actions of the board which result in market value adjustments or classification changes to property owned by the board member, the spouse, parent, stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, aunt, nephew, or niece of a board member, or property in which a board member has a financial interest. The relationship may be by blood or marriage.

(c) A local board may reduce assessments upon petition of the taxpayer but the total reductions must not reduce the aggregate assessment made by the county assessor by more than one percent. If the total reductions would lower the aggregate assessments made by the county assessor by more than one percent, none of the adjustments may be made. The assessor shall correct any clerical errors or double assessments discovered by the board without regard to the one percent limitation.

(d) A local board does not have authority to grant an exemption or to order property removed from the tax rolls.

(e) A majority of the members may act at the meeting, and adjourn from day to day until they finish hearing the cases presented. The assessor shall attend and take part in the proceedings, but must not vote. The county assessor, or an assistant delegated by the county assessor shall attend the meetings. The board shall list separately all omitted property added to the list by the board and all items of property increased or decreased, with the market value of each item of property, added or changed by the board. The county assessor shall enter all changes made by the board.

(f) Except as provided in subdivision 3, if a person fails to appear in person, by counsel, or by written communication before the board after being duly notified of the board's intent to raise the assessment of the property, or if a person feeling aggrieved by an assessment or classification fails to apply for a review of the assessment or classification, the person may not appear before the county board of appeal and equalization for a review. This paragraph does not apply if an assessment was made after the local board meeting, as provided in section 273.01, or if the person can establish not having received notice of market value at least five days before the local board meeting.

(g) The local board must complete its work and adjourn within 20 days from the time of convening stated in the notice of the clerk, unless a longer period is approved by the commissioner of revenue. No action taken after that date is valid. All complaints about an assessment or classification made after the meeting of the board must be
heard and determined by the county board of equalization. A nonresident may, at any time, before the meeting of
the board file written objections to an assessment or classification with the county assessor. The objections must be
presented to the board at its meeting by the county assessor for its consideration.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 26. Minnesota Statutes 2016, section 274.13, subdivision 1, is amended to read:

**Subdivision 1. Members; meetings; rules for equalizing assessments.** The county commissioners, or a
majority of them, with the county auditor, or, if the auditor cannot be present, the deputy county auditor, or, if there
is no deputy, the court administrator of the district court, shall form a board for the equalization of the assessment of
the property of the county, including the property of all cities whose charters provide for a board of equalization.
This board shall be referred to as the county board of appeal and equalization. The board shall meet annually, on the
date specified in section 274.14, at the office of the auditor. Each member shall take an oath to fairly and
impartially perform duties as a member. Members shall not participate in any actions of the board which result in
market value adjustments or classification changes to property owned by the board member, the spouse, parent,
stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, aunt, nephew, or niece of a board
member, or property in which a board member has a financial interest. The relationship may be by blood or
marriage. The board shall examine and compare the returns of
the assessment of property of the towns or districts,
and equalize them so that each tract or lot of real property and each article or class of personal property is entered on
the assessment list at its market value, subject to the following rules:

(1) The board shall raise the valuation of each tract or lot of real property which in its opinion is returned below
its market value to the sum believed to be its market value. The board must first give notice of intention to raise the
valuation to the person in whose name it is assessed, if the person is a resident of the county. The notice must fix a
time and place for a hearing.

(2) The board shall reduce the valuation of each tract or lot which in its opinion is returned above its market
value to the sum believed to be its market value.

(3) The board shall raise the valuation of each class of personal property which in its opinion is returned below
its market value to the sum believed to be its market value. It shall raise the aggregate value of the personal property
of individuals, firms, or corporations, when it believes that the aggregate valuation, as returned, is less than the
market value of the taxable personal property possessed by the individuals, firms, or corporations, to the sum it
believes to be the market value. The board must first give notice to the persons of intention to do so. The notice
must set a time and place for a hearing.

(4) The board shall reduce the valuation of each class of personal property that is returned above its market value
to the sum it believes to be its market value. Upon complaint of a party aggrieved, the board shall reduce the
aggregate valuation of the individual's personal property, or of any class of personal property for which the
individual is assessed, which in its opinion has been assessed at too large a sum, to the sum it believes was the
market value of the individual's personal property of that class.

(5) The board must not reduce the aggregate value of all the property of its county, as submitted to the county
board of equalization, with the additions made by the auditor under this chapter, by more than one percent of its
whole valuation. The board may raise the aggregate valuation of real property, and of each class of personal
property, of the county, or of any town or district of the county, when it believes it is below the market value of the
property, or class of property, to the aggregate amount it believes to be its market value.

(6) The board shall change the classification of any property which in its opinion is not properly classified.
(7) The board does not have the authority to grant an exemption or to order property removed from the tax rolls.

(8) The board may not make an individual market value adjustment or classification change that would benefit property if the owner or other person having control over the property has refused the assessor access to inspect the property and the interior of any buildings or structures as provided in section 273.20.

**EFFECTIVE DATE.** This section is effective for county board of appeal and equalization meetings in 2018 and thereafter.

Sec. 27. Minnesota Statutes 2016, section 274.135, subdivision 3, is amended to read:

Subd. 3. **Proof of compliance; transfer of duties.** (a) Any county that conducts county boards of appeal and equalization meetings must provide proof to the commissioner by December 1, 2009, and each year thereafter. Beginning in 2009, this notice must also verify that there was a quorum of voting members at each meeting of the board of appeal and equalization in the previous year. A county that does not comply with these requirements is deemed to have transferred its board of appeal and equalization powers to the special board of equalization appointed pursuant to section 274.13, subdivision 2, beginning with the following year's assessment and continuing unless the powers are reinstated under paragraph (c). A county that does not comply with the requirements of subdivision 2 and has not appointed a special board of equalization shall appoint a special board of equalization before the following year's assessment.

(b) The county shall notify the taxpayers when the board of appeal and equalization for a county has been transferred to the special board of equalization under this subdivision and, prior to the meeting time of the special board of equalization, the county shall make available to those taxpayers a procedure for a review of the assessments, including, but not limited to, open book meetings. This alternate review process must take place in April and May.

(c) A county board whose powers are transferred to the special board of equalization under this subdivision may be reinstated by resolution of the county board and upon proof of compliance with the requirements of subdivision 2. The resolution and proofs must be provided to the commissioner by December 1 in order to be effective for the following current year's assessment.

(d) If a person who was entitled to appeal to the county board of appeal and equalization or to the county special board of equalization is not able to do so in a particular year because the county board or special board did not meet the quorum and training requirements in this section and section 274.13, or because the special board was not appointed, that person may instead appeal to the commissioner of revenue, provided that the appeal is received by the commissioner prior to August 1. The appeal is not subject to either chapter 14 or section 270C.92. The commissioner must issue an appropriate order to the county assessor in response to each timely appeal, either upholding or changing the valuation or classification of the property. Prior to October 1 of each year, the commissioner must charge and bill the county where the property is located $500 for each tax parcel covered by an order issued under this paragraph. Amounts received by the commissioner under this paragraph must be deposited in the state's general fund. If payment of a billed amount is not received by the commissioner before December 1 of the year when billed, the commissioner must deduct that unpaid amount from any state aid the commissioner would otherwise pay to the county under chapter 477A in the next year. Late payments may either be returned to the county uncollected and undeposited or may be accepted. If a late payment is accepted, the state aid paid to the county under chapter 477A must be adjusted within 12 months to eliminate any reduction that occurred because the payment was late. Amounts needed to make these adjustments are included in the appropriation under section 477A.03, subdivision 2.

**EFFECTIVE DATE.** This section is effective for county boards of appeal and equalization meetings held in 2018 and thereafter.
Sec. 28. Minnesota Statutes 2016, section 275.065, subdivision 1, is amended to read:

Subdivision 1. Proposed levy. (a) Notwithstanding any law or charter to the contrary, on or before September 30, each county and each home rule charter or statutory city shall certify to the county auditor the proposed property tax levy for taxes payable in the following year.

(b) Notwithstanding any law or charter to the contrary, on or before September 15, each town and each special taxing district shall adopt and certify to the county auditor a proposed property tax levy for taxes payable in the following year. For towns, the final certified levy shall also be considered the proposed levy.

(c) On or before September 30, each school district that has not mutually agreed with its home county to extend this date shall certify to the county auditor the proposed property tax levy for taxes payable in the following year. Each school district that has agreed with its home county to delay the certification of its proposed property tax levy must certify its proposed property tax levy for the following year no later than October 7. The school district shall certify the proposed levy as:

(1) a specific dollar amount by school district fund, broken down between voter-approved and non-voter-approved levies and between referendum market value and tax capacity levies; or

(2) the maximum levy limitation certified by the commissioner of education according to section 126C.48, subdivision 1.

(d) If the board of estimate and taxation or any similar board that establishes maximum tax levies for taxing jurisdictions within a first class city certifies the maximum property tax levies for funds under its jurisdiction by charter to the county auditor by the date specified in paragraph (a), the city shall be deemed to have certified its levies for those taxing jurisdictions.

(e) For purposes of this section, "special taxing district" means a special taxing district as defined in section 275.066. Intermediate school districts that levy a tax under chapter 124 or 136D, joint powers boards established under sections 123A.44 to 123A.446, and Common School Districts No. 323, Franconia, and No. 815, Prinsburg, are also special taxing districts for purposes of this section.

(f) At the meeting at which a taxing authority, other than a town, adopts its proposed tax levy under this subdivision, the taxing authority shall announce the time and place of its any subsequent regularly scheduled meetings at which the budget and levy will be discussed and at which the public will be allowed to speak. The time and place of those meetings must be included in the proceedings or summary of proceedings published in the official newspaper of the taxing authority under section 123B.09, 375.12, or 412.191.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 29. Minnesota Statutes 2016, section 275.62, subdivision 2, is amended to read:

Subd. 2. Local governments required to report. For purposes of this section, "local governmental unit" means a county, home rule charter or statutory city with a population greater than 2,500, a town with a population greater than 5,000, or a home rule charter or statutory city or town that receives a distribution from the taconite municipal aid account in the levy year.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 30. Minnesota Statutes 2016, section 278.01, subdivision 1, is amended to read:

Subdivision 1. Determination of validity. (a) Any person having personal property, or any estate, right, title, or interest in or lien upon any parcel of land, who claims that such property has been partially, unfairly, or unequally assessed in comparison with other property in the (1) city, or (2) county, or (3) in the case of a county containing a city of the first class, the portion of the county excluding the first class city, or that the parcel has been assessed at a valuation greater than its real or actual value, or that the tax levied against the same is illegal, in whole or in part, or has been paid, or that the property is exempt from the tax so levied, may have the validity of the claim, defense, or objection determined by the district court of the county in which the tax is levied or by the Tax Court by serving one copy of a petition for such determination upon the county auditor, one copy on the county attorney, one copy on the county treasurer, and three copies on the county assessor. The county assessor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the petition shall also be forwarded by the assessor to the school board of the school district in which the property is located.

(b) In counties where the office of county treasurer has been combined with the office of county auditor, the county may elect to require the petitioner to serve the number of copies as determined by the county. The county assessor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A list of petitioned properties, including the name of the petitioner, the identification number of the property, and the estimated market value, shall be sent on or before the first day of July by the county auditor/treasurer to the school board of the school district in which the property is located.

(c) For all counties, the petitioner must file the copies with proof of service, in the office of the court administrator of the district court on or before April 30 of the year in which the tax becomes payable. A petition for determination under this section may be transferred by the district court to the Tax Court. An appeal may also be taken to the Tax Court under chapter 271 at any time following receipt of the valuation notice that county assessors or city assessors having the powers of a county assessor are required by section 273.121 to send to persons whose property is to be included on the assessment roll that year, but prior to May 1 of the year in which the taxes are payable.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 31. Minnesota Statutes 2016, section 282.01, subdivision 1a, is amended to read:

Subd. 1a. Conveyance to public entities. (a) Upon written request from a state agency or a governmental subdivision of the state, a parcel of unsold tax-forfeited land must be withheld from sale or lease to others for a maximum of six months. The request must be submitted to the county auditor. Upon receipt, the county auditor must withhold the parcel from sale or lease to any other party for six months, and must confirm the starting date of the six-month withholding period to the requesting agency or subdivision. If the request is from a governmental subdivision of the state, the governmental subdivision must pay the maintenance costs incurred by the county during the period the parcel is withheld. The county board may approve a sale or conveyance to the requesting party during the withholding period. A conveyance of the property to the requesting party terminates the withholding period.

A governmental subdivision of the state must not make, and a county auditor must not act upon, a second request to withhold a parcel from sale or lease within 18 months of a previous request for that parcel. A county may reject a request made under this paragraph if the request is made more than 30 days after the county has given notice to the requesting state agency or governmental subdivision of the state that the county intends to sell or otherwise dispose of the property.
(b) Nonconservation tax-forfeited lands may be sold by the county board, for their market value as determined by the county board, to an organized or incorporated governmental subdivision of the state for any public purpose for which the subdivision is authorized to acquire property. When the term "market value" is used in this section, it means an estimate of the full and actual market value of the parcel as determined by the county board, but in making this determination, the board and the persons employed by or under contract with the board in order to perform, conduct, or assist in the determination, are exempt from the licensure requirements of chapter 82B.

(c) Nonconservation tax-forfeited lands may be sold by the county board, for their market value as determined by the county board, to a state agency for any public purpose for which the agency is authorized to acquire property.

(d) Nonconservation tax-forfeited lands may be sold by the county board to an organized or incorporated governmental subdivision of the state or state agency for less than their market value if:

(1) the county board determines that a sale at a reduced price is in the public interest because a reduced price is necessary to provide an incentive to correct the blighted conditions that make the lands undesirable in the open market, or the reduced price will lead to the development of affordable housing; and

(2) the governmental subdivision or state agency has documented its specific plans for correcting the blighted conditions or developing affordable housing, and the specific law or laws that empower it to acquire real property in furtherance of the plans.

If the sale under this paragraph is to a governmental subdivision of the state, the commissioner of revenue must convey the property on behalf of the state by quitclaim deed. If the sale under this paragraph is to a state agency, the property is released from the trust in favor of the taxing districts and the commissioner of revenue must issue a conveyance document that releases the property from the trust in favor of the taxing districts.

(e) Nonconservation tax-forfeited land held in trust in favor of the taxing districts may be conveyed by the commissioner of revenue in the name of the state to a governmental subdivision for an authorized public use, if an application is submitted to the commissioner which includes a statement of facts as to the use to be made of the tract and the favorable recommendation of the county board. For the purposes of this paragraph, "authorized public use" means a use that allows an indefinite segment of the public to physically use and enjoy the property in numbers appropriate to its size and use, or is for a public service facility. Authorized public uses as defined in this paragraph are limited to:

(1) a road, or right-of-way for a road;

(2) a park that is both available to, and accessible by, the public that contains improvements such as campgrounds, playgrounds, athletic fields, trails, or shelters;

(3) trails for walking, bicycling, snowmobiling, or other recreational purposes, along with a reasonable amount of surrounding land maintained in its natural state;

(4) transit facilities for buses, light rail transit, commuter rail or passenger rail, including transit ways, park-and-ride lots, transit stations, maintenance and garage facilities, and other facilities related to a public transit system;

(5) public beaches or boat launches;

(6) public parking;
(7) civic recreation or conference facilities; and

(8) public service facilities such as fire halls, police stations, lift stations, water towers, sanitation facilities, water treatment facilities, and administrative offices.

No monetary compensation or consideration is required for the conveyance, except as provided in subdivision 1g, but the conveyance is subject to the conditions provided in law, including, but not limited to, the reversion provisions of subdivisions 1c and 1d.

(f) The commissioner of revenue shall convey a parcel of nonconservation tax-forfeited land to a local governmental subdivision of the state by quitclaim deed on behalf of the state upon the favorable recommendation of the county board if the governmental subdivision has certified to the board that prior to forfeiture the subdivision was entitled to the parcel under a written development agreement or instrument, but the conveyance failed to occur prior to forfeiture. No compensation or consideration is required for, and no conditions attach to, the conveyance.

(g) The commissioner of revenue shall convey a parcel of nonconservation tax-forfeited land to the association of a common interest community by quitclaim deed upon the favorable recommendation of the county board if the association certifies to the board that prior to forfeiture the association was entitled to the parcel under a written agreement, but the conveyance failed to occur prior to forfeiture. No compensation or consideration is required for, and no conditions attach to, the conveyance.

(h) Conservation tax-forfeited land may be sold to a governmental subdivision of the state for less than its market value for either: (1) creation or preservation of wetlands; (2) drainage or storage of storm water under a storm water management plan; or (3) preservation, or restoration and preservation, of the land in its natural state. The deed must contain a restrictive covenant limiting the use of the land to one of these purposes for 30 years or until the property is reconveyed back to the state in trust. At any time, the governmental subdivision may reconvey the property to the state in trust for the taxing districts. The deed of reconveyance is subject to approval by the commissioner of revenue. No part of a purchase price determined under this paragraph shall be refunded upon a reconveyance, but the amount paid for a conveyance under this paragraph may be taken into account by the county board when setting the terms of a future sale of the same property to the same governmental subdivision under paragraph (b) or (d). If the lands are unplatted and located outside of an incorporated municipality and the commissioner of natural resources determines there is a mineral use potential, the sale is subject to the approval of the commissioner of natural resources.

(i) A park and recreation board in a city of the first class is a governmental subdivision for the purposes of this section.

(j) Tax-forfeited land held in trust in favor of the taxing districts may be conveyed by the commissioner of revenue in the name of the state to a governmental subdivision for a school forest under section 89.41. An application that includes a statement of facts as to the use to be made of the tract and the favorable recommendation of the county board and the commissioner of natural resources must be submitted to the commissioner of revenue. No monetary compensation or consideration is required for the conveyance, but the conveyance is subject to the conditional use and reversion provisions of subdivisions 1c and 1d, paragraph (e). At any time, the governmental subdivision may reconvey the property back to the state in trust for the taxing districts. The deed of reconveyance is subject to approval by the commissioner of revenue.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 32. Minnesota Statutes 2016, section 282.01, subdivision 1d, is amended to read:

Subd. 1d. Reverter for failure to use; conveyance to state. (a) After three years from the date of any conveyance of tax-forfeited land to a governmental subdivision for an authorized public use as provided in this section, regardless of when the deed for the authorized public use was executed, if the governmental subdivision has failed to put the land to that use, or abandons that use, the governing body of the subdivision must: (1) with the approval of the county board, purchase the property for an authorized public purpose at the present market value as determined by the county board, or (2) authorize the proper officers to convey the land, or the part of the land not required for an authorized public use, to the state of Minnesota in trust for the taxing districts. If the governing body purchases the property under clause (1), the commissioner of revenue shall, upon proper application submitted by the county auditor and upon the reconveyance of the land subject to the conditional use deed to the state, convey the property on behalf of the state by quitclaim deed to the subdivision free of a use restriction and the possibility of reversion or defeasement. If the governing body decides to reconvey the property to the state under this clause, the officers shall execute a deed of conveyance immediately. The conveyance is subject to the approval of the commissioner and its form must be approved by the attorney general. For 15 years from the date of the conveyance, there is no failure to put the land to the authorized public use and no abandonment of that use if a formal plan of the governmental subdivision, including, but not limited to, a comprehensive plan or land use plan, shows an intended future use of the land for the authorized public use.

(b) Property held by a governmental subdivision of the state under a conditional use deed executed under this section by the commissioner of revenue on or after January 1, 2007, may be acquired by that governmental subdivision after 15 years from the date of the conveyance if the commissioner determines upon written application from the subdivision that the subdivision has in fact put the property to the authorized public use for which it was conveyed, and the subdivision has made a finding that it has no current plans to change the use of the lands. Prior to conveying the property, the commissioner shall inquire whether the county board where the land is located objects to a conveyance of the property to the subdivision without conditions and without further act by or obligation of the subdivision. If the county does not object within 60 days, and the commissioner makes a favorable determination, the commissioner shall issue a quitclaim deed on behalf of the state unconditionally conveying the property to the governmental subdivision. For purposes of this paragraph, demonstration of an intended future use for the governmental subdivision does not constitute use for that authorized public use.

(c) Property held by a governmental subdivision of the state under a conditional use deed executed under this section by the commissioner of revenue before January 1, 2007, is released from the use restriction and possibility of reversion on January 1, 2022, if the county board records a resolution describing the land and citing this paragraph. The county board may authorize the county treasurer to deduct the amount of the recording fees from future settlements of property taxes to the subdivision.

(d) Except for tax-forfeited land conveyed to establish a school forest under section 89.41, property conveyed under a conditional use deed executed under this section by the commissioner of revenue, regardless of when the deed for the authorized public use was executed, is released from the use restriction and reverter, and any use restriction or reverter for which no declaration of reversion has been recorded with the county recorder or registrar of titles, as appropriate, is nullified on the later of: (1) January 1, 2015; (2) 30 years from the date the deed was acknowledged; or (3) final resolution of an appeal to district court under subdivision 1e, if a lis pendens related to the appeal is recorded in the office of the county recorder or registrar of titles, as appropriate, prior to January 1, 2015.

(e) Notwithstanding paragraphs (a) to (d), tax-forfeited land conveyed to establish a school forest under section 89.41 is subject to a perpetual conditional use deed and reverter. The property reverts to the state in trust for the taxing districts by operation of law if the commissioner of natural resources determines and reports to the
commissioner of revenue under section 89.41, subdivision 3, that the governmental subdivision has failed to use the land for school forest purposes for three consecutive years. The commissioner of revenue shall record a declaration of reversion for land that has reverted under this paragraph.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 33. Minnesota Statutes 2016, section 477A.013, is amended by adding a subdivision to read:

**EFFECTIVE DATE.** This section is effective for aids payable in 2018 and thereafter.

**EFFECTIVE DATE.** This section is effective for aids payable in 2018 and thereafter.

Sec. 35. Minnesota Statutes 2016, section 477A.19, is amended by adding a subdivision to read:

Sec. 36. Minnesota Statutes 2016, section 559.202, subdivision 2, is amended to read:

(1) a person licensed to practice law in this state; or

(2) a person licensed as a real estate broker or salesperson under chapter 82, provided that the representation does not create a dual agency, as that term is defined in section 82.55, subdivision 6.

**EFFECTIVE DATE.** This section is effective for sales of tax-forfeited land occurring the day following final enactment and thereafter.

Subdivision 1. **Annual report required.** Every railroad company doing business in Minnesota shall annually file with the commissioner on or before March 31 a report under oath setting forth the information prescribed by the commissioner to enable the commissioner to make the valuation and equalization required by sections 270.80 to 270.87. The commissioner shall prescribe the content, format, and manner of the report pursuant to section 270C.30, except that a "law administered by the commissioner" includes the property tax laws. If a report is made by electronic means, the taxpayer’s signature is defined pursuant to section 270C.304, except that a "law administered by the commissioner" includes the property tax laws.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2016, section 270A.03, subdivision 5, is amended to read:

Subd. 5. **Debt.** (a) "Debt" means a legal obligation of a natural person to pay a fixed and certain amount of money, which equals or exceeds $25 and which is due and payable to a claimant agency. The term includes criminal fines imposed under section 609.10 or 609.125, fines imposed for petty misdemeanors as defined in section 609.02, subdivision 4a, and restitution. A debt may arise under a contractual or statutory obligation, a court order, or other legal obligation, but need not have been reduced to judgment.
A debt includes any legal obligation of a current recipient of assistance which is based on overpayment of an assistance grant where that payment is based on a client waiver or an administrative or judicial finding of an intentional program violation; or where the debt is owed to a program wherein the debtor is not a client at the time notification is provided to initiate recovery under this chapter and the debtor is not a current recipient of food support, transitional child care, or transitional medical assistance.

(b) A debt does not include any legal obligation to pay a claimant agency for medical care, including hospitalization if the income of the debtor at the time when the medical care was rendered does not exceed the following amount:

1. for an unmarried debtor, an income of $8,800 $12,560 or less;
2. for a debtor with one dependent, an income of $11,270 $16,080 or less;
3. for a debtor with two dependents, an income of $13,330 $19,020 or less;
4. for a debtor with three dependents, an income of $15,120 $21,580 or less;
5. for a debtor with four dependents, an income of $15,950 $22,760 or less; and
6. for a debtor with five or more dependents, an income of $16,630 $23,730 or less.

For purposes of this paragraph, "debtor" means the individual whose income, together with the income of the individual's spouse, other than a separated spouse, brings the individual within the income provisions of this paragraph. For purposes of this paragraph, a spouse, other than a separated spouse, shall be considered a dependent.

(c) The commissioner shall adjust the income amounts in paragraph (b) by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "1999 2014" shall be substituted for the word "1992." For 2001 2016, the commissioner shall then determine the percent change from the 12 months ending on August 31, 1999 2014, to the 12 months ending on August 31, 2000 2015, and in each subsequent year, from the 12 months ending on August 31, 1999 2014, to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be subject to the Administrative Procedure Act contained in chapter 14. The income amount as adjusted must be rounded to the nearest $10 amount. If the amount ends in $5, the amount is rounded up to the nearest $10 amount.

(d) Debt also includes an agreement to pay a MinnesotaCare premium, regardless of the dollar amount of the premium authorized under section 256L.15, subdivision 1a.

Subd. 13. Homestead application. (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The commissioner shall prescribe the content, format, and manner of the homestead application required to be filed under this chapter pursuant to section 270C.30. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to receive homestead treatment.
(c) Every property owner applying for homestead classification must furnish to the county assessor the Social Security number of each occupant who is listed as an owner of the property on the deed of record, the name and address of each owner who does not occupy the property, and the name and Social Security number of each owner's spouse who occupies the property. The application must be signed by each owner who occupies the property and by each owner's spouse who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property qualifies as a homestead under subdivision 1, paragraph (e).

Owners or spouses occupying residences owned by their spouses and previously occupied with the other spouse, either of whom fail to include the other spouse's name and Social Security number on the homestead application or provide the affidavits or other proof requested, will be deemed to have elected to receive only partial homestead treatment of their residence. The remainder of the residence will be classified as nonhomestead residential. When an owner or spouse's name and Social Security number appear on homestead applications for two separate residences and only one application is signed, the owner or spouse will be deemed to have elected to homestead the residence for which the application was signed.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The Social Security number of each relative and spouse of a relative occupying the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The Social Security number of a relative or relative's spouse occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue, or, for the purposes of proceeding under the Revenue Recapture Act to recover personal property taxes owing, to the county treasurer.

(e) The homestead application shall also notify the property owners that if the property is granted homestead status for any assessment year, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners, the spouse of the owner, or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner, the spouse of the owner, or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

Sec. 2. Minnesota Statutes 2016, section 298.01, subdivision 3, is amended to read:

Subd. 3. Occupation tax; other ores. Every person engaged in the business of mining, refining, or producing ores, metals, or minerals in this state, except iron ore or taconite concentrates, shall pay an occupation tax to the state of Minnesota as provided in this subdivision. For purposes of this subdivision, mining includes the application of hydrometallurgical processes. Hydrometallurgical processes are processes that extract the ores, metals, or minerals, by use of aqueous solutions that leach, concentrate, and recover the ore, metal, or mineral. The tax is determined in the same manner as the tax imposed by section 290.02, except that sections 290.05, subdivision 1, clause (a), 290.17, subdivision 4, and 290.191, subdivision 2, do not apply, and the occupation tax must be computed by applying to taxable income the rate of 2.45 percent. A person subject to occupation tax under this section shall apportion its net income on the basis of the percentage obtained by taking the sum of:

(1) 75 percent of the percentage which the sales made within this state in connection with the trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period;

(2) 12.5 percent of the percentage which the total tangible property used by the taxpayer in this state in connection with the trade or business during the tax period is of the total tangible property, wherever located, used by the taxpayer in connection with the trade or business during the tax period; and

(3) 12.5 percent of the percentage which the taxpayer’s total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with the trade or business during the tax period are of the taxpayer’s total payrolls paid or incurred in connection with the trade or business during the tax period.

The tax is in addition to all other taxes.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2016, section 298.01, subdivision 4, is amended to read:

Subd. 4. Occupation tax; iron ore; taconite concentrates. A person engaged in the business of mining or producing of iron ore, taconite concentrates or direct reduced ore in this state shall pay an occupation tax to the state of Minnesota. The tax is determined in the same manner as the tax imposed by section 290.02, except that sections 290.05, subdivision 1, clause (a), 290.17, subdivision 4, and 290.191, subdivision 2, do not apply, and the occupation tax shall be computed by applying to taxable income the rate of 2.45 percent. A person subject to occupation tax under this section shall apportion its net income on the basis of the percentage obtained by taking the sum of:

(1) 75 percent of the percentage which the sales made within this state in connection with the trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period;

(2) 12.5 percent of the percentage which the total tangible property used by the taxpayer in this state in connection with the trade or business during the tax period is of the total tangible property, wherever located, used by the taxpayer in connection with the trade or business during the tax period; and

(3) 12.5 percent of the percentage which the taxpayer’s total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with the trade or business during the tax period are of the taxpayer’s total payrolls paid or incurred in connection with the trade or business during the tax period.

The tax is in addition to all other taxes.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 4. Minnesota Statutes 2016, section 298.24, subdivision 1, is amended to read:

Subdivision 1. Imposed; calculation. (a) For concentrate produced in 2013, there is imposed upon taconite and iron sulphides, and upon the mining and quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon the concentrate so produced, a tax of $2.56 per gross ton of merchantable iron ore concentrate produced therefrom. The tax is also imposed upon other iron-bearing material.

(b) For concentrates produced in 2014 and subsequent years, the tax rate shall be equal to the preceding year's tax rate plus an amount equal to the preceding year's tax rate multiplied by the percentage increase in the implicit price deflator from the fourth quarter of the second preceding year to the fourth quarter of the preceding year. "Implicit price deflator" means the implicit price deflator for the gross domestic product prepared by the Bureau of Economic Analysis of the United States Department of Commerce.

(c) An additional tax is imposed equal to three cents per gross ton of merchantable iron ore concentrate for each one percent that the iron content of the product exceeds 72 percent, when dried at 212 degrees Fahrenheit.

(d) The tax on taconite and iron sulphides shall be imposed on the average of the production for the current year and the previous two years. The rate of the tax imposed will be the current year's tax rate. This clause shall not apply in the case of the closing of a taconite facility if the property taxes on the facility would be higher if this clause and section 298.25 were not applicable. The tax on other iron-bearing material shall be imposed on the current year production.

(e) The tax under paragraph (a) is also imposed upon other iron-bearing material. The tax on other iron-bearing material shall be imposed on the current year production. The rate of the tax imposed is the current year's tax rate.

(f) If the tax or any part of the tax imposed by this subdivision is held to be unconstitutional, a tax of $2.56 per gross ton of merchantable iron ore concentrate produced shall be imposed.

(g) Consistent with the intent of this subdivision to impose a tax based upon the weight of merchantable iron ore concentrate, the commissioner of revenue may indirectly determine the weight of merchantable iron ore concentrate included in fluxed pellets by subtracting the weight of the limestone, dolomite, or olivine derivatives or other basic flux additives included in the pellets from the weight of the pellets. For purposes of this paragraph, "fluxed pellets" are pellets produced in a process in which limestone, dolomite, olivine, or other basic flux additives are combined with merchantable iron ore concentrate. No subtraction from the weight of the pellets shall be allowed for binders, mineral and chemical additives other than basic flux additives, or moisture.

(h) (1) Notwithstanding any other provision of this subdivision, for the first two years of a plant's commercial production of direct reduced ore from ore mined in this state, no tax is imposed under this section. As used in this paragraph, "commercial production" is production of more than 50,000 tons of direct reduced ore in the current year or in any prior year, "noncommercial production" is production of 50,000 tons or less of direct reduced ore in any year, and "direct reduced ore" is ore that results in a product that has an iron content of at least 75 percent. For the third year of a plant's commercial production of direct reduced ore, the rate to be applied to direct reduced ore is 25 percent of the rate otherwise determined under this subdivision. For the fourth commercial production year, the rate is 50 percent of the rate otherwise determined under this subdivision; for the fifth commercial production year, the rate is 75 percent of the rate otherwise determined under this subdivision; and for all subsequent commercial production years, the full rate is imposed.

(2) Subject to clause (1), production of direct reduced ore in this state is subject to the tax imposed by this section, but if that production is not produced by a producer of taconite, iron sulfides, or other iron-bearing material, the production of taconite, iron sulfides, or other iron-bearing material, that is consumed in the production of direct reduced iron ore in this state is not subject to the tax imposed by this section on taconite, iron sulfides, or other iron-bearing material.
(3) Notwithstanding any other provision of this subdivision, no tax is imposed on direct reduced ore under this section during the facility's noncommercial production of direct reduced ore. The taconite or iron sulphides consumed in the noncommercial production of direct reduced ore is subject to the tax imposed by this section on taconite and iron sulphides. Three-year average production of direct reduced ore does not include production of direct reduced ore in any noncommercial year. Three-year average production for a direct reduced ore facility that has noncommercial production is the average of the commercial production of direct reduced ore for the current year and the previous two commercial years.

(4) This paragraph applies only to plants for which all environmental permits have been obtained and construction has begun before July 1, 2008.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 5. Minnesota Statutes 2016, section 298.28, subdivision 2, is amended to read:

Subd. 2. **City or town where quarried or produced.** (a) 4.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton," plus the amount provided in paragraph (c), must be allocated to the city or town in the county in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivisions upon the basis of attributing 50 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. The commissioner's order making such apportionment shall be subject to review by the Tax Court at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(b) (1) Four cents per taxable ton shall be allocated to cities and organized townships affected by mining because their boundaries are within three miles of a taconite mine pit that:

(i) was actively mined by LTV Steel Mining Company in 1999; or

(ii) has been actively mined in at least one of the prior three years.

(2) If a city or town is located near more than one mine meeting these the criteria under this paragraph, the city or town is eligible to receive aid calculated from only the mine producing the largest taxable tonnage. When more than one municipality qualifies for aid based on one company's production, the aid must be apportioned among the municipalities in proportion to their populations. The amounts distributed under this paragraph to each municipality must be used for infrastructure improvement projects.

(c) The amount that would have been computed for the current year under Minnesota Statutes 2008, section 126C.21, subdivision 4, for a school district shall be distributed to the cities and townships within the school district in the proportion that their taxable net tax capacity within the school district bears to the taxable net tax capacity of the school district for property taxes payable in the year prior to distribution.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

(b) 10.525 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to paragraph (c). The apportionment formula prescribed in subdivision 2 is the basis for the distribution.

(c) If 1.0 cent per taxable ton of the tax distributed to the counties under paragraph (b) shall be paid to a county that received a distribution under this section in 2000 because there was located in the county an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a different county other than the county in which the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to paragraph (b) and imposed on and collected from such taxpayer shall be paid to the county in which the power plant is located.

(d) 10.525 cents per taxable ton for distributions in 2015 through 2023, and 15.525 cents per taxable ton for distributions beginning in 2024, shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. The valuation apportioned to this state of such flight property shall be the proportion of the total valuation thereof determined on the basis of the total of the following percentages:

(1) 33 1/3 percent of the percentage which the total tonnage of passengers, express and freight first received by the airline company in this state during the preceding calendar year plus the total tonnage of passengers, express and freight finally discharged by it within this state during the preceding calendar year is of the total of such tonnage first received by the airline company or finally discharged by it, within and without this state during the preceding calendar year.

(2) 33 1/3 percent of the percentage which, in equated plane hours, the total time of all aircraft of the airline company in flight in this state during the preceding calendar year, is of the total of such time in flight within and without this state during the preceding calendar year.

(3) 33 1/3 (1) 50 percent of the percentage which the number of revenue ton miles of passengers, mail, express and freight flown by the airline company within this state during the preceding calendar year is of the total number of such miles flown by it within and without this state during the preceding calendar year.
(2) 50 percent of the percentage that the total departures performed by the airline company within this state during the preceding calendar year is of the total departures performed within and without this state during the preceding calendar year.

**EFFECTIVE DATE.** This section is effective for assessment year 2018 and thereafter.

Sec. 2. Minnesota Statutes 2016, section 272.025, subdivision 1, is amended to read:

Subdivision 1. **Statement of exemption.** (a) Except in the case of property owned by the state of Minnesota or any political subdivision thereof, and property exempt from taxation under section 272.02, subdivisions 9, 10, 13, 15, 18, 20, and 22 to 25, and at the times provided in subdivision 3, a taxpayer claiming an exemption from taxation on property described in section 272.02, subdivisions 2 to 33, must file a statement of exemption with the assessor of the assessment district in which the property is located. By February 1, 2018, and by February 1 of each third year thereafter, the commissioner of revenue shall publish on its Web site a list of the exemptions for which a taxpayer claiming an exemption must file a statement of exemption. The commissioner's requirement that a taxpayer file a statement of exemption pursuant to this subdivision shall not be considered a rule and is not subject to the Administrative Procedure Act, chapter 14.

(b) A taxpayer claiming an exemption from taxation on property described in section 272.02, subdivision 10, must file a statement of exemption with the commissioner of revenue, on or before February 15 of each year for which the taxpayer claims an exemption.

(c) In case of sickness, absence or other disability or for good cause, the assessor or the commissioner may extend the time for filing the statement of exemption for a period not to exceed 60 days.

(d) The commissioner of revenue shall prescribe the form and contents of the statement of exemption.

**EFFECTIVE DATE.** This section is effective for applications for exemption submitted in 2018 and thereafter.

Sec. 3. Minnesota Statutes 2016, section 272.0295, is amended by adding a subdivision to read:

Subd. 8. **Extension.** The commissioner may, for good cause, extend the time for filing the report required by subdivision 4. The extension must not exceed 15 days.

**EFFECTIVE DATE.** This section is effective for reports filed in 2018 and thereafter.

Sec. 4. Minnesota Statutes 2016, section 272.115, subdivision 1, is amended to read:

Subdivision 1. **Requirement.** Except as otherwise provided in subdivision 5 or 6, whenever any real estate is sold for a consideration in excess of $1,000 to $1,500, whether by warranty deed, quitclaim deed, contract for deed or any other method of sale, the grantor, grantee or the legal agent of either shall file a certificate of value with the county auditor in the county in which the property is located when the deed or other document is presented for recording. Contract for deeds are subject to recording under section 507.235, subdivision 1. Value shall, in the case of any deed not a gift, be the amount of the full actual consideration thereof, paid or to be paid, including the amount of any lien or liens assumed. The items and value of personal property transferred with the real property must be listed and deducted from the sale price. The certificate of value shall include the classification to which the property belongs for the purpose of determining the fair market value of the property, and shall include any proposed change in use of the property known to the person filing the certificate that could change the classification of the property. The certificate shall include financing terms and conditions of the sale which are necessary to determine the actual, present value of the sale price for purposes of the sales ratio study. If the property is being acquired as part of a like-kind exchange under section 1031 of the Internal Revenue Code of 1986, as amended through December 31, 2006,
that must be indicated on the certificate. The commissioner of revenue shall promulgate administrative rules specifying the financing terms and conditions which must be included on the certificate. The certificate of value must include the Social Security number or the federal employer identification number of the grantors and grantees. However, a married person who is not an owner of record and who is signing a conveyance instrument along with the person's spouse solely to release and convey their marital interest, if any, in the real property being conveyed is not a grantor for the purpose of the preceding sentence. A statement in the deed that is substantially in the following form is sufficient to allow the county auditor to accept a certificate for filing without the Social Security number of the named spouse: "(Name) claims no ownership interest in the real property being conveyed and is executing this instrument solely to release and convey a marital interest, if any, in that real property." The identification numbers of the grantors and grantees are private data on individuals or nonpublic data as defined in section 13.02, subdivisions 9 and 12, but, notwithstanding that section, the private or nonpublic data may be disclosed to the commissioner of revenue for purposes of tax administration. The information required to be shown on the certificate of value is limited to the information required as of the date of the acknowledgment on the deed or other document to be recorded. The commissioner's determination of the amount for which a certificate of value is required pursuant to this subdivision shall not be considered a rule and is not subject to the Administrative Procedure Act, chapter 14.

**EFFECTIVE DATE.** This section is effective for certificates of value filed after December 31, 2017.

Sec. 5. Minnesota Statutes 2016, section 272.115, subdivision 2, is amended to read:

Subd. 2. **Form; information required.** The certificate of value shall require such facts and information as may be determined by the commissioner to be reasonably necessary in the administration of the state education aid formulas. The form of the certificate of value shall be prescribed by the Department of Revenue which shall provide an adequate supply of forms to each county auditor.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 272.115, subdivision 3, is amended to read:

Subd. 3. **Copies transmitted; homestead status.** The county auditor shall transmit two true copies of the certificate of value to the assessor who shall insert into the certificate of value the most recent market value and when available, the year of original construction of each parcel of property on both copies, and shall transmit one copy of the certificate of value to the Department of Revenue. Upon the request of a city council located within the county, a copy of each certificate of value for property located in that city shall be made available to the governing body of the city. The assessor shall remove the homestead classification for the following assessment year from a property which is sold or transferred, unless the grantee or the person to whom the property is transferred completes a homestead application under section 273.124, subdivision 13, and qualifies for homestead status.

