The council's recommendations shall be submitted no later than January 15 each year. The council shall present its recommendations to the senate and house of representatives committees with jurisdiction over the environment and natural resources budget by February 15 in odd-numbered years, and within the first four weeks of the legislative session in even-numbered years. (g) To the extent an appropriation is used to acquire an interest in real property, a recipient of an appropriation from the outdoor heritage fund must provide to the Lessard-Sams Outdoor Heritage Council and the commissioner of management and budget an analysis of increased operation and maintenance costs likely to be incurred by public entities as a result of the acquisition and of how the costs are to be paid.

(h) A recipient of money appropriated from the outdoor heritage fund must give consideration to and make timely written contact with Conservation Corps Minnesota for possible use of the corps' services to contract for restoration and enhancement services. A copy of the written contact must be filed with the Lessard-Sams Outdoor Heritage Council within 15 days of execution.