**EFFECTIVE DATE.** This section is effective for certificates of value filed after December 31, 2017.

Sec. 7. Minnesota Statutes 2016, section 273.124, subdivision 13, is amended to read:

Subd. 13. **Homestead application.** (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to receive homestead treatment.
(c) Every property owner applying for homestead classification must furnish to the county assessor the Social Security number of each occupant who is listed as an owner of the property on the deed of record, the name and address of each owner who does not occupy the property, and the name and Social Security number of each owner's spouse who occupies the property. The application must be signed by each owner who occupies the property and by each owner's spouse who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property qualifies as a homestead under subdivision 1, paragraph (e).

Owners or spouses occupying residences owned by their spouses and previously occupied with the other spouse, either of whom fail to include the other spouse's name and Social Security number on the homestead application or provide the affidavits or other proof requested, will be deemed to have elected to receive only partial homestead treatment of their residence. The remainder of the residence will be classified as nonhomestead residential. When an owner or spouse's name and Social Security number appear on homestead applications for two separate residences and only one application is signed, the owner or spouse will be deemed to have elected to homestead the residence for which the application was signed.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The Social Security number of each relative occupying the property and the name and Social Security number of the spouse of a relative occupying the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The Social Security number of a relative occupying the property or relative's spouse of a relative occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue, or, for the purposes of proceeding under the Revenue Recapture Act to recover personal property taxes owing, to the county treasurer.

(e) The homestead application shall also notify the property owners that if the property is granted homestead status for any assessment year, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners, the spouse of the owner, or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner, the spouse of the owner, or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

**EFFECTIVE DATE.** This section is effective for applications for homestead filed in 2018 and thereafter.

Sec. 8. Minnesota Statutes 2016, section 273.124, subdivision 13d, is amended to read:

Subd. 13d. **Homestead data.** On or before April 30 each year beginning in 2007, each county must provide the commissioner with the following data for each parcel of homestead property by electronic means as defined in section 289A.02, subdivision 8:
(1) the property identification number assigned to the parcel for purposes of taxes payable in the current year;

(2) the name and Social Security number of each occupant of homestead property who is the property owner, property owner's spouse, or qualifying relative of a property owner, and the spouse of the property owner who occupies homestead property or spouse of a qualifying relative of a property owner who occupies homestead property;

(3) the classification of the property under section 273.13 for taxes payable in the current year and in the prior year;

(4) an indication of whether the property was classified as a homestead for taxes payable in the current year because of occupancy by a relative of the owner or by a spouse of a relative;

(5) the property taxes payable as defined in section 290A.03, subdivision 13, for the current year and the prior year;

(6) the market value of improvements to the property first assessed for tax purposes for taxes payable in the current year;

(7) the assessor's estimated market value assigned to the property for taxes payable in the current year and the prior year;

(8) the taxable market value assigned to the property for taxes payable in the current year and the prior year;

(9) whether there are delinquent property taxes owing on the homestead;

(10) the unique taxing district in which the property is located; and

(11) such other information as the commissioner decides is necessary.

The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

**EFFECTIVE DATE.** This section is effective for applications for homestead filed in 2018 and thereafter.

Sec. 9. Minnesota Statutes 2016, section 274.014, subdivision 3, is amended to read:

Subd. 3. **Proof of compliance; transfer of duties.** (a) Any city or town that conducts local boards of appeal and equalization meetings must provide proof to the county assessor by February 1 that it is in compliance with the training requirements of subdivision 2 by February 1, by having at least one member who has attended an appeals and equalization course described in subdivision 2 within the last four years. This notice must also verify that there was a quorum of voting members at each meeting of the board of appeal and equalization in the previous year. A city or town that does not comply with these requirements is deemed to have transferred its board of appeal and equalization powers to the county for a minimum of two assessment years, beginning with the current year's assessment and continuing thereafter unless the powers are reinstated under paragraph (c).

(b) The county shall notify the taxpayers when the board of appeal and equalization for a city or town has been transferred to the county under this subdivision and, prior to the meeting time of the county board of equalization, the county shall make available to those taxpayers a procedure for a review of the assessments, including, but not limited to, open book meetings. This alternate review process shall take place in April and May.
(c) A local board whose powers are transferred to the county under this subdivision may be reinstated by resolution of the governing body of the city or town and upon proof of compliance with the requirements of subdivision 2. The resolution and proofs must be provided to the county assessor by February 1 in order to be effective for the following year’s assessment.

(d) A local board whose powers are transferred to the county under this subdivision may continue to employ a local assessor and is not deemed to have transferred its powers to make assessments.

**EFFECTIVE DATE.** This section is effective for board of appeal and equalization meetings held in 2018 and thereafter.

Sec. 10. Minnesota Statutes 2016, section 274.135, subdivision 3, is amended to read:

Subd. 3. **Proof of compliance; transfer of duties.** (a) Any county that conducts county boards of appeal and equalization meetings must provide proof to the commissioner by December 1, 2009, and each year thereafter, that it is in compliance with the training requirements of subdivision 2 by February 1, by having at least one member who has attended an appeals and equalization course described in subdivision 2 within the last four years. Beginning in 2009, this notice must also verify that there was a quorum of voting members at each meeting of the board of appeal and equalization in the current year. A county that does not comply with these requirements is deemed to have transferred its board of appeal and equalization powers to the special board of equalization appointed pursuant to section 274.13, subdivision 2, for a minimum of two assessment years, beginning with the following year’s assessment and continuing thereafter unless the powers are reinstated under paragraph (c). A county that does not comply with the requirements of subdivision 2 and has not appointed a special board of equalization shall appoint a special board of equalization before the following year’s assessment.

(b) The county shall notify the taxpayers when the board of appeal and equalization for a county has been transferred to the special board of equalization under this subdivision and, prior to the meeting time of the special board of equalization, the county shall make available to those taxpayers a procedure for a review of the assessments, including, but not limited to, open book meetings. This alternate review process must take place in April and May.

(c) A county board whose powers are transferred to the special board of equalization under this subdivision may be reinstated by resolution of the county board and upon proof of compliance with the requirements of subdivision 2. The resolution and proofs must be provided to the commissioner by December 1 in order to be effective for the following year’s assessment.

(d) If a person who was entitled to appeal to the county board of appeal and equalization or to the county special board of equalization is not able to do so in a particular year because the county board or special board did not meet the quorum and training requirements in this section and section 274.13, or because the special board was not appointed, that person may instead appeal to the commissioner of revenue, provided that the appeal is received by the commissioner prior to August 1. The appeal is not subject to either chapter 14 or section 270C.92. The commissioner must issue an appropriate order to the county assessor in response to each timely appeal, either upholding or changing the valuation or classification of the property. Prior to October 1 of each year, the commissioner must charge and bill the county where the property is located $500 for each tax parcel covered by an order issued under this paragraph in that year. Amounts received by the commissioner under this paragraph must be deposited in the state’s general fund. If payment of a billed amount is not received by the commissioner before December 1 of the year when billed, the commissioner must deduct that unpaid amount from any state aid the commissioner would otherwise pay to the county under chapter 477A in the next year. Late payments may either be returned to the county uncashed and undeposited or may be accepted. If a late payment is accepted, the state aid
paid to the county under chapter 477A must be adjusted within 12 months to eliminate any reduction that occurred because the payment was late. Amounts needed to make these adjustments are included in the appropriation under section 477A.03, subdivision 2.

EFFECTIVE DATE. This section is effective for board of appeal and equalization meetings held in 2018 and thereafter.

Sec. 11. REPEALER.

The commissioner may terminate a tax preparer's authority to transmit returns electronically to the state, if the commissioner determines the tax preparer engaged in a pattern and practice of violating this section. Imposition of a penalty under this
subdivision paragraph is subject to the contested case procedure under chapter 14. The commissioner shall collect the penalty in the same manner as the income tax. There is no right to make a claim for refund under section 289A.50 of the penalty imposed under this paragraph. Penalties imposed under this subdivision paragraph are public data.

(b) In addition to the penalty under paragraph (a), if the commissioner determines that a tax preparer has violated subdivision 3 or 5, or section 270C.4451, the commissioner may issue an administrative order to the tax preparer requiring the tax preparer to cease and desist from committing the violation. The request for hearing must be made in writing and must be served on the commissioner at the address specified in the order. The hearing request must specifically state the reasons for seeking review of the order. The date on which a request for hearing is served by mail is the postmark date on the envelope in which the request for hearing is mailed.

(f) If a tax preparer does not timely request a hearing regarding an administrative order issued under paragraph (b), the order becomes a final order of the commissioner and is not subject to review by any court or agency.

(g) If a tax preparer timely requests a hearing regarding an administrative order issued under paragraph (b), the hearing must be commenced within ten days after the commissioner receives the request for a hearing.

(h) A hearing timely requested under paragraph (e) is subject to the contested case procedure under chapter 14, as modified by this subdivision. The administrative law judge must issue a report containing findings of fact, conclusions of law, and a recommended order within ten days after the completion of the hearing, the receipt of late-filed exhibits, or the submission of written arguments, whichever is later.

(j) The commissioner and the tax preparer requesting a hearing may by agreement lengthen any time periods prescribed in paragraphs (g) to (i).

(k) An administrative order issued under paragraph (b) is in effect until it is modified or vacated by the commissioner or an appellate court. The administrative hearing provided by paragraphs (e) to (i) and any appellate judicial review as provided in chapter 14 constitute the exclusive remedy for a tax preparer aggrieved by the order.
(l) The commissioner may impose an administrative penalty, in addition to the penalty under paragraph (a), up to $5,000 per violation of a cease and desist order issued under paragraph (b). Imposition of a penalty under this paragraph is subject to the contested case procedure under chapter 14. The request for hearing must be made in writing and must be served on the commissioner at the address specified in the order. The hearing request must specifically state the reasons for seeking review of the order. The cease and desist order issued under paragraph (b) is not subject to review in a proceeding to challenge the penalty order under this paragraph. The date on which a request for hearing is served by mail is the postmark date on the envelope in which the request for hearing is mailed. If the tax preparer does not timely request a hearing, the penalty order becomes a final order of the commissioner and is not subject to review by any court or agency. A penalty imposed by the commissioner under this paragraph may be collected and enforced by the commissioner as an income tax liability. There is no right to make a claim for refund under section 289A.50 of the penalty imposed under this paragraph. A penalty imposed under this paragraph is public data.

(m) If a tax preparer violates a cease and desist order issued under paragraph (b), the commissioner may terminate the tax preparer's authority to transmit returns electronically to the state. Termination under this paragraph is public data.

Sec. 17. Minnesota Statutes 2016, section 270C.447, subdivision 3, is amended to read:

Subd. 3. **Injunction prohibiting all business activities.** If the court finds that a tax return preparer has continually or repeatedly engaged in conduct described in subdivision 2, and that an injunction prohibiting that conduct would not be sufficient to prevent the person's interference with the proper administration of a law administered by the commissioner, the court may enjoin the person from acting as a tax return preparer. The court may not enjoin the employer of a tax return preparer for conduct described in subdivision 2 engaged in by one or more of the employer's employees unless the employer was also actively involved in that conduct.

EFFECTIVE DATE. This section is effective for claims and returns filed after December 31, 2017.

Sec. 18. Minnesota Statutes 2016, section 270C.447, is amended by adding a subdivision to read:

Subd. 3a. **Enforcement of cease and desist orders.** (a) Whenever the commissioner under subdivision 1 or 3 seeks to enforce compliance with a cease and desist order, the court must consider the allegations in the cease and desist order conclusively established if the order is a final order.

(b) If the court finds the tax preparer was not in compliance with a cease and desist order, the court may impose a further civil penalty against the tax preparer for contempt in an amount up to $10,000 for each violation and may grant any other relief the court determines is just and proper in the circumstances. A civil penalty imposed by a court under this section may be collected and enforced by the commissioner as an income tax liability.
(c) The court may not require the commissioner to post a bond in an action or proceeding under this section.

**EFFECTIVE DATE.** This section is effective for claims and returns filed after December 31, 2017.

Sec. 19. Minnesota Statutes 2016, section 289A.60, subdivision 13, is amended to read:

Subd. 13. **Penalties for tax return preparers.** (a) If an understatement of liability with respect to a return or claim for refund is due to a reckless disregard of laws and rules or willful attempt in any manner to understated the liability for a tax by a person who is a tax return preparer with respect to the return or claim, the person shall pay to the commissioner a penalty of $500. If a part of a property tax refund claim filed under section 290.0677, subdivision 1, or chapter 290A is excessive due to a reckless disregard or willful attempt in any manner to overstate the claim for relief allowed under chapter 290A by a person who is a tax refund or return preparer, the person tax preparer shall pay to the commissioner a penalty of $500 with respect to the claim. These penalties may not be assessed against the employer of a tax return preparer unless the employer was actively involved in the reckless disregard or willful attempt to understate the liability for a tax or to overstate the claim for refund. These penalties are income tax liabilities and may be assessed at any time as provided in section 289A.38, subdivision 5.

(b) A civil action in the name of the state of Minnesota may be commenced to enjoin any person who is a tax return preparer doing business in this state as provided in section 270C.447.

(c) The commissioner may terminate or suspend a tax preparer's authority to transmit returns electronically to the state, if the commissioner determines that the tax preparer has engaged in a pattern and practice of conduct in violation of paragraph (a) of this subdivision or has been convicted under section 289A.63.

(d) For purposes of this subdivision, the term "understatement of liability" means an understatement of the net amount payable with respect to a tax imposed by state tax law, or an overstatement of the net amount creditable or refundable with respect to a tax. The determination of whether or not there is an understatement of liability must be made without regard to any administrative or judicial action involving the taxpayer. For purposes of this subdivision, the amount determined for underpayment of estimated tax under either section 289A.25 or 289A.26 is not considered an understatement of liability.

(e) For purposes of this subdivision, the term "overstatement of claim" means an overstatement of the net amount refundable with respect to a claim for property tax relief provided by filed under section 290.0677, subdivision 1, or chapter 290A. The determination of whether or not there is an overstatement of a claim must be made without regard to administrative or judicial action involving the claimant.

(f) For purposes of this section, the term "tax refund or return preparer" means an individual who prepares for compensation, or who employs one or more individuals to prepare for compensation, a return of tax, or a claim for refund of tax. The preparation of a substantial part of a return or claim for refund is treated as if it were the preparation of the entire return or claim for refund. An individual is not considered a tax return preparer merely because the individual:

(1) gives typing, reproducing, or other mechanical assistance;

(2) prepares a return or claim for refund of the employer, or an officer or employee of the employer, by whom the individual is regularly and continuously employed;

(3) prepares a return or claim for refund of any person as a fiduciary for that person; or

(4) prepares a claim for refund for a taxpayer in response to a tax order issued to the taxpayer. "tax preparer" or "preparer" has the meaning given in section 270C.445, subdivision 2, paragraph (h).

**EFFECTIVE DATE.** This section is effective for claims and returns filed after December 31, 2017.
Sec. 20. Minnesota Statutes 2016, section 289A.60, subdivision 28, is amended to read:

Subd. 28. Preparer identification number. Any Minnesota individual income tax return or claim for refund prepared by a "tax refund or return preparer" as defined in subdivision 13, paragraph (f), shall bear the identification number the preparer is required to use federally under section 6109(a)(4) of the Internal Revenue Code.  (a) Each of the following that is prepared by a tax preparer must include the tax preparer's tax identification number:

1. a tax return required to be filed under this chapter;
2. a claim filed under section 290.0677, subdivision 1, or chapter 290A; and
3. a claim for refund of an overpayment.

(b) A tax preparer is not required to include their preparer tax identification number on a filing if the number is not required in the forms or filing requirements provided by the commissioner.

(c) A tax refund or return preparer who prepares a Minnesota individual income tax return or claim for refund and fails to include the required preparer tax identification number on the return or claim as required by this section is subject to a penalty of $50 for each failure.

(d) A tax preparer who fails to include the preparer tax identification number as required by this section, and who is required to have a valid preparer tax identification number issued under section 6109(a)(4) of the Internal Revenue Code, but does not have one, is subject to a $500 penalty for each failure. A tax preparer subject to the penalty in this paragraph is not subject to the penalty in paragraph (c).

(e) For the purposes of this subdivision, "tax preparer" has the meaning given in section 270C.445, subdivision 2, paragraph (h), and "preparer tax identification number" means the number the tax preparer is required to use federally under section 6109(a)(4) of the Internal Revenue Code.

EFFECTIVE DATE. This section is effective for claims and returns filed after December 31, 2017.

(b) If the commissioner of management and budget determines that the projected balance in the health care access fund for the biennium reflects a ratio of revenues to expenditures and transfers greater than 125 percent, and if the actual cash balance in the fund is adequate, as determined by the commissioner of management and budget, the commissioner, in consultation with the commissioner of revenue, shall reduce the tax rates levied under subdivisions 1, 1a, 2, 3, and 4, for the subsequent calendar year sufficient to reduce the structural balance in the fund. Petersburg moved to amend the Marquart amendment to H. F. No. 4, the second engrossment, as amended, as follows:

Page 248, after line 20, insert:

"ARTICLE 10
MOTOR FUELS GROSS RECEIPTS TAX

Section 1. [296A.085] MOTOR FUELS GROSS RECEIPTS TAX.

Subdivision 1. Impostion. In addition to other taxes imposed on the use of motor fuel under this chapter, a motor fuel gross receipts tax is imposed on the first licensed distributor receiving motor fuel for use in motor vehicles. The motor fuel gross receipts tax is imposed at the rate of 6-1/2 percent of the average wholesale price of gasoline for Minnesota as calculated in subdivisions 3 and 4. The motor fuel gross receipts tax is imposed on all motor fuel, in either a liquid or gaseous form.

Subd. 2. Exemptions. Subdivision 1 does not apply to gasoline, denatured ethanol, special fuel, or alternative fuel purchased by an entity described in section 296A.07, subdivision 4, or 296A.08, subdivision 3.
Subd. 3. **Calculation of tax amount per gallon.** (a) The tax imposed under this section must be calculated by converting the motor fuels gross receipts tax amount into a tax rate per gallon. The commissioner of revenue must determine and publish the motor fuels gross receipts tax amount per gallon annually. The amount is determined by multiplying the previous calendar year's average wholesale gasoline price for Minnesota, for all grades of a gallon of gasoline, by 6-1/2 percent. The wholesale price used must not include any tax or fee that can be assessed by the state of Minnesota or the United States government. The wholesale price published by the United States Energy Information Administration must be used to determine the motor fuels gross receipts tax amount per gallon. The minimum average wholesale price used for this calculation is $2.50 per gallon. By May 1 of each year, the commissioner must publish the upcoming fiscal year’s motor fuels gross receipts tax amounts per gallon and the current gasoline excise tax amounts per gallon. The motor fuels gross receipts tax amount per gallon is effective for fuel received during the next fiscal year. All amounts will be stated in cents per gallon rounded to the nearest one-tenth of a cent, disregarding amounts less than 0.05 cents and increasing amounts of 0.05 cents to 0.099 cents to the next highest one-tenth of a cent.

(b) For the period of October 1, 2017, through June 30, 2018, the motor fuels gross receipts tax amount per gallon of gasoline is 6-1/2 percent of the greater of $2.50 or the average wholesale gasoline price for all grades of a gallon of gasoline in Minnesota for calendar year 2016, as published by the United States Energy Information Administration. The commissioner must publish the rates on or before August 1, 2017.

Subd. 4. **Calculation of tax amount per gallon for other motor fuels.** (a) The motor fuels gross receipts tax on other motor fuels must be computed at the following tax rate:

1. the tax rate per gallon of E85 is 71 percent of the motor fuels gross receipts tax amount per gallon for gasoline, rounded to the nearest tenth of a cent per gallon;

2. the tax rate per gallon of M85 is 57 percent of the motor fuels gross receipts tax amount per gallon for gasoline, rounded to the nearest tenth of a cent per gallon;

3. the tax rate per gallon of liquefied petroleum gas (LPG) is 75 percent of the motor fuels gross receipts tax amount per gallon for gasoline, rounded to the nearest tenth of a cent per gallon;

4. the tax rate per gallon of liquid natural gas (LNG) is 60 percent of the motor fuels gross receipts tax amount per gallon for gasoline, rounded to the nearest tenth of a cent per gallon; and

5. the tax rate per thousand cubic feet of compressed natural gas (CNG) is the same as the motor fuels gross receipts tax amount per gallon of gasoline.

(b) The tax rate per gallon of all other special fuel used as a motor fuel is the same as the motor fuels gross receipts tax amount per gallon of gasoline.

Subd. 5. **Administrative provisions.** The motor fuels gross receipts tax must be paid and filed on a return, as prescribed by the commissioner, in the same manner and time as prescribed for gasoline tax as set forth in section 296A.15.

Subd. 6. **Deposit of revenues.** The commissioner must deposit the revenues from the motor fuels gross receipts tax into the highway user tax distribution fund.

**EFFECTIVE DATE.** This section is effective the day following final enactment and applies to motor fuels received after September 30, 2017.
Sec. 2. Minnesota Statutes 2016, section 296A.11, is amended to read:

296A.11 SELLER MAY COLLECT TAX.

A person who directly or indirectly pays a gasoline or special fuel tax or motor fuels gross receipts tax as provided in this chapter and who does not in fact use the gasoline or special fuel in motor vehicles in this state or receive, store, or withdraw it from storage to be used personally for the purpose of producing or generating power for propelling aircraft, but sells or otherwise disposes of the same, except as provided in section 296A.16, subdivision 3, is hereby authorized to collect, from the person to whom the gasoline or special fuel is so sold or disposed of, the tax so paid, and is hereby required, upon request, to make, sign, and deliver to such person an invoice of such sale or disposition. The sums collected must be held as a special fund in trust for the state of Minnesota.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2016, section 296A.12, is amended to read:

296A.12 GASOLINE AND SPECIAL FUEL TAX AND MOTOR FUELS GROSS RECEIPTS TAX IN LIEU OF OTHER TAXES.

Gasoline and special fuel excise taxes and the motor fuels gross receipts tax are in lieu of all other taxes imposed upon the business of selling or dealing in gasoline or special fuel, whether imposed by the state or by any of its political subdivisions, but are in addition to all ad valorem taxes now imposed by law. Nothing in this chapter is construed as prohibiting the governing body of any city of this state from licensing and regulating such a business where its authority is conferred by state law or city charter.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 4. Minnesota Statutes 2016, section 296A.16, subdivision 1, is amended to read:

Subdivision 1. Credit or refund of gasoline or special fuel tax paid. The commissioner shall allow the distributor credit or refund of the excise and motor fuels gross receipts tax paid on gasoline and special fuel:

(1) exported or sold for export from the state, other than in the supply tank of a motor vehicle or of an aircraft;

(2) sold to the United States government to be used exclusively in performing its governmental functions and activities or to any "cost plus a fixed fee" contractor employed by the United States government on any national defense project;

(3) if the fuel is placed in a tank used exclusively for residential heating;

(4) destroyed by accident while in the possession of the distributor;

(5) in error;

(6) in the case of gasoline only, sold for storage in an on-farm bulk storage tank, if the tax was not collected on the sale; and

(7) in such other cases as the commissioner may permit, consistent with the provisions of this chapter and other laws relating to the gasoline and special fuel excise taxes.

EFFECTIVE DATE. This section is effective October 1, 2017.
Sec. 5. Minnesota Statutes 2016, section 296A.16, subdivision 2, is amended to read:

Subd. 2. **Fuel used in other vehicle; claim for refund.** Any person who buys and uses gasoline for a qualifying purpose other than use in motor vehicles, snowmobiles except as provided in clause (2), or motorboats, or special fuel for a qualifying purpose other than use in licensed motor vehicles, and who paid the excise and motor fuels gross receipts tax directly or indirectly through the amount of the tax being included in the price of the gasoline or special fuel, or otherwise, shall be reimbursed and repaid the amount of the tax paid upon filing with the commissioner a claim for refund in the form and manner prescribed by the commissioner, and containing the information the commissioner shall require. By signing any such claim which is false or fraudulent, the applicant shall be subject to the penalties provided in this chapter for knowingly making a false claim. The claim shall set forth the total amount of the gasoline so purchased and used by the applicant other than in motor vehicles, or special fuel purchased and used by the applicant other than in licensed motor vehicles, and shall state when and for what purpose it was used. When a claim contains an error in computation or preparation, the commissioner is authorized to adjust the claim in accordance with the evidence shown on the claim or other information available to the commissioner. The commissioner, on being satisfied that the claimant is entitled to the payments, shall approve the claim and transmit it to the commissioner of management and budget. The words "gasoline" or "special fuel" as used in this subdivision do not include aviation gasoline or special fuel for aircraft. Gasoline or special fuel bought and used for a "qualifying purpose" means:

1. Gasoline or special fuel used in carrying on a trade or business, used on a farm situated in Minnesota, and used for a farming purpose. "Farm" and "farming purpose" have the meanings given them in section 6420(c)(2), (3), and (4) of the Internal Revenue Code as defined in section 289A.02, subdivision 7.

   i. "Off-highway business use" means any use off the public highway by a person in that person's trade, business, or activity for the production of income.

   ii. Off-highway business use includes use of a passenger snowmobile off the public highways as part of the operations of a resort as defined in section 157.15, subdivision 11; and use of gasoline or special fuel to operate a power takeoff unit on a vehicle, but not including fuel consumed during idling time.

   iii. Off-highway business use does not include use as a fuel in a motor vehicle which, at the time of use, is registered or is required to be registered for highway use under the laws of any state or foreign country; or use of a licensed motor vehicle fuel tank in lieu of a separate storage tank for storing fuel to be used for a qualifying purpose, as defined in this section. Fuel purchased to be used for a qualifying purpose cannot be placed in the fuel tank of a licensed motor vehicle and must be stored in a separate supply tank.

3. Gasoline or special fuel placed in the fuel tanks of new motor vehicles, manufactured in Minnesota, and shipped by interstate carrier to destinations in other states or foreign countries.

Approximately 0.116 percent of the total annual unrefunded revenue from the gasoline fuel tax and motor fuels gross receipts tax on all gasoline and special fuel received in, produced, or brought into this state, except gasoline and special fuel used for aviation purposes, is derived from the operation of motor vehicles on state forest roads and county forest access roads. Of this amount, 0.0605 percent is annually derived from motor vehicles operated on state forest roads and 0.0555 percent is annually derived from motor vehicles operated on county forest access roads in this state. An amount equal to 0.0555 percent of the unrefunded revenue must be annually transferred to counties for the management and maintenance of county forest roads.

Page 21, after line 8, insert:

"Sec. 22. Minnesota Statutes 2016, section 290.0671, subdivision 1, is amended to read:

Subdivision 1. Credit allowed. (a) An individual who is a resident of Minnesota is allowed a credit against the tax imposed by this chapter equal to a percentage of earned income. To receive a credit, a taxpayer must be eligible for a credit under section 32 of the Internal Revenue Code., except that:

(1) the earned income and adjusted gross income limitations of section 32 of the Internal Revenue Code do not apply; and

(2) a taxpayer with no qualifying children who has attained the age of 21 but not attained the age of 65 before the close of the taxable year and is otherwise eligible for a credit under section 32 of the Internal Revenue Code may also receive a credit.

(b) For individuals with no qualifying children, the credit equals \( \frac{2.10}{3} \) percent of the first \( $6,180 \rightarrow $6,550 \) of earned income. The credit is reduced by \( \frac{2.01}{3} \) percent of earned income or adjusted gross income, whichever is greater, in excess of \( $8,130 \rightarrow $12,100 \), but in no case is the credit less than zero.

(c) For individuals with one qualifying child, the credit equals \( \frac{9.35}{12.71} \) percent of the first \( $11,120 \rightarrow $8,420 \) of earned income. The credit is reduced by \( \frac{6.02}{5.2} \) percent of earned income or adjusted gross income, whichever is greater, in excess of \( $21,190 \rightarrow $21,790 \), but in no case is the credit less than zero.

(d) For individuals with two or more qualifying children, the credit equals \( \frac{11}{14.94} \) percent of the first \( $18,240 \rightarrow $13,810 \) of earned income. The credit is reduced by \( \frac{10.82}{9.2} \) percent of earned income or adjusted gross income, whichever is greater, in excess of \( $25,130 \rightarrow $25,850 \), but in no case is the credit less than zero.

(e) For a part-year resident, the credit must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).

(f) For a person who was a resident for the entire tax year and has earned income not subject to tax under this chapter, including income excluded under section 290.0132, subdivision 10, the credit must be allocated based on the ratio of federal adjusted gross income reduced by the earned income not subject to tax under this chapter over federal adjusted gross income. For purposes of this paragraph, the subtractions for military pay under section 290.0132, subdivisions 11 and 12, are not considered "earned income not subject to tax under this chapter."

For the purposes of this paragraph, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

(g) For tax years beginning after December 31, 2007, and before December 31, 2010, and for tax years beginning after December 31, 2017, the \( $8,130 \rightarrow $12,100 \) in paragraph (b), the \( $21,190 \rightarrow $21,790 \) in paragraph (c), and the \( $25,130 \rightarrow $25,850 \) in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by \$3,000 for married taxpayers filing joint returns. For tax years beginning after December 31, 2008 2017, the commissioner shall annually adjust the \$3,000 by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B), the word "2007" shall be substituted for the word "1992." For 2009 2018, the commissioner shall then determine the percent change from the 12 months ending
on August 31, 2007, to the 12 months ending on August 31, 2008 2017, and in each subsequent year, from the 12 months ending on August 31, 2007, to the 12 months ending on August 31 of the year preceding the taxable year. The earned income thresholds as adjusted for inflation must be rounded to the nearest $10. If the amount ends in $5, the amount is rounded up to the nearest $10. The determination of the commissioner under this subdivision is not a rule under the Administrative Procedure Act.

(h) (1) For tax years beginning after December 31, 2012, and before January 1, 2014, the $5,770 in paragraph (b), the $15,080 in paragraph (c), and the $17,890 in paragraph (d), after being adjusted for inflation under subdivision 7, are increased by $5,340 for married taxpayers filing joint returns; and (2) For tax years beginning after December 31, 2013 2016, and before January 1, 2018, the $8,130 $12,100 in paragraph (b), the $21,190 $21,790 in paragraph (c), and the $25,130 $25,850 in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by $5,000 for married taxpayers filing joint returns. For tax years beginning after December 31, 2016, and before January 1, 2018, the commissioner shall annually adjust the $5,000 by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "2008" shall be substituted for the word "1992." For 2011 2017, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2008, to the 12 months ending on August 31, 2011 2016, and in each subsequent year, from the 12 months ending on August 31, 2010 2017, to the 12 months ending on August 31 of the year preceding the taxable year. The earned income thresholds as adjusted for inflation must be rounded to the nearest $10. If the amount ends in $5, the amount is rounded up to the nearest $10. The determination of the commissioner under this subdivision is not a rule under the Administrative Procedure Act.

(i) The commissioner shall construct tables showing the amount of the credit at various income levels and make them available to taxpayers. The tables shall follow the schedule contained in this subdivision, except that the commissioner may graduate the transition between income brackets.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Sec. 23. Minnesota Statutes 2016, section 290.0671, subdivision 7, is amended to read:

Subd. 7. **Inflation adjustment.** The earned income amounts used to calculate the credit and the income thresholds at which the maximum credit begins to be reduced in subdivision 1 must be adjusted for inflation. The commissioner shall adjust the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "2013" or "2016" shall be substituted for the word "1992." For 2014 2018, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2013 2016, to the 12 months ending on August 31, 2014 2017, and in each subsequent year, from the 12 months ending on August 31, 2013 2016, to the 12 months ending on August 31 of the year preceding the taxable year. The earned income thresholds as adjusted for inflation must be rounded to the nearest $10 amount. If the amount ends in $5, the amount is rounded up to the nearest $10 amount. Subd. 11. **Recapture tax.** (a) If, within three years after the decedent's death and before the death of the qualified heir, the qualified heir disposes of any interest in the qualified property, other than by a disposition to a family member, or a family member ceases to satisfy the requirement under subdivision 9, clause (7); or 10, clause (5), an additional estate tax is imposed on the property. In the case of a sole proprietor, if the qualified heir replaces qualified small business property excluded under subdivision 9 with similar property, then the qualified heir will not be treated as having disposed of an interest in the qualified property.
(b) The amount of the additional tax equals the amount of the exclusion claimed by the estate under subdivision 8, paragraph (d), multiplied by 16 percent.

Applebaum moved to amend the Marquart amendment to H. F. No. 4, the second engrossment, as amended, as follows:

Page 4, delete section 3

Page 18, delete section 20 and insert:

"Sec. 20. Minnesota Statutes 2016, section 290.067, subdivision 1, is amended to read:

Subdivision 1. **Amount of credit.** (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, imposed under this chapter an amount equal to the sum of dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2 except that credits calculated under this paragraph and paragraphs (b), (d), and (e). In determining whether the child qualified as a dependent, expenses were paid to care for a qualifying individual, income received as a Minnesota family investment program grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of the Internal Revenue Code do not apply.

(b) A taxpayer who incurs actual employment-related expenses may take as a credit against the tax imposed under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code.

(c) A taxpayer who elects to claim a credit under paragraph (d) or (e) may claim a credit under paragraph (b) only for employment-related expenses paid to care for qualifying individuals other than the child for whom deemed expenses were used to claim the credit under paragraph (d) or (e).

(d) In lieu of the credit under paragraph (b), a taxpayer who operates a licensed family day care home may elect to claim as a credit against the tax imposed under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code calculated using deemed expenses rather than actual expenses paid. If the child is 16 months old or younger at the close of the taxable year, the amount of deemed expenses deemed to have been paid equals are equal to the maximum limit amount of employment-related expenses incurred during the taxable year that may be taken into account for one qualified qualifying individual under section 21(c) and (d) of the Internal Revenue Code minus the amount of employment-related expenses paid by the taxpayer for the care of the individual. If the child is older than 16 months of age but has not attained the age of six years at the close of the taxable year, the amount of deemed
expenses deemed to have been paid are equal to the amount the licensee would charge for the care of a child of the same age for the same number of hours of care. If the child has attained six years of age at the close of the taxable year, deemed expenses are zero.

(c) In lieu of the credit under paragraph (b), a married couple may elect to claim a credit against the tax imposed under this chapter as computed under paragraph (f) if the married couple:

1. has a child who has not attained the age of one year at the close of the taxable year;
2. files a joint tax return for the taxable year; and
3. does not participate in a dependent care assistance program as defined in section 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i) the combined earned income of the couple or (ii) the amount of the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code will be deemed to be the employment related expense paid for that child. The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid; and
4. does not operate a licensed family day care center home.

(f) A married couple meeting the requirements of paragraph (e) is allowed a credit against the tax due under this chapter equal to the dependent care for which the couple is eligible pursuant to section 21 of the Internal Revenue Code calculated using deemed expenses rather than actual employment-related expenses paid. For purposes of this paragraph, deemed expenses are the lesser of (i) the combined earned income of the couple or (ii) the maximum amount of employment-related expenses incurred during the taxable year that may be taken into account for one qualified individual under section 21(c) and (d) of the Internal Revenue Code or for two qualifying individuals for a taxpayer with two children who have not attained one year of age. The earned income limitation of section 21(d) of the Internal Revenue Code does not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.

(g) If the taxpayer is not required and does not file a federal individual income tax return for the tax year, or if the taxpayer files a federal return but does not claim a federal dependent care credit, no credit is allowed for any amount paid to any person unless:

1. the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or
2. if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

(h) In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter including earned income excluded pursuant to section 290.0132, subdivision 10, the credit determined under section 21 of the Internal Revenue Code may be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.
(i) For residents of Minnesota, the subtractions for military pay under section 290.0132, subdivisions 11 and 12, are not considered "earned income not subject to tax under this chapter."

(jj) For residents of Minnesota, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

(k) For purposes of this section, "qualifying individual" and "employment-related expenses" have the meanings given in section 21 of the Internal Revenue Code.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

(b) The maximum credit under subdivision 1, paragraphs (d) and (e), is:

(1) $720 for a taxpayer with deemed expenses for one child; and

(2) $1,440 for a taxpayer with deemed expenses for two or more children.

(c) For a taxpayer who claims a credit under subdivision 1, paragraph (b), who has federal adjusted gross income as defined in the Internal Revenue Code in excess of $77,000, the credit under subdivision 1, paragraph (b), is equal to the lesser of:

2. $720 minus five percent of federal adjusted gross income in excess of $25,000 for a taxpayer with one qualifying individual, or $1,440 minus five percent of federal gross adjusted income in excess of $25,000 for a taxpayer with two or more qualifying individuals, but in no case is the credit less than zero.

"Sec. 36. Minnesota Statutes 2016, section 291.03, subdivision 11, is amended to read:

Subd. 11. Recapture tax. (a) If, within three years after the decedent’s death and before the death of the qualified heir, the qualified heir disposes of any interest in the qualified property, other than by a disposition to a family member, or a family member ceases to satisfy the requirement under subdivision 9, clause (7); or 10, clause (5), an additional estate tax is imposed on the property. (c) The additional tax under this subdivision is due on the day which is six months after the date of the disposition or cessation in paragraph (a).

(d) The tax under this subdivision does not apply to the following: acquisition of title or possession of the qualified property by a federal, state, or local government unit, or any other entity with the power of eminent domain for a public purpose, as defined in section 117.025, subdivision 11, within the three-year holding period.

For a taxpayer whose adjusted gross income, as defined in section 62 of the Internal Revenue Code, for the taxable year exceeds $125,000, or $250,000 for married joint filers, the maximum subtraction is reduced $1 for each $4 of adjusted gross income in excess of that threshold.

(c) The adjusted gross income thresholds under paragraph (b) are annually adjusted for inflation. Effective for taxable year 2018, the commissioner shall adjust the dollar amount of the income thresholds at which the maximum credit begins to be reduced under paragraph (b) by the percentage determined under section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "2016" is substituted for the word "1992." For 2018, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2016, to the 12 months ending on August 31, 2017, and in each subsequent year, from the 12 months ending on August 31, 2016, to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner under this subdivision is not a "rule" and is not subject to the Administrative Procedure Act in chapter 14. The threshold amount as adjusted must be rounded to the nearest $100 amount. If the amount ends in $50, the amount is rounded up to the nearest $100 amount.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Sec. 12. [290.016] **CONFORMITY TO FEDERAL TAX EXTENDERS BY ADMINISTRATIVE ACTION.**

Subdivision 1. **Legislative purpose.** (a) The legislature intends this section to provide an ongoing mechanism for conforming the Minnesota individual income and corporate franchise taxes and the property tax refund and homestead credit refund programs to federal tax legislation enacted after the legislature has adjourned that extends existing provisions of federal law, if the provisions affect a taxable year that ends before the legislature is scheduled to reconvene in regular session. Congress has regularly enacted changes of that type that affect computation of Minnesota tax through its links to federal law. The federal changes consist mainly of extending provisions that reduce revenues and are scheduled to expire. Because Minnesota law is linked to federal law as of a specific date, taxpayers and the Department of Revenue must assume that Minnesota law does not include the effect of these federal changes even though the legislature regularly adopts most of the federal provisions retroactively in the next legislative session. This situation undermines compliance and administration of Minnesota taxes, causing delay, uncertainty, and added costs. This section provides an administrative mechanism to conform to most of these federal changes. The legislature's intent is to conform to the federal tax extenders, including minor modifications of them, and to set aside the necessary state budget resources to do so.

(b) By expressing its intent regarding specific federal provisions and indicating how to treat each federal extender provision, the legislature is exercising its legislative power and is not delegating to Congress or the commissioner the authority to determine Minnesota tax law. The legislature believes that this section is consistent with the Minnesota Supreme Court's ruling in the case of Wallace v. Commissioner of Taxation, 289 Minn. 220 (1971).
Subd. 2. Federal tax conformity account established; transfer. (a) A federal tax conformity account is established in the general fund. Money in the account is available for transfer to the general fund to offset the reduction in general fund revenues resulting from conforming Minnesota tax law to federal law under this section.

(b) $35,000,000 is transferred from the general fund to the federal tax conformity account, effective July 1, 2017.

(c) Each year, within ten days after receiving notice of the amount from the commissioner, the commissioner of management and budget shall transfer from the account to the general fund the amount the commissioner determines is required under subdivision 4.

Subd. 3. Eligible federal tax preferences. For purposes of this section and section 290.01, the term "eligible federal tax preferences" means any of the following items that are not in effect under the Internal Revenue Code for future taxable years beginning after December 31, 2016:

1. discharge of qualified principal residence indebtedness under section 108(a)(1)(E) of the Internal Revenue Code;

2. mortgage insurance premiums treated as qualified residence interest under section 163(h)(3)(E) of the Internal Revenue Code;

3. qualified tuition and related expenses under section 222 of the Internal Revenue Code;

4. reversion of the ten percent adjusted gross income threshold used in determining the itemized deductions of the expenses of medical care under section 213 of the Internal Revenue Code to 7.5 percent, without regard to whether the reversion applies to all individuals or is limited to individuals who have attained the age of 65;

5. classification of certain race horses as three-year property under section 168(e)(3)(A)(i) and (ii) of the Internal Revenue Code;

6. the seven-year recovery period for motorsports entertainment complexes under section 168(i)(15) of the Internal Revenue Code;

7. the accelerated depreciation for business property on an Indian reservation under section 168(i) of the Internal Revenue Code;

8. the election to expense mine safety equipment under section 179E of the Internal Revenue Code;

9. the special expensing rules for certain film and television productions under section 181 of the Internal Revenue Code;

10. the special allowance for second-generation biofuel plant property under section 168(l) of the Internal Revenue Code;

11. the energy efficient commercial buildings deduction under section 179D of the Internal Revenue Code;

12. the five-year recovery period for property described in section 168(e)(3)(B)(vi)(I) of the Internal Revenue Code and qualifying for an energy credit under section 48(a)(3)(A) of the Internal Revenue Code; and

13. the amount of the additional section 179 allowance in an empowerment zone under section 1397A of the Internal Revenue Code.
Subd. 4. Designation of qualifying federal conformity items. (a) If, after final adjournment of a regular session of the legislature, Congress enacts a law that extends one or more of the eligible federal tax preferences to taxable years beginning during the calendar year in which the legislature adjourned, the commissioner shall prepare a list of qualifying federal conformity items and publish it on the Department of Revenue’s Web site within 30 days following enactment of the law. In preparing the list, the commissioner shall estimate the change in revenue resulting from allowing the eligible federal tax preferences, including the effect of subdivision 6, for the current and succeeding fiscal year only. The commissioner shall not include an item on the list of qualifying federal conformity items if the commissioner estimates that its inclusion would reduce general fund revenues for the current and succeeding fiscal year by more than the balance in the federal tax conformity account.

(b) The commissioner shall consider the provisions of subdivision 6 as the first item to include on the list of qualifying conformity items. The commissioner shall apply the following priorities in determining which additional items to include:

(1) the effect of all eligible federal tax preferences on computation of federal adjusted gross income under this chapter and household income under chapter 290A, is the first priority;

(2) the effect of the federal law on computation of Minnesota tax credits is the second priority;

(3) the items in subdivision 3, clauses (5) to (13), in that order, are the third priority; and

(4) the items in subdivision 3, clauses (1) to (4), in that order, are the last priority.

(c) In determining whether to include an eligible federal tax preference on the list of qualifying federal conformity items, the commissioner may include items in which nonmaterial changes were made in the federal law extending allowance of the eligible federal tax preferences, compared to the provision that was in effect for the prior federal taxable year. For purposes of this determination, nonmaterial changes are limited to changes that are estimated to increase or decrease Minnesota tax revenues by no more than $1,000,000 for the affected eligible federal tax preference item for the taxable year.

(d) Within ten days after the commissioner’s final determination of qualifying federal conformity items under this subdivision, the commissioner shall notify the commissioner of management and budget, in writing, of the amounts of the federal tax conformity account transfers under subdivision 2.

Subd. 5. Provisions in effect. (a) For purposes of determining tax and credits under this chapter, including the taxes under sections 290.091 and 290.0921, and household income under chapter 290A, qualifying federal conformity items and bonus depreciation rules under subdivision 6 apply for the designated taxable year and the provisions of this chapter apply as if the definition of the Internal Revenue Code under section 290.01, subdivision 31, included the amendments to the qualifying federal conformity items.

(b) The commissioner shall administer the taxes under this chapter and refunds under chapter 290A as if Minnesota had conformed to the federal definitions of net income, adjusted gross income, and tax credits that affect computation of Minnesota tax or refunds resulting from extension of the qualifying federal conformity items.

(c) For purposes of this subdivision and subdivision 6, “designated taxable year” means a taxable year that begins during a calendar year in which an eligible federal tax preference is enacted after the legislature adjourned its regular session and is effective for taxable years beginning during that calendar year.

Subd. 6. Bonus depreciation; 80 percent rule applies. If, following final adjournment of a regular session of the legislature, Congress enacts a law that extends application of the depreciation special allowances under section 168(k) of the Internal Revenue Code to taxable years beginning during the same calendar year, the allowance must
be determined using the rules under sections 290.0131, subdivision 9, and 290.0133, subdivision 11, for the
designated taxable year; and the rules under sections 290.0132, subdivision 9, and 290.0134, subdivision 13, for the
five tax years immediately following the designated taxable year.

Subd. 7. **Forms preparation.** If the provisions of subdivisions 3 and 4 apply to a taxable year, the
commissioner shall prepare forms and instructions that reflect the qualifying federal conformity items and bonus
depreciation rules under subdivision 6, if applicable, for the taxable year consistent with the provisions of this
section.

Subd. 8. **Draft legislation.** For a taxable year for which the commissioner publishes a list of qualifying federal
conformity items under this section, the commissioner shall provide the chairs and ranking minority members of the
legislative committees with jurisdiction over taxes with draft legislation that would conform Minnesota Statutes to
the qualifying federal conformity items and any other conformity items that the commissioner recommends be
adopted, including application to taxable years beyond those to which this section applies. The draft legislation is
intended to make the statutes consistent with application of the designated qualifying federal conformity items under
this section for the convenience of members of the public. Failure to pass the draft legislation does not affect
computation of Minnesota tax liability for the affected taxable years under this section.

Subd. 9. **Administrative Procedure Act.** Designation of qualifying federal conformity items or any other
action of the commissioner under this section is not a rule and is not subject to the Administrative Procedure Act
under chapter 14, including section 14.386.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 13. Minnesota Statutes 2016, section 290.06, is amended by adding a subdivision to read:

Subd. 2g. **First-time home buyer savings account.** In addition to the tax computed under subdivision 2c, an
additional amount of tax applies equal to the additional tax computed for the taxable year for the account holder of a
first-time home buyer account under section 462D.06, subdivision 3.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Sec. 14. Minnesota Statutes 2016, section 290.06, subdivision 22, is amended to read:

Subd. 22. **Credit for taxes paid to another state.** (a) A taxpayer who is liable for taxes based on net income to
another state, as provided in paragraphs (b) through (f), upon income allocated or apportioned to Minnesota, is
entitled to a credit for the tax paid to another state if the tax is actually paid in the taxable year or a subsequent
taxable year. A taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7, paragraph (b), and
who is subject to income tax as a resident in the state of the individual's domicile is not allowed this credit unless the
state of domicile does not allow a similar credit.

(b) For an individual, estate, or trust, the credit is determined by multiplying the tax payable under this chapter
by the ratio derived by dividing the income subject to tax in the other state that is also subject to tax in Minnesota
while a resident of Minnesota by the taxpayer's federal adjusted gross income, as defined in section 62 of the
Internal Revenue Code, modified by the addition required by section 290.0131, subdivision 2, and the subtraction
allowed by section 290.0132, subdivision 2, to the extent the income is allocated or assigned to Minnesota under
sections 290.081 and 290.17.

(c) If the taxpayer is an athletic team that apportions all of its income under section 290.17, subdivision 5, the
credit is determined by multiplying the tax payable under this chapter by the ratio derived from dividing the total net
income subject to tax in the other state by the taxpayer's Minnesota taxable income.
(d) (1) The credit determined under paragraph (b) or (c) shall not exceed the amount of tax so paid to the other state on the gross income earned within the other state subject to tax under this chapter, nor shall; and

(2) the allowance of the credit does not reduce the taxes paid under this chapter to an amount less than what would be assessed if such income amount was the gross income earned within the other state were excluded from taxable net income.

(e) In the case of the tax assessed on a lump-sum distribution under section 290.032, the credit allowed under paragraph (a) is the tax assessed by the other state on the lump-sum distribution that is also subject to tax under section 290.032, and shall not exceed the tax assessed under section 290.032. To the extent the total lump-sum distribution defined in section 290.032, subdivision 1, includes lump-sum distributions received in prior years or is all or in part an annuity contract, the reduction to the tax on the lump-sum distribution allowed under section 290.032, subdivision 2, includes tax paid to another state that is properly apportioned to that distribution.

(f) If a Minnesota resident reported an item of income to Minnesota and is assessed tax in such other state on that same income after the Minnesota statute of limitations has expired, the taxpayer shall receive a credit for that year under paragraph (a), notwithstanding any statute of limitations to the contrary. The claim for the credit must be submitted within one year from the date the taxes were paid to the other state. The taxpayer must submit sufficient proof to show entitlement to a credit.

(g) For the purposes of this subdivision, a resident shareholder of a corporation treated as an "S" corporation under section 290.9725, must be considered to have paid a tax imposed on the shareholder in an amount equal to the shareholder's pro rata share of any net income tax paid by the S corporation to another state. For the purposes of the preceding sentence, the term "net income tax" means any tax imposed on or measured by a corporation's net income.

(h) For the purposes of this subdivision, a resident partner of an entity taxed as a partnership under the Internal Revenue Code must be considered to have paid a tax imposed on the partner in an amount equal to the partner's pro rata share of any net income tax paid by the partnership to another state. For purposes of the preceding sentence, the term "net income" tax means any tax imposed on or measured by a partnership's net income.

(i) For the purposes of this subdivision, "another state":

(1) includes:

(i) the District of Columbia; and

(ii) a province or territory of Canada; but

(2) excludes Puerto Rico and the several territories organized by Congress.

(j) The limitations on the credit in paragraphs (b), (c), and (d), are imposed on a state by state basis.

(k) For a tax imposed by a province or territory of Canada, the tax for purposes of this subdivision is the excess of the tax over the amount of the foreign tax credit allowed under section 27 of the Internal Revenue Code. In determining the amount of the foreign tax credit allowed, the net income taxes imposed by Canada on the income are deducted first. Any remaining amount of the allowable foreign tax credit reduces the provincial or territorial tax that qualifies for the credit under this subdivision.

(l) If the amount of the credit which a qualifying individual is eligible to receive under this section for tax paid to a qualifying state, disregarding the limitation in paragraph (d), clause (2), exceeds the tax due under this chapter, the commissioner shall refund the excess to the individual. An amount sufficient to pay the refunds required by this section is appropriated to the commissioner from the general fund.
For purposes of this paragraph, "qualifying individual" means a Minnesota resident under section 290.01, subdivision 7, paragraph (a), who received compensation during the taxable year for the performance of personal or professional services within a qualifying state, and "qualifying state" means a state with which an agreement under section 290.081 is not in effect for the taxable year but was in effect for a taxable year beginning before January 1, 2010.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Sec. 15. Minnesota Statutes 2016, section 290.06, is amended by adding a subdivision to read:

Subd. 37. **Beginning farmer incentive credit.** (a) A beginning farmer incentive credit is allowed against the tax due under this chapter for the sale or rental of agricultural assets to a beginning farmer according to section 41B.0391, subdivision 2.

(b) The credit may be claimed only after approval and certification by the Rural Finance Authority according to section 41B.0391.

(c) The credit is limited to the liability for tax, as computed under this chapter, for the taxable year. If the amount of the credit determined under this subdivision for any taxable year exceeds this limitation, the excess is a beginning farmer incentive credit carryover to each of the 15 succeeding taxable years. The entire amount of the excess unused credit for the taxable year is carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried. The amount of the unused credit which may be added under this paragraph must not exceed the taxpayer's liability for tax, less the beginning farmer incentive credit for the taxable year.

(d) Credits allowed to a partnership, a limited liability company taxed as a partnership, an S corporation, or multiple owners of property are passed through to the partners, members, shareholders, or owners, respectively, pro rata to each based on the partner's, member's, shareholder's, or owner's share of the entity's assets or as specially allocated in the organizational documents or any other executed agreement, as of the last day of the taxable year.

(e) For a nonresident or part-year resident, the credit under this section must be allocated using the percentage calculated in section 290.06, subdivision 2c, paragraph (e).

(f) Notwithstanding the approval and certification by the Rural Finance Authority under section 41B.0391, the commissioner may utilize any audit and examination powers under chapter 270C or 289A to the extent necessary to verify that the taxpayer is eligible for the credit and to assess for the amount of any improperly claimed credit.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

Sec. 16. Minnesota Statutes 2016, section 290.06, is amended by adding a subdivision to read:

Subd. 38. **Beginning farmer management credit.** (a) A taxpayer who is a beginning farmer may take a credit against the tax due under this chapter for participation in a financial management program according to section 41B.0391, subdivision 3.

(b) The credit may be claimed only after approval and certification by the Rural Finance Authority according to section 41B.0391.

(c) The credit is limited to the liability for tax, as computed under this chapter, for the taxable year. If the amount of the credit determined under this subdivision for any taxable year exceeds this limitation, the excess is a beginning farmer management credit carryover to each of the three succeeding taxable years. The entire amount of the excess unused credit for the taxable year is carried first to the earliest of the taxable years to which the credit
may be carried and then to each successive year to which the credit may be carried. The amount of the unused credit which may be added under this paragraph must not exceed the taxpayer's liability for tax, less the beginning farmer management credit for the taxable year.

(d) For a part-year resident, the credit under this section must be allocated using the percentage calculated in section 290.06, subdivision 2c, paragraph (e).

(e) Notwithstanding the approval and certification by the Rural Finance Authority under section 41B.0391, the commissioner may utilize any audit and examination powers under chapter 270C or 289A to the extent necessary to verify that the taxpayer is eligible for the credit and to assess for the amount of any improperly claimed credit.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.

Sec. 17. Minnesota Statutes 2016, section 290.067, subdivision 1, is amended to read:

Subdivision 1. Amount of credit. (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2 except that in determining whether the child qualified as a dependent, income received as a Minnesota family investment program grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of the Internal Revenue Code do not apply.

(b) If a child who has not attained the age of six years at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child is 16 months old or younger at the close of the taxable year, the amount of expenses deemed to have been paid equals the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code. If the child is older than 16 months of age but has not attained the age of six years at the close of the taxable year, the amount of expenses deemed to have been paid equals the amount the licensee would charge for the care of a child of the same age for the same number of hours of care.

(c) If a married couple:

(1) has a child who has not attained the age of one year at the close of the taxable year;

(2) files a joint tax return for the taxable year; and

(3) does not participate in a dependent care assistance program as defined in section 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i) the combined earned income of the couple or (ii) the amount of the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code will be deemed to be the employment related expense paid for that child. The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.

(d) If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or
(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

(e) In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter including earned income excluded pursuant to section 290.0132, subdivision 10, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

(f) For residents of Minnesota, the subtractions for military pay under section 290.0132, subdivisions 11 and 12, are not considered "earned income not subject to tax under this chapter."

(g) For residents of Minnesota, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

(h) For taxpayers with federal adjusted gross income in excess of $50,000, the credit is equal to the lesser of the credit otherwise calculated under this subdivision, or the amount equal to $600 minus five percent of federal adjusted gross income in excess of $50,000 for taxpayers with one qualified individual, or $1,200 minus five percent of federal adjusted gross income in excess of $50,000 for taxpayers with two or more qualified individuals, but in no case is the credit less than zero.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.

Sec. 18. Minnesota Statutes 2016, section 290.067, subdivision 2b, is amended to read:

Subd. 2b. Inflation adjustment. The commissioner shall adjust the dollar amount of the income threshold at which the maximum credit begins to be reduced under subdivision 21 by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "1992" shall be substituted for the word "1992." For 2004 and 2018, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2003, to the 12 months ending on August 31, 2017, and in each subsequent year, from the 12 months ending on August 31, 2016, to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner pursuant to this subdivision must not be considered a "rule" and is not subject to the Administrative Procedure Act contained in chapter 14. The threshold amount as adjusted must be rounded to the nearest $10 amount. If the amount ends in $5, the amount is rounded up to the nearest $10 amount.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.

Sec. 19. Minnesota Statutes 2016, section 290.0671, subdivision 1, is amended to read:

Subdivision 1. Credit allowed. (a) An individual who is a resident of Minnesota is allowed a credit against the tax imposed by this chapter equal to a percentage of earned income. To receive a credit, a taxpayer must be eligible for a credit under section 32 of the Internal Revenue Code, except that:

(1) the earned income and adjusted gross income limitations of section 32 of the Internal Revenue Code do not apply; and
(2) a taxpayer with no qualifying children who has attained the age of 21 but not attained the age of 65 before the close of the taxable year and is otherwise eligible for a credit under section 32 of the Internal Revenue Code may also receive a credit.

(b) For individuals with no qualifying children, the credit equals \( \frac{2.10}{3} \) percent of the first \( \$6,180 \) \( \$6,550 \) of earned income. The credit is reduced by \( \frac{2.01}{3} \) percent of earned income or adjusted gross income, whichever is greater, in excess of \( \$8,130 \) \( \$12,100 \), but in no case is the credit less than zero.

(c) For individuals with one qualifying child, the credit equals \( \frac{9.35}{12.71} \) percent of the first \( \$11,120 \) \( \$8,420 \) of earned income. The credit is reduced by \( \frac{6.02}{5.2} \) percent of earned income or adjusted gross income, whichever is greater, in excess of \( \$21,190 \) \( \$21,790 \), but in no case is the credit less than zero.

(d) For individuals with two or more qualifying children, the credit equals \( \frac{14.94}{11} \) percent of the first \( \$18,240 \) \( \$13,810 \) of earned income. The credit is reduced by \( \frac{10.82}{9.2} \) percent of earned income or adjusted gross income, whichever is greater, in excess of \( \$25,130 \) \( \$25,850 \), but in no case is the credit less than zero.

(e) For a part-year resident, the credit must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).

(f) For a person who was a resident for the entire tax year and has earned income not subject to tax under this chapter, including income excluded under section 290.0132, subdivision 10, the credit must be allocated based on the ratio of federal adjusted gross income reduced by the earned income not subject to tax under this chapter over federal adjusted gross income. For purposes of this paragraph, the exclusions for military pay under section 290.0132, subdivisions 11 and 12, are not considered "earned income not subject to tax under this chapter."

For the purposes of this paragraph, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

(g) For tax years beginning after December 31, 2007, and before December 31, 2010, and for tax years beginning after December 31, 2017, the \( \$8,130 \) \( \$12,100 \) in paragraph (b), the \( \$21,190 \) \( \$21,790 \) in paragraph (c), and the \( \$25,130 \) \( \$25,850 \) in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by \( \$3,000 \) for married taxpayers filing joint returns. For tax years beginning after December 31, 2008 2017, the commissioner shall annually adjust the \( \$3,000 \) by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B), the word "2007" shall be substituted for the word "1992." For 2009 2018, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2007, to the 12 months ending on August 31, 2008 2017, and in each subsequent year, from the 12 months ending on August 31, 2007, to the 12 months ending on August 31 of the year preceding the taxable year. The earned income thresholds as adjusted for inflation must be rounded to the nearest \( \$10 \). If the amount ends in \$5, the amount is rounded up to the nearest \$10. The determination of the commissioner under this subdivision is not a rule under the Administrative Procedure Act.

(h) (1) For tax years beginning after December 31, 2012, and before January 1, 2014, the \( \$5,770 \) in paragraph (b), the \( \$15,080 \) in paragraph (c), and the \( \$17,890 \) in paragraph (d), after being adjusted for inflation under subdivision 7, are increased by \( \$5,340 \) for married taxpayers filing joint returns; and (2) For tax years beginning after December 31, 2013 2016, and before January 1, 2018, the \( \$8,130 \) \( \$12,100 \) in paragraph (b), the \( \$21,190 \) \( \$21,790 \) in paragraph (c), and the \( \$25,130 \) \( \$25,850 \) in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by \( \$5,000 \) for married taxpayers filing joint returns. For tax years beginning after December 31, 2010, and before January 1, 2012, and for tax years beginning after December 31, 2013 2016, and before January 1, 2018, the commissioner shall annually adjust the \( \$5,000 \) by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B), the word "2008" shall be substituted for the word "1992." **Subdivision 1. Scope.** Unless the context otherwise clearly requires, the following terms used in this chapter shall have the following meanings:

1. "Commissioner" means the commissioner of revenue or any person to whom the commissioner has delegated functions under this chapter.

2. "Federal gross estate" means the gross estate of a decedent as required to be valued and otherwise determined for federal estate tax purposes under the Internal Revenue Code, increased by the value of any property in which the decedent had a qualifying income interest for life and for which an election was made under section 291.03, subdivision 1d, for Minnesota estate tax purposes, but was not made for federal estate tax purposes.

4. "Minnesota gross estate" means the federal gross estate of a decedent after (a) excluding therefrom any property included in the estate which has its situs outside Minnesota, and (b) including any property omitted from the federal gross estate which is includable in the estate, has its situs in Minnesota, and was not disclosed to federal taxing authorities.

5. "Nonresident decedent" means an individual whose domicile at the time of death was not in Minnesota.

6. "Personal representative" means the executor, administrator or other person appointed by the court to administer and dispose of the property of the decedent. If there is no executor, administrator or other person appointed, qualified, and acting within this state, then any person in actual or constructive possession of any property having a situs in this state which is included in the federal gross estate of the decedent shall be deemed to be a personal representative to the extent of the property and the Minnesota estate tax due with respect to the property.

7. "Resident decedent" means an individual whose domicile at the time of death was in Minnesota. The provisions of section 290.01, subdivision 7, paragraphs (c) and (d), apply to determinations of domicile under this chapter.

(iv) intangible personal property, the state or country in which the decedent was domiciled at death or for a gift of intangible personal property within three years of death, the state or country in which the decedent was domiciled when the gift was executed.

In the case of a sole proprietor, if the qualified heir replaces qualified small business property excluded under subdivision 9 with similar property, then the qualified heir will not be treated as having disposed of an interest in the qualified property.

Sec. 8. Minnesota Statutes 2016, section 272.162, is amended to read:

272.162 RESTRICTIONS ON TRANSFERS OF SPECIFIC PARTS.

Subdivision 1. Conditions restricting transfer. When a deed or other instrument conveying a parcel of land is presented to the county auditor for transfer or division under sections 272.12, 272.16, and 272.161, the auditor shall not transfer or divide the land or its net tax capacity in the official records and shall not certify the instrument as provided in section 272.12, if:
(a) The land conveyed is less than a whole parcel of land as charged in the tax lists;

(b) The part conveyed appears within the area of application of municipal or county subdivision regulations adopted and filed under section 394.35 or section 462.36, subdivision 1; and

(c) The part conveyed is part of or constitutes a subdivision as defined in section 462.352, subdivision 12.

Subd. 2. Conditions allowing transfer. (a) Notwithstanding the provisions of subdivision 1, the county auditor may transfer or divide the land and its net tax capacity and may certify the instrument if the instrument contains a certification by the clerk of the municipality or designated county planning official:

(a) (1) that the municipality's or county's subdivision regulations do not apply;

(b) (2) that the subdivision has been approved by the governing body of the municipality or county; or

(c) (3) that the restrictions on the division of taxes and filing and recording have been waived by resolution of the governing body of the municipality or county in the particular case because compliance would create an unnecessary hardship and failure to comply would not interfere with the purpose of the regulations.

(b) If any of the conditions for certification by the municipality or county as provided in this subdivision exist and the municipality or county does not certify that they exist within 24 hours after the instrument of conveyance has been presented to the clerk of the municipality or designated county planning official, the provisions of subdivision 1 do not apply.

(c) If an unexecuted instrument is presented to the municipality or county and any of the conditions for certification by the municipality or county as provided in this subdivision exist, the unexecuted instrument must be certified by the clerk of the municipality or the designated county planning official.

Subd. 3. Applicability of restrictions. (a) This section does not apply to the exceptions set forth in section 272.12.

(b) This section applies only to land within municipalities or counties which choose to be governed by its provisions. A municipality or county may choose to have this section apply to the property within its boundaries by filing a certified copy of a resolution of its governing body making that choice with the auditor and recorder of the county in which it is located.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 9. Minnesota Statutes 2016, section 273.124, subdivision 3a, is amended to read:

Subd. 3a. Manufactured home park cooperative. (a) When a manufactured home park is owned by a corporation or association organized under chapter 308A or 308B, and each person who owns a share or shares in the corporation or association is entitled to occupy a lot within the park, the corporation or association may claim homestead treatment for the park. Each lot must be designated by legal description or number, and each lot is limited to not more than one-half acre of land.

(b) The manufactured home park shall be entitled to homestead treatment if all of the following criteria are met:

(1) the occupant or the cooperative corporation or association is paying the ad valorem property taxes and any special assessments levied against the land and structure either directly, or indirectly through dues to the corporation or association; and
(2) the corporation or association organized under chapter 308A or 308B is wholly owned by persons having a right to occupy a lot owned by the corporation or association.

(c) A charitable corporation, organized under the laws of Minnesota with no outstanding stock, and granted a ruling by the Internal Revenue Service for 501(c)(3) tax-exempt status, qualifies for homestead treatment with respect to a manufactured home park if its members hold residential participation warrants entitling them to occupy a lot in the manufactured home park.

(d) "Homestead treatment" under this subdivision means the classification rate provided for class 4c property classified under section 273.13, subdivision 25, paragraph (d), clause (5), item (ii), and the homestead market value exclusion under section 273.13, subdivision 35, does not apply and the property taxes assessed against the park shall not be included in the determination of taxes payable for rent paid under section 290A.03.

**EFFECTIVE DATE.** This section is effective beginning with claims for taxes payable in 2018.

Sec. 10. Minnesota Statutes 2016, section 273.124, subdivision 14, is amended to read:

Subd. 14. Agricultural homesteads; special provisions. (a) Real estate of less than ten acres that is the homestead of its owner must be classified as class 2a under section 273.13, subdivision 23, paragraph (a), if:

1. the parcel on which the house is located is contiguous on at least two sides to (i) agricultural land, (ii) land owned or administered by the United States Fish and Wildlife Service, or (iii) land administered by the Department of Natural Resources on which in lieu taxes are paid under sections 477A.11 to 477A.14;

2. its owner also owns a noncontiguous parcel of agricultural land that is at least 20 acres;

3. the noncontiguous land is located not farther than four townships or cities, or a combination of townships or cities from the homestead; and

4. the agricultural use value of the noncontiguous land and farm buildings is equal to at least 50 percent of the market value of the house, garage, and one acre of land.

Homesteads initially classified as class 2a under the provisions of this paragraph shall remain classified as class 2a, irrespective of subsequent changes in the use of adjoining properties, as long as the homestead remains under the same ownership, the owner owns a noncontiguous parcel of agricultural land that is at least 20 acres, and the agricultural use value qualifies under clause (4). Homestead classification under this paragraph is limited to property that qualified under this paragraph for the 1998 assessment.

(b)(i) Agricultural property shall be classified as the owner's homestead, to the same extent as other agricultural homestead property, if all of the following criteria are met:

1. the agricultural property consists of at least 40 acres including undivided government lots and correctional 40's;

2. the owner, the owner's spouse, or a grandchild, child, sibling, or parent of the owner or of the owner's spouse, is actively farming the agricultural property, either on the person's own behalf as an individual or on behalf of a partnership operating a family farm, family farm corporation, joint family farm venture, or limited liability company of which the person is a partner, shareholder, or member;

3. both the owner of the agricultural property and the person who is actively farming the agricultural property under clause (2), are Minnesota residents;
(4) neither the owner nor the spouse of the owner claims another agricultural homestead in Minnesota; and

(5) neither the owner nor the person actively farming the agricultural property lives farther than four townships or cities, or a combination of four townships or cities, from the agricultural property, except that if the owner or the owner's spouse is required to live in employer-provided housing, the owner or owner's spouse, whichever is actively farming the agricultural property, may live more than four townships or cities, or combination of four townships or cities from the agricultural property.

The relationship under this paragraph may be either by blood or marriage.

(ii) Agricultural property held by a trustee under a trust is eligible for agricultural homestead classification under this paragraph if the qualifications in clause (i) are met, except that "owner" means the grantor of the trust.

(iii) Property containing the residence of an owner who owns qualified property under clause (i) shall be classified as part of the owner's agricultural homestead, if that property is also used for noncommercial storage or drying of agricultural crops.

(iv) As used in this paragraph, "agricultural property" means class 2a property and any class 2b property that is contiguous to and under the same ownership as the class 2a property.

(c) Noncontiguous land shall be included as part of a homestead under section 273.13, subdivision 23, paragraph (a), only if the homestead is classified as class 2a and the detached land is located in the same township or city, or not farther than four townships or cities or combination thereof from the homestead. Any taxpayer of these noncontiguous lands must notify the county assessor that the noncontiguous land is part of the taxpayer's homestead, and, if the homestead is located in another county, the taxpayer must also notify the assessor of the other county.

(d) Agricultural land used for purposes of a homestead and actively farmed by a person holding a vested remainder interest in it must be classified as a homestead under section 273.13, subdivision 23, paragraph (a). If agricultural land is classified class 2a, any other dwellings on the land used for purposes of a homestead by persons holding vested remainder interests who are actively engaged in farming the property, and up to one acre of the land surrounding each homestead and reasonably necessary for the use of the dwelling as a home, must also be assessed class 2a.

(e) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 1997 assessment shall remain classified as agricultural homesteads for subsequent assessments if:

(1) the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of the April 1997 floods;

(2) the property is located in the county of Polk, Clay, Kittson, Marshall, Norman, or Wilkin;

(3) the agricultural land and buildings remain under the same ownership for the current assessment year and continue to be used for agricultural purposes;

(4) the dwelling occupied by the owner is located in Minnesota and is within 30 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to the 1997 floods, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in dwelling. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.
(f) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 1998 assessment shall remain classified agricultural homesteads for subsequent assessments if:

1. the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of damage caused by a March 29, 1998, tornado;

2. the property is located in the county of Blue Earth, Brown, Cottonwood, Le Sueur, Nicollet, Nobles, or Rice;

3. the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 1998 assessment year;

4. the dwelling occupied by the owner is located in this state and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

5. the owner notifies the county assessor that the relocation was due to a March 29, 1998, tornado, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in homestead dwelling. For taxes payable in 1999, the owner must notify the assessor by December 1, 1998. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

(g) Agricultural property of a family farm corporation, joint family farm venture, family farm limited liability company, or partnership operating a family farm as described under subdivision 8 shall be classified homestead, to the same extent as other agricultural homestead property, if all of the following criteria are met:

1. the property consists of at least 40 acres including undivided government lots and correctional 40's;

2. a shareholder, member, or partner of that entity is actively farming the agricultural property;

3. that shareholder, member, or partner who is actively farming the agricultural property is a Minnesota resident;

4. neither that shareholder, member, or partner, nor the spouse of that shareholder, member, or partner claims another agricultural homestead in Minnesota; and

5. that shareholder, member, or partner does not live farther than four townships or cities, or a combination of four townships or cities, from the agricultural property.

Homestead treatment applies under this paragraph for property leased to a family farm corporation, joint farm venture, limited liability company, or partnership operating a family farm if legal title to the property is in the name of an individual who is a member, shareholder, or partner in the entity.

(h) To be eligible for the special agricultural homestead under this subdivision, an initial full application must be submitted to the county assessor where the property is located. Owners and the persons who are actively farming the property shall be required to complete only a one-page abbreviated version of the application in each subsequent year provided that none of the following items have changed since the initial application:

1. the day-to-day operation, administration, and financial risks remain the same;

2. the owners and the persons actively farming the property continue to live within the four townships or city criteria and are Minnesota residents;
(3) the same operator of the agricultural property is listed with the Farm Service Agency;

(4) a Schedule F or equivalent income tax form was filed for the most recent year;

(5) the property's acreage is unchanged; and

(6) none of the property's acres have been enrolled in a federal or state farm program since the initial application.

The owners and any persons who are actively farming the property must include the appropriate Social Security numbers, and sign and date the application. If any of the specified information has changed since the full application was filed, the owner must notify the assessor, and must complete a new application to determine if the property continues to qualify for the special agricultural homestead. The commissioner of revenue shall prepare a standard reapplication form for use by the assessors.

(i) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 2007 assessment shall remain classified agricultural homesteads for subsequent assessments if:

(1) the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of damage caused by the August 2007 floods;

(2) the property is located in the county of Dodge, Fillmore, Houston, Olmsted, Steele, Wabasha, or Winona;

(3) the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 2007 assessment year;

(4) the dwelling occupied by the owner is located in this state and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to the August 2007 floods, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in homestead dwelling. For taxes payable in 2009, the owner must notify the assessor by December 1, 2008. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

(j) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 2008 assessment shall remain classified as agricultural homesteads for subsequent assessments if:

(1) the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of the March 2009 floods;

(2) the property is located in the county of Marshall;

(3) the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 2008 assessment year and continue to be used for agricultural purposes;

(4) the dwelling occupied by the owner is located in Minnesota and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and
(5) the owner notifies the county assessor that the relocation was due to the 2009 floods, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in dwelling. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

**EFFECTIVE DATE.** This section is effective beginning for property taxes payable in 2018.

Sec. 11. Minnesota Statutes 2016, section 273.124, subdivision 21, is amended to read:

Subd. 21. **Trust property; homestead.** Real or personal property, including agricultural property, held by a trustee under a trust is eligible for classification as homestead property if the property satisfies the requirements of paragraph (a), (b), (c), (d), or (e).

(a) The grantor or surviving spouse of the grantor of the trust occupies and uses the property as a homestead.

(b) A relative or surviving relative of the grantor who meets the requirements of subdivision 1, paragraph (c), in the case of residential real estate; or subdivision 1, paragraph (d), in the case of agricultural property, occupies and uses the property as a homestead.

(c) A family farm corporation, joint farm venture, limited liability company, or partnership operating a family farm in which the grantor or the grantor's surviving spouse is a shareholder, member, or partner rents the property; and, either (1) a shareholder, member, or partner of the corporation, joint farm venture, limited liability company, or partnership occupies and uses the property as a homestead; or (2) the property is at least 40 acres, including undivided government lots and correctional 40's, and a shareholder, member, or partner of the tenant-entity is actively farming the property on behalf of the corporation, joint farm venture, limited liability company, or partnership.

(d) A person who has received homestead classification for property taxes payable in 2000 on the basis of an unqualified legal right under the terms of the trust agreement to occupy the property as that person's homestead and who continues to use the property as a homestead; or, a person who received the homestead classification for taxes payable in 2005 under paragraph (c) who does not qualify under paragraph (c) for taxes payable in 2006 or thereafter but who continues to qualify under paragraph (c) as it existed for taxes payable in 2005.

(e) The qualifications under subdivision 14, paragraph (b), clause (i), are met. For purposes of this paragraph, "owner" means the grantor of the trust or the surviving spouse of the grantor.

(f) For purposes of this subdivision, the following terms have the meanings given them:

1. "agricultural property" means the house, garage, other farm buildings and structures, and agricultural land;

2. "agricultural land" has the meaning given in section 273.13, subdivision 23, except that the phrases "owned by same person" or "under the same ownership" as used in that subdivision mean and include contiguous tax parcels owned by:

   (i) an individual and a trust of which the individual, the individual's spouse, or the individual's deceased spouse is the grantor; or

   (ii) different trusts of which the grantors of each trust are any combination of an individual, the individual's spouse, or the individual's deceased spouse; and
For purposes of this subdivision, (3) "grantor" is defined as means the person creating or establishing a testamentary, inter Vivos, revocable or irrevocable trust by written instrument or through the exercise of a power of appointment.

(g) Noncontiguous land is included as part of a homestead under this subdivision, only if the homestead is classified as class 2a, as defined in section 273.13, subdivision 23, and the detached land is located in the same township or city, or not farther than four townships or cities or combination thereof from the homestead. Any taxpayer of these noncontiguous lands must notify the county assessor that the noncontiguous land is part of the taxpayer's homestead, and, if the homestead is located in another county, the taxpayer must also notify the assessor of the other county.

EFFECTIVE DATE. This section is effective beginning for property taxes payable in 2018.

Sec. 12. Minnesota Statutes 2016, section 273.125, subdivision 8, is amended to read:

Subd. 8. Manufactured homes; sectional structures. (a) In this section, "manufactured home" means a structure transportable in one or more sections, which is built on a permanent chassis, and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities, and contains the plumbing, heating, air conditioning, and electrical systems in it. Manufactured home includes any accessory structure that is an addition or supplement to the manufactured home and, when installed, becomes a part of the manufactured home.

(b) Except as provided in paragraph (c), a manufactured home that meets each of the following criteria must be valued and assessed as an improvement to real property, the appropriate real property classification applies, and the valuation is subject to review and the taxes payable in the manner provided for real property:

(1) the owner of the unit holds title to the land on which it is situated;

(2) the unit is affixed to the land by a permanent foundation or is installed at its location in accordance with the Manufactured Home Building Code in sections 327.31 to 327.34, and rules adopted under those sections, or is affixed to the land like other real property in the taxing district; and

(3) the unit is connected to public utilities, has a well and septic tank system, or is serviced by water and sewer facilities comparable to other real property in the taxing district.

(c) A manufactured home that meets each of the following criteria must be assessed at the rate provided by the appropriate real property classification but must be treated as personal property, and the valuation is subject to review and the taxes payable in the manner provided in this section:

(1) the owner of the unit is a lessee of the land under the terms of a lease, or the unit is located in a manufactured home park but is not the homestead of the park owner;

(2) the unit is affixed to the land by a permanent foundation or is installed at its location in accordance with the Manufactured Home Building Code contained in sections 327.31 to 327.34, and the rules adopted under those sections, or is affixed to the land like other real property in the taxing district; and

(3) the unit is connected to public utilities, has a well and septic tank system, or is serviced by water and sewer facilities comparable to other real property in the taxing district.
(d) Sectional structures must be valued and assessed as an improvement to real property if the owner of the structure holds title to the land on which it is located or is a qualifying lessee of the land under section 273.19. In this paragraph "sectional structure" means a building or structural unit that has been in whole or substantial part manufactured or constructed at an off-site location to be wholly or partially assembled on site alone or with other units and attached to a permanent foundation.

(e) The commissioner of revenue may adopt rules under the Administrative Procedure Act to establish additional criteria for the classification of manufactured homes and sectional structures under this subdivision.

(f) A storage shed, deck, or similar improvement constructed on property that is leased or rented as a site for a manufactured home, sectional structure, park trailer, or travel trailer is taxable as provided in this section. In the case of property that is leased or rented as a site for a travel trailer, a storage shed, deck, or similar improvement on the site that is considered personal property under this paragraph is taxable only if its total estimated market value is over $1,000. The property is taxable as personal property to the lessee of the site if it is not owned by the owner of the site. The property is taxable as real estate if it is owned by the owner of the site. As a condition of permitting the owner of the manufactured home, sectional structure, park trailer, or travel trailer to construct improvements on the leased or rented site, the owner of the site must obtain the permanent home address of the lessee or user of the site. The site owner must provide the name and address to the assessor upon request.

Sec. 13. Minnesota Statutes 2016, section 273.13, subdivision 22, is amended to read:

Subd. 22. Class 1. (a) Except as provided in subdivision 23 and in paragraphs (b) and (c), real estate which is residential and used for homestead purposes is class 1a. In the case of a duplex or triplex in which one of the units is used for homestead purposes, the entire property is deemed to be used for homestead purposes. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The first $500,000 of market value of class 1a property has a net classification rate of one percent of its market value; and the market value of class 1a property that exceeds $500,000 has a classification rate of 1.25 percent of its market value.

(b) Class 1b property includes homestead real estate or homestead manufactured homes used for the purposes of a homestead by:

(1) any person who is blind as defined in section 256D.35, or the blind person and the blind person's spouse;

(2) any person who is permanently and totally disabled or by the disabled person and the disabled person's spouse; or

(3) the surviving spouse of a permanently and totally disabled veteran homesteading a property classified under this paragraph for taxes payable in 2008.

Property is classified and assessed under clause (2) only if the government agency or income-providing source certifies, upon the request of the homestead occupant, that the homestead occupant satisfies the disability requirements of this paragraph, and that the property is not eligible for the valuation exclusion under subdivision 34.

Property is classified and assessed under paragraph (b) only if the commissioner of revenue or the county assessor certifies that the homestead occupant satisfies the requirements of this paragraph.
Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings the person an income. The first $50,000 market value of class 1b property has a net classification rate of .45 percent of its market value. The remaining market value of class 1b property has a classification rate using the rates for class 1a or class 2a property, whichever is appropriate, of similar market value.

(c) Class 1c property is commercial use real and personal property that abuts public water as defined in section 103G.005, subdivision 15, or abuts a state trail administered by the Department of Natural Resources, and is devoted to temporary and seasonal residential occupancy for recreational purposes but not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment, and that includes a portion used as a homestead by the owner, which includes a dwelling occupied as a homestead by a shareholder of a corporation that owns the resort, a partner in a partnership that owns the resort, or a member of a limited liability company that owns the resort even if, whether the title to the homestead is held by the corporation, partnership, or limited liability company, or by a shareholder of a corporation who owns the resort, a partner in a partnership who owns the resort, or a member of a limited liability company who owns the resort. For purposes of this paragraph, property is devoted to a commercial purpose on a specific day if any portion of the property, excluding the portion used exclusively as a homestead, is used for residential occupancy and a fee is charged for residential occupancy. Class 1c property must contain three or more rental units. A “rental unit” is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. Class 1c property must provide recreational activities such as the rental of ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment, provide marina services, launch services, or guide services; or sell bait and fishing tackle. Any unit in which the right to use the property is transferred to an individual or entity by deeded interest, or the sale of shares or stock, no longer qualifies for class 1c even though it may remain available for rent. A camping pad offered for rent by a property that otherwise qualifies for class 1c is also class 1c, regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. If the same owner owns two separate parcels that are located in the same township, and one of those properties is classified as a class 1c property and the other would be eligible to be classified as a class 1c property if it was used as the homestead of the owner, both properties will be assessed as a single class 1c property; for purposes of this sentence, properties are deemed to be owned by the same owner if each of them is owned by a limited liability company, and both limited liability companies have the same membership. The portion of the property used as a homestead is class 1a property under paragraph (a). The remainder of the property is classified as follows: the first $600,000 of market value is tier I, the next $1,700,000 of market value is tier II, and any remaining market value is tier III. The classification rates for class 1c are: tier I, 0.50 percent; tier II, 1.0 percent; and tier III, 1.25 percent. Owners of real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes in which all or a portion of the property was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated as class 1c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located must be designated as class 3a commercial. The owner of property desiring designation as class 1c property must provide guest registers or other records demonstrating that the units for which class 1c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 1c.

(d) Class 1d property includes structures that meet all of the following criteria:

(1) the structure is located on property that is classified as agricultural property under section 273.13, subdivision 23;
(2) the structure is occupied exclusively by seasonal farm workers during the time when they work on that farm, and the occupants are not charged rent for the privilege of occupying the property, provided that use of the structure for storage of farm equipment and produce does not disqualify the property from classification under this paragraph;

(3) the structure meets all applicable health and safety requirements for the appropriate season; and

(4) the structure is not salable as residential property because it does not comply with local ordinances relating to location in relation to streets or roads.

The market value of class 1d property has the same classification rates as class 1a property under paragraph (a).

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 14. Minnesota Statutes 2016, section 273.13, subdivision 23, is amended to read:

Subd. 23. **Class 2.** (a) An agricultural homestead consists of class 2a agricultural land that is homesteaded, along with any class 2b rural vacant land that is contiguous to the class 2a land under the same ownership. The market value of the house and garage and immediately surrounding one acre of land has the same classification rates as class 1a or 1b property under subdivision 22. The value of the remaining land including improvements up to the first tier valuation limit of agricultural homestead property has a classification rate of 0.5 percent of market value. The remaining property over the first tier has a classification rate of one percent of market value. For purposes of this subdivision, the "first tier valuation limit of agricultural homestead property" and "first tier" means the limit certified under section 273.11, subdivision 23.

(b) Class 2a agricultural land consists of parcels of property, or portions thereof, that are agricultural land and buildings. Class 2a property has a classification rate of one percent of market value, unless it is part of an agricultural homestead under paragraph (a). Class 2a property must also include any property that would otherwise be classified as 2b, but is interspersed with class 2a property, including but not limited to sloughs, wooded wind shelters, acreage abutting ditches, ravines, rock piles, land subject to a setback requirement, and other similar land that is impractical for the assessor to value separately from the rest of the property or that is unlikely to be able to be sold separately from the rest of the property.

An assessor may classify the part of a parcel described in this subdivision that is used for agricultural purposes as class 2a and the remainder in the class appropriate to its use.

(c) Class 2b rural vacant land consists of parcels of property, or portions thereof, that are unplatted real estate, rural in character and not used for agricultural purposes, including land used for growing trees for timber, lumber, and wood and wood products, that is not improved with a structure. The presence of a minor, ancillary nonresidential structure as defined by the commissioner of revenue does not disqualify the property from classification under this paragraph. Any parcel of 20 acres or more improved with a structure that is not a minor, ancillary nonresidential structure must be split-classified, and ten acres must be assigned to the split parcel containing the structure. Class 2b property has a classification rate of one percent of market value unless it is part of an agricultural homestead under paragraph (a), or qualifies as class 2c under paragraph (d).

(d) Class 2c managed forest land consists of no less than 20 and no more than 1,920 acres statewide per taxpayer that is being managed under a forest management plan that meets the requirements of chapter 290C, but is not enrolled in the sustainable forest resource management incentive program. It has a classification rate of .65 percent, provided that the owner of the property must apply to the assessor in order for the property to initially qualify for the reduced rate and provide the information required by the assessor to verify that the property qualifies for the reduced rate. If the assessor receives the application and information before May 1 in an assessment year, the property qualifies beginning with that assessment year. If the assessor receives the application and information after April 30
in an assessment year, the property may not qualify until the next assessment year. The commissioner of natural resources must concur that the land is qualified. The commissioner of natural resources shall annually provide county assessors verification information on a timely basis. The presence of a minor, ancillary nonresidential structure as defined by the commissioner of revenue does not disqualify the property from classification under this paragraph.

(e) Agricultural land as used in this section means:

(1) contiguous acreage of ten acres or more, used during the preceding year for agricultural purposes; or

(2) contiguous acreage used during the preceding year for an intensive livestock or poultry confinement operation, provided that land used only for pasturing or grazing does not qualify under this clause.

"Agricultural purposes" as used in this section means the raising, cultivation, drying, or storage of agricultural products for sale, or the storage of machinery or equipment used in support of agricultural production by the same farm entity. For a property to be classified as agricultural based only on the drying or storage of agricultural products, the products being dried or stored must have been produced by the same farm entity as the entity operating the drying or storage facility. "Agricultural purposes" also includes enrollment in the Reinvest in Minnesota program under sections 103F.501 to 103F.535 or the federal Conservation Reserve Program as contained in Public Law 99-198 or a similar local, state, or federal conservation program if the property was classified as agricultural (i) under this subdivision for taxes payable in 2003 because of its enrollment in a qualifying program and the land remains enrolled or (ii) in the year prior to its enrollment. For purposes of this section, a local conservation program means a program administered by a town, statutory or home rule charter city, or county, including a watershed district, water management organization, or soil and water conservation district, in which landowners voluntarily enroll land and receive incentive payments in exchange for use or other restrictions placed on the land. Agricultural classification shall not be based upon the market value of any residential structures on the parcel or contiguous parcels under the same ownership.

"Contiguous acreage," for purposes of this paragraph, means all of, or a contiguous portion of, a tax parcel as described in section 272.193, or all of, or a contiguous portion of, a set of contiguous tax parcels under that section that are owned by the same person.

(f) Agricultural land under this section also includes:

(1) contiguous acreage that is less than ten acres in size and exclusively used in the preceding year for raising or cultivating agricultural products; or

(2) contiguous acreage that contains a residence and is less than 11 acres in size, if the contiguous acreage exclusive of the house, garage, and surrounding one acre of land was used in the preceding year for one or more of the following three uses:

(i) for an intensive grain drying or storage operation, or for intensive machinery or equipment storage activities used to support agricultural activities on other parcels of property operated by the same farming entity;

(ii) as a nursery, provided that only those acres used intensively to produce nursery stock are considered agricultural land; or

(iii) for intensive market farming; for purposes of this paragraph, "market farming" means the cultivation of one or more fruits or vegetables or production of animal or other agricultural products for sale to local markets by the farmer or an organization with which the farmer is affiliated.
"Contiguous acreage," for purposes of this paragraph, means all of a tax parcel as described in section 272.193, or all of a set of contiguous tax parcels under that section that are owned by the same person.

(g) Land shall be classified as agricultural even if all or a portion of the agricultural use of that property is the leasing to, or use by another person for agricultural purposes.

Classification under this subdivision is not determinative for qualifying under section 273.111.

(h) The property classification under this section supersedes, for property tax purposes only, any locally administered agricultural policies or land use restrictions that define minimum or maximum farm acreage.

(i) The term "agricultural products" as used in this subdivision includes production for sale of:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) fish bred for sale and consumption if the fish breeding occurs on land zoned for agricultural use;

(3) the commercial boarding of horses, which may include related horse training and riding instruction, if the boarding is done on property that is also used for raising pasture to graze horses or raising or cultivating other agricultural products as defined in clause (1);

(4) property which is owned and operated by nonprofit organizations used for equestrian activities, excluding racing;

(5) game birds and waterfowl bred and raised (i) on a game farm licensed under section 97A.105, provided that the annual licensing report to the Department of Natural Resources, which must be submitted annually by March 30 to the assessor, indicates that at least 500 birds were raised or used for breeding stock on the property during the preceding year and that the owner provides a copy of the owner’s most recent schedule F; or (ii) for use on a shooting preserve licensed under section 97A.115;

(6) insects primarily bred to be used as food for animals;

(7) trees, grown for sale as a crop, including short rotation woody crops, and not sold for timber, lumber, wood, or wood products; and

(8) maple syrup taken from trees grown by a person licensed by the Minnesota Department of Agriculture under chapter 28A as a food processor.

(j) If a parcel used for agricultural purposes is also used for commercial or industrial purposes, including but not limited to:

(1) wholesale and retail sales;

(2) processing of raw agricultural products or other goods;

(3) warehousing or storage of processed goods; and

(4) office facilities for the support of the activities enumerated in clauses (1), (2), and (3),
the assessor shall classify the part of the parcel used for agricultural purposes as class 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use. The grading, sorting, and packaging of raw agricultural products for first sale is considered an agricultural purpose. A greenhouse or other building where horticultural or nursery products are grown that is also used for the conduct of retail sales must be classified as agricultural if it is primarily used for the growing of horticultural or nursery products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of those products. Use of a greenhouse or building only for the display of already grown horticultural or nursery products does not qualify as an agricultural purpose.

(k) The assessor shall determine and list separately on the records the market value of the homestead dwelling and the one acre of land on which that dwelling is located. If any farm buildings or structures are located on this homesteaded acre of land, their market value shall not be included in this separate determination.

(l) Class 2d airport landing area consists of a landing area or public access area of a privately owned public use airport. It has a classification rate of one percent of market value. To qualify for classification under this paragraph, a privately owned public use airport must be licensed as a public airport under section 360.018. For purposes of this paragraph, "landing area" means that part of a privately owned public use airport properly cleared, regularly maintained, and made available to the public for use by aircraft and includes runways, taxiways, aprons, and sites upon which are situated landing or navigational aids. A landing area also includes land underlying both the primary surface and the approach surfaces that comply with all of the following:

(i) the land is properly cleared and regularly maintained for the primary purposes of the landing, taking off, and taxing of aircraft; but that portion of the land that contains facilities for servicing, repair, or maintenance of aircraft is not included as a landing area;

(ii) the land is part of the airport property; and

(iii) the land is not used for commercial or residential purposes.

The land contained in a landing area under this paragraph must be described and certified by the commissioner of transportation. The certification is effective until it is modified, or until the airport or landing area no longer meets the requirements of this paragraph. For purposes of this paragraph, "public access area" means property used as an aircraft parking ramp, apron, or storage hangar, or an arrival and departure building in connection with the airport.

(m) Class 2e consists of land with a commercial aggregate deposit that is not actively being mined and is not otherwise classified as class 2a or 2b, provided that the land is not located in a county that has elected to opt-out of the aggregate preservation program as provided in section 273.1115, subdivision 6. It has a classification rate of one percent of market value. To qualify for classification under this paragraph, the property must be at least ten contiguous acres in size and the owner of the property must record with the county recorder of the county in which the property is located an affidavit containing:

(1) a legal description of the property;

(2) a disclosure that the property contains a commercial aggregate deposit that is not actively being mined but is present on the entire parcel enrolled;

(3) documentation that the conditional use under the county or local zoning ordinance of this property is for mining; and

(4) documentation that a permit has been issued by the local unit of government or the mining activity is allowed under local ordinance. The disclosure must include a statement from a registered professional geologist, engineer, or soil scientist delineating the deposit and certifying that it is a commercial aggregate deposit.
For purposes of this section and section 273.1115, "commercial aggregate deposit" means a deposit that will yield crushed stone or sand and gravel that is suitable for use as a construction aggregate; and "actively mined" means the removal of top soil and overburden in preparation for excavation or excavation of a commercial deposit.

(n) When any portion of the property under this subdivision or subdivision 22 begins to be actively mined, the owner must file a supplemental affidavit within 60 days from the day any aggregate is removed stating the number of acres of the property that is actively being mined. The acres actively being mined must be (1) valued and classified under subdivision 24 in the next subsequent assessment year, and (2) removed from the aggregate resource preservation property tax program under section 273.1115, if the land was enrolled in that program. Copies of the original affidavit and all supplemental affidavits must be filed with the county assessor, the local zoning administrator, and the Department of Natural Resources, Division of Land and Minerals. A supplemental affidavit must be filed each time a subsequent portion of the property is actively mined, provided that the minimum acreage change is five acres, even if the actual mining activity constitutes less than five acres.

(o) The definitions prescribed by the commissioner under paragraphs (c) and (d) are not rules and are exempt from the rulemaking provisions of chapter 14, and the provisions in section 14.386 concerning exempt rules do not apply.

EFFECTIVE DATE. This section is effective beginning with assessment year 2018.

Sec. 15. Minnesota Statutes 2016, section 273.13, subdivision 25, is amended to read:

Subd. 25. Class 4. (a) Class 4a is residential real estate containing four or more units and used or held for use by the owner or by the tenants or lessees of the owner as a residence for rental periods of 30 days or more, excluding property qualifying for class 4d. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other than hospitals exempt under section 272.02, and contiguous property used for hospital purposes, without regard to whether the property has been platted or subdivided. The market value of class 4a property has a classification rate of 1.25 percent.

(b) Class 4b includes:

(1) residential real estate containing less than four units that does not qualify as class 4bb, other than seasonal residential recreational property;

(2) manufactured homes not classified under any other provision;

(3) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b) containing two or three units; and

(4) unimproved property that is classified residential as determined under subdivision 33.

The market value of class 4b property has a classification rate of 1.25 percent.

(c) Class 4bb includes:

(1) nonhomestead residential real estate containing one unit, other than seasonal residential recreational property, and a single family dwelling, garage;

(2) single-family dwellings including garages and the surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b); and
### (3) Condominium-type storage units having individual legal descriptions that are not used for commercial purposes.

Class 4bb property has the same classification rates as class 1a property under subdivision 22.

Property that has been classified as seasonal residential recreational property at any time during which it has been owned by the current owner or spouse of the current owner does not qualify for class 4bb.

(d) Class 4c property includes:

(1) except as provided in subdivision 22, paragraph (c), real and personal property devoted to commercial temporary and seasonal residential occupancy for recreation purposes, for not more than 250 days in the year preceding the year of assessment. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property is used for residential occupancy, and a fee is charged for residential occupancy. Class 4c property under this clause must contain three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. A camping pad offered for rent by a property that otherwise qualifies for class 4c under this clause is also class 4c under this clause regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. In order for a property to be classified under this clause, either (i) the business located on the property must provide recreational activities, at least 40 percent of the annual gross lodging receipts related to the property must be from business conducted during 90 consecutive days, and either (A) at least 60 percent of all paid bookings by lodging guests during the year must be for periods of at least two consecutive nights; or (B) at least 20 percent of the annual gross receipts must be from charges for providing recreational activities, or (ii) the business must contain 20 or fewer rental units, and must be located in a township or a city with a population of 2,500 or less located outside the metropolitan area, as defined under section 473.121, subdivision 2, that contains a portion of a state trail administered by the Department of Natural Resources. For purposes of item (i)(A), a paid booking of five or more nights shall be counted as two bookings. Class 4c property also includes commercial use real property used exclusively for recreational purposes in conjunction with other class 4c property classified under this clause and devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 250 days in the year preceding the year of assessment and is located within two miles of the class 4c property with which it is used. In order for a property to qualify for classification under this clause, the owner must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated class 4c under this clause as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located will be designated as class 3a. The owner of property desiring designation as class 4c property under this clause must provide guest registers or other records demonstrating that the units for which class 4c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 4c. For the purposes of this paragraph, "recreational activities" means renting ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment; providing marina services, launch services, or guide services; or selling bait and fishing tackle;

(2) Qualified property used as a golf course if:

(i) it is open to the public on a daily fee basis. It may charge membership fees or dues, but a membership fee may not be required in order to use the property for golfing, and its green fees for golfing must be comparable to green fees typically charged by municipal courses; and
(ii) it meets the requirements of section 273.112, subdivision 3, paragraph (d).

A structure used as a clubhouse, restaurant, or place of refreshment in conjunction with the golf course is classified as class 3a property;

(3) real property up to a maximum of three acres of land owned and used by a nonprofit community service oriented organization and not used for residential purposes on either a temporary or permanent basis, provided that:

(i) the property is not used for a revenue-producing activity for more than six days in the calendar year preceding the year of assessment; or

(ii) the organization makes annual charitable contributions and donations at least equal to the property's previous year's property taxes and the property is allowed to be used for public and community meetings or events for no charge, as appropriate to the size of the facility.

For purposes of this clause:

(A) "charitable contributions and donations" has the same meaning as lawful gambling purposes under section 349.12, subdivision 25, excluding those purposes relating to the payment of taxes, assessments, fees, auditing costs, and utility payments;

(B) "property taxes" excludes the state general tax;

(C) a "nonprofit community service oriented organization" means any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (8), (10), or (19) of the Internal Revenue Code; and

(D) "revenue-producing activities" shall include but not be limited to property or that portion of the property that is used as an on-sale intoxicating liquor or 3.2 percent malt liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling alley, a retail store, gambling conducted by organizations licensed under chapter 349, an insurance business, or office or other space leased or rented to a lessee who conducts a for-profit enterprise on the premises.

Any portion of the property not qualifying under either item (i) or (ii) is class 3a. The use of the property for social events open exclusively to members and their guests for periods of less than 24 hours, when an admission is not charged nor any revenues are received by the organization shall not be considered a revenue-producing activity.

The organization shall maintain records of its charitable contributions and donations and of public meetings and events held on the property and make them available upon request any time to the assessor to ensure eligibility. An organization meeting the requirement under item (ii) must file an application by May 1 with the assessor for eligibility for the current year's assessment. The commissioner shall prescribe a uniform application form and instructions;

(4) postsecondary student housing of not more than one acre of land that is owned by a nonprofit corporation organized under chapter 317A and is used exclusively by a student cooperative, sorority, or fraternity for on-campus housing or housing located within two miles of the border of a college campus;

(5)(i) manufactured home parks as defined in section 327.14, subdivision 3, excluding manufactured home parks described in section 273.124, subdivision 3a, and (ii) manufactured home parks as defined in section 327.14, subdivision 3, that are described in section 273.124, subdivision 3a;
(6) real property that is actively and exclusively devoted to indoor fitness, health, social, recreational, and related uses, is owned and operated by a not-for-profit corporation, and is located within the metropolitan area as defined in section 473.121, subdivision 2;

(7) a leased or privately owned noncommercial aircraft storage hangar not exempt under section 272.01, subdivision 2, and the land on which it is located, provided that:

(i) the land is on an airport owned or operated by a city, town, county, Metropolitan Airports Commission, or group thereof; and

(ii) the land lease, or any ordinance or signed agreement restricting the use of the leased premise, prohibits commercial activity performed at the hangar.

If a hangar classified under this clause is sold after June 30, 2000, a bill of sale must be filed by the new owner with the assessor of the county where the property is located within 60 days of the sale;

(8) a privately owned noncommercial aircraft storage hangar not exempt under section 272.01, subdivision 2, and the land on which it is located, provided that:

(i) the land abuts a public airport; and

(ii) the owner of the aircraft storage hangar provides the assessor with a signed agreement restricting the use of the premises, prohibiting commercial use or activity performed at the hangar; and

(9) residential real estate, a portion of which is used by the owner for homestead purposes, and that is also a place of lodging, if all of the following criteria are met:

(i) rooms are provided for rent to transient guests that generally stay for periods of 14 or fewer days;

(ii) meals are provided to persons who rent rooms, the cost of which is incorporated in the basic room rate;

(iii) meals are not provided to the general public except for special events on fewer than seven days in the calendar year preceding the year of the assessment; and

(iv) the owner is the operator of the property.

The market value subject to the 4c classification under this clause is limited to five rental units. Any rental units on the property in excess of five, must be valued and assessed as class 3a. The portion of the property used for purposes of a homestead by the owner must be classified as class 1a property under subdivision 22;

(10) real property up to a maximum of three acres and operated as a restaurant as defined under section 157.15, subdivision 12, provided it: (i) is located on a lake as defined under section 103G.005, subdivision 15, paragraph (a), clause (3); and (ii) is either devoted to commercial purposes for not more than 250 consecutive days, or receives at least 60 percent of its annual gross receipts from business conducted during four consecutive months. Gross receipts from the sale of alcoholic beverages must be included in determining the property's qualification under item (ii). The property's primary business must be as a restaurant and not as a bar. Gross receipts from gift shop sales located on the premises must be excluded. Owners of real property desiring 4c classification under this clause must submit an annual declaration to the assessor by February 1 of the current assessment year, based on the property's relevant information for the preceding assessment year;
(11) lakeshore and riparian property and adjacent land, not to exceed six acres, used as a marina, as defined in section 86A.20, subdivision 5, which is made accessible to the public and devoted to recreational use for marina services. The marina owner must annually provide evidence to the assessor that it provides services, including lake or river access to the public by means of an access ramp or other facility that is either located on the property of the marina or at a publicly owned site that abuts the property of the marina. No more than 800 feet of lakeshore may be included in this classification. Buildings used in conjunction with a marina for marina services, including but not limited to buildings used to provide food and beverage services, fuel, boat repairs, or the sale of bait or fishing tackle, are classified as class 3a property; and

(12) real and personal property devoted to noncommercial temporary and seasonal residential occupancy for recreation purposes.

Class 4c property has a classification rate of 1.5 percent of market value, except that (i) each parcel of noncommercial seasonal residential recreational property under clause (12) has the same classification rates as class 4bb property, (ii) manufactured home parks assessed under clause (5), item (i), have the same classification rate as class 4b property, and the market value of manufactured home parks assessed under clause (5), item (ii), has a classification rate of 0.75 percent if more than 50 percent of the lots in the park are occupied by shareholders in the cooperative corporation or association and a classification rate of one percent if 50 percent or less of the lots are so occupied, (iii) commercial-use seasonal residential recreational property and marina recreational land as described in clause (11), has a classification rate of one percent for the first $500,000 of market value, and 1.25 percent for the remaining market value, (iv) the market value of property described in clause (4) has a classification rate of one percent, (v) the market value of property described in clauses (2), (6), and (10) has a classification rate of 1.25 percent, and (vi) that portion of the market value of property in clause (9) qualifying for class 4c property has a classification rate of 1.25 percent, and (vii) property qualifying for classification under clause (3) that is owned or operated by a congressionally chartered veterans organization has a classification rate of one percent. The commissioner of veterans affairs must provide a list of congressionally chartered veterans organizations to the commissioner of revenue by June 30, 2017, and by January 1, 2018, and each year thereafter.

(e) Class 4d property is qualifying low-income rental housing certified to the assessor by the Housing Finance Agency under section 273.128, subdivision 3. If only a portion of the units in the building qualify as low-income rental housing units as certified under section 273.128, subdivision 3, only the proportion of qualifying units to the total number of units in the building qualify for class 4d. The remaining portion of the building shall be classified by the assessor based upon its use. Class 4d also includes the same proportion of land as the qualifying low-income rental housing units are to the total units in the building. For all properties qualifying as class 4d, the market value determined by the assessor must be based on the normal approach to value using normal unrestricted rents.

(f) The first tier of market value of class 4d property has a classification rate of 0.75 percent. The remaining value of class 4d property has a classification rate of 0.25 percent. For the purposes of this paragraph, the “first tier of market value of class 4d property” means the market value of each housing unit up to the first tier limit. For the purposes of this paragraph, all class 4d property value must be assigned to individual housing units. The first tier limit is $100,000 for assessment year 2014. For subsequent years, the limit is adjusted each year by the average statewide change in estimated market value of property classified as class 4a and 4d under this section for the previous assessment year, excluding valuation change due to new construction, rounded to the nearest $1,000, provided, however, that the limit may never be less than $100,000. Beginning with assessment year 2015, the commissioner of revenue must certify the limit for each assessment year by November 1 of the previous year.

**EFFECTIVE DATE.** This section is effective beginning with taxes assessed in 2017 and payable in 2018.
Sec. 16. Minnesota Statutes 2016, section 273.13, subdivision 34, is amended to read:

Subd. 34. **Homestead of disabled veteran or family caregiver.** (a) All or a portion of the market value of property owned by a veteran and serving as the veteran's homestead under this section is excluded in determining the property's taxable market value if the veteran has a service-connected disability of 70 percent or more as certified by the United States Department of Veterans Affairs. To qualify for exclusion under this subdivision, the veteran must have been honorably discharged from the United States armed forces, as indicated by United States Government Form DD214 or other official military discharge papers.

(b)(1) For a disability rating of 70 percent or more, $150,000 of market value is excluded, except as provided in clause (2); and

(2) for a total (100 percent) and permanent disability, $300,000 of market value is excluded.

(c) If a disabled veteran qualifying for a valuation exclusion under paragraph (b), clause (2), predeceases the veteran's spouse, and if upon the death of the veteran the spouse holds the legal or beneficial title to the homestead and permanently resides there, the exclusion shall carry over to the benefit of the veteran's spouse for the current taxes payable year and for eight additional taxes payable years or until such time as the spouse remarries, sells, transfers, or otherwise disposes of the property, whichever comes first. Qualification under this paragraph requires an annual application under paragraph (h), and a spouse must notify the assessor if there is a change in the spouse's marital status, ownership of the property, or use of the property as a permanent residence.

(d) If the spouse of a member of any branch or unit of the United States armed forces who dies due to a service-connected cause while serving honorably in active service, as indicated on United States Government Form DD1300 or DD2064, holds the legal or beneficial title to a homestead and permanently resides there, the spouse is entitled to the benefit described in paragraph (b), clause (2), for eight taxes payable years, or until such time as the spouse remarries or sells, transfers, or otherwise disposes of the property, whichever comes first.

(e) If a veteran meets the disability criteria of paragraph (a) but does not own property classified as homestead in the state of Minnesota, then the homestead of the veteran's primary family caregiver, if any, is eligible for the exclusion that the veteran would otherwise qualify for under paragraph (b).

(f) In the case of an agricultural homestead, only the portion of the property consisting of the house and garage and immediately surrounding one acre of land qualifies for the valuation exclusion under this subdivision.

(g) A property qualifying for a valuation exclusion under this subdivision is not eligible for the market value exclusion under subdivision 35, or classification under subdivision 22, paragraph (b).

(h) To qualify for a valuation exclusion under this subdivision a property owner must apply to the assessor by July 1 of each assessment year, except that an annual reapplication is not required once a property has been accepted for a valuation exclusion under paragraph (a) and qualifies for the benefit described in paragraph (b), clause (2), and the property continues to qualify until there is a change in ownership of the first assessment year for which the exclusion is sought. For an application received after July 1 of any calendar year, the exclusion shall become effective for the following assessment year. Except as provided in paragraph (c), the owner of a property that has been accepted for a valuation exclusion must notify the assessor if there is a change in ownership of the property or in the use of the property as a homestead.

(i) A first-time application by a qualifying spouse for the market value exclusion under paragraph (d) must be made any time within two years of the death of the service member.
(j) For purposes of this subdivision:

(1) "active service" has the meaning given in section 190.05;

(2) "own" means that the person's name is present as an owner on the property deed;

(3) "primary family caregiver" means a person who is approved by the secretary of the United States Department of Veterans Affairs for assistance as the primary provider of personal care services for an eligible veteran under the Program of Comprehensive Assistance for Family Caregivers, codified as United States Code, title 38, section 1720G; and

(4) "veteran" has the meaning given the term in section 197.447.

(k) If a veteran dying after December 31, 2011, did not apply for or receive the exclusion under paragraph (b), clause (2), before dying, the veteran's spouse is entitled to the benefit under paragraph (b), clause (2), for eight taxes payable years or until the spouse remarries or sells, transfers, or otherwise disposes of the property if:

(1) the spouse files a first-time application within two years of the death of the service member or by June 1, 2019, whichever is later;

(2) upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides there;

(3) the veteran met the honorable discharge requirements of paragraph (a); and

(4) the United States Department of Veterans Affairs certifies that:

(i) the veteran met the total (100 percent) and permanent disability requirement under paragraph (b), clause (2); or

(ii) the spouse has been awarded dependency and indemnity compensation.

(l) The purpose of this provision of law providing a level of homestead property tax relief for gravely disabled veterans, their primary family caregivers, and their surviving spouses is to help ease the burdens of war for those among our state's citizens who bear those burdens most heavily.

(m) By July 1, the county veterans service officer must certify the disability rating of each veteran receiving the benefit under paragraph (b) to the assessor.

EFFECTIVE DATE. This section is effective beginning with taxes payable in 2018.

Sec. 17. [274.132] PROPERTY OVERVALUED.

Subdivision 1. Valuation appeals. Notwithstanding any other law to the contrary, when the value of a property is reduced by a local, special, or county board of appeal and equalization, the state board of equalization, an order from the Minnesota Tax Court, or an abatement to correct an error in valuation, a property owner may appeal the valuation of the property for the taxes payable year immediately preceding the year for which the value is reduced, provided that the valuation of the property for the immediately preceding taxes payable year was not previously appealed. An appeal under this subdivision may only be taken to the Minnesota Tax Court.
Subd. 2. **Credit for overpayment of tax.** (a) The county auditor shall credit any refund determined by the Minnesota Tax Court under subdivision 1 against the succeeding year’s tax payable on the property according to the following schedule:

1. if the refund is less than 25 percent of the total tax payable on the property for the current year, it shall be credited to the tax payable on the property in the succeeding taxes payable year; or

2. if the refund is 25 percent or more of the total tax payable on the property for the current year, beginning in the succeeding taxes payable year, it shall be credited to the tax payable on the property at a rate of 25 percent of the property taxes due per year until credited in full.

(b) The credit under this subdivision shall reduce the tax payable to each jurisdiction in proportion to the total tax payable on the property.

**EFFECTIVE DATE.** This section is effective for appeals, orders, and abatements in 2018 and thereafter.

Sec. 18. Minnesota Statutes 2016, section 275.025, subdivision 1, is amended to read:

Subdivision 1. **Levy amount.** (a) The state general levy is levied against commercial-industrial property and seasonal residential recreational property, as defined in this section. The state general levy base amount is $502,000,000 for commercial-industrial property is $764,920,000 for taxes payable in 2018. The state general levy base amount for seasonal-recreational property is $44,190,000 for taxes payable in 2018.

(b) For taxes payable in subsequent years, the levy base amount is increased each year by multiplying the levy base amount for the prior year by the sum of one plus the rate of increase, if any, in the implicit price deflator for government consumption expenditures and gross investment for state and local governments prepared by the Bureau of Economic Analysis of the United States Department of Commerce for the 12-month period ending March 31 of the year prior to the year the taxes are payable. The tax under this section is not treated as a local tax rate under section 469.177 and is not the levy of a governmental unit under chapters 276A and 473F.

The commissioner shall increase or decrease the preliminary or final rate for a year as necessary to account for errors and tax base changes that affected a preliminary or final rate for either of the two preceding years. Adjustments are allowed to the extent that the necessary information is available to the commissioner at the time the rates for a year must be certified, and for the following reasons:

1. an erroneous report of taxable value by a local official;

2. an erroneous calculation by the commissioner; and

3. an increase or decrease in taxable value for commercial-industrial or seasonal residential recreational property reported on the abstracts of tax lists submitted under section 275.29 that was not reported on the abstracts of assessment submitted under section 270C.89 for the same year.

The commissioner may, but need not, make adjustments if the total difference in the tax levied for the year would be less than $100,000.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2018 and thereafter.

(2) electric generation attached machinery under class 3; and

(3) property described in section 473.625.

For purposes of this subdivision, the procedures for determining eligibility for tier 1 under section 273.13, subdivision 24, clauses (1) and (2), shall apply in determining the portion of a property eligible to be considered within the first $150,000 of market value.

EFFECTIVE DATE. This section is effective for taxes payable in 2018 and thereafter.

Sec. 20. Minnesota Statutes 2016, section 275.025, subdivision 4, is amended to read:

(c) The distribution under this subdivision must be paid to the qualifying municipality at the same time taxes are settled under sections 276.09 to 276.111.

Subd. 3. United States Postal Service postmark Proof of timely payment. The postmark or registration mark of the United States Postal Service qualifies as proof of timely mailing for this section. If the payment is sent by United States registered mail, the date of registration is the postmark date. If the payment is sent by United States certified mail, the date of the United States Postal Service postmark on the receipt given to the person presenting the payment for delivery is the date of mailing. Mailing, or the time of mailing, may also be established by a delivery service's records or other available evidence except that the postmark of a private postage meter or internet stamp may not be used as proof of a timely mailing made under this section.

Sec. 24. Minnesota Statutes 2016, section 279.01, subdivision 1, is amended to read:

Subdivision 1. Due dates; penalties. Except as provided in subdivisions 3 to 5, on May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, a penalty accrues and thereafter is charged upon all unpaid taxes on real estate on the current lists in the hands of the county treasurer. The (a) When the taxes against any tract or lot exceed $100, one-half of the amount of tax due must be paid prior to May 16, and the remaining one-half must be paid prior to the following October 16. If either tax amount is unpaid as of its due date, a penalty is imposed at a rate of two percent on homestead property until May 31 and four percent on nonhomestead property. If complete payment has not been made by the first day of the month following either due date, an additional penalty of two percent on June 1. The penalty on nonhomestead property is at a rate of four percent until May 31, homestead property and eight four percent on June 1. income earned by the enterprise on the class 3a property is earned during the months of May, June, July, and August. In order for the first half of the tax due on class 3a property to be paid after May 15 and before June 1, or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, without penalty, the owner of the property must attach an affidavit to the payment attesting to compliance with the income provision of this subdivision nonhomestead property is imposed. Thereafter, for both homestead and nonhomestead property, on the first day of each subsequent month beginning July 1, up to and including October 1 following through December, an additional penalty of one percent for each month accrues and is charged on all such unpaid taxes provided that if the due date was extended beyond May 15 as the result of any delay in mailing property tax statements no additional penalty shall accrue if the tax is paid by the extended due date. If the tax is not paid by the extended due date, then all penalties that would have accrued if the due date had been May 15 shall be charged. When the taxes against any tract or lot exceed $100, one-half thereof may be paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later; and, if so paid, no penalty attaches; the remaining one-half may be paid at any time prior to October 16 following, without penalty; but, if not so paid, then a penalty of two percent accrues thereon for homestead property and a penalty of four percent on nonhomestead property. Thereafter, for homestead property, on the first day of November an additional penalty of four percent accrues and on the first day of December following, an additional penalty of two percent accrues and is charged on all such unpaid taxes. Thereafter, for nonhomestead property, on the first day of November and December following, an additional penalty of four percent for each month accrues and is charged on all such unpaid taxes. If one half of such taxes are not paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, the same may be paid at any time prior to October 16, with accrued penalties to the date of payment added, and thereupon no penalty attaches to the remaining one-half until October 16 following, the penalty must not exceed eight percent in the case of homestead property, or 12 percent in the case of nonhomestead property.

(b) If the property tax statement was not postmarked prior to April 25, the first half payment due date in paragraph (a) shall be 21 days from the postmark date of the property tax statement, and all penalties referenced in paragraph (a) shall be determined with regard to the later due date.

(c) In the case of a tract or lot with taxes of $100 or less, the due date and penalties as specified in paragraph (a) or (b) for the first half payment shall apply to the entire amount of the tax due.

(d) For commercial use real property used for seasonal residential recreational purposes and classified as class 1c or 4c, and on other commercial use real property classified as class 3a, provided that over 60 percent of the gross income earned by the enterprise on the class 3a property is earned during the months of May, June, July, and August, the first half payment is due prior to June 1. For a class 3a property to qualify for the later due date, the owner of the property must attach an affidavit to the payment attesting to compliance with the income requirements of this paragraph.

(e) This section applies to payment of personal property taxes assessed against improvements to leased property, except as provided by section 277.01, subdivision 3.

(f) A county may provide by resolution that in the case of a property owner that has multiple tracts or parcels with aggregate taxes exceeding $100, payments may be made in installments as provided in this subdivision.

(g) The county treasurer may accept payments of more or less than the exact amount of a tax installment due. Payments must be applied first to the oldest installment that is due but which has not been fully paid. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year or the installment being paid. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 278.03 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.
Sec. 25. Minnesota Statutes 2016, section 279.01, subdivision 2, is amended to read:

Notwithstanding section 270C.86, if any county board so elects, the county treasurer may abate the penalty on finding that the imposition of the penalty would be unjust and unreasonable.

(b) The county treasurer shall abate the penalty provided for late payment of taxes in the current year if the property tax payment is delivered by mail to the county treasurer and the envelope containing the payment is postmarked by the United States Postal Service within one business day of the due date prescribed under this section, but only if the property owner requesting the abatement has not previously received an abatement of penalty for late payment of tax under this paragraph.

**EFFECTIVE DATE.** This section is effective for property taxes payable in 2018 and thereafter.

Sec. 26. Minnesota Statutes 2016, section 279.01, subdivision 3, is amended to read:

Subd. 3. **Agricultural property.** (a) In the case of class 1b agricultural homestead, class 2a agricultural homestead property, and class 2a agricultural nonhomestead property, and class 2b rural vacant land, no penalties shall attach to the second one-half property tax payment as provided in this section if paid by November 15. Thereafter for class 1b agricultural homestead and class 2a homestead property, on November 16 following, a penalty of six percent shall accrue and be charged on all such unpaid taxes and on December 1 following, an additional two percent shall be charged on all such unpaid taxes. Thereafter for class 2a agricultural nonhomestead property, on November 16 following, a penalty of eight percent shall accrue and be charged on all such unpaid taxes and on December 1 following, an additional four percent shall be charged on all such unpaid taxes. Penalties shall attach as provided in subdivision 1.

If the owner of class 1b agricultural homestead or class 2a agricultural property receives a consolidated property tax statement that shows only an aggregate of the taxes and special assessments due on that property and on other property not classified as class 1b agricultural homestead or class 2a agricultural property, the aggregate tax and special assessments shown due on the property by the consolidated statement will be due on November 15.

(b) Notwithstanding paragraph (a), for taxes payable in 2010 and 2011, for any class 2b property that was subject to a second half due date of November 15 for taxes payable in 2009, the county shall not impose, or if imposed, shall abate penalty amounts in excess of those that would apply as if the second half due date were November 15.

**EFFECTIVE DATE.** (a) Except as provided in paragraph (b), this section is effective beginning with taxes payable in 2018.

(b) For property in the northern forest region, the provisions in this section applicable to class 2b rural vacant land are effective beginning with taxes payable in 2019.

(a) Except for properties described in paragraphs (b) and (c), or properties for which the period of redemption has been limited under sections 281.173 and 281.174, the following periods for period of redemption apply:

The period of redemption for all lands sold to the state at a tax judgment sale shall be three years from the date of sale to the state of Minnesota.

The period of redemption for homesteaded lands as defined in section 273.13, subdivision 22, located in a targeted neighborhood as defined in Laws 1987, chapter 386, article 6, section 4, and sold to the state at a tax judgment sale is three years from the date of sale.

(c) The period of redemption for all real property constituting a mixed municipal solid waste disposal facility that is a qualified facility under section 115B.39, subdivision 1, is one year from the date of the sale to the state of Minnesota.

(d) In determining the period of redemption, the county must use the property's classification and homestead classification for the assessment year on which the tax judgment is based. Any change in the property's classification or homestead classification after the assessment year on which the tax judgment is based does not affect the period of redemption.

Sec. 29. Minnesota Statutes 2016, section 281.173, subdivision 2, is amended to read:

Subd. 2. **Summons and complaint.** Any city, county, housing and redevelopment authority, port authority, or economic development authority, in which the premises are located may commence an action in district court to reduce the period otherwise allowed for redemption under this chapter. The action must be commenced by the filing of a complaint, naming as defendants the record fee owners or the owner's personal representative, or the owner's heirs as determined by a court of competent jurisdiction, contract for deed purchasers, mortgagees, assigns of any of the above, the taxpayers as shown on the records of the county auditor, the Internal Revenue Service of the United States and the Revenue Department of the state of Minnesota if tax liens against the owners or contract for deed purchasers have been recorded or filed; and any other person the plaintiff determines should be made a party. The action shall be filed in district court for the county in which the premises are located. The complaint must identify the premises by legal description. The complaint must allege (1) that the premises are abandoned, (2) that the tax judgment sale pursuant to section 280.01 has been made, and (3) notice of expiration of the time for redemption has not been given.

The complaint must request an order reducing the redemption period to five weeks. When the complaint has been filed, the court shall issue a summons commanding the person or persons named in the complaint to appear before the court on a day and at a place stated in the summons. The appearance date shall be not less than 15 nor more than 25 days from the date of the issuing of the summons. A copy of the filed complaint must be attached to the summons.

The complaint must allege (1) that the property is vacant, (2) that the tax judgment sale under section 280.01 has been made, and (3) notice of expiration of the time for redemption has not been given.

The complaint must request an order reducing the redemption period to five weeks. When the complaint has been filed, the court shall issue a summons commanding the person or persons named in the complaint to appear before the court on a day and at a place stated in the summons. The appearance date shall be not less than 15 nor more than 25 days from the date of the issuing of the summons, except that, when the United States of America is a party, the date shall be set in accordance with applicable federal law. A copy of the filed complaint must be attached to the summons.

Sec. 31. [281.231] **MAINTENANCE; EXPENDITURE OF PUBLIC FUNDS.**

If the county auditor provides notice as required by section 281.23, the state, agency, political subdivision, or other entity that becomes the fee owner or manager of a property as a result of forfeiture due to nonpayment of real property taxes is not required to expend public funds to maintain any servitude, agreement, easement, or other encumbrance affecting the property. The fee owner or manager of a property may, at its discretion, spend public funds necessary for the maintenance, security, or management of the property.

Sec. 32. [281.70] **LIMITED RIGHT OF ENTRY.**

Subdivision 1. **Limited right of entry.** If premises described in a real estate tax judgment sale are vacant or unoccupied, the county auditor or a person acting on behalf of the county auditor may, but is not obligated to, enter the premises to protect the premises from waste or trespass until the county auditor is notified that the premises are occupied. An affidavit of the sheriff, the county auditor, or a person acting on behalf of the county auditor describing the premises and stating that the premises are vacant and unoccupied is prima facie evidence of the facts stated in the affidavit. If the affidavit contains a legal description of the premises, the affidavit may be recorded in the office of the county recorder or the registrar of titles in the county where the premises are located.

Subd. 2. **Authorized actions.** (a) The county auditor may take one or more of the following actions to protect the premises from waste or trespass:

(b) install or change locks on doors and windows;

(2) board windows; and

(3) other actions to prevent or minimize damage to the premises from the elements, vandalism, trespass, or other illegal activities.
(b) If the county auditor installs or changes locks on premises under paragraph (a), the county auditor must promptly deliver a key to the premises to the taxpayer or any person lawfully claiming through the taxpayer upon request.

Subd. 3. **Costs.** Costs incurred by the county auditor in protecting the premises from waste or trespass under this section may be added to the delinquent taxes due. The costs may bear interest to the extent provided, and interest may be added to the delinquent taxes due.

Subd. 4. **Scope.** The actions authorized under this section are in addition to, and do not limit or replace, any other rights or remedies available to the county auditor under Minnesota law.

Sec. 33. Minnesota Statutes 2016, section 282.01, subdivision 4, is amended to read:

Subd. 4. **Sale: method; requirements; effects.** (a) The sale authorized under subdivision 3 must be conducted by the county auditor at the county seat of the county in which the parcels lie, except that in St. Louis and Koochiching Counties, the sale may be conducted in any county facility within the county. The sale must not be for less than the appraised value except as provided in subdivision 7a. The parcels must be sold for cash only, unless the county board of the county has adopted a resolution providing for their sale on terms, in which event the resolution controls with respect to the sale. When the sale is made on terms other than for cash only (1) a payment of at least ten percent of the purchase price must be made at the time of purchase, and the balance must be paid in no more than ten equal annual installments, or (2) the payments must be made in accordance with county board policy, but in no event may the board require more than 12 installments annually, and the contract term must not be for more than ten years. Standing timber or timber products must not be removed from these lands until an amount equal to the appraised value of all standing timber or timber products on the lands at the time of purchase has been paid by the purchaser. If a parcel of land bearing standing timber or timber products is sold at public auction for more than the appraised value, the amount bid in excess of the appraised value must be allocated between the land and the timber in proportion to their respective appraised values. In that case, standing timber or timber products must not be removed from the land until the amount of the excess bid allocated to timber or timber products has been paid in addition to the appraised value of the land. The purchaser is entitled to immediate possession, subject to the provisions of any existing valid lease made in behalf of the state.

(b) For sales occurring on or after July 1, 1982, the unpaid balance of the purchase price is subject to interest at the rate determined pursuant to section 549.09. The unpaid balance of the purchase price for sales occurring after December 31, 1990, is subject to interest at the rate determined in section 279.03, subdivision 1a. The interest rate is subject to change each year on the unpaid balance in the manner provided for rate changes in section 549.09 or 279.03, subdivision 1a, whichever, is applicable. Interest on the unpaid contract balance on sales occurring before July 1, 1982, is payable at the rate applicable to the sale at the time that the sale occurred.

(c) Notwithstanding subdivision 7, a county board may by resolution provide for the listing and sale of individual parcels by other means, including through a real estate broker. However, if the buyer under this paragraph could have repurchased a parcel of property under section 282.012 or 282.241, that buyer may not purchase that same parcel of property at the sale under this subdivision for a purchase price less than the sum of all taxes, assessments, penalties, interest, and costs due at the time of forfeiture computed under section 282.251, and any special assessments for improvements certified as of the date of sale. This subdivision shall be liberally construed to encourage the sale and utilization of tax-forfeited land in order to eliminate nuisances and dangerous conditions and to increase compliance with land use ordinances.

Sec. 34. Minnesota Statutes 2016, section 282.01, subdivision 6, is amended to read:

Subd. 6. **Duties of commissioner after sale.** (a) When any sale has been made by the county auditor under sections 282.01 to 282.13, the auditor shall immediately certify to the commissioner of revenue such information relating to such sale, on such forms as the commissioner of revenue may prescribe as will enable the commissioner of revenue to prepare an appropriate deed if the sale is for cash, or keep necessary records if the sale is on terms; and
not later than October 31 of each year the county auditor shall submit to the commissioner of revenue a statement of all instances wherein any payment of principal, interest, or current taxes on lands held under certificate, due or to be paid during the preceding calendar years, are still outstanding at the time such certificate is made. When such statement shows that a purchaser or the purchaser’s assignee is in default, the commissioner of revenue may instruct the county board of the county in which the land is located to cancel said certificate of sale in the manner provided by subdivision 5, provided that upon recommendation of the county board, and where the circumstances are such that the commissioner of revenue after investigation is satisfied that the purchaser has made every effort reasonable to make payment of both the annual installment and said taxes, and that there has been no willful neglect on the part of the purchaser in meeting these obligations, then the commissioner of revenue may extend the time for the payment for such period as the commissioner may deem warranted, not to exceed one year. On payment in full of the purchase price, appropriate conveyance in fee, in such form as may be prescribed by the attorney general, shall be issued by the commissioner of revenue, which conveyance must be recorded by the county and shall have the force and effect of a patent from the state subject to easements and restrictions of record at the date of the tax judgment sale, including, but without limitation, permits for telephone and electric power lines either by underground cable or conduit or otherwise, sewer and water lines, highways, railroads, and pipe lines for gas, liquids, or solids in suspension.

(b) The commissioner of revenue shall issue an appropriate conveyance in fee upon the receipt of a loan commitment or approval from the county auditor. For purposes of this paragraph, “loan commitment” or “loan approval” means a written commitment or approval to make a mortgage loan from a lender approved to make mortgage loans in Minnesota. The conveyance shall be issued to the county auditor where the land is located. Upon receipt of the conveyance, the county auditor shall hold the conveyance until such time as the conveyance is requested from a title company licensed to do business in Minnesota. If a request for the conveyance is not made within 45 days of the date the conveyance is issued by the commissioner of revenue, the county auditor shall return the conveyance to the commissioner. The title company making the request for the conveyance shall certify to the county auditor that the conveyance is necessary to close the purchase of the subject property within five days of the request. If the conveyance is delivered to the title company and the closing does not occur within five days of the request, the title company shall immediately return the conveyance to the county auditor, and upon receipt, the county auditor shall return the deed to the commissioner of revenue. The commissioner of revenue shall destroy all deeds returned by the county auditor pursuant to this subdivision.

The authority having jurisdiction over the timber on any such lands may sell the timber as otherwise provided by law for cutting and removal under such conditions as the authority may prescribe in accordance with approved, sustained yield forestry practices. The authority having jurisdiction over the timber shall reserve such timber and impose such conditions as the authority deems necessary for the protection of watersheds, wildlife habitat, shorelines, and scenic features. Within the area in Cook, Lake, and St. Louis counties described in the Act of Congress approved July 10, 1930 (46 Stat. 1020), the timber on tax-forfeited lands shall be subject to like restrictions as are now imposed by that act on federal lands.

(c) Any tract or parcel of land which has 150 feet or less of waterfront may be sold by the authority having jurisdiction over the land, in the manner otherwise provided by law for the sale of such lands, if the authority determines that it is in the public interest to do so. If the authority having jurisdiction over the land is not the commissioner of natural resources, the land may not be offered for sale without the prior approval of the commissioner of natural resources.

(d) Where the authority having jurisdiction over lands withdrawn from sale under this section is not the commissioner of natural resources, the authority may submit proposals for disposition of the lands to the commissioner. The commissioner of natural resources shall evaluate the lands and their public benefits and make recommendations on the proposed dispositions to the committees of the legislature with jurisdiction over natural resources. The commissioner shall include any recommendations of the commissioner for disposition of lands withdrawn from sale under this section over which the commissioner has jurisdiction. The commissioner's recommendations may include a public sale, sale to a private party, acquisition by the Department of Natural Resources for public purposes, or a cooperative management agreement with, or transfer to, another unit of government.

The county auditor shall also mail notice to the owners of land adjoining the parcel to be sold. (c) If the county board of St. Louis or Koochiching Counties determines that the sale shall take place in a county facility other than the courthouse, the notice shall specify the facility and its location. The parcel of land may be repurchased for the sum of all delinquent taxes and assessments computed under section 282.251, together with penalties, interest, and costs, that accrued or would have accrued if the parcel of land had not forfeited to the state. Except for property which was homesteaded on the date of forfeiture, repurchase is permitted during one year six months only from the date of forfeiture, and in any case only after the adoption of a resolution by the board of county commissioners determining that by repurchase undue hardship or injustice resulting from the forfeiture will be corrected, or that permitting the repurchase will promote the use of the lands that will best serve the public interest. If the county board has good cause to believe that a repurchase installment payment plan for a particular parcel is unnecessary and not in the public interest, the county board may require as a condition of repurchase that the entire repurchase price be paid at the time of repurchase. A repurchase is subject to any easement, lease, or other encumbrance granted by the state before the repurchase, and if the land is located within a restricted area established by any county under Laws 1939, chapter 340, the repurchase must not be permitted unless the resolution approving the repurchase is adopted by the unanimous vote of the board of county commissioners.
The person seeking to repurchase under this section shall pay all maintenance costs incurred by the county auditor during the time the property was tax-forfeited.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Upon the filing of such the list of forfeited lands, the county auditor shall withhold said lands from repurchase. If no proceeding shall be is started to acquire such lands by the state or some municipal subdivision thereof of the state within one year after the filing of such the list of forfeited lands, the county board shall withdraw said the list and thereafter, if the property was classified as nonhomestead at the time of forfeiture, the owner shall have one year not more than six months in which to repurchase.

Property taxes are considered payable in the year prescribed by law for payment of the taxes.

Subd. 3. **Credit reimbursements.** The county auditor shall determine the tax reductions allowed under this section within the county for each taxes payable year and shall certify that amount to the commissioner of revenue as a part of the abstracts of tax lists submitted under section 275.29. Subd. 4. **Payment.** The commissioner of revenue shall certify the total of the tax reductions granted under this section for each taxes payable year within each school district to the commissioner of education, who shall pay the reimbursement amounts to each school district as provided in section 273.1392.

Subd. 5. **Appropriation.** An amount sufficient to make the payments required by this section is annually appropriated from the general fund to the commissioner of education.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 5. Minnesota Statutes 2016, section 273.1392, is amended to read:

**273.1392 PAYMENT; SCHOOL DISTRICTS.**

The amounts of bovine tuberculosis credit reimbursements under section 273.113; conservation tax credits under section 273.119; disaster or emergency reimbursement under sections 273.1231 to 273.1235; homestead and agricultural credits under sections 273.1384 and 273.1387; aids and credits under section 273.1398; enterprise zone property credit payments under section 469.171; and metropolitan agricultural preserve reduction under section 473H.10 for school districts, shall be certified to the Department of Education by the Department of Revenue. The amounts so certified shall be paid according to section 127A.45, subdivisions 9, 10, and 13.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 6. Minnesota Statutes 2016, section 273.1393, is amended to read:

**273.1393 COMPUTATION OF NET PROPERTY TAXES.**

Notwithstanding any other provisions to the contrary, "net" property taxes are determined by subtracting the credits in the order listed from the gross tax:

(1) disaster credit as provided in sections 273.1231 to 273.1235;

(2) powerline credit as provided in section 273.42;
(3) agricultural preserves credit as provided in section 473H.10;

(4) enterprise zone credit as provided in section 469.171;

(5) disparity reduction credit;

(6) conservation tax credit as provided in section 273.119;

(7) the school bond credit as provided in section 273.1387;

(8) agricultural credit as provided in section 273.1384;

(9) taconite homestead credit as provided in section 273.135;

(10) supplemental homestead credit as provided in section 273.1391; and

(11) the bovine tuberculosis zone credit, as provided in section 273.113.

The combination of all property tax credits must not exceed the gross tax amount.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 7. Minnesota Statutes 2016, section 275.065, subdivision 3, is amended to read:

Subd. 3. Notice of proposed property taxes.  (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes.  Upon written request by the taxpayer, the treasurer may send the notice in electronic form or by electronic mail instead of on paper or by ordinary mail.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority proposes to collect for taxes payable the following year.  In the case of a town, or in the case of the state general tax, the final tax amount will be its proposed tax.  The notice must clearly state for each city that has a population over 500, county, school district, regional library authority established under section 134.201, and metropolitan taxing districts as defined in paragraph (i), the time and place of a meeting for each taxing authority in which the budget and levy will be discussed and public input allowed, prior to the final budget and levy determination.  The taxing authorities must provide the county auditor with the information to be included in the notice on or before the time it certifies its proposed levy under subdivision 1.  The public must be allowed to speak at that meeting, which must occur after November 24 and must not be held before 6:00 p.m.  It must provide a telephone number for the taxing authority that taxpayers may call if they have questions related to the notice and an address where comments will be received by mail, except that no notice required under this section shall be interpreted as requiring the printing of a personal telephone number or address as the contact information for a taxing authority.  If a taxing authority does not maintain public offices where telephone calls can be received by the authority, the authority may inform the county of the lack of a public telephone number and the county shall not list a telephone number for that taxing authority.

(d) The notice must state for each parcel:
(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year as each appears in the records of the county assessor on November 1 of the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;

(2) the items listed below, shown separately by county, city or town, and state general tax, agricultural homestead credit under section 273.1384, school building bond agricultural credit under section 273.1387, voter approved school levy, other local school levy, and the sum of the special taxing districts, and as a total of all taxing authorities:

(i) the actual tax for taxes payable in the current year; and

(ii) the proposed tax amount.

If the county levy under clause (2) includes an amount for a lake improvement district as defined under sections 103B.501 to 103B.581, the amount attributable for that purpose must be separately stated from the remaining county levy amount.

In the case of a town or the state general tax, the final tax shall also be its proposed tax unless the town changes its levy at a special town meeting under section 365.52. If a school district has certified under section 126C.17, subdivision 9, that a referendum will be held in the school district at the November general election, the county auditor must note next to the school district's proposed amount that a referendum is pending and that, if approved by the voters, the tax amount may be higher than shown on the notice. In the case of the city of Minneapolis, the levy for Minneapolis Park and Recreation shall be listed separately from the remaining amount of the city's levy. In the case of the city of St. Paul, the levy for the St. Paul Library Agency must be listed separately from the remaining amount of the city's levy. In the case of Ramsey County, any amount levied under section 134.07 may be listed separately from the remaining amount of the county's levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax under chapter 276A or 473F applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease between the total taxes payable in the current year and the total proposed taxes, expressed as a percentage.

For purposes of this section, the amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under chapter 290B is the total amount of property tax before subtraction of the deferred property tax amount.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda and school district levy referenda;

(3) a levy limit increase approved by the voters by the first Tuesday after the first Monday in November of the levy year as provided under section 275.73;

(4) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;
(5) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; and

(6) the contamination tax imposed on properties which received market value reductions for contamination.

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead, and satisfactory documentation is provided to the county assessor by the applicable deadline, and the property qualifies for the homestead classification in that assessment year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

(i) For purposes of this subdivision and subdivision 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

(1) Metropolitan Council under section 473.132, 473.167, 473.249, 473.325, 473.446, 473.521, 473.547, or 473.834;

(2) Metropolitan Airports Commission under section 473.667, 473.671, or 473.672; and

(3) Metropolitan Mosquito Control Commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy.

(j) The governing body of a county, city, or school district may, with the consent of the county board, include supplemental information with the statement of proposed property taxes about the impact of state aid increases or decreases on property tax increases or decreases and on the level of services provided in the affected jurisdiction. This supplemental information may include information for the following year, the current year, and for as many consecutive preceding years as deemed appropriate by the governing body of the county, city, or school district. It may include only information regarding:

(1) the impact of inflation as measured by the implicit price deflator for state and local government purchases;

(2) population growth and decline;
(3) state or federal government action; and

(4) other financial factors that affect the level of property taxation and local services that the governing body of the county, city, or school district may deem appropriate to include.

The information may be presented using tables, written narrative, and graphic representations and may contain instruction toward further sources of information or opportunity for comment.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 8. Minnesota Statutes 2016, section 275.07, subdivision 2, is amended to read:

Subd. 2. School district in more than one county levies; special requirements. (a) In school districts lying in more than one county, the clerk shall certify the tax levied to the auditor of the county in which the administrative offices of the school district are located.

(b) The district must identify the portion of the school district levy that is levied for debt service at the time the levy is certified under this section. For the purposes of this paragraph, "levied for debt service" means levies authorized under sections 123B.53, 123B.535, and 123B.55, as adjusted by sections 126C.46 and 126C.48, net of any debt excess levy reductions under section 475.61, subdivision 4, excluding debt service amounts necessary for repayment of other postemployment benefits under section 475.52, subdivision 6.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 9. Minnesota Statutes 2016, section 275.08, subdivision 1b, is amended to read:

Subd. 1b. Computation of tax rates. (a) The amounts certified to be levied against net tax capacity under section 275.07 by an individual local government unit shall be divided by the total net tax capacity of all taxable properties within the local government unit's taxing jurisdiction. The resulting ratio, the local government's local tax rate, multiplied by each property's net tax capacity shall be each property's net tax capacity tax for that local government unit before reduction by any credits.

(b) The auditor must also determine the school debt tax rate for each school district equal to (1) the school debt service levy certified under section 275.07, subdivision 2, divided by (2) the total net tax capacity of all taxable property within the district.

(c) Any amount certified to the county auditor to be levied against market value shall be divided by the total referendum market value of all taxable properties within the taxing district. The resulting ratio, the taxing district's new referendum tax rate, multiplied by each property's referendum market value shall be each property's new referendum tax before reduction by any credits. For the purposes of this subdivision, "referendum market value" means the market value as defined in section 126C.01, subdivision 3.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.

Sec. 10. Minnesota Statutes 2016, section 276.04, subdivision 2, is amended to read:

Subd. 2. Contents of tax statements. (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. The tax statement must not state or imply that property tax credits are paid by the state of Minnesota. The statement must contain a tabulated statement of the dollar amount due to each taxing authority and the amount of the state tax from the parcel of real property for which a particular tax statement is prepared. The dollar amounts attributable to the county, the
state tax, the voter approved school tax, the other local school tax, the township or municipality, and the total of the metropolitan special taxing districts as defined in section 275.065, subdivision 3, paragraph (i), must be separately stated. The amounts due all other special taxing districts, if any, may be aggregated except that any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be listed on a separate line directly under the appropriate county's levy. If the county levy under this paragraph includes an amount for a lake improvement district as defined under sections 103B.501 to 103B.581, the amount attributable for that purpose must be separately stated from the remaining county levy amount. In the case of Ramsey County, if the county levy under this paragraph includes an amount for public library service under section 134.07, the amount attributable for that purpose may be separated from the remaining county levy amount. The amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under chapter 290B is the total amount of property tax before subtraction of the deferred property tax amount. The amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any, must also be separately stated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar. The amount of market value excluded under section 273.11, subdivision 16, if any, must also be listed on the tax statement.

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.

(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the right column with the corresponding information for the previous year in a column on the left:

(1) the property's estimated market value under section 273.11, subdivision 1;
(2) the property's homestead market value exclusion under section 273.13, subdivision 35;
(3) the property's taxable market value under section 272.03, subdivision 15;
(4) the property's gross tax, before credits;
(5) for homestead agricultural properties, the credit credits under section sections 273.1384 and 273.1387;
(6) any credits received under sections 273.119; 273.1234 or 273.1235; 273.135; 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit received under section 273.135 must be separately stated and identified as "taconite tax relief"; and
(7) the net tax payable in the manner required in paragraph (a).

(d) If the county uses envelopes for mailing property tax statements and if the county agrees, a taxing district may include a notice with the property tax statement notifying taxpayers when the taxing district will begin its budget deliberations for the current year, and encouraging taxpayers to attend the hearings. If the county allows notices to be included in the envelope containing the property tax statement, and if more than one taxing district relative to a given property decides to include a notice with the tax statement, the county treasurer or auditor must coordinate the process and may combine the information on a single announcement.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2018.
Sec. 11. Minnesota Statutes 2016, section 290A.04, subdivision 2, is amended to read:

Subd. 2. **Homeowners; homestead credit refund.** A claimant whose property taxes payable are in excess of the percentage of the household income stated below shall pay an amount equal to the percent of income shown for the appropriate household income level along with the percent to be paid by the claimant of the remaining amount of property taxes payable. The state refund equals the amount of property taxes payable that remain, up to the state refund amount shown below.

Sec. 13. Minnesota Statutes 2016, section 290A.04, subdivision 4, is amended to read:

**Subd. 4. Inflation adjustment.** (a) Beginning for property tax refunds payable in calendar year 2002, the commissioner shall annually adjust the dollar amounts of the income thresholds and the maximum refunds under subdivisions 2 and 2a for inflation. The commissioner shall make the inflation adjustments in accordance with section 1(f) of the Internal Revenue Code, except that for purposes of this subdivision the percentage increase shall be determined as provided in this subdivision.

(b) In adjusting the dollar amounts of the income thresholds and the maximum refunds under subdivision 2 for inflation, the percentage increase shall be determined from the year ending on June 30, 2013 to the year ending on June 30 of the year preceding that in which the refund is payable.

(c) In adjusting the dollar amounts of the income thresholds and the maximum refunds under subdivision 2a for inflation, the percentage increase shall be determined from the year ending on June 30, 2013 to the year ending on June 30 of the year preceding that in which the refund is payable.

(d) The commissioner shall use the appropriate percentage increase to annually adjust the income thresholds and maximum refunds under subdivisions 2 and 2a for inflation without regard to whether or not the income tax brackets are adjusted for inflation in that year. The commissioner shall round the thresholds and the maximum amounts under subdivision 2, as adjusted to the nearest $10 amount. If the amount ends in $5, the commissioner shall round it up to the next $10 amount. The commissioner shall round the maximum amounts under subdivision 2, as adjusted

to the nearest $1 amount. The commissioner shall round the thresholds and the maximum amounts under subdivision 2a, as adjusted to the nearest $10 amount. If the amount ends in $5, the commissioner shall round it up to the next $10 amount.

(e) The commissioner shall annually announce the adjusted refund schedule at the same time provided under section 290.06. The determination of the commissioner under this subdivision is not a rule under the Administrative Procedure Act.

**EFFECTIVE DATE.** This section is effective for refunds based on taxes payable in 2019 and rent paid in 2018 and following years.

Sec. 14. Minnesota Statutes 2016, section 469.169, is amended by adding a subdivision to read:

Subd. 20. **Additional border city allocations.** (a) In addition to the tax reductions authorized in subdivisions 12 to 19, the commissioner shall allocate $3,000,000 for tax reductions to border city enterprise zones in cities located on the western border of the state. The commissioner shall allocate this amount among cities on a per capita basis. Allocations under this subdivision may be used for tax reductions under sections 469.171, 469.1732, and 469.1734, or for other offsets of taxes imposed on or remitted by businesses located in the enterprise zone, but only if the municipality determines that the granting of the tax reduction or offset is necessary to retain a business within or attract a business to the zone.

(b) The allocations under this subdivision do not cancel or expire, but remain available until used by the city.

Sec. 15. Minnesota Statutes 2016, section 477A.011, subdivision 34, is amended to read:

Subd. 34. **City revenue need.** (a) For a city with a population equal to or greater than 10,000, "city revenue need" is 1.15 times the sum of (1) 4.59 times the pre-1940 housing percentage; plus (2) 0.622 times the percent of housing built between 1940 and 1970; plus (3) 169.415 times the jobs per capita; plus (4) the sparsity adjustment; plus (5) 307.664.

(b) For a city with a population equal to or greater than 2,500 and less than 10,000, "city revenue need" is 1.15 times the sum of (1) 572.62; plus (2) 5.026 times the pre-1940 housing percentage; minus (3) 53.768 times the household size; plus (4) 14.022 times peak population decline; plus (5) the sparsity adjustment.

(c) For a city with a population less than 2,500, "city revenue need" is the sum of (1) 410 plus; (2) 0.367 times the city's population over 100; plus (3) the sparsity adjustment. The city revenue need for a city under this paragraph shall not exceed 630 plus the city's sparsity adjustment.

(d) For a city with a population of at least 2,500 but less than 3,000, the "city revenue need" equals (1) the transition factor times the city's revenue need calculated in paragraph (b); plus (2) 630 times the difference between one and the transition factor. For a city with a population of at least 10,000 but less than 11,000, the "city revenue need" equals (1) the transition factor times the city's revenue need calculated in paragraph (a); plus (2) the city's revenue need calculated under the formula in paragraph (b) times the difference between one and the transition factor. For purposes of the first sentence of this paragraph "transition factor" is 0.2 percent times the amount that the city's population exceeds the minimum threshold in either of the first two sentences. For purposes of the second sentence of this paragraph, "transition factor" is 0.1 percent times the amount that the city's population exceeds the minimum threshold.

(e) The city revenue need cannot be less than zero.
(f) For calendar year 2015 and subsequent years, the city revenue need for a city, as determined in paragraphs (a) to (e), is multiplied by the ratio of the annual implicit price deflator for government consumption expenditures and gross investment for state and local governments as prepared by the United States Department of Commerce, for the most recently available year to the 2013 implicit price deflator for state and local government purchases.

**EFFECTIVE DATE.** This section is effective for aids payable in calendar year 2018 and thereafter.

Sec. 16. Minnesota Statutes 2016, section 477A.011, subdivision 45, is amended to read:

Subd. 45. **Sparsity adjustment.** For a city with a population of 10,000 or more, the sparsity adjustment is 100 for any city with an average population density less than 150 per square mile, according to the most recent federal census, and for any city with an average population density less than 30 per square mile, according to the most recent federal census. The sparsity adjustment is zero for all other cities.

**EFFECTIVE DATE.** This section is effective for aids payable in calendar year 2018 and thereafter.

Sec. 17. Minnesota Statutes 2016, section 477A.0124, subdivision 4, is amended to read:

Subd. 4. **County tax-base equalization aid.** (a) For 2006 and subsequent years, the money appropriated to county tax-base equalization aid each calendar year, after the payment under paragraph (f), shall be apportioned among the counties according to each county’s tax-base equalization aid factor.

(b) A county's tax-base equalization aid factor is equal to the amount by which (i) $185 times the county’s population, exceeds (ii) 9.45 nine percent of the county’s net tax capacity.

(c) In the case of a county with a population less than 10,000, the factor determined in paragraph (b) shall be multiplied by a factor of three.

(d) In the case of a county with a population greater than or equal to 10,000, but less than 12,500, the factor determined in paragraph (b) shall be multiplied by a factor of two.

(e) In the case of a county with a population greater than 500,000, the factor determined in paragraph (b) shall be multiplied by a factor of 0.25.

(f) Before the money appropriated to county base equalization aid is apportioned among the counties as provided in paragraph (a), an amount up to $73,259 is allocated annually to Anoka County and up to $59,664 is annually allocated to Washington County for the county to pay postretirement costs of health insurance premiums for court employees. The allocation under this paragraph is in addition to the allocations under paragraphs (a) to (e). Beginning with aid payable in 2019, the amount under paragraph (b), item (i), shall be increased by the ratio of the statewide net tax capacity per capita to the statewide net tax capacity per capita in the 2017 assessment year, provided that in no case shall the ratio be less than one or the ratio in the prior year, whichever is greater. The amount shall be rounded to the nearest $10. The statewide net tax capacity per capita shall be calculated using the most recent population available for the relevant assessment year at the time of the calculation of the aid by the commissioner under section 477A.014.

(g) For distributions in 2018 and subsequent years, the allocation to a county under paragraphs (a) to (e) shall not be less than:

(1) an amount equal to 0.27 percent of the total appropriation available for that year under section 477A.03, subdivision 2b, paragraph (b); or

(2) 95 percent of the tax base equalization aid for the county in the prior year, whichever is greater.
If the sum of aids payable to counties under this subdivision exceeds the limit under section 477A.03, subdivision 2b, paragraph (b), the distribution for those counties whose aid amounts exceed their minimum aid must be proportionately reduced so that the amount of aid distributed under this subdivision does not exceed the limit in section 477A.03, subdivision 2b, paragraph (b).

**EFFECTIVE DATE.** This section is effective for aids payable in 2018 and thereafter.

Sec. 18. [477A.0126] REIMBURSEMENT OF COUNTY AND TRIBES FOR CERTAIN OUT-OF-HOME PLACEMENT.

Subdivision 1. **Definition.** For purposes of this section, "out-of-home placement" means 24-hour substitute care for an Indian child as defined by section 260C.007, subdivision 21, placed under chapter 260C and the Indian Child Welfare Act (ICWA), away from the child's parent or guardian and for whom the county social services agency or county correctional agency has been assigned responsibility for the child's placement and care, which includes placement in foster care under section 260C.007, subdivision 18, and a correctional facility pursuant to a court order.

Subd. 2. **Determination of nonfederal share of costs.** (a) By July 1, 2017, each county shall report the following information to the commissioners of human services and corrections:

1. the separate amounts paid out of the county's social service agency and its corrections budget for out-of-home placement of children under the ICWA in calendar years 2013, 2014, and 2015; and
2. the number of case days associated with the expenditures from each budget.

The commissioner of human services shall prescribe the format of the report. By July 15, 2017, the commissioner of human services, in consultation with the commissioner of corrections, shall certify to the commissioner of revenue and to the legislative committees with jurisdiction over local government aids and out-of-home placement funding whether the data reported under this subdivision accurately reflect total expenditures by counties for out-of-home placement costs of children under the ICWA.

(b) By January 1, 2018, and each January 1 thereafter, each county shall report to the commissioners of human services and corrections the separate amounts paid out of the county's social service agency and its corrections budget for out-of-home placement of children under the ICWA in the calendar years two years before the current calendar year along with the number of case days associated with the expenditures from each budget. The commissioner of human services shall prescribe the format of the report.

(c) Until the commissioner of human services develops another mechanism for collecting and verifying data on out-of-home placements of children under the ICWA, and the legislature authorizes the use of that data, the data collected under this subdivision must be used to calculate payments under subdivision 3. The commissioner of human services shall certify the nonfederal out-of-home placement costs for the three prior calendar years for each county and the amount of any federal reimbursement received by a tribe under the ICWA for the three prior calendar years to the commissioner of revenue by June 1 of the year before the aid payment.

Subd. 3. **Aid for counties.** For aids payable in calendar year 2018 and thereafter, the amount of reimbursement to each county is a county's proportionate share of the appropriation in subdivision 6 that remains after the aid for tribes has been paid. Each county's proportionate share is based on the county's average nonfederal share of the cost for out-of-home placement of children under the ICWA for the three calendar years that were certified by the commissioner of human services by June 1 of the prior year, provided that the commissioner of human services, in consultation with the commissioner of corrections, certifies to the commissioner of revenue that accurate data are available to make the aid determination under this section. For aids payable in calendar year 2018, each county's proportionate share is based on the county's nonfederal share of the cost for out-of-home placement of children under the ICWA that was certified by the commissioner of human services by July 15, 2017.
Subd. 4. Aid for tribes. For aids payable in 2018 and thereafter, the amount of reimbursement to each tribe shall be the greater of:

(1) five percent of the average reimbursement amount received from the federal government for out-of-home placement costs for the three calendar years that were certified by June 1 of the prior year; or

(2) $200,000.

Subd. 5. Payments. The commissioner of revenue must compute the amount of the reimbursement aid payable to each county and tribe under this section. On or before August 1 of each year, the commissioner shall certify the amount to be paid to each county and tribe in the following year. The commissioner shall pay reimbursement aid annually at the times provided in section 477A.015.

Subd. 6. Appropriation. $10,000,000 is annually appropriated to the commissioner of revenue from the general fund to pay aid under this section.

EFFECTIVE DATE. This section is effective beginning with aids payable in 2018.

Sec. 19. Minnesota Statutes 2016, section 477A.013, subdivision 8, is amended to read:

Subd. 8. City formula aid. (a) For aids payable in 2015 and thereafter, the formula aid for a city is equal to the sum of (1) its formula aid in the previous year and (2) the product of (i) the difference between its unmet need and its formula certified aid in the previous year before any aid adjustment under subdivision 13, and (ii) the aid gap percentage.

(b) For aids payable in 2015 and thereafter, if a city's certified aid from the previous year is greater than the sum of its unmet need plus its aid adjustment under subdivision 13, its formula aid is adjusted to equal its unmet need.

(c) No city may have a formula aid amount less than zero. The aid gap percentage must be the same for all cities subject to paragraph (a).

(d) The applicable aid gap percentage must be calculated by the Department of Revenue so that the total of the aid under subdivision 9 equals the total amount available for aid under section 477A.03. The aid gap percentage must be the same for all cities subject to paragraph (a). Data used in calculating aids to cities under sections 477A.011 to 477A.013 shall be the most recently available data as of January 1 in the year in which the aid is calculated.

EFFECTIVE DATE. This section is effective for aids payable in calendar year 2018 and thereafter.

Sec. 20. [477A.0135] AID REDUCTIONS FOR PAYMENTS TO A WORLD FAIR OR EXPO.

If a county, statutory or home rule charter city, or town makes a payment or contribution to Expo2023 or any similar organization with the mission of advocating, promoting, or running a world fair or expo in the state of Minnesota in any year, it must report that amount to the commissioner by January 15 of the year following the year in which the payment or contribution is made. The commissioner shall reduce the aid paid to a county, city, or town under section 477A.014 from the amount certified to the county under section 477A.0124; to the city under section 477A.013, subdivision 9; or to the town under section 477A.013, subdivision 1, in the calendar year following the year in which the payment or contribution was made. The reduction is equal to the amount of the payment or contribution, but the aid paid to any county, city, or town may not be less than zero. Any savings in aid payments under this section shall stay in the general fund and shall not be redistributed to other counties, cities, or towns.

EFFECTIVE DATE. This section is effective for aids payable in calendar year 2018 and thereafter.
Sec. 21. [477A.0175] AID REDUCTIONS FOR OPERATING AN UNAUTHORIZED DIVERSION PROGRAM.

Subdivision 1. **Penalty for operating an unauthorized diversion program.** Notwithstanding any other law to the contrary, a county or city that operated a pretrial diversion program that a court determines was not authorized under section 169.999 or another statute or law must have its aid under sections 477A.011 to 477A.03 reduced by the amount of fees paid by participants into the program for the years in which the program operated. A court shall report any order that enjoins a county or city from operating a pretrial diversion program to the commissioner as required under subdivision 2. The commissioner shall, with the assistance of the state auditor, determine the amount of fees collected under the diversion program and reduce the county program aid paid to a county or the local government aid paid to a city by this amount beginning with the first aid payment made after the reduction amount is determined. No aid payment may be less than zero but the amount of the reduction that cannot be made out of that payment shall be applied to future payments until the total amount has been deducted.

Subd. 2. **Court challenge to authority to operate a pretrial diversion program.** Any taxpayer may challenge a city or county operation of a pretrial diversion program by filing a declaratory judgment action or seeking other appropriate relief in the district court for the county where the city is located or in any other court of competent jurisdiction. If the court finds that the county or city has exceeded its authority under law in operating the pretrial diversion program, the court must transmit a copy of the court order to the commissioner of revenue.

**EFFECTIVE DATE.** This section is effective the day following final enactment and applies beginning with the second aid payments under Minnesota Statutes, section 477A.015 in calendar year 2017.

Sec. 22. Minnesota Statutes 2016, section 477A.03, subdivision 2a, is amended to read:

Subd. 2a. **Cities.** The total aid paid under section 477A.013, subdivision 9, is $516,898,012 for aids payable in 2015. For aids payable in 2016 and thereafter, the total aid paid under section 477A.013, subdivision 9, is $519,398,012.

Sec. 23. Minnesota Statutes 2016, section 477A.03, subdivision 2b, is amended to read:

Subd. 2b. **Counties.** (a) For aids payable in 2014 and thereafter through 2024, the total aid payable under section 477A.0124, subdivision 3, is $104,909,575. Each calendar year, $500,000 of this appropriation shall be retained by the commissioner of revenue to make reimbursements to the commissioner of management and budget for payments made under section 611.27. The reimbursements shall be to defray the additional costs associated with court-ordered counsel under section 611.27. Any retained amounts not used for reimbursement in a year shall be included in the next distribution of county need aid that is certified to the county auditors for the purpose of property tax reduction for the next taxes payable year.

(b) For aids payable in 2014 through 2018 and thereafter, the total aid under section 477A.0124, subdivision 4, is $1,004,009,575. The commissioner of revenue shall transfer to the commissioner of management and budget $207,000 annually for the cost of preparation of local impact notes as required by section 3.987, and other local government activities. The commissioner of revenue shall transfer to the commissioner of education $7,000 annually for the cost of preparation of local impact notes for school districts as required by section 3.987. The commissioner of revenue shall deduct the amounts transferred under this paragraph from the appropriation under this paragraph. The amounts transferred are appropriated to the commissioner of management and budget and the commissioner of education respectively.
Sec. 24. Minnesota Statutes 2016, section 477A.03, subdivision 2c, is amended to read:

Subd. 2c. **Towns.** For aids payable in **2015 and thereafter** 2017, the total aids paid under section 477A.013, subdivision 1, is limited to $10,000,000. For aids payable in 2018 and thereafter, the total aids paid under section 477A.013, subdivision 1, is limited to $15,000,000.

**EFFECTIVE DATE.** This section is effective for aids payable in calendar year 2018 and thereafter.

Sec. 25. [477A.09] **MAXIMUM EFFORT LOAN AID.**

(a) For fiscal years 2018 to 2022, each school district with a maximum effort loan under sections 126C.61 to 126C.72, outstanding as of June 30, 2016, is eligible for an aid payment equal to one-fifth of the amount of interest that was paid on the loan between December 1, 1990, and June 30, 2016. A school district with a maximum effort capital loan outstanding as of June 30, 2017, is eligible for an annual aid payment equal to one-fifth of the estimated amount of interest that will be paid by the district on the loan between June 30, 2017, and June 30, 2021. Aid payments under this section must be used to reduce current year property taxes levied on net tax capacity within the district or to reduce future years' tax levies by:

(1) retaining payments made under this section in the district's debt redemption fund for up to 20 years, notwithstanding the two-year limit under section 475.61, subdivision 3; or

(2) financing a defeasance of any future payments on outstanding bonded debt.

(b) Aid under this section must be paid in fiscal years 2018 to 2022. An amount sufficient to make aid payments under this section is annually appropriated from the general fund to the commissioner of education.

**EFFECTIVE DATE.** This section is effective for fiscal years 2018 to 2022.

Sec. 26. [477A.21] **RIPARIAN PROTECTION AID.**

Subdivision 1. **Definition.** (a) For purposes of this section, the following terms have the meanings given.

(b) "Buffer protection map" means the buffer protection map as defined in section 103F.48, subdivision 1.

(c) "Commissioner" means the commissioner of revenue.

Subd. 2. **Certification to commissioner.** (a) The Board of Water and Soil Resources must certify to the commissioner by September 1, 2017, and by July 1 of each year thereafter, which counties and watershed districts have affirmed their jurisdiction under section 103F.48, and the proportion of the number of centerline miles of public watercourses, and the miles of public drainage system ditches on the buffer protection map, within each county and each watershed district within the county with affirmed jurisdiction.

(b) On or before July 1 of each year, the commissioner of natural resources shall certify to the commissioner the statewide and countywide number of centerline miles of public watercourses and the miles of public drainage system ditches on the buffer protection map.

Subd. 3. **Distribution.** (a) A county that is certified under subdivision 2, or that portion of a county containing a watershed district certified under subdivision 2, is eligible to receive aid under this section to enforce and implement the riparian protection and water quality practices under section 103F.48. The commissioner shall calculate a preliminary aid for all counties that shall equal the sum of (1) the total number of acres in the county classified as class 2a under section 273.13, subdivision 23; (2) the countywide number of centerline miles of public
watercourses on the buffer protection map; and (3) the countywide number of miles of public drainage system on the buffer protection map; divided by the sum of (4) the statewide total number of acres classified as class 2a under section 273.13, subdivision 23; (5) the statewide total number of centerline miles of public watercourses on the buffer protection map; and (6) the statewide total number of miles of public drainage system on the buffer protection map; multiplied by (7) $10,000,000.

(b) Aid to a county shall not be greater than $200,000 or less than $50,000. If the sum of the preliminary aids payable to counties under paragraph (a) is greater or less than the appropriation under subdivision 5, the commissioner shall calculate the percentage adjustment necessary so that the total of the aid under paragraph (a) equals the total amount available for aid under subdivision 5.

(c) If only a portion of a county is certified as eligible to receive aid under subdivision 2, the aid otherwise payable to that county under this section shall be multiplied by a fraction, the numerator of which is the area of the certified watershed districts contained within the county and the denominator of which is the total area of the county.

(d) Any aid that would otherwise be paid to a county or portion of a county that is not certified under subdivision 2 shall be paid to the Board of Water and Soil Resources for the purpose of enforcing and implementing the riparian protection and water quality practices under section 103F.48.

Subd. 4. **Payments.** The commissioner of revenue must compute the amount of riparian protection aid payable to each eligible county and to the Board of Water and Soil Resources under this section. On or before November 1, 2017, and on or before each August 1 thereafter, the commissioner shall certify the amount to be paid to each county and the Board of Water and Soil Resources in the following year. The commissioner shall pay riparian protection aid to counties and the Board of Water and Soil Resources in the same manner and at the same time as aid payments under section 477A.015.

Subd. 5. **Appropriation.** $10,000,000 is annually appropriated from the general fund to the commissioner to make the payments required under this section.

**EFFECTIVE DATE.** This section is effective beginning with aids payable in 2018.

Sec. 27. **ONETIME ADJUSTMENT FOR CERTAIN CITIES; AIDS PAYABLE IN 2017.**

(a) The amount of aid payable in 2017 to a city shall be increased to equal the amount of aid it received under Minnesota Statutes, section 477A.013, subdivision 9, for aids payable in 2016 if the following conditions are met:

(1) its certified aid under Minnesota Statutes, section 477A.013, subdivision 9, for aids payable in 2017, is less than its certified aid for aids payable in 2016; and

(2) its certified aid under Minnesota Statutes, section 477A.013, subdivision 9, for aids payable in 2016, is less than its unmet need under Minnesota Statutes, section 477A.011, subdivision 34, for aids payable in 2017.

(b) Any adjustment under this section shall be treated as an aid correction under Minnesota Statutes, section 477A.014, subdivision 3. The amount computed under this section shall be used as an affected city's 2017 certified aid amount when calculating its formula aid under Minnesota Statutes, section 477A.013, subdivision 8, for aids payable in 2018.

Subd. 1b. Outdoor heritage trust fund payment account; trust fund payments. (a) An outdoor heritage trust fund account is created in the special revenue fund. The State Board of Investment must ensure the account is invested under section 11A.24. The commissioner of management and budget must credit to the account all money appropriated to the account and all money earned by the account. The principal of the account and any unexpended earnings must be invested and reinvested by the State Board of Investment. Nothing in this section limits the source of contributions to the account. Money in the account must be used only for the purposes of this subdivision.

(b) State land acquired in fee simple in whole or in part with money appropriated from the outdoor heritage fund is eligible for a onetime trust fund payment as provided under this subdivision. The percentage of the total acres acquired in any purchase that is eligible for a trust fund payment under this subdivision is equal to the percentage of the total payment for the land funded from outdoor heritage fund revenues. If the percentage of the total payment for the land from the outdoor heritage fund is ten percent or less, the parcel is ineligible for a payment under this subdivision; if the percentage is 90 percent or more, the entire parcel is eligible for the payment under this subdivision. The commissioner of natural resources must certify to the commissioner of revenue and the county in which land eligible for a payment under this section is purchased the total number of acres purchased, the total payment for the land, and the amount of outdoor heritage fund revenues used for the purchase. The trust fund payment is equal to 30 times the land-related property taxes assessed on the eligible portion of the land in the year prior to the year in which the land is acquired. If the land was acquired from a private party that was exempt from paying property taxes, the payments must be based on 30 times the property taxes assessed on comparable land in the year prior to the year in which the land is acquired. By September 1 each year, the county in which the land is acquired must provide the commissioner of revenue with information necessary in a form determined by the commissioner of revenue with information necessary in a form determined by the commissioner of revenue to make this determination for all lands acquired for the 12-month period ending on June 30 of that year. The commissioner of revenue must make a trust fund payment on behalf of each county on the same date as the first payment under section 273.1384, subdivision 4, each year for all land acquired in that county in the 12-month period ending on June 30 of that year to the State Board of Investment as required under this paragraph. The money so deposited is money paid to the counties and may only be withdrawn for the purposes allowed under section 477A.30. The commissioner of revenue must inform each county by October 15 each year of the amount deposited on the county’s behalf with the State Board of Investment under this subdivision.

(c) The amount necessary to make the payments required under this subdivision is annually appropriated from the outdoor heritage trust fund payment account to the commissioner of revenue for deposit in the account for county joint trust fund payments in section 11A.237.
(d) To receive a trust fund payment under this subdivision, a county board must enter into an agreement with the State Board of Investment to allow the commissioner of revenue to make deposits and withdrawals on behalf of the county into and out of the county joint trust fund account under section 11A.237.

(e) The portion of land receiving a trust fund payment under this subdivision is not eligible for payments under sections 477A.11 to 477A.14, but is eligible for distribution of withdrawals from the county joint trust fund account under section 477A.30.

(f) If the land for which a payment under this subdivision is made is subsequently sold to another entity and is no longer available for the use for which it was purchased, the original amount of the payment for that land under paragraph (b) must be withdrawn by the commissioner of revenue from the account established under section 11A.237 and returned to the outdoor heritage fund. If only a portion of the land is sold and no longer available for the use for which it was purchased, the amount of the original trust fund payment returned is reduced proportionately based on the portion of the original purchase that is sold. The holder of the land must inform the commissioner of revenue and the county in which the land is sold of the sale and provide them with any information necessary to calculate the required withdrawal from the account. The withdrawal is made along with withdrawals under section 477A.30 in the calendar year after the year in which the land is sold.

Subdivision 1. **Commissioner of revenue; withdrawals and payments.** No later than November 15 each year, the commissioner of revenue shall make a withdrawal on behalf of all eligible counties from the county joint trust fund account established under section 11A.237 equal to the lesser of (1) the total amount of necessary withdrawals certified by the counties under subdivision 2 for the year, or (2) 5-1/2 percent of the amount in that account as of September 1 of that year as determined by the executive director of the State Board of Investment. The commissioner shall distribute the certified withdrawal amounts to each county by November 30. If the amount of the withdrawal is less than the total certified withdrawal amounts under subdivision 2, the commissioner shall reduce the distribution to each county proportionately.

Subd. 2. **Certification of needed withdrawal; distribution of funds.** (a) Beginning in calendar year 2018, by September 1 each year, a county for whom a trust fund payment has been made on its behalf under section 97A.056, subdivision 1b, or 116P.045, subdivision 2, shall calculate and certify to the commissioner of revenue the amount of trust fund withdrawals needed under this section. The amount of the withdrawal for each parcel of land for which a county received a trust fund payment under either provision is as follows:

(1) for the year in which a trust fund payment is made to a county for a parcel of land, the withdrawal for that parcel is equal to:

(i) the remaining taxes owed to the local governments providing land-related services for taxes spread that year for a parcel acquired between January 1 and June 30; or
(ii) the amount of taxes paid to the local governments providing land-related services on the parcel in the previous year if the parcel was acquired before January 1 of the current year. The county must distribute the amount by December 15 to all local governments providing land-related services based on the location of the parcel and the local governments' share of the total tax; and

(2) for all subsequent years, the withdrawal for a parcel is equal to the taxes that would be owed based on the appraised value of the land and the taxes assessed by local governments providing land-related services on comparable, privately owned adjacent land. For purposes of this subdivision, "appraised value" is determined in the manner described in section 477A.12, subdivision 3. The county treasurer must allocate the withdrawn funds among the local governments providing land-related services on the same basis as if the funds were taxes on the land received in that year. The county treasurer must pay the allocation to all eligible local governments by December 15 of the year in which the withdrawal is made. The county's share of the payment must be deposited in the county general fund.

(b) If the distribution to a county under subdivision 1 is less than its total withdrawal amounts certified under this subdivision, all distributions under paragraph (a) are reduced proportionately.

(c) The local governments receiving a payment under this section must use the money to fund land-related services. For purposes of this paragraph, "land-related services" means services used to restore, enhance, and protect the land and its fish and wildlife habitat and provide any other public services benefiting the land and users of the land, including access and services to the public accessing and using the land and direct and indirect capital and operating costs for (1) roads, bridges, and trails; (2) public safety and emergency response services; (3) environmental, recreational, and resource development and management; and (4) similar costs.

(d) For purposes of this subdivision, "local governments providing land-related services" has the meaning given in section 116P.02, subdivision 4c.

EFFECTIVE DATE. This section is effective January 1, 2018, and applies to land acquired with money appropriated on or after July 1, 2017.

Section 1. Minnesota Statutes 2016, section 469.174, subdivision 12, is amended to read:

Subd. 12. Economic development district. "Economic development district" means a type of tax increment financing district which consists of any project, or portions of a project, which the authority finds to be in the public interest because:

(1) it will discourage commerce, industry, or manufacturing from moving their operations to another state or municipality;

(2) it will result in increased employment in the state;

(3) it will result in preservation and enhancement of the tax base of the state;

(4) it satisfies the requirements of a workforce housing project under section 469.176, subdivision 4c, paragraph (d).

EFFECTIVE DATE. This section is effective for districts for which the request for certification was made after June 30, 2017.

Sec. 2. Minnesota Statutes 2016, section 469.175, subdivision 3, is amended to read:

Subd. 3. Municipality approval. (a) A county auditor shall not certify the original net tax capacity of a tax increment financing district until the tax increment financing plan proposed for that district has been approved by the municipality in which the district is located. If an authority that proposes to establish a tax increment financing district and the municipality are not the same, the authority shall apply to the municipality in which the district is proposed to be located and shall obtain the approval of its tax increment financing plan by the municipality before the authority may use tax increment financing. The municipality shall approve the tax increment financing plan only after a public hearing thereon after published notice in a newspaper of general circulation in the municipality at least once not less than ten days nor more than 30 days prior to the date of the hearing. The published notice must include a map of the area of the district from which increments may be collected and, if the project area includes additional area, a map of the project area in which the increments may be expended. The hearing may be held before or after the approval or creation of the project or it may be held in conjunction with a hearing to approve the project.

(b) Before or at the time of approval of the tax increment financing plan, the municipality shall make the following findings, and shall set forth in writing the reasons and supporting facts for each determination:

(1) that the proposed tax increment financing district is a redevelopment district, a renewal or renovation district, a housing district, a soils condition district, or an economic development district; if the proposed district is a redevelopment district or a renewal or renovation district, the reasons and supporting facts for the determination that the district meets the criteria of section 469.174, subdivision 10, paragraph (a), clauses (1) and (2), or subdivision 10a, must be documented in writing and retained and made available to the public by the authority until the district has been terminated;

(2) that, in the opinion of the municipality:

(i) the proposed development or redevelopment would not reasonably be expected to occur solely through private investment within the reasonably foreseeable future; and
(ii) the increased market value of the site that could reasonably be expected to occur without the use of tax increment financing would be less than the increase in the market value estimated to result from the proposed development after subtracting the present value of the projected tax increments for the maximum duration of the district permitted by the plan. The requirements of this item do not apply if the district is a housing district;

(3) that the tax increment financing plan conforms to the general plan for the development or redevelopment of the municipality as a whole;

(4) that the tax increment financing plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the development or redevelopment of the project by private enterprise;

(5) that the municipality elects the method of tax increment computation set forth in section 469.177, subdivision 3, paragraph (b), if applicable.

(c) When the municipality and the authority are not the same, the municipality shall approve or disapprove the tax increment financing plan within 60 days of submission by the authority. When the municipality and the authority are not the same, the municipality may not amend or modify a tax increment financing plan except as proposed by the authority pursuant to subdivision 4. Once approved, the determination of the authority to undertake the project through the use of tax increment financing and the resolution of the governing body shall be conclusive of the findings therein and of the public need for the financing.

(d) For a district that is subject to the requirements of paragraph (b), clause (2), item (ii), the municipality's statement of reasons and supporting facts must include all of the following:

(1) an estimate of the amount by which the market value of the site will increase without the use of tax increment financing;

(2) an estimate of the increase in the market value that will result from the development or redevelopment to be assisted with tax increment financing; and

(3) the present value of the projected tax increments for the maximum duration of the district permitted by the tax increment financing plan.

(e) For purposes of this subdivision, "site" means the parcels on which the development or redevelopment to be assisted with tax increment financing will be located.

(f) Before or at the time of approval of the tax increment financing plan for a district to be used to fund a workforce housing project under section 469.176, subdivision 4c, paragraph (d), the municipality shall make the following findings and set forth in writing the reasons and supporting facts for each determination:

(1) the city is located outside of the metropolitan area, as defined in section 473.121, subdivision 2;

(2) the average vacancy rate for rental housing located in the municipality and in any statutory or home rule charter city located within 15 miles or less of the boundaries of the municipality has been three percent or less for at least the immediately preceding two-year period;

(3) at least one business located in the municipality or within 15 miles of the municipality that employs a minimum of 20 full-time equivalent employees in aggregate has provided a written statement to the municipality indicating that the lack of available rental housing has impeded the ability of the business to recruit and hire employees; and
(4) the municipality and the development authority intend to use increments from the district for the development of rental housing to serve employees of businesses located in the municipality or surrounding area.

**EFFECTIVE DATE.** This section is effective for districts for which the request for certification was made after June 30, 2017.

6. space necessary for and related to the activities listed in clauses (1) to (5); or
7. a workforce housing project that satisfies the requirements of paragraph (d).

(b) Notwithstanding the provisions of this subdivision, revenues derived from tax increment from an economic development district may be used to provide improvements, loans, subsidies, grants, interest rate subsidies, or assistance in any form for up to 15,000 square feet of any separately owned commercial facility located within the municipal jurisdiction of a small city, if the revenues derived from increments are spent only to assist the facility directly or for administrative expenses, the assistance is necessary to develop the facility, and all of the increments, except those for administrative expenses, are spent only for activities within the district.

(c) A city is a small city for purposes of this subdivision if the city was a small city in the year in which the request for certification was made and applies for the rest of the duration of the district, regardless of whether the city qualifies or ceases to qualify as a small city.

(d) A project qualifies as a workforce housing project under this subdivision if:

1. increments from the district are used exclusively to assist in the acquisition of property; construction of improvements; and provision of loans or subsidies, grants, interest rate subsidies, public infrastructure, and related financing costs for rental housing developments in the municipality; and
2. the governing body of the municipality made the findings for the project required by section 469.175, subdivision 3, paragraph (f).

**EFFECTIVE DATE.** This section is effective for districts for which the request for certification was made after June 30, 2017.
Sec. 4. Minnesota Statutes 2016, section 469.1761, is amended by adding a subdivision to read:

Subd. 5. **Income limits; Minnesota Housing Finance Agency challenge program.** For a project receiving a loan or grant from the Minnesota Housing Finance Agency challenge program under section 462A.33, the income limits under section 462A.33 are substituted for the applicable income limits for the project under subdivision 2 or 3.

**EFFECTIVE DATE.** This section is effective for districts for which the request for certification was made after June 30, 2017.

Sec. 5. Minnesota Statutes 2016, section 469.1763, subdivision 1, is amended to read:

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have the meanings given.

(b) "Activities" means acquisition of property, clearing of land, site preparation, soils correction, removal of hazardous waste or pollution, installation of utilities, construction of public or private improvements, and other similar activities, but only to the extent that tax increment revenues may be spent for such purposes under other law.

(c) "Third party" means an entity other than (1) the person receiving the benefit of assistance financed with tax increments, or (2) the municipality or the development authority or other person substantially under the control of the municipality.

(d) "Revenues derived from tax increments paid by properties in the district" means only tax increment as defined in section 469.174, subdivision 25, clause (1), and does not include tax increment as defined in section 469.174, subdivision 25, clauses (2), (3), and (4) to (5).

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 469.1763, subdivision 2, is amended to read:

Subd. 2. **Expenditures outside district.** (a) For each tax increment financing district, an amount equal to at least 75 percent of the total revenue derived from tax increments paid by properties in the district must be expended on activities in the district or to pay bonds, to the extent that the proceeds of the bonds were used to finance activities in the district or to pay, or secure payment of, debt service on credit enhanced bonds. For districts, other than redevelopment districts for which the request for certification was made after June 30, 1995, the in-district percentage for purposes of the preceding sentence is 80 percent. Not more than 25 percent of the total revenue derived from tax increments paid by properties in the district may be expended, through a development fund or otherwise, on activities outside of the district but within the defined geographic area of the project except to pay, or secure payment of, debt service on credit enhanced bonds. For districts, other than redevelopment districts for which the request for certification was made after June 30, 1995, the pooling percentage for purposes of the preceding sentence is 20 percent. The revenue revenues derived from tax increments for paid by properties in the district that are expended on costs under section 469.176, subdivision 4h, paragraph (b), may be deducted first before calculating the percentages that must be expended within and without the district.

(b) In the case of a housing district, a housing project, as defined in section 469.174, subdivision 11, is an activity in the district.

(c) All administrative expenses are for activities outside of the district, except that if the only expenses for activities outside of the district under this subdivision are for the purposes described in paragraph (d), administrative expenses will be considered as expenditures for activities in the district.
(d) The authority may elect, in the tax increment financing plan for the district, to increase by up to ten percentage points the permitted amount of expenditures for activities located outside the geographic area of the district under paragraph (a). As permitted by section 469.176, subdivision 4k, the expenditures, including the permitted expenditures under paragraph (a), need not be made within the geographic area of the project. Expenditures that meet the requirements of this paragraph are legally permitted expenditures of the district, notwithstanding section 469.176, subdivisions 4b, 4c, and 4j. To qualify for the increase under this paragraph, the expenditures must:

   (1) be used exclusively to assist housing that meets the requirement for a qualified low-income building, as that term is used in section 42 of the Internal Revenue Code; and

   (2) not exceed the qualified basis of the housing, as defined under section 42(c) of the Internal Revenue Code, less the amount of any credit allowed under section 42 of the Internal Revenue Code; and

   (3) be used to:

   (i) acquire and prepare the site of the housing;

   (ii) acquire, construct, or rehabilitate the housing; or

   (iii) make public improvements directly related to the housing; or

   (4) be used to develop housing:

   (i) if the market value of the housing does not exceed the lesser of:

   (A) 150 percent of the average market value of single-family homes in that municipality; or

   (B) $200,000 for municipalities located in the metropolitan area, as defined in section 473.121, or $125,000 for all other municipalities; and

   (ii) if the expenditures are used to pay the cost of site acquisition, relocation, demolition of existing structures, site preparation, and pollution abatement on one or more parcels, if the parcel contains a residence containing one to four family dwelling units that has been vacant for six or more months and is in foreclosure as defined in section 325N.10, subdivision 7, but without regard to whether the residence is the owner's principal residence, and only after the redemption period has expired.

   (e) The authority under paragraph (d), clause (4), expires on December 31, 2016. Increments may continue to be expended under this authority after that date, if they are used to pay bonds or binding contracts that would qualify under subdivision 3, paragraph (a), if December 31, 2016, is considered to be the last date of the five-year period after certification under that provision.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 7. Minnesota Statutes 2016, section 469.1763, subdivision 3, is amended to read:

Subd. 3. **Five-year rule.** (a) Revenues derived from tax increments paid by properties in the district are considered to have been expended on an activity within the district under subdivision 2 only if one of the following occurs:
(1) before or within five years after certification of the district, the revenues are actually paid to a third party with respect to the activity;

(2) bonds, the proceeds of which must be used to finance the activity, are issued and sold to a third party before or within five years after certification, the revenues are spent to repay the bonds, and the proceeds of the bonds either are, on the date of issuance, reasonably expected to be spent before the end of the later of (i) the five-year period, or (ii) a reasonable temporary period within the meaning of the use of that term under section 148(c)(1) of the Internal Revenue Code, or are deposited in a reasonably required reserve or replacement fund;

(3) binding contracts with a third party are entered into for performance of the activity before or within five years after certification of the district and the revenues are spent under the contractual obligation;

(4) costs with respect to the activity are paid before or within five years after certification of the district and the revenues are spent to reimburse a party for payment of the costs, including interest on unreimbursed costs; or

(5) expenditures are made for housing purposes as permitted by subdivision 2, paragraphs (b) and (d), or for public infrastructure purposes within a zone as permitted by subdivision 2, paragraph (e).

(b) For purposes of this subdivision, bonds include subsequent refunding bonds if the original refunded bonds meet the requirements of paragraph (a), clause (2).

(c) For a redevelopment district or a renewal and renovation district certified after June 30, 2003, and before April 20, 2009, the five-year periods described in paragraph (a) are extended to ten years after certification of the district. For a redevelopment district certified after April 20, 2009, and before June 30, 2012, the five-year periods described in paragraph (a) are extended to eight years after certification of the district. This extension is provided primarily to accommodate delays in development activities due to unanticipated economic circumstances.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 8. Minnesota Statutes 2016, section 469.178, subdivision 7, is amended to read:

Subd. 7. **Interfund loans.** (a) The authority or municipality may advance or loan money to finance expenditures under section 469.176, subdivision 4, from its general fund or any other fund under which it has legal authority to do so.

(b) Not later than 60 days after money is transferred, advanced, or spent, whichever is earliest, the loan or advance must be authorized, by resolution of the governing body or of the authority, whichever has jurisdiction over the fund from which the advance or loan is authorized, before money is transferred, advanced, or spent, whichever is earliest.

(c) The resolution may generally grant to the municipality or the authority the power to make interfund loans under one or more tax increment financing plans or for one or more districts. The resolution may be adopted before or after the adoption of the tax increment financing plan or the creation of the tax increment financing district from which the advance or loan is to be repaid.

(d) The terms and conditions for repayment of the loan must be provided in writing and the written terms and conditions may be in any form, but must include, at a minimum, the principal amount, the interest rate, and maximum term. Written terms may be modified or amended in writing by the municipality or the authority before the latest decertification of any tax increment financing district from which the interfund loan is to be repaid. The maximum rate of interest permitted to be charged is limited to the greater of the rates specified under section 270C.40 or 549.09 as of the date the loan or advance is authorized, unless the written agreement states that the maximum interest rate will fluctuate as the interest rates specified under section 270C.40 or 549.09 are from time to time adjusted. Loans or advances may be structured as draw-down or line-of-credit obligations of the lending fund.
(e) The authority shall report in the annual report submitted under section 469.175, subdivision 6:

(1) the amount of any interfund loan or advance made in a calendar year; and

(2) any amendment of an interfund loan or advance made in a calendar year.

**EFFECTIVE DATE.** This section is effective the day following final enactment and applies to all districts, regardless of when the request for certification was made.

Sec. 9. Laws 2008, chapter 154, article 9, section 21, subdivision 2, is amended to read:

Subd. 2. **Special rules.** (a) If the city elects, upon the adoption of the tax increment financing plan for a district, the rules under this section apply to a redevelopment district, renewal and renovation district, economic development district, soil condition district, or a soil deficiency district established by the city or a development authority of the city in the project area.

(b) Prior to or upon the adoption of the first tax increment plan subject to the special rules under this subdivision, the city must find by resolution that parcels consisting of at least 80 percent of the acreage of the project area (excluding street and railroad right of way) are characterized by one or more of the following conditions:

(1) peat or other soils with geotechnical deficiencies that impair development of residential or commercial buildings or infrastructure;

(2) soils or terrain that requires substantial filling in order to permit the development of commercial or residential buildings or infrastructure;

(3) landfills, dumps, or similar deposits of municipal or private waste;

(4) quarries or similar resource extraction sites;

(5) floodway; and

(6) substandard buildings within the meaning of Minnesota Statutes, section 469.174, subdivision 10.

(c) For the purposes of paragraph (b), clauses (1) through (5), a parcel is deemed to be characterized by the relevant condition if at least 70 percent of the area of the parcel contains the relevant condition. For the purposes of paragraph (b), clause (6), a parcel is deemed to be characterized by substandard buildings if the buildings occupy at least 30 percent of the area of the parcel.

(d) The five-year rule under Minnesota Statutes, section 469.1763, subdivision 3, is extended to ten years for any district, and section 469.1763, subdivision 4, does not apply to any district.

(e) Notwithstanding anything to the contrary in section 469.1763, subdivision 2, paragraph (a), not more than 80 percent of the total revenue derived from tax increments paid by properties in any district (measured over the life of the district) may be expended on activities outside the district but within the project area.

(f) For a soil deficiency district:

(1) increments may be collected through 20 years after the receipt by the authority of the first increment from the district; and
(2) except as otherwise provided in this subdivision, increments may be used only to:

(i) acquire parcels on which the improvements described in item (ii) will occur;

(ii) pay for the cost of correcting the unusual terrain or soil deficiencies and the additional cost of installing public improvements directly caused by the deficiencies; and

(iii) pay for the administrative expenses of the authority allocable to the district.

(g) Increments spent for any infrastructure costs, whether inside a district or outside a district but within the project area, are deemed to satisfy the requirements of paragraph (f) and Minnesota Statutes, section 469.176, subdivisions 4b, 4c, and 4j.

(h) Increments from any district may not be used to pay the costs of landfill closure or public infrastructure located on the following parcels within the plat known as Burnsville Amphitheater: Lot 1, Block 1; Lots 1 and 2, Block 2; and Outlots A, B, C and D.

(i) The four-year rule under Minnesota Statutes, section 469.176, subdivision 6, is extended to nine years.

(j) The city may specify in the tax increment financing plan for any district the first year in which it elects to receive increment, which may be up to eight years following approval of the district.

(k) Notwithstanding Minnesota Statutes, section 469.176, subdivision 1b, paragraph (c), the city may waive any increment received in 2017 and, if so, it shall not be used in determining the duration limit for any district created under this section.

(l) The authority to approve tax increment financing plans to establish tax increment financing districts under this section expires on March 20, 2023.

EFFECTIVE DATE. This section is effective upon approval by the governing body of the city of Burnsville and compliance with the requirements of Minnesota Statutes, section 645.021.

(b) The restrictions under this section do not apply to funds obtained from contributions, grants, or other voluntary payments made by nongovernmental entities from private sources.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 2. [16B.2965] PROPERTY LEASED FOR RAIL PROJECTS.

(a) If a state official leases, loans, or otherwise makes available state lands, air rights, or any other state property for use in connection with passenger rail facilities, as described in section 16A.1246, the lease or other agreement must include or be secured by a security bond or equivalent guarantee that allows the state to recover any costs it incurs in connection with the rail project from a responsible third party or secure source of capital, if the passenger rail facilities are not constructed, do not go into operation, or are abandoned, whether or not the facilities began operations. The security bond or equivalent guarantee must remain in place for the term of lease, loan, or other agreement that makes state property available for use by the project. These costs include restoring state property to its original condition.

(b) For purposes of this section, "state official" includes the commissioner, the commissioner of transportation, or any other state official with authority to enter a lease or other agreement providing for use by a nonstate entity of state property.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 4. Minnesota Statutes 2016, section 216B.36, is amended to read:

216B.36 MUNICIPAL REGULATORY AND TAXING POWERS.

Subdivision 1. Municipal authority to regulate public utilities. Any public utility furnishing the utility services enumerated in section 216B.02 or occupying streets, highways, or other public property within a municipality may be required to obtain a license, permit, right, or franchise in accordance with the terms, conditions, and limitations of regulatory acts of the municipality, including the placing of distribution lines and facilities underground. Under the license, permit, right, or franchise, the utility may be obligated by any municipality to pay to the municipality fees to raise revenue or defray increased municipal costs accruing as a result of utility operations, or both. A fee that raises revenue under a license, permit, right, or franchise agreement entered into or renewed on or after August 1, 2017, is subject to the requirements of subdivision 2. The fee may include but is not limited to a sum of money based upon gross operating revenues or gross earnings from its operations in the municipality so long as the public utility shall continue to operate in the municipality, unless upon request of the public utility it is expressly released from the obligation at any time by such municipality. Notwithstanding the definition of "public utility" in section 216B.02, subdivision 4, a municipality may require payment of a fee under this section by a cooperative electric association organized under chapter 308A that furnishes utility services within the municipality. All existing licenses, permits, franchises, and other rights acquired by any public utility or municipality prior to April 11, 1974, including the payment of existing franchise fees, shall not be impaired or affected in any respect by the passage of this chapter, except with respect to matters of rate and service regulation, service area assignments, securities, and indebtedness that are vested in the jurisdiction of the commission by this chapter. However, in the event that a court of competent jurisdiction determines, or the parties by mutual agreement determine, that an existing license, permit, franchise, or other right has been abrogated or impaired by this chapter, or its execution, the municipality affected shall impose and the public utility shall collect an excise tax on the utility charges which from year to year yields an amount which is reasonably equivalent to that amount of revenue which then would be due as a fee, charges or other thing or service of value to the municipality under the franchise, license, or permit. The authorization shall be over and above taxing limitations including, but not limited to, those of section 477A.016. Franchises granted pursuant to this section shall be exempt from the provisions of chapter 80C. For purposes of this section, a public utility shall include a cooperative electric association.

Subd. 2. Five-year renewal; reverse referendum. (a) A municipality may impose a fee under subdivision 1 to raise revenue beyond what is needed to defray increased municipal costs due to utility operations for up to a five-year period, following the procedures in this subdivision.

(b) The municipality must include in its ordinance or license, permit, or franchise agreement with the public utility what constitutes a cost to the city.

(c) The municipality must identify in its ordinance or license, permit, or franchise agreement the uses of the portion of the fee that is for purposes other than to defray city costs. The municipality must publish a notice that explains:

(1) the fee and its intended uses;
(2) that the public utility is likely to pass the fee on to customers and how much that may increase customers’ utility bills;

(3) that alternatives to the revenue-raising portion of the fee are to raise the revenue from another source available to the municipality or forego planned uses of the revenue; and

(4) what revenue raised from another source will cost those paying it.

The notice must be published at least once each week for two consecutive weeks in the official publication of the municipality and must remain posted on the municipality's Web site throughout the notice period. The notice must also be sent to all affected ratepayers by either first class mail by the municipality or by including the notice in the affected ratepayers' billings.

(d) Following publication and before imposing the fee, the municipality must provide an opportunity at its next regular meeting for public comment relating to the issue. No sooner than 90 days after the public comment opportunity, the municipality may proceed with imposing the fee, unless a petition is filed as provided in paragraph (e).

(e) Within 90 days after the meeting held by the municipality at which public comment was accepted, a petition requesting a referendum may be filed with the chief clerical officer of the municipality. The petition must be signed by at least five percent of the registered voters in the municipality. The petition must meet the requirements of the secretary of state, as provided in section 204B.071, and any rules adopted to implement that section. If the petition is sufficient, the question of whether the municipality may impose a fee that raises revenue as provided in subdivision 1 must be placed on the ballot at the next general election. If a majority of the voters voting on the question votes in favor of using the fee to raise revenue, the municipality may proceed with imposing the fee.

(f) If a license, permit, right, or franchise agreement is entered into or renewed before August 1, 2017, and by its terms and the ordinance authorizing it, will be in effect after August 1, 2022, the municipality must follow the procedures in this subdivision to provide notice, a public hearing, and opportunity for a petition for a referendum by August 1, 2022.

(g) Except as provided in paragraph (f), this subdivision applies to a license, permit, right, or franchise agreement entered into or renewed on or after August 1, 2017.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 5. [222.271] PASSENGER RAIL PROJECTS; ENVIRONMENTAL INSURANCE REQUIRED.

Subdivision 1. Scope. (a) This section applies to any person that seeks a federal or state permit or other formal legal authorization to construct or operate a passenger rail project with an estimated capital cost exceeding $1,000,000,000.

(b) This section does not apply to a person whose only action within the scope of paragraph (a) is an application for a building permit.

Subd. 2. Definitions. (a) For purposes of this section, unless the context clearly indicates otherwise, the following definitions apply.

(b) "Commissioner" means the commissioner of the Pollution Control Agency.
(c) "Insurance" means a commercial insurance policy, a security bond, or an equivalent guarantee that provides assurance of the project's ability to pay claims for any liability under chapter 115B or similar provisions of common law or federal law resulting from construction or operation of the passenger rail project.

(d) "Passenger rail project" or "project" means a railroad or a line or lines of a railway located within or partly within Minnesota intended to provide passenger service, regardless of whether freight service is also provided, by a common carrier other than a federal or state government unit, a political subdivision of the state, or the National Railroad Passenger Corporation created under the Rail Passenger Service Act of 1970, Public Law 91-518.

(e) "Person" includes a corporation, limited liability company, partnership, other entity, or an individual.

Subd. 3. Environmental insurance required. (a) Any person subject to this section must obtain and maintain insurance that is adequate to cover potential claims and meets the other requirements of this section, as approved by the commissioner under paragraph (b). The insurance must not contain dollar limits on liability, or if it does contain a dollar limit the limit must be not less than a reasonable estimate of the potential exposure of the project for environmental remediation or impairment damages. Any dollar limit must be adjusted if the scope, size, or cost of the project increases materially. The insurance must cover any liability incurred during and after the construction and operation of the project and must not contain exclusions, limitations, or other restrictions that are not standard in comprehensive environmental remediation insurance or in environmental impairment insurance, as applicable.

(b) In order to satisfy the requirements of this section, the commissioner must determine that the insurance is adequate and that it meets the other requirements of this section. The commissioner may require that the project provide any supporting documentation to determine that insurance is adequate and meets the other requirements of this section and that the project has the financial ability to maintain insurance during the project's operations.

EFFECTIVE DATE. This section is effective for passenger rail projects for which application for a permit or other formal legal authorization to construct is made after the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 270A.03, subdivision 7, is amended to read:

Subd. 7. Refund. "Refund" means an individual income tax refund or political contribution refund, pursuant to chapter 290, or a property tax credit or refund, pursuant to chapter 290A, or a sustainable forest payment to a claimant under chapter 290C.

For purposes of this chapter, lottery prizes, as set forth in section 349A.08, subdivision 8, and amounts granted to persons by the legislature on the recommendation of the joint senate-house of representatives Subcommittee on Claims shall be treated as refunds.

In the case of a joint property tax refund payable to spouses under chapter 290A, the refund shall be considered as belonging to each spouse in the proportion of the total refund that equals each spouse's proportion of the total income determined under section 290A.03, subdivision 3. In the case of a joint income tax refund under chapter 289A, the refund shall be considered as belonging to each spouse in the proportion of the total refund that equals each spouse's proportion of the total taxable income determined under section 290.01, subdivision 29. The commissioner shall remit the entire refund to the claimant agency, which shall, upon the request of the spouse who does not owe the debt, determine the amount of the refund belonging to that spouse and refund the amount to that spouse. For court fines, fees, and surcharges and court-ordered restitution under section 611A.04, subdivision 2, the notice provided by the commissioner of revenue under section 270A.07, subdivision 2, paragraph (b), serves as the appropriate legal notice to the spouse who does not owe the debt.

EFFECTIVE DATE. This section is effective for political contribution refund claims based on contributions made on or after July 1, 2017.
Sec. 7. Minnesota Statutes 2016, section 270C.13, subdivision 1, is amended to read:

The commissioner shall report to the legislature by March 1 of each odd-numbered year on the overall incidence of the income tax, sales and excise taxes, and property tax. The report shall present information on the distribution of the tax burden as follows: (1) for the overall income distribution, using a systemwide incidence measure such as the Suits index or other appropriate measures of equality and inequality; (2) by income classes, including at a minimum deciles of the income distribution; and (3) by other appropriate taxpayer characteristics. The report must also include information on the distribution of the burden of federal taxes borne by Minnesota residents.

Sec. 8. Minnesota Statutes 2016, section 287.08, is amended to read:

287.08 TAX, HOW PAYABLE; RECEIPTS.

(a) The tax imposed by sections 287.01 to 287.12 must be paid to the treasurer of any county in this state in which the real property or some part is located at or before the time of filing the mortgage for record. The treasurer shall endorse receipt on the mortgage and the receipt is conclusive proof that the tax has been paid in the amount stated and authorizes any county recorder or registrar of titles to record the mortgage. Its form, in substance, shall be "registration tax hereon of .................... dollars paid." If the mortgage is exempt from taxation the endorsement shall, in substance, be "exempt from registration tax." In either case the receipt must be signed by the treasurer. In case the treasurer is unable to determine whether a claim of exemption should be allowed, the tax must be paid as in the case of a taxable mortgage. For documents submitted electronically, the endorsements and tax amount shall be affixed electronically and no signature by the treasurer will be required. The actual payment method must be arranged in advance between the submitter and the receiving county.

(b) The county treasurer may refund in whole or in part any mortgage registry tax overpayment if a written application by the taxpayer is submitted to the county treasurer within 3-1/2 years from the date of the overpayment. If the county has not issued a denial of the application, the taxpayer may bring an action in Tax Court in the county in which the tax was paid at any time after the expiration of six months from the time that the application was submitted. A denial of refund may be appealed within 60 days from the date of the denial by bringing an action in Tax Court in the county in which the tax was paid. The action is commenced by the serving of a petition for relief on the county treasurer, and by filing a copy with the court. The county attorney shall defend the action. The county treasurer shall notify the treasurer of each county that has or would receive a portion of the tax as paid.

(c) If the county treasurer determines a refund should be paid, or if a refund is ordered by the court, the county treasurer of each county that actually received a portion of the tax shall immediately pay a proportionate share of three percent of the refund using any available county funds. The county treasurer of each county that received, or would have received, a portion of the tax shall also pay their county's proportionate share of the remaining 97 percent of the court-ordered refund on or before the 20th day of the following month using solely the mortgage registry tax funds that would be paid to the commissioner of revenue on that date under section 287.12. If the funds on hand under this procedure are insufficient to fully fund 97 percent of the court-ordered refund, the county treasurer of the county in which the action was brought shall file a claim with the commissioner of revenue under section 16A.48 for the remaining portion of 97 percent of the refund, and shall pay over the remaining portion upon receipt of a warrant from the state issued pursuant to the claim.

(d) When any mortgage covers real property located in more than one county in this state the total tax must be paid to the treasurer of the county where the mortgage is first presented for recording, and the payment must be receipted as provided in paragraph (a). If the principal debt or obligation secured by such a multiple county mortgage exceeds $10,000,000, the tax collected shall be forwarded by the county treasurer receiving it to the commissioner of revenue and the nonstate portion of the tax must be divided and paid over by the county treasurer receiving it to the commissioner of revenue, on or before the 20th day of each month after receipt, to the county or
counties entitled in the ratio that the estimated market value of the real property covered by the mortgage in each county bears to the estimated market value of all the real property in this state described in the mortgage. In making the division and payment the county treasurer commissioner of revenue shall send a statement giving the description of the real property described in the mortgage and the estimated market value of the part located in each county. For this purpose, the treasurer of any county commissioner of revenue may require the treasurer of any other county to certify to the former the estimated market value of any tract of real property in any mortgage in the county.

(e) The mortgagor must pay the tax imposed by sections 287.01 to 287.12. The mortgagee may undertake to collect and remit the tax on behalf of the mortgagor. If the mortgagee collects money from the mortgagor to remit the tax on behalf of the mortgagor, the mortgagee has a fiduciary duty to remit the tax on behalf of the mortgagor as to the amount of the tax collected for that purpose and the mortgagor is relieved of any further obligation to pay the tax as to the amount collected by the mortgagee for this purpose.

**EFFECTIVE DATE.** This section is effective for tax collected after June 30, 2017.

Sec. 9. Minnesota Statutes 2016, section 289A.50, subdivision 1, is amended to read:

Subdivision 1. **General right to refund.** (a) Subject to the requirements of this section and section 289A.40, a taxpayer who has paid a tax in excess of the taxes lawfully due and who files a written claim for refund will be refunded or credited the overpayment of the tax determined by the commissioner to be erroneously paid.

(b) The claim must specify the name of the taxpayer, the date when and the period for which the tax was paid, the kind of tax paid, the amount of the tax that the taxpayer claims was erroneously paid, the grounds on which a refund is claimed, and other information relative to the payment and in the form required by the commissioner. An income tax, estate tax, or corporate franchise tax return, or amended return claiming an overpayment constitutes a claim for refund.

(c) When, in the course of an examination, and within the time for requesting a refund, the commissioner determines that there has been an overpayment of tax, the commissioner shall refund or credit the overpayment to the taxpayer and no demand is necessary. If the overpayment exceeds $1, the amount of the overpayment must be refunded to the taxpayer. If the amount of the overpayment is less than $1, the commissioner is not required to refund. In these situations, the commissioner does not have to make written findings or serve notice by mail to the taxpayer.

(d) If the amount allowable as a credit for withholding, estimated taxes, or dependent care exceeds the tax against which the credit is allowable, the amount of the excess is considered an overpayment. The refund allowed by section 290.06, subdivision 23, is also considered an overpayment. The requirements of section 270C.33 do not apply to the refunding of such an overpayment shown on the original return filed by a taxpayer.

(e) If the entertainment tax withheld at the source exceeds by $1 or more the taxes, penalties, and interest reported in the return of the entertainment entity or imposed by section 290.9201, the excess must be refunded to the entertainment entity. If the excess is less than $1, the commissioner need not refund that amount.

(f) If the surety deposit required for a construction contract exceeds the liability of the out-of-state contractor, the commissioner shall refund the difference to the contractor.

(g) An action of the commissioner in refunding the amount of the overpayment does not constitute a determination of the correctness of the return of the taxpayer.

(h) There is appropriated from the general fund to the commissioner of revenue the amount necessary to pay refunds allowed under this section.

**EFFECTIVE DATE.** This section is effective for political contribution refund claims based on contributions made on or after July 1, 2017.

By signing any such claim which is false or fraudulent, the applicant shall be subject to the penalties provided in this chapter for knowingly making a false claim. The claim shall set forth the total amount of the gasoline so purchased and used by the applicant other than in motor vehicles, or special fuel purchased and used by the applicant other than in licensed motor vehicles, and shall state when and for what purpose it was used. Sec. 17. Minnesota Statutes 2016, section 298.28, subdivision 3, is amended to read:

Subd. 3. Cities; towns. (a) 12.5 cents per taxable ton, less any amount distributed under subdivision 8, and paragraph (b), must be allocated to the taconite municipal aid account to be distributed as provided in section 298.282. The amount allocated to the taconite municipal aid account must be annually increased in the same proportion as the increase in the implicit price deflator as provided in section 298.24, subdivision 1.
(b) An amount must be allocated to towns or cities that is annually certified by the county auditor of a county containing a taconite tax relief area as defined in section 273.134, paragraph (b), within which there is (1) an organized township if, as of January 2, 1982, more than 75 percent of the assessed valuation of the township consists of iron ore or (2) a city if, as of January 2, 1980, more than 75 percent of the assessed valuation of the city consists of iron ore.

(c) The amount allocated under paragraph (b) will be the portion of a township's or city's certified levy equal to the proportion of (1) the difference between 50 percent of January 2, 1982, assessed value in the case of a township and 50 percent of the January 2, 1980, assessed value in the case of a city and its current assessed value to (2) the sum of its current assessed value plus the difference determined in (1), provided that the amount distributed shall not exceed $55 per capita in the case of a township or $75 per capita in the case of a city. For purposes of this limitation, population will be determined according to the 1980 decennial census conducted by the United States Bureau of the Census. If the current assessed value of the township exceeds 50 percent of the township's January 2, 1982, assessed value, or if the current assessed value of the city exceeds 50 percent of the city's January 2, 1980, assessed value, this paragraph shall not apply. Subd. 4. Fees. (a) A municipality may prescribe fees sufficient to defray the costs incurred by it in reviewing, investigating, and administering an application for an amendment to an official control established pursuant to sections 462.351 to 462.364 or an application for a permit or other approval required under an official control established pursuant to those sections. Except as provided in subdivision 4a, fees as prescribed must be by ordinance. Fees must be fair, reasonable, and proportionate and have a nexus to the actual cost of the service for which the fee is imposed.

(b) A municipality must adopt management and accounting procedures to ensure that fees are maintained and used only for the purpose for which they are collected. Upon request, a municipality must explain the basis of its fees.

(c) Except as provided in this paragraph, a fee ordinance or amendment to a fee ordinance is effective January 1 after its adoption. A municipality may adopt a fee ordinance or an amendment to a fee ordinance with an effective date other than the next January 1, but the ordinance or amendment does not apply if an application for final approval has been submitted to the municipality.

(d) If a dispute arises over a specific fee imposed by a municipality related to a specific application, the person aggrieved by the fee may appeal under section 462.361, provided that the appeal must be brought within 60 days after approval of an application under this section and deposit of the fee into escrow. A municipality must not condition the approval of any proposed subdivision or development on an agreement to waive the right to challenge the validity of a fee. An approved application may proceed as if the fee had been paid, pending a decision on the appeal. (1) of compliance with health and safety requirements; or

(2) that results in finding a violation, unless the finding is overturned on appeal or a penalty, fine, or other charge is imposed for the violation.

Subd. 14. **Regulated investment companies; Reporting exempt interest and exempt-interest dividends.** (a) A regulated investment company paying $10 or more in exempt-interest dividends to an individual who is a resident of Minnesota, or any person receiving $10 or more of exempt interest or exempt-interest dividends and paying as nominee to an individual who is a resident of Minnesota, must make a return indicating the amount of the exempt interest or exempt-interest dividends, the name, address, and Social Security number of the recipient, and any other information that the commissioner specifies. The return must be provided to the shareholder recipient by February 15 of the year following the year of the payment. The return provided to the shareholder recipient must include a clear statement, in the form prescribed by the commissioner, that the exempt interest or exempt-interest dividends must be included in the computation of Minnesota taxable income. By June 1 of each year, the regulated investment company payor must file a copy of the return with the commissioner.

(b) For purposes of this subdivision, the following definitions apply.

The ability to elect to file an annual return continues through the year following the year where an employer is required to deduct and withhold more than $500.
(b) The commissioner is authorized to determine which employers are eligible to file an annual return and to notify employers who newly qualify to file an annual return because the amount an employer is required to deduct and withhold for that calendar year is $500 or less based on the most recent period of four consecutive quarters for which the commissioner has compiled data on that employer's withholding tax for that period. At the time of notification, eligible employers may still decide to file returns and make deposits quarterly. An employer who decides to file returns and make deposits quarterly is required to make all returns and deposits required by this chapter and, notwithstanding paragraph (a), is subject to all applicable penalties for failing to do so.

(c) If, at the end of any calendar month other than the last month of the calendar year, the aggregate amount of undeposited tax withheld by an employer who has elected to file an annual return exceeds $500, the employer must deposit the aggregate amount with the commissioner within 30 days of the end of the calendar month.

(d) If an employer who has elected to file an annual return ceases to pay wages for which withholding is required, the employer must file a final return and deposit any undeposited tax within 30 days of the end of the calendar month following the month in which the employer ceased paying wages.

(e) An employer not subject to paragraph (c) or (d) who elects to file an annual return must file the return and pay the tax not previously deposited before February 1 of the year following the year in which the tax was withheld.

(f) A notification to an employer regarding eligibility to file an annual return under Minnesota Rules, part 8092.1400, is considered a notification under paragraph (a).

(a) Except as provided in section 289A.18, subdivision 2a, a tax required to be deducted and withheld during the quarterly period must be paid on or before the last day of the month following the close of the quarterly period, unless an earlier time for payment is provided. A tax required to be deducted and withheld from compensation of an entertainer and from a payment to an out-of-state contractor must be paid on or before the date the return for such tax must be filed under section 289A.18, subdivision 2. Taxes required to be deducted and withheld by partnerships, S corporations, and trusts must be paid on a quarterly basis as estimated taxes under section 289A.25 for partnerships and trusts and under section 289A.26 for S corporations.

Taxpayers must submit a copy of their federal notice of deposit status to the commissioner upon request by the commissioner.

(c) The commissioner may prescribe by rule other return periods or deposit requirements. In prescribing the reporting period, the commissioner may classify payors according to the amount of their tax liability and may adopt an appropriate reporting period for the class that the commissioner judges to be consistent with efficient tax collection. In no event will the duration of the reporting period be more than one year.

(d) If less than the correct amount of tax is paid to the commissioner, proper adjustments with respect to both the tax and the amount to be deducted must be made, without interest, in the manner and at the times the commissioner prescribes. If the underpayment cannot be adjusted, the amount of the underpayment will be assessed and collected in the manner and at the times the commissioner prescribes.
(e) If the aggregate amount of the tax withheld is $10,000 or more in a fiscal year ending June 30, the employer must remit each required deposit for wages paid in all subsequent calendar years by electronic means.

(f) A third-party bulk filer as defined in section 290.92, subdivision 30, paragraph (a), clause (2), who remits withholding deposits must remit all deposits by electronic means as provided in paragraph (e), regardless of the aggregate amount of tax withheld during a fiscal year for all of the employers.

(a)(1) Subject to paragraphs (a)(2) and (a)(3), income from wages as defined in section 3401(a) and (f) of the Internal Revenue Code is assigned to this state if, and to the extent that, the work of the employee is performed within it; all other income from such sources is treated as income from sources without this state.

Severance pay shall be considered income from labor or personal or professional services.

(2) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner:

(i) The amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athletic team employee shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota. For purposes of this paragraph, off-season training activities, unless conducted at the team's facilities as part of a team imposed program, are not included in the total number of duty days. Bonuses earned as a result of play during the regular season or for participation in championship, play-off, or all-star games must be allocated under the formula. Signing bonuses are not subject to allocation under the formula if they are not conditional on playing any games for the team, are payable separately from any other compensation, and are nonrefundable; and

(ii) The amount of income to be assigned to Minnesota for an individual who is a nonresident, and who is an athlete or entertainer not listed in clause (i), for that person's athletic or entertainment performance in Minnesota shall be determined by assigning to this state all income from performances or athletic contests in this state.

If more than 50 percent of the value of the partnership's assets consists of intangibles, gain or loss from the sale of the partnership interest is allocated to this state in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold.

Gain on the sale of an interest in a single member limited liability company that is disregarded for federal income tax purposes is allocable to this state as if the single member limited liability company did not exist and the assets of the limited liability company are personally owned by the sole member.

Gain on the sale of goodwill or income from a covenant not to compete that is connected with a business operating all or partially in Minnesota is allocated to this state to the extent that the income from the business in the year preceding the year of sale was allocable to Minnesota under subdivision 3.

When an employer pays an employee for a covenant not to compete, the income allocated to this state is in the ratio of the employee's service in Minnesota in the calendar year preceding leaving the employment of the employer over the total services performed by the employee for the employer in that year.

Subd. 2. Materials. The tax is not imposed upon charges to generators of mixed municipal solid waste or upon the volume of nonmixed municipal solid waste for waste management services to manage the following materials:

(1) mixed municipal solid waste and nonmixed municipal solid waste generated outside of Minnesota;

(2) recyclable materials that are separated for recycling by the generator, collected separately from other waste, and recycled, to the extent the price of the service for handling recyclable material is separately itemized on a bill to the generator;

(3) recyclable nonmixed municipal solid waste that is separated for recycling by the generator, collected separately from other waste, delivered to a waste facility for the purpose of recycling, and recycled;

(4) industrial waste, when it is transported to a facility owned and operated by the same person that generated it;

(5) mixed municipal solid waste from a recycling facility that separates or processes recyclable materials and reduces the volume of the waste by at least 85 percent, provided that the exempted waste is managed separately from other waste;

(6) recyclable materials that are separated from mixed municipal solid waste by the generator, collected and delivered to a waste facility that recycles at least 85 percent of its waste, and are collected with mixed municipal solid waste that is segregated in leakproof bags, provided that the mixed municipal solid waste does not exceed five percent of the total weight of the materials delivered to the facility and is ultimately delivered to a waste facility identified as a preferred waste management facility in county solid waste plans under section 115A.46;

(7) source-separated compostable materials, if the wastes are delivered to a facility exempted as described in this clause. To initially qualify for an exemption, a facility must apply for an exemption in its application for a new or amended solid waste permit to the Pollution Control Agency. The first time a facility
applies to the agency it must certify in its application that it will comply with the criteria in items (i) to (v) and the commissioner of the agency shall so certify to the commissioner of revenue who must grant the exemption. The facility must annually apply to the agency for certification to renew its exemption for the following year. The application must be filed according to the procedures of, and contain the information required by, the agency. The commissioner of revenue shall grant the exemption if the commissioner of the Pollution Control Agency finds and certifies to the commissioner of revenue that based on an evaluation of the composition of incoming waste and residuals and the quality and use of the product:

(i) generators separate materials at the source;

(ii) the separation is performed in a manner appropriate to the technology specific to the facility that:

(A) maximizes the quality of the product;

(B) minimizes the toxicity and quantity of residuals rejects; and

(C) provides an opportunity for significant improvement in the environmental efficiency of the operation;

(iii) the operator of the facility educates generators, in coordination with each county using the facility, about separating the waste to maximize the quality of the waste stream for technology specific to the facility;

(iv) process residuals rejects do not exceed 15 percent of the weight of the total material delivered to the facility; and

(v) the final product is accepted for use;

(8) waste and waste by-products for which the tax has been paid; and

(9) daily cover for landfills that has been approved in writing by the Minnesota Pollution Control Agency.

(1) located within five miles of the wind energy conversion system;

(2) constructed within the same calendar year 12-month period as the wind energy conversion system; and

(3) under common ownership.

In the case of a dispute, the commissioner of commerce shall determine the total size of the system, and shall draw all reasonable inferences in favor of combining the systems.

(c) In making a determination under paragraph (b), the commissioner of commerce may determine that two wind energy conversion systems are under common ownership when the underlying ownership structure contains similar persons or entities, even if the ownership shares differ between the two systems. Wind energy conversion systems are not under common ownership solely because the same person or entity provided equity financing for the systems.

**EFFECTIVE DATE.** This section is effective for reports filed in 2018 and thereafter.

Sec. 13. Minnesota Statutes 2016, section 272.029, is amended by adding a subdivision to read:

Sec. 16. Minnesota Statutes 2016, section 273.121, is amended by adding a subdivision to read:

Subd. 3. **Compliance.** A county assessor, or a city assessor having the powers of a county assessor, who does not comply with the timely notice requirement under subdivision 1 must:
mail an additional valuation notice to each person who was not provided timely notice; and

(2) convene a supplemental local board of appeal and equalization or local review session no sooner than ten days after sending the additional notices required by clause (1).

**EFFECTIVE DATE.** This section is effective for valuation notices sent in 2018 and thereafter.

Sec. 17. Minnesota Statutes 2016, section 273.13, subdivision 22, is amended to read:

Subd. 22. **Class 1.** (a) Except as provided in subdivision 23 and in paragraphs (b) and (c), real estate which is residential and used for homestead purposes is class 1a. In the case of a duplex or triplex in which one of the units is used for homestead purposes, the entire property is deemed to be used for homestead purposes. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The first $500,000 of market value of class 1a property has a net classification rate of one percent of its market value; and the market value of class 1a property that exceeds $500,000 has a classification rate of 1.25 percent of its market value.

(b) Class 1b property includes homestead real estate or homestead manufactured homes used for the purposes of a homestead by:

(1) any person who is blind as defined in section 256D.35, or the blind person and the blind person's spouse;

(2) any person who is permanently and totally disabled or by the disabled person and the disabled person's spouse; or

(3) the surviving spouse of a permanently and totally disabled veteran homesteading a property classified under this paragraph for taxes payable in 2008.

Property is classified and assessed under clause (2) only if the government agency or income-providing source certifies, upon the request of the homestead occupant, that the homestead occupant satisfies the disability requirements of this paragraph, and that the property is not eligible for the valuation exclusion under subdivision 34.

Property is classified and assessed under paragraph (b) only if the commissioner of revenue or the county assessor certifies that the homestead occupant satisfies the requirements of this paragraph.

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings the person an income. The first $50,000 market value of class 1b property has a net classification rate of .45 percent of its market value. The remaining market value of class 1b property has a classification rate using the rates for class 1a or class 2a property, whichever is appropriate, of similar market value.

(c) Class 1c property is commercial use real and personal property that abuts public water as defined in section 103G.005, subdivision 15, and is devoted to temporary and seasonal residential occupancy for recreational purposes but not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment, and that includes a portion used as a homestead by the owner, which includes a dwelling occupied as a homestead by a shareholder of a corporation that owns the resort, a partner in a partnership that owns the resort, or a member of a limited liability company that owns the resort even if the title to the homestead is held by the corporation, partnership, or limited liability company. For purposes of this paragraph, property is devoted to a commercial purpose on a specific day if any portion of the property, excluding the portion used exclusively as a homestead, is used for residential occupancy and a fee is charged for residential occupancy. Class 1c property must contain three
or more rental units. A “rental unit” is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. Class 1c property must provide recreational activities such as the rental of ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment; provide marina services, launch services, or guide services; or sell bait and fishing tackle. Any unit in which the right to use the property is transferred to an individual or entity by deeded interest, or the sale of shares or stock, no longer qualifies for class 1c even though it may remain available for rent. A camping pad offered for rent by a property that otherwise qualifies for class 1c is also class 1c, regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. If the same owner owns two separate parcels that are located in the same township, and one of those properties is classified as a class 1c property and the other would be eligible to be classified as a class 1c property if it was used as the homestead of the owner, both properties will be assessed as a single class 1c property; for purposes of this sentence, properties are deemed to be owned by the same owner if each of them is owned by a limited liability company, and both limited liability companies have the same membership. The portion of the property used as a homestead is class 1a property under paragraph (a). The remainder of the property is classified as follows: the first $600,000 of market value is tier I, the next $1,700,000 of market value is tier II, and any remaining market value is tier III. The classification rates for class 1c are: tier I, 0.50 percent; tier II, 1.0 percent; and tier III, 1.25 percent. Owners of real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes in which all or a portion of the property was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated as class 1c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located must be designated as class 3a commercial. The owner of property desiring designation as class 1c property must provide guest registers or other records demonstrating that the units for which class 1c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 1c.

(d) Class 1d property includes structures that meet all of the following criteria:

(1) the structure is located on property that is classified as agricultural property under section 273.13, subdivision 23;

(2) the structure is occupied exclusively by seasonal farm workers during the time when they work on that farm, and the occupants are not charged rent for the privilege of occupying the property, provided that use of the structure for storage of farm equipment and produce does not disqualify the property from classification under this paragraph;

(3) the structure meets all applicable health and safety requirements for the appropriate season; and

(4) the structure is not salable as residential property because it does not comply with local ordinances relating to location in relation to streets or roads.

The market value of class 1d property has the same classification rates as class 1a property under paragraph (a).

EFFECTIVE DATE. This section is effective for assessment year 2018 and thereafter.
Sec. 18. Minnesota Statutes 2016, section 273.33, subdivision 1, is amended to read:

Subdivision 1. **Listing and assessment in county.** The personal property of express, stage and transportation companies, and of pipeline companies engaged in the business of transporting natural gas, gasoline, crude oil, or other petroleum products, except as otherwise provided by law, shall be listed and assessed in the county, town or district where the same is usually kept.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 19. Minnesota Statutes 2016, section 273.33, subdivision 2, is amended to read:

Subd. 2. **Listing and assessment by commissioner.** The personal property, consisting of the pipeline system of mains, pipes, and equipment attached thereto, of pipeline companies and others engaged in the operations or business of transporting natural gas, gasoline, crude oil, or other petroleum products by pipelines, shall be listed with and assessed by the commissioner of revenue and the values provided to the city or county assessor by order. This subdivision shall not apply to the assessment of the products transported through the pipelines nor to the lines of local commercial gas companies engaged primarily in the business of distributing gas products to consumers at retail nor to pipelines used by the owner thereof to supply natural gas or other petroleum products exclusively for such owner's own consumption and not for resale to others. If more than 85 percent of the natural gas or other petroleum products actually transported over the pipeline is used for the owner's own consumption and not for resale to others, then this subdivision shall not apply; provided, however, that in that event, the pipeline shall be assessed in proportion to the percentage of gas products actually transported over such pipeline that is not used for the owner's own consumption. On or before August 1, the commissioner shall certify to the auditor of each county, the amount of such personal property assessment against each company in each district in which such property is located. If the commissioner determines that the amount of personal property assessment certified on or before August 1 is in error, the commissioner may issue a corrected certification on or before October 1. The commissioner may correct errors that are merely clerical in nature until December 31.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 20. Minnesota Statutes 2016, section 273.372, subdivision 2, is amended to read:

Subd. 2. **Contents and filing of petition.** (a) In all appeals to court that are required to be brought against the commissioner under this section, the petition initiating the appeal must be served on the commissioner and must be filed with the Tax Court in Ramsey County, as provided in paragraph (b) or (c).

(b) If the appeal to court is from an order of the commissioner, it must be brought under chapter 271 and filed within the time period prescribed in section 271.06, subdivision 2, except that when the provisions of this section conflict with chapter 271 or 278, this section prevails. In addition, the petition must include all the parcels encompassed by that order which the petitioner claims have been partially, unfairly, or unequally assessed, assessed at a valuation greater than their real or actual value, misclassified, or are exempt. For this purpose, an order of the commissioner is either (1) a certification or notice of value by the commissioner for property described in subdivision 1, or (2) the final determination by the commissioner of either an administrative appeal conference or informal administrative appeal described in subdivision 4.

(c) If the appeal is from the tax that results from implementation of the commissioner's order, certification, or recommendation, it must be brought under chapter 278, and the provisions in that chapter apply, except that service shall be on the commissioner only and not on the local officials specified in section 278.01, subdivision 1, and if any other provision of this section conflicts with chapter 278, this section prevails. In addition, the petition must include
either all the utility parcels or all the railroad parcels in the state in which the petitioner claims an interest and which the petitioner claims have been partially, unfairly, or unequally assessed, assessed at a valuation greater than their real or actual value, misclassified, or are exempt.

**EFFECTIVE DATE.** This section is effective for assessment year 2018 and thereafter.

Sec. 21. Minnesota Statutes 2016, section 273.372, subdivision 4, is amended to read:

Subd. 4. **Administrative appeals.** (a) Companies that submit the reports under section 270.82 or 273.371 by the date specified in that section, or by the date specified by the commissioner in an extension, may appeal administratively to the commissioner prior to bringing an action in court.

(b) Companies that must submit reports under section 270.82 must submit a written request to the commissioner for a conference within ten 30 days after the notice date of the commissioner's valuation certification or other notice to the company, or by June 15, whichever is earlier. For purposes of this section, "notice date" means the notice date of the valuation certification, commissioner's order, recommendation, or other notice.

(c) Companies that submit reports under section 273.371 must submit a written request to the commissioner for a conference within ten days after the date of the commissioner's valuation certification or notice to the company, or by July 1, whichever is earlier. The appeal need not be in any particular form but must contain the following information:

(1) name and address of the company;

(2) the date;

(3) its Minnesota identification number;

(4) the assessment year or period involved;

(5) the findings in the valuation that the company disputes;

(6) a summary statement specifying its reasons for disputing each item; and

(7) the signature of the company's duly authorized agent or representative.

(d) When requested in writing and within the time allowed for filing an administrative appeal, the commissioner may extend the time for filing an appeal for a period of not more than 15 days from the expiration of the time for filing the appeal.

(e) The commissioner shall conduct the conference either in person or by telephone upon the commissioner's entire files and records and such further information as may be offered. The conference must be held no later than 20 days after the date of the commissioner's valuation certification or notice to the company, or by the date specified by the commissioner in an extension request for an appeal. Within 30 days after the conference the commissioner shall make a final determination of the matter and shall notify the company promptly of the determination. The conference is not a contested case hearing subject to chapter 14.
(e) In addition to the opportunity for a conference under paragraph (a), the commissioner shall also provide the railroad and utility companies the opportunity to discuss any questions or concerns relating to the values established by the commissioner through certification or notice in a less formal manner. This does not change or modify the deadline for requesting a conference under paragraph (a), the deadline in section 271.06 for appealing an order of the commissioner, or the deadline in section 278.01 for appealing property taxes in court.

**EFFECTIVE DATE.** This section is effective for assessment year 2018 and thereafter.

Sec. 22. Minnesota Statutes 2016, section 273.372, is amended by adding a subdivision to read:

Subd. 5. **Agreement determining valuation.** When it appears to be in the best interest of the state, the commissioner may settle any matter under consideration regarding an appeal filed under this section. The agreement must be in writing and signed by the commissioner and the company or the company's authorized representative. The agreement is final and conclusive, and except upon a showing of fraud, malfeasance, or misrepresentation of a material fact, the case may not be reopened as to the matters agreed upon.

**EFFECTIVE DATE.** This section is effective for assessment year 2018 and thereafter.

Sec. 23. Minnesota Statutes 2016, section 273.372, is amended by adding a subdivision to read:

Subd. 6. **Dismissal of administrative appeal.** If a taxpayer files an administrative appeal from an order of the commissioner and also files an appeal to the tax court for that same order of the commissioner, the administrative appeal is dismissed and the commissioner is no longer required to make the determination of appeal under subdivision 4.

**EFFECTIVE DATE.** This section is effective beginning with assessment year 2017.

Sec. 24. **[273.88] EQUALIZATION OF PUBLIC UTILITY STRUCTURES.**

After making the apportionment provided in Minnesota Rules, part 8100.0600, the commissioner must equalize the values of the operating structures to the level accepted by the State Board of Equalization if the appropriate sales ratio for each county, as conducted by the Department of Revenue pursuant to section 270.12, subdivision 2, clause (6), is outside the range accepted by the State Board of Equalization. The commissioner must not equalize the value of the operating structures if the sales ratio determined pursuant to this subdivision is within the range accepted by the State Board of Equalization.

**EFFECTIVE DATE.** This section is effective beginning with assessment year 2017.

Sec. 25. Minnesota Statutes 2016, section 274.01, subdivision 1, is amended to read:

Subdivision 1. **Ordinary board; meetings, deadlines, grievances.** (a) The town board of a town, or the council or other governing body of a city, is the local board of appeal and equalization except (1) in cities whose charters provide for a board of equalization or (2) in any city or town that has transferred its local board of review power and duties to the county board as provided in subdivision 3. The county assessor shall fix a day and time when the board or the local board of equalization shall meet in the assessment districts of the county. Notwithstanding any law or city charter to the contrary, a city board of equalization shall be referred to as a local board of appeal and equalization. On or before February 15 of each year the assessor shall give written notice of the time to the city or town clerk. Notwithstanding the provisions of any charter to the contrary, the meetings must be held between April 1 and May 31 each year. The clerk shall give published and posted notice of the meeting at least ten days before the date of the meeting.
The board shall meet either at a central location within the county or at the office of the clerk to review the assessment and classification of property in the town or city. No changes in valuation or classification which are intended to correct errors in judgment by the county assessor may be made by the county assessor after the board has adjourned in those cities or towns that hold a local board of review; however, corrections of errors that are merely clerical in nature or changes that extend homestead treatment to property are permitted after adjournment until the tax extension date for that assessment year. The changes must be fully documented and maintained in the assessor's office and must be available for review by any person. A copy of the changes made during this period in those cities or towns that hold a local board of review must be sent to the county board no later than December 31 of the assessment year.

(b) The board shall determine whether the taxable property in the town or city has been properly placed on the list and properly valued by the assessor. If real or personal property has been omitted, the board shall place it on the list with its market value, and correct the assessment so that each tract or lot of real property, and each article, parcel, or class of personal property, is entered on the assessment list at its market value. No assessment of the property of any person may be raised unless the person has been duly notified of the intent of the board to do so. On application of any person feeling aggrieved, the board shall review the assessment or classification, or both, and correct it as appears just. The board may not make an individual market value adjustment or classification change that would benefit the property if the owner or other person having control over the property has refused the assessor access to inspect the property and the interior of any buildings or structures as provided in section 273.20. A board member shall not participate in any actions of the board which result in market value adjustments or classification changes to property owned by the board member, the spouse, parent, stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, aunt, nephew, or niece of a board member, or property in which a board member has a financial interest. The relationship may be by blood or marriage.

(c) A local board may reduce assessments upon petition of the taxpayer but the total reductions must not reduce the aggregate assessment made by the county assessor by more than one percent. If the total reductions would lower the aggregate assessments made by the county assessor by more than one percent, none of the adjustments may be made. The assessor shall correct any clerical errors or double assessments discovered by the board without regard to the one percent limitation.

(d) A local board does not have authority to grant an exemption or to order property removed from the tax rolls.

(e) A majority of the members may act at the meeting, and adjourn from day to day until they finish hearing the cases presented. The assessor shall attend and take part in the proceedings, but must not vote. The county assessor, or an assistant delegated by the county assessor shall attend the meetings. The board shall list separately all omitted property added to the list by the board and all items of property increased or decreased, with the market value of each item of property, added or changed by the board. The county assessor shall enter all changes made by the board.

(f) Except as provided in subdivision 3, if a person fails to appear in person, by counsel, or by written communication before the board after being duly notified of the board's intent to raise the assessment of the property, or if a person feeling aggrieved by an assessment or classification fails to apply for a review of the assessment or classification, the person may not appear before the county board of appeal and equalization for a review. This paragraph does not apply if an assessment was made after the local board meeting, as provided in section 273.01, or if the person can establish not having received notice of market value at least five days before the local board meeting.

(g) The local board must complete its work and adjourn within 20 days from the time of convening stated in the notice of the clerk, unless a longer period is approved by the commissioner of revenue. No action taken after that date is valid. All complaints about an assessment or classification made after the meeting of the board must be
heard and determined by the county board of equalization. A nonresident may, at any time, before the meeting of the board file written objections to an assessment or classification with the county assessor. The objections must be presented to the board at its meeting by the county assessor for its consideration.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 26. Minnesota Statutes 2016, section 274.13, subdivision 1, is amended to read:

Subdivision 1. **Members; meetings; rules for equalizing assessments.** The county commissioners, or a majority of them, with the county auditor, or, if the auditor cannot be present, the deputy county auditor, or, if there is no deputy, the court administrator of the district court, shall form a board for the equalization of the assessment of the property of the county, including the property of all cities whose charters provide for a board of equalization. This board shall be referred to as the county board of appeal and equalization. The board shall meet annually, on the date specified in section 274.14, at the office of the auditor. Each member shall take an oath to fairly and impartially perform duties as a member. Members shall not participate in any actions of the board which result in market value adjustments or classification changes to property owned by the board member, the spouse, parent, stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, aunt, nephew, or niece of a board member, or property in which a board member has a financial interest. The relationship may be by blood or marriage. The board shall examine and compare the returns of the assessment of property of the towns or districts, and equalize them so that each tract or lot of real property and each article or class of personal property is entered on the assessment list at its market value, subject to the following rules:

(1) The board shall raise the valuation of each tract or lot of real property which in its opinion is returned below its market value to the sum believed to be its market value. The board must first give notice of intention to raise the valuation to the person in whose name it is assessed, if the person is a resident of the county. The notice must fix a time and place for a hearing.

(2) The board shall reduce the valuation of each tract or lot which in its opinion is returned above its market value to the sum believed to be its market value.

(3) The board shall raise the valuation of each class of personal property which in its opinion is returned below its market value to the sum believed to be its market value. It shall raise the aggregate value of the personal property of individuals, firms, or corporations, when it believes that the aggregate valuation, as returned, is less than the market value of the taxable personal property possessed by the individuals, firms, or corporations, to the sum it believes to be the market value. The board must first give notice to the persons of intention to do so. The notice must set a time and place for a hearing.

(4) The board shall reduce the valuation of each class of personal property that is returned above its market value to the sum it believes to be its market value. Upon complaint of a party aggrieved, the board shall reduce the aggregate valuation of the individual's personal property, or of any class of personal property for which the individual is assessed, which in its opinion has been assessed at too large a sum, to the sum it believes was the market value of the individual's personal property of that class.

(5) The board must not reduce the aggregate value of all the property of its county, as submitted to the county board of equalization, with the additions made by the auditor under this chapter, by more than one percent of its whole valuation. The board may raise the aggregate valuation of real property, and of each class of personal property, of the county, or of any town or district of the county, when it believes it is below the market value of the property, or class of property, to the aggregate amount it believes to be its market value.

(6) The board shall change the classification of any property which in its opinion is not properly classified.
(7) The board does not have the authority to grant an exemption or to order property removed from the tax rolls.

(8) The board may not make an individual market value adjustment or classification change that would benefit property if the owner or other person having control over the property has refused the assessor access to inspect the property and the interior of any buildings or structures as provided in section 273.20.

**EFFECTIVE DATE.** This section is effective for county board of appeal and equalization meetings in 2018 and thereafter.

Sec. 27. Minnesota Statutes 2016, section 274.135, subdivision 3, is amended to read:

Subd. 3. **Proof of compliance; transfer of duties.** (a) Any county that conducts county boards of appeal and equalization meetings must provide proof to the commissioner by December 1, 2009, and each year thereafter, February 1 that it is in compliance with the requirements of subdivision 2. Beginning in 2009, This notice must also verify that there was a quorum of voting members at each meeting of the board of appeal and equalization in the current previous year. A county that does not comply with these requirements is deemed to have transferred its board of appeal and equalization powers to the special board of equalization appointed pursuant to section 274.13, subdivision 2, beginning with the following year's assessment and continuing unless the powers are reinstated under paragraph (c). A county that does not comply with the requirements of subdivision 2 and has not appointed a special board of equalization shall appoint a special board of equalization before the following year's assessment.

(b) The county shall notify the taxpayers when the board of appeal and equalization for a county has been transferred to the special board of equalization under this subdivision and, prior to the meeting time of the special board of equalization, the county shall make available to those taxpayers a procedure for a review of the assessments, including, but not limited to, open book meetings. This alternate review process must take place in April and May.

(c) A county board whose powers are transferred to the special board of equalization under this subdivision may be reinstated by resolution of the county board and upon proof of compliance with the requirements of subdivision 2. The resolution and proofs must be provided to the commissioner by December February 1 in order to be effective for the following current year's assessment.

(d) If a person who was entitled to appeal to the county board of appeal and equalization or to the county special board of equalization is not able to do so in a particular year because the county board or special board did not meet the quorum and training requirements in this section and section 274.13, or because the special board was not appointed, that person may instead appeal to the commissioner of revenue, provided that the appeal is received by the commissioner prior to August 1. The appeal is not subject to either chapter 14 or section 270C.92. The commissioner must issue an appropriate order to the county assessor in response to each timely appeal, either upholding or changing the valuation or classification of the property. Prior to October 1 of each year, the commissioner must charge and bill the county where the property is located $500 for each tax parcel covered by an order issued under this paragraph in that year. Amounts received by the commissioner under this paragraph must be deposited in the state's general fund. If payment of a billed amount is not received by the commissioner before December 1 of the year when billed, the commissioner must deduct that unpaid amount from any state aid the commissioner would otherwise pay to the county under chapter 477A in the next year. Late payments may either be returned to the county uncashed and undeposited or may be accepted. If a late payment is accepted, the state aid paid to the county under chapter 477A must be adjusted within 12 months to eliminate any reduction that occurred because the payment was late. Amounts needed to make these adjustments are included in the appropriation under section 477A.03, subdivision 2.

**EFFECTIVE DATE.** This section is effective for county boards of appeal and equalization meetings held in 2018 and thereafter.
Sec. 28. Minnesota Statutes 2016, section 275.065, subdivision 1, is amended to read:

Subdivision 1. Proposed levy. (a) Notwithstanding any law or charter to the contrary, on or before September 30, each county and each home rule charter or statutory city shall certify to the county auditor the proposed property tax levy for taxes payable in the following year.

(b) Notwithstanding any law or charter to the contrary, on or before September 15, each town and each special taxing district shall adopt and certify to the county auditor a proposed property tax levy for taxes payable in the following year. For towns, the final certified levy shall also be considered the proposed levy.

(c) On or before September 30, each school district that has not mutually agreed with its home county to extend this date shall certify to the county auditor the proposed property tax levy for taxes payable in the following year. Each school district that has agreed with its home county to delay the certification of its proposed property tax levy must certify its proposed property tax levy for the following year no later than October 7. The school district shall certify the proposed levy as:

1. a specific dollar amount by school district fund, broken down between voter-approved and non-voter-approved levies and between referendum market value and tax capacity levies; or

2. the maximum levy limitation certified by the commissioner of education according to section 126C.48, subdivision 1.

(d) If the board of estimate and taxation or any similar board that establishes maximum tax levies for taxing jurisdictions within a first class city certifies the maximum property tax levies for funds under its jurisdiction by charter to the county auditor by the date specified in paragraph (a), the city shall be deemed to have certified its levies for those taxing jurisdictions.

(e) For purposes of this section, "special taxing district" means a special taxing district as defined in section 275.066. Intermediate school districts that levy a tax under chapter 124 or 136D, joint powers boards established under sections 123A.44 to 123A.446, and Common School Districts No. 323, Franconia, and No. 815, Prinsburg, are also special taxing districts for purposes of this section.

(f) At the meeting at which a taxing authority, other than a town, adopts its proposed tax levy under this subdivision, the taxing authority shall announce the time and place of its any subsequent regularly scheduled meetings at which the budget and levy will be discussed and at which the public will be allowed to speak. The time and place of those meetings must be included in the proceedings or summary of proceedings published in the official newspaper of the taxing authority under section 123B.09, 375.12, or 412.191.

For purposes of this section, "local governmental unit" means a county, home rule charter or statutory city with a population greater than 2,500, a town with a population greater than 5,000, or a home rule charter or statutory city or town that receives a distribution from the taconite municipal aid account in the levy year.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 30. Minnesota Statutes 2016, section 278.01, subdivision 1, is amended to read:

Subdivision 1. Determination of validity. (a) Any person having personal property, or any estate, right, title, or interest in or lien upon any parcel of land, who claims that such property has been partially, unfairly, or unequally assessed in comparison with other property in the (1) city, or (2) county, or (3) in the case of a county containing a city of the first class, the portion of the county excluding the first class city, or that the parcel has been assessed at a valuation greater than its real or actual value, or that the tax levied against the same is illegal, in whole or in part, or has been paid, or that the property is exempt from the tax so levied, may have the validity of the claim, defense, or objection determined by the district court of the county in which the tax is levied or by the Tax Court by serving one copy of a petition for such determination upon the county auditor, one copy on the county attorney, one copy on the county treasurer, and three copies on the county assessor. The county assessor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the petition shall also be forwarded by the assessor to the school board of the school district in which the property is located.

(b) In counties where the office of county treasurer has been combined with the office of county auditor, the county may elect to require the petitioner to serve the number of copies as determined by the county. The county assessor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A list of petitioned properties, including the name of the petitioner, the identification number of the property, and the estimated market value, shall be sent on or before the first day of July by the county auditor/treasurer to the school board of the school district in which the property is located.

(c) For all counties, the petitioner must file the copies with proof of service, in the office of the court administrator of the district court on or before April 30 of the year in which the tax becomes payable. A petition for determination under this section may be transferred by the district court to the Tax Court. EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 31. Minnesota Statutes 2016, section 282.01, subdivision 1a, is amended to read:

Subd. 1a. Conveyance to public entities. (a) Upon written request from a state agency or a governmental subdivision of the state, a parcel of unsold tax-forfeited land must be withheld from sale or lease to others for a maximum of six months. The request must be submitted to the county auditor. Upon receipt, the county auditor must withhold the parcel from sale or lease to any other party for six months, and must confirm the starting date of the six-month withholding period to the requesting agency or subdivision. If the request is from a governmental subdivision of the state, the governmental subdivision must pay the maintenance costs incurred by the county during the period the parcel is withheld. The county board may approve a sale or conveyance to the requesting party during the withholding period. A conveyance of the property to the requesting party terminates the withholding period.

A governmental subdivision of the state must not make, and a county auditor must not act upon, a second request to withhold a parcel from sale or lease within 18 months of a previous request for that parcel. A county may reject a request made under this paragraph if the request is made more than 30 days after the county has given notice to the requesting state agency or governmental subdivision of the state that the county intends to sell or otherwise dispose of the property.
(b) Nonconservation tax-forfeited lands may be sold by the county board, for their market value as determined by the county board, to an organized or incorporated governmental subdivision of the state for any public purpose for which the subdivision is authorized to acquire property. When the term "market value" is used in this section, it means an estimate of the full and actual market value of the parcel as determined by the county board, but in making this determination, the board and the persons employed by or under contract with the board in order to perform, conduct, or assist in the determination, are exempt from the licensure requirements of chapter 82B.

(c) Nonconservation tax-forfeited lands may be released from the trust in favor of the taxing districts on application to sold by the county board by, for their market value as determined by the county board, to a state agency for an authorized use at not less than their market value as determined by the county board, any public purpose for which the agency is authorized to acquire property.

(d) Nonconservation tax-forfeited lands may be sold by the county board to an organized or incorporated governmental subdivision of the state or state agency for less than their market value if:

(1) the county board determines that a sale at a reduced price is in the public interest because a reduced price is necessary to provide an incentive to correct the blighted conditions that make the lands undesirable in the open market, or the reduced price will lead to the development of affordable housing; and

(2) the governmental subdivision or state agency has documented its specific plans for correcting the blighted conditions or developing affordable housing, and the specific law or laws that empower it to acquire real property in furtherance of the plans.

If the sale under this paragraph is to a governmental subdivision of the state, the commissioner of revenue must convey the property on behalf of the state by quitclaim deed. If the sale under this paragraph is to a state agency, the property is released from the trust in favor of the taxing districts and the commissioner of revenue must issue a conveyance document that releases the property from the trust in favor of the taxing districts convey the property on behalf of the state by quitclaim deed to the agency.

(e) Nonconservation tax-forfeited land held in trust in favor of the taxing districts may be conveyed by the commissioner of revenue in the name of the state to a governmental subdivision for an authorized public use, if an application is submitted to the commissioner which includes a statement of facts as to the use to be made of the tract and the favorable recommendation of the county board. For the purposes of this paragraph, "authorized public use" means a use that allows an indefinite segment of the public to physically use and enjoy the property in numbers appropriate to its size and use, or is for a public service facility. Authorized public uses as defined in this paragraph are limited to:

(1) a road, or right-of-way for a road;

(2) a park that is both available to, and accessible by, the public that contains improvements such as campgrounds, playgrounds, athletic fields, trails, or shelters;

(3) trails for walking, bicycling, snowmobiling, or other recreational purposes, along with a reasonable amount of surrounding land maintained in its natural state;

(4) transit facilities for buses, light rail transit, commuter rail or passenger rail, including transit ways, park-and-ride lots, transit stations, maintenance and garage facilities, and other facilities related to a public transit system;

(5) public beaches or boat launches;

(6) public parking;
(7) civic recreation or conference facilities; and

(8) public service facilities such as fire halls, police stations, lift stations, water towers, sanitation facilities, water treatment facilities, and administrative offices.

No monetary compensation or consideration is required for the conveyance, except as provided in subdivision 1g, but the conveyance is subject to the conditions provided in law, including, but not limited to, the reversion provisions of subdivisions 1c and 1d.

(f) The commissioner of revenue shall convey a parcel of nonconservation tax-forfeited land to a local governmental subdivision of the state by quitclaim deed on behalf of the state upon the favorable recommendation of the county board if the governmental subdivision has certified to the board that prior to forfeiture the subdivision was entitled to the parcel under a written development agreement or instrument, but the conveyance failed to occur prior to forfeiture. No compensation or consideration is required for, and no conditions attach to, the conveyance.

(g) The commissioner of revenue shall convey a parcel of nonconservation tax-forfeited land to the association of a common interest community by quitclaim deed upon the favorable recommendation of the county board if the association certifies to the board that prior to forfeiture the association was entitled to the parcel under a written agreement, but the conveyance failed to occur prior to forfeiture. No compensation or consideration is required for, and no conditions attach to, the conveyance.

(h) Conservation tax-forfeited land may be sold to a governmental subdivision of the state for less than its market value for either: (1) creation or preservation of wetlands; (2) drainage or storage of storm water under a storm water management plan; or (3) preservation, or restoration and preservation, of the land in its natural state. The deed must contain a restrictive covenant limiting the use of the land to one of these purposes for 30 years or until the property is reconveyed back to the state in trust. At any time, the governmental subdivision may reconvey the property to the state in trust for the taxing districts. The deed of reconveyance is subject to approval by the commissioner of revenue. No part of a purchase price determined under this paragraph shall be refunded upon a reconveyance, but the amount paid for a conveyance under this paragraph may be taken into account by the county board when setting the terms of a future sale of the same property to the same governmental subdivision under paragraph (b) or (d). If the lands are unplatted and located outside of an incorporated municipality and the commissioner of natural resources determines there is a mineral use potential, the sale is subject to the approval of the commissioner of natural resources.

(i) A park and recreation board in a city of the first class is a governmental subdivision for the purposes of this section.

(j) Tax-forfeited land held in trust in favor of the taxing districts may be conveyed by the commissioner of revenue in the name of the state to a governmental subdivision for a school forest under section 89.41. An application that includes a statement of facts as to the use to be made of the tract and the favorable recommendation of the county board and the commissioner of natural resources must be submitted to the commissioner of revenue. No monetary compensation or consideration is required for the conveyance, but the conveyance is subject to the conditional use and reversion provisions of subdivisions 1c and 1d, paragraph (e). At any time, the governmental subdivision may reconvey the property back to the state in trust for the taxing districts. The deed of reconveyance is subject to approval by the commissioner of revenue.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 32. Minnesota Statutes 2016, section 282.01, subdivision 1d, is amended to read:

Subd. 1d. **Reverter for failure to use; conveyance to state.** (a) After three years from the date of any conveyance of tax-forfeited land to a governmental subdivision for an authorized public use as provided in this section, regardless of when the deed for the authorized public use was executed, if the governmental subdivision has failed to put the land to that use, or abandons that use, the governing body of the subdivision must: (1) with the approval of the county board, purchase the property for an authorized public purpose at the present market value as determined by the county board, or (2) authorize the proper officers to convey the land, or the part of the land not required for an authorized public use, to the state of Minnesota in trust for the taxing districts. If the governing body purchases the property under clause (1), the commissioner of revenue shall, upon proper application submitted by the county auditor and upon the reconveyance of the land subject to the conditional use deed to the state, convey the property on behalf of the state by quitclaim deed to the subdivision free of a use restriction and the possibility of reversion or defeasement. If the governing body decides to reconvey the property to the state under this clause, the officers shall execute a deed of conveyance immediately. The conveyance is subject to the approval of the commissioner and its form must be approved by the attorney general. For 15 years from the date of the conveyance, there is no failure to put the land to the authorized public use and no abandonment of that use if a formal plan of the governmental subdivision, including, but not limited to, a comprehensive plan or land use plan, shows an intended future use of the land for the authorized public use.

(b) Property held by a governmental subdivision of the state under a conditional use deed executed under this section by the commissioner of revenue on or after January 1, 2007, may be acquired by that governmental subdivision after 15 years from the date of the conveyance if the commissioner determines upon written application from the subdivision that the subdivision has in fact put the property to the authorized public use for which it was conveyed, and the subdivision has made a finding that it has no current plans to change the use of the lands. Prior to conveying the property, the commissioner shall inquire whether the county board where the land is located objects to a conveyance of the property to the subdivision without conditions and without further act by or obligation of the subdivision. If the county does not object within 60 days, and the commissioner makes a favorable determination, the commissioner shall issue a quitclaim deed on behalf of the state unconditionally conveying the property to the governmental subdivision. For purposes of this paragraph, demonstration of an intended future use for the authorized public use in a formal plan of the governmental subdivision does not constitute use for that authorized public use.

(c) Property held by a governmental subdivision of the state under a conditional use deed executed under this section by the commissioner of revenue before January 1, 2007, is released from the use restriction and possibility of reversion on January 1, 2022, if the county board records a resolution describing the land and citing this paragraph. The county board may authorize the county treasurer to deduct the amount of the recording fees from future settlements of property taxes to the subdivision.

(d) Except for tax-forfeited land conveyed to establish a school forest under section 89.41, property conveyed under a conditional use deed executed under this section by the commissioner of revenue, regardless of when the deed for the authorized public use was executed, is released from the use restriction and reverter, and any use restriction or reverter for which no declaration of reversion has been recorded with the county recorder or registrar of titles, as appropriate, is nullified on the later of: (1) January 1, 2015; (2) 30 years from the date the deed was acknowledged; or (3) final resolution of an appeal to district court under subdivision 1e, if a lis pendens related to the appeal is recorded in the office of the county recorder or registrar of titles, as appropriate, prior to January 1, 2015.

(e) Notwithstanding paragraphs (a) to (d), tax-forfeited land conveyed to establish a school forest under section 89.41 is subject to a perpetual conditional use deed and reverter. The property reverts to the state in trust for the taxing districts by operation of law if the commissioner of natural resources determines and reports to the
commissioner of revenue under section 89.41, subdivision 3, that the governmental subdivision has failed to use the land for school forest purposes for three consecutive years. The commissioner of revenue shall record a declaration of reversion for land that has reverted under this paragraph.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 33. Minnesota Statutes 2016, section 477A.013, is amended by adding a subdivision to read:

**EFFECTIVE DATE.** This section is effective for aids payable in 2018 and thereafter.

Sec. 34. Minnesota Statutes 2016, section 477A.19, is amended by adding a subdivision to read:

Subd. 3a. **Certification.** On or before June 1 of each year, the commissioner of natural resources shall certify to the commissioner of revenue the number of watercraft launches and the number of watercraft trailer parking spaces in each county.

**EFFECTIVE DATE.** This section is effective for aids payable in 2018 and thereafter.

Sec. 35. Minnesota Statutes 2016, section 477A.19, is amended by adding a subdivision to read:

Subd. 5. **Debt.** (a) "Debt" means a legal obligation of a natural person to pay a fixed and certain amount of money, which equals or exceeds $25 and which is due and payable to a claimant agency. The term includes criminal fines imposed under section 609.10 or 609.125, fines imposed for petty misdemeanors as defined in section 609.02, subdivision 4a, and restitution. A debt may arise under a contractual or statutory obligation, a court order, or other legal obligation, but need not have been reduced to judgment.
A debt includes any legal obligation of a current recipient of assistance which is based on overpayment of an assistance grant where that payment is based on a client waiver or an administrative or judicial finding of an intentional program violation; or where the debt is owed to a program wherein the debtor is not a client at the time notification is provided to initiate recovery under this chapter and the debtor is not a current recipient of food support, transitional child care, or transitional medical assistance.

(b) A debt does not include any legal obligation to pay a claimant agency for medical care, including hospitalization if the income of the debtor at the time when the medical care was rendered does not exceed the following amount:

For purposes of this paragraph, a spouse, other than a separated spouse, shall be considered a dependent.

(c) The commissioner shall adjust the income amounts in paragraph (b) by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "1992" shall be substituted for the word "1999 2014". The determination of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be subject to the Administrative Procedure Act contained in chapter 14. The income amount as adjusted must be rounded to the nearest $10 amount. If the amount ends in $5, the amount is rounded up to the nearest $10 amount.

(d) Debt also includes an agreement to pay a MinnesotaCare premium, regardless of the dollar amount of the premium authorized under section 256L.15, subdivision 1a.

The commissioner shall prescribe the content, format, and manner of the homestead application required to be filed under this chapter pursuant to section 270C.30. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to receive homestead treatment.
(c) Every property owner applying for homestead classification must furnish to the county assessor the Social Security number of each occupant who is listed as an owner of the property on the deed of record, the name and address of each owner who does not occupy the property, and the name and Social Security number of each owner’s spouse who occupies the property. The application must be signed by each owner who occupies the property and by each owner’s spouse who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner’s spouse may not claim another property as a homestead unless the property owner and the property owner’s spouse file with the assessor an affidavit or other proof required by the assessor stating that the property qualifies as a homestead under subdivision 1, paragraph (e).

Owners or spouses occupying residences owned by their spouses and previously occupied with the other spouse, either of whom fail to include the other spouse’s name and Social Security number on the homestead application or provide the affidavits or other proof requested, will be deemed to have elected to receive only partial homestead treatment of their residence. The remainder of the residence will be classified as nonhomestead residential. When an owner or spouse’s name and Social Security number appear on homestead applications for two separate residences and only one application is signed, the owner or spouse will be deemed to have elected to homestead the residence for which the application was signed.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The Social Security number of a relative or relative’s spouse occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue, or, for the purposes of proceeding under the Revenue Recapture Act to recover personal property taxes owing, to the county treasurer.

(e) The homestead application shall also notify the property owners that if the property is granted homestead status for any assessment year, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners, the spouse of the owner, or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner, the spouse of the owner, or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

(c) This subdivision applies notwithstanding whether a local government unit or group of units adopts consistent definitions into local law.

Sec. 2. Minnesota Statutes 2016, section 298.01, subdivision 3, is amended to read:

Subd. 3. Occupation tax; other ores. Every person engaged in the business of mining, refining, or producing ores, metals, or minerals in this state, except iron ore or taconite concentrates, shall pay an occupation tax to the state of Minnesota as provided in this subdivision. For purposes of this subdivision, mining includes the application of hydrometallurgical processes. Hydrometallurgical processes are processes that extract the ores, metals, or minerals, by use of aqueous solutions that leach, concentrate, and recover the ore, metal, or mineral. The tax is determined in the same manner as the tax imposed by section 290.02, except that sections 290.05, subdivision 1, clause (a), 290.17, subdivision 4, and 290.191, subdivision 2, do not apply, and the occupation tax must be computed by applying to taxable income the rate of 2.45 percent. A person subject to occupation tax under this section shall apportion its net income on the basis of the percentage obtained by taking the sum of:

(1) 75 percent of the percentage which the sales made within this state in connection with the trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period;

(2) 12.5 percent of the percentage which the total tangible property used by the taxpayer in this state in connection with the trade or business during the tax period is of the total tangible property, wherever located, used by the taxpayer in connection with the trade or business during the tax period; and

The tax is in addition to all other taxes.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2016, section 298.01, subdivision 4, is amended to read:

Subd. 4. Occupation tax; iron ore; taconite concentrates. A person engaged in the business of mining or producing of iron ore, taconite concentrates or direct reduced ore in this state shall pay an occupation tax to the state of Minnesota. The tax is determined in the same manner as the tax imposed by section 290.02, except that sections 290.05, subdivision 1, clause (a), 290.17, subdivision 4, and 290.191, subdivision 2, do not apply, and the occupation tax shall be computed by applying to taxable income the rate of 2.45 percent. A person subject to occupation tax under this section shall apportion its net income on the basis of the percentage obtained by taking the sum of:

(1) 75 percent of the percentage which the sales made within this state in connection with the trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period;

(2) 12.5 percent of the percentage which the total tangible property used by the taxpayer in this state in connection with the trade or business during the tax period is of the total tangible property, wherever located, used by the taxpayer in connection with the trade or business during the tax period; and

(3) 12.5 percent of the percentage which the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with the trade or business during the tax period are of the taxpayer's total payrolls paid or incurred in connection with the trade or business during the tax period.

The tax is in addition to all other taxes.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 4. Minnesota Statutes 2016, section 298.24, subdivision 1, is amended to read:

Subdivision 1. Imposed; calculation. (a) For concentrate produced in 2013, there is imposed upon taconite and iron sulphides, and upon the mining and quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon the concentrate so produced, a tax of $2.56 per gross ton of merchantable iron ore concentrate produced therefrom. The tax is also imposed upon other iron-bearing material.

(b) For concentrates produced in 2014 and subsequent years, the tax rate shall be equal to the preceding year's tax rate plus an amount equal to the preceding year's tax rate multiplied by the percentage increase in the implicit price deflator from the fourth quarter of the second preceding year to the fourth quarter of the preceding year. "Implicit price deflator" means the implicit price deflator for the gross domestic product prepared by the Bureau of Economic Analysis of the United States Department of Commerce.

(c) An additional tax is imposed equal to three cents per gross ton of merchantable iron ore concentrate for each one percent that the iron content of the product exceeds 72 percent, when dried at 212 degrees Fahrenheit.

(d) The tax on taconite and iron sulphides shall be imposed on the average of the production for the current year and the previous two years. The rate of the tax imposed will be the current year's tax rate. This clause shall not apply in the case of the closing of a taconite facility if the property taxes on the facility would be higher if this clause and section 298.25 were not applicable. The tax on other iron-bearing material shall be imposed on the current year production.

(e) The tax under paragraph (a) is also imposed upon other iron-bearing material. The tax on other iron-bearing material shall be imposed on the current year production. The rate of the tax imposed is the current year's tax rate.

(f) If the tax or any part of the tax imposed by this subdivision is held to be unconstitutional, a tax of $2.56 per gross ton of merchantable iron ore concentrate produced shall be imposed.

(g) Consistent with the intent of this subdivision to impose a tax based upon the weight of merchantable iron ore concentrate, the commissioner of revenue may indirectly determine the weight of merchantable iron ore concentrate included in fluxed pellets by subtracting the weight of the limestone, dolomite, or olivine derivatives or other basic flux additives included in the pellets from the weight of the pellets. For purposes of this paragraph, "fluxed pellets" are pellets produced in a process in which limestone, dolomite, olivine, or other basic flux additives are combined with merchantable iron ore concentrate. No subtraction from the weight of the pellets shall be allowed for binders, mineral and chemical additives other than basic flux additives, or moisture.

(h) (1) Notwithstanding any other provision of this subdivision, for the first two years of a plant's commercial production of direct reduced ore from ore mined in this state, no tax is imposed under this section. As used in this paragraph, "commercial production" is production of more than 50,000 tons of direct reduced ore in the current year or in any prior year, "noncommercial production" is production of 50,000 tons or less of direct reduced ore in any year, and "direct reduced ore" is ore that results in a product that has an iron content of at least 75 percent. For the third year of a plant's commercial production of direct reduced ore, the rate to be applied to direct reduced ore is 25 percent of the rate otherwise determined under this subdivision. For the fourth commercial production year, the rate is 50 percent of the rate otherwise determined under this subdivision; for the fifth commercial production year, the rate is 75 percent of the rate otherwise determined under this subdivision; and for all subsequent commercial production years, the full rate is imposed.

(2) Subject to clause (1), production of direct reduced ore in this state is subject to the tax imposed by this section, but if that production is not produced by a producer of taconite, iron sulfides, or other iron-bearing material, the production of taconite, iron sulfides, or other iron-bearing material, that is consumed in the production of direct reduced iron ore in this state is not subject to the tax imposed by this section on taconite, iron sulfides, or other iron-bearing material.
(3) Notwithstanding any other provision of this subdivision, no tax is imposed on direct reduced ore under this section during the facility's noncommercial production of direct reduced ore. The taconite or iron sulphides consumed in the noncommercial production of direct reduced ore is subject to the tax imposed by this section on taconite and iron sulphides. Three-year average production of direct reduced ore does not include production of direct reduced ore in any noncommercial year. Three-year average production for a direct reduced ore facility that has noncommercial production is the average of the commercial production of direct reduced ore for the current year and the previous two commercial years.

(4) This paragraph applies only to plants for which all environmental permits have been obtained and construction has begun before July 1, 2008.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 5. Minnesota Statutes 2016, section 298.28, subdivision 2, is amended to read:

Subd. 2. City or town where quarried or produced. (a) 4.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton," plus the amount provided in paragraph (c), must be allocated to the city or town in the county in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivisions upon the basis of attributing 50 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. The commissioner's order making such apportionment shall be subject to review by the Tax Court at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(b) (1) Four cents per taxable ton shall be allocated to cities and organized townships affected by mining because their boundaries are within three miles of a taconite mine pit that:

(i) was actively mined by LTV Steel Mining Company in 1999; or

(ii) has been actively mined in at least one of the prior three years.

(2) If a city or town is located near more than one mine meeting these the criteria under this paragraph, the city or town is eligible to receive aid calculated from only the mine producing the largest taxable tonnage. When more than one municipality qualifies for aid based on one company's production, the aid must be apportioned among the municipalities in proportion to their populations. The amounts distributed under this paragraph to each municipality must be used for infrastructure improvement projects.

(c) The amount that would have been computed for the current year under Minnesota Statutes 2008, section 126C.21, subdivision 4, for a school district shall be distributed to the cities and townships within the school district in the proportion that their taxable net tax capacity within the school district bears to the taxable net tax capacity of the school district for property taxes payable in the year prior to distribution.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 6. Minnesota Statutes 2016, section 298.28, subdivision 5, is amended to read:

Subd. 5. Counties. (a) 21.05 cents per taxable ton for distributions in 2015 through 2023, and 26.05 cents per taxable ton for distributions beginning in 2024, is allocated to counties to be distributed, based upon certification by the commissioner of revenue, under paragraphs (b) to (d).

(b) 10.525 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to paragraph (c). The apportionment formula prescribed in subdivision 2 is the basis for the distribution.

(c) If 1.0 cent per taxable ton of the tax distributed to the counties under paragraph (b) shall be paid to a county that received a distribution under this section in 2000 because there was located in the county an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a different county other than the county in which the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to paragraph (b) and imposed on and collected from such taxpayer shall be paid to the county in which the power plant is located.

(d) 10.525 cents per taxable ton for distributions in 2015 through 2023, and 15.525 cents per taxable ton for distributions beginning in 2024, shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in subdivision 2.

EFFECTIVE DATE. This section is effective the day following final enactment.

ARTICLE 20
DEPARTMENT OF REVENUE PROPERTY TAX AND LOCAL GOVERNMENT AID POLICY PROVISIONS

Section 1. Minnesota Statutes 2016, section 270.074, subdivision 1, is amended to read:

The valuation apportioned to this state of such flight property shall be the proportion of the total valuation thereof determined on the basis of the total of the following percentages:

(1) 33 1/3 percent of the percentage which the total tonnage of passengers, express and freight first received by the airline company in this state during the preceding calendar year plus the total tonnage of passengers, express and freight finally discharged by it within this state during the preceding calendar year is of the total of such tonnage first received by the airline company or finally discharged by it, within and without this state during the preceding calendar year.

(2) 33 1/3 percent of the percentage which, in equated plane hours, the total time of all aircraft of the airline company in flight in this state during the preceding calendar year, is of the total of such time in flight within and without this state during the preceding calendar year.

(3) 33 1/3 (1) 50 percent of the percentage which the number of revenue ton miles of passengers, mail, express and freight flown by the airline company within this state during the preceding calendar year is of the total number of such miles flown by it within and without this state during the preceding calendar year.
(2) 50 percent of the percentage that the total departures performed by the airline company within this state during the preceding calendar year is of the total departures performed within and without this state during the preceding calendar year.

**EFFECTIVE DATE.** This section is effective for assessment year 2018 and thereafter.

Sec. 2. Minnesota Statutes 2016, section 272.025, subdivision 1, is amended to read:

Subdivision 1. **Statement of exemption.** (a) Except in the case of property owned by the state of Minnesota or any political subdivision thereof, and property exempt from taxation under section 272.02, subdivisions 9, 10, 13, 15, 18, 20, and 22 to 25, and at the times provided in subdivision 3, a taxpayer claiming an exemption from taxation on property described in section 272.02, subdivisions 2 to 33, must file a statement of exemption with the assessor of the assessment district in which the property is located. By February 1, 2018, and by February 1 of each third year thereafter, the commissioner of revenue shall publish on its Web site a list of the exemptions for which a taxpayer claiming an exemption must file a statement of exemption. The commissioner's requirement that a taxpayer file a statement of exemption pursuant to this subdivision shall not be considered a rule and is not subject to the Administrative Procedure Act, chapter 14.

(b) A taxpayer claiming an exemption from taxation on property described in section 272.02, subdivision 10, must file a statement of exemption with the commissioner of revenue, on or before February 15 of each year for which the taxpayer claims an exemption.

(c) In case of sickness, absence or other disability or for good cause, the assessor or the commissioner may extend the time for filing the statement of exemption for a period not to exceed 60 days.

(d) The commissioner of revenue shall prescribe the form and contents of the statement of exemption.

**EFFECTIVE DATE.** This section is effective for applications for exemption submitted in 2018 and thereafter.

Sec. 3. Minnesota Statutes 2016, section 272.0295, is amended by adding a subdivision to read:

Subd. 8. **Extension.** The commissioner may, for good cause, extend the time for filing the report required by subdivision 4. The extension must not exceed 15 days.

**EFFECTIVE DATE.** This section is effective for reports filed in 2018 and thereafter.

Sec. 4. Minnesota Statutes 2016, section 272.115, subdivision 1, is amended to read:

Subdivision 1. **Requirement.** Except as otherwise provided in subdivision 5 or 6, whenever any real estate is sold for a consideration in excess of $1,000, the grantor, grantee or the legal agent of either shall file a certificate of value with the county auditor in the county in which the property is located when the deed or other document is presented for recording. The certificate shall include financing terms and conditions of the sale which are necessary to determine the actual, present value of the sale price for purposes of the sales ratio study. The certificate shall include the classification to which the property belongs for the purpose of determining the fair market value of the property, and shall include any proposed change in use of the property known to the person filing the certificate that could change the classification of the property. Contract for deeds are subject to recording under section 507.235, subdivision 1. Value shall, in the case of any deed not a gift, be the amount of the full actual consideration thereof, paid or to be paid, including the amount of any lien or liens assumed. The items and value of personal property transferred with the real property must be listed and deducted from the sale price. The certificate of value shall include the classification to which the property belongs for the purpose of determining the fair market value of the property, and shall include any proposed change in use of the property known to the person filing the certificate that could change the classification of the property. If the property is being acquired as part of a like-kind exchange under section 1031 of the Internal Revenue Code of 1986, as amended through December 31, 2006, that
must be indicated on the certificate. The commissioner of revenue shall promulgate administrative rules specifying
the financing terms and conditions which must be included on the certificate. The certificate of value must include
the Social Security number or the federal employer identification number of the grantors and grantees. However, a
married person who is not an owner of record and who is signing a conveyance instrument along with the person's
spouse solely to release and convey their marital interest, if any, in the real property being conveyed is not a grantor
for the purpose of the preceding sentence. A statement in the deed that is substantially in the following form is
sufficient to allow the county auditor to accept a certificate for filing without the Social Security number of the
named spouse: "(Name) claims no ownership interest in the real property being conveyed and is executing this
instrument solely to release and convey a marital interest, if any, in that real property." The identification numbers
of the grantors and grantees are private data on individuals or nonpublic data as defined in section 13.02,
subdivisions 9 and 12, but, notwithstanding that section, the private or nonpublic data may be disclosed to the
commissioner of revenue for purposes of tax administration. The information required to be shown on the
certificate of value is limited to the information required as of the date of the acknowledgment on the deed or other
document to be recorded. The commissioner's determination of the amount for which a certificate of value is
required pursuant to this subdivision shall not be considered a rule and is not subject to the Administrative
Procedure Act, chapter 14.

**EFFECTIVE DATE.** This section is effective for certificates of value filed after December 31, 2017.

Sec. 5. Minnesota Statutes 2016, section 272.115, subdivision 2, is amended to read:

Subd. 2. **Form; information required.** The certificate of value shall require such facts and information as may
be determined by the commissioner to be reasonably necessary in the administration of the state education aid
formulas. The form of the certificate of value shall be prescribed by the Department of Revenue which shall provide
an adequate supply of forms to each county auditor.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 272.115, subdivision 3, is amended to read:

Subd. 3. **Copies transmitted; homestead status.** The county auditor shall transmit two true copies of the
certificate of value to the assessor who shall insert the certificate of value the most recent market value and
when available, the year of original construction of each parcel of property on both copies, and shall transmit one
copy the certificate of value to the Department of Revenue. Upon the request of a city council located within the
county, a copy of each certificate of value for property located in that city shall be made available to the governing
body of the city. The assessor shall remove the homestead classification for the following assessment year from a
property which is sold or transferred, unless the grantee or the person to whom the property is transferred completes
a homestead application under section 273.124, subdivision 13, and qualifies for homestead status.

**EFFECTIVE DATE.** This section is effective for certificates of value filed after December 31, 2017.

Sec. 7. Minnesota Statutes 2016, section 273.124, subdivision 13, is amended to read:

Subd. 13. **Homestead application.** (a) A person who meets the homestead requirements under subdivision 1
must file a homestead application with the county assessor to initially obtain homestead classification.

(b) The format and contents of a uniform homestead application shall be prescribed by the commissioner of
revenue. The application must clearly inform the taxpayer that this application must be signed by all owners who
occupy the property or by the qualifying relative and returned to the county assessor in order for the property to
receive homestead treatment.
(c) Every property owner applying for homestead classification must furnish to the county assessor the Social Security number of each occupant who is listed as an owner of the property on the deed of record, the name and address of each owner who does not occupy the property, and the name and Social Security number of each owner's spouse who occupies the property. The application must be signed by each owner who occupies the property and by each owner's spouse who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property qualifies as a homestead under subdivision 1, paragraph (e).

Owners or spouses occupying residences owned by their spouses and previously occupied with the other spouse, either of whom fail to include the other spouse's name and Social Security number on the homestead application or provide the affidavits or other proof requested, will be deemed to have elected to receive only partial homestead treatment of their residence. The remainder of the residence will be classified as nonhomestead residential. When an owner or spouse's name and Social Security number appear on homestead applications for two separate residences and only one application is signed, the owner or spouse will be deemed to have elected to homestead the residence for which the application was signed.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The Social Security number of each relative occupying the property and the name and Social Security number of the spouse of a relative occupying the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The Social Security number of a relative occupying the property or relative's spouse of a relative occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue, or, for the purposes of proceeding under the Revenue Recapture Act to recover personal property taxes owing, to the county treasurer.

(e) The homestead application shall also notify the property owners that if the property is granted homestead status for any assessment year, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners, the spouse of the owner, or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner, the spouse of the owner, or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

**EFFECTIVE DATE.** This section is effective for applications for homestead filed in 2018 and thereafter.

Sec. 8. Minnesota Statutes 2016, section 273.124, subdivision 13d, is amended to read:

Subd. 13d. Homestead data. On or before April 30 each year beginning in 2007, each county must provide the commissioner with the following data for each parcel of homestead property by electronic means as defined in section 289A.02, subdivision 8:
(1) the property identification number assigned to the parcel for purposes of taxes payable in the current year;

(2) the name and Social Security number of each occupant of homestead property who is the property owner, property owner's spouse, or qualifying relative of a property owner, and the spouse of the property owner who occupies homestead property or spouse of a qualifying relative of a property owner who occupies homestead property;

(3) the classification of the property under section 273.13 for taxes payable in the current year and in the prior year;

(4) an indication of whether the property was classified as a homestead for taxes payable in the current year because of occupancy by a relative of the owner or by a spouse of a relative;

(5) the property taxes payable as defined in section 290A.03, subdivision 13, for the current year and the prior year;

(6) the market value of improvements to the property first assessed for tax purposes for taxes payable in the current year;

(7) the assessor's estimated market value assigned to the property for taxes payable in the current year and the prior year;

(8) the taxable market value assigned to the property for taxes payable in the current year and the prior year;

(9) whether there are delinquent property taxes owing on the homestead;

(10) the unique taxing district in which the property is located; and

(11) such other information as the commissioner decides is necessary.

The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

EFFECTIVE DATE. This section is effective for applications for homestead filed in 2018 and thereafter.

Sec. 9. Minnesota Statutes 2016, section 274.014, subdivision 3, is amended to read:

Subd. 3. Proof of compliance; transfer of duties. (a) Any city or town that conducts local boards of appeal and equalization meetings must provide proof to the county assessor by February 1 that it is in compliance with the training requirements of subdivision 2 by February 1, by having at least one member who has attended an appeals and equalization course described in subdivision 2 within the last four years. This notice must also verify that there was a quorum of voting members at each meeting of the board of appeal and equalization in the previous year. A city or town that does not comply with these requirements is deemed to have transferred its board of appeal and equalization powers to the county for a minimum of two assessment years, beginning with the current year's assessment and continuing thereafter unless the powers are reinstated under paragraph (c).

(b) The county shall notify the taxpayers when the board of appeal and equalization for a city or town has been transferred to the county under this subdivision and, prior to the meeting time of the county board of equalization, the county shall make available to those taxpayers a procedure for a review of the assessments, including, but not limited to, open book meetings. This alternate review process shall take place in April and May.
(c) A local board whose powers are transferred to the county under this subdivision may be reinstated by resolution of the governing body of the city or town and upon proof of compliance with the requirements of subdivision 2. The resolution and proofs must be provided to the county assessor by February 1 in order to be effective for the following year's assessment.

(d) A local board whose powers are transferred to the county under this subdivision may continue to employ a local assessor and is not deemed to have transferred its powers to make assessments.

**EFFECTIVE DATE.** This section is effective for board of appeal and equalization meetings held in 2018 and thereafter.

Sec. 10. Minnesota Statutes 2016, section 274.135, subdivision 3, is amended to read:

Subd. 3. **Proof of compliance; transfer of duties.** (a) Any county that conducts county boards of appeal and equalization meetings must provide proof to the commissioner by December 1, 2009, and each year thereafter, that it is in compliance with the training requirements of subdivision 2 by February 1, by having at least one member who has attended an appeals and equalization course described in subdivision 2 within the last four years. Beginning in 2009, this notice must also verify that there was a quorum of voting members at each meeting of the board of appeal and equalization in the current year. A county that does not comply with these requirements is deemed to have transferred its board of appeal and equalization powers to the special board of equalization appointed pursuant to section 274.13, subdivision 2, for a minimum of two assessment years, beginning with the following year's assessment and continuing thereafter unless the powers are reinstated under paragraph (c). A county that does not comply with the requirements of subdivision 2 and has not appointed a special board of equalization shall appoint a special board of equalization before the following year's assessment.

(b) The county shall notify the taxpayers when the board of appeal and equalization for a county has been transferred to the special board of equalization under this subdivision and, prior to the meeting time of the special board of equalization, the county shall make available to those taxpayers a procedure for a review of the assessments, including, but not limited to, open book meetings. This alternate review process must take place in April and May.

(c) A county board whose powers are transferred to the special board of equalization under this subdivision may be reinstated by resolution of the county board and upon proof of compliance with the requirements of subdivision 2. The resolution and proofs must be provided to the commissioner by December 1 in order to be effective for the following year's assessment.

(d) If a person who was entitled to appeal to the county board of appeal and equalization or to the county special board of equalization is not able to do so in a particular year because the county board or special board did not meet the quorum and training requirements in this section and section 274.13, or because the special board was not appointed, that person may instead appeal to the commissioner of revenue, provided that the appeal is received by the commissioner prior to August 1. The appeal is not subject to either chapter 14 or section 270C.92. The commissioner must issue an appropriate order to the county assessor in response to each timely appeal, either upholding or changing the valuation or classification of the property. Prior to October 1 of each year, the commissioner must charge and bill the county where the property is located $500 for each tax parcel covered by an order issued under this paragraph in that year. Amounts received by the commissioner under this paragraph must be deposited in the state's general fund. If payment of a billed amount is not received by the commissioner before December 1 of the year when billed, the commissioner must deduct that unpaid amount from any state aid the commissioner would otherwise pay to the county under chapter 477A in the next year. Late payments may either be returned to the county uncashed and undeposited or may be accepted. If a late payment is accepted, the state aid
paid to the county under chapter 477A must be adjusted within 12 months to eliminate any reduction that occurred because the payment was late. Amounts needed to make these adjustments are included in the appropriation under section 477A.03, subdivision 2.

**EFFECTIVE DATE.** This section is effective for board of appeal and equalization meetings held in 2018 and thereafter.

Sec. 11. **REPEALER.**

(c) The court may exercise its jurisdiction over the action separate and apart from any other action brought by the state of Minnesota against the tax return preparer or any taxpayer. The court must grant a permanent injunction or other appropriate relief if the commissioner shows that the person has engaged in conduct constituting a violation of a law administered by the commissioner or a cease and desist order issued by the commissioner. The commissioner shall not be required to show irreparable harm.

EFFECTIVE DATE. This section is effective for claims and returns filed after December 31, 2017.

Sec. 16. Minnesota Statutes 2016, section 270C.447, subdivision 2, is amended to read:

Subd. 2. Injunction prohibiting specific conduct. In an action under subdivision 1, the court may enjoin the person from further engaging in that conduct if the court finds that a tax return preparer has:

(1) engaged in any conduct subject to a civil penalty under section 289A.60 or, a criminal penalty under section 289A.63, or a criminal penalty under section 609.527 or a similar statute for a return filed with the commissioner, the Internal Revenue Service, or another state;
(2) misrepresented the preparer's eligibility to practice before the Department of Revenue, or otherwise misrepresented the preparer's experience or education as a tax return preparer;

(3) guaranteed the payment of any tax refund or the allowance of any tax credit; or

(4) violated a cease and desist order issued by the commissioner; or

(4) engaged in any other fraudulent or deceptive conduct that substantially interferes with the proper administration of a law administered by the commissioner, and injunctive relief is appropriate to prevent the recurrence of that conduct.
the court may enjoin the person from further engaging in that conduct.

EFFECTIVE DATE. This section is effective for claims and returns filed after December 31, 2017.

Sec. 17. Minnesota Statutes 2016, section 270C.447, subdivision 3, is amended to read:

Subd. 3. Injunction prohibiting all business activities. If the court finds that a tax return preparer has continually or repeatedly engaged in conduct described in subdivision 2, and that an injunction prohibiting that conduct would not be sufficient to prevent the person's interference with the proper administration of a law administered by the commissioner, the court may enjoin the person from acting as a tax return preparer. The court may not enjoin the employer of a tax return preparer for conduct described in subdivision 2 engaged in by one or more of the employer's employees unless the employer was also actively involved in that conduct.

EFFECTIVE DATE. This section is effective for claims and returns filed after December 31, 2017.

Sec. 18. Minnesota Statutes 2016, section 270C.447, is amended by adding a subdivision to read:

Subd. 3a. Enforcement of cease and desist orders. (a) Whenever the commissioner under subdivision 1 or 3 seeks to enforce compliance with a cease and desist order, the court must consider the allegations in the cease and desist order conclusively established if the order is a final order.

(b) If the court finds the tax preparer was not in compliance with a cease and desist order, the court may impose a further civil penalty against the tax preparer for contempt in an amount up to $10,000 for each violation and may grant any other relief the court determines is just and proper in the circumstances. A civil penalty imposed by a court under this section may be collected and enforced by the commissioner as an income tax liability.

(c) The court may not require the commissioner to post a bond in an action or proceeding under this section.

EFFECTIVE DATE. This section is effective for claims and returns filed after December 31, 2017.

Sec. 19. Minnesota Statutes 2016, section 289A.60, subdivision 13, is amended to read:

Subd. 13. Penalties for tax return preparers. (a) If an understatement of liability with respect to a return or claim for refund is due to a reckless disregard of laws and rules or willful attempt in any manner to understate the liability for a tax by a person who is a tax return preparer with respect to the return or claim, the person shall pay to the commissioner a penalty of $500. If a part of a property tax refund claim filed under section 290.0677, subdivision 1, or chapter 290A is excessive due to a reckless disregard or willful attempt in any manner to overstate the claim for relief allowed under chapter 290A by a person who is a tax refund or return preparer, the person tax preparer shall pay to the commissioner a penalty of $500 with respect to the claim. These penalties may not be assessed against the employer of a tax return preparer unless the employer was actively involved in the reckless disregard or willful attempt to understate the liability for a tax or to overstate the claim for refund. These penalties are income tax liabilities and may be assessed at any time as provided in section 289A.38, subdivision 5.
(b) A civil action in the name of the state of Minnesota may be commenced to enjoin any person who is a tax return preparer doing business in this state as provided in section 270C.447.

(c) The commissioner may terminate or suspend a tax preparer's authority to transmit returns electronically to the state, if the commissioner determines that the tax preparer has engaged in a pattern and practice of conduct in violation of paragraph (a) of this subdivision or has been convicted under section 289A.63.

(d) For purposes of this subdivision, the term "understatement of liability" means an understatement of the net amount payable with respect to a tax imposed by state tax law, or an overstatement of the net amount creditable or refundable with respect to a tax. The determination of whether or not there is an understatement of liability must be made without regard to any administrative or judicial action involving the taxpayer. For purposes of this subdivision, the amount determined for underpayment of estimated tax under either section 289A.25 or 289A.26 is not considered an understatement of liability.

(e) For purposes of this subdivision, the term "overstatement of claim" means an overstatement of the net amount refundable with respect to a claim for property tax relief provided by filed under section 290.0677, subdivision 1, or chapter 290A. The determination of whether or not there is an overstatement of a claim must be made without regard to administrative or judicial action involving the claimant.

(f) For purposes of this section, the term "tax refund or return preparer" means an individual who prepares for compensation, or who employs one or more individuals to prepare for compensation, a return of tax, or a claim for refund of tax. The preparation of a substantial part of a return or claim for refund is treated as if it were the preparation of the entire return or claim for refund. An individual is not considered a tax return preparer merely because the individual:

(1) gives typing, reproducing, or other mechanical assistance;

(2) prepares a return or claim for refund of the employer, or an officer or employee of the employer, by whom the individual is regularly and continuously employed;

(3) prepares a return or claim for refund of any person as a fiduciary for that person; or

(4) prepares a claim for refund for a taxpayer in response to a tax order issued to the taxpayer. "tax preparer" or "preparer" has the meaning given in section 270C.445, subdivision 2, paragraph (h).

**EFFECTIVE DATE.** This section is effective for claims and returns filed after December 31, 2017.

Sec. 20. Minnesota Statutes 2016, section 289A.60, subdivision 28, is amended to read:

Subd. 28. **Preparer identification number.** Any Minnesota individual income tax return or claim for refund prepared by a "tax refund or return preparer" as defined in subdivision 13, paragraph (f), shall bear the identification number the preparer is required to use federally under section 6109(a)(4) of the Internal Revenue Code. (a) Each of the following that is prepared by a tax preparer must include the tax preparer's tax identification number:

(1) a tax return required to be filed under this chapter;

(2) a claim filed under section 290.0677, subdivision 1, or chapter 290A; and

(3) a claim for refund of an overpayment.
(b) A tax preparer is not required to include their preparer tax identification number on a filing if the number is not required in the forms or filing requirements provided by the commissioner.

(c) A tax refund or return preparer who prepares a Minnesota individual income tax return or claim for refund and fails to include the required preparer tax identification number on the return or claim as required by this section is subject to a penalty of $50 for each failure.

(d) A tax preparer who fails to include the preparer tax identification number as required by this section, and who is required to have a valid preparer tax identification number issued under section 6109(a)(4) of the Internal Revenue Code, but does not have one, is subject to a $500 penalty for each failure. A tax preparer subject to the penalty in this paragraph is not subject to the penalty in paragraph (c).

(e) For the purposes of this subdivision, "tax preparer" has the meaning given in section 270C.445, subdivision 2, paragraph (h), and "preparer tax identification number" means the number the tax preparer is required to use federally under section 6109(a)(4) of the Internal Revenue Code.

EFFECTIVE DATE. This section is effective for claims and returns filed after December 31, 2017.
